COLORADO COLLEGE COLORADO SPRINGS, SEPT. 19, 1947 NUMBER 1

ADDITIONS TO COLLEGE STAFF ANNOUNCED BY BOARD OF TRUSTEES

Colorado College's Board of Trustees has announced the appointment of several new administrative officials and faculty members for the year 1947-48. Dean Sherwood Gates has taken over his duties as Dean of the College. He received his B. A. at Hendrix College; B. D. and M. A. Southern Methodist University; Ph. D. Yale. He was Dean of the College and Instructor of Education, Kalamazoo College. During the war he was Associate director and Director of the Recreation Division of the Federal Security Agency.

As new full time professors the college will have Dr. Hugo Gabriel as assistant professor of German, and Albert Butler, associate professor of business administration. Dr. Gabriel received his M. A. and Ph. D. at the University of Cologne, Germany. He has taught in this country as an instructor of German at the California Institute of Technology and as an assistant professor at both California U. and the University of Southern California. He has had published three plays, and several articles, essays and papers. During the war Gabriel worked with the central information division of the O. S. S.

Dr. Thomas O. Brandt, associate professor of German, who received his Ph. D. from the University of Vienna was also recently appointed. As a critic, author and book reviewer, he was a field representative and editor and head of the German translation section of the OWI in London and New York during the war.

Dr. Kenneth Loder, psychiatric director of the Colorado Springs Child Guidance Clinic and lecturer in mental hygiene at the college, received his B. S. and M. D. degrees from the University of Nebraska, then became a resident staff physician at the Norfolk State Hospital in Nebraska.

Dr. Roger Whitney, medical advisor, succeeding Dr. Leo Bor-tree, received his M.D. from Harvard in 1932 and did hospital work in the East until coming to Colorado Springs in 1937. He worked in British civilian hospitals in 1941-42 during war years, then joined the U. S. Army Medical Corps in the ETO until 1945. His wife is the former Oline Bradley, '33.

Dr. Robert M. Stabler, associate professor of biology, received his AB at Swarthmore College, his MA at the University of Pennsylvania, and his ScD at Johns Hopkins. Teaching appointments have been at

Student Handbook

It has been announced by the office of the Secretary of the College that students who did not get copies of the new Student Handbook during the registration process may get them at that office, in Cutler Hall.

TIGER-NUGGET DANCE SCHEDULED AS FALL SOCIAL EVENT THIS YEAR

Plans are already under way for an early Tiger-Nugget Dance this fall, with the editors and business managers of the two student publications in charge of arrangements. The date is set for October 4, and the Dance is to be held in Cossitt Gym.

It will probably be the first all-school dance of the year, and in this respect will break with the custom of the traditional Tiger-Nugget Ball, formerly held late in the school year as a formal or semiformal function. It is hoped that the change will help new people on campus to become familiar with the student-produced weekly and annual publications, and arouse active interest in them. It is also hoped, of course, that it will help the Tiger and Nugget to fill out their respective staffs without resorting to kidnapping. (Address any inquiries to Long, Long Thoughts Dep't., Tiger, Lennox.) The dance, which is to be a costume affair, is being planned on a "circus" theme.

There is a game scheduled for that day here with Western State, and the Greeley team and its followers will be invited. As an added attraction there will

be some sort of contest between the two teams, with perhaps a kiss from Miss Colorado College, or some such suitable reward, for the final winner.

Miss C. C., as usual at the Tiger-Nugget Dance, will be chosen during the evening by votes entered at the door. It's only a couple of weeks away, boys and girls, so get your dates early, and don't avoid the rush to the Tiger-Nugget Dance, Saturday, October fourth.

INDEPENDENT MEN

The Independent Men's Organization will have its first official meeting of the year tonight at 7:30 p. m. in Lennox House.

C. C. REPRESENTATIVES REPORT ON NATIONAL STUDENT ASS'N. MEET

The Constitutional Convention of the National Student Association was held at the University of Wisconsin from August 30 through September 7. The purpose of this convention was to draft and ratify a constitution for the National Student Association.

Approximately 800 students, representing 351 colleges and universities throughout the United States, were present at the convention. These delegates represented about one-half (1,100,000) of the students in America.

Besides the colleges and universities represented, there were many delegates from national student organizations. Some of these organizations were: American Unitarian Youth, American Youth for Democracy, The National Association for the Advancement of Colored People, Young Progressive Citizens of America, The Newman Clubs of America, and many others. These college students worked together to draft the constitution on which the United States National Student Association would be built.

The N. S. A. will be set up on three levels: campus, regional, and national. Campus delegates will work with the student bodies through the existing student governments. The schools will work together in regional unity, and these subsequent regions will act on a national basis co-ordinated by the Executive Committee and the Annual National Congresses. The region in which Colorado College is included is Northern Colorado, Wyoming, Utah and Southeastern Idaho. The emphasis will be, therefore, on the individual campus and its rights and privileges combined with the power of suggestion and experience of other colleges.

Before the Constitution could be set up and ratified, five basic questions had to be settled by the Congress which was made up of all of the delegates and alternates.

The first question was: "The relationships of the N. S. A. with existing student organizations," with sub-questions such as "Would the student organizations now existing on the campuses throughout the United States be affiliated with the N. S. A.?" "Would they have an equal voting power with colleges and universities?" The decision of the Congress was that there be no affiliation at all.

The second question was: "The proportional representation of student bodies at future National Congresses." Would schools of more than one governing body, such as U. C. L. A., be represented by student governments or total enrollment? The decision of the Congress stated that schools be represented by student governments.

The third question was: "Representation of regions on the

This organization wishes to establish among American students a unity which heretofore has not existed, by being in contact with one another, and working, through common means toward the same goal. This organization realizes that our student life is a life which must be lived in common.

A Message FROM

President Davies

Colorado College is opening this year with the largest enrollment in its history, and with one of the most enthusiastic student bodies this campus has ever seen. I know that the large number of students here will mean increased activities in every phase of life at the College. Outstanding and representative students have been elected as leaders of the student body, and through their efforts and those of the faculty and administration, I am sure that we will have an extraordinarily successful year. For the faculty and administration, and for myself personally, I want to welcome you all into the College family. I hope that this year will be happy and productive for each and every one of you.

THURSTON DAVIES,
President.

C. C. Enrollment Hits New All-Time High

Enrollment at C. C. has reached an all time high with a grand total of 1249 students. Only 436 of these are women, and 813 are men. The total of undergraduate students amounts to 1182 with 414 women and 762 men.

As always, enrollment in the Freshman class is the highest—282 men and 151 women with a total of 433. The Sophomore class has 287 men and 126 women—total 413. In the Junior class, we have 112 men and 72 women, totaling 184. The Seniors have 152 students—87 men and 65 women.

C. C. also has 56 graduate students—41 men and 15 women, 10 special students—4 men and 6 women, and 1 visitor, who is a woman.

NOTICE!

If your address has changed since registration cards were filled out, please notify Secretary's office, Cutler hall, at once. A faculty-student directory, including names, local addresses and home addresses is in process of preparation. Every effort is made to have all information accurate.

Issued each week during the academic year.

(For this issue, no attempt has been made to give proper credit in the masthead for particular work done. This will be rectified as the staff members become settled in their respective jobs.)

Printed by Peerless Printing Co., 2526 W. Colo. Ave.

This first issue of the Tiger is obviously not all we want it to be—there have been more difficulties with it than we could solve with our very limited facilities. A new printer, unfamiliar as yet with our set-up, has tried hard to give us what we want; new staff members have tried to do all they can to help; old members have pitched in in all departments; yet the result is less than all of us wish. Soon, with proper help and familiarization, we hope to put out the best Tiger in C. C. history. Until we can, bear with us, and if you are capable and willing, give us a hand.
—ED.

C. C. Band Opens Recruiting Drive

Indications are that CC will have one of its better bands out this year according to Mr. Fundingsland, band director, who has announced that the number signed up to play is greater than it has been in many years. This year the outfit will be a combination marching and concert organization. However, there is a need for more trombones, French horns and clarinets to really round out the band.

Any undergraduates who play any band instruments and have not yet signed up for the band, be sure to see Mr. Fundingsland. He may be contacted at Tinney Hall most of the day.

Band is a two credit course this year, but those who do not have full time to devote may participate in the band as an extra-curricular activity.

Rehearsals will be held Tuesdays and Thursdays at 4:15 and Wednesday evenings at 7:30 in Tinney.

As this is going to be a marching band for the sporting events, as well as a concert band, there is a need for "twirlers" and a drum major. If you are qualified—see the director.

Red Lantern Ready To Preserve Traditions

In a series of meetings the "Red Lantern Club," senior men's honorary organization which is composed of the twelve leading senior men on campus, has set up schemes and plans which will make life no object to recalcitrant freshmen who would tread roughshod over CC traditions.

The Red lantern, charged with the responsibility of promoting school spirit and preserving tradition, will be easily identified when they are "on the march" by their stern looks and lighted red lanterns. Freshmen who have been guilty of non-cooperation and poor spirit may as well stick around and have their outlooks modified in the organization since flight to the hills is usually not a permanent cure. The Mounties and the Red Lantern get their men.

Membership this year, headed by Dick Fryer as president, is composed of John Hall, John Overman, Roy Lilja, Ike Burnett, Clint Howard, Moe Carpenter, Don Harnish, 'Rock' Lundberg, Rod Parvin, Hugh Hull and Jim Doherty.

Colorado College CALENDAR

Sept. 20, Thru Oct. 4, '47

TUESDAY, SEPT. 23
3:30, 7:15, 9:00 P. M.—Movie, "Stairway to Heaven," at Fine Arts Center Theatre. (30c including tax.)

SATURDAY, OCTOBER 4
2:30 P. M.—Condition Examinations begin. Football Game—C. C. vs. Western State—Washburn Field.

9:00 P. M.—Tiger-Nugget Circus Dance—Cossitt.

PUBLICATIONS BOARD GIVES SET-UP OF THE TIGER AND THE NUGGET

In an effort to clarify the position of the publication on campus, the Publications Board, a subsidiary of the Student Council, issued the following information this week:

Directly in control of The Tiger student newspaper and The Nugget yearbook are the editors and business managers of the respective publications. In the case of The Tiger, Jim Doherty is Editor, and John Hall, Business Manager. Heading up The Nugget are Charlie Plumb, Editor, and Dan Buckley, Business Manager.

Administrational policies of both publications are discussed and formulated in the meetings of the Publications Board which is composed of the editors and business managers of both publications plus an advisor, Dr. Worner, and a student council member, Lefty Grisham, elected by the Student Council.

Exercising such control as proves necessary over the Publication Board is the student council and through them the student body. Specifically it is the desire of the Publication Board to dispell any feeling that either publication is a "closed corporation." All students from new Frosh to ivy covered seniors who want to work regularly or intermittently on any phase of either publication should make themselves known to the appropriate editors or business manager.

As far as the mechanics of the paper are concerned, assignments are given out Monday of the week of publication and deadlines are set for different times Tuesday. Wednesday

proof readers, head writers and rewrite artists get in their licks Wednesday afternoon in The Tiger offices located on the top floor of Lennox House. Galley and page proofing and final make-up are handled at the printers on Thursday morning and afternoon.

In the past some students have felt that with schedules of classes what they are, sufficient time couldn't be given to be of use to The Tiger. Actually the process of getting the paper out is divided into so many phases that one of the phases should come in "free time" for any undergraduate who wants to take advantage of the experience and the enjoyment of working on a college newspaper.

All positions on the publications have by no means been filled and the Publication Board at this time invites any interested undergraduates to apply poste haste.

Speech Workshop Opens at Colorado College Thursday

The C. C. Speech Workshop will have its first meeting on Thursday, September 25. The workshop includes the activities of the Radio Guild, the C. C. Forum and the C. C. Players.

Any student of the college is eligible to join the workshop actively or to come as auditor member. Woodson Tyree is director of the Speech Workshop activities.

Three plays are planned for the year. The players will also have charge of the staging for the opera, to be directed by Frederick Tooley, and the dance program, to be directed by Gregory McDougal.

Summer Term Called Best In C. C. History

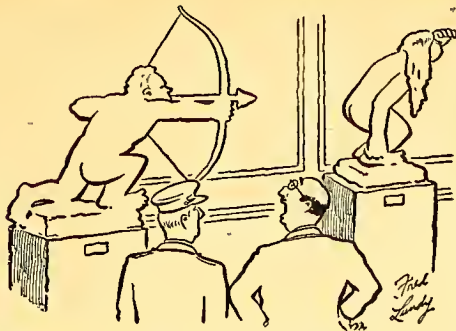

Larger enrollment, heavier academic loads, a wider variety of classes and more extra-curricular activities were the keynote in Colorado College's recently concluded summer session.

Although some of the departments were down slightly in their enrollment, the significant 30 per cent increase in the school of languages and near 50 per cent increase in the music department over the 1946 registration brought the total near the 600 mark. Approximately 200 veterans who were continuing their year-around education under the GI Bill were included in this total.

Many new innovations were introduced into the 1947 Rocky Mountain School of Languages, headed by a new director, Professor Hans W. Rosenhaupt. For the first time a beginning course in Russian was taught in addition to the traditional program of Spanish, German, French, Portuguese, and Italian.

Three language houses were located on the C.C. campus, the Casa de Espana, the Maison Francaise, and the Deutsches Haus, in which only the respective language was spoken. A faculty member and a graduate fellow, both natives of the country whose language they represented, were in residence in each of the houses. All students took an active part in more than 14 lectures and discussions concerned with language education as pertain to current foreign affairs.

Also offered in the expanded

"I think one of these statues should be turned around"

summer program was a standard academic curriculum which included intensified courses in education, English, photography, and economics.

In addition to the detailed work in instrumental instruction which was offered by nationally known musicians who served as visiting instructors, the college placed new emphasis on appreciation courses, which took up in detail the historical background, materials and aesthetics of four centuries of music.

Ten outstanding performances were given during the seven weeks music festival. The festival, which lasted from July 1 to August 16, starred such performers as Johana Harris and Max Lanner, piano; Josef Ginzgold and Frank Costanza, violin; Ferenc Molnar, viola, and Luigi Silva, cello. Outstanding event of the festival was the direction by Roy Harris of the combined

student and faculty string symphony and the large chorus. These groups also participated in two one hour broadcasts from the college over a nationwide ABC hookup.

Hanya Holm, leading American dancer, choreographer and director, returned to Colorado College for her seventh consecutive summer. She was assisted by Alwin Nikolais, head of the department at the Julius Hart School in Hartford, Conn., and assistant to Miss Holm in her New York Studio. In addition to the practical and advanced courses, they also offered for the first time a course in dance history.

At the end of the season a dance concert was held which featured a demonstration by Miss Holm, assisted by 12 of her outstanding students. In collaboration with Reginald Lawrence and Woodson Tyree of the dramatics department and Nikolais, she staged "Insect (Continued on page seven)

Housing Drive Nets 4 Times C. C.'s Need

Colorado College's emergency investigation resulted in quarters for approximately 865 people, or more than four times the number of rooms required for new students entering this fall.

Three weeks ago college officials estimated that places would have to be found for 200 students. Student "housing investigators", plus radio and newspaper publicity, resulted in the enormous number of listings.

More than 310 persons called the college offering cottages, apartments, rooms and houses for the students. The student investigations, by a house-to-house survey, uncovered nearly as many more possible living quarters.

"The college is deeply indebted to the people of Colorado Springs, for this overwhelming response to our housing crisis," Juan Reid, Dean of Men, said. "We also want particularly to thank the Gazette and Telegraph, the Free Press, KVOR, KRDO, and Denver and other statewide newspapers for their help. Without the publicity they gave us the campaign would have been very difficult."

Offers of rooms came from all over Colorado Springs and outlying districts, Dean Reid said. Indicative of the response is the fact that rooms were offered from as far as Woodland Park, Peterson Field, Palmer Lake and Camp Carson.

The students who will move into private quarters in the city generally will be within walking distance of the campus. Approximately 150 men students and a small number of college women will be housed off the campus.

It Says Here - - -

By DOROTHY STROUP

And so C.C. is again starting another school year just as successfully and enthusiastically as ever before, only perhaps a little more so. Certainly Freshman Week was an undebatable success, with its various entertainments and all-around helpfulness provided for the freshmen and new students by practically every active organization on the campus. The new student handbooks are a pleasing and much-desired new item too, and certainly we have a great deal to look forward to, with brand new, well-planned assemblies, football games, all-school dances, and fraternity and sorority affairs.

But who is responsible for all of this—for the fine organization of Freshman Week, for the Student Handbooks, for the faculty-student committee organized to improve our classes and present them the way our students want them presented, for the Enthusiasm Committee established to foster more campus spirit during pep rallies and football games, and for the light of hope and promise dawning in the eyes of the presidents of the most active organizations on our campus? It is our new Student Council, re-organized last spring in the face of a new peace-time era.

The Associated Students of Colorado College elected John Hall of Phi Delta Theta as president of the A.S.C.C. council last spring, and the fact that he has done a difficult job well is evident to all of us. Its vice-president, Duane Grisham, has been very active as president of the Independent Men's group; and the secretary, Sally Littell, also an Independent, fills other positions as president of Bemis Hall and vice-president of the Independents. Reed Hollister, a Beta, has done an excellent job in filling the position of treasurer, and Nancy Roberts of KKG, as social chairman, is well-known on the campus as an active member of numerous other organizations. Among other things, she is rush chairman of Kappa, and vice-president of the Tiger Club.

Other members of the council are representatives of their own social groups. They are: Ruth Nunn, Theta; Beth Lieurance, Delta Gamma; Mary Lou Thomson, Gamma Phi; Clarice Hads and Marge Kopfman, Independents; Bill Pfeiffer, Phil Delt; Jim Kinder, Kappa Sig; Jim Wagoner, Phi Gam; Warren Goodnight, Beta; and Bill Murray, Independents.

Mary Lou Thomson and Bill Murray have just returned from the National Students' Association Conference held at the University of Wisconsin from August 30 to September 8.

JACKIE BURKEY WINS ACCLAIM FOR EASTERN SUMMER STOCK SEASON

Jacqueline Burkey, a student at Colorado College from 1945 to 1947, has just finished a week's engagement as one of the leads in Franklin Trask's presentation of "A Goose for the Gander," at the Lynn Summer Theatre in Plymouth, Mass.

Miss Burkey has been appearing in Mr. Trask's summer dramatic company at the nationally famous Plymouth School. She was there this past summer on a scholarship which was obtained for her largely through the efforts of C.C.'s dramatic director, Woodson Tyree. News of her success was received by Tyree Saturday and it stated that she had been chosen from Trask's summer companies as "the actress of the year—the one showing the best possibilities of success in the theatre."

As a reward of her fine work in the school Miss Burkey was given the part in this August comedy success. Starring in "A Goose for the Gander" was the stage and screen star, Gloria Swanson, ably supported by three Broadway actors, James Cannon, John Graham, and David Tyrrell.

"Jackie" showed outstanding dramatic ability when working with Tyree's 1946 college shows of "Once in a Lifetime" and "Queen's Husband," in which she had supporting roles. She first received local acclaim in her portrayal of the ingenue lead in the C.C. Players' production of "She Stoops to Conquer."

the University of Pennsylvania and Johns Hopkins. He is a member of numerous scientific societies and is treasurer of the American Society of Parasitologists, and secretary of the University of Pennsylvania chapter of Sigma Xi. He has had more than 50 scientific papers published.

Assistant professor of English will be Dr. Evan J. Scott, who received his BA, MA and PhD at the University of Wisconsin. During the war he was chief of the administrative section, neuropsychiatric division,

(Continued on page five)

In addition to her work on the stage, she was an active participant in a majority of the college radio shows which were written and produced by the dramatics classes.

Independent Women Host New Students

Freshmen and transfer women students were entertained at a tea given by the Independent Women's Organization last Tuesday afternoon at 4:30 p. m. at the home of Mrs. Charles Tutt, 1205 North Cascade Ave.

Approximately 200 students donned their best bib and tucker to attend the affair. On arriving at the Tutt residence they were served refreshments and entertained by the Misses Patricia Fisher and Jackie Van Valen, pianists.

According to the reports of the new women, the members of the Independent Women Association did an excellent job as hostesses. Also we would like to extend our appreciation to Mrs. Tutt for turning over her beautiful home to the organization for the tea.

THE Couples Column

With the "Quon-set"—All of Tigertown is cooling off after spending several months in green pressure-cookers . . . though they were cool at night . . . new occupants in Tigertown include the James Dohertys in 107, the Harry Hoths in 118 and the William Pettits in 101 . . . and everyone is still waiting for the long-promised sidewalks . . . twelve puppies, little Labrador Retrievers, arrived at the McCleary's.

With the Younger Set—New babies this summer included Baby Cox, Baby Hart, babies' Rose, Temple, Milhollan, Barefoot, Hull, Vecchione, Fitzgerald, Piffuard, Smullin, Cullman, Wilson and Hoth.

With the C. C. Wives—The September 5th issue of the "Veterans World" contained a very interesting article on the C. C. Wives, their organization and their aims . . . Officers elected for the fall semester are: President, Mrs. Shirley Windward; Vice-President, Mrs. Mary Doherty; Treasurer, Mrs. Anita Britton; Recording Secretary, Mrs. Marjorie Bradley; Corresponding Secretary, Mrs. Roberta O'Brien; Publicity, Mrs. Marjorie F. Daly . . . You don't have to be a "veteran's wife" to join the C. C. Wives . . . just a campus wife is the only requirement . . . The first meeting of the year will be held at Lemnox House, Sept. 24th at 7:30 p. m. . . . All new wives on the campus are urged to attend.

Associated Women Students Start Year With Conference and Welcoming Party

The Associated Women Students sponsored a welcoming party in Bemis Commons on Saturday, September 13. Gale George, the program chairman, introduced Marion Crowder, President, and Virginia Ferguson, the welcoming chairman. The freshmen were entertained by several enterprising upperclassmen. First on the program was Hattie Carver, who gave a reading from "The White Cliffs of Dover." A story of "Winnie the Poo," was presented by the that well known raconteur, Annette Wilcox. The climax of the evening was a spirited ren-

dition by a hillbilly trio consisting of Cora Woodson, Johnny Lesman and Patsy Dinan.

The welcoming party was the first activity this fall to be sponsored by the Associated Women Students. The A. W. S. has been responsible for welcoming new girls during freshman week which officially started Tuesday, September 9th. Plans for freshman week and problems likely to occur in the near future were discussed at the annual A. W. S. conference which took place Monday, September 8th at Bruin Inn.

FIRE AT MCGREGOR—Last Friday night was an evening of much excitement in the quad Red fire engines and stalwart firemen rushed in to save McGregor Hall from the after-effects of a misplaced grill. The TIGERS on the spot artist gave us the above eye-witness conception of the activities. Final report from the Head Resident states that the hall is safe for occupancy. (Note: The fire drills for all the halls were held Saturday. This is in keeping with the C. C. principle of locking the stable after the horse has run away, etc).

University of California; she has been teaching at University of California and has published several articles in Spanish in the Modern Language Forum, and other academic journals.

Howard Erricson, instructor of English, received his A.B. and M.A. at the University of Iowa and has had a teaching appointment in the graduate school of the University of Iowa.

Gregory MacDougall, assistant professor of dance, currently appearing in the cast of "Bloomer Girl", has studied under Mary Wigman and Hanya Holm.

Professor Butler earned his B.S. in Commerce at the University of Denver School of Commerce, and did graduate work in business administration at Stanford University. After teaching at D.U., he held several important posts with the War Production Board and the Surplus Property Administration. At one time he was economist and market analyst for Eastman Kodak Company.

Two full instructors will be Ralph Lawrence Miller, mathematics, and Robert L. Koons, engineering science. Miller received his B. A. at the Univer-

sity of Iowa and did graduate work at George Peabody College. He has had assignments at three midwestern colleges and during the war was a major in anti-aircraft artillery. Koons did his bachelor's work in civil engineering at Ohio State University and went to West Virginia U. for graduate work. He is also a veteran, having served with the combat Army Engineers.

Howard Stevens, who has been an assistant at C. C. for the past year, was formally approved by the board as an instructor in political science.

The heavy load which is expected by the English Department for the coming semester will be eased by three part time appointments. William S. Row, well known to Colorado Springs residents for his outstanding service as principal of Colorado Springs High School for many years, will be a part time instructor in English at C. C. Mrs. Gloria Brookshire and Mrs. Shirley Windward, graduate students at C. C. last year, have also been named to serve as assistants in this department.

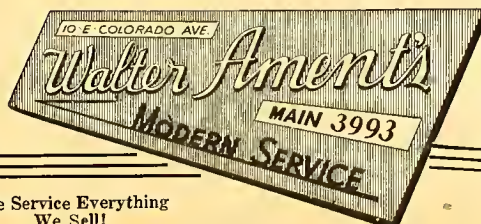

John Recves White, part-time instructor in music, studied at Cincinnati Conservatory and in Biarritz, France. He received his AB degree summa cum laude from C. C. in June. He will teach piano and orchestration.

Two new head residents were included in the new appointments, Miss Margaret Erion, in Montgomery Hall, and Miss Helen Rowe, in McGregor Hall. Miss Erion is a graduate of Mount Holyoke College where she majored in business training and was a member of Phi Beta Kappa. Her business experience includes two years with the advertising departments of General Electric Company. Miss Rowe received her B. A. and M. A. at Northwestern and has continued her studies abroad. A former teacher at Tudor Hall, Indianapolis, she has been head resident of McGregor during the summer sessions of 1946 and 1947.

DOUGLAS IMPRESSED BY GRIDMEN

Lining Up Team

The Colorado College football practice has been under way since Labor Day with 37 Tiger hopefuls answering Head Coach Ben Douglas' call. Douglas put the group through vigorous calisthenics for the first 30 minutes of both morning and afternoon practice sessions of the first day of practice to get the summer stiffness out of their joints. After this warmup, Line Coach Goodnight and Assistant Coach Bartlett took the linemen aside for drills. The backfield had both Coach Douglas and Assistant Coach Minuth putting them through their paces.

Under the hot morning and afternoon sun of September 1st, the contenders for berths on the Tiger team showed fine spirit and good will in going through their drills.

At first the backfield outnumbered the linemen but since more men have been reporting for practice, this has been rectified. During blocking practice the hopefuls showed fine form and the Tigers will be excellent blockers this year.

The lettermen returning for the first fall practice were Captain John Overman, Sheridan Underwood, Hal La Porte, Duane Grisham, Lars Watson, Ed Kohlmeier, Guy Carstens, Bob Pringle, Mel Tucker, Dick Fryer, Joe Brookshire, and Frank Tinsley. The backfield combinations that have been chosen work very well; Captain John Overman at guard, and Lars Watson at tackle showed perfect form on the blocking dummies and will be definite main stays of the Tiger line this year.

Coach Ben Douglas was very much impressed with the boys during practice and continued the two practices a day until registration last Monday.

Riding Club

The C.C. Riding Club has announced that its first meeting will be held October first. Further details will be available by the time the next Tiger is printed.

TIGER SPORTS

C. C. Cheerleaders in Action

The brothers, Bill and Dick (Up-in-the-air) Pfeiffer, pictured above, are getting ready for the 1947-48 season. The new gals who turned out Saturday were all quite competent and no announcement has been made as to who has made the squad. There is still a chance for those who couldn't be at the try-outs, another date will be announced in the next TIGER. Helping the Pfeiffers get the cheering squad in shape will be Button Elliott and younger brother Jack.

Strong Freshman Squad Prepares for Trinidad JC

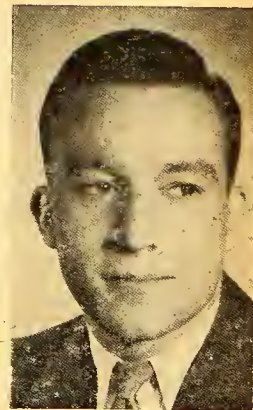

Coach Fritz Minuth has had a group of over fifty freshman football hopefuls sign up this Fall. His greatest worry at the present time is how many of the men turning out at the present time are actually football players and how many will have to be trained in the fundamentals of the game. The first practice was held Wednesday on Stewart Field.

Bob Bartlett is line coach, assisted by Warren Goodnight, and Cheddy Thompson will assist Head Coach Fritz Minuth. The coaches will have a tough job on their hands to get the freshman team in shape for their first game with Trinidad Junior College, October 4. Trinidad J. C. is one of the most outstanding junior college teams in the country and will be a very tough opponent.

This is the first freshman team at C.C. since the war, in compliance with the Rocky Mountain Faculty Athletic Conference ruling of this year.

Head Freshman Coach Fritz Minuth was an outstanding quarterback and catcher for the Tiger baseball team during his undergraduate days at C.C. He is from Morgan Park, Illinois, and now makes his home in Colorado Springs. He was appointed registrar of CC July 1, 1947, upon the retirement of Miss Josephine Morrow.

Head Frosh Football Coach

FRITZ MINUTH

The freshman football schedule:

October 4—Trinidad J. C. at Trinidad (night).

October 11 — Western State Freshman at Gunnison.

October 24—Camp Carson at Penrose Stadium (night).

October 31 — Colorado Mines Freshman at Golden.

November 8—Colorado State Freshmen at home.

November 21—La Junta J. C. at home.

This is another of the Black and Gold teams that deserves the support of the whole student body and especially the Freshmen class. Get out to the games.

Jack Whetstone Wins New Post In Oregon

L. V. "Jack" Whetstone, a Colorado College graduate in 1947, has been promoted to athletic director of the entire district and vice-principal of the Nehalem Union High School in Nehalem, Oregon, according to Lorena Berger, secretary of the college.

B. F. Davis, principal of the Nehalem High school, said in his letter that the new position of athletic director was in addition to Whetstone's duties as head football coach and department head in the school. According to a letter his newly initiated intramural program has been very successful and his team is rated as one of the best coached in the coast high school conference.

"I am proud to announce that in recognition of his proven administrative ability Mr. Whetstone has been appointed vice-principal of the high school by unanimous action of the board of directors," Davis said.

Whetstone starred in football and track at Colorado Springs High School, where he graduated in 1939. He attended Colorado College in 1939-40 and was captain of the freshman football team. After a year at Kentucky University he returned to play football for the Tigers in 1941.

During the war he coached the New Orleans Army Air Base football team for two years and was named head coach the second year. He returned to C. C. in 1946, did some practice teaching and assistant coaching at CSHS and graduated from C. C. in June. The Oregon high school hired him as head football coach this summer.

Skiing at Pikes Peak Last Season

Vets Not Required To Submit Periodic Reports On Earnings

Here is some good news for veterans studying full time in colleges and universities under the G. I. Bill. Veterans Administration has announced that they will no longer have to make periodic reports of earning.

This fall, veterans studying full time under the G. I. Bill will estimate their earnings from productive labor for the full period of their enrollment when they register. The amount of the subsistence allowances will be based on these estimates.

The rate of payment will be authorized for the full enrollment period certified to VA by the institutions and will remain unchanged unless subsequent evidence warrants an adjustment.

The new policy applies only

to veterans in full time courses in institutions of higher learning, which include colleges, universities, professional or technical schools, teachers colleges, normal schools and junior colleges.

C. C. Representatives Report on N. S. A. Convention

(Continued from page one)

Executive Council." The Congress agreed on a compromise stating that "all regions having a student population of over 55,000 will have two representatives; those having a population smaller will have only one.

The fourth question was that of the proposed formation of a judiciary Council. The opinion of the session was against any form of judiciary body.

The fifth, and final, question, was that of consideration of a method of affiliation with international organizations such as UNESCO and INS (International Union of Students). The delegates decided that any affiliation would have to be ratified on the individual campuses throughout the country.

After these five questions had been decided upon by the Congress, the Constitutional Committee began work on the final draft. The constitution was ratified with few amendments.

Your Colorado College delegates, Mary Lou Thomson and Bill Murray, have come back

Ski Enthusiasts Join Newly Formed Club

The Ski Club of CC is a new organization on campus, just organized last year. The need of just such a body is readily seen by the number of students who have already put two dollars on the line for dues. The Ptarmigan Club, as the ski group is called, boasts a hundred and forty-seven members at the latest count. This makes it one of the strongest groups, numerically, on campus.

For many years there has been a need for a body that could help those who were interested in one of the region's major winter sports.

Plans are being made to make equipment available for purchase by members. In order to make the ski slopes accessible to a greater number of the student body, car pools are being arranged to supplement the regular bus service.

The possibility of weekend ski trips is being considered in addition to the one-day outings.

CC is definitely in a geographical location that calls for a school ski team. This has not been possible until this year as the college has not had the ski club which is necessary to sponsor a team. The CC ski team will be sponsored by the Ptarmigans this year.

If you have not joined the club, and don't have the patch with the white mountain grouse, (which is a ptarmigan), contact either Bob Webb, Main 2852, or Mr. Tyree, Main 943-W.

with a very favorable impression of the United States National Student Association, and promise that you will be hearing more from them.

Summer Term Called Best in C. C. History

Comedy," a modern example of lyric theater.

Courses in drama and speech were designed for practical as well as informational work. Theater practice and stage work were given to students in work done on the stage of the Colorado Springs Fine Arts Center. Under the direction of Tyree, C.C.'s dramatics director, and

Alumni Athletes Get Passes To Games

Head Football Coach Ben Douglas of Colorado College has announced that Alumni athletes will receive "C" passes that will admit them to all Colorado College athletic encounters in Colorado Springs, with the exception of hockey games, in the general admission sections for federal tax only.

The "C" pass has never been issued before to CC athletes but from this year on they will be issued annually.

Two weeks ago the Athletic Department sent out questionnaires to over 600 former Tiger athletes to check on their addresses, present occupations, special awards received while in school, and the years they lettered in the various sports. To date, the Athletic Department has received over 300 replies to the questionnaires, and that number of "C" passes have been sent.

The records, in many cases, are incomplete for the years before 1926 and the questionnaires have aided greatly in recording the early teams, as to captains and selections of All-State and All-Conference personnel.

The CC Hall of Fame lacks the team pictures for many football and baseball teams before 1910. Therefore, the Athletic Department is requesting that any one who possesses old photographs concerning Colorado College Athletics, please send them to the Athletic Department at Colorado College and after they are photographed, they will be returned to the owner.

Reginald Lawrence, playwright and production instructor from Fordham University, a full and extensive drama curriculum was offered which included acting, technical stage, playwriting and production.

"Education in the Arts—The Theoretical Versus the Practical" was the theme of the tenth Conference on the Fine Arts, held the first week in August and sponsored jointly by Colorado College and the Colorado Springs Fine Arts Center. Distinguished speakers, experts in their fields, led discussions and forums in music, dance, literature, drama, and visual arts.

As a climax to the conference the music and drama departments gave performances open to the public. Dr. Roy Harris conducted symphonies and outstanding soloists, while Lawrence and Tyree combined to direct and produce the recent Broadway stage hit, "Joan of Lorraine."

New Buildings Open For Fall Semester

Striving to maintain high standards of facilities for the incoming record enrollment and for a record high in faculty members, Colorado College had three new buildings ready for occupancy when the new semester opened September 17.

Named East Hall, West Hall, and South Hall, the three structures were moved to the campus from Peterson Field. Construction began May 12 and only a few interior decorating details remain.

The Federal Works Agency financed the construction, through its program of buying up surplus units and turning them over to colleges. According to Thomas H. Rawles, treasurer, these "better type of temporary units" are set on prepared foundations and will be used for the duration of the educational emergency.

East Hall, a former army telephone exchange, is located between Palmer Hall and Nevada Ave., and having been completely remodelled is now ready for three classrooms and three offices for faculty members.

Located on the west side of Palmer Hall, adjacent to Cascade Ave., is West Hall, a one-time Link trainer building. This will be used for the next few months to house the offices of the forthcoming Colorado College fund raising campaign. It will later provide one classroom, a seminar room and nine offices.

The third building is located on the south side of Cache la Poudre just west of Hayes House. More than 100 feet long, this former dispensary is ready for use as a studio-classroom. The two large rooms at each end may be used as radio or movie studio, while a small room in the middle will be divided into radio control room and projection booth.

Fraternities Close Freshman Week With Open Houses Sunday

Freshman week, which lasted from September 9th to 15th, was tried at C. C. for the first time this year. During that time the new students had the campus to themselves. This gave them an opportunity to get acquainted with their classmates, to learn the location of campus buildings, and to talk with their advisors before being rushed by registration and the arrival of upperclassmen.

The first events listed on the freshman week calendar were campus tours conducted by upperclassmen. Tests for all new students were given Wednesday afternoon and Thursday morning. Meetings with advisors began Friday.

The Junior C. of C. sponsored a chuck wagon dinner Wednesday night at Stewart Field, which was followed by singing and square dancing in Cossit Gym. Thursday there was a movie at the Fine Arts Center. Friday night there was a picnic for freshmen on the Theta house lawn.

W. A. A. gave a breakfast picnic at Austin Bluffs for freshmen girls on Saturday morning, and Red Lantern entertained the boys at a smoker at the Lennox House Saturday night.

The Associated Women Students gave their annual welcoming party in Bemis Commons Saturday night.

Freshmen week social events ended Sunday with the fraternity open houses. Following these a vesper service was held in Shove Chapel.

Notice

Independent Women meet at Lennox House tonight at 7:30 p. m., first floor. Meeting is open to all Independent Women students.

Speech Workshop Opens at Colorado College Thursday

(Continued from page two)

Regular radio programs will be started in October. These will include a music period, a discussion program and a children's radio story hour, as well as the C. C. Players poetry and drama program.

Tryouts for the first play will begin next Monday. If you are interested in any phase of the work on the play or in any of the other activities, and are not

in one of the regular speech or drama classes, see Mr. Tyree in Cogswell.

Student directors of the Speech Workshop for the year include: Peter Buchan, Eldor Mainville, Carol Coebel, Michael Kefsky, Jolin Reeds, Peter Cileran, Robert Fisher, Ray Sylvester, Bill Barton, Dale Sinclair and Herbert Beattie. These and others will be given specific managerial duties at the meeting on September 25, 8 p. m., Cogswell.

South Hall, the new building near Hayes House, is the Radio and Visual Education building. A fully equipped radio control room is to be ready as soon as possible. In the meantime temporary equipment will be available for practice and rehearsal. Mr. Olson and Mr. Fundingsland are in charge of the technical installations in the radio control room. These additions are in line with anticipated improvements in the speech and drama offerings at C. C.

A TIGER TRADITION FOR 40 YEARS

Tiger-Nugget Formal Next Weekend; Dancers Pick Miss Colorado College

In the first issue of the TIGER it was announced that the forthcoming TIGER-NUGGET Dance was to be a costume affair. Shortly after the paper went to press, it was decided in Publications Board meeting that a costume dance was not practical for this time in the school year, and that the TIGER-NUGGET Ball will be formal, as it has traditionally been in the past. For the

Prospective TIGER Staff to Meet Wednesday

Because the TIGER appeared today behind schedule, it was impossible to notify all staff members and prospective members of the meeting today at 1:30. Those who did not attend the meeting are welcome to come to the TIGER office any time Wednesday afternoon, preferably between 1:00 and 2:00.

If you are unable to get there because of classes, but want to work on the TIGER at other times during the week, call or drop a note and let us know what you'd like to do and how to reach you.

Every year a group of students joins together, curses roundly at the paper and all its works and activities, and deplores the lack of opportunity to rectify the situation; this is your chance to get on the paper before the rush starts.

Registrar's Notice

Absolutely no changes in courses can be made after September 30.

Nugget Staff Meeting

Notice to all present and prospective members of the Nugget staff: A meeting will be held in the Nugget office on the third floor of Lennox House this coming Wednesday, October 1st, at 3:00 p. m. All students who have not been able to trap either the Editor or the Business Manager on the campus for a chat, are invited to attend this first meeting. The staff will meet every Wednesday at the same hour.

New Fraternity Pledge Classes Announced at End of Rush Week

Sunday, September 21 marked the termination of Rush Week given by the campus fraternities for men eligible to join the pledge classes. It gave those men occasion to meet the active members, visit their houses and learn a little of the background of each fraternity.

It gave ample time for the rushees to choose the fraternal organization they wish to

MEET THE TEAM

All men, women and children are expected to be down at the station by 8:30 a. m., 0830, to unrehabilitated ex-G.I.s, Sunday, to greet back the team, WIN, LOSE or DRAW. They have gone to Grinnell with the feeling that the college is behind them. They will have played the game to the best of their ability no matter what the score. The best that we can do is see that they are received back to Colorado Springs in proper style.

The men in the following lists have been qualified to join the respective pledge classes.

Bob Gaut of Kappa Sigma, Rush Chairman, announces the following men as qualified:

Harold Kunz, Pueblo, Colo.; Bob Burns, Colorado Springs, Colo.; Mike Hawkins, Colorado Springs, Colo.; Tim Drew, Casper, Wyo.;

(Continued on Page Seven)

COLORADO COLLEGE COLORADO SPRINGS, SEPT. 26, 1947 NUMBER 2

Leave the Barn When You Steal the Horse

The management of Lennox House requests that students who use the magazines will be careful to leave the celluloid covers when they take the magazines.

Mass Student Send-off for Tigers Lead by Prexy, Frosh and Band

By BILL MURRAY

In the finest display of spirit and enthusiasm that has been shown in many a year, the students of C.C. sent their team off to Crinnell. Freshmen, upperclassmen, faculty, administration and especially the team will not soon forget September 25.

At about noon the dinks and green bows started to show up around Cossitt Hall, soon after came car after car full of

upper classmen. Amid the bursting of aerial bombs and other assorted devices, whose sole purpose is to make noise, Prexy Davies, Ben Douglas, Bill Goodnight, and team captain John Overman loaded into the regal chariot pulled by the stout hearted, strong willed and especially strong backed members of the freshman class, male of course. The cars fell in line behind Prexy and the snake dancing freshmen. Soon Tejon Street was filled from curb to curb with both CC co's and CC ed's. The other users of the street wisely moved off or parked.

As the caravan turned into Pikes Peak Avenue the din from the horns increased, directed by Harry Hoth, as you might have guessed. The Rocket was waiting the arrival of the mad host and was not disappointed. If the passengers weren't aboard when C. C. arrived, they had a hard time getting there.

Colorado Friends Give Testimonial To CC's Former Coach, Jo E. Irish

Fifty-three old friends of Jo E. Irish, retired athletic director of Colorado College, attended the testimonial dinner in Jo's honor at the El Paso club last Monday. A rising vote of thanks and acclaim to Jo was joined in by all those present at the end of the gathering. The movement for the dinner got under way several weeks ago and was engineered to a very pleasant and successful conclusion by Harry Hoth, Bob Bartlett and Mort Cooper.

JO E. IRISH

Bookstore to Notify Professors as More Textbooks Arrive

Because of an increased student body, the bookstore frequently ran out of needed books and supplies, but more are arriving daily. As soon as the books for a course arrive, the store will inform the professor of the course so he can tell his students. In this way all students should soon have everything they need.

Colorado College Bookstore has seen the biggest rush this fall since its existence here. There were twenty workers on the job, which is more than ever before.

The increased enrollment has had a great deal to do with the crowd at the bookstore. Also the new government rule stating that vets may buy only required articles on the bill has made the work harder. All of this helped to contribute to the line that stood in Lennox House last week.

Harry Hoth, genial young master of ceremonies, called upon Dr. R. J. Gilmore, Howard Olson, E. C. van Diest, Ben Douglas, Bob Bartlett, Dr. Harry Woodward and Russ DeFries for speeches.

These men who have been associated with Jo Irish for numerous years in various capacities, all paid glowing tribute to the wholesome results of and high repute which the efforts of Jo Irish have brought to C.C. and the Athletic department of the institution.

At the end of pleasant recollections, dating back to 1926, E. C. van Diest, who was directly responsible for the appointment of Jo Irish at that time as graduate manager, and of modernizing the set-up of C. C., presented Jo with a testimonial that is to carry the signatures of the trustees of C. C., the president and close associates.

The testimonial reads:
RESOLUTION

During the last 20 years C. C. has pursued a policy in regard to athletics, both intramural and intercollegiate, which has been basically sound. This has been due in large part to the untiring efforts and faithful service of Jo E. Irish, who during these years has served as graduate manager and director of athletics. His counsel and advice will be sorely missed by both the members of the faculty and the administrative officers.

The members of the board of trustees of C. C. and the athletic board, wish to record their appreciation of his excellent work and to wish him good health and happiness in the days ahead.

Bill and Dick you-know-who were on the top of cars leading cheers and added quite a bit to the color with their leaps to the station top. The team was wondering just where all the students and pep came from. Many of the members of the squad, in addition to their pleased expressions, looked pretty puzzled. As the time for departure approached, the C.C. band broke into "Colorado C Men" and was joined by the assembled students as the team climbed aboard. "Rosie" Collins, the trainer, was last to board as the streamliner pulled away.

The Blues

By JIM DOHERTY

In looking over the first issue of the TIGER for last year, I saw an old editorial called "RUSH WEEK" which had been reprinted then by request. It pictured some of the strong feelings aroused in college people by the excitement of the rushing season, and was written in '41 by "jcmohler." Parts of that editorial are very pertinent to a question assuming more and more importance on this campus, and deserve comment and spot quotation. I have no fault here with the fraternity idea, although it may have faults. I do have something to say of its effects upon a minority of the people who take a vital interest in the Greek-letter organizations, both form men and for women.

To set the scene as I believe it to be, I quote from "RUSH WEEK":

"Now the pins and ribbons are flashing in the sun and some in the moon. There was a party at every house every day and every night . . . and it was 'I've met this guy' and 'I know her' and mostly 'Who the hell is he?' . . . and my jaws hurt from smiling but we sewed him up and she's a cinch and pass the bottle or shoot me and the rushee another beer . . . and rush, rush, hurry, run sister or you're late and nobody wants you then and there's a knot in your throat and a run in your stocking and you'd like to get some sleep or see your mother or cry or have a coke date with the boys you know in Boston . . .

"This boy wanted you and you wanted him—this boy wanted you but you didn't make the grade—this girl cried all night—this little piggy had none and her heart lies in a heap at the bottom of the world and too many like you, my dear . . ." Which constitutes my point.

Too many of you, my dear, so that the chance to fill out the magic circle was never quite offered to you, after all, actually the build-up was for some other people, because there are fewer places for you than there are nice people like you. It isn't at all the fault of the sorority, and probably isn't anyone's fault, but there are quotas . . . you knew that but of course you'd make it if you wanted to badly enough . . . only some don't, and maybe you were one of them. "And we're all happy except for those twenty who made mistakes—mistakes that make for good, healthy inferiority complexes . . . This is being done all wrong . . . This will be done all wrong again next year and the next and the next . . ."

And most of us realize that it's being done all wrong and some of us resent it and even some of us don't think at all

Infirmary Announces Additions to Staff

Among the new additions to the staff of the Colorado College Infirmary are Dr. Roger Whitney, Miss Emma Lapatt and Miss Olwen Davies.

Dr. Whitney, our new medical advisor, is a graduate of the Harvard Medical School.

Miss Emma Lapatt is a part time nurse, and trained at Wellesley Memorial Hospital in Chicago; she is now a pre-medical student here at CC.

The regular nurse, Miss Olwen Davies, studied in Montreal, Quebec, and during the war served four years overseas in England and Italy.

Miss Laura Johnson has taken over as housekeeper, and C.C.'s Bill Herlocker has the responsibility of keeping the patients fed.

that it's going to improve the world. There are laws of natural selection to take care of the hindmost and the foremost can take care of themselves usually—and those in between aren't really average anyway because they're people as well as rushees . . . and rushees are a dime a dozen but pledges are in demand and the organization has a quota to fill as well as to observe, so at most there are only so many and the will, the need created, has nothing to do with it. Is it anyone's concern if there are 400 or more, and only place for 240 at the outside? Although everyone is perfectly civilized about it, there just isn't room for any but the right ones, sometimes not even room for all of them . . . it's limited, you know, and can't very well go beyond those limits . . . so many really nice girls, it's a shame not to be able to do something . . . so many boys who have almost enough push of their own, if only they had a little help to get squared away.

Is the answer to be found in another fraternity and another sorority on this campus, this year? A lack of room in those now here doesn't mean heartbreak for very many, but some, and it actually means very little to most fraternity and sorority people that others want to be and can't make it. It just doesn't matter, to most people. To the minority who have planned to make themselves part of the fraternity or sorority picture, there is a need that calls for something more satisfying than an old bid-card and the memory of having been pressurized, encouraged, aimed at, congratulated for everything, and nothing, jostled, toasted, taken into confidence, applauded, hurried, welcomed, applauded some more, and then left to figure out why they didn't make the unaccustomed grade.

Is the need for more organizations, or is there something wrong in the basic idea of segregation of the greens from the whites, and its resultant blues? Maybe I have it all wrong, but I don't see the social or educational benefit of creating a need from nothing, then denying that need.

Students Welcome Sunday at Tri-C Meet

This Sunday evening the group that meets at Gregg Library, 20 E. St. Vrain St., commonly known as Tri-C, will welcome any students who want to attend. Dr. Abbott will be moderator of the meeting. The topic to be discussed has been left up to the

moderator, who is professor of sociology and chairman of the School of Social Sciences at C.C.

It is hoped that those who plan to go on the picnic in October will be present in order to get an idea of what transportation must be provided. Discussion will be continued as to the plausibility of having a roundtable and forum more frequently.

Lecture Concerts by Famous Artists Will be Free To CC Undergraduates

Roy Harris, composer-in-residence to Colorado College, and Johanna Harris, associate professor of piano, will give a series of three concert lectures. These lectures will be admission free to the student body of Colorado College and will be given in the theater of the Fine Arts Center. Before coming to Colorado College, Mr. and Mrs. Harris gave lecture concerts in New York City, including one-hour programs broadcast over station WNYC.

Johanna Harris, who is a concert pianist having played with leading symphony orchestras, is also known for her broadcasts. For over two years, while in New York, she broadcast over CBS on Sunday nights. She is famous for her folk songs which were done over a nation-wide hook-up on NBC.

Roy Harris has lectured in many leading universities and music schools from coast to coast. Since coming to Colorado College Roy and Johanna Harris received a citation from the National Committee on Radio Education for the program "Let's Make Music," which originated at Colorado College.

President Davies has been anxious for the student body to be able to hear the Harris, and this series, has therefore, been inaugurated so that all students at Colorado College may have the opportunity of hearing them.

Students who are likely to take graduate record examinations are urged to attend these concerts, since questions on music are included in all such examinations.

Mass Student Send-Off—

(Continued from Page One)

Still the students were not done, far from it. The word was passed and up to Pikes Peak and Tejon went the crowd. Meeting slight opposition, the Freshmen again took the lead and snaked to busy corner where they spread out in a circle, stopping all traffic. Joined immediately by the upper-classes, they were lead by the Pfeiffers and Doug Gregory in some more C.C. cheers. When last seen, the students were hoofing or hanging from the sides and tops of cars, on their way to afternoon classes.

Series "A" will be given during the first semester, and Series "B" during the second semester. A list of the lectures follows:

Series A

1. Sept. 30—What is Music Made of? 8:00 p. m.
2. Nov. 4—How Music Grew.
3. Dec. 2—Pressure Groups that Made History.

Series B

4. Contemporary Folk Song.
5. Popular Music and Prestige Music.
6. Pressure Groups of Today.

Independent Men To Hold Reception

There will be a reception for all independent men next Monday evening at Lennox House, first floor, 7:30 p. m. The Independent Men's Organization invites every male student on the CC campus, who is not affiliated with a fraternity that has a chapter here, to attend this meeting.

After the regular business meeting, plans for the forthcoming dance and hay ride will be discussed. The intramural football team will be announced and those interested in cross country will be able to sign up. If you would like to join our friendly competition with the fraternities and participate in this year's social activities, come over next Monday evening. We are anxious to get acquainted with all you new entering freshmen. See you at the IMO meeting.

CC Riding Club Will Organize October 1

Anyone who likes to ride, who is interested in horses, or who would like to learn to ride is invited to hear about our new Colorado College Riding Club. The meetings will be held every Wednesday night at 7:30 o'clock at Lennox House. Panel discussions outside speakers and movies will vary the programs, which will begin October 1.

The riding club will be in charge of the spring horse show which will again be contested on an inter-fraternity and inter-sorority basis. This new organization is under the sponsorship of Mrs. Woodson Tyree and Mrs. Frank Krutzke.

For further information about the Colorado College Riding Club, call Claric Hads, Ticknor Hall or John Haggart, Phi Delta House.

Arnall Talk Makes Sound Impression On Students at 'Town Hall' Meeting

By MARY STILLSON

Ellis Arnall, the man who "didn't want to set the world on fire" on Information Please, came close to starting a conflagration in the High School auditorium last Tuesday. There was never a dull moment as he spoke out his views in front of a jammed auditorium and four of Colorado's leading statesmen. Ex-governor Ralph Carr, also expected, was busy in San Luis Valley. Mr. Arnall expressed some positive ideas on the requirements for international harmony and international peace, for instance "The human equation of personal relations must be observed in national relations." He held not too much stock in the effectiveness of the UN, of armaments, or the fear of the A-bomb in preventing war; he thought the solution had to be found only in the minds and hearts of men.

The audience recognized meat of the recent Georgia conflict in Arnall's voting views. He feels that the suffrage should be extended to all those millions over eighteen who are denied this right, especially in the South where the problem is serious. College students were impressed and flattered by Arnall's statement that the nation needs the candor and enthusiasm of its youth, and that they should be given this early experience in government.

America's international problems came foremost in Mr. Arnall's thinking. He said that as people we are prone to go elsewhere to find solutions to problems. Some problems in our house and their solutions are:

What he terms "Eastern" imperialism and the "colonial" status of the South and West. Industry must be decentralized. This can be accomplished by breaking up trusts and cartels and allowing the Capitalistic system to include little people; and by giving the South and West manufacturing and transportation rights equal with those of the East.

Education is the best way

to banish intolerance and hatred, and is based on the relief that the people should have enough information to know what they need and what is harmful. Yet, Arnall says no school system is adequately financed and colleges are so crowded that deserving students are denied the right to enter.

Health ranks along with education. Yet there are whole countries in the United States without a doctor or a dentist, and serious-minded students are being refused admittance to medical school. Arnall does not favor federal control, but he believes that in cases where the state has shown its inability to cope with the situation, the people should be able to turn to a responsive federal government. (This is probably a new attitude for the South). He stresses for disbelievers, that he does not mean by his definition of "socialized medicine" that the government should take over the medical profession.

He believes there should be a public enterprise as well as private enterprise. He approved of the "public works" of the depression as necessary to prevent a revolution, but he does not think that "raking leaves" will help today. Projects like the TVA and MVA are more to the point. Public enterprise should be publicly financed.

If democracy is made workable, we need not fear Communism, for, says Arnall, Americans are not going to give up their personal dignity for the poor-house. Each individual must promote democracy and glorify it. We must start here, and remember that we are working on holy ground.

Ellis Arnall, ex-governor of Georgia, spoke at C.S.H.S. last Tuesday.

A.W.S. To Sponsor 'Buzzbees' For Freshman Women

As President Davies has said, this will be the best year Colorado College has known. The Board of the Associated Women Students started the year much inspired by the talks that Mrs. Charles Tutt and Prexy gave at the opening Conference. The A. W. S. Tea, September 13th, gave all the girls a chance to become even more acquainted with each other. The entertainment was marvelous, and everyone left feeling just a little more at home at C. C.

As soon after Rush Week as possible the A. W. S. will sponsor the Buzzbees for all freshmen women. This year they will be in a series of four lectures that will not only be entertaining but also thought inspiring. The theme of the talks will be that of a Play Try-Out. It was chosen not only to tie the discussions together but also to impress upon each new girl that she has an individual part to perform at Colorado College. Mr. Krutzke and Patsy Dinan will have the topic "Learning Your Lines." It will be a discussion of the necessity of doing a little studying in college with the ever fateful Final Week in mind. "Taking the Lead" will be discussed by

Mrs. Cass and Marian Crowder. The A. W. S. has its eyes open for leadership among the girls this year. It is hoped that this talk and the other plans of A. W. S. will make it possible for more girls to take the lead in school affairs. "Staying in Character" will be discussed by Dean Holbrook and Susie Sabin. This lecture has to do with campus problems, etc. and will stress the importance of maintaining a high scholastic as well as moral character on campus.

In past years the Buzzbees have presented a culture talk. This year it will be given by Annette Wilcox. A fifth session will be held in order that the freshmen and new girls may have the opportunity of making plans for themselves.

The Associated Women Students are striving this

WAA Sponsors Frosh Activities

The Women's Athletic Association sponsored a breakfast picnic for all freshman girls during freshman week, out in Austin Bluffs. Dr. Lloyd Shaw spoke to the group about Colorado Springs and surrounding area while the girls sat overlooking the mountains and town about which he talked.

The first W. A. A. board meeting will be Monday, Sept. 29, at which time the representatives of sororities and independent organizations and the new sport heads will attend and plans for the year will be made.

W. A. A. is going to act as hostess to a joint high school W. A. A. conference to be held in Colorado Springs in October.

The officers of the organization for the current school year are: Jean Thayer, President; Mixie Kitazaki, Vice-President; Marge Gilliland, Secretary; Betty Jane Hanger, Treasurer.

year for a program that will unite the women students into a more concentrated purpose. Its board has a representation of all women's organizations and activities. Through the efforts of the board members, particularly Turza Briscoe, chairman of the newly organized personnel board and Nancy Bryson, Social Chairman, all girls will have an op-

Night Dance Class Begins October 1st

Beginning October 1, a dance class will be held twice a week for those who are intending December 12. This terested. It will last six weeks, class will meet at 7:15 p. m. in the dance studio at Cossitt Hall. The course is open to the general public at \$15.00 for the twenty sessions, but the students of Colorado College are admitted to the class at no cost. It is suggested that anyone who was unable to take the regular dance course will enjoy this evening class.

All those who are interested in general body conditioning, coordination and flexibility, reducing and corrective exercise, and insight into basic principles of dance and its appreciation, may find success here. It is designed to appeal to art, music, and drama students.

Gregory McDougall, who will direct the course, is in charge of the dance at Colorado College this year.

portunity to excel in the field for which they are most suited and in which they themselves wish to excel.

With these and other plans in mind the A. W. S. is backing Prexy Davies in his wishes for this year.

FIRE! (DRILL) Tradition Continues In Girls' Dorms

An event almost as traditional as the ringing of the Cutler Bell occurred Saturday afternoon, September 20. It was the annual fire drill held in the girls' dorms, which for nearly forty years has terrorized C. C. females as they attempt to descend the treacherous rungs.

Such an occasion calls for a celebration and as each girl finally reaches the bottom she is met with shouts and congratulations of the firemen, head residents, faculty members, and friends. It is a daring feat even for the blue jean clad coed of 1947. Imagine how the frail miss of 1907 must have felt in her hooped skirt trying to accomplish the task!

Assistant Chief Moses of the Colorado Springs Fire Department commented that the drill had been very successful this year except for the amount of time required to clear Bemis Hall. The delay was due in part to Miss Barbara Dyer who obstinately requested a parachute before venturing down the four flights of stairs.

As is the custom, after the fire drill the firemen were served donuts and coffee in Bemis Commons and Miss Wolfe, fire marshal, passed out cigars to them.

WHAT A RECORD! ★

BERYL DAVIS'S NEW DISC FOR RCA VICTOR

★ It's a groovy group of notes—done to a turn by one of the top of the new crop of singers.

Yes, Beryl Davis knows how to pick a tune... knows how to pick a cigarette too. "I tried many different brands and compared," says Beryl Davis—"I found Camels suit me best."

That's how millions learned from experience that there are big differences in cigarette quality. Try Camels in your "T-Zone" (Taste and Throat). Let your own experience tell you why more people are smoking Camels than ever before!

R. J. Reem's Tobacco Co.
Winston-Salem, N. C.

More people are smoking **CAMELS** than ever before!

PanHellenic Gives Sorority Bids Sun.

All eyes are on Pan Hellenic this week. They, and Mrs. Fauteaux, are responsible for the climax of the rushing season, which of course means, what sororities get what girls as their new pledges. After the preference dinners, Saturday September 27, final votes are made by sorority girls on their rushees, and lists are handed to Dean Fauteaux. On Sunday morning, those girls being considered for membership in a sorority will be asked to fill out a Pan Hel card listing the sororities in order of their preference. Sunday afternoon the bids come out! If the sorority list matches that of the choice of the rushee, that girl is eligible for pledging that particular sorority.

Sunday evening, all sororities will have a supper for their new pledges at the lodges.

CC Wives Start Season's Plans

The C.C. Wives held a most successful meeting Wednesday night. Shirley Windward, president, introduced the officers and made several important announcements which promised to provide practical entertainment activities for the semester.

One announcement concerned a nursery to be open every day from 1.00 p. m. to 5.00 p. m. for the use of the C.C. Wives. Plans are being arranged for the use of college rooms for the nursery. Several donations of furniture for these rooms were offered, and more will be appreciated. A list of reliable baby sitters may be secured from Dona Milhollan, chairman of the nursery committee.

Betty Wakefield is in charge of jobs for married men. Anyone interested in securing employment may see her Dean Juan Reid's office in Cutler Hall.

French Luncheons Resumed at Cossitt

The regular Tuesday French luncheons which the French Department inaugurated last year will be resumed next Tuesday, September 30, according to an announcement by Professor Latimer. The Henderson Memorial Scholarship will be held in the private dining room of Cossitt Commons at 12 o'clock. Anyone on the campus who speaks French is cordially invited to join the group. Those interested are asked to get in touch with Professor Latimer or Mlle. Goulven.

The Wives are planning a bridge class for beginners. Classes will be held at the regular meetings. Ann Bieg, chairman of the entertainment committee, explained that the bridge lessons will begin on October 22nd.

An Auction Sale was suggested, which was followed by an impromptu sale of several items including one iron, a waffle iron and baby bugles. Ideas were presented for forthcoming events of the club. Marge Daly's proposal of a square dancing class was received with enthusiasm. Further ideas included a costume dance, musical entertainment and knitting classes.

Anyone wishing transportation to C.C. Wives meetings will call Roberta O'Brien, Main 3863-W. There will be a 5c charge each way.

AND DON'T FORGET TO COME TO THE PICNIC!

Scholarship Awards Announced Here

Colorado College's Student Aid committee has announced that John F. Orbsorn, 273 Dundee Avenue, Elgin, Ill., has been awarded the Howard Swain Henderson Memorial Scholarship.

The Henderson Scholarship is for an outstanding boy making application to Colorado College from the Illinois area and provides for four years full tuition. Orbsorn is a 1947 graduate of the high ranking Elgin Academy in Illinois and was high on the list of considerations for the \$4,000 Taylor scholarship which was awarded by the committee last week.

Graduating fifth in his class "Jack" was one of the outstanding citizens and athletes of the academy. At the school's graduation ceremonies he was the recipient of three of the highest awards, The Liberman Award for sportsmanship, the Wenner "E" trophy for the best all-around contribution to athletics and the Doree Tennis Trophy.

Three years captain and letterman of the tennis team, he also won his major "E" on the basketball floor and as quarterback of the football team. He was cited for excellence in school publications and won a permanent Merit Status pin for superior scholarship and citizenship.

Colorado College's scholarship committee has announced that Patrick J. Killen, 705 El Medio

(Continued on Page Eight)

Tigers' Growl

By HENRY KLINGMAN

This week my question is one which has been arousing cries of protest for some time. The following comments were made in answer to the question, "What is your opinion of long skirts and what do you consider to be an appropriate length?" (Hattie Carnegie take note)

"DOC" GARRISON—I believe that skirts should be like an editorial, long enough to cover the subject but short enough to be interesting. Skirts are no longer interesting when they are longer than 2½" below the knee.

ADELE COLLINS—From the masculine point of view they are horrible, and from the feminine point of view they are not very flattering.

BILL BARTON—Women are being victimized; and so are the men that are paying the bills. The whole thing is a gigantic conspiracy that a Communist would attribute to the vicious Capitalists in the garment industry.

CORA WOODSON—I'm definitely against them. I don't think women should be pushed around by a bunch of clothing manufacturers and fashion designers. I don't think women will stand for it.

"RED" MACKAY—I think that about an inch below the knee is an appropriate length. A long dress looks awful on a short woman.

RECINA CONWAY—Long skirts are OK for dressy clothes but impractical for school wear. I really think girls should wear skirts according to their height and the way they are proportioned.

JIM TARTER—I'm strictly against it. It takes the flavor out of life. They should be much shorter than they are at present.

GLENNE EBERSOLE—I like day dresses and school dresses at the average length.

GARRY LEWIS—I think they should be getting shorter instead of longer.

GLEN ZIMMER—Nothing much to say on that subject except that I wish they'd hang them shorter.

TIGERS MEET GRINNELL IN OPENER

TIGER SPORTS

Ben Douglas

A SHORT BIOGRAPHY

Coach Ben Douglas was born in Denver, Colorado, but soon moved to Cedar Rapids, Iowa, for his schooling. While attending Cedar Rapids High School he played half back in Football, forward in Basketball, and participated in Track. He went on to Grinnell College for his AB degree, and while an undergraduate, he turned to sports again. He played football in the half back spot, guard in Basketball, and specialized in the high jump for Track.

BEN DOUGLAS

After graduating in 1931 from Grinnell, he went to Greenfield High School in Iowa to teach and coach. In the fall of 1932, he moved on to coach at Cornell College of Iowa, for the school year of 1932-33. He returned to Iowa University for graduate work. But he turned in 1934 to coaching again at Maplewood High in St. Louis, Missouri. After six years in St. Louis, he returned to the College he had graduated from nine years earlier. This time he was back at Grinnell College as Head Football and Basketball Coach.

In November of 1942, Ben went into the Navy and after three years on the high seas took off his Lieutenant's uniform and returned to Grinnell to coach again.

The name "Douglas" is very familiar on the campus and

Growlers' Club Plans Football Frolicing

Out to see that the football season does not go by without the maximum of frolic and fanfare, the Growlers Club, men's pep organization, held its first strategy meeting last night, Bill Pfeiffer presiding.

Under Vice President "Sonny" Price, Norm Nesterlode has been assigned to be in charge of various committees which will ride herd over events at the football games.

A healthy group of Growlers, namely Lou Kinkle, Dwight Hamilton and Bob Packard will see to it that the Freshmen get the bonfire built by rally time. In charge of flag raising and bomb exploding details are Dick Matzen, Jim Suhr, Bob Henn, and Dick McCleary.

In addition, Growlers will take care of the usual duties of seeing that CC students get in the right section and, of course, seeing that the freshmen march to the game behind the band.

The Club will be out in force to meet the Rocket on Sunday morning to welcome the football team back from Grinnell and urge that any other students especially the ones with cars meet the train with them.

All eyes are on him and the team for this fall, as the '47 season opens.

Jo Irish's position will be filled by Ben Douglas, whose appointment as Director of Athletics became effective September 1st. We trust that he will have a long and successful reign as Director of Athletics and Head Football Coach of Colorado College.

Ben is a family man, with a very charming wife, and two young sons, Ben Jr., and Bob.

C.C. GRINNELL
Game

KVOR—6:45 MST
TONIGHT

Enthusiasm'

By HARRY HOTH

For the first time in six years Colorado College has begun the fall semester with the enthusiasm and spirit that marked the campus in the years before the war. Even though our first home football game is a week away, there is a feeling of cooperation and of being united to win.

President Davies and the administrative officers have shown what leaders they are by being out front on the drive for a winning team backed by a winning student body. They have been willing to promote any activity or expenditure which would aid the team.

We have a cheerleading squad that is tops in the Rocky Mountain area. The two Pfeiffer boys, Dick and Bill, who led the cheering last year will be joined by their younger brother Jack and Doug Gregory, to form an acrobatic team. The boys will be assisted by five girls who are: Button Elliot, Nancy Woolger, LaVon Rous, Pat Harrey, and Mary Allerton.

The Tigers Club and the Growlers Club, our pep organizations, have plans underway to participate in all pep events and at games. Their presence at the football game will lend force to the student cheering section.

Two other groups which should receive mention for the work which they have done and will continue to do are the C Club and Red Lantern. Both of these organizations are vitally concerned with the spirit of the student body and are always at work to promote it.

With every organization on campus united to bring C.C. the best year that it has ever had, we can be confident of victory. The student body as a whole is needed however to support the work of its organization. From the enthusiasm shown already by the students we know that we have that support.

Squad of 34 Leaves for Iowa Game To Start Season in Good Form

The Colorado College football team left Thursday noon for Grinnell, Iowa, where the Tigers will open their 1947 Football season against Grinnell College on Ward Field at 7:45 p. m., CST, or 6:45 p. m., MST. In final preparation for the encounter between the Pioneers and the Tigers, Head Football Coach Ben Douglas and line coach Bill Goodnight have held 2 scrimmages. The

Cutler Bell Again to Ring in Victories

On the night of September 26, the "Cutler Bell" will once again be heard on the campus of Colorado College. The ringing of this bell by the freshmen men after each athletic victory is a tradition almost as old as the college itself.

The Red Lantern Society will enforce the following rule: A group of Freshman men will be selected to ring the bell after each victory. If this rule is not followed the Freshman men will be dealt with by the Red Lantern.

The bell will also be rung at Homecoming by the Freshmen if the "Men from Mines" attempt to invade the campus.

first one was held at Washburn Field Saturday afternoon in a steady drizzle and the other was held Tuesday night at Penrose Stadium under the flood lights.

The coaching staff was not satisfied with the defensive progress of the team. Blocking was very spotty and the general defensive play poor. Captain John Overman, guard; Ray Jones, halfback; Hal La Porte, end; Glenn Blagg, guard; Lars Watson, tackle have been on the minor injury list this week. Blagg, Watson and La Porte did not scrimmage Tuesday night.

Coach Douglas does not plan to name the starting line-up until game time Friday night. However, he did say that 34 will be on the traveling squad. Also traveling with the team will be President Thurston J. Davies, Ben Douglas, Bill Goodnight, Graduate Manager Bob Bartlett, Trainer T. R. Collins, Asst. Public Relations Director Harry Watson, and Football Manager Moe Carpenter.

Through the generosity of Iowa State, the Tigers will see the Colorado University vs. Iowa State game on Saturday at Ames, Iowa.

LET'S MAKE LAST YEAR'S LOOK LIKE A BOX OF MATCHES

All you freshmen will have something to use your heads for, besides a place to rest your dink. The BONFIRE that we are going to have next Friday night will be fed with the wood that you cart over to Cossitt Bowl. Yes, that is what they use the bowl for. It had you fooled didn't it. From the enthusiasm that you showed yesterday, there is no doubt that next Friday's fire will be the biggest and hottest in the history of CC. Gals will be able to get out for the rally and we don't want to disappoint them. Further info on the subject will be forthcoming from the Growlers Club, you know who they are don't you.

All Other RMC Teams Have Started Season

The other members of the Rocky Mountain Conference have already gotten their squads on the field in actual competition. Montana State Bobcats went west a little to put in a good showing before dropping their game with Oregon, 14-6. Western State was crushed by Brigham Young University of Utah by the score of 45-0. Colorado Mines took on a member of the Big 7, and came out on the short end of a 20-12 score with Colorado A & M. The other member of the conference, Colorado State of Greeley was goose-egged by Kansas State of Emporia, 12-0. Although Montana State has been beating the drums

Varsity-Fresh Scrimmage Played Under Lights

Penrose stadium was the scene of the second Varsity-Freshman scrimmage of the season last Tuesday night. The game, played under lights was arranged by Coach Douglas to accustom the men to the conditions they will be playing under at Grinnell. In the practice meets at Stewart field the Varsity has been doing mighty nice work. We feel that by keeping on their toes throughout the season there is a very good chance of a Rocky Mountain Title for us.

for the championship, the Tigers are strong and as yet an unknown quantity. You can be sure that the CC men will be out for that title.

CC Music Workshop Plans Year's Affairs

Yesterday afternoon at 4:30, the first meeting of the Music Workshop was held in the Carnegie Room of Perkins Hall. Plans for the coming year were discussed and the candidates for office were announced.

John White, President, was in charge. James Erb, Vice-President, outlined the proposed program for the year. These meetings are open to the student body but required of the music majors.

The Workshop Madrigal Group concluded with Early Music by di Lasso, Palestrina, Byrd, and Bach.

The meeting was very interesting even for those who were not music majors. The next meeting will be held on October 9 at 4:30 in the Carnegie Room.

New Fraternity Pledges—

(Continued from Page One)
Louis Dillinger, Colorado Springs, Colo.

Rush Chairman of Beta Theta Phi., Bob Henn names these men as eligibles:

Bob Funk, Colorado Springs, Colo.; Ralph Stacey, Wayne, Pa.; John Colgan, Wayne, Pa.; Walt Rebman, Bryn Mawr, Pa.; Bob Heath, Oklahoma; Jack O'Brien, Colorado Springs, Colo.; Don Hale, Winnetka, Ill.;

John Folsom, Rush Chairman of Phi Delta Theta, designated:

George Brickell, Colorado Springs, Colo.; Doug Gregory, Colorado Springs, Colo.; Harold Hawks, Colorado Springs, Colo.; Calvin Hopkinson, Colorado Springs, Colo.; Armand Jerman, Pueblo, Colo.; Tom Tullis, Salina, Kan.; Edward Willson, Colorado Springs, Colo.; Bill Bernard, Berkeley Calif.; Gene Albo, Pueblo, Colo.

Rush Chairman of Phi Gamma Delta, Sheridan Underwood, named the following:

Jack Alderman, Colorado Springs, Colo.; Glen Faucett, Los Animas, Calif.; K. Freyschlog, Colorado Springs, Colo.; John Koser, Los Angeles, Calif.; George Lyons, Fowlerville, Mich.; John McCawley, Econdido, Calif.; William Mitchell, Colorado Springs, Colo.; Paul Pierson, Colorado Springs, Colo.; Fred Randolph, Los Animas, Calif.; Don Sevrin, McHenry, Ill.; Doug van Metre, Mount Vernon, Ia.; Harry Waters, Colorado Springs, Colo.

Sigma Chi Rush Chairman, Chuck Roper gave notice to these men, announcing their eligibility:

Harold Beile, Peoria, Ill.; William S. Davis, New York, N. Y.; Lloyd E. Gordon, Colorado Springs, Colo.; Melvin Keeney, Mutual, Okla.; Robert McGinnis, Dallas, Tex.; Jay Stone, Colorado, Colo.; Bill Harwell, Colorado Springs, Colo.; George Wiedman, Colorado Springs, Colo.; Jim Wischmeyer, Cleveland, Ohio; Vern Wishart, Canada.

Norm's Quorum

Question — WHAT DO YOU LIKE MOST ABOUT COLLEGE LIFE HERE AT CC? (Asked of freshmen only.)

Ans.—CHARLOTTE NOLAN —CC is the most around friendly school that I have ever been in. In other words a new student feels at home the first day.

Ans.—FREDA APOSTOLAS —Everyone at CC seems to be so friendly and I don't feel so much like a freshman. I think everything is just plain swell.

Ans.—LUCY BURNS—I like the freedom you are allowed between classes. You can do just about what you want to do.

Ans.—RONALD MOORE — I like CC because there is so much to do in the way of social activities, and they have a very good faculty.

Ans.—"HOOK" DANFORTH —The friendliness of both students and faculty towards the incoming freshman. The obvious high degree of school spirit.

Ans.—JOE CREACER—The friendly attitude towards entering students. Mainly the way you are taken into the field by the men, anyway.

Ans. HELEN BARTHELL—The friendly atmosphere makes freshmen really seem at home. The campus is the most beautiful I've seen and the mountains are a fitting setting.

Ans.—BETSY HOLMES — The activities of Freshman Week helped the freshies feel right at home. The scenery adds so much to the beauty of the campus.

Ans.—LOIS PETERSON — I like the friendly attitude and the differences in college life from high school life. I think it is a wonderful place, and the mountains are beautiful.

Ans.—CHARLES HOOVER —The friendly spirit which prevails on this campus along with the fine spirit of cooperation among students has impressed me as being a very important item here at C.G.

Ans.—DICK FRIEDMAN — The friendliness and interest of all the members of the faculty and the students is very impressive. All that was done for the freshmen during the Freshman Week has been a very good idea.

Scholarship Awards—

(Continued from Page Five)

Ave., Pacific Palisades, Calif., was the winner of the new Alice Bemis Taylor scholarship to C. C. of \$1,000 a year for four years.

The award, based on general excellence in scholarship, leadership, citizenship and activities, is offered for the first time and is to be an annual prize.

Killen's record in Santa Monica High school speaks for itself and his letters of recommendation from California included praises and character references from many prominent townspeople. Scholastically he ranked seventh in a graduating class of 311 and he was winner of the Addison Barnett award for the outstanding senior boy, based on participation in school activities, leadership, cooperation, sportsmanship, and scholarship.

He was a reporter on a newspaper which won all-American rating by the National Scholastic Press Association and he was editor-in-chief of all publications. Twice winner of the Rotary Citizenship and Service Quill and Scroll pin for journalism, Killen served as senior vice president and as assistant president of ASB at Santa Monica. Equally versatile in athletics, he won letters in varsity football, basketball, and baseball.

Evidence of the stiff competition offered by the twenty nationwide high school graduates is shown by the record of William F. Mattoon, 2508 Grand, Pueblo, Colorado, who was named as alternate to the Taylor Scholarship and was awarded a four year, full tuition honor scholarship.

Scholastically Mattoon ranked eighth in a graduating class of 227. He was winner of the state Quill and Scroll contest for editorial writing, on the staff of the school paper and literary editor of the yearbook. As co-captain of the championship Centennial debate team for three years he was awarded the H. P.

It Says Here - - -

By DOROTHY STROUP

The social life of Colorado College is at its usual high point. So we've been told. This includes the annual and most illustrious Fire Drill. The usual spectators, made up of firemen, football players, and various fraternity members about campus, were on hand to watch the proceedings. The usual comments were made, and the usual questions asked. One red-blooded young freshmen woman kept wondering what kind of apparel she should wear—a skirt or her blue jeans. The occasion was enjoyed by all, but the most sensational thing to happen in the quad was the appearance of real honest-to-goodness china plates in the Bemis dining room. The food had that sort of food taste, which has not been present before.

It seems that James Parmalee and Bob Henn both returned with new wives from back home and Wayne Adanson and Doris Simonson took the fatal step 'last Wednesday. It's noticeable, too, that Nancy Harkness is wearing John Leisure's pin, that Pat Organ is wearing an atrociously gorgeous diamond, and that Mary Lou Parker has Dick Stark's Sigma Chi

Vories debate medal and was winner of the 1946 DAR American history award.

His popularity among students is shown by his position as vice president of the student council and as president of the senior class. He took part in the school's dramatic productions and is a member of many national honor, dramatic and journalistic societies.

pin. While we're on the subject, Wally Wilson was seen passing out cigars last Tuesday. It's a boy and his name is Kirk.

Then there's the usual rush week problem. Several young women were seen walking across the campus Sunday morning carrying a peculiar-looking stuffed sea-lion. Gordy Wescott has been purchasing drapes, seat covers, and numerous other little items for the good of the Kappa Sig

house, and people have been carrying weird looking objects, and muttering desperate things under their breathe for the last week. What people won't do these days to impress the rushees.

Other news flashes: A mysterious new item has been concocted at the local pub. It's called Noodle Soup, and we don't want to commit ourselves as to information concerning its contents. Experience is the best teacher.

Christian Scientists Meet Regularly

The Christian Science College Group of Colorado College announces to all that services are held regularly in the parlor at Lennox House, Tuesday evenings from seven to eight o'clock.

All members of the Student Body and Faculty are welcome at these services.

Prexy Envisions Prosperous Year At Convocation In Shove Chapel

An outstanding year and an outstanding future at Colorado College for its students and its faculty was predicted last Tuesday by President Thurston J. Davies at the opening convocation of the college at Shove Memorial Chapel. Stressing a well-rounded college life for all students, Davies pointed out that both CC and Colorado Springs offer facilities and activities not usually found in comparable cities or colleges.

"It is a tragic thing," he said, "that people of the intellectual ability to attend a college like this do not take advantage of all that it has to offer. And if your lives in college can't be well-rounded, I for one don't know when they will be."

Pointing out that CC begins its 74th year with a highly selective student body and an increased and exceptional faculty, Davies stressed the need for maintenance of high academic standards by all students.

"If the academic work of this college is not important enough for you to make sacrifices, I wonder if this is the college for you," he said. "Add to it the fact that your being here is depriving some other student of the opportunity to go to college and it adds up to an obligation which should be very clear in the minds of us all."

As personal contributions to the college, Davies pointed out that students and faculty can give invaluable aid in the endowment campaign, in the healthy growth of extra-curricular activities and in the success of the academic program.

Finnish Aid Committee to Sponsor Benefit Boxing

The Friends of Finland Committee of Colorado Springs is sponsoring a boxing match to be held Monday, October 6th at the city auditorium. The main attraction of the evening will be a six-round main bout in which Wayne Strobbridge, well-known local fighter will be matched with Paul Chavez of Montrose, Colorado. Tickets are priced at sixty cents and may be purchased at the door. The proceeds of the evening will be sent to Finland. It is hoped that Colorado College students will again cooperate in this valuable cause.

The Friends of Finland Committee contacted a little Finnish village called Kyrkstatt through the Countess Estelle Bernadotte of the Swedish royal family. Two-thirds of the homes in Kyrkstatt were destroyed during the Russian invasion. The committee has sent 1100 pounds of food and clothing to the town already. The town's inhabitants are destitute.

The Friends of Finland Committee wishes to express its deep appreciation of the generous gifts of clothing donated last June by the college students and faculty.

Enthusiasm

By Harry Hoth

If I were in the orchid-passing department I'd sure be busy. This week has been like an everyone - hits - and - scores inning. There would be an orchid for the coaches, for the team, for the newspapers, and for all others who helped promote the spirit shown previous to, during, and after last week's football game at Grinnell. But I'd have to have a huge spray of orchids made for the student body to show them my sincere appreciation for the way that they turned out for the rallies and for the enthusiasm shown at those rallies. It's a

(Continued on page six)

New Mixed Chorus Begins Practice

Mr. Frederick Tooley, voice instructor in the Music Department, has announced that the first rehearsal for a mixed chorus that will sing secular music will be held in room 15, Perkins Hall this Saturday morning from ten to eleven. Anyone who is interested in choral music and is able to attend the rehearsals is cordially invited to see Mr. Tooley in his studio, room 1, Perkins Hall in order to try out for the chorus. This will be a college activity rather than a departmental activity and participants do not need to be music students.

The type of music to be studied will be secular; outstanding choral works, ensembles of compositions of various periods including madrigals and moderns. Numbers will be prepared with future performances in mind.

the Independents, Annette Wilcox from Kappa Alpha Theta, and Lu Doble from Kappa Kappa Gamma. The winner will be chosen by ballots cast at the dance.

"Coco" Woodson, in charge of the sideshows, reports that she has some amazing talent assembled, including an authentic Blue Ridge Mountain Trio, Salina's most talented virtuoso, and augmented by other artists. There will also be a contest requiring peculiar talents of the two football teams. Clarence Mishey and his band are playing for the dance.

The circus is complete with menagerie, plus some highly whimsical additions—all safely caged. Hot dogs and pop will be available to complete the atmosphere.

Admission to the dance has been changed to \$1.20 a couple, so you Junoesque gals can begin eating heartily again, without depleting your boyfriend's budget.

We want CC's first big dance of the year to be a riotous success, so leave your inhibitions at home, and be under the Big Top at Cossitt with your best date and finest duds Saturday night.

HOMECOMING

Harry Hoth, Homecoming Chairman, wishes to remind all organizations that the dates set for Homecoming are October 24th and 25th.

See The Enclosed Chart For Seating at The Game

Thursday Deadline On Class Officer Nominating Petitions

The election of class officers will be held Thursday, October 16th, following individual class meetings. Each class will elect three commissioners by popular vote.

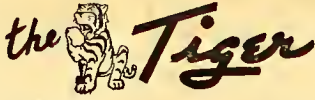

Before the class meetings the candidates from the upper classes will be nominated by petition; and those from the freshmen class will be chosen during a freshman nomination assembly. The assembly will be held October 9th at 10:00 in Perkins. Petitions for sophomores, juniors and senior nominees must be turned in to Mr. Robert L. Jackson, Cutler Hall by 5:00 p. m., Thursday, October 9th.

No person shall be nominated for class commissioner except by a nominating petition signed by at least ten members of his or her class, except that nominations in the freshman class will be made from the floor during the nominating assembly. Any first semester freshman shall be eligible. Sophomores

A SALUTE

We know we speak for the student body when we express our thanks to Robert Hendee, a trustee of the college and the gentlemen whose interest in the college and its activities prompted him to sponsor the radio broadcast of the CC-Grinnell game. The type of business which Mr. Hendee is in makes us sure that it was not for advertising but for the enjoyment of the student body and the town that the broadcast was made possible. We salute you, Mr. Hendee.

"On the 55-Yard Line"

We regret that we cannot salute the announcer who gave the report of the game. We are in receipt of letters commenting on the manner in which the game was reported, letters and notes that it would be cruel and unnecessary to print. In spite of the fact that, as one student expressed it, it was a "monument of incompetence," we feel sure that steps will be taken so that in the future a clear, concise, factual non-repetitive play-by-play description will be available over the air for fans unable to attend the games. Maybe last Friday's broadcast was frustrating while the game was on, but it did provide laughs the rest of the week.

R. J. C. SEZ:

Nearly everybody capable of reacting to light and darkness occasionally nurses a desire to spout his feeling on the world through the medium of some sort of paper or another. On any normal school paper, the instant that one of the workers expresses a desire to write a column, he is told to take an aspirin, go to bed and stay there until the feeling goes away. On the TIGER, which is traditionally shy of material, the instant that anyone begins to look feverish and dazed, he is handed paper, a typewriter, and told to write a column. My only excuse is that I have had laryngitis for about a week.

I have a gripe to register with the powers that be and I am addressing this to the students in the hope that when they enter man's estate and sally forth into the cold world, they can do something about it.

On the different highways of the West that I have seen, there are a good many stretches that resemble asphalt-topped book shelves overlooking valleys solidly paved with large, jagged rocks and the remains of a few cars. Just when

COLORADO SPRINGS, COLORADO

the driver needs every resource to prevent his insurance agent from muttering, "I told him so, but he wouldn't listen," he is greeted by a sign proclaiming, "THE END IS NEAR! ARE YOU READY?" and perhaps following it up with one of the jollier passages of biblical literature describing just what the goats can expect after having been separated from the sheep. Now it is all very well to labor toward keeping your fellow man in the middle of the road, but this strikes me as distinctly below the belt, not playing the game, underhanded and a dirty trick that would shame Peck's Bad Boy. If they must shoot this sort of thing at the public, couldn't they ease you into it in the manner of the Burma-Shave signs or put it out in the flat country where you are more relaxed? I don't know who is in charge of this campaign to drive me mad, but whoever it is, "In the name of all that is right and good, LAY OFF! I can't take much more of it."

Dear Editor:

On witnessing the childish antics which some way or other managed to get connected with the departure of the CC football team for Grinnell, I was reminded of a little piece written some years ago by my friend Porter Sargent, who was formerly of Harvard and who is an authority on schools. He called it "An American Goddess." I pass it on to you in toto:

"A flutulent old bawd, she's the subject of hysterical worship from Orono to Pomona. This American goddess, Alma Mater, is more absurd and absorbing than the Paphian Venus, the Ephesian Diana, the sinister Magna Mater. About her worship center Bacchic orgies, Elysian mysteries, traditional ceremonies as pompous as those of an Australian corroboree. Great spectacles are staged in which tens of thousands yell to hoarseness. And she calls for human sacrifices too. Forty-five lives were offered up on the football field in 1931. But worse than that, after four years of thralldom her acolytes are turned loose useless and footloose on a cruel world.

"Dread old Wabash! How American youth have fought and bled for her in a thousand so called colleges. About them is a shifting world; a changing civilization, men from the slums sacrificing and dying for their enthusiasms. But the deepest emotion that has thrilled these poor young rich Americans has been the appeal of their cheer leaders at the annual game.

"Football with its professional subterfuges has brought hypocrisy to the colleges which was like bringing coals to Newcastle. But sacrifice must be made to win for Alma Mater. And to swell the gate receipts she has become a bawd."

Sincerely,
Ed Meyerding

Take it away, Harry!

Tiger Club Ready For Big Year

The first meeting of the Tiger Club was held Tuesday afternoon. Considering the plans in mind, this should be a successful year for C. C.'s women's pep organization.

The officers this year; Cora Woodson, president; Nancy Roberts, vice-president; Shirley Woolfenden, secretary; and Mixie Kitazaki, treasurer; have had four board meetings so far. We feel very fortunate to have as our faculty sponsor Miss Erion, head resident of Montgomery and chief source of pep ideas for '47.

Uniforms were given out at the meeting, and all "cos" and "eds" will see the black and gold outfits on the campus the Friday before every sports event during the year.

In case you freshmen women are wondering where you fit into the picture, the Tiger Club is your sponsor and took care of obtaining your lovely and attractive fall accessories. (Those little paddles and ribbons are really holding their own against the dinks this year!) ALL FRESHMAN WOMEN WILL MEET AT CUTLER Saturday twenty minutes before game time.

MARGE KOPFMAN

The Tiger Club will march to the game just ahead of this group of green ribbons. It might be added that the Tiger Club is the source of Kangaroo Court members who pass judgement on all "you who offend."

The next meeting of the Tiger Club will be on Thursday, October 9, at 4.30, in Ticknor basement. Plans for Homecoming in co-operation with the Growlers will be the main point of discussion.

Remember, every Freshman woman is "cordially invited" to turn out for our first home game, so let's go TIGERS!

CO~ED OF THE WEEK

It is the custom of the TIGER to select, each week, an outstanding girl on campus to be the Co-ed of the Week. Marjorie Kopfman, a senior, has been selected as the Co-ed for this week.

Marge comes from Center, Colorado and her enthusiasm about its locale would delight the heart of any chamber of commerce member. According to her the San Luis Valley is the most beautiful place in the world to raise sheep.

Her college career makes one wonder whether she's majoring in Fine Arts or the art of being an executive. This year she is president of the Independent Women, president of Loomis Hall, vice-president of the Quadrangle Association, and an Associated Students of Colorado College representative. (We're running out of offices.)

For some obscure reason a Co-ed of the Week is always asked what she likes and dislikes, so, running true to form, we asked Marge. Horseback riding and music are her two major interests, but steak, chocolate cake, and the male species are not to be excluded. Like most normal people she has her pet peeves. She abhors people who wake her up with the asinine question, "Are you asleep?" or, when she loses something, ask her where she lost it.

C. C. will be sorry to lose Marge, but June is a long way off, and we can expect great things of her in her remaining year.

Sororities Announce Pledge Lists

Rush week ended Sunday, September 28th, when the four sororities on the campus announced the names of their new pledges, as follows:

Kappa Kappa Gamma pledges—Annette Close, Barbara Lett, Beverly Bridges, Joann Timpfe, Dorothy Rawlings, Hazel Finley, Priscilla Plumb, Claire Chamberlain, Ann Wright, Nancy Stroman, Ann Keefer, Janine Brooks, Betsy Gadd, Charlotte Sutton, Mary Schlosser, Rosalie Johnson, Shirley Patt, Connie Nuzum, Dorothy Lucas, Janie Stevenson, Jane Ochsen, Barbara Brandenburg, and Vera Lewis.

Kappa Alpha Theta pledges—Sally Ann Darling, Ruth Reeds, Sue Grover, Taffy Bronson, Jonnie Gilbert, Patti Lois Stephens, Patty Sonnekson, Barbara Howe, Beryl Ann Barr, Elizabeth Van Rennselaer, Judy Pollock, Edwina Sanson, Eleanor Ebersole, Sally Organ, Nancy Crain, Priscilla Chester, Betti James, Denise Schoneberger, Connie Koehler.

Gamma Phi Beta pledges—Mary Allerton, Persis Ayer, Jean Begun, Virginia Carol Brown, Barbara Clark, Carol Fischer, Helen Giertz, Helen Harmon, Margery Kraft, Ruth Lindeman, Jane Little, Margaret Packard, Virginia Sharp, Shirley Temple, Beverly Welborne, and Marianne Wintze.

Delta Gamma pledges—Nancy Beaman, Luccy Burns, Adele Collins, Carol Garfield, Evelyn Gunther, Pat Hollister, Betsy Lou Holmes, Doris Lyons, Merlie Louise Martin, Anne McCune, Peg Merle-Smith, Clare Morris, Chan Nolan, Polly Pierson, Martha Richardson, Eddy Rose, Marilyn Russell, Dorothy Shaw, Caroline Stevenson, Mary Verlengia, Doris von Holst, Mary Wall, Sue Weary, Nancy Wilson, and Nancy Wrench.

Majorettes Needed For Marching Band

From all indications, we will have an unusually fine band this year, due to the terrific school spirit behind it. The marching unit that plays at all games and pep rallies is thirty strong. All you gals that can twirl a baton are needed for the marching unit. See Mr. Fundingsland at Tenney Hall. Also trombones are needed for concert band. See all you Tommy Dorseys in Tenney Hall!

THE Couples Column

Perhaps you've seen those posters around the campus! They advertise the CC Wives picnic, and were done by Jody McCue. If you haven't already seen the posters then here is the scoop: The date—October 12th, the time—12:45 p. m., the place—Cutler Hall, the meeting place for any couples, married or single, with or without cars, with or without children. The idea is—bring your own lunch and liquid refreshments (need we say more) will be served if you have a ticket. Price for the latter only 50c each and they may be purchased at Platt's—801 N. Nevada, or the Dalys—104 Tigertown... put on your old clothes and take off to Cutler... If you can furnish transportation for others, it would be appreciated if you would call Main 3738-W.

Everybody is talking about that little boy born to the Herb Beatties'... Bob Berg being very ill with pneumonia... Swann Tingle... the lovely CC wife from Iceland... Don Feibing's pretty French wife... the next meeting of the CC Wives, when none other than Dean Juan Reid will speak on lots of things which will interest the wives. October 8th—Lennox house, 7:30 p. m.—and if you don't have transportation to get to the meetings call Roberta O'Brien, Main 3863-W. She will see that you have a ride to and from, for the slight sum of 5c each way... A special note to each wife who has not yet become a "CC Wife"—don't be bashful—you will get to know lots of wives in a very short time if you attend the meetings, and will find lots to interest you too!

—MARGE DALY.

TIGERS EDGE GRINNELL 6-0

Overcoming stiff opposition which had held them scoreless for three and one-half quarters, the CC Tigers picked up their first victory late in the fourth quarter Saturday at the expense of a strong Grinnell eleven who were unable to overcome the 6-0 lead held by the local squad until the final whistle. Retrieving a deflected Tiger pass on the Pioneer's 30 yard marker, Harry Waters scampered 50 yards towards the Tiger's pay dirt which terminated into a springboard to victory for the Bengals. Bulling their way to the two yard strip Quarterback Joe Pringle took over the proceedings for the Tigers from the T which resulted in the game's only score, much to the delight of Tiger Coach Ben Douglas who considered his team of the past season a tough squad to beat.

The weekend victory was not a stroke of luck but a well deserved win as statistics indicate. Outplaying the Iowa squad both along the turf and through the air the Tigers eleven recorded 10 first down to the pair picked up by the Grinnell squad. Caught in a shower of passes the Grinnell squad let 7 completions slip by out of the 15 hurled by the local squad. The corn-belters completed three.

A heavier, superior Tiger line was unable to spark a backfield which sputtered threateningly the entire afternoon to turn the game into a high scoring affair. As a result of the see-sawing of the squads Hal French, who was piloting the Tigers, and Mel White of the Grinnell squad had a fourth down punting duel. The Iowans proved to have a slight edge with the toe with an average of 40.5 yards in their 13 punts. The CC eleven averaged 39 yards in 7 punts.

Making a last desperate attempt to at least tie up the game the Pioneers picked up several yards but were unable to break up the defensive tactics of the CC eleven.

CC Favored Over Western State Sat

If past performances and present indications may be used as a measuring stick the CC Tigers will be possessors of their second victory of this season after Saturday's game with the visiting Western State squad. The Western State eleven, which has failed to win one game in three starts this season, will be meeting a Colorado College squad for the 17th time since 1924. During this 23 year period of competition local squads have won 13 games, lost two and tied one.

Hitting from both the T and the short punt formation, Coach Ben Douglas will undoubtedly unleash an effective ground attack mingled with highly successful aerial ground-gainer which the squad utilized so well for the first victory of the season at the expense of Grinnell College last week.

Already hailed as potential Big Five Champs the Tiger squad should be well on their way to a battle with Colorado State if successful Saturday over what is considered a highly impotent Western State eleven. With Montana State easing out of the conference with one scheduled game which leaves them ineligible for the Big Five title, Coach Douglas' squad has lost the toughest bidder for the conference title.

Although little is known about the visiting squad it is certain they will be outweighed by the Tigers.

School Ski Club Represented At SRMSA Meet

The Ptarmigan Ski Club will be represented at the annual meeting of the Southern Rocky Mountain Ski Association which is to be held in Denver on Saturday, October 11. Delegates from all ski clubs in the southern Rocky Mountain area will meet at that time to formulate plans for the 1947-48 skiing season. A tentative calendar of intercollegiate and other competitions will be made at the meeting.

As official fulcrum of the CC skiing element, the Ptarmigan Ski Club will make arrangements for the coming season's intercollegiate competitions. All college ski competitions in this area are under the jurisdiction of the S. R. M. S. A.

More details will appear in a later issue.

Freshman Squad Meets Trinidad In First Test Sat.

Both Freshman Coach Fred Minuth and his squad will be making their first public appearance Saturday when they meet the highly praised Trinidad Jay Cees at Trinidad in a night game. The Trinidad squad is rated as one of the finest junior college squads in competition this season. Game time is 8:15.

Look Out, Western State!

The conference pictured above which took place last week is the beginning of the downfall planned for Western State Saturday afternoon. Planning the strategy are: (left to right) Captain John Overman, Bob Bartlett, Graduate Manager; Coach Ben Douglas and Line Coach C. William Goodnight.

TIGERS EDGE GRINNELL 6-0

Overcoming stiff opposition which had held them scoreless for three and one-half quarters, the CC Tigers picked up their first victory late in the fourth quarter Saturday at the expense of a strong Grinnell eleven who were unable to overcome the 6-0 lead held by the local squad until the final whistle. Retrieving a deflected Tiger pass on the Pioneer's 30

yard marker, Harry Waters scampered 50 yards towards the Tiger's pay dirt which terminated into a spring victory for the Benj

ing their way to the strip Quarterback Jo took over the proce the Tigers from the resulted in the gam score, much to the d Tiger Coach Ben who considered his the past season a tou to beat.

The weekend vict not a stroke of luck b deserved win as stati dicate. Outplaying tl squad both along the t through the air the eleven recorded 10 fir to the pair picked up Grinnell squad. Caug shower of passes the C squad let 7 completio by out of the 15 hurled local squad. The corn-completed three.

A heavier, superior line was unable to s backfield which spu threateningly the enti ternoon to turn the gam a high scoring affair. result of the see-saw the squads Hal French, was piloting the Tigers Mel White of the Cr squad had a fourth punting duel. The Io proved to have a slight with the toe with an ave of 40.5 yards in their punts. The CC eleven aged 39 yards in 7 punts.

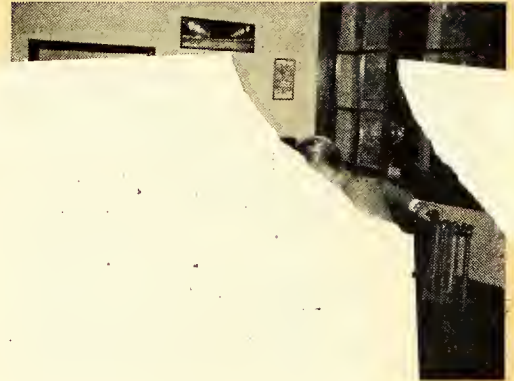

Making a last desperate tempt to at least tie up game the Pioneers picked several yards but were un to break up the defensive tics of the CC eleven.

Cross-Country Race to be Held During Homecoming Football Game

The annual traditional Colorado College cross-country race will be held between halves of the homecoming football game on Saturday, October 25. The five fraternities and the Independent organization will compete as units, but individuals may enter. The same intramural regulations will govern this race as any other sport.

A team will consist of a maximum of six runners. Only the first four runners to finish on each team will constitute that team's score. However, the fifth and sixth runner of each team to finish will be counted in the place in which he finishes.

The team score will be computed on a basis of 1 point for the first runner to finish; 2 points for the second; 3 points for the third, and so on. The team with the lowest score will be the winner, second lowest is second.

Individual entries will be recorded in the exact place in which they finish, but they will in no way be counted so as to affect the scores of the organizations finishing in full teams.

The race will be run over a two-mile course in the vicinity of the stadium, starting on the track around Washburn Field. Time and place of start will be announced.

Every contestant must work out at least four times and must have gone over the course at least once before the day of the race. The above will be reported to his intramural Manager, for information should contact Leo Hill, Intramural manager, for information on the course.

Entries, and a record of physical fitness of all competitors by the school's physician, must be in the hands of Mr. Hill not later than Saturday, Oct. 11.

A suitable trophy will be awarded to the team finishing in first place. Individual medals will be given to runners finishing in first, second and third place.

Bill "Red" Lewis, '43, is at present coaching baseball and basketball at Golden H. S.

Kappa Sigs Begin Early Training For Intramural Season

By TOM STOKER

Kappa Sigma is on the gridiron again this season with its former backfield of last year. Jim Kinder (all-Nebraska high school end) is the new addition to the line. Kappa Sigma won second place in the intramural series of tilts last year after only one heartbreaking defeat. Kappa Sig feels a new hope for this autumn's struggles.

Charles Neill is the only runner left out of the winning Kappa Sig long distance team of last year. Rebuilding efforts are being made with training of a serious nature to start soon. The cross country event is one of the most grueling of all events and condition of the runners being the big driving issue.

Some roadwork, sparring, and general training has been started by Kappa Sigma for the boxing and wrestling intramurals. Drawing on its wealth of former Colden Glovers, Kappa is shooting for new titles. Flyweight "knuckles" Beiga and Red Seasons, both former Colden Glovers from Montreal, Canada are spearheading the boxing along with Moe Miller in the wrestling department.

Out look is generally good for Kappa Sigma in this year's string of intramural events with clean sportsmanship and friendly rivalry as always being top berth in all events.

KNOTHOLERS TO ATTEND GAMES

One big nickle will be the price of admission to CC games for enthusiastic football fans under the age of 12 it was announced here with the reactivation of the Knothole Club this week. Membership to the knothole club is open to all who wish to join.

The young knotholders will make this year's debut at Washburn field via the northwest gate and will contribute to the afternoon's entertainment by scrambling for cowbells before game time.

Intramural Touch Football Competition Starts This Week

By JOHN MULKEY

The 1947-48 Intra-Mural Football season will officially swing into action this week, when an array of six teams open their annual touch football season with what should be good ball games.

Wednesday at Perkins Field the Phi Cam and Phi Delt sevens, made their debut. The starting lineup for the Phi Delt had Gregory and Vandenberg at ends, Haggart at guard, Crie at the center spot, and along with Pantor in the back field were the "Bouncing" Pfeffers, which rounded out their starting seven. Starting for the Fijis were, Smeeth and Kennedy at the ends, Mitchell at center, Neill at guard, and Stitt, McCovern, and Sullivan in the back field.

Today at Perkins Field the Sigma Chi touchball team opens their season against the Kappa Sigs with the following probable starting lineups: for the Sigs it's Peckham and Quigley at end, Mahan at center, Stewart at guard, Harnish, Robinson, and Tyree in the back field, for the Kappa Sigs it will probably be Kinder and Biega at end, "Shorty" Long at center, Fields at guard, Mitchell, Pradt and Chet Long in the back field.

At the same time, 4:15 today, on Stewart Field the Betas and Independents battle it out in their opening ball game. The Betas have starting for them, Arnold and Ryan at end, Wardwell at center, Stacey at guard, Litt, Parlapiano, and Lindeman in the backfield. The starting lineup for the Independents was not available.

Hockey Coach Cheddy Thompson, who is in charge of Intramural football, has made a few necessary changes in the playing rules. With representatives from the five fraternities and the Independent, he drew up a new set of eligibility rules which will govern play of all Intramurals this year.

The problem of bad officiating has been solved by written examination, which will be given to all prospective officials prior to the opening game. This year we play according to National Collegiate Athletic Association rules.

Physical examinations for all contestants is a must,

Knotholders Regroup

The scene pictured above will be repeated again Saturday with the reactivation of the Colorado College Knothole Club which is open to all youngsters 12 years of age or under. The boys will scramble for cowbells before the kickoff of the Western State game.

which we hope, will help not only the game but also the participants. This new setup should improve intramurals to a great extent.

The new schedule for the next two weeks was released by Leo Hill who is assisting Cheddy with football, this schedule, which will be completed at a later date, reads as follows:

Tues, Oct. 7—

Bets vs. Phi Gams, Perkins Field.

Thurs., Oct. 9—

Independents vs. Sigma Chi, Perkins Field.

Fri., Oct. 10—

Phi Delt vs. Kappa Sigs, Stewart Field.

Tues., Oct. 14—

Phi Delt vs. Bets, Perkins Field.

Thursday, Oct. 16—

Independents vs. Kappa Sigs, Perkins Field.

Fri., Oct. 17—

Phi Cams vs. Sigma Chi, Stewart Field.

All games will be played at 4:15 unless otherwise specified. A delay of ten minutes in starting time constitutes a forfeit by team causing the delay.

Rex Hester, '47, who lettered in track and basketball, is now principal and coach at Pisgah (Iowa) High School.

Speech Group Names New Officers

The first meeting of the Colorado College Speech Workshop was held Thursday evening, September 25 in Cogswell Theatre at 8:00 p. m. This was primarily an organization meeting, and the new officers were introduced. Those in charge of the entire Workshop are: Eldor Mainville, Pete Gilleran, Pete Buchan, and in charge of publicity are Dale Snelclair, Carol Gaebel, and Carol Spiegel. Heads of the different groups are: Players—Bob Fisher, Pat Silvester, Dusty Krause, and Susie Sabin; Radio Guild—John Reeds, Mike Kofsky, Herb Beatty, Pete Tyree, and Milton Norton; and Forum—Bill Barton, James Turk, Horton Johnson and James Twombly.

The 2nd meeting, held October 2, was in charge of the Players Group. A one-act play was presented, followed by a talk by Bob Burnam, the President of the Civic Players.

The Forum will be in charge of the meeting October 9. This group includes mainly the Spoken English students.

The Speech Workshop meetings are open to anyone, and the eligibility for membership is based upon 100 hours' work in either the Radio Guild, Forum, or Players. Anyone interested in taking part in any of these groups should contact someone in charge of the group.

Enthusiasm

(Continued from Page One)

pleasure to be enthusiasm chairman when you have the co-operation and backing of the whole student body. I know that I am speaking for the entire team when I say, "Thanks, CC. With the good spirit and sportsmanship our team has, it will always come out on top, win or lose."

This week we play Western State in our first home football game of the 1947 season. It is our chance to show the team that we can have the same spirit during a game that we have at rallies. To organize the cheering and to group various uniformed clubs together we are reserving certain sections of the student section for Tigers Club, Growlers Club, C Club, and the band. As usual the freshmen will sit together. This does not mean that the rest of the student body will not get good seats as every seat in our section is a good one.

The freshmen boys will be asked to wear their dinks, the girls their ribbons and paddles, and the whole class to carry signs, pennants or shakers.

It is very hard for yelling in the stands to carry out on the field unless the yelling is in unison. That is why it is so important to follow the cheerleaders in rhythm and dynamics.

Tomorrow's game is the first Rocky Mountain Conference game and it should be the first piece of the Little Five championship for CC.

Independent Men Admit Fourteen New Members

At their last meeting the Independent Men elected Bill Murray as vice president and social chairman to take the place of Bill Gandee. Gandee will continue as football manager although personal affairs forced his resignation from the vice-Presidential post.

The IMO in cooperation with the Independent Women's Organization will hold a hay ride and barn dance on Saturday, October 18. This will give the new members of both groups a chance to meet each other and enjoy these crisp Colorado nights. New members of the IMO admitted at the last meeting are: William Cannon, William Carle, Ernest Carlucci, Richard Gittleman, Edward Davis, William King, Harry Kurachi, Alan McMurtry, Jack Might, Robert Porter, Marvin Powell, James Turk, Albert Adler and Marvin Breslau.

The next meeting of the IMO will be Monday, October 6. Social calendar and budget will be discussed.

must have completed thirty credit hours, juniors sixty hours, and seniors ninety hours. To be eligible, these candidates must have maintained a three-point-three scholastic average for the previous two semesters. Any candidate not meeting the qualifications will be automatically disqualified. Make certain that the candidates meet these requirements.

The locations of the various class meetings are as follows: Seniors, Room 201, Palmer; Juniors, the Pit, Palmer; Sophomores, Cossitt Gym; Freshmen, Perkins Hall.

These meetings will take place during Assembly Hour on October 16th. Each of the qualified nominees will appoint a campaign manager to introduce him and to make his campaign speech.

Ballot boxes will be outside the rooms or halls where the class meetings are held. They will be open from 10:30 a. m. to 12:00 noon on the 16th.

Roy Harris Opens Lecture Concert Series at F.A.C.

Roy and Johanna Harris gave their first Lecture Concert of the year on September 30, at 8:00 p. m., in the Music Room of the Fine Arts Center.

"What is Music Made Of?" was the topic of this lecture. Mr. Harris lectured on five main parts of music which were rhythm, dynamics, pitch, orchestration, and harmony. In order to make these more fully understood, Johanna Harris illustrated them on the piano. Mr. Harris stressed the fact that in expression you must have the emotion aroused, and liberate the deepest subjected emotions. He also emphasized that music must incorporate tradition, but yet it must advance.

This informal program was concluded by Johanna Harris with four compositions.

COLORADO COLLEGE COLORADO SPRINGS, OCT. 10, 1947 NUMBER 4

Homecoming Promises Big Events For Both Students and Alumni

The week end of October 24 and 25 will see big doings on the CC campus. As we all know, that will be Homecoming. Harry Hoth is supervising the big event and has a really full schedule mapped out. There will be a first and second prize awarded for the sororities' and Independent Women's best floats. The two best floats of the fraternities and Independent Men will also receive prizes. The sororities have disclosed that they do not intend to decorate their houses, but the fraternity house that has the best decorations will be awarded a prize.

The judging for these events will be done by a secret alumni committee. They will judge the fraternity houses Friday night, October 24, and the floats Saturday, October 25 at the parade. All prizes will be announced at the half of the football game.

The Tiger Club, under the supervision of Ruth Twombly, Jean Altman, and Melissa Evans, has complete charge of decorating the Quadrangle.

Friday night, October 24, there will be a formal dance at the Hawaiian Village of the Broadmoor. Bill Geisler and orchestra will furnish the music, and tickets will be seventy-five cents per person.

Saturday morning will be filled with final preparations for floats, and then the parade. The Growlers, Tigers, and the band, under the able supervision of Mr. Fundingsland, will take part in the parade and also furnish some entertainment at the half of the game.

The football game scheduled for Saturday afternoon, October 25, will be CC vs. Colorado School of Mines.

After the game an open-house is going to be held at Lennox House in honor of the alumni. Refreshments will be served by two representatives from each sorority, fraternity, and independents.

The traditional Alumni Dance will be Saturday night, October 25, at the Ballroom of the Broadmoor. This dance will not be formal.

All parents of undergraduate students are cordially invited to attend Homecoming activities. For three dollars they will be able to attend the luncheon, game and the Alumni Dance.

Memorandums of all the scheduled events will be given to the fraternities, sororities, and independents. Harry Hoth or Miss Berger can be reached for further information.

Tyree to Clear Meeting Requests for East Hall

Members of the faculty and organizations desiring to use either room in South Hall for special meetings should clear their requests through Mr. Tyree.

Thomas H. Rawles,
Treasurer

Tiger-Nugget Ball

The scene above shows part of the crowd at the Tiger-Nugget all-school dance last Saturday, when Lu Doble was chosen Miss Colorado College. For more pictures and story, see "It Says Here—" coed section.

Prominent Speakers Engaged for Tuesday Chapel Services

Dean Clyde A. Holbrook has engaged a number of well known individuals to speak at the regular Tuesday morning Chapel meetings this semester. Tuesday morning, October 14, Dr. Ben Cherrington, of the Social Sciences Foundation in Denver, will speak on World Affairs Viewed from Colorado. Dr. Cherrington is instrumental in bringing prominent political social science speakers to Denver. He is also active in the United Nations Educational, Scientific and Cultural Organization, which is a part of the United Nations.

Mr. Ronald Bridges, president of the Pacific School of Religion, Berkeley, California, will speak October 21. He is one of the first laymen to be made president of a religious school and is a popular speaker on campuses throughout the country. Mr. Bridges is also active in the national Congregational body.

On October 28 students of Colorado College will hear Miss Mary A. Dinman speak on international affairs. She is an authoritative speaker on foreign countries, having traveled abroad extensively. Miss Dinman made her home in Geneva, Switzerland, for seven years and was a member of the American delegation to the first conference of the World Federation of the United Nations Association in Luxemburg. She also

World Affairs Groups Here Unite for Better Discussion of Problems

The clubs of the various departments on campus are being combined to form a Council on World Affairs. This organization will meet as a whole once every two months. Smaller groups within the club will meet at the home of different professors to discuss the problems facing the councils of the United Nations.

This merger will make it possible for more people to benefit from the special talents of each club, and will also have more funds than did the separate clubs. Outstanding speakers will be invited to speak at some of the meetings. Since all subjects are related in some way or another, this club will give each

(Continued on page eight)

Class Commissioners Nominated In Thursday Morning Assemblies

Thursday, October 16, following the class meetings, three commissioners will be elected to each class from the nominees proposed by the various organizations. The class meetings are located as follows: Seniors, Room 201 Palmer; Juniors, the Pit, in Palmer; Sophomores, Cossitt Gym; Freshmen, Perkins. The nominees, with the exception of the Freshmen who made their nominations Thursday, are as follows: Fraternities: Phi Delta Theta: Sr., Winston Whitney; Jr., Bob Cosgrove; Soph., C. T. Raines. Sigma Chi: Sr., Laddy LaPorte; Jr., Chuck Roper; Soph., Pete Florsheim. Kappa Sigma: Sr., Ike Burnett; Jr., Sonny Price; Soph., Jim Kinder. Phi Gamma Delta: Sr., Dick Fryer; Jr., Bob Pringle; Soph., Bob Packard. Beta Theta Pi: Sr., Chas. James; Jr., Reed Hollister; Soph., Jim Parlapiano.

Sororities: Delta Gamma: Sr., Cora Woodson; Jr., Patsy Dinan; Soph., Frannie McDonald. Kappa Kappa Gamma: Sr., Joanie Richards; Jr., Barbara Beymer; Soph., Marge Gilliland. Kappa Alpha Theta: Sr., Johnnie Gazvini; Jr., Nancy Bryson; Soph., Pat Grier. Gamma Phi Beta: Sr., Ann Payne; Jr., Susie Sabin; Soph., Jean Hamm.

The Independent Men nominated, as Sr., Jim Doherty; Jr., Phil Dix. The Independent Women nominated: Sr., Shirley Sheffner; Jr., Sally Littell; Soph., Betty Fisher.

The candidates will be introduced to their class by their campaign managers who will give their qualifications for the position.

Candidates for Freshmen class commissioners, as nominated at Assembly yesterday, are as follows: Wesley Bradley, Hazel Finley, Robert Kerns, Ann Kieffer, Jane Little, Daniel Loewen, Doris Lyons, Binkie Meyer, Jim Parker, Jack Pfeiffer, Christopher Raynes, Ed Seigle, Hollis Spindle, Patti Stevens, Frank Waddell and Joseph Weismuller.

Balloting will be from 10:30 a.m. to 12:00 a.m. Thursday, October 16 after the class meetings. Each elector shall cast a vote for three candidates as commissioners of his class. No ballot shall be tabulated unless it contains the names of three different candidates. Of these at least one must be a man and the other two women, or vice versa. Three candidates in each class receiving the highest number of votes will be elected the board of commissioners for their respective classes, the one receiving the highest number of votes to act as class president.

Dean's List Revived For Campus Quiz Kids

Now that the college is back on its two semester a year basis and students are more easily classified, the Dean's list has been revived. This list gives recognition to students who make a 1.7 average and admission is on that requirement only. Approximately ten per cent of the student body made the list this year.

The all-college average last year was 2.772 which is the highest in the school's history. The average for the men was 2.861 and for the women 2.686. By classes the averages ran: seniors, 2.29; juniors, 2.61; sophomores, 2.87; and freshmen, 2.97.

Independent Men to Give Informal Dance

Monday night the Independent Men's Association is sponsoring an informal dance in Lennox House for all unaffiliated students. The IWA has been especially invited to come. The best in band music will be available through that new invention the phonograph.

The IMA will have its regular business meeting at 7:00 p.m. and the dance will begin at 7:30. Whether you are a member of either organization or not you are welcome to come. This is a "no date" affair and there is no charge.

On the night of Saturday the eighteenth the IWA and the IMA are having a joint hayride to the Garden of the Gods. The hay racks will be ready to leave from the front of Cossitt at 7:30 p.m. If you have not yet made your reservation see Clarice Hads or Bill Murray. You must be a member or invited guest to join in the ride.

Bob Fisher has been named chairman of the Float Committee for Homecoming.

Tonight at Cossitt, Growlers Informal Hop

Get your jeans, grab your gal — tonight is the night. There is to be an all school hop over at Cossitt at 7:30 through the courtesy of the Growlers' Club. This is really an informal dance: dungarees, jeans, sweat-shirts, tee shirts are acceptable and welcomed. The affair will be a combination hop and rally. And don't you frosh women be discouraged, you will be allowed to remain out until 10:30. Date or no date, come on down to Cossitt gym.

Issued each week during the academic year.
Member of the Associated Collegiate Press.

After the Ball

The Tiger-Nugget Dance was a success, both in enjoyment and in financial benefit to your student publications. Contrary to tradition, it was held on campus, necessitating little travel and cutting down on the usual extras which make it difficult for many of the men to attend.

During the evening we heard several people express surprise and pleasure over being able to enjoy an "all-school" dance without having to leave the school grounds.

The Tiger wishes to thank everyone who contributed to the success of the dance, and votes a bouquet of scallions and a side dish of lotus flowers to the one campus organization that chose that night to hold a private party in competition. CC does all right in spite of that sort of cooperation.

Turning the Crank

The Tiger is in receipt of a letter intended to be a challenge to its policy. The letter misses its mark on two important counts: one, the writer appears not to have the courage of his convictions, since he used an obvious pseudonym; and two, in a post-script it is stated that only by its impartiality can the mettle of a newspaper be determined.

Passing quickly over the open question of the crank-letter-writer's mettle, we would point out the narrowness of the second statement. The mettle of a newspaper can be determined in many ways, and we would set impartiality very low on the list, if not clear off the bottom. Newspapers are, willy-nilly, protagonists and antagonists, if they are anything more than reviews of stale news.

The Tiger's policy has not changed. If a man has something which he feels it worth while to put in print, he is welcome to submit it to the Tiger, over his own name. The writer's name will be withheld by specific request.

This is no guarantee to print what is submitted, since the editorial staff must reserve the right to stop publication of any material, for reasons of good taste, libel, untimeliness, etc.

If reason be needed for requiring indentification of the writer, a very good one is to be seen in the need which often arises to confer with him about modification, elaboration or shortening. This is in order to use a letter to best advantage, or to use it at all, in case it is too long for our limited space.

In letters to the editor, we make no modifications without the consent of the writer, of course, and if the letter is not usable in its first form then it is not usable. For example, the crank letter which stimulated this clarification left room for a libel suit. It treated a matter which needed airing, but approached it from a poor direction and so wasted an effort.

When you have something to say in the Tiger, say it and stand behind it. And don't let this stop you from saying it. The Tiger is here for all the students.

Open Letter to Ed Meyerding

Dear Mr. Meyerding:

I write to you in the belief that your intolerant criticism of the rite attending the football season is an indication of something wrong, something bigger than football. Surely you have felt the joy of that unity we term "school spirit," though never in that form. True you remained a "conscientious objector" during the war and thus missed the experience gained by so many of your classmates, that of fighting TOGETHER with people in whom you believe, often against odds, but always WITH the kind of people of whom you were part. But, perhaps, Mr. Meyerding, in your association with the Youth Congress in Philadelphia you have felt it. And didn't you believe in Hitler so strongly that at one time, according to reliable scuttlebutt, you hastily left the company of those who questioned your sympathies shortly before some of them went off to die for their beliefs? It must have come to you then that there was some principle with which you identified yourself—something a little bigger than Ed Meyerding.

To look around Cossitt stadium and see hundreds of young men and women aglow with enthusiasm over some common goal in telligent young people with confidence in themselves, their futures, and especially in each other, is an experience one should not deny himself provided he can interpret it correctly. To you Colorado College is a few buildings and access to books where, if you search long enough, you may find the writings of your friends, your own views in print. You seek to live only to your own advantage. To the young people learning to live in harmony with each other, for the good of the most. To you a turnout of several hundred freshmen snake-parading through the streets is an asinine manifestation of youthful exuberance; it doesn't get you—Ed Meyerding—anyplace. In fact, it leaves you very out. To them it is an experience in community living, in thinking together, in learning to work together as they must through life, and to act outside their own personal interests. YOU CANNOT LIVE ALONE. They are learning a lot, Ed. Drop around to one of your school's pep rallies with an open mind sometime—and see.

—Dorothy Dockstader,
(Class of '44 and '47)

Letter to the Editor

Dear Editor,

It seems to me that we have heard from Ed Meyerding before on the subject of school spirit and athletics. I had hoped, with little faith, that our friend would see that college is composed of more than just one factor. A college is composed of people seeking education, true, but that education is for life. Life requires a balance, and not a one sided one.

I am sorry that I do not have any friend who is an authority on schools to quote on this subject. I know that if I did it would look much more effective. I will certainly agree with anyone that the athletics at a school or college can become so important as to overshadow the educational purpose. I do not think that this danger exists or will exist at CC. Just because the rallies make a lot of noise is no reason to assume that everything else is being let go by the board. From what information I could gather, a new library has been planned, the money raised, so that building will begin as soon as the price of materials comes down. The music department has been steadily improved in recent years, as you can readily see. That our connection with the FAC gives our students a fine opportunity to become acquainted with the Arts hardly needs mention. The geology department has been known as one of the best in the country for many years. Certainly there is no laxity on the part of the powers that be to attempt to get the best instructors and profs possible for the carrying out of the curriculum.

Most of the complaints heard around recently do not concern courses as much as extra-curricular activities. Some of the students are really very busy trying to make a living and get their studies at the same time. No one is forcing anybody to participate in any extra-curricular activity that they don't want. In addition to the intramural athletic program there are many clubs sponsored by departments, religious groups, and special interest bodies. These are important in the development of citizenship even if some people don't seem to think so.

The students carry on quite a bit at the time of the games and rallies. And why not? Part of this old life we live is having a little fun. I believe that many of these same students have proved their right to enjoy themselves by their acts, in a not-completely-forgotten war. When work is to be done they do it. Let them have a good time while they can still enjoy it.

—Bill Murray

Patty Jewett Scene of Phi Delt Dance

Colorado Beta of Phi Delta Theta opens its social calendar, for the year with an informal pledge dance tomorrow night at the Patty Jewett Country Club. Mr. and Mrs. Harry Watson, and Mr. and Mrs. Woodson Tyree will be the chaperones and the actives and pledges and their dates will dance to the music of Bob Lovitt. Mrs. Mary Brusse will be the guest of her newly acquired family.

C. C. Players Give One Act Play

October 2, at Cogswell, the Players presented a one act play, "The Glittering Gate." In it were John Reeds and Pete Gilleran. After which, the voices of those present were tested over the microphone to find potential radio forum or player talent.

Oct. 9 the Forum, under the direction of Bill Barton, had charge of the meeting.

The next meeting will be under the auspices of the Radio Guild. For those interested, the meetings are held at 8:00, Thursday night in Cogswell Theater.

HAVE YOU ...

Problems?

... Send 'em to Susie

Attention all CC students: Are you facing unsolvable problems? Is your girl going out with other men? Do you find it hard to rise and shine for your 8 o'clocks? Does your man sigh when pretty girls walk by?

The Tiger staff, in order to help all loyal, troubled CC students, has employed Susie Fairfax (niece of Mollie Mayfield) to solve your many problems. Next week's issue of the Tiger will mark the grand opening of Susie's column. So for expert advice, place your letters in the Tiger office, 3rd floor, Lennox House, and Susie Fairfax will fix them up for you.

Kappa Sigma Pledge Dance Tomorrow

Kappa Sigma fraternity will have a dance on Saturday the eleventh of October honoring their pledges. The dance will be held in the newly decorated Kappa Sig house from 9:00 until 12 p. m.

R. J. C. Sez:

After the appearance of my column last week, my fellow-workers on the TIGER gave me a unanimous vote of diffidence. Despite this touching gesture, the paper continues short of material and I continue as a columnist. This is the last time that I will apologize for this column; from here on in, you have only yourselves to blame.

At the Western State game last week, I sat behind a very attractive girl who was wearing a gardenia in her hair. In addition to this, although the girl didn't know it, a large bumble-bee had moved into the flower and set up light house-keeping. In a case like this, what is a person supposed to do? If you tap any right-minded young girl on the shoulder and say, "You have a bee in your gardenia," you stand an excellent chance of being slapped lop-sided and carted off to the Bastille as a masher. If, on the other hand, you keep your mouth shut, you may be forced to watch her dainty white hand steal up to arrange her hair and then find yourself nominated for the leading role in a lynching party after she has screamed, "He stabbed me!"

Frankly, I don't know the answer and I can see no light. I looked in Mrs. Post's book, and there is no chapter entitled, "The Bee in Gardenia Menace, and How to Fight It." Fortunately, in my case, the whole incident closed without comment as the man sitting next to her lit a cigarette, the smoke drove the bee to greener fields and I was enabled to depart with skin

Synoptic Club

Next week the Synoptics will meet again at 1019 N. Nevada, two doors north of Lennox House at 7:30 p. m. Tuesday. A more definite program for the semester will be worked out. From that meeting on, the Synoptic Club will meet on alternating Tuesdays.

Although there are no officers in this organization, it was voted to have a steering committee for program. The members elected to this committee are: Jerry Cook, Lorie Bunker, Betty Braham and Ward Gongall.

C. C. Riding Club Organizes Program

Thirty-three enthusiastic people attended the first meeting of the Colorado College Riding Club October 1, at Lennox House. A short talk was given by President John Haggart on the aims and hopes of the club, and its future activities. Mr. and Mrs. Ray Vasseur of the Kit Carson Riding Club were present, and answered the questions of the group concerning the operation of a riding club, and the possibilities of obtaining horses.

Members present voted that there would be a \$1.50 initiation fee and 50c a month would be charged, as dues. This would give the club enough money to finance a few activities.

Committees for activities, programs, constitution, and budget were made up, and the meeting on October 7 was a meeting of these committees.

whole and honor stainless. The situation should not be allowed to rest here, however. Now is the time for some socialite Solon to step forth from obscurity and counsel us before the cream of American youth finds itself lying stricken by the wayside.

THE Couples Column

CC Wives met Wednesday, October 8th, at 7:30 p.m. Dean Juan Reid gave an enthusiastic, informal talk to the wives. He discussed housing and veterans affairs, especially pointing out the willingness of his office to aid or advise any campus couple in any capacity.

During the business meeting, there was given a housing report by the Chariman, Lois Platt. . . The Nursery Committee reported that the rooms were not yet available, but it was predicted that the college would present the rooms in a short time. In the meantime, furniture, in the line of teeterbabes, playpens, baby carriages, and washable toys are requested. Anyone able to donate any articles may call Shirley Windward at Main 3738 or Mary Doherty at Main 6647-M.

Margaret Chapman has a list of baby-sitters; wives, college and high school students, for the benefit of the college couples or faculty. Her number is Main 5741 NR if you need a baby-sitter . . . and that's not all—the matter of 'share-the-ride' at Christmastime was brought up during the meeting. Anyone wanting a ride or passengers going home for Christmas may call Main 5741 NR and leave their request. The meeting ended in an informal get-together, with refreshments served by Roberta O'Brien.

Don't forget the picnic on Sunday, October 12th—Cutler Hall, 12.45 p.m., and bring the kiddies. Tickets are still on sale at Platt's 801 N. Nevada; Daly's 104 Tigertown; and Berg's, 722 North Tejon. Wives are welcome even if their husbands can't come . . . so buy a ticket, pack your lunch and come on out!!!

MISS CC

LU DOBLE

CO~ED OF THE WEEK

The spotlight shines this week on Lu Doble, who was chosen queen of the Tiger-Nugget Dance held last Saturday night.

We are all familiar with the blond-haired, blue-eyed Kappa Junior whose perpetual smile greets everyone. She is from New Rochelle, N. Y., and is majoring in Art.

She may be seen participating in her favorite hobbies which consist of tennis, skiing, swimming, skiing, photography, and skiing. But

Hamlin Open House This Sunday.

Come one, come all to the Hamlin House open house Sunday, October 12th from 7 until 10 p.m. Everyone is invited and there will be dancing and refreshments. The girls of Hamlin are eager to make this a success so come over to Hamlin Sunday and you will be guaranteed a good time.

In the Saddle Again

Please don't think that the position of coed editor is being monopolized, (yeah, I know one year is enough for anyone) but "the chief" needed some help so "I'm back in the saddle again." Any contributions, criticisms, and suggestions for the improvement and betterment of the coed pages will be greatly appreciated. Also any persons interested in writing articles for this page—double time it up to the Tiger office.

Sincerely,

R. A. K.

she won't be seen eating chocolate pie, not even the pie they serve in Bemis. When we asked Lu where she would place "men" in her likes and dislikes, she laughed softly and mentioned her engagement to Bud Maytag whom she "expects to marry as soon as possible."

Wakuta Taps Junior, Seniors for Members

Tuesday, October 7, Wakuta, women's honorary sports club, officially tapped five girls for membership in the organization. The club is limited to fifteen members, four juniors and eleven seniors, who are chosen on the basis of eligibility and judged by their participation, sportsmanship, enthusiasm, and interest.

Seniors seen carrying the green "W", Monday, are Beth Lierance, Janice Long, Caroline Milbank, and Cora Woodson, while representing the junior class is Frances Swerer. The new members will be initiated soon.

Officers of the club are Mixie Kitazaki, president; Marge Kopfman, vice-president; Melissa Evans, secretary-treasurer. The club is sponsored by Miss Virginia Wolf. Other members of the organization are Jean Pollock, Nancy Roberts, Jean Thayer and Nancy Vandemoer.

Independent Women

So much is happening with the Independent women this week that we wonder if an Independent's manual isn't needed. First on the list, is the announcement of a "stag and doe" dance given by the Independent Men at Lennox next Monday night at the usual meeting time. (See Independent Men's article). A short discussion will be held on the subjects of homecoming and the proposed amendment to the constitution, so you bookworms come too.

October 18 at 7:30 should find you flying to the front of Cossitt to catch a ride on the hay-wagon which will take you out to a place, (undecided, but preferably a barn) for a barn dance which will last until midnight. (See Independent Men's article).

One I. W. A. activity that wasn't tied up with men, last Monday, was the election. Up for the posts of sophomore, junior and senior class commissioners respectively, are: Alice Powell, Sally Littell and Shirley Scheffner. Carol Gaebel was elected to fill the position on the student council left by Marge Kopfman. Marilyn Yost furnished background music for the last meeting.

BROADMOOR HOTEL

It Says Here - - -

By DOROTHY STROUP

To date, Colorado College has a football game, an all-school dance, and a few pep-rallies to its credit. All of which turned out very nicely, due to the overwhelming and commendable enthusiasm of the Freshmen. We salute them. With our hats off. Also our football team and our nine cheerleaders, with particular emphasis on Pfeiffer III who does his own special kind of handsprings with his own special kind of twang.

Everyone was running around at the Tiger-Nugget dance buying elephants who saw pink people and turtles who wore people-neck sweat-

ers, and Polly Pierson suddenly noticed that the band was playing Happy Birthday in tribute to her full eighteen years.

But things are tending slowly towards the normal again. People don't find themselves in the wrong room being taught the wrong subject anymore, and all the Freshmen have located Murray's, Lennox, J's, and Marietta's. Even the Kappas have become accustomed to the blessed event which occurred at their house a few weeks ago. Their favorite cat picked out a spot in the midst of the vestiges of their last year's home-coming float, and unselfishly gave her offspring to the sisterhood.

Jonny Lesman and Duck Nichol don't like motor-scoot-

ering as a sport. It seems they have a habit (the motor scooters that is) of breaking down by the Garden of the Cods in the midst of a horde of grass-hoppers. Miss Nichol stated emphatically, "I am not in favor of the back to nature movement."

On the fraternity pin subject, Pattie Lois Stephens floated up the stairs of Bemis a couple of Saturday nights ago with two dazzling orbits for eyes and a Phi Cam pin from Bob Ish. Then one Tuesday night, a few more people passed out a few more pins. Frannie McDonald is sporting a Sigma Chi pin from Homer Ira, Edith Auld has Les Crie's Phi Delt pin, and Frannie Swearer is wearing Eddie Ellinwood's Phi Cam pin. Then a few days later, Lowell Collins gave his Phi Delt pin to Cloria Hubert. Must have been a full moon last week.

And did you attend the fine party which one of the Sigma Chis held at his dwelling about two Saturday evenings ago? It started out as a nice quiet little get-together with four people present, and grew to the size of seventy or so. Everybody met somebody new

Charlie Plumb, Nugget Editor, plays impromptu auctioneer while Jim Doherty and John Hall, Tiger Editor and Business Manager respectively, spot bidders who bought the animal decorations last Saturday at the Tiger-Nugget Ball. (All Tiger-Nugget Ball photos by "Hook" Danforth.)

every time they turned a corner, and it ended up at 3:00 a.m. with the original four people frying scrambled eggs, cheese, and spaghetti all in the same skillet. They said it was good.

And that's what's been happening the last few weeks.

Western State Squad Falls As CC Tigers Win Second, 7-6

Colorado College came out on the long end of a 7-6 score last Saturday afternoon against the Western State College of Gunnison in their first home game of the season. This was the first Rocky Mountain Conference game for both teams. The Tigers were favored by two touchdowns in Saturday's game by virtue of the 6-0 victory over Grinnell College. The Mountaineers came to Colorado College with two defeats, losing to B.Y.U., 45-0 and Southwestern Institute, 14-7 in their first two encounters.

Tigers Start Slow

The Tigermen failed to show the spark and fire during the first half that was indicated in last week's practice sessions. Western State's Kettering Rextroat, and Neelson were the sparkplugs of the Western State offensive in the first half. Kettering went over for six points on a line buck from the CC three yard line in the middle of the second period for the first of the game. Koke's attempt for the extra point went wide of the bar.

Tigers Score

In the third period the Tigers came to life and started a six play drive from their own 42 yard line for the Tigers only tally. Harry Waters, left halfback, swept around his own right end after a lateral from quarterback Hal French, and with perfect blocking went the distance for six points. Mel Tucker, CC fullback, made the conversion with a wobbly but accurate kick. With an improved defense in the final quarter CC was able to stop the Mountaineers last ditch passing attack in the closing minutes of play. CC had a net rushing attack of 224 yards against Western State's 126 and had 11 first downs to Western State's six.

Waters Leads Ground Gainers

Hal French, showing outstanding form and planning as quarterback, picked up 55 yards on offensive play and made eight punts for a total of 305 yards. Harry Waters led the two teams in ground-gaining with a net of 65 yards.

Ptarmigan Holds Its First Meeting

The Ptarmigan Ski Club will hold the first membership meeting of the 1947-48 season Wednesday, October 15 at 7:30 p. m. in South Hall. Plans for the coming season's recreational and competitive skiing program will be discussed and a report will be made by the representatives who attend the Rocky Mountain Ski Association Conference to be held in Denver tomorrow.

Headlining the club's plans for the year is a program of trips to other Colorado Ski areas. School busses and a car pool will provide transportation for members. Other club functions include help for beginners in choosing suitable equipment and the setting up of intercollegiate competitions. A series of entertaining and instructive ski movies will be shown throughout the year.

Though the skiing season has not yet actively started, the Ptarmigan has enrolled more than 150 members for '47-48. Many of these are interested non-skiers who are taking advantage of the club's aim to help those wishing to learn to ski as well as to assist those already acquainted with the sport. All interested persons are invited to attend the Wednesday meeting.

Tiger Frosh Eleven Drops Opener, 7 to 6

Holding a 6 to 0 lead up to the final minutes of play, the Colorado College Freshmen eleven dropped a 7 to 6 decision to the undefeated Trinidad Junior College Trojans, under the arcs at Miners Stadium last Saturday evening.

The Tigers hit pay dirt early in the opening quarter when they recovered a Trojan fumble on the 23-yd. line. Several plays later Joe Holmes, Frosh R. H. B. received the ball from quarterback Dwight Brothers on a pass-off play through right tackle and ran 25 yards for the only Tiger score. The try for the extra point was no good.

The winners scored their touchdown late in the fourth quarter when they had possession of the ball on the Tigers' 37-yard marker and halfback Johnny Parise fired a long pass to end, Tom Bensch on the 9-yd. line. On the next play Sayed tossed a pass to Parise on the goal line to tie the score. Shaw kicked the extra point which decided the game.

In spite of the loss, the CC Frosh completely outplayed the Trinidad gridders. Some of the outstanding players in the Tiger line-up were Quarterback, Dwight Brothers, who sparked the team all evening, Center Garry Lewis, a great line backer and was in on almost every play, Bob Bruggar and Doug Van Metre, guards, played a bang-up game defensively.

CC tallied 15 first downs to the Trojans' 11 and the Tigers collected 260 yards gained, while Trinidad accounted for 140.

Colorado College To Host NCAA Ice Hockey Champs at Broadmoor

The first intercollegiate ice hockey tournament, to determine a national champion, will be held at the Broadmoor Ice Palace the third week of March next year, President Thurston J. Davies told the Colorado College board of trustees last Friday. Colorado College will be the host college for the tournament, which will include teams from the Ivy League, the New England league, the Mid West league, the Far West league and the winner of the Upper New York-Pennsylvania group.

The tournament will be held under the sponsorship of the National Collegiate Athletic Association, in collaboration with the N. C. A. A. ice hockey rules committee and the board of governors of the Intercollegiate Hockey Coaches Association.

Selection of Colorado College and the Broadmoor as the site for the national tournament was confirmed in a telegram this week from Kenneth L. (Tug) Wilson, N. C.

A. A. secretary-treasurer, to President Davies.

"Colorado College is very pleased to be invited to act as host for the hockey championship series under the N. C. A. A. The decision of the board of governors of the coaches association and the N. C. A. A. ice hockey rules committee, approved by the N. C. A. A. executive committee, was made because of the close and friendly cooperation between the college and the Broadmoor Ice Palace," President Davies said.

CC Ideal for Hockey

"The N. C. A. A. felt that here was an ideal collegiate atmosphere for hockey, and

3⁹⁵

How Long Is a Second?

SOMETIMES IT'S 3 2/3 YEARS! One second is not always one-sixtieth of a minute—not in telephone mathematics. Suppose, for example, you find a new method that clips just one second off the time it takes to process a toll ticket. Apply that saving to the 15,000,000 toll tickets handled monthly throughout the Bell System and the time saved every thirty days equals 3 2/3 years!

In the telephone business there is always a new challenge for men with ideas, for even long-established methods of operation are never considered beyond improvement.

Colorado College

(Continued from page six)

the series certainly will be an outstanding contribution to the growth of collegiate hockey in the United States."

Today's announcement climaxed months of work by the recently-formed Intercollegiate Hockey Coaches Association and the N. C. A. A. Pushed along by Michigan hockey coach Vic Heylinger, groundwork for the series was laid at the first meeting of the coaches in New York in May of this year.

Tentative plans made at that time for winners in the Ivy League, New England league, Mid-West league and the Far West group to participate in the tournament.

Eastern Schools Entered

To include other major schools, the coaches authorized naming a winner in a league including Clarkson Tech, Colgate, Cornell, Hamilton College, Lehigh and Pennsylvania State.

Plans are not completed, but probably a team from each league will play an elimination series at the Broadmoor.

Following the coaches' meeting, their proposal was submitted to the executive committee of the N. C. A. A. and approved. Wilson was given authority to set up the necessary arrangements. At the same time the committee voted to accept the coaches' association into affiliated

Service, Luncheon Clubs Visit Campus Next Week

As part of the publicity program for CC's big fund drive, the service and luncheon clubs of Colorado Springs will be guests of the college every day next week at informal get-togethers.

Bob Bartlett, assistant to the director of athletics at CC will act as host. The clubs will lunch on the campus and be conducted on tours throughout the buildings.

membership with the N. C. A. A.

CC Hits Hockey High

Announcement of the national tournament on Colorado College home grounds also means that the co-educational, liberal arts school at the foot of Pikes Peak has come a long way in its ice hockey program since 1938. National hockey history at the college dates back to 1939 and 1940 when Tiger pucksters first met the University of Michigan, the University of California and the University of Southern California, as well as local teams.

This year C. C. has games scheduled with Harvard, Michigan Tech and Minnesota at Christmas, and California, North Dakota and the Olympic club of San Francisco.

CC May Host Swedes

If Michigan Tech can't make the holiday series, McGill University of Montreal may journey to Colorado

Freshman Squad to Meet Western State Frosh

By Bob Leavitt

Coach Fritz Minuth's Freshman team will be seeking their first victory of the season Saturday afternoon when they travel to Gunnison to face the Western States Frosh eleven.

Coach Minuth returned from Trinidad last week with most of the team in fairly good shape. None of his hopefuls are on the injured list and he expects to be in full strength for Western State.

Little is known about the Western State Juniors, but from previous reports they are very difficult to beat on their home field. Nevertheless we expect our Frosh aggregation to come home with a victory.

Springs, and there is a possibility that the Tigers will meet the Swedish Olympic team in early March.

National recognition of CC is not limited to ice hockey, since the Tiger football team next year will schedule contestants in the Mid-West and on the Pacific coast. Another indication of the school's national standing is in the fact that 56 per cent of its students come from 41 states other than Colorado, plus the District of Columbia and seven foreign countries.

Four Squads Tied For First Place In Touchball Series

John Mulkey

Led by Bob Panter the Phi Delta Thetas successfully opened their 1947 season by defeating a highly favored Phi Gam seven by a score of 15 to 9. The first football game of the year saw both teams playing tight defensive ball for the first half. After an exchange of safeties the half time score read Fijis 2, Phi Deltas 2. In the second half both teams took to the air, with the Phi Gams scoring first with a pass from Sullivan to Smeeth on the old sleeper play. Pantor quickly put the Phi Deltas back in the game by heaving a pass to Bill Pfeiffer for six.

Still trailing by a single point the Phi Deltas put Pantor to work again, this time it was Vandenberg on the receiving end in the end zone. The extra point which was a pass from Pantor to Vandenberg, ended the scoring for the day. Final score, Phi Deltas 15, Phi Gams 9.

In their first game of the season the Kappa Sigs lived up to pre-season expectations, as they downed a speedy Sigma Chi team, last Friday on Perkins Field, 19 to 18. The Kappa Sigs grabbed an early lead by virtue of a sleeper play that sent Mitchell into the end zone after receiving Charlie Pradt's long pass.

The Sigs came back strong and after scoring twice on passes from Theodore to Stewart, led at the half, 12-6. The second half opened with Biega snagging a pass from Pradt to run the score to a deadlock 12-12. Making their extra point on a pass from Mitchell to Chet Long the Kappa Sigs held a one point advantage. Taking a fluke

Beta Pledge Dance October 11

Beta Theta Pi will honor their new pledge class with an informal dance tomorrow night at Bruin Inn. The time is from 9 o'clock until 12 o'clock p. m.

kick on the kick-off, little Wilfred Perkins, fleet-footed Sigma Chi back, faked one man out of position and streaked down the sideline for six points. This lead was short lived however, as the Kappa Sigs again pushed over into pay dirt with a last minute pass from Mitchell to Miller. At the final gun the score read Kappa Sigma 19, Sigma Chi 18. What a game!

Monday night, on Stewart Field the Betas and Independents fought to a scoreless tie, until the Independents pushed over a lone tally with but four minutes left in the ball game. After a hard-fought defensive ball game, the Independents finally found the right combination in Culberson and Powell, good for six points and a hard earned 6-0 victory.

The Phi Gam seven came back Tuesday night with blood in their collective eyes, and after the smoke cleared the score read Fijis 52, Betas 0. Throwing passes to everyone but his housemother, John Sullivan was complete master of the situation, completing passes at will. John connected with Smeeth for two of the eight TDs, he hit Mitchell for two more, Stitt for another and then ran one over on a lateral.

The standing after one week's play is as follows:

TEAM	W.	L.	T.	*P.
Phi Delta Theta	1	0	0	2
Kappa Sigma	1	0	0	2
Independents	1	0	0	2
Phi Gamma Delta	1	1	0	2
Sigma Chi	0	1	0	0
Beta Theta Pi	0	2	0	0

* In order to eliminate halves the scoring is as follows: A win constitutes 2 points, a tie 1 point, a loss no points.

THE— Tigers' Growl

By HENRY KLINGMAN

QUESTION OF THE WEEK:
Why do you think the majority of girls come to college?

ANSWERS:

Barbara Kent—Two per cent of them come for an education; seventy-five per cent come to find a man and have a good time and the remainder are here because their parents have sent them.

Jim Wagoner—The majority of girls come to school for the social life.

Pat Organ—I came to school because I wanted to obtain a degree. I think that most girls come to school because their parents want them to and because they don't wish to begin work immediately after leaving high school.

Joe Craighead—To get a man.
Rose Ann Kipp—I think a girl goes to college to better herself socially and intellectually.

Douglas Platt—From time immemorial the male has supposedly been the pursuer but the women have always managed to do the catching. College education further enables the women to break down the non-existent defense which the already defenseless male doesn't have.

Jane Crocker—I think a surprising few come here to learn; the rest come here to have a good time.

Well, there you are kids. In the face of all this damning evidence it would seem plausible to bar most women from schools of higher learning, but fellows, can you imagine going to school without having that wonderful thing called "the coed" around?

C'mon students, let's have some suggestions for this column. If there is a particular question you would like some opinion on, drop me a card in care of the Tiger office at Lennox House, or at the Tiger box in Cutler.

Chapel Speakers

(Continued from page one)

served with Madame Chiang Kai-Chek in the child labor commission in Shanghai.

November 4 Dr. Vernon Loescher, pastor of the First Plymouth Congregational church of Denver will give a talk to the Chapel Assembly.

Dean of the Chapel at Crinnell College, Dr. John Scott Overton will speak December 9 on events in Europe and India as seen by the Friends Service Committee. He has recently returned from three months' service in Finland and will give a public lecture in the chapel on the evening of December 8.

Beginning the second semester the faculty chapel series will be conducted by Professors Donaldson, Krutzke, Wollman, Abbott and Holbrook. The general subject of discussion will be Foundations of Democracy. These speakers will be heard on successive Tuesday mornings, discussing topics such as: Meaning of Economic Democracy, Problems of Freedom of Speech, Racial Prejudices, Danger of Native Communist and Fascist Groups, and Religious and Moral Foundations of Democracy.

Other outside speakers whom it is hoped will be heard during the year are Dean Sherwood Cates and Dr. E. H. Carr, author of Conditions of Peace. Dr. Carr is from London and an outstanding political scientist. Also it is hoped that the Jewish Chautauqua and Roman Catholic Church will be represented some time during the second semester.

Alpha Kappa Psi Re-Aktivates on Campus

Alpha Kappa Psi business fraternity held its first meeting October seventh. Bill Pettit is president of the group. Hereafter meetings will be held in Lennox House Tuesday nights at 7:30. Talks by leaders in business are the features of the evening. Anyone is welcome to attend even though he is not a member of the fraternity.

World Affairs Group

COLORADO COLLEGE, COLORADO SPRINGS, OCT. 17, 1947 NUMBER 5

Football Games, Parade, Concert, Dances Head Homecoming Events

Preparations are now well under way for the gala week-end of the 25th—CC's Homecoming. There will be something going on just about every minute of the two days. We want to show the alums that we are keeping up the spirit of CC just as it was when they were here. Once again, here is a resume of what is to happen over the weekend. The first event will be the annual Homecoming Dance at the Hawaiian Village at the Broadmoor, with Bill Geisler and his band. The dance is informal.

If the hustle and bustle of preparations already noticeable indicates anything, we should have some floats like nothing that has ever been seen. Everyone seems to be running around with deep, dark, stupendous secrets for winning some of the prizes being given. There is a first and a second prize for the best floats of the sororities and Independent Women, and another two for the fraternities and Independent Men. A prize will also be given the fraternity with the most cleverly decorated house. Also in the parade will be our three "peppy" organizations, the Growlers, Tigers, and our recently invigorated band, supervised by Mr. Fundingsland.

After the parade around the town comes the biggest event of all—our Homecoming football game with the Colorado School of Mines. Admission to all students is free with ticket number 5, in the Student Activity books. At the half the band will play, and prizes will be given for the best floats and house decorations.

An open house will be held at Lennox for the alums after the game, served by members of the sororities, fraternities, and Independents, when all the old grads can get together.

To top off the two days' activities will be the Alumni Dance that night in the Terrace Ballroom at the Broadmoor. This dance is also informal, and open to students and alumni.

The time is getting short, so be working to make this the biggest and best Homecoming CC has ever had. We don't want to lose any of the spirit that has been shown thus far this year!

Ideas for the floats must be turned in to Miss Lorena Berger in Cutler by tomorrow. Harry Hoth, Homecoming chairman, will give you any other information you need.

Community Chest Drive Under Lawson's Direction

This is an appeal to members of the faculty and others on the campus who have not yet contributed to the annual Community Chest fund. To date the total contributions from the campus are about \$100 less than last year, according to Jack F. Lawson who is in charge of the drive here.

The need for funds is greater than ever, according to Community Chest executives and they have issued an appeal for help in raising the budget both on and off the campus.

Mr. Lawson may be contacted at his office in Cutler hall or contributions may be left in his mail box, No. 20, Cutler hall.

Vienna Honors Brandt With New Productions

Singular honor came this week to Dr. Thomas O. Brandt, associate professor of German at Colorado College and a poet, author and critic.

In a letter from Vienna, Austria, Dr. Brandt learned that one of his plays would be performed over the Vienna broadcasting station; that a book of his short stories had been accepted and would be published next spring in Vienna, and that the Vienna station also had inaugurated a 30-minute "Poet's Hour," featuring his lyrics and prose.

In addition, a children's opera with music by Alfred Uhl and lyrics by Dr. Brandt currently is drawing large crowds in the Austrian capital and a Viennese literary quarterly has published a cycle of his poems.

Dr. Brandt's play is the Biblical story of Job, in verse. The short story collection, titled "Capriccio," is a group of 10 stories in the style of the old Italian novella.

Artistic ability is not limited in the Brandt family, since his wife, an artist and illustrator, won first and second

(Continued on page six)

Sunday Vesper Service Will Feature Music

Sunday evening, the second scheduled Vesper Service of this year's series will be held at Shove Chapel. These services are not compulsory, but it should be the desire of all of us on the campus to attend. In attending them we have a better chance to enjoy the beauty of our chapel; gain some very valuable information on our worshipping God, by each of our denominations; and have the opportunity to hear beautiful music.

Mr. James Niblock will be the featured violinist this Sunday. He will play two pieces "Meditation" and "Melody." Also, the Shove male chorus will be a highlight of the service. Dean Holbrook will give a brief sermon on "God is Here." The service will end with a hymn by the chorus.

Delta Epsilon Sponsors Tea, Talk by Dr. Fulmer

The Society of Delta Epsilon, honor scientific fraternity, is sponsoring a tea in honor of Dr. Ellis I. Fulmer on Monday, October 20 at 4 to 5 o'clock in the Lennox House lounge. At 5 o'clock Dr. Fulmer will discuss informally "The Place of the Student and the College in the Atomic Energy Program." He has been engaged in atomic energy research throughout the war, and is now devoting all his time to the government sponsored Institute for Research at Ames, Iowa. He is now assistant to the Director of the Institute. It is hoped that all junior and senior major students in the natural sciences will plan to meet Dr. Fulmer and hear about the opportunities for research in the field of nuclear physics. Dr. and Mrs. Fulmer are now enjoying a vacation and needed rest in the Pikes Peak region.

French Club Holds First Meeting

The first meeting of the French Club was held Tuesday evening in the Hayes House library with Miss Goulven presiding. The purposes of the organization were outlined, and plans were made for the year's activities. Della Dunbar was elected president.

All present and former students of French in the college are eligible for membership and are invited to attend the meetings.

Fryer, Pringle, Florsheim, Stevens New Presidents in Class Elections

The results of the elections of class commissioners are as follows:

Dick Fryer is president of the Senior Class, Laddie La Porte is second commissioner, and there is a tie count for the other position between Cora Woodson and Joanne Richards. This will be run off in a manner to be decided by the Student Council at their next meeting, on Monday.

Bob Pringle is president of the Junior Class, and Charles Roper and Susie Sabin are the other two commissioners.

In the Sophomore Class, Pete Florsheim is president and Marge Gilliland and Franzy McDonald are co-commissioners with him.

The bang-up Freshman campaign brought the elec-

tion of Patty Stevens as president, with Jack Pfeiffer and Ed Siegel as commissioners.

All the new class presidents and commissioners are requested to attend the Student Council meeting on Monday, the 20th, at 4:00 o'clock in the Council Room in Lennox House.

The College Wants Your Coaching, Ben, and Nobody Wants Your Hide

by K. G. FREYSLAG

Ben Douglas, Director of Athletics and head football coach, turned in his resignation to President Thurston J. Davies, Monday, October 13th, effective the end of the 1947 football season. Our president refused to accept the resignation.

Wednesday afternoon at 4:15 President Davies spoke to the Tiger football team. Douglas had previously told them his intentions and the effects had been disheartening. In his brief and sincere statement to the team, Davies gave the reasons for his refusal.

He said, "On Monday, October 13, I received from Mr. Benjamin Douglas a letter resigning as Director of Athletics and football coach at Colorado College, effective at the end of the present season. I called Mr. Douglas at once and told him that I would not accept his resignation. Mr. Douglas has done an excellent coaching job here this fall. The men on the squad and the administration of the college are 100 per cent behind him. I am sure that friends of Colorado College football will agree with this position. The administration, the team and the undergraduate body will continue to give Mr. Douglas full support and believe that he is the ideal type of coach for football in Colorado College."

Coach Douglas showed this week to be a man of conscience—so great that an overwhelming defeat by one of the "best teams that money can buy" caused him to tender his resignation as unworthy of the job.

Two facts lie behind Davies' refusal of the resignation—Douglas was oblivious of both and Davies was conscious of both.

The 33 men who have been playing varsity ball have not walked up to their coach after every practice and every game and expressed their real feelings by saying, "Coach, we like you a lot. Every one of us likes your methods of coaching, your impartiality, your untiring efforts on and off the field, and what is more important than anything to a football team in a small college, we think you're a right guy, not only as a coach, but also as a man."

Yet Colorado College knows this is the sentiment of the 1947 Tiger team. The undergraduate body, the athletic department and President Davies all knew it before the Oklahoma game and they knew it after the Oklahoma game.

Secondly, Douglas wasn't conscious of the noise and enthusiasm displayed by the student body when the team was on the short end of that long score. He was pacing, pulling grass, biting his lower lip, vainly looking for the plays, strategies and eleven man combinations that would stop the onslaught.

There was no evidence Saturday afternoon that one Colorado College rooster left the game before the final gun. There were no indications that the cheerleaders or the students abandoned their team. When the eleventh touchdown was scored, freshmen and upperclassmen alike stood as a unit to loudly cheer the Tigers on the final kick-off. That, Mr. Douglas, was an innovation which has not been accorded a defeated CC football team for many years.

Colorado College used nearly 40 men in 1943 to smother the now-powerful Utah University Indians, 64-0, and Ike Armstrong, one of the best in the region, didn't feel forced out. Last Saturday's games saw some of the most famous coaches in the game temporarily embarrassed, just as you were, as Penn State beat Fordham, 75-0, Michigan defeated Pitt, 69-0, and Kansas humbled South Dakota, 86-6.

The loud, record-breaking welcome accorded you, Coach, at the all-school assembly the first of the year still stands. Let's all do our best to win that Rocky Mountain title. Stick with us, Ben Douglas, we think you're tops and we're with you in defeat as well as in victory.

Issued each week during the academic year.

Letters to the Editor

Dear Editor:

Well, well! One never can tell, can one! Here I spent my money for a good respectable college paper and I receive a scandal sheet. I hope nobody will be disappointed that I cannot do a jolly character sketch of Miss Dockstadter, but I don't know her any better than she knows me and improvising isn't in my line. May I now surprise you with a letter sans invective. My previous letters have been aimed at arousing a little concern about some of what I feel to be the more important issues facing our select campus group who have been singled out for higher education so that they might supply the leadership so needed in the present day world. In spite of not being a military man I chose the policy of attack.

In passing it might be well to note that dissatisfaction with the prevailing sense of values found by older students on returning to the college campuses is not a new phenomena. You will recall the fine treatment of this theme in Vera Brittain's "Testament of Youth," and Jules Romains' "Men of Good Will," and perhaps in other pieces of literature. I am sure that it would surprise some students to know how many there are amongst us who definitely feel upset at seeing the "rah rah" spirit prevail on this campus.

It seems to me that it is time we wake up and concentrate a bit on some of the "big thoughts" Dean Holbrook spoke of in Chapel. Our situation is rather closely analogous to that faced by our fathers some thirty years ago. They too were an American postwar generation, and in the colleges and out they ran the "rah rah" riot of the 20's which is still famous. America at that time faced grave responsibilities, as it does today, but the youth spent their time and attached their spiritual enthusiasm to pep rallies and parties developing to a high degree this thing we call "school spirit" that somehow has gotten connected with watching football teams rather than to the "school" aspect of colleges.

From our point of vantage it is not very difficult for use to look back on that period and know that some of the things we have difficulties viewing objectively in our own lines were definite symptoms of social decadence in the past. We know our fathers rah rah'd their way into the calamity of the depression of the thirties; we know that

Hospital Squad Improving Daily

The 'hospital squad' wants to thank each and every student who came to visit them, also the student body for their wonderful support during the game. "They were swell," Blagg remarked. With the help of such comforts as ice cream, cake, and Blagg's parents and brother from Pueblo, disappointment was thrown out and a good time was had by all last Sunday.

Reports have it that Blagg and Lilja will not be able to finish the season. However, Overman, Brookshire, and Lundberg plan to play this Saturday. Blagg will have a lay-up of about eight weeks, and Lilja hopes to be 'set free' in a few days. So to these men with such wonderful spirit: Get well soon!

"Doing fine" was the report given out by the hospital staff on the conditions of Blagg and Lilja. Dr. Whitney and Miss Davis are also satisfied with the progress of Brookshire, Lundberg, and Overman. They are now referred to as the 'hospital squad' by some of their friends. And to bear proof of this: "Who wants more? . . . pretty nurses, good food, and swell beds," were several remarks expressed.

Blagg, with a cast midway to his hip, pointed with pride to his growing collection of autographs inscribed on the plaster. Lilja smiled when referring to his dislocated shoulder. Overman, Brookshire and Lundberg shuffled when asked about their injuries, which proves to us again what a wonderful spirit they have over the pain and defeat of injury. Perhaps the boys are down, but they are certainly not out. With a shrug of the shoulder, "We were just out-weighted and out-played," was the only comment given.

they were building school spirit instead of the League of Nations; we know that they gleefully howled for various and sundry teams during the period of red baiting and the rise of the Ku Klux Klan that left such a blot on the history of democracy.

If there is to be some idealism in a nation, it is most always to be found among the youth. If there is enthusiasm and drive in a nation, it is centered in the youth. If there are worlds to win, it is the youth who do the winning. The challenge that is before us is the greatest and most critical ever to confront a generation. Now is our time of preparation. Will we reorientate our sense of values and face our responsibilities, or will we attach our spirit and enthusiasm to the "pep-spirit" escape mechanism of the last postwar generation? That is the question!

Sincerely, ED MEYERDING

Dear Editor:

After the cries of the multitude and the flag-waving of the past week, I feel that the time has come for another voice to be raised on a tired and haggard subject—school spirit. There appear to be some superstitions extant on the campus which bear examination.

First, the belief that red corpuscles are to be found only in the blood of veterans of World War II, and that the men whose religious beliefs kept them out of the armed forces therefore cannot have known the "experience . . . of fighting together with people in whom you believe, often against odds, but always with the kind of people of whom you were part." That description fits no one if not the men who had the intestinal fortitude to stand by their convictions in the face of the antagonism of most of the country.

Second, the belief that the mere act of enrolling in college means that one's amusements and recreations must therefore conform to the accepted standard. A fact difficult to believe, it is nevertheless quite possible to tolerate and even enjoy campus life without the enthralling experience of pep rallies and football games.

Personal opinions being laid aside, however, the thing that strikes me as most appalling is that an individual's private life and religious faith are no longer held sacred, and that a silly controversy over school spirit takes on all the ugliness of a muck-raking political campaign. School spirit becomes meaningless when its defenders must resort to such tactics, forsaking the principles of any game—sportsmanship and fair play. I have seen neither displayed in the vicious and unprovoked attack directed toward the unfending student whose opinion happened to differ from that of the majority.

It's time for this phenomenon known as school spirit to undergo a thorough scrutiny to determine its real value. Certainly its innocent name should not be permitted to sponsor another exhibition of unchecked malevolence such as we saw in last week's mud-slinging.

How Long Is a Second?

SOMETIMES IT'S 3 2/3 YEARS! One second is not always one-sixtieth of a minute—not in telephone mathematics. Suppose, for example, you find a new method that clips just one second off the time it takes to process a toll ticket. Apply that saving to the 15,000,000 toll tickets handled monthly throughout the Bell System and the time saved every thirty days equals 3 2/3 years!

In the telephone business there is always a new challenge for men with ideas, for even long-established methods of operation are never considered beyond improvement.

The Mountain States Telephone & Telegraph Co.

Gamma Phi Open House Sunday

Gamma Phi Beta will entertain with an open house at the Gamma Phi lodge this Sunday, October 19, the time being from 7 until 10:00 o'clock p. m. The chaperones for this affair will be Mr. and Mrs. Harry Watson, and Dr. and Mrs. Hubert Crawford.

Independent Hayride To Garden Tomorrow

On the night of Saturday the 18th the IWA and the IMA are having a joint hayride to the Garden of the Gods. The hay-racks will be ready to leave from the front of Cossitt at 7:30 p. m. Cold won't stop it as arrangements for fires at the Garden have been made. If you can't keep warm enroute, it's your own fault.

In the good old days, the man who saved money was a miser. Today he's a wonder.

It Says Here - - -

By D. A. Stroup

The main comment around Colorado College this week seems to be, "Why didn't we just play Army?" This statement is sufficient in itself, and needs no further discussion.

But it was an eventful week end, which began when another Phi Gam, Ritch Nevan, gave his pin to Jeanne Ham. Just another one of those evenings.

On Thursday, the Freshman class began its extensive campaign for various and sundry classmates, and the results of plentiful paper, paste, and paint was in evidence everywhere on the campus.

Then, on Friday, the grand lemon de chiffon pie fight took place on the steps of McGregor. There were two con-

testants, namely Miss Hattie Carver and Miss Gail George, and approximately thirty spectators. There is still quite a bit of discussion concerning the outcome of the engagement, but by the end of the battle, both faces were neatly (?) concealed with this yellow substance that they have been serving in Bemis for the last twenty years and calling lemon chiffon pie.

Saturday, after the game, a great many people were found at the Sigma Chi tea dance, including Bob McGinnis, who was doing a lovely sort of dancing step with Barbara Kent. He called it "jitterbugging." Others were a little more doubtful.

And the evening continued with numerous fraternity dances. There was a Conga line winding up through every room in the Kappa Sig house, which finally ended up as a Virginia Reel, and the Betas at Bruin Inn were passing around a loving-cup in the form of a coke bottle in honor of Donna Wolfe and Pete Schifflin, who had just gotten pinned.

And right away, on the following Monday, the Betas serenaded Donna, who oozed back up the stairs in Bemis with a corsage of gorgeous roses, and a definitely dazed expression on her face. Pattie Lois Stephens was serenaded later on the same night by the Phi Gams. "I didn't think it was cold at all," she remarked softly, after someone had made a comment on the chilly night air, which was prevalent Monday evening.

Someone should ask Duffy Bauer just exactly who his friends were, that he brought

Around the Campus

By Bill Murray

Frosh, especially commissioner candidates, out to see Tiger Cubs off to the game with W. S. freshmen Saturday morn. (The send-off was the only thing that got some people up for classes).

R. J. Cosgrove besieged by well wishers after "Gardenia" article in last week's TIGER rag. Have another cup of coffee.

Hal French's new automobile. Much too much of a job to be called a car. Complete with push buttons, et al.

Jim Doherty with extra satchels under eyes after all day sessions 'til midnight, trying to get TIGER in final form.

According to the head office in Cutler this freshman class stands high scholastically. From all the money spent in campaigns by certain individuals it appears to stand high financially as well.

Jack Hill, erstwhile guard, putting in his application for undergrad getting most sleep.

Veterans near starvation between food prices and no checks as yet from the Uncle.

to the Delta Camina open house Sunday night. No one seems to be quite sure. Not even Duffy.

And have you seen the new ties being worn by Tom Stoker and Cordy Wescott? If you haven't, you shouldn't. They don't have to smile in the dark anymore because their ties light up into great enormous, obvious kind of neon lights.

And that's the scoop for the week.

Three More Girls Wear Kappa Keys

Delta Zeta Chapter of Kappa Kappa Gamma initiated the following girls Saturday, October 11, at the Kappa lodge; Beverly Roberts, Omaha, Nebr.; Betty Hall, Pasadena, Calif.; Pat Bridwell, St. Louis, Mo.

Fiji Pledge Dance Saturday Evening

In honor of their new pledges, the Phi Gams are giving a dance Saturday night from 9 to 12. It will be held at the house and the Fritz Minuth's will be the chaperons.

THE Couples Column

The much talked about CC Wives picnic was postponed due to the unfortunate weather last Sunday . . . However, it will be held this Sunday, October 19th, same time and place. Tickets will be on sale at Cutler for those who could not make it last week but will be able to go on the 19th. If the weather once more turns very cold or damp, the picnic will be cancelled. Even though the couples can take it—it is different for the babies and they just can't go to a picnic in bad weather. So we'll see you at Cutler Sunday at 12:45 p. m. and if in doubt about the weather call Main 7798-R.

All CC Wives are called at attention to the next meeting to be held at Lennox House, Wednesday, October 22nd at 7:30 p. m. Bring knitting, sewing or whatever else you like and prepare for a few bridge games. Incidentally, if you want some bridge lessons, there will be an instructor on hand.

The CC Wives wish to express thanks to KRDO's Wayne Rider, who announced on his morning housewives program, the need for furniture and equipment for the furnishing of the nursery which the wives are attempting to set up with the help of the college administration. If your mother, aunt, or grandmother has any contribution to the nursery, please call Shirley Windward at 3738-W. Marge Daly.

CC Tigers to Make Third Home Bid for Victory Against Colo. A&M Saturday

The CC Tigers will make their third bid for victory this Saturday when they meet Colorado A & M of Fort Collins in the 37th game of a 47 year old rivalry. The Aggies are fresh from a 13-13 tie game with the Denver Pioneers while the Tigers are shaping up from last week's thumping administered by Oklahoma University. Regardless of the fact that the Aggies are a part of the Big Seven loop the two teams look like an even match. Thus far this season A&M has lost to Utah which is not an indication of weakness as far as the local squad is concerned.

Injuries Hamper Tigers

As a result of last week's game the Tigers will enter the coming fray minus the services of two first string men, Roy Lilja and Glenn Blagg. Lilja will be out the remainder of the season because of a dislocated shoulder. Blagg, who had his leg broken, will also be lost to the squad for the season.

Rivalry Begun in 1900

Should the Aggies finish next week's game on the high side of the score they will have evened up a series which was begun 47 years ago. CC has won 16 of the games with the Aggies picking up 15. 18 of the games have been played in Colorado Springs with 16 played at Fort Collins and two in Denver. Five games have ended with a tie.

Field Hockey Starts October 27th

Pat Forman, head of the coming field hockey tournament, has announced that the matches will start on October 27, the Monday after Homecoming. Practices have already started and a minimum of five practices is necessary before a girl is eligible to play in the tournament.

Frosh Eleven Swamps Gunnison Frosh, 27-6

By BOB LEAVITT

Proving that all was not lost last Saturday, the Freshmen gridders returned home from Gunnison with a spectacular 27 to 6 victory over the Western State Frosh.

The Tigers scored two T-D's in the opening stanza. The first one was scored on a long pass from quarterback Dwight Brothers to left end Al Miller, and the second was made by brothers as he intercepted a pass and raced 40 yards for another marker.

The third tally was scored in the second period, when Chuck Stoddard went off tackle and galloped 45 yards to pay-dirt.

The final score was completed in the fourth quarter when Brothers chucked another long aerial to right end, Hawk Mills on the goal line.

The lone Western State score was made in the opening quarter when Mark, R.H.B., ran 40 yards around left end.

As in their previous game, the Minut men completely outplayed their opponents. The Tigers rolled up 261 yards gained, while Western State was only able to rack up 84. The Tigers completed 4 out of 10 passes while the Mountaineers completed 2 in 9 attempts.

The entire CC Frosh Eleven played outstanding ball in the grand victory, but Dwight Brothers, Chuck Stoddard, Gary Lewis, Bob James and

CC Schedules 24 Hockey Tilts for '47

Cheddy Thompson, hockey coach, has announced the following Colorado College hockey schedule for 1947-48. CC has scheduled five teams for the coming season that the Tigers have not played before. The Rocky Mountain hockey fans will see teams from Harvard University, Omaha University, University of North Dakota, Swedish Olympic Club, and Wichita Beechcraft Flyers play at the Broadmoor Ice Palace in Colorado Springs for the first time.

Colorado College Hockey Schedule 1947-48

Dec. 4 and 5—Omaha University, home games.

Dec. 12 and 13—Omaha University, Omaha, Nebr.

Dec. 19 and 20—Univ. of Minnesota, home games.

Dec. 25 and 26—Michigan Technology College, home games.

Dec. 29 and 30—Harvard University, home games.

Jan. 9 and 10—Wichita Beechcraft Flyers, home games.

Jan. 16 and 17—San Francisco Olympic Club, home games.

Feb. 6 and 7—Univ. of California, home games.

Feb. 12 and 13—Univ. of North Dakota, home games.

Feb. 23 and 24—Michigan Technology College, Houghton, Mich.

Feb. 27 and 28—Univ. of Michigan, Ann Arbor, Mich.

Mar. 5 and 6—Swedish Olympic Club, home games.

Doug Van Metre staged sparkling performances that enabled the Frosh to net their first win.

Intramural Race Led by Kappa Sigs

The Kappa Sigs took an undisputed lead in the intramural football race last Friday as they came out on the long end of a 6-0 score with the Phi Deltas.

The Kappa Sigs only score came in the closing minutes of the first half with Stan Rice going over from the one foot line. A pass from Mitchell to Eathen Miller set up the score which proved to be too much for the Phi Deltas to overcome.

The preceding day on Perkins field the Sigma Chis dumped the Independents by a 19 to 12 count. Theodore paced the Sigma Chis as he threw two touch down passes to Scott and Perkins, and then ran the third tally over. The Independents deminutive Culberson, figured in both of their touchdowns, by throwing to Powell in the end zone.

then by picking up a fumbled punt and scampering over the goal line for their second and final TD.

The Betas upset a favored Phi Delt seven by a score of 13 to 7, Tuesday on Perkins field. Panter opened the scoring for the Phi Delt in the first half by passing to Vandenberg for the extra point, the half time score was Phi Delt 7, Beta 0. With 8 minutes to go in the ball game Litt recovered Bill Pfeiffer's fumble in the end zone for a Beta tally. Trailing by one point the Beta's went back to kick off. Galligan, Phi Delt back, took the ball on his five and lateraled across the field to Bill Pfeiffer, again Pfeiffer fumbled but this time it was Wardwell who fell on the ball to give the Beta a 13 to 7 victory.

Freshmen Gridders Idle This Saturday

Coach Fritz Minuth's 1st-year men have an open date this Saturday, October 18th, but they will go back in action next Friday evening against the Camp Carson gridders at Penrose Stadium. This will be the Junior Tigers' first home game and we should go out and give them plenty of support as they go after their second victory of the season.

consisted of three games, put the race into a three way tie for second place. The standings are as follows:

Team	W	L	T	P
Kappa Sigs	2	0	0	4
Sigma Chi	1	1	0	2
Phi Gams	1	1	0	2
Independents	1	1	0	2
Phi Delt	1	2	0	2
Betas	1	2	0	2

Schedule

Friday—Sigma Chi vs. Phi Gams, Stewart field.
October 21—Phi Delt vs. Independents, Perkins field.
October 23—Sigma Chi vs. Betas, Perkins field.
October 24—Phi Gams vs. Kappa Sigs, Stewart field.
October 28—Phi Gams vs. Independents, Perkins field.
October 30—Betas vs. Kappa Sigs, Perkins field.
October 31—Phi Delt vs. Sigma Chi, Stewart field.

Letter of Thanks to the Student Body

Last Saturday afternoon the football team suffered the worst defeat in its history. Many thoughts have been expressed by sports writers, radio announcers and possibly every one that attended the game concerning the quality of the Tigers' play and the possible professionalism among the Oklahoma Chiefs.

As far as the team is concerned, and I know our coaches feel the same, that game is over and our big concern is this week's game with the Colorado Aggies. One thing however that was very apparent at this defeat was the outstanding display of spirit by the student body. No team has ever had better support in victory and defeat. The team tried up to the final gun, and you of the student body were with us all the way.

I want to take this opportunity to say "thanks." Thanks a lot from the team and the coaching staff for your splendid support so far this year. We hope to repay you each Saturday afternoon for the rest of the season.

John Overman.

Rally Tonight at 7:30 in Quad

Tonight the Quad will be the center of a rally for the Tiger football team. Tomorrow our team is going to be out to beat the A & M team that is rated as the favorite due to injuries on our squad. The pep meeting, under the joint sponsorship of "Tigers' and Growlers'" organizations, will get under way at 7:30 sharp. You showed your spirit at Saturday's game, now get out there all of you guys and gals whether you live on or off campus.

We're out to WIN!

Civic Players Present "Years Ago" at F. A. C.

By ELDOR MAINVILLE

Last week end, at the Fine Arts Center, the Colorado Springs Civic Players presented Years Ago, a three-act play by Ruth Gordon. This reviewer's reaction was: "They've done it again!"

What they did again, under the direction of Orvis I. Grout, was to take a definitely mediocre play and transform it into two hours of very good entertainment. Agnes C. Daniels, with her usual competence, portrayed the young stage-struck girl, "Ruth Dwire and T. Gerowe Simmons, as the girl's understanding parents, created a couple of real and likeable characters; and the whole cast, as is customary with Civic Players productions, was well up to professional standards. Even Johanne Robison and Marae Studer, students at Colorado Springs High School, performed in a manner which was anything but amateurish. And as for Armin Graber's backstage crew, they of course came through with the usual miracle.

It seems to me regrettable that the Civic Players' play selection committee should be unable to get better plays for Mr. Grout to work on. It seems hardly worthwhile to

C.C. W.A.A. Hostess To High School GAA

On Saturday, October 11, the Women's Athletic Association of Colorado College acted as hostess at a Girls Athletic Association conference.

About seventy-five girls, representing nineteen high schools from around Colorado attended; during the course of the conference discussion groups were held in various buildings on campus, concerning many aspects of girls' sports.

Miss Bruce, GAA sponsor at the Colorado Springs High school, arranged for the conference, and it was very successful.

Miss Virginia Wolf, advisor to WAA and girls physical education instructor, and Jean Thayer, WAA president, were guests of the GAA at a luncheon held at the Country Cupboard.

Due to rain, the scheduled picnic supper was held in McGregor basement, but in spite of the change of plans very one had an enjoyable time.

devote so much time and effort to the production of plays like "Years Ago" and "Dear Ruth" — the same sort of thing that Hollywood turns out in such great quantity. Why not something different now and then, something one doesn't find in the movies?

Jackie! We Did It!

The TIGER office seems to be taking one of Will Rogers' sayings literally. Will is quoted at one time to say that our country has gone through three stages: the passing of the buffalo, the passing of the antelope, and the passing of the buck.

NOTE TO VETERANS—
Attention is drawn to a new pamphlet in the library, Letter of Instruction, 1490 entitled "Enlistment Procedure."

COLORADO COLLEGE, COLORADO SPRINGS, OCT. 24, 1947 NUMBER 6

Homecoming Queen to be Chosen Tonight at Hawaiian Village

At the Homecoming dance tonight, October 24, CC's Homecoming Queen will be chosen from the six charming candidates above. These candidates were chosen by popular vote, instead of selection by the different organizations as we have done heretofore, in order to place the voting on a fairer basis. The candidates are Sue Anderson, Betty Jane Hanger, Bargar Kepner, Marge Kopfman, Diane Raymond, and Joyce Seagrist.

Sue Anderson is a sophomore, majoring in psychology, from Northbrook, Illinois. She is a member of Tiger Club, Poster chairman of A. W. S., and Social chairman of Kappa Alpha Theta.

Barbara Kepner is a senior from Denver, Colorado. She belongs to the Tiger Club, and is president of the Panhellenic Council. Her major is psychology. She is also a member of Delta Gamma.

B. J. Hanger comes from Narberth, Pennsylvania. She is a sophomore, majoring in sociology. She is treasurer of Gamma Phi Beta, and a member of the Tiger Club.

Marge Kopfman is a senior from Center, Colorado. Her major is fine arts. She is president of the Independents, president of Loomis, and vice-president of the Q. A. board.

Diane Raymond is a transfer this year from Rollins College in Winter Park, Florida. She is a junior, majoring in psychology.

Joyce Seagrist comes from Aurora, Illinois. She is a

junior, majoring in psychology.

From the looks of the competition, the contest will be pretty close. Each couple will be given one vote.

Red Lantern Readies Bengal "State Coach"

Under the supervision of the Red Lantern Club the Colorado College "State Coach" is on the way toward being completely refurbished. Assuredly it will be newly painted, complete with college seals on the doors, by parade time tomorrow when class commissioners of the class losing the frosh-soph flag rush will tow the commissioners of the winning class in the parade.

The well preserved coach, a brougham as near as can be determined, will be re-upholstered and in other ways put in top notch condition so that in future years it may grace all important campus occasions carrying the men or women "of the hour."

Red Lantern member in charge of the project is Rod Parvin, who has been ably as-

Athletic Books Pass To Friday Night Game

The Student and Faculty Athletic Activity books will have to be shown at the Penrose Stadium Gate, tonight at 7:30, to enter the football game between Colorado College Freshman vs. Camp Carson Rolling Rocks.

Let's have the entire student body turn out for the first home game of the Tiger cubs. Show the freshmen that this year's spirit is not confined to the varsity teams only.

The Colorado College side for the game will be the East side of Penrose Stadium.

sisted by Dick Best in repainting the brougham.

Plans are now being made to prepare an adequate place to store the coach in future years and keep it safe from brigands that might drop in from other institutions in the region bent on swiping it.

The brougham, given to the college along with certain property several years ago sat unheralded in solitary splendor in one of the CC storehouses until it was unearthed and put into action about 30 minutes before the parade held to escort the team to the station before the Grinnell game.

Lennox Grill

Tigers Face Miners in Feature Attraction of Homecoming Weekend

In the 28th Homecoming of Colorado College, the injury ridden Tigers will face Colorado School of Mines in the 49th football game between the two schools. Both teams will be pointing for a win in this Rocky Mountain Conference game. C. C. won its opening R. M. C. encounter against a rugged Western State eleven three weeks ago. The Miners lost their first conference game last Saturday to Colorado State.

Coach Douglas announced that there would be a minimum of contact work this week in the Tiger practice sessions due to so many injured players from the last two games. Both Coodnight and Douglas stressed the point that the general defensive play of the Tigers has been weak since the opening of football season. By chalk talks and under actual playing conditions the Douglas men can see their weaknesses and hope to have this condition under control by Saturday.

Hal French and George Kinnick, who were injured in the first half of the Aggies game, had light workouts this week and will be able to see action against the Miners. Moe Miller and Harry Waters also received injuries in the Aggies game but were in excellent condition for this week's workouts. Douglas is anxious to see how fast French and Kinnick can recuperate from their injuries as both players are very valuable to the Tiger backfield. Mike Yalich from Eveleth, Minnesota, played his first varsity game for the Tigers last Saturday and Douglas was very pleased with his performance. It looks as if Yalich will see a great deal of action in the remainder of the games. Duane Grisham played a bang-up game at left tackle and will be in fine shape against the Miners.

The tigersmen will be watching halfbacks Kingery and Walker of Mines very closely Saturday. The Tigers know that these men are dynamite and will do their best to keep them penned up.

Looking back into the records, the C. C. vs. Mines rivalry started in 1889 when the two teams played their first football game. From 1889 to 1946 the two teams had played each other 48 times. Colorado College has won 25, Mines 19 and tie games number 4. Because of the weather the 49th scheduled football game was not played last year. The total points in the 48 grid encounters stand at 587 for C. C. and 520 for Mines.

The largest score that C. C. has beaten Mines by is 54-0 which was in 1916. The greatest number of points that Mines has piled up was in 1939 when the score was 50-7.

National Student Group Recognized By UNESCO

The newly formed United States National Student Association has been granted membership in the National Commission for UNESCO (United Nations Economic, Scientific, and Cultural Organization). Notification to this effect was received by the national office of the USNSA located in Madison, Wis., from the State Department in Washington.

William B. Welsh, president of the USNSA, announced that Robert S. Smith, vice president of the association, would be the representative of the National Student Association to the National Commission for UNESCO. Bob Smith is chairman of the International Activities Commission of the USNSA, which is located at Harvard University.

The twenty-six regional chairmen of the National Student Association will coordinate their efforts with those of the regional UNESCO committees to implement the programs of the National Commission for UNESCO.

The United States National Student Association is an organization based upon the student government bodies of colleges and universities all over the United States. Delegates who attended the Constitutional Convention at Madison, Wis., came from 356 campuses, and were directly representing 1,389,000 American college students. The programs of the USNSA will benefit the individual college student through his student governing body.

Direct student exchange between Canadian and U. S. universities is one of the projects now being developed. Special travel and study tours are being formulated for American students in Europe next summer. Tours are being planned for students from foreign countries to the United States.

Whitewash

Our attention has been drawn (as whose hasn't) to the fact that several of our campus buildings have been painted with whitewash. This is obviously an outcropping of the much-maligned school spirit, only we haven't quite figured out the viewpoint that manifests itself in doing just what the rival school wants done, traditionally. Can anyone tell us why we take the trouble to post guards to prevent people from other campuses from smearing up our campus before a game, then indulge in the very same vandalism ourselves? If that's school spirit, we'll take Meyerding!

By the way, while the paint is washable, it is very difficult to remove from porous surfaces such as brick or stone. We have it straight from the feedbox (Dept. Grounds and Buildings) that the use of whitewash on sidewalks and pavements is not especially objectionable—but for the love of anything you might call school spirit, spare those ivied walls, especially where there's no ivy!

Letter to the Editor

Last week's TIGER was an incredible representation of the average student's ability to grasp firmly onto a branch of a tree, yet be utterly ignorant of its relations and importance to the rest of the tree. In the letters, articles, and editorials, we had an amazing jig-saw of the highest aim of an educational institution such as this—yet each piece in the jig-saw was scattered throughout the paper, and seemed ignorant or antagonistic to its other parts. An antagonistic piece in the puzzle was an open letter by Ed Meyerding who saw the need for waking the student up to the realities and vexing problems of the world, and was (unknown to either party, perhaps) given an excellent case-in-point in a brief column by Henry Klingman, showing the student's ignorance of the Marshall plan. Where Meyerding missed the boat was in his failing to see where the "pep rally" spirit and his ideas were merely part of a whole. Before you can make a man do some-

R. J. C. Sez:

Somewhere in the dim dead past, an elderly, grey-bearded missing link, having had his fun, began handing down "Thou-shalt-nots" and then, having properly balled-up all of the social institutions, he died. (Old men today accomplish the same thing by cutting their heirs off without a cent). This habit caught on and as time went on it became all the vogue for anyone who had a peeve on, to tell the younger members of the race "Don't!" Some nameless misanthrope hit the jackpot with, "Thou shalt not end sentences with prepositions," and thereby sowed the seeds that bid fair to shatter the very foundations of civilization. I don't know how it ever caught on anyway. Some day in a conversation, casually mention the girl out with whom you have been going, or perhaps comment on a friend up with whom you grew. This sort of thing will get about the reception you expect and a fat lot of good it will do you to quote any English rules. As a matter of fact, if you do it enough, you may find yourself answering some psychiatrist's questions about pains at the base of your skull and other odd manifestations.

There is one other question that baffles me completely and further I live in constant fear of the day that the problem will arise for me personally. What do you do when a girl in a strapless evening gown turns to you, smiles, extends corsage and pin and says, "Will you do this for me? I'm all thumbs." I can't even imagine the script from there.

June Maurer, last year's IWA prexy, one of first alums back for homecoming.

thing, he has to have some energy. The "pep rally" spirit merely emphasizes that the energy is there in enormous quantities. What remains is to get the student to show the same spirit in other activities, instead of in sports alone. Thus what Meyerding attacks should instead be a good basis from which to start.

Getting back to Klingman's revealing article, I wrote of the same condition in the last issue of the TIGER in June. At that time, I suggested as constructive, a plan whereby certain students interested in current events and history could put out concise bulletins on happenings around the world, to be posted in the halls for the students. Disregarding the merits or demerits of this plan, it does show an appalling need for more organizations and student activities whereby every student would be in at least one outside, constructive organization, instead of having one-tenth of a percent of the students doing the work for all organizations. The worn-out argument that "the organizations are there and if the student doesn't want to join, that's his hard luck," loses face in view of the fact that students do have the energy to join, as witnessed in sports, and that it is the duty of the college to see that these students join constructive organizations and are taught to think a little so that they can meet the problems of the world—not only their own selfish, narrow sphere of obstacles.

Another piece of the jig-saw drove this point home in a dramatic fashion, without realizing it. It simply stated that officers of the various grades had been chosen. On what basis had they been chosen? I imagine it was good looks, affability, smart posters, and a lot of friends. These are excellent attributes for being sociable, but what about having these candidates say something about what they intend to do when in office? In two other colleges that I attended, and even in high school, the candidates were elected on their platform of ideas. In this way, many constructive innovations were introduced by officers who were elected on the pledge of following their platforms through. It had the added advantage of bringing problems before the student body for correction and action, and making the students think a little.

True, the college does not obstruct extra-curricular organizations, and thus there is a small percentage of students who are engaging in outstanding groups off the campus (ie: Tri-C, language clubs, Speech Workshop). However, with all this energy being displayed in sports, it would seem plausible that the college should try to have all the students at the same time show that energy in constructive extra-curricular groups. For one thing, there aren't nearly enough of these groups. And the big factor is that while the college does not obstruct these groups, and in very limited ways encourages some, it makes hardly any effort whatsoever to impress on students the importance of these activities as part of col-

Letter to the Editor

(Continued from Page Two)

lege education. In another liberal arts college that I attended, it was taken as an accepted fact that every student would belong to some constructive group in one department of his endeavor. As a result, students were given responsibilities and made to think and apply themselves to the group, not just to their own small world. In other words, they showed the same energy in their responsibilities that they showed in their excellent school spirit for their athletic teams.

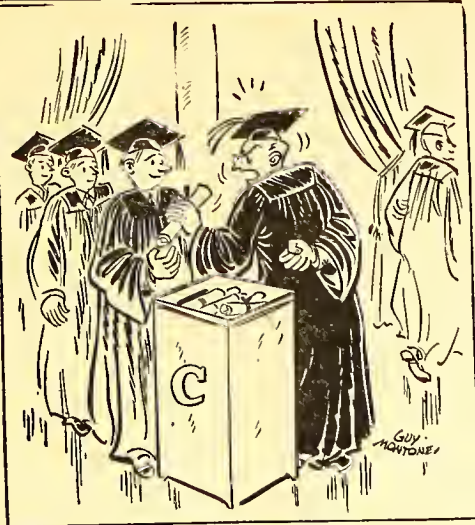

The last piece in the jig-saw puzzle was the article in which President Davies rejected the resignation of Ben Douglas. It seems strange that the administration can recognize clearly the difference between a new coach who can inspire confidence and spirit in his team and student body, as against the banalities of a mere won and lost record—and yet fail to recognize the difference between just accepting students in order to throw set curricula at them, and the method of trying to encourage students to think and accept responsibilities. At least the fact that giving students a healthy and rounded education is a goal of the Administration in dealing with sports, shows that the ideal is there anyway. Perhaps someday this will extend to encouraging this same spirit in other constructive fields outside the actual curriculum that will make the student a responsible and thinking citizen.

—Mike Kofsky

A Rambling Ed. Note

Besides the fun of indulging in the time-honored sport of pasting the Administration, we believe that Mike Kofsky has said a mouthful. If it weren't that his letter holds so much potential good, we'd be inclined to pick it apart in the same way as people do with the TIGER. With regard to that, it must be obvious to anyone who reads it that the TIGER will not be an integrated whole until there are enough Mike Kofskys looking for what our campus editor calls "the big picture." While there are more people interested in synthetic loyalties to trivial causes than in constructive thought and action to prevent race suicide, there will be all too little to make this or any similar paper truly worth the trouble.

As for the jig-saw character of the small picture presented by the TIGER, we would offer two points in explanation: First, the TIGER staff is not yet a well-integrated whole

"... for the ONE THOUSANDTH and THIRD time!
NO, I AM NOT KAY KYSER!"

—it's illegal to use anything heavier than buckshot on those reporters who wait until Wednesday afternoon to say, "gee, I'm sorry, but..." (not to mention the disappointment of those who write and have their stuff dropped at the last minute when we have to cut down from eight pages to six because we haven't enough material for a full eight.)

Second, and far more important in the big picture, the jig-saw character shows up because there is so little real force behind half of the campus groups. If you belong to any group on campus, ask yourself candidly whether that group as a whole is interested in propagating itself—what does it do about it? Does it choose a publicity representative, for instance, on his sincerity and competence and general intelligence, or on his yards-gained-from-scrimmage, hearty laugh, and dates-per-week? This may sound far-fetched, but believe me, I'm asking you. There are not more than two student organizations on this campus, at present writing, which can boast of even passable publicity writing. To some organizations this is comparatively unimportant, in their very nature. To others, it is vital.

The TIGER is going to be accused of partiality, and justly so—it is going to be partial to groups and activities which submit copy for publication, over those which submit illegibly scribbled, incoherent notes. Let all leaders and faculty advisers take note and talk it over. If the TIGER can't beg, borrow or steal enough competent, dependable writers, (and it can't so far), then the approach to a campus newspaper must be made through the leaders of organizations who are interested enough to want their activities publicized and their purposes served.

COLORADO COLLEGE CALENDAR

FRIDAY, OCTOBER 24

4:30 A. M.—Rally — Cossitt Gym.

Colorado Education Association Meetings in Denver, Grand Junction, Pueblo and Durango.

9:30 A. M. to 8:00 P. M.—Homecoming Registration, Cossitt Hall.

5:00 P. M.—Class Reunion Dinners—(Place to be designated by Individual Class Committee Chairmen).

7:30 P. M.—Freshman Football Game, CC vs. Camp Carson, Pentecost Stadium.

8:30 to 9:30 P. M.—Judging Fraternity House Decorations.

9:30 P. M.—All-College Student Homecoming Dance, Hawaiian Village, Broadmoor (Crowning Homecoming Queen).

SATURDAY, OCTOBER 25

8:30 A. M.—Fresh-Soph Fight Stewart Field.

10:00 A. M.—Student parade through downtown Colorado Springs.

2:30 P. M.—Football Game, CC vs. Colorado Mines, Washburn Field.

4:30 P. M.—Open House, Lennox House, Fraternity Houses and Sorority Lodges.

6:00 P. M.—C. Men's Stag Dinner, El Paso Club.

8:30 P. M.—Special Musical Program, Fine Arts Center.

9:30 P. M.—Alumni Homecoming Oance, Broadmoor Hotel.

SUNDAY, OCTOBER 26

5:00 to 8:00 P. M.—Beta Theta Pi Open House, Beta House.

7:15 P. M.—Tri-C Meeting, Gregg Library, 20 E. St.

TUESDAY, OCTOBER 28

10:00 A. M.—Chapel Service —Miss Mary Oingman, World Traveler and Lecturer—Shove Memorial Chapel.

How Long Is a Second?

SOMETIMES IT'S 3 2/3 YEARS! One second is not always one-sixtieth of a minute—not in telephone mathematics. Suppose, for example, you find a new method that clips just one second off the time it takes to process a toll ticket. Apply that saving to the 15,000,000 toll tickets handled monthly throughout the Bell System and the time saved every thirty days equals 3 2/3 years!

In the telephone business there is always a new challenge for men with ideas, for even long-established methods of operation are never considered beyond improvement.

F. A. C. Memberships Offered to Students

A membership in the Fine Arts Center entitles the holder to various activities, not only art exhibits but movies as well. An adult member may attend meetings of the Art Center and vote on questions presented. Members may use the art library, attend previews of exhibits and teas, and receive by mail the monthly calendar of events. Each member is entitled to attend the members' movies every month (famous films of the past) and may bring with him one guest. There are various types of memberships offered.

The Fine Arts Center also sponsors a "Winter Concert Series." The first of these was Thursday, October 16th and the featured artist was Mona Paulee, noted Metropolitan Opera mezzo soprano. The next event is scheduled for Dec. 2nd and features 18-

Tiger Club to Sell Mums At Game

Chrysanthemums will be sold at the Home Coming football game by members of the Tiger Club. Booths will be at the entrance gates and on the hill. The mums will be appropriately decorated and will sell for 75c.

The Tiger Club will march in the parade Saturday morning and during the half at the football game. According to Cora Woodson, president of Tiger Club, there has been a show of great enthusiasm in the club this year. Let's keep it up, girls!

year-old Devy Erlih, whose fame as an accomplished French violinist is known throughout Europe. February 10th the noted American pianist Sidney Foster will give a concert. A special rate for students for the series is \$3.00 for reserved seats; single seats at \$1.20.

Membership in the Fine Arts Center as well as tickets to the concert series can be obtained at the Art Center. Any one interested in the arts is urged to attend these Fine Arts' activities.

B.M.O.C. OF THE WEEK

By BEVERLY BURFORD

This week we decided to acquaint the freshmen and new students with one of the "Big Men On Campus." So we naturally thought of Hal French, the quarterback on the Tigers.

"Happy Hal, the kiddies' pal" arrived at Colorado College from Glendale Junior College, where his home is located. He went into the Air Corps for the "duration plus." And we find him a senior, majoring in Education. He plans to teach and coach after graduation.

"Mighty Mouse" (as he is sometimes called by his friends) has two years experience in football and track at Colorado College. He is a member of the Growlers and C-Club. He also has the distinction of being the only Sigma Chi with a beautiful new Buick convertible.

HAL FRENCH

On fourth floor of Bemis, Hal is the pin up boy. And the fellows had a little to say about our Big Man on Campus: he never misses the open houses at the first of the semester—"they're never too young or too old." Of course, since he has returned, we've noticed he does prefer the freshmen women — every year.

Alumni Dance Open to Undergrad Students

Tomorrow night the alumni of Colorado College will hold their annual homecoming dance in the Terrace Ballroom of the Broadmoor Hotel. The dance starts at 9:30 P. M. Armin Barney, '20, is the chairman of the evening. Dress for the occasion will be informal. Clarence Mishey and his orchestra will furnish the music. Tickets may be purchased from the office of the secretary in Cutler Hall or at the door of the dance for \$1.20 a person. All undergraduate students are invited to attend this final event of homecoming.

BETA OPEN HOUSE THIS SUNDAY

Beta Theta Pi fraternity will have an open house Sunday, October 26 at the Beta House. The time is from 3 p. m. until 8 p. m.

Frosh Law Breakers Face Kangaroo Court

Thirteen woeful freshman women were tried and convicted of high not-wearing-of-bows and similar crimes in Kangaroo Court on Thursday, October 16, according to a late bulletin from Bemis Commons. The trial was the first in a series inaugurating the annual Freshman Discipline Campaign designed to straighten out young delinquents who with malice aforethought or otherwise, refused to conform with the traditional freshman regulations. The women were punished according to the individual offense: some of those pronounced guilty were required to mortify themselves by carrying humiliating signs or wearing green stockings; others were compelled to clean the bleachers and wash the year-old football slogan from the walls of Lennox. Cleaning the steps of Palmer with a tooth-brush was used as a last resort, when other more trying punishments had been doled out. The policy that "ignorance is no excuse" was used by the serious-minded black-gowned court consisting of a legally chosen jury of six Growlers and six Tigers, who were very imposing in their solemn austerity; verdicts were reached under the guidance of Judge Nancy Roberts.

AWS Gives Aid To Brinley Guild

All the women's organizations on campus come together under one large body, namely AWS. This year one of the main projects of the Associated Women Students is aiding Europe in collaboration with the Brinley Guild of Colorado Springs. Each sorority and the Independents will give clothes, money and soap to the needy families of destitute Europe. Also plans for correspondence to foreign families are being drawn up by Miss Rowe and Miss Erion, advisors to AWS. Heading the European aid program are Shirley Sheffner and Joan Levy.

NPC Convention Here in November

The National Panhellenic Council will have a convention at the Broadmoor hotel early in November. Representatives consisting of over two hundred delegates of all national sororities plan to attend.

Alumni Couple

Ellen and Jim Boyden received a call from the stork September 20th — a boy named Jeffrey . . . Sally and Louis Slothower—Sept. 4th—a boy named Peter.

It Says Here - - -

By D. A. Stroup

This week's most pertinent question: "Are there any Sigma Chis who still have Sigma Chi pins?" Anyway, they had a glorious weekend. Mary Grell and Emil Enstrom started things off at the Harvest Moon dance, and then suddenly everybody was bursting into song, and kissing everybody, and congratulating everybody—very gay. Especially after they found out Pat Grier was pinned to Ray Sylvester and Barbara Kent to Bill McGinnis.

Then, of course, there was the all-inclusive serenade, by the Sigs, who started out at Gregg serenading Frannie McDonald, and then decided to cover every dorm on the campus. They caused quite a furore at Loomis House: If you want more information on this subject, just ask Ruth Reeds, who is now an authority on the best methods for hearing serenades effectively. Her foot seems to have a tendency to slip through the holes in the fire escape.

A small group did a beautiful (?) rendition of "I've Been Working on the Railroad" and some of the other old favorites with an added dance attraction last Friday night.

Open Houses After the Game

All sororities, fraternities and the independent groups on campus will entertain with open houses immediately after the homecoming game tomorrow. The Independents will have their guests at Lennox House.

This is the time for all alumni to come back and renew old acquaintances. Refreshments will be served and the spirit shown throughout the school year thus far will undoubtedly be at its height.

On Saturday night, Miss Ruthie Nunn had her own special little serenade by a mixed fraternity group, who were carrying a number of small grotesque objects from their vehicle. It turned out to be somewhat songless, but spirit was there.

And the Phi Delt's first serenade of the year for Ann Cole and John Haggart was quite impressive — especially for John and Ann, no doubt.

Correction: There is only one tie of the neon-light variety on the campus, belonging to Mr. Gordon Westcott, who must be contacted concerning all information on said commodity.

News flash!—It has been rumored that the art center's favorite model is having a little competition with a horse which has been adopted by some of the artists.

And then there was the snow. It has been investigated, tested, and approved by a small group of "for goodness sakes let's go skiing" skiers from the first foot on up to the third. Ask someone who knows like Arden Roberts.

The CC Men Look At the CC Women

By MARY REDDICK

BOB COSGROVE—"They are nice, agreeable and attractive, but they are all too tall."

BOB RUSH—"Overflowing vivaciousness, pleasing personalities, well dressed, but the skirts are too long and you can't see their legs."

PHIL TSAKIRIS—"On the whole they are swell, dress well and appropriately."

C. T. RAINES—"Love 'em, However, some try to act too sophisticated."

LEFTY BRINKMAN—"Women date too far in advance."

DICK WINTERNITZ—"Most of them are stuffy, conceited, shallow shells of femininity. They think that the world owes them all it has to offer and if they are not careful, they'll get it."

JIM RYAN—"CC women expect too much—they could be nice if they wanted to be."

DICK PFEIFFER—"Girls have too much pride. They feel that they should have a date two weeks in advance."

BILL PFEIFFER—"... is proud of CC women. They represent all states. They can live together regardless of what sorority or organization they belong to."

TOM STOKER—"In general, they seem very friendly but a little inhibited. However, women are the same all over and that ain't good."

REED HOLLISTER—"They are too young for an old man like me."

BUD NESTLERODE—"Women dress too elaborately in classes."

Denver School Has Homecoming Dance

The alumni association of North High School in Denver announces that the Homecoming dance for the Vikings will be held on November first at 8:30 p. m. The place is the Boy's Gym. The price is \$1.20 per couple. No corsages. All alumni are cordially invited to attend.

House. To save Jim a lot of trouble and questions we release the following:

Her name is Mandy, she is twelve weeks old, a pedigreed pup, no less and they've had her about a week and a half.

Things have come to a pretty bad state when another columnist in this very same paper gets so low on material that she (in all fairness I won't mention her name) stoops to swiping this writer's material. If she doesn't lay off it will be water pistols at dawn.

Bill Pfeiffer taking notes from Kiwanis club cheerleader at Cossitt Wednesday.

Notice to Married Vets

Married veterans enrolling in Colorado College for the first time this September are required to file form 686C, "Declaration as to Marital Status," in order to draw \$90.00 per month subsistence. If you did not file this form at the time of registration, call at the Dean of Men's office and complete the form.

Lennox House Board Members Chosen

The first meeting of the Lennox House Board was held October 23, to O. K. activities pertaining to Lennox house. The board also elected officers, with Dean Rawles acting as chairman.

The faculty members are:

Miss Fowler, Miss Erion, Miss McNary, Dean Rawles, and Mr. Jackson. The students on the board are: Jan Long, Caroline Milbank, Eathan Miller, Robert Cosgrove, and James Wagoner. The board has regular meetings once a month to discuss plans for Lennox House.

★ ★ ★ Fashions ★ ★ ★

The lovely dress shown above is quite typical of the latest trend in good date wear. It is made of grey taffeta—one-piece dress with a tiny jacket. Dress has square neckline, narrow shoulder straps, very full skirt of soft all around unpressed pleats, but gives a flat stomach look. The short jacket fits snugly. It has small round collar, self buttons. At the bottom of the skirt are three large ruffles. Underneath the ruffles horsehair gives it a new look. This is but one of the many new ideas of dress as pictured in the October issue of Junior Bazaar.

Many Tasty Recipes in McCue-Truax Cookbook

"Life is too short to waste in preparing poor food and then having to eat it" was the theme behind *Sixty Minute Chef*. Lillian McCue and Carol Truax, co-authors, believe that a single hour is sufficient to prepare any wholesome and tasty dish. And in their new book they show just how.

The recipes come from the famous collection of Miss Truax, gathered during her travels, and from friends. Intermittently, Miss McCue narrates the whys and hows and wheres.

Many of these dishes are the favorites of celebrities. "Spaghetti Caruso," "Perkins Pride" and Russian Borscht are but a few. In Denver last week, Rocky Mountain Life magazine honored the two authors with a dinner prepared by six chefs who knew Miss Truax's tastes. Each dish set before the guests was taken from one of the original recipes.

The book turns out well and the interesting introduction by Miss McCue is highly authoritative. All in all, *Sixty Minute Chef*, MacMillan & Co., is a good handbook to keep in the pantry.

Leathernecks to Meet

There will be a meeting of all Marines and ex-Marines in Palmer Pit at 4.00 p. m. Tuesday, October 28th.

CAMELS
SUIT ME BEST!

Al Nevins

More people are smoking CAMELS than ever before!

Greetings to All Old C C'ers!

Council on World Affairs

Last Sunday evening, October 19, the first all-school meeting of the Colorado College Council on World Affairs heard Mlle. Denise Goulven, member of the Language Department faculty, discuss the French Municipal elections held that morning in France. These elections were of special interest to all students of world affairs since they represented the most recent test of Communist strength on the continent. As an interested observer, Mlle. Goulven was in a position to watch the development of the issues which were to face the French elector in the contest between General deGaulle and the French Communist party. Mlle. Goulven left France a year ago to come to the United States and Colorado College.

Community Chest

CC's contribution to the Community Chest is far behind last year's total. This is an appeal to members of the staff or the student body to help make up the deficit.

Please leave contributions in Box 20, Cutler hall.

The Colorado College Council on World Affairs represents a reorganization and consolidation of various campus groups. It was formed in response to a need for an integrated program of study and discussion. Mlle. Goulven's talk was the first of a series of programs concerning problems of world politics and peace.

The Council will meet regularly every other month during the coming academic year; special gatherings will be arranged when speakers and programs of interest to the whole school can be arranged.

(Continued on page eleven)

"Pepsi" Fellowships Open to Seniors

The Pepsi-Cola Scholarship Board has announced that applications are now being received for the twenty-six graduate fellowships which the company will give to outstanding college seniors. These scholarships pay full tuition and \$750 a year for the three years and may be used in any field of study at any accredited college in the United States or Canada.

Fellowships will be awarded on a regional basis—six fellowships to students in each of the four geographic regions and two to graduates of Negro colleges. Negro graduates of other colleges are eligible for the regional scholarships.

Official application blanks may be obtained from Dean Gates. The blanks must be received by the board not later than January first, 1948. The board's address is 532 Emerson St., Palo Alto, California. Transcripts of the applicant's undergraduate record must accompany the application.

Any further information may be obtained from Dean Gates in Cutler Hall.

N. S. A.

When the N.S.A. met at the University of Wisconsin this fall, three panel discussions were carried on. These three panels were: Student Government and Student Government Functions, Educational Opportunity, and International Student Activities. Reports of the discussion and policies of each of these panels were given before the adjournment of the convention. Each panel was divided into sub-panels in order to cover the entire subject with workable groups.

The panel on Student Government worked from certain fundamental premises. The first was that the primary purpose of the new organization is to strengthen student government systems as they currently operate on the campuses. If the new organization succeeds in developing strong and functional student governments throughout American colleges and universities, it will help to provide the mechanism through which American students can receive a real education in democracy.

Obviously, one of the greatest problems faced by student governments throughout the nation is the problem of student indifference to student governments. The average

Smoking Regulations

1. Smoking in Coburn Library must conform with the regulations which have been previously established by the Library Staff.

2. Smoking in the Cossitt Hall Gymnasium is prohibited at all times.

3. Smoking in Hayes House must conform with the regulations adopted by the faculty members who occupy this building.

4. Students may smoke in the Halls of Palmer Hall.

5. Smoking in the Perkins Hall classrooms and the auditorium is prohibited. Faculty members occupying offices in this building are responsible for establishing regulations regarding smoking in their offices and in the practice rooms.

6. Smoking in Tenny Hall is prohibited because the building is a fire hazard.

Sports Ramble

By JOHN MULKEY

The training room looked comparatively empty after the Aggie game, which tells us that the Tigers should be in pretty good physical shape for the Miners this week.

Moe Miller and Grabs appeared to be the only boys out of their heads (more than usual that is), but their extensive mental numbness was temporary, and their bruises will be healed by tomorrow.

* * *

Ordinarily, every homecoming week, it starts raining or snowing but this time, if Truman hasn't vetoed the law of averages, we should be in line for a beautiful homecoming day. Any influence inflicted in the direction of the man upstairs would be greatly appreciated.

Tonight the Frosh meet the Camp Carson "We should be playing the Varsity" Rolling Rocks, at Penrose. According to the Carsonites, it will be mass murder, with the freshmen being the victims, but I have reason to think otherwise. For the uninformed, I have news of a well rounded Frosh squad that should take the Rolling Rocks to the tune of at least one TD. Let's all be sure and be on hand for this "mass murder" tonight, but observe also who the murderers are. Good luck, Freshmen.

* * *

Fifty-seven years ago, the place and date unknown, the Colorado School of Mines met the Colorado College Tigers in their first of forty-nine ball games. Since that day way back in 1889, the Tigers have managed to come out on the long end of twenty-five of these, while the Miners were winning nineteen and match-

20 Hopefuls Report For Frosh Basketball

Over twenty candidates turned out for the first Freshman basketball practice which was held last Tuesday afternoon. Pat Fitzgerald, a former Colorado College athlete and varsity hoop star for three seasons, will coach the Freshman squad this season.

The Frosh will hold practice in Cossitt Gym on Tuesdays and Thursdays at 4:00 p. m. All men, with the exception of the football players, who have not yet reported for practice are requested to report next Tuesday afternoon. It is expected that additional candidates will turn out at the close of the football season.

A 15 game schedule is anticipated and will be released later.

The following men have reported thus far:

Jack Orsborn, Marrin Powell, Jack Wellmering, Jack Gray, Jim Caywood, Dick Grata, Jack Pfeiffer, Bob Porter, Ed Dwarak, Bob Kenyon, William Green, Merle Bouchard, Bill Bangert, John Kooper, Carl Linquist, William Kruman, Don Thurston, and Van Bateman.

ing CC point for point in four games.

Tomorrow these same two schools meet again for the first time since 1942, in Colorado College's homecoming game. Chances are that the boys from Golden will be slight underdogs, but don't sell them short, they have a well balanced club that will be fighting all the way. It's the Miners trying to outscore the Tigers in a game that should end CC—20, Mines—13. I hope I'm right.

Unbeaten Kappa Sig Still in Lead; Sigma Chi's Take Over Second Place

The surprising Sigma Chi intramural football squad took complete charge of the second place spot in the intramural race by upsetting the Phi Gams 15-6, last Friday on Perkins field.

Perkins started the Sigs scoring by tagging Leisure behind his goal-line for two points. Following the safety, the Sigs sent Stewart in the end zone to receive a Theodore pass for six more points. Their extra point was good, Theodore to Scott. The Phi Gams then scored on a long pass from Sullivan to Milne to run the half time score to 9-6 in favor of the Sigs. Theodore went to work again for the Sigma Chis in the last half to clinch it with another score.

The day previous the Kappa Sigs spanked the Independents to the tune of 24-12. The Kappa Sigs, in the person of Stan Rice struck first as he sprinted 25 yards through a surprised Independent team to the red flag and six points. The Kappa Sigs came back to score again on a pass from Rice to Mitchell to run the score to 12-0, before Culberson found Wald standing in the end zone and threw him a TD pass to make the half time score read Kappa Sigs 12, Ind. 6. Opening the second half Rice again passed, but this time it was Biega on the receiving end for their third touchdown. Little Culberson, Independent halfback scooted around end and into pay dirt to end their scoring for the day. The Kappa Sigs then made their final score when Mitchell went around his left end for 20 yards and another tally to make that

Skiers Mobilize As First Snow Falls

Do you want to learn to ski? Would you like to be on a ski team? Or do you want to ski just for fun? Then the club for you is the SKI CLUB, Ptarmigans.

Membership in the club is \$2.00, and meetings are announced thru the TIGER.

Trips are being planned for every weekend that the snow is desirable, at Glen Cove and the Cripple Creek area. Transportation will be provided by two school buses and nine cars, offered by Ski Club members. Included in the trips will be quite a few overnight ones.

If you are just a beginner, instruction will be given by Hans Wagner, who was with the 10th Mountain Ski Division at Camp Hale during the war. As for expenses, the equipment is the main one.

Also, Hans Wagner will coach the ski teams for the slalom down hill, cross-country, and jumping. A team of 15 men is needed, and any women who would like to start a women's team.

Frosh Eleven Bucks Camp Carson Tonight

Coach Fritz Minuth's Tiger Cubs will play the Camp Carson Rolling Rocks Friday night, October 24, at Penrose Stadium. This will be the first time that the freshmen followers have had an opportunity to see their team in action this year. The C. C. Cubs opened their season in Trinidad against Trinidad Junior College, losing it by a score of 7-6. Two weeks ago they journeyed to Gunnison to play Western State freshmen and came out on the long end of a 27-6 score. The Cubs were idle last weekend and were able to practice as much as they did before the first game.

In these practice sessions the Cubs' board of strategy knows that their line will be outweighed by the Carsonites and in order to compensate for this they have been stressing rugged defensive action. Minuth is in hopes that he will be able to find a combination in the backfield to push the highly spirited Cubs to victory. It looks now as if Brothers, Lunda, Stoddard and Jones will be the answer to this backfield ques-

Cross-Country Notice

Intramural manager, Leo Hill, requests that all contestants for the cross-country run to be held between halves of the homecoming game, meet in Cossitt Gym at 2:45 Saturday, October 25. It has also been requested that contestants be dressed ready to run, so that running numbers can be assigned, and final instructions can be given.

tion, as they have been showing up well in practice sessions. The power-packed Rolling Rocks have a fine running and passing attack which the freshmen plan to stop by using James, Lewis, and Van Meter in the center of the line.

So far this year the injuries have been held to a minimum and the squad will be in shape for the Friday night encounter.

Starting line up the Tiger Freshmen in tonight's game:

RE, Miller; RT, Hay; RG, James or Fellmar; C, Lewis; LG, Van Meter; LT, Brugger; LE, Mills or Lyons; QB, Brothers, RHB, Holmes or Dunda; LHB, Stoddard; FB, Burns or Jones.

Record Periled In Cross Country Run

If the weather holds up and all other things are equal, a new record might be set for the traditional Colorado College Cross-Country Race to run between halves of the Homecoming football game on Saturday afternoon, October 25.

The event will get under way several minutes before the half time gun so that fans may witness the finish during the intermission. The five campus fraternities and the independent organization will each enter a six man team in the race. The first four men to finish from each team will determine the scoring. The team with the lowest score will carry away the trophy. Last year Kappa Sigma was the winning fraternity and Jim Lamb, a Phi Delta Theta, took individual honors by coming in first in the fast time of 15:53.3.

Lamb, an Oregon boy, is not attending college at present and Chuck Ormsby, an Independent who came in second last year, is out with a bad knee injury incurred in touch football earlier this fall. However, Dick Pfeiffer, a letterman in track last spring, and third in the cross-country run last fall, will doubtlessly be out to beat Larson's mark.

"Everything points to a good race," says Cheddy Thompson, track coach and Leo Hill, Intramural manager, who have been setting the plans for the big event for several weeks.

Harry Waters (21) gains 10 yards on a right end sweep for CC in last Saturday's encounter as the Tigers go down to a 28-7 defeat at the hands of the Colorado Aggies.

CC Loses to Aggies 28-7, Lone Score by Pringle in Opening Play

The visiting Aggies were literally struck dumb in the first 30 seconds of play in last Saturday's game when Bob Pringle exhibited some outstanding running to the tune of seven points. The Aggies recovered sufficiently however to rack up 28 points in the following three quarters, handing the Tigers their second loss of the season. Picking up the opening kickoff the 'Tigers' fleet back scooted up to his own 40, wiggled through the Aggie squad and shot the remaining distance into the promised land for the first score while approximately 4,500 fans went wild over one of the greatest thrills in football; the return of the opening kickoff.

Remaining on the offensive for the majority of the first quarter the Tigers played like a team inspired. Eager, the CC backs took turns moving into A&M territory only to be called back on penalties.

Taking to the air the Tigers lost the opportunity to score as Aggie aerial defense intercepted C. C. passes.

Warming up in the second quarter the Aggies desperately tried a field goal. Taking the offense again they moved 40 yards towards pay dirt with Pat Green going over for the first six points. Lloyd tied up the proceedings with a successful conversion.

Taking over again on the 28 the A&M eleven marched up the field then passed to their second touchdown to end the half seven points ahead of the local squad.

For the third time the Aggies scored, on a left end run by Quarterback Payne which left the Tigers trailing, 21-7. Early in the fourth period a bad pass from center enabled the visitors to score again. Back in punt formation Pringle was unable to reach the center's pass and the Aggies recovered for an additional six points. Again Church made a successful conversion and the score went to the final count, 28-7.

The debut of our new Broadmoor store is marked with an almost unpardonable pride for our collection of distinguished gifts and wearables for gentlemen. Seldom has any single store assembled such a collection of eminent accessories to mark its premier. Your early inspection is cordially invited.

Players to Present "The Twins" Next Week at Fine Arts Center

"The Twins," one of the best-known Roman comedies, written about 200 B. C., will be presented by the CC Players on the nights of October 30 and 31 at 8:30 p. m., in the Fine Arts Center. This farce is to be done in modern dress. Members of the cast are: Bob Fisher, who will give the prologue. Bob has been active with the CC Players for a year, and has a radio program. Tom Stoker plays the part of Brush, a parasite. This is the comedian's role in the play. Tom has not previously appeared in any of the plays at Colorado College.

Pete Buchanan and John Reeds portray Menaechmus I and II (the twins). Pete has been with the Players one year, and was in charge of the Workshop Theater's production of "Tovarich." He also went summer school here last summer, and appeared last year in "She Stoops to Conquer." John is heard regularly on the radio, and has been in several plays in the year he has been with the Players.

Eroteum, a courtesan, is played by Dusty Krause, who has been active in several plays here at CC, including "Tovarich."

Another character is Meseño, a slave of Menaechmus II, played by Wes Bradley. This is his first play here.

Jim Weschmeyer will appear as Cylandus, the cook of Eroteum.

The maid of Eroteum will be Carol Gaebel, who has appeared in "Tovarich" and "Our Town," in the year she has been with the Players.

Carol Spiegel has been active in the Players for the past year, and will play the wife of Menaechmus I.

The father-in-law of Menaechmus I will be played by Pete Gilleran. He has also been with the Radio Guild and CC Players for over a year. The doctor will be played by Bob Burch.

All CC students will be admitted with exchange tickets. These can be obtained by swapping a ticket from your activities book for a theater ticket. This can be done at the ticket office at Perkins Hall every day next week from 2:30 till 4:00, and at Palmer on Thursday, October 30 from 9:00 to 11:00 a. m.

NOTICE!

No classes will be held from the end of the school day on Thursday, October 23, until 8 a. m. on Monday, October 27. This is following a Homecoming precedent which was set in pre-war days.

CC Delegates Going To I. R. C. Conference

The A. S. C. C. and the Colorado College Council on World Affairs will sponsor four delegates who will attend the annual Regional Conference of International Relations clubs, held October 31, and November 1, in Salt Lake City, Utah. Host of the conference is the University of Utah. The conference will be patterned after the United States Senate; discussions and committee meetings will be concerned with United States' participation in the United Nations. Delegates will be announced later.

Colorado College has been assigned committee reports; delegates will make full report of the conference in an all-school Assembly program to be held after their return.

'36 Willys coupe, in excellent condition. The little bus that Doris used to drive. For information, call 4572-R.

Sitting in Council

Because the Council operates efficiently and quietly, it seldom gets into the news, and little is heard of business transacted at its meetings. Because its members, devote themselves wholeheartedly to seeking the greatest good for the most students, they deserve to be known individually and as a group. They give their time unsparingly at weekly meetings, discussing matters of policy, expenditure, co-ordination of campus activities, etc., in order to benefit you as a student.

The TIGER hopes to give you a rounded, interesting readable report on the efforts that the Council is putting forth, rather than a dry review of the minutes of their meetings. For a starter, we outline two items from the agenda of October 20:

Highlighting Monday night's Student Council meeting was an address, to the guest class commissioners, by Student Body President John Hall, at which time he stressed the importance of this year's elected officers setting the precedent of developing their offices into active instead of honorary positions.

The council initiated first steps by placing into the hands of the Sophomore and Freshman commissioners the responsibility of organizing their classes for the Flag Rush Saturday morning. It was also suggested that the individual classes undertake definite action to aid the CC Endowment Drive instead of letting it fall onto the shoulders of the organizations on the campus.

The major portion of the meeting was taken up by an

Dr. Blakely to Speak On "Freedom of Man" At Tri-C, Sunday

Dr. William A. Blakely, head of C.C.'s Psychology department, will speak on "The Freedom of Man" at Tri-C Sunday evening, October 26, at 7:30. Tri-C meets weekly at this time in Gregg Library, 20 East St. Vrain Street. Discussions on the present economic situation by Dr. W. Lewis Abbott; on Bigotry, from an article by G. W. Allport, noted psychologist; and on gem stones by Dr. Richard M. Pearl, geologist; and a picnic at former Dean C. B. Hershey's have filled the agenda so far this year. Everyone is welcome to participate and to offer suggestions for future programs.

open discussion between Council and commissioners on the various campus problems.

Funds amounting to \$188 were appropriated for the Council on World Affairs to supplement the individual expenses of the four delegates who will represent CC at the convention of International Relations Clubs at Salt Lake City in November. Prior to approval, to determine the value to the student body of such an undertaking, Council members questioned Ann Epeneter, club president, who gave an explanation of the functions and future plans of the organization. These are outlined in an article on page 7.

Enthusiasm

The 1947 Homecoming and all-college reunion begins today. There will be hundreds of alumni of the college from as far back as the 1890's looking over the campus and making comparisons between then and now. In former years Colorado College was noted throughout the region for the spirit and enthusiasm shown by the student body. Let's show the alums that the school has not none of its previous will to win.

The Tiger Club and the Growlers Club are doing excellent jobs of furthering the general spirit at games. This week they are giving a lot of time to practicing a demonstration with the band. The Tigers are also selling cor-sages in the school colors. A vote of thanks is due the band, under Mr. Fundings-land, for all the time which they spend working on drills and playing at games.

The student body has the opportunity to show more than their usual interest in school spirit this week. Everyone should back the freshman football game at Penrose Stadium Friday night. On Saturday morning anyone who owns a car is urged to decorate it and drive it in the parade. Let's all get together to make this the biggest and best homecoming in the school's history.

Council on World Affairs

(Continued from page seven)

ranged. In an attempt to cut across all Departments and fields of interest in the College and in Colorado Springs, smaller groups will meet at more frequent intervals to discuss problems of particular interest to them. At this time, members of the Council are divided into three groups roughly parallel to the United Nations. These groups are: political, economic, and social. Other groups may be added if interest is shown.

It should be emphasized that the Council of World Affairs is not only an all-school function, but also of vital interest to townspeople. Colorado Springs townspeople are invited to attend and take part in the various group and Council activities. The aim of this organization is study and free discussion of all sides of any questions which may arise in the world today. The next program, the date to be announced later, will be concerned with the United States-sponsored Marshall Plan for the reconstruction

Music Notes

Bob Evett, a former Roy Harris protege, and Harry McClure, a recent CC grad, are continuing their music studies at the School of Creative Arts in Washington, D. C.

Penny Pappas, enrolled at the Juilliard School of Music, finds accompanying in Long Island, N. Y., great fun.

Also entering the fall term at Juilliard this year were: Joan Bass, Harriet Goodman, and Orville Cheek. Harriet was the only vocal student accepted for study with Queena Mario, former Met star, this summer.

and recovery of Europe.

Officers for the Council on World Affairs are: Anne Epener, president; Kenneth Brown, program chairman; Della Dunbar, secretary-treasurer; and Conrad Wilson, publicity director. Chairmen for the affiliated groups will be elected as these groups meet in the near future. It has been planned that these chairmen act as an executive board to help plan activities for the general Council meetings.

N. S. A.

(Continued from page seven)

the like; the cultural lives of the American college student.

2. Student Social Welfare. This panel discussed problems pertaining to orientation programs, the social life of the Independent student on the campus and improvements of Student Unions. They outlined what they thought was a "model" orientation program and suggested to the USNSA the encouragement of a well-rounded program of student activities.

3. Student Physical Welfare. This panel dealt with such questions as "How to secure adequate student health facilities; insure moderately-priced meals for students; improve student recreational opportunities and student physical training programs where they do not now exist.

4. Student rights. After discussion of what student rights are, what student responsibilities are, etc., this panel set up a "Student Bill of Right," as their report to the convention.

5. Academic freedom. One of the questions discussed by the panel was: "Should USNSA support the American Association of University Professors in its attempts to safeguard the teacher's freedom of research and freedom to teach the results of his research?"

6. Student - Faculty - Administration Relationships. This panel discussed how the student government can improve the relationships between the student body and the other two essential groups of the campus.

7. Student Housing. Can student governments and regional and atioal NSA help solve the housing difficulties of students? This is one of the really pressing problems of student life and if NSA could assist in solving it their success would be assured.

Probe Shows Veterans Unable to Live on Subsistence Allowance

LEXINGTON, Ky. (I.P.)

—The average Kentucky student veteran would have entered a college or university following discharge regardless of the existence of the GI Bill of Rights, but now finds he needs additional government aid of approximately \$35 to \$44 a month and favors a raise in subsistence payments.

This conclusion is indicated by statistical results of a survey conducted in Kentucky last April by Rep. W. Howes Meade (R-Ky) as a representative of the House veterans sub-committee.

Less than 10 per cent of the veterans in all schools studied are living entirely on the current monthly subsistence allowance of \$65 for single students and \$90 for married students, the survey indicated.

While the greatest number of veterans in all schools surveyed agreed on \$35 to \$44 as their average necessary monthly additional expenditure, statistics on University married veterans indicated this group considered \$75 and over as a nearer figure.

According to the survey, the average student veteran works 80 hours per month or more part-time and pays out \$90 to \$94 a month on the average in various expenditures. Married veterans at the University and other schools indicated their expenses average \$71 to \$75 per month higher than veterans as a whole, with U.K. married students listing an average monthly expenditure of \$165 or more.

8. Student part-time Employment and Vocational Information Service. If the administration does not operate

(Continued on Page Twelve)

Live Talk

By Joe Press

The followers of Benny Goodman will be pleased to hear that a new album of jazz has been rushed off the mater disc. Entitled "Benny Rides Again," it has many promises to be better than his previous works. In this he proves once again that he is still the greatest clarinetist of modern music. Benny puts in many good arrangements, starting from his 'Lazy River' right through 'Chicago.' With his duos and his quartets, he really puts one into the well-known groove. The album begins with BG on the 'stick' with only a piano accompanist, then through the remainder of the album, builds up until the entire organization is represented.

"Puttin' On the Ritz" features Tommy Romera filling in with drums while the clarinet and piano share the honors in the background. Beginning the last chorus, Goodman breaks into a fast tempo and ends the record with a smash finish. The piece is reminiscent of oldies by Krupa and Teddy Wilson.

"Benny's Boogie" is played by the quartet using the original twelve-bar rhythmic pattern of "Grand Slam." Intermittently, Harry Babsin puts out good bass work while Goodman plays at a relaxed tempo with hackneyed boogie.

A Goodman original, "The Banister Slide," a unison riff with the modern touch, introduces guitarist Al Hendrickson who seems to have the guitar 'down pat.' In "How High the Moon," trombonist Ray Sims takes the honors with a slow bounce. With Goodman and Hendrickson playing in unison, the disc turns out subtle and truly modern. Sims makes use of the chord changes featured in the thread of the melody.

Here is Goodman's answer to those who have said that the maestro is slipping. Perhaps these sides don't come up to the old combinations of Cootie, Auld, Christian and Willson with Krupa and Hamp. However the opinion turns out in your own ear, Benny is certainly riding high again.

Homecoming Parade Promises to be Most Colorful In Springs' History

The annual Homecoming Parade which takes place to-morrow morning promises to be one of the most colorful that the town has ever seen. It will form on the corner of Tejon and St. Vrain at 9:30 a. m., sharp. The line of march is: down Tejon to Cucharras, turn right to Cascade, march up Cascade to Bijou and disband. Heading the procession will be a police escort followed by a color guard. Directly behind this is the car in which the queen and her attendants will ride. The CC band, the cheer-leaders, the Tiger Club and the Growlers Club will march in formation behind the car. The students will complete that section of the parade. Next in order is the old carriage which will be followed by the floats in this order: Independent Men's, Beta Theta Pi, Kappa Sigma, Sigma Chi, Phi Gamma Delta, Phi Delta Theta, Independent Women's, Kappa Alpha Theta, Kappa Kappa Gamma, Delta Gamma, and Gamma Phi Beta.

The last part of the parade will be the students' decorated cars. To add to the color of the parade as many cars as possible should be decorated and lined up in the procession. Here's your chance, freshmen, to ride!

Contact Harry Hoth at Main 6759-NR to enter any additional floats or displays or to secure any other information regarding the parade.

Dependents' Subsistence

Veterans acquiring dependents after entering education training under Public Law 346 as single men should notify their regional VA office immediately so that adjustments can be made in their subsistence allowance.

Red Lantern to Hold Flag Rush at Stewart Field

It seems that the Freshman-Sophomore flag-rush this year will be an even match. If all the 282 Freshmen and all the 286 sophomores show up at 8:30 a. m. October 25th, Stewart Field will be none too large.

The procedure to be followed in the Frosh-Soph flag rush will go something like this: The Sophomore men will gather around a greased flag pole (which will be very greasy, we are told) to protect the banner. The Freshmen men will try to remove the flag within ten minutes. If the Freshmen succeed, they will be permitted to remove their dinks, cords and black sweaters; the women their green ribbons and paddles, on Thanksgiving Day. Otherwise the Freshmen will have to continue wearing them until Washington's Birthday. This event, under the auspices of the Red Lantern Club, should prove to be the most evenly matched in the history of Colorado College.

Kappa Sigma Pledges Wold

Kappa Sigma is proud to announce the pledging of Norman Wold of Maple, Minnesota.

New Radio Studio to be Housed in South Hall

Last week, Woodson Tyree announced that radio studio equipment has been ordered by the college. The new facilities will enable students to rehearse in the same manner as at a radio station. Programs will be produced at South Hall and will be transmitted by telephone wire to KRDO and KVOR.

The radio equipment, which

includes two turntables, two cutting arms and a control board was ordered by a committee including Mr. Howard Alson, Mr. John Fundingsland and Woodson Tyree. Advisers to the project were Mr. Joe Rohrer, technical director of KRDO, Mr. Charles Strang, engineer of KVOR and Mr. Everett Shoup, manager of KVOR.

Six programs produced by the Colorado College Radio Guild will be continued when the new studio is set up.

Probe Shows

(Continued from Page Eleven) a part-time employment center should student governments operate one? What can student governments do to help with Vocational Information Services?

These were the topics discussed in the panel on Student Government, and reports on each were submitted to the entire convention. The other two main panels will be discussed in later issues of the Tiger.

COLORADO COLLEGE, COLORADO SPRINGS, OCT. 31, 1947 NUMBER 7

Tonight CC Players Close Latin Classic

In 200 B. C. a man by name of Platus wrote a story of two brothers separated in childhood. It is studied in Latin classes as a classic. Another classic was derived from the original, "Comedy of Errors" by Shakespeare. Again, another classic is the reproduction from Platus' "Menaechmi" this time by the CC players entitled "The Twins."

It is a slap-stick variation of the original Roman comedy. In this sense "The Twins" is a success. Complete with footnotes by 'Prof.' Harvey Morrow, it runs through good dialogue. Mr. Woodson Tyree, the director, with Peggy Merle-Smith and Mary Schlosser as student directors, deserve applause for their efforts.

The story is built around two brothers Menaechmus No. 1 and Menaechmus No. 2 played by Pete Buchan and John Reeds respectively. Separated in childhood, they grew up in different lands. No. 1 sets out to find No. 2 in a town called Epidamnus in Greece. Of course as the play progresses, each is mistaken for the other. At the end, they are reunited and are proverbially happy.

In the cast are: Wes Brodley, the slave to No. 2, at his best; Donamarie Krause, playing Nol's mistress, is very good; the wife, by Carol Spiegel gives a good performance. Minor roles were played by: Tom Stoker, Pete Gileran, Jim Wischmeyer, Bob Birch, Carol Gabel, and Bob Fisher.

Dr. Worner to Address Synoptics

Dr. Lloyd Worner of the faculty will speak at the November 4th meeting of the Synoptic club. "Personal View of the Christian Religion" will be the topic of this talk and the discussion following. Any and all students are cordially invited to this meeting. Synoptic is in no way a closed group and inter-faith representation is encouraged.

Prexy, Council to Talk at Next Assembly on Fund and Amendment

Next Thursday at the all-College Assembly, President Davies will speak on the subject of the College Fund Drive. After he has outlined the Campaign plans, he will answer questions concerning the student's part in the Drive.

Following that the members of the Council will be introduced and the aims of the Council presented. The proposed First Amendment to the A.S.C.C. Constitution will be discussed.

After Assembly ballot boxes will be open for voting on the acceptance of the Amendment.

Proposed Amendment to Constitution

Under Art. 3, Sec. 9C, Sub-Section 1

The Student Council is empowered to act in collaboration with the Committee on Undergraduate Life as a body to hold hearings and to judge any individual, group of individuals, or organizations, who or which may be responsible for infraction of the established policy regarding the use of intoxicants. According to the following procedure:

1. Charges shall be in writing, and shall be presented to the Council by any member of the A.S.C.C., the faculty, and the Administrative Staff, or by any person acting as a chaperon at any college social function.

2. In arriving at the findings and recommendations on any case which is presented to it, the Council shall give full opportunity to any individual or individuals, or organization involved, to be heard in explanation or defense of the charges presented.

2a. The sponsor of any college social function shall be held responsible for the conduct of anyone present at the function.

2b. In any case it is CLEARLY a matter of an individual violation, the individual alone shall be held solely responsible.

2c. In a case where both the sponsor of a college social function and an individual or individuals, are at fault, both will be held responsible.

3. The findings of the Council and the disciplinary measures proposed shall be presented by the President and one other representative of Council to the Committee Undergraduate Life for review and approval, or modification.

4. Following approval of the recommendations of the Council by the Committee on Undergraduate Life, it shall be the duty of a joint committee of the Student Council and Committee on Undergraduate Life to execute the disciplinary action agreed upon.

I.R.C. Delegates Leave for Salt Lake

Five student delegates to the annual Regional Conference of International Relations Clubs left yesterday, October 30, to attend meetings today and Saturday in Salt Lake City, Utah. Arrangements were made with the delegation from Colorado University and the group representing Denver University to share a charter bus from Denver. C. C. delegates are: Miss Anne Epeneter, Miss Lillian Roque, Walter Layton, Kenneth Brown and Frank Kirby.

Colorado College representatives at the Salt Lake City conference will report to an all-school assembly upon their return. All students are urged to attend. At that time, details of organization for the Colorado College

Growlers Sponsoring Trip to Greeley For CC Rooters

Here it is the scoop on the Greeley game. The Growlers' Club is sponsoring either a special train or chartered buses to go up to the Colorado State game a week from Saturday. We have given the team a lot of support down here, let's go with them to Greeley.

Round trip will cost about \$3.25 a person. In order that you make your Saturday morning classes, transportation will not leave CC for Bear county until late morning. Watch the bulletin boards and next week's TIGER.

Council on World Affairs will be explained, and future pro-

(Continued on page two)

Preparations Begin for Fund Drive To Go Into High Gear in Two Weeks

West Hall will serve as headquarters for the 75th anniversary fund campaign. This campaign will be culminated at the celebration of the 75th anniversary of the college in 1949. Members of the endowment fund staff are as follows: President Thurston J. Davies, General Chairman; Dr. Benjamin M. Rastall, '01, Technical Advisor; Mr. George A. Allebrand, '09, Colorado

Chairman; Mr. Harry Watson, '42, Publicity Chairman; Miss Lorena Berger, Coordinator. The staff has been working several weeks on preparations for the drive which will start with the Colorado Springs effort on November 12.

Sunday, November 2, at 1:00 p.m., members of the Student Council of ASCC will have dinner with the fund campaign staff members at the Acacia hotel to discuss plans for under-graduate participation.

In connection with the drive, members of the Student Council conducted tours of the campus for members of Colorado Springs service clubs who were entertained by the College at the Cossitt cafeteria during the week of October 13.

Active publicity on the CC endowment campaign will begin within two weeks. The future of the college hinges on the success of the campaign, and one of the factors in the success is the publicity it receives. Faculty and students can help make the publicity more effective, in three ways:

1. Suggestions or ideas for stories on any phase of college life are welcome. Phone Ext. 25 or drop a note in Box 20, Cutler Hall.

2. All stories for publication originating with individuals or groups should be checked with the P. R. office before they are released. The schedule of release dates can be coordinated in this way, and the P. R. office can furnish names of all news agencies to which the story should go.

3. Stories should also be checked with the P. R. office before release because a particular story may have possibilities for further development or a different treatment, to make it more effective in both the fund campaign publicity or general college publicity.

Ed Note: P.R.—Public Relations.

C-Club to Hold Weekly Meeting Tues. Evening

Glenn Blagg, C-Club president, has requested all C-Club members to attend the special meeting to be held Tuesday evening at 7:00 p.m., at the C-Club Room in Cossitt Hall. Important business will be discussed and pictures will be taken at this time.

All men who have earned a letter in any sport at Colorado College are entitled to membership in the C-Club.

All School Informal At Cossitt Tonight

Tonight Cossitt will blossom forth with the traditional black and orange of Halloween and whatever ghosts, witches, etc. that can be induced in. This is to be an all-school informal affair. Wear what you will, whether it be dungarees, slacks, costume; even ordinary clothes.

This Halloween Hop is sponsored by the IMA. Refreshments and entertainment are all included in the initial twenty-five cents (plus tax) admission charge. Stag or drag, come on down tonight; a good time is in the offing. There will be recorded music for dancing.

Chaperons for the dance are Mr. and Mrs. Boucher and Mr. and Mrs. Jackson.

Homecoming the Best In College's History

The 1947 Homecoming which ended last Sunday was one of the most successful in the history of the college. The student activities ended with the game Saturday; however many students were present at the alumni dance held Saturday night.

The student Homecoming dance was held Friday night in the Hawaiian Village. Joyce Seagrist was crowned queen and her attendants were Sue Anderson and B. J. Hanger. Norm Nestlerode was in charge of the committee which decorated the ballroom in black and orange crepe paper. Music was provided by Bill Geisler and his orchestra.

The awards for the house decorations were announced at the dance. Kappa Sigma took first place and the Sigma Chi took second.

During the half time of the football game the winning floats were driven around the field. In the men's division it was the Independents followed by Sigma Chi. The Kappa Alpha Theta sorority made the outstanding float in the women's division and Gamma Phi Beta placed second.

A colorful demonstration was given by the combined Tigers and Growlers with the CC band. Their marching was followed by a drill given by the Mines band.

Much of the success of this Homecoming should be credited to Harry Hoth, the student Homecoming chairman, and to the committees which worked under him.

Issued each week during the academic year.

And Another Thing

Bob Udick

It was far sighted of the freshmen who decided that ignoring the freshman uniforms following the frosh-soph fight would be an unintelligent move.

Such a violation of tradition and frosh regulations would not only have produced an unpleasant relationship between upper classmen and the frosh, but would have given the class of '51 no more than momentary satisfaction.

You ladies and gentlemen of the freshman class wear uniforms that remind you, and announce to other members of the campus, that you are a member of the class of '51, an organization you should be very proud of.

It is conceivable that without frosh regulations you would not now have a class spirit that will be important to you throughout your college life and as alumni. It is conceivable you would not even know half as many of your classmates as you now do.

You freshmen faced the choice of determining whether your efforts for the remainder of the year would be directed toward promotion of more and better school spirit and doing your bit toward something to be proud of, or bucking tradition and the upperclassmen, destroying the healthy interclass spirit that has graced the campus this year and ultimately detracting from your own prestige.

At the moment it should be a privilege to wear the uniform that labels the members of the class of '51 as "those who belong." Any Frosh who thinks he or she is smart in not wearing the prescribed regalia during the prescribed hours is to be pitied . . . his or her vanity may tell them that they 'are above such stuff,' the truth will out that their selfish attitude makes them unworthy of 'belonging.'

The Ice Man Cometh

Bill Murray

This week we had a speaker in chapel who was very much pressed for time. It is not my purpose to discuss the merits of the speaker at this time. Although most of us will agree that her material was good, a typical comment was "So what?" We've heard the story of others' needs all through the war. It's gotten pretty monotonous. Everyone wants to rest. However, for some there is still the drive that says "Look, we've enough to eat, we're warm, our classrooms may not be the best, but certainly they're adequate while the rest of the world is not in half as good condition. How can we help?"

You CAN help now if you care. The town of Colorado Springs with the cooperation of many civic groups, masonic organizations, clubs and women's groups is mobilizing its every effort to push the Emergency Clothing Drive of Church World Service (this is an inter-denominational group). "Oh, oh," you say, "there they go hitting us again." Yes, you're being asked with the rest of the town, state and country to do your part as a citizen of the world.

Skirts, shorts, felt hats, caps, shoes, cloth scraps, bedding, any material at all that you have that is not being used should be given to this drive. Think! Aren't there some things you have that you really don't need? Find them and put them immediately into the boxes around campus for that purpose.

Your cloths must get to Asia and Europe before winter sets in. This may prove to be the hardest winter in the history of the world. Put forth some effort and even a little sacrifice. CC must help our country show the nations of the world that we practice what we preach.

CC Awarded Plaque by U. S. Navy For V-12 Program During War

An announcement of one award by the U. S. Navy to Colorado College and of two other new student awards was made Tuesday at the weekly service in Shove Memorial Chapel by President Thurston J. Davies. In recognition of the service rendered by Colorado College as a V-12 school during the war years, a plaque was presented to President Davies by Captain C. A. Fines, professor of naval science at the University of Colorado, who represented Rear Admiral D. B. Beary, Commandant of the Twelfth Naval District.

"The good which men do is usually interred with their bones," Captain Fines said. "These plaques are an attempt by the navy to undo this wrong. The contributions of Colorado College and its staff during the upheaval of the war years was tremendous. May this plaque serve not only as a reminder of the service to the country, but also as a reminder of the horrors of war, that students may continue to learn in order to influence peace throughout the world."

After accepting the plaque, President Davies announced two new student awards in memory of two former CC men killed in action, the Lewis Martin Miller Sophomore Scholarship prize and the Joe Biggs award. The recipient of the Miller Prize was William S. Glidden of Colorado Springs, Class of 1950, and the winner of the Biggs athletic award will be announced soon after the opening of the second semester.

Dr. Gabriel to Speak This Sunday at Tri-C

Dr. Hugo Gabriel, professor of German at Colorado College, will present the "Highlights of American and German Education" at Tri-C, 20 E. St. Vrain, on Sunday, November 2, at 7:15 p. m. Before coming to Colorado College, Dr. Gabriel taught in other school systems in the United States as well as in Germany; therefore his varied background should provide basis for a stimulating informal discussion. The meeting will end with refreshments, and is open to anyone interested.

I.R.C. Conference

(Continued from page one)

grams and group activities will be announced.

Participation of student representatives in this year's conference is the first of a series of activities of interest to all students and friends of the college. Arrangements were made possible through the cooperation of the A.S. C.C. The Council on World Affairs has been organized to inspire awareness and frank discussion of world problems among students, faculty, and townspeople.

How Long Is a Second?

SOMETIMES IT'S 3 2/3 YEARS! One second is not always one-sixtieth of a minute—not in telephone mathematics. Suppose, for example, you find a new method that clips just one second off the time it takes to process a toll ticket. Apply that saving to the 15,000,000 toll tickets handled monthly throughout the Bell System and the time saved every thirty days equals 3 2/3 years!

In the telephone business there is always a new challenge for men with ideas, for even long-established methods of operation are never considered beyond improvement.

The Mountain States Telephone & Telegraph Co.

Mines Frosh Meet Tiger Cubs Today

Coach Fritz Minuth's freshman Tigers emerged victorious over the Camp Carson Mountaineers last Friday night at Penrose Stadium by a score of 31-0. The yearlings came out of the contest intact and with an excellent showing against a larger team. The Cubs will certainly be the best sophomore material for the varsity next year that the Tigers have had.

Monday night the Tiger Cubs started preparations for their game with the Colorado School of Mines Freshmen, to be played this afternoon at Golden. Quarterback Dwight Brothers' passing and signal calling has been excellent and he will see a great deal of action in remaining games.

THE Couples Column

Sunday, October 19th, the day being no less than perfect, the CC Wives held their couples picnic at Lazy Land, Austin Bluffs. There was transportation for all, lots of coke, beer and food galore—even playpens, baby carriages, two cocker spaniels, Mandy and Jill, animated infants and children, cameras and a lively baseball game, Jack O'Briens team managed to trounce Jack Daly's team by the score of 19 to 9. Kitty Beattie, out of the hospital but a few weeks, romped through right field like a veteran while husband Herb pitched with finesse. Doug Platt and son,

Doug, Jr., played on the winning team as wife Lois grieved on the losing side. It was all for fun and fun for all and those who missed it overlooked a good time.

Don't forget the CC Wives baby sitting service for faculty and students. Call Main 5741 NR for someone to tend your child. The TIGER Editor has consented to let the couples announce through this column anything they want to buy, sell or exchange. An item for sale by one couple is an Underwood portable typewriter. It's new and in perfect condition. If you want to peddle or purchase call Main 7798-R.

Next Wednesday's meeting of the CC Wives will hold a surprise program. Margaret Chapman will also be on hand with bridge lessons, so don't fail to attend. The Wives are hoping for a 100 per cent membership!

Synoptic Club Sponsors Campus Clothing Drive

The students of Colorado College are being given the opportunity to cooperate with the Colorado Springs community in a drive for clothing to be sent to the needy in Europe and Asia. The campaign, sponsored on the campus by the Synoptic Club, is set for the first week in November.

Several students will canvass the dorms and halls to encourage the ferreting out of possible contributions, and boxes for receiving the clothing will be placed in Lennox House and Bemis Hall. Be on the lookout for the canvasser in your dorm and have ready for him or her that pair of corduroys far too outgrown for decency, or that skirt or dress too short to be let out to a fashionable length. And don't forget sweaters, socks, gloves, mittens, jackets, coats, shoes—anything.

The need is urgent in war-devastated countries, and any warm, serviceable clothing we can give will be deeply appreciated by these people who have so little.

Kappa Sigs Still In Football Lead

The Kappa Sigma intramural football team continued to keep a tight hold on their lead last Wednesday as they won from the Phi Gams by a score of 19-0.

Charlie Pradt did the pitching for the Kappa Sigs as his team remained the only unbeaten seven in IM play this year. Fields drew first blood for the winners as he snagged a pass from Pradt in the early minutes of play and dashed into the end zone for six. The extra point was good by virtue of another pass, Pradt to Biega. Then Pradt found Rice for the Kappa Sigs second TD. The last pass, a long heave from Pradt to Yeonopolus was good for a touchdown and a 19-0 victory over the Fijis.

Thursday, October 23, the Sigma Chis chalked up their third victory of the season as they defeated the Betas by a 14-0 count. Perkins opened the Sigs scoring as he slipped over from the one-yard line, Scott pitched to Aggson for the extra point. The second Sig touchdown came in the second half when Ed Scott tossed a long pass to Perkins in the end zone, the extra point was again good, Scott to Aggson. The final score Sigma Chi 14, Betas 0.

Tuesday afternoon of this week the Phi Gams played their final game, winning from the Independents, 31-2.

Kappa Sig Dance Tomorrow Night

Kappa Sigma will have a "Skunk Hollow Shuffle" dance at their house Saturday. Costumes will be of a definitely rural motif and efforts will be made to be the most unusual one at the dance. The dance will be at 9:00 o'clock and it will last till twelve. Earthquake McGoon Burnett and Big Barnsmell Stoker will plan to be stellar attractions. Only four shoes and three old socks have been dropped into the Kickapoo Joy Juice so far.

AWS Reorganizes Service Committee

Monday evening Marion Crowder and Shirley Sheffner visited the Independents and the sorority houses and urged the various members to do their part in the AWS relief to Europe program. Sending packages and money to CARE, along with discarded, but good warm clothing, soap and food, will be the main projects undertaken. The Service committee of AWS has a reserve fund to clean and mend clothing turned in. Each sorority has now a representative on the service committee. Also a correspondence plan whereby CC groups will write to foreign families is now in effect. The plan as it stands now is for each sorority to adopt a needy family abroad and send food and clothing to help them survive the cold winter months. Shirley Sheffner and Joan Lew, are the heads of the new Service committee.

Women to Vote on Intra-Mural Sports

A special committee has been appointed by the WAA board to set up an intra-mural sports program for women. The games that will be played are to be non-competitive and are to be played strictly for fun. Special periods will be arranged, during which any person will be able to participate in the sport going on. It is to be stressed that teams may consist of anyone. In other words any woman attending CC may be a member of a team. No practices will be required, in order to play on a team. Regardless of skill, class, age, or otherwise you will be able to go out and have a good time!

These intra-mural games will not interfere with competitive sports, but they will be run in addition to them. The sports to be offered are basketball, volleyball, possibly swimming, baseball, and plans are underway for a track day.

A poll will be taken on Monday, the 4th of November, and Tuesday, the 5th, in Palmer, from 11:00 until 2:00. All women students are urged to vote. This poll will determine the program to be set up.

Beta Theta Pi P-J Dance Soon

Beta Theta Pi will have its annual Pajama dance this year November 11, from 9-12. Appropriate boudoir apparel will be in order.

It Says Here --

By D. A. Stroup

It must have been a busy week-end. No one even had time to get pinned.

But novelty like this is always welcomed around the campus.

The Freshman-Sophomore antagonism seemed to be foremost in the limelight. The Sophomores said the local climb was really a lovely sight Friday afternoon, but the Freshmen seemed to enjoy the presence of Emil Enstrom in that same location. In fact, as rumor has it, there were quite a few little underhanded actions underway. . . . False Jonny Lesman, who put a green ribbon on, and went forth to give some of the Freshmen a sob story about her date being in the clink and would they please help her get him out. The Freshmen spent Friday evening in the clink.

Perhaps the "ungodly hour" pep rally was the main cause which produced the dreamy, glazed effect found present all week-end. Perhaps.

Such things as the following might have happened, although there is a possibility that people just dreamed them:

People sitting around Cossett Gym with one eye open—most of them weren't winking, just trying to sleep and being afraid they might miss something—some people even dancing or doing a sort of semi-trot, which might have been dancing or might not. . . . best example of said exhibition: Jane Pollock and Kenny Poland. . . . Co-co Woodson

McGregor Open House This Sunday

Sunday night from 7:30 to 10:00, McGregor Hall is having an open house. Mr. and Mrs. Ericson are the chaperons and Dean Fauteaux is the guest of honor. Refreshments will be served and there will be dancing. Everyone is invited to attend!

with six do-nuts in one hand. She ate them all. . . . an enormous "M" blazing on the football field Friday night when the Freshmen patrol which had been patrolling all week, wasn't patrolling. . . . a camera with a man in back of it, flashing blinding lights at everybody and everything all week-end. . . . John Mulkey at the football game with a small cat. . . . what people won't take out these days. . . . Hawk Mill's "Let's grow a mustache" project, which has been underway the past week. . . . great hordes of alumni upon whose necks everyone fell with great gales of tears and laughter. . . . the undesirable presence of a certain fifth columnist in this paper, who seems to have a great affinity for making statements on information obtained from false sources—himself, that is.

But then, as I said before, maybe it was all a dream.

Across From Campus

Music Club Announces Newly Formed Plans

Plans for the Music Workshop have been announced by the music department. The Music Workshop is primarily the students' music club of Colorado College. It's success depends on each and every student interested in either vocal or instrumental music, or who simply has an appreciation for it. It's purpose is to correlate music with the other arts through the contributions of the students' time and talents. No written invitations will be issued for membership, for the music departments wants all interested students to come voluntarily. The meetings are held in the Carnegie Room, second floor of Perkins Hall, the first and third Fridays of every month at 4:30 p. m.

This year's officers are: Pres. James Erb, Vice-pres. Carol Welty, and Sec'y-Treas. Dorcas Reed. The program on November 7th will feature Dr. Lloyd Worner, Professor of History, who will talk on the "Artists Place in Society."

Tigers Clash with Fort Hays in Attempt to Gain Fourth Win

Kuzma May Return to Lineup

Coach Ben Douglas' Tiger gridgers turned out this week to begin practice sessions in preparation for the Fort Hays, Kansas State game to be played Saturday at Hays, Kansas. This will be the second game played away from home this year for the CC squad. Coaches Goodnight and Douglas still are not entirely satisfied with the defensive play after last Saturday's comeback against Colo. School of Mines. There were no disabling injuries incurred in the 35-12 victory over the 49-game rival.

There is a slight possibility that center Leo Kuzma, who has had his knee in a cast since the Grinnell game, will be able to see some action in the Fort Hays game, but Coach Goodnight is not getting his hopes too high for the return of Kuzma to the CC line-up. The Tigers are not over-confident concerning Saturday's game, as they will be meeting a tough team. Fort Hays has a record of

one defeat in six starts. Joe Jelison, captain and tackle, Paul Andree, center, and Rex Maxmiller, quarterback, were all-conference for Fort Hays last year.

In Monday's scrimmage the Tigers showed a marked improvement in all departments. Line Coach Goodnight is stressing tackling again this week. The tackling was better in the Mines game but hasn't reached the point that Goodnight and Douglas are striving for. It looks as if the Tigers will line up about the same way for Fort Hays as they did against Mines. After working all season to find the right combination, it appears that Douglas has found one that clicks.

As a result of the Mines game, it is likely that CC will drop in their national rating. The kicking of Hal Franch, quarterback, wasn't up to standard. The pass defense of the Tigers also slipped.

Frosh Roll Carson Gridders, 31-0

The C.C. Frosh came through in sterling fashion last Friday night as they routed a big Camp Carson eleven 31 to 0 at Penrose Stadium.

The yearlings completely outplayed their opponents and displayed the finest brand of football to be witnessed by Tiger fans this season.

The first Frosh score occurred early in the opening quarter as Chuck Stoddard carried over from the four yard line to score standing up. In the same period, Dwight Brothers unleashed a long pass to Hawk Mills beyond the goal line as the Tigers went out front 12-0.

The second quarter featured a kicking duel between Brothers and Carson's Bob Williams. Brothers' punts averaged 35.2 yards all evening.

A Brothers to Miller aerial provided for the third Frosh tally in the third quarter and Pat Killen converted.

The Tigers were not to be stopped yet and in the final period Joe Holmes rounded left end to hit pay dirt standing up. The final Frosh tally was made by Chuck "Flash" Stoddard as he broke through tackle displaying some excellent broken-field running, and crossed the goal to make the score C.C. Freshmen—31; Camp Carson—0.

The entire Freshman eleven played magnificently, but Dwight Brothers proved to be the "big gun" with his excellent passing, punting, and running. Gary Lewis, Chuck Stoddard, Steve Dunda, and Joe Holmes also staged brilliant performances in the decisive victory.

Tigers Take Mines 35-12 In Fast Homecoming Game

The CC Tigers got back on the win side of the records Saturday, October 25, as they trounced the Colorado School of Mines, 35-12, before a homecoming crowd of 6,000. Throwing a fury of hard running backs and a fast charging line against the Miners, the Tigers scored shortly after the opening gun. Climaxing an 83-yard drive, Bob Pringle carried the pigskin from the Miners' 24-yard line for the first tally of the day. Seconds later Fryer snagged a fumble of Bob Kingry's in mid-air and galloped 36 yards for another CC score. Later in the first period the Miners made it 13-6 as they sent Yarborough over from the one-yard line after an extensive drive that started on their 35.

Waters struck back in the second period with an 85-yard run for a touchdown only to have it called back on a supposed clipping penalty. Three plays later Hal Franch's kick rolled out of bounds on the Miners' three yard line, setting the stage for a safety which occurred a short time later when Walker attempted to skirt his left end. Just before the half ended, Roper received a Pringle pass in the end zone for the third Tiger touchdown, making the half score read Tigers 22, Miners 6.

The Tigers kicked off to the Miners in the third quarter, and after an exchange of punts the Tigers were again in scoring position on the 7-yard line. This time it was Waters going over, for the fourth tally. Again the Tigers kicked off, and after two plays Phipp, a reserve back, found a hole over his left guard, evaded a would-be tackler and went the remaining 89 yards for the Miners' second and final score of the day. This gave Phipp a good yardage average, since it was the only time he carried the ball that afternoon. The Tigers made their final score after a long drive which ended with Fryer going over from the one-yard line.

Dick Pfeiffer Sets New Cross Country Record

Dick Pfeiffer, of Phi Delta Theta, set a new record as he streaked around the cross country course between halves of the Homecoming game, in 15.4 minutes. The old record was 15.64 minutes, which has stood untouched since 1933.

The Kappa Sigs took team honors, however, as Mike Bigga, Glenn Coleman, Lee Schlessman and Charlie Neal took 7th, 8th, 10th and 13th respectively. The Betas placed second in the team division with the Sigma Chis coming in third.

Individual honors went to Dick Pfeiffer, Phi Deltas, first; Gene Albo, also of the Phi Deltas, second and Hank Loomis of Beta Theta Pi, third.

Statistically the Tigers were ahead of the Miners in every department with the exception of fumbles. CC rolled up a total of 411 yards which resulted in 15 first downs, as compared to 209 yards for the Miners, good for 5 first downs. French's punting average, which stood at 41.3 yards, the fifteenth best in the nation, took a drop as he averaged only 34.1 yards last Saturday. The Tigers' pass defense record of 25.3 yards yield per game was little the worse for wear as they gave up but 35 yards to the boys from Golden.

This win gave the Tigers a 2-0 record for conference play, and put them at the top of the Rocky Mountain Conference. Regardless of their outcome with Greeley they are the 1947-48 champions.

Ski Club Opens New Season This Sunday

The Ptarmigan Ski Club, official ski club of Colorado College, will make its first outing of the season to Glen Cove Sunday, Bob Webb, club president announced here Wednesday. Transportation will be provided in the form of the school bus and car pool with all vehicles leaving Cutler Hall at 8:00 a. m. Due to the large number of members comprising the club it was also announced that those utilizing the available transportation first will make the trip. Late comers will necessarily be left because of a lack of space. Tickets are available in the treasurer's office.

Tow to be Working

Although there has been no confirmation of the report that the ski tow will be working it is reasonably certain it will be in operation for the outing. The Glen Cove tow is a rope tow approximately 700 feet in length. The practice slope has not been equipped with a tow as yet.

According to reports of CC skiers who have taken advantage of early season conditions, Glen Cove is in good shape with several feet of snow covering the slope. The practice slope, which is of a gentler grade is also in good condition for those who feel they are in the beginning class.

Second Meeting Wednesday

They will hold their second meeting Wednesday, November 5 at 7:30 in South Hall. Plans will be discussed for the Thanksgiving trip, and the future ski meets. Equipment will be shown which will be available to members at a lower rate and they will be able to place their orders there. D. A. Stroup, newly elected Secretary, announced the membership is now approximately one hundred and sixty five.

FOUND

Small red zipper purse. Contents expendable. Call at the secretary's office in Cutler hall.

Here's Where Your Money Goes

Out of each student's tuition \$9.50 goes into the A. S. C. C. treasury to be prorated for the activities of the various student organizations, excluding fraternities and sororities. The major portion of this eleven thousand dollars for the year's budget goes to the TIGER, the Nugget and especially the band, which was in dire need for instruments and new uniforms. Budgeting runs as follows:

A. W. S.—\$760.

Band—\$1,150.

C-Club—\$100 and a \$400 loan for new furniture for the club room.

Council on World Affairs (which was formerly the history club)—\$188.

General Enthusiasm—\$300.

Growlers—\$450 of which \$175 is to be used for fire crackers.

Independent men—\$270.

Independent women—\$225.

Nugget—\$4.25 from each student.

Ptarmigan Ski Club—\$110.

Red Lantern—\$40.

Student Christian Association—\$92.

Tiger Club—\$105.

Tiger—\$1.35 per student.

W. A. A.—\$359.

After these budgets, the auditors and comptrollers expenses are deducted, and the remainder is used for social functions, social donations and general expenses by A. S. C. C.

Music Department In New Radio Show

Members of the Colorado College Music Department will have a fine opportunity to display their wares for the criticism and enjoyment of all in the College's new, weekly radio show called, "Thursday Afternoon at Five o'Clock."

The program has been whipped into shape by S. T. Vecchione and Bob Jordon under the guidance of Wood-

Cossitt to Serve One Meal Sundays

Beginning Sunday, December 1st, Cossitt cafeteria will serve only one meal on Sunday which will be served at noon from 12 to 1:00.

Remember the cafeteria is opened between meals for that morning and afternoon cup of coffee.

son Tyree, who pilots the CC Radio Guild.

Packard on Council As Wagoner Resigns

Jim Wagoner's resignation from the Student Council last Monday afternoon brought about the election Monday evening of Bob Packard as the Phi Gam member.

Bob, on his second year of a pre-med course, lists Denver as his home. He is an active Growler and quite active in other campus activities.

IT COMES IN HERE—AND GOES OUT THERE. The chart shows where Colorado College gets its money and how it spends it. Altho the books balance, CC hasn't the money to pay for new buildings and increased endowment, which must come from the \$1,500,000 75th Anniversary campaign starting November 12. A men's dormitory will cost \$450,000, a women's dormitory \$400,000, \$300,000 will go into renovation of the academic plant and \$350,000 is allocated to general endowment, including faculty salary increases.

No Busses For CC Students Saturday

Most of the students and fans of the football team are making the trip to Greeley by car. This has forced the cancellation of the train which was to take the team, band and supporters to the game. The football squad, band and cheerleaders are now forced to use the busses that had been allocated for the CC fans.

Regret was expressed that this situation has come about. Bill Pfeiffer, Growler president, is attempting to arrange for some means of transportation so that all students who want to make the game will be able to. There is a slight possibility that the bus company will be able to supply one bus. Those who have purchased a ticket for the trip or who have expressed a desire to buy one will be notified of the developments.

Prof. Gould to Speak At Tri-C Sunday

At 7:15 this Sunday evening, November 8, Professor Don B. Gould will discuss the "Geology of the Pikes Peak Region" at Tri-C, 20 E. St. Vrain. After Mr. Gould's talk there will be an informal question and answer period. The meeting will close with the serving of cider and donuts.

Treasurer's office figures for 1946-47 show a total budget of \$970,000, of which \$358,000 came from tuition, \$72,000 from endowment, \$60,000 from summer school, \$37,000 from gifts, grants, etc., \$185,000 from operation of the women's residence halls, \$165,000 from operation of the student union, bookstore, infirmary, faculty homes and apartments, Cossitt cafeteria, etc., \$50,000 from athletics and \$43,000 from the retirement allowance, scholarships and student aid program.

On the debit side, the college laid out \$243,000 for instruction, \$101,000 for plant operation, \$94,000 for administration, \$23,000 for Corman library, \$15,000 for general expenses, \$167,000 for operation of women's residence halls, \$169,000 for the student union, infirmary, etc., \$64,000 for athletics, \$43,000 for the retirement fund, scholarships, etc., and \$51,000 for net income.

Amendment Passed

According to a last-minute report to the TIGER, the First Amendment to the Constitution was passed by the student body, 494 to 16, in a total vote of 510.

Heads Pledge \$14,000 To Endowment Fund

Workers in the, Colorado College endowment campaign have literally convinced themselves that it's a pretty good thing.

Thirty minutes after pledge cards had been received from the printer, and three weeks before the campaign got underway, seven key officials in fund drive headquarters had subscribed a total of \$14,775.

They included Thurston Davies, CC president and general chairman of the drive; Dr. Ben Rastall, technical adviser; George Allebrand, Colorado chairman; Lorena Berger, coordinator; Thomas H. Rawles, college treasurer; Harry Watson, publicity manager, and Mrs. Cladys Bueler, secretary to President Davies.

Deadline for Pre-Med Aptitude Test Nov. 15

All students who expect to enter medical school in 1948 are required to take the Professional Aptitude Test of the Association of American Medical Colleges, which will be given February 2, 1948. It is important to note that the deadline for making application to take the test is noon of November 15.

Students interested may obtain further information about the Test from their major advisors.

All applicants must register with Professor Frank A. Krutze at Hayes House before noon of November 15.

Debaters Back From IRC Convention To Present Reports at Assembly

Approximately two hundred delegates from Colorado, Utah and Wyoming attended the annual Rocky Mountain Regional Conference of International Relations Clubs in Salt Lake City, on October 31 and November 1st. Colorado College's Council on World Affairs sent Kenneth Brown, Anne Epeneter, Frank Kirby, and Walter Layton to the conference. The Student Council appropriated the money for sending these delegates with the stipulation that they report on the workings of the conference at an assembly.

The conference passed numerous resolutions including the standardization forms in the western hemisphere, a conciliatory policy towards Peronistic Argentina in deference to western hemisphere defense, and continued support for the International Trade Organization which is engaged in reciprocal tariff agreements. The conference was not in harmony with the Truman Doctrine when it voted that aid to Greece and Turkey should not be of a military character nor should it be administered through the U. S. alone but through the United Nations.

The conference itself was a maze of major committees, subcommittees, parliamentary procedures, introductions, and numerous speeches. The subcommittees first formulated resolutions on the questions assigned. These were then approved by a configuration of subcommittees which constituted a major committee. The chairman of the major committee introduced the resolution to the whole conference. There were seven major committees grouped under the general headings: the Far East, the Near East, Economic Problems, etc. There were fourteen subcommittees which considered such questions as: Should the U. S. extend to Europe the funds which they have requested under the Marshall Plan, etc.?

The delegates attended three dinners during the conference. They heard Dr. Eugene Staley talk on prosperity in a country and the relationship thereof to the other nations in the world. Dr. O. Meredith Wilson contended that security is indivisible and that either the whole world was secure or it wasn't, and would perish.

The CC delegation agreed that the conference was quite interesting and informative. It is now the job of the delegation and of the Council of World Affairs to instill some sort of enthusiasm and interest in the problems of the world into the student body that they too may join in the world campaign for peace.

Greeley Student Prexy Invites CC Students To Their Homecoming

I am writing to issue the student body of Colorado College an invitation to our Homecoming celebration this week end and especially to the gridiron battle between our schools at 2:00 p. m. at Jackson Field.

You will be admitted upon presentation of your activity book. The gate for CC will be the northernmost gate on the west side of the stadium.

Our Homecoming Dance will be held Saturday night in the Student Union ballroom. It is our hope that many CC students can make the trip and help us celebrate our Homecoming.

Sincerely yours,
Fred H. Claudon,
President,
Associated Students.

Most V. A. Checks Sent, Rest Wait for Addresses

The Veterans Administration announced that subsistence payments for more than 20,000 veterans attending school in Colorado under the G-1 Bill have been mailed and should have been received on or about November 1.

Of the 10,000 additional student veterans entitled to government subsistence, at least 90 per cent will receive checks during the first half of November, A. D. Borden, regional manager for Colorado, said.

Premature inquiries will only delay processing, veterans were told. They were urged to take no action at present as V. A. representatives will visit each campus in the state the second week in November to assist unpaid students in clearing their claims. Veterans who transferred to Colorado schools from other states are advised to check with the V. A. regional offices where their records were formerly on file, to be certain that the proper transfers have been completed.

The bugaboo of faulty addresses was creating delay for some 15 per cent of all registered veterans, many of whom had moved and failed to notify the Veterans Administration of their change in home address. If your check does not arrive, check your own records carefully to be certain that you have turned in correct and necessary information, Borden advised veterans.

Issued each week during the academic year.

REACTION TO INFRACTION

Dear Editor:

It is very interesting to note that the Chapel speaker a week ago Tuesday mentioned in passing the peculiar malady of the "sleepwalker" (a condition of heedless and blissful ignorance of the serious situation which confronts all of us today), for this is a malady which seems to be very prevalent on this campus.

One symptom of this malady is the fact that 27 out of 30 students, when asked to give an intelligent description of their reaction to the Marshall Plan, which has been holding national and international attention for the past several months, were unable to do so, for most of them had not even heard of it. Another is the fact that there are probably very few students who were present at the Chapel Tuesday morning who have any conception of the points which were made by the speaker because they were too busy reading newspapers and books, or sleeping.

While I, personally, am not in agreement with the idea of compulsory Chapel attendance, it does seem to me that the least the student body could do would be to exercise a minimum of thoughtful consideration toward those who have agreed to give freely of their time to deliver an address here at CC. And who knows, the individual students might just possibly derive something beneficial from this minuscule act of courtesy!

The Dean of the Chapel is to be congratulated for his vision in arranging the talk on Tuesday morning which contrasted so strongly with the previous addresses as to ideas which could be practically applied to the problems of the national and international scenes.

What this group of young men and women seems to need are more speakers with dynamic contributions to make the students sit up and take notice of the world about them, even if the only result is the cry: "Communist!"

Bill Davis.

ACTION WITHOUT TRACTION

Dear Editor,

I wrote a letter to the editor two weeks ago that stirred some comments, but thus far, no action. In it, I accused the college as a whole of taking a negative attitude toward making the student a thinking, responsible being. Due to limitations of space, I was forced to take a negative approach, and so rather than fall victim to my own line of reasoning, here is this writer's positive approach to the problem.

There has to be some centralized group composed of representatives from the students, faculty, and administration. At present the Student Council harangues about social activities, while the Committee on Undergraduate Life is toiling over preventing the student from drinking, telling him when his conduct is bad enough to deserve expulsion, and similar purely negative activities. Therefore, the first step forward would be to form a central group from leaders in the Student Council and join them with the Undergraduate Committee. First, it could make a list of the present organizations on the campus and see how these groups could be strengthened or made more appealing and effective. Secondly, it could see what new groups could be formed in different fields of student interest. Thirdly, it could encourage and find meeting places for new groups that wished to form. Fourthly, it would meet regularly with the heads of these groups, try to integrate all, help each group, and stimulate student responsibility and interest in these extra-curricular groups.

A second big step forward would be the elimination of the banal manner of the school elections procedure.

The last point I have to make is that of giving the incoming student the correct attitude before he arrives. It is the duty of the Administration to have their college circulars to prospective students stress the fact that the student is expected to take responsibility and interest in at least one constructive outside campus activity.

These are only three beginning steps and there are doubtless many more that others can think of (if they wish to). However, these are basic to making students aware of responsibility and forcing them to think outside of their own restricted personal sphere. And this is the type of thinking we need if we are to become useful citizens and not just social delinquents who don't know what's happening in the nation and can't help prevent another catastrophe. These ideas are nothing new, but merely practical methods that are in use and working at other Liberal Arts Colleges. And to make these ideas work, it will take some action, now, by the students, by the faculty, and by the Administration.

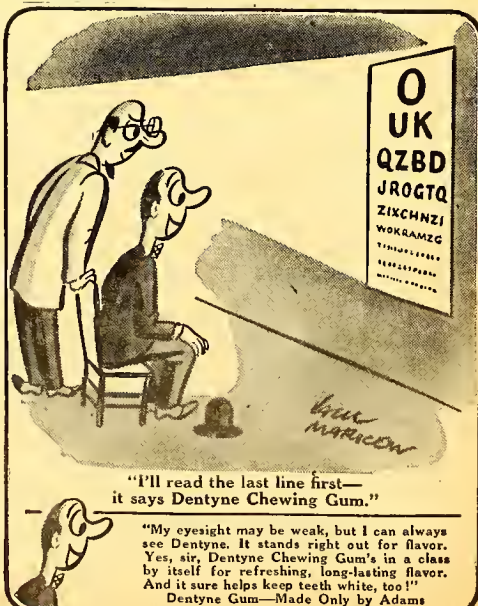

Mike Kofsky.

DEFECTION IN THE ELECTION

At a meeting of the Student Council on Monday, Oct. 26, Jim Wagoner, chairman of the Council's Election Committee, presented a requested report on a discrepancy in petitioning procedure which was discovered after the election of class commissioners two weeks ago. There was apparently some dirty work done on behalf of, but unknown to, one of the students whose name appeared on the nominating petition. Rather than drag another person's name into it, Jim Wagoner accepted the blame for the whole matter, for having failed to detect tampering with the petitions after the deadline for them had passed.

Upon his acceptance of the blame (rightly or wrongly), it was moved by another Council member that Jim be asked for his resignation from the Council.

This report is being made to you for two purposes: First, to point out that past juggling of the election regulations will not be tolerated by the Council now in office—they have been instrumental in providing a Constitution for the Associated Students of Colorado College intended to be fair to all, and are enforcing it. Secondly, this report is being made to you to serve as a warning to all individuals or organizations—Don't let your affiliations run away with your sense of right and wrong.

"My eyesight may be weak, but I can always see Dentyne. It stands right out for flavor. Yes, sir, Dentyne Chewing Gum's in a class by itself for refreshing, long-lasting flavor. And it sure helps keep teeth white, too!"
Dentyne Gum—Made Only by Adams

Antioch College First to Complete NSA Affiliation

MADISON, Wisc., (NSA News)—Setting the pace in affiliation proceedings, Antioch College, Yellow Springs, Ohio, gained the distinction of becoming the first charter member of the National Student Union Association.

On Oct. 14, 1947, Antioch Community government approved the document by a unanimous decision, thus becoming the first college to ratify the constitution of NSA and complete payment of its dues.

Ed Note: Affiliation with the NSA is still under consideration by the CC Student Council.

Smorgasbord

Free tickets for all veteran students may be obtained from organization presidents. The date is Sunday, Nov. 16, the time 5:30 to 8:00, the place American Legion room in Antlers Hotel.

Dates may be brought but a small charge of 70c will be made.

Loescher Points Out Superman's Weak Spot

Men, not supermen, are needed today, Colorado College students were told Tuesday morning in Shove Memorial Chapel, by Dr. Vernon Loescher, rector of the First Plymouth Congregational church in Denver.

Speaking critically of the oft-found adage of supermen being needed for the solving of difficult problems, Dr. Loescher disagreed with the conclusions of the German writer, Frederic Nietzsche, on the "superman."

He explained how Nietzsche had felt the need for a strong race of supermen, since the people of the world were not able to cope with their problems. He also compared the "Superman" comic strip of today to this race philosophy to illustrate the forms of escapism.

Explaining that although both illustrations of supermen are poles apart in some respects, Loescher said, "Both forms are attempting to show our inefficiency to handle our problems. The militaristic superman has helped to create the confusion which we are in today; the comic superman has gone so far as to affect the psychology of many so that they place their emphasis on dreaming of the impossible super-human feats."

The Denver minister, who has studied at DePaul University, Boston University, and abroad at the universities of Berlin and Oxford, emphasized that the Bible did not use the word superman. Expounding the need for real men today, Loescher said, "We need men who are tough enough to take a cross, and superior to race prejudice and false pride. We shall not have world peace until the individuals create in their own life an atmosphere of peace. We must stand fast to the faith."

Marines to Toast Corp's Birthday With Dinner Monday at A-Club

There is a beachhead to be had and the Marines are landing to take the situation in hand, with Col. W. G. Hawthorne and Col. Thurston J. Davies leading the attack. The zero hour is 1900 Monday, Nov. 10. The place is the Acaia Ballroom.

It doesn't matter if it is in Hong Kong, Honolulu, or Quantico; Marines all over the world will be cutting the cake and drinking a toast in remembrance of One hundred and seventy two years of illustrious history of their Corps. And, the Marines of Colorado College and Colorado Springs area haven't forgotten either. Many of them will be digging their uniforms out of the moth-balls for the occasion. Others will be there in "Civvies" but they'll all be in that old Semper Fidelis spirit.

Chow call goes at 1915 and stragglers may be subjected to discipline. On conclusion of the dinner, there will be a mass presentation of American Defense and Victory Medals for those who rate them. Col. Davies, "Prexy" to the college Marines, will read the annual Proclamation.

Following this, there will be a short discussion on the active and inactive reserve to clarify a few points of interest for those who want to protect their ranks and rates. Then comes the "cutting of the cake" ceremony, done in traditional manner by Col. Hawthorne with his saber. Dancing and lighter festivities begin at this time and last until 0100.

It is expected to be another great victory for the Corps. So if you are a Marine, come out and get in on the fun. To do this, you must contact T/Sgt. Joe Commons, Room 5 in West Hall or call him, Main 6660, Ext. 67.

Music News

The second of a series of four concerts by Roy and Johanna Harris was presented Monday night using the theme, "How Music Grew." First, 4 minuets representing pre-Bach, Bach, Beethoven, and Ravel, were played to show the comparison of the different periods. The pre-Bach pieces showed that Bach did not originate the fugue but consolidated it's use. Some artifices were used as in Chopin, and Stravinsky with straight chords, but when chords were broken up, the effect was a brilliant piece.

Milstein Plays in First Of Symphony Series

The Colorado Springs symphony opened its 1947-48 season before a large and appreciative audience Thursday night, October 31. The entire program was enthusiastically received, especially the Ballet Suite by Rameau Mottie which is a brilliant version for the modern orchestra of popular movements from the works of an early representative French composer. The Symphony No. 1 in G Minor by Kalinnikoff proved to be a succession of themes suggestive of Russian folk music. Although there is much repetition here and quite a number of fortissimo passages, the symphony has an immediate appeal to the listener through the intense vitality of the music.

The soloist of the evening, Nathan Milstein, is one of foremost violinists of our day. He played the Mendelssohn concerto in E Minor, Opus 64 for violin and orchestra with great aplomb and finesse, showing beyond doubt his command of violin technique and his depth of musical interpretation.

The orchestra of 70 players performed admirably under Dr. Frederick Boothroyd's able direction. There are 5 concerts remaining in the series, and season tickets are still available. Call the Colorado Springs Music Store, Main 1943 or Main 3669 for reservations.

"She" Delta Theta Dance Monday Night

The annual informal initiation of girls into "She" Delta Theta will set the theme of the Phi Delt dance at their house next Monday evening.

All dates are requested to wear "initiation" clothes, for a gala time is anticipated by all. The pledgship and initiation plans are a fraternity secret, but we might add one detail of which we know—and approve of. That is the presentation to each new initiate, of a novel token which must be worn the week following. Should some female fail to comply with this, she must grant a kiss to any Phi Delt active enough to notice this breach of rules.

Kappa Sigma

Kappa Sigma is proud to announce the pledging of Jack Hill of Peoria, Ill.; Weldon Grinnin of Washington, D. C., and William Van Heusen of Beverly Hills, Calif.

Found

A Dixon Rite-Rite automatic pencil and B. B. fountain pen have been found on the campus. The owner may claim them in the Dean of Men's office.

Overseas Relief Provided by AWS

The Associated Women Students of Colorado College are devoting their efforts to the most recent activity undertaken by the group—that of the Service Committee for Overseas Relief. Goodwill projects have always commanded the attention of the AWS. The Service Committee is headed by Shirley Sheffner and is made up of a representative of each sorority, the Independents, and Bemis and McGregor Halls.

Each group has chosen a family living in one of the European countries. The family will first receive personal letters and CARE packages from the group. These packages are made by an organization in New York which is informed of the particular need of each country and may be sent to the family you chose for \$10. After the family has written to the campus group which ordered the CARE package for it and has indicated its special wants, the group will send packages directly from Colorado Springs.

The idea for an organization such as the Service Committee was formulated at the

Gamma Phi Beta

The Gamma Phi Beta pledges held a tea before their last meeting, Friday, October 31. The tea was given in honor of Dean Fauteaux and Mrs. Barkalow. Dean Fauteaux gave an impromptu talk on how a sorority fits into college life.

IWA

The Independent Women gave a tea at Lennox on Sunday, November 2 from 4:30 to 5:30. Woman veterans of World War II and the new faculty wives were guests.

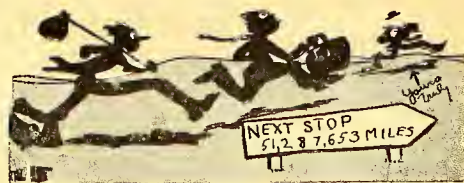

The IWA will hold their next meeting 7:30 Monday, November 17 at Lennox, as usual. All unaffiliated coeds are urged to attend.

SPANISH CLUB MEETS

The second meeting of the Spanish club will be held next Thursday evening, November 13, in the Hayes House library at 7:30 p. m.

AWS Conference which was held before the opening of school this year.

Miss Rowe and Miss Erion, head residents, act as advisors to the AWS Service Committee for Overseas Relief.

AROUND THE CAMPUS

By BILL MURRAY

The above conception, by the TIGER staff artist, has not yet been seen "Around the Campus," but I agree with him that it probably will be before November 15. Don't ask why, just think. November used to be known for turkey and Thanksgiving until Al Capp immortalized the month with the establishment of Sadie Hawkins Day. To keep everybody

happy I have scooped the rest of the local newspapers by getting the rules for the big dance straight from your student council. These are the regs that have been set so let's not be cheating.

1. Women kin catch - as-catch - catch - can from 9:00 a. m.—6:00 p. m. on Saturday November 15.

2. The female must tag her man with a tag bearing her name. This is to be worn around the neck of the man until the dance.

3. All untagged men are eligible fish and may be grabbed.

4. Costumes at the dance should be in the latest "Dog-patch" style.

5. Women will buy the tickets at Cossitt. The price will be 75c plus tax per couple.

If he ain't tagged, he ain't yerz. So be ready early, women.

The rest of this column is devoted to things that have

been seen "Around the Campus."

A lot of cokes being shared by two as the veterans were awaiting their checks last week. Sure was a good thing that they arrived before the week end.

Glenn Blagg with a new covering for his leg that needs to be signed. He had quite a collection of autographs until he broke the first cast.

Another columnist on this paper looking thru waste baskets trying to get material for her column.

Irish political Tom Stoker making plans to run as president to scare both the Republicans and Democrats.

NEW KKG PLEDGE

Kappa Kappa Gamma announced the pledging of Glena Ebersole of Monmouth, Illinois, this week.

Everyone's Talking 'Bout This Record...

It's GORDON MacRAE'S Latest Capitol Release

... "I STILL GET JEALOUS"

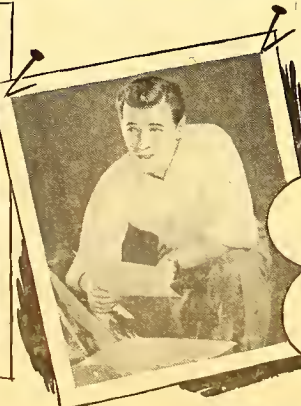

MARK the name: Gordon MacRae. You're going to be hearing more and more of him, for this newest platter of his is really a record for the books.

Another record for the books is the fact that all over America more men and women are smoking Camels than ever before!

Why? You'll find the answer in your "T-Zone" (T for Taste and T for Throat). Try Camels. Discover for yourself why, with smokers who have tried and compared, Camels are the "choice of experience"!

CAMELS
SUIT ME
BEST!

R. J. REYNOLDS TOBACCO CO.
WINSTON-SALEM, N. C.

More people are smoking CAMELS than ever before!

Phi Gam Shipwreck Dance Monday

On Monday, November 10, at 9 p. m., the Phi Gamma Delta Fraternity will hold their annual Shipwreck dance at the Fiji house, complete with sea weed, Davy Jones, and fifteen musicians on a dead man's chest.

Fiji's and their guests, dressed as shipwreck survivors, will dance in the main stateroom to appropriately "floating" refrains.

Shore patrolmen for the evening will be Mr. and Mrs. Bob Bartlett and Mr. and Mrs. Fritz Minuth.

Beta Theta Pi

The Beta Theta Pi Pajama Dance will be held this Saturday night from 9 p. m. to 12:30 a. m. The chaperons will be reliable as always for this gay occasion. Holding to tradition no one will be admitted to the Beta House unless they dress in PJ's or other bedroom attire. The plans for the dance are being made by Bob Knight who promises a rip-roaring night that will long be remembered.

It Says Here - - -

By D. A. Stroup

And so it snowed, and all melted before anyone had a chance to even make a snow-ball. But then, there's no sense in rushing the season. Of course the skiers would just as soon rush the season. In fact, they already have. Evidences of disgusting large bath tubs can be found anywhere in the vicinity of Glen Cove. Also enormous bruises on people who can't lift their right arms or flex their left knee. This, of course, is terribly exaggerated. No one ever falls down when they are skiing. But the trip was enlightened by Bill Harwell's great "let's keep the people warm by selling them coffee" (Chase and Sanborn's) enterprise; those funny little stripes all over the snow made by people who said they were doing herringbones, while their eyes gazed longingly at the immovable tow; and people screaming, "But I haven't skied for six months; no wonder!" all day.

Photo by Curt Hart-Cut Courtesy Gazette-Telegraph
Ike Burnett, mule, Stan Provenza, Brenda Brandt

And then there was Hal-low'e'en. It was rumored that there were two ghosts of a questionable nature present at the Independent Men's party. They were suspiciously concealed under two white bedspreads with polka dots. It cannot be decided whether this factor should be correlated with the fact that there were white bed spreads with polka dots missing from the beds in Margaret Folsom's and Barbara Dyer's domicile on that same evening.

Bob Fisher was carrying around his usual supply of safety pins with which he initiates select people into the esteemed "Benevolent Safety Pin Order." For further information and qualifications, ask charter member Ruth Reeds.

But maybe everything will

Kappa Sigma "Skunk Hollow Shuffle" Big Success

Flashbulbs flared as photographers caught the scene of Stan "Marryin' Sam" Provenza picking up his date for the annual Kappa Sigma "Skunk Hollow Shuffle" in typical Dog-patch style. Marryin' Sam was mounted on one of the finest burros seen in these parts in many a year as he picked up Brenda "Daisy Mae" Brandt. His trusty mount was attended by 'Ike' "Earthquake McGoon" Burnett.

The interior of the house was decorated much on the idea of a barn with straw and burlap sacks spread liberally throughout the house. With the special permission of none other than Mammy Yokum the Kappa Sigs were able to obtain the recipe for the secret weapon of the war, Kick-apoo Joy Juice. Sorry, the recipe is hidden so even the Kappa Sigs can't find it. The prize for the best costumed couple, which was live chicks for each one, was won by Penny "Daisy Mae" Ayer and Bob "L'il Abner Yokum" Allen. Unfortunately someone greased Salome so there were no Po'k Chops as had been hoped.

Q. A. Holds Election

QA elections were held Monday evening, October 27 in Bemis Commons. At that time Martha Bransom was elected secretary of the Quadrangle Association, and Hazel Finley was elected freshman representative.

Tigers Collect 19-6 Verdict at Fort Hays Game Saturday Nite

The Colorado College Tigers thrashed out a 19-6 victory Saturday night, Nov. 1, at Lewis Field in Fort Hays, Kansas, over a favored Fort Hays eleven. The victory was number four for CC in six starts. Hal French, who quarterbacked the Tigers in all but about two plays of the game stood out in every department: running, passing, and kicking in superb fashion. The Fort Hays team, also called Tigers, started fast after receiving CC's kickoff at the starting whistle, taking the ball on their own 27, and pushing the ball to the CC 17, where they attempted a pass which landed in the surprised arms of H. Beile. After an exchange of punts CC started clicking, with Miller finally scoring from the sixteen yard line off the T-formation.

Minutes later Douglas' men found themselves in scoring position again after Ray Jones grabbed a Fort Hays pass out of the air and ran it back to their six yard line. Fort Hays' defense stiffened, and after four plays the Tigers had failed to score. After receiving a Fort Hays punt on his own 48, French calmly beaved a pass to Roper on the six for a 46-yard gain. Two plays later it was French tossing again, but this time it was Tinsley receiving in the end zone for the second tally. At the half-time the Tigers found themselves on the long end of a 12-0 count.

Opening the second half, Harry Waters started running wild, clipping off neat 20 and 30 yard runs at will, but somehow these gains always managed to be nullified by a penalty. Finally Waters managed to get loose when all of his teammates were keeping their fists to themselves, and after romping 40 yards ended up on the Fort Hays 30 yard line. In the following play Hal French, with the aid of timely blocking, went over left tackle for thirty yards and six points, ending CC's scoring for the night.

In the fourth quarter the Tigers from Kansas put fear in CC's hearts as they repeatedly out-rushed and out-played our Tigers. Fort Hays' only score came in the fourth quarter when Marxmiller, left half, grabbed a punt off the toe of Hal French and raced 75 yards to pay dirt.

Satisfactorily, CC was out in front by a slim margin. Our pass defense record remained unharmed as Fort Hays com-

Grunt-and-Groan Artists Open Their Season Monday

To all men interested in varsity wrestling:

Practice will begin Monday, November 10, at 4 o'clock in the wrestling room. All freshmen who are interested in wrestling are urged to report as freshmen may be eligible for varsity wrestling this year. Bill Storey will be in charge of the squad until football is over.

Anyone interested in becoming a manager on the wrestling team is urged to contact Bill Goodnight at Cossitt Hall.

Wrestling prospects are asked to sign the list posted in the Athletic Department, Cossitt Hall.

Varsity letters and sweat-ers will be awarded in the sport this year.

pleted only 2 out of 12 passes for a total of 24 yards. French had a 40.1 kicking average for the encounter, which boosts his season average slightly.

Bob Pringle pulled a muscle shortly after he entered the game in the first quarter, which halted his play for the evening. Zooie Tucker also got hurt in the first quarter, when a Fort Hays tackler bruised his hip. Both boys are expected to be ready for action tomorrow.

Athletic Book Required For Both Football Games

The CC Student Athletic Book will be required for admission to both the Frosh and Varsity football games, tonight and tomorrow afternoon. The Freshman game at Penrose tonight will require ticket D and general admission is 75 cents. Number 7 will have to be presented at the gate at Greeley Saturday for admission to the Varsity game.

FROSH Sport Bits

By BOB LEAVITT

Coach Fritz Minuth's Tiger Cubs have thus far established themselves as the top Freshmen eleven in the Rocky Mountain area. In four games the Yearlings have rolled up 90 points to the opponents 20. The Minuth men have won 3 and lost 1. In tonight's game the Cubs will be seeking their 4th straight win. The score should read CC frosh 20 and Colorado State frosh 6.

The Freshmen hoop squad has been engaged in some strenuous drills in the past few weeks. Coach Pat Fitzgerald has no comment as to the outlook of his first year men yet but there are several outstanding prospects on the squad although there is a considerable lack of height to fulfill the necessary positions. Two men who should bear watching on the Yearling' quintet are Jack Orsborn, a product of Elgin, Ill., and "Chuck" Bouchard, who hails from Old Town, Maine. Both of these boys are forwards and stand about 5'-8". They should account for a good many points in the approaching Frosh hoop season.

Basketball Season to Open Here Against New Mexico U., Dec. 5

Varsity Basketball Coach Juan Reid, who has been working out with his varsity hoopsters for the past two weeks has released the varsity-schedule that follows:

Fri. Dec. 5—New Mexico University, at Colorado Springs.
Sat., Dec. 6—New Mexico University at Colorado Springs.
Fri., Dec. 12—Idaho State at Colorado Springs.
Sat., Dec. 13—Idaho State at Colorado Springs.
Fri., Jan. 2—Fort Hays Kansas State at Hays, Kansas.
Sat., Jan. 3—Fort Hays Kansas State at Hays, Kansas.
*Sat., Jan. 10—Colo. School of Mines at Colorado Springs
*Fri., Jan. 16—Western State College at Gunnison, Colo.
*Sat., Jan. 17—Western State College at Gunnison, Colo.
Fri., Jan. 30—Beloit College at Beloit, Wisconsin.
Sat., Jan. 31—Bradley University at Peoria, Illinois.
*Fri., Feb. 6—Colorado State at Greeley, Colorado.
*Fri., Feb. 13—Colorado School of Mines at Golden, Colo.
*Sat., Feb. 14—Denver University at Colorado Springs.
Mon., Feb. 16—Denver University at Denver. (Tent.)
Fri., Feb. 20—To be filled.
Sat., Feb. 21—To be filled.
*Sat., Feb. 28—Colorado State at Colorado Springs.
*—Rocky Mountain Conference games.

Practice sessions for all Freshmen who are interested in playing hockey will be held at the Broadmoor Ice Palace next week. Time and date to be announced later. For further information contact Coach Cheddy Thompson at Cossitt Hall.

I understand the Freshmen football team had a glorious time on the return trip from Golden last Friday evening.

The chartered bus served as the battle grounds with ex-marine Jim Ward, pacing the attack with cider and wet towels.

Don't forget the Freshmen game with Colorado State Frosh tonight at Penrose at 8:00 p. m. If the Yearlings take this one they can rightfully place a claim on the mythical Rocky Mountain Conference championship.

Frosh, Greeley Cubs Tonight at 8:00

The Colorado College freshmen football team will play Colorado State freshmen under the arcs at Penrose Stadium tonight at 8:00 p.m.

To date Coach Fritz Minuth's Tiger Cubs have won 3 and lost 1. The only freshman on the injury list this week is halfback Chuck Stoddard who will be able to see action Friday night. In order to keep up the excellent record, the Cubs have been working on the holes in their defensive and offensive play in preparation for the highly rated Bear Cubs from Greeley. Coach Minuth said that his boys are not over-confident and realize they will meet a stiff opponent today. The two teams, on paper, seem to be evenly matched in the weight department, but only tonight's game will be the deciding factor.

Dwight Brothers, quarterback, who has done an excellent job of passing and kicking, seems to be improving his excellent record each game. Brothers has been a great threat all season and might be the margin of victory for the Tigers.

Kappa Sigs Win I-M Football Championship

The Kappa Sigs sewed up the intra-mural championship last Thursday on Perkins field by squeezing out a 6-0 victory over a stubborn Beta club.

The Kappa Sigs were fought to a scoreless tie by the under-dog Beta team, until, with but five minutes left in the game, Sandy Pradt hit Eathan Miller in the end zone for the game's only score.

This victory gave the Kappa Sigs undisputed control of the first place spot as intra-mural football ended. The Kappa Sigs had a 5 won, 0 lost, record to top the second place Sigma Chis who lost their only game to the Kappa Sigs by a close 19-18 score.

The Sigma Chis defended their second place spot against the Phi Delt last Friday on Stewart field, and came out on the long end of another 6-0 game.

Perkins made the only score for the Sigs as he received a pass from Theodore in the opening minutes of the second half. A late Phi Delt threat was stopped when Ed Scott intercepted a Phi Delt pass

Tigers Seek R.M.C. Title at Greeley Tomorrow, Despite Three Injuries

Ben Douglas' Tigers turned out for practice Monday minus three valuable men. Bob Pringle, quarterback, Mel Tucker, fullback, and John Folsom, center, were injured in the Fort Hays Kansas State Game last Saturday and it is doubtful if they will be able to see action in Saturday's Rocky Mountain Conference tilt with Colorado State at Greeley.

Quarterback Hal French played practically 60 minutes at Fort Hays and although the game didn't help his injured wrist, French turned out for practice this week and will be ready to go against Greeley.

Leo Kuzma, center, who received a knee injury in the Grinnell game the last of September, had the cast removed from his knee a little over two weeks ago. It is very likely that Kuzma will be able to play Saturday. Coach

with but a few seconds to play.

This ended all intra-mural football for this season, excepting a proposed game to be sponsored by the C-Club between the Kappa Sigs and an All Intra-Mural team to be selected by the intra-mural managers from the five fraternities and the Independent Men. These selections should be turned in to John Mulkey not later than Monday, Nov. 10.

Final Standings	W	L	Pct.
Kappa Sigs	5	0	1.0000
Sigma Chis	4	1	.8000
Phi Delt	2	3	.4000
Phi Gams	2	3	.4000
Independents	1	4	.2000
Beta Theta P.	1	4	.2000
	15	15	

Douglas was in hopes that Kuzma would get to play last week against Fort Hays, but the doctors vetoed it. With the loss of Folsom, Kuzma will bolster the Tigers' strength in the middle of the line.

The Tigers were able to maintain their excellent record in the pass defense column last week with the Kansans completing 2 out of 12 attempts for 24 yards. Lowell Stukley of Colorado State will be out to cut the Tigers' passing defense record Saturday. His deadly aim will be watched very closely by the Tigermen and it should be a great contest between the passing of Stukley and the defensive play of the Tigers.

Line coach Bill Goodnight said that the boys will have to buckle down a great deal this week in order to bring the Tigers' offensive line play up to standard. They will have to be on their toes against the very rugged line of Colorado State. Ben Douglas' comment on winning the Rocky Mountain Conference when Western State tied Colorado State was that "Western State opened the back door to

Freshman Gridders Win Third Straight, Downing Miners 26-7

Coach Fritz Minuth's Frosh eleven garnered their third consecutive victory of the season last Friday afternoon by trouncing the Colorado Mines Freshmen 26 to 7 at Golden.

The CC yearlings collected their first tally early in the opening stanza as Dwight Brothers rounded left end for a 16 yard run to complete the steady march down the field. Killen's try for the extra point was incomplete.

The Miners came back in the second quarter staging a steady drive down the field and scored as halfback, Sloan, skirted right end to even the count. Finnen then converted the extra point as the Miners went out front, 7 to 6.

Staging a brilliant comeback in the third period, the Tiger yearling's scored as Chuck Stoddard received an aerial from Dwight Brothers and raced 22 yards to pay dirt.

The final quarter was dominated completely by the Tigers as they came surging back to tally two more touchdowns. A. Brothers to Lyons pass accounted for the third marker and the final tally came in the last few seconds of the game, as Brothers threw a long aerial to Stoddard on the goal line. Killen converted the extra point, his second one of the game.

Coach Minuth was well pleased with the outcome of the game and had great praise for the outstanding performances of the two ends Miller and Lyons.

the R. M. C. championship for us, but we are in hopes that we may enter the championship through the front door Saturday." If the Tigers wanted any game this year it is certainly the Colorado State game. Stukley and company will find that the injury-ridden Tigers will be ready for them when State Homecoming time rolls around Saturday.

Our new collection of distinguished wearables now on exhibit at our Broadmoor shop are in a special tribute to the man who loves the 'out of doors'. They capture his sense of the romantic because they come from the far corners of the world...each a masterpiece...and a perfect example of accomplishment in its own field.

Workshop Conducts Weekly Radio Program

The College Speech Workshop under the direction of Mr. Woodson Tyree is putting on four weekly broadcasts in cooperation with the local radio stations.

The most recent of these programs to be broadcast is the Saturday evening Children's Program, under the direction of Annette Wilcox and Peter Buchan who will be assisted by Ann Sawle and Carol Gaebel. The program is run in cooperation with the Colorado Springs grade schools, and can be heard over KVOR at 5 p. m. each Saturday evening. Children of the fourth and fifth grades will be present at the broadcasts and will be entertained by Moegle's storytelling. The plan at present is to have the group of children meet at South Hall to hear and tell stories the Saturday before they appear on the program. Eventually it is hoped to lengthen the radio program to thirty minutes and have some of the children tell stories on the air.

The other CC radio programs are as follows:

The Forum program, directed by Horton Johnson, James Turk, and R. J. Sensenbrenner, is heard over KVOR Tuesday night at 5. Participating on this discussion group are members of the four speech sections.

On Thursday at 5 KVOR presents the music program put on by the CC music department. The announcer is S. T. Vecchione.

Pete Tyree and Bob Webb conduct Campus Clippings heard over KRDO every Friday evening at 5:45.

A bi-monthly program is put on in connection with the Columbia School of the Air program. It may be heard every other Friday at 3 over KVOR and is under the direction of Elder Mainville and Vernon Twombly.

The Drama program, under John Reed's direction, which is usually heard Saturday evenings at 5, has given up its time for the Childrens Program but will soon be heard at another time.

All Students to Be X-rayed for TB By State Health Dept., Starting Tues.

For the first time in the school's history, CC students will be given the benefit of free X-rays designed to determine the possible presence of any tuberculosis germs. Beginning Tuesday, November 18, and continuing through Wednesday, November 26, appointments for every student are being arranged by the deans' offices and will be mailed this week. In order that CC students will not by-pass this opportunity the appointments are being made on a compulsory basis and everyone will be expected to keep the time allotted him, whether it be during a free hour or during a class.

The program is sponsored by the El Paso County Tuberculosis Association through the courtesy of the Colorado State Health Department and was presented to CC by Mary Loughlin, health educator of El Paso County.

The portable machinery for the rapid X-ray process will be located in Ticknor Study, which is in the southwest corner of the ground floor of Ticknor Hall. Ticknor Hall is the women's dorm located just north of Cutler Hall.

Each appointment will take approximately 60 seconds. They are being made from 9-12 and 2-5, Tuesday through Friday, and Monday through Wednesday.

The fight against tuberculosis has been an uphill climb by health departments for many years. Their desire to help any college student catch any sign of T. B. in the beginning is noteworthy and should be taken advantage of. Caught in its early stages the disease is an easy one to cure; left alone it becomes one of the greatest menaces and one of the most incurable diseases known to the American public.

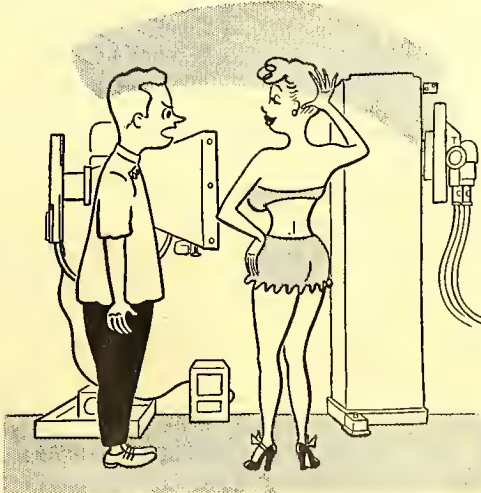

Meet your appointment! Not only are you expected to help in this drive, you owe it to yourself to be sure you are not carrying and propagating this dreadful menace.

I. W. A.

Independent Women will hold a very important business meeting Monday night at 7:30 in Lennox. After the meeting the members will be the guests of the Independent men at a dance. All unaffiliated women are invited.

Luncheon Officially Begins Fund Drive

Colorado College's 75th Anniversary Endowment campaign began officially Wednesday at 12:15 when campaign workers and officials and college authorities attended a luncheon at Bemis hall on campus for final instructions and information on the drive.

The college is seeking \$1,500,000 in increased endowment for two new dormitories, renovations to academic buildings and funds for faculty increases.

Colorado College buses, for those who did not drive their cars, left the Busy Corner, in front of the First National Bank building, starting at 12 noon and every ten minutes thereafter, for Bemis Hall. The lunch was over at 1:30 p. m.

Thurston J. Davies, Colorado College president and general chairman of the drive and Dr. Ben Rastall, techni-

Student Faculty Tea To Be Held Friday

All students are cordially invited to attend the Student-Faculty Teas held at the Faculty Club every Friday afternoon from 4:00 to 5:30 starting November 21, 1947 (one week from today).

These teas offer the students an excellent chance to meet and talk with their professors outside of class and further, the student can completely fill himself with tea, coffee, and eatables at the expense of the college.

cal adviser for the campaign, gave brief talks to division chairmen and their committees on the drive and campaign procedure.

In addition to these, the executive committee of the drive attended, plus the Colorado Springs trustees of the College, members of the CC student council and representatives of the faculty committee on the drive.

All-School Jig Tomorrow Night To End Day of Woo'n', Dogpatch Style

Sadie Hawkins got her man ten years ago tomorrow. Now the CC gals have their chance. To properly celebrate the momentous occasion the all-school Sadie Hawkins Dance will be held tomorrow night. The day does not have all the connotations that the celebration in Dogpatch, Ky., has, i. e.: the man who is caught is under obligation to marry said woman; at CC she only gets him to go to the dance with her.

Tickets for this great gathering of the student population will be put on sale in Bemis during the half hour before the noon meal on both Friday and Saturday, and at Cossitt before the dance. The price for a couple totals ninety cents including the federal tax.

All men are eligible to be tagged from nine in the morning until six in the evening. If he doesn't have a tag on already, he's fair game. The tag should be at least the size of an index card with the gal's name in legible print. Shotguns, lassos and track shoes are illegal equipment.

Howard Ferrand's orchestra and vocalist are coming down from big "D" to supply the music for dancing and yodeling. In place of mammy and pappy Yokum, Mr. and Mrs. Bob Bartlett and Mr. and Mrs. Harry Watson will be on hand to see that all is run in correct order. Don't forget to show in yo' latest "Dogpatch" clothes because Lonesome Polecat and Wolf Gal don't want to be out of place.

Flying Club Open To C. C. Students

The National Intercollegiate Flying Club has opened its postwar national membership campaign to colleges throughout the United States and Canada. The NIFC is an organization of college students, all members of collegiate flying clubs, who have banded together to promote collegiate flying in every possible manner and to assist and advise, upon request, existing clubs or students interested in forming a collegiate flying club.

It is hoped that it will be possible to have gliders participate in NIFC air meets and to hold an intercollegiate soaring meet in 1948, in addition to the regular annual NIFC Air Meet for powered aircraft.

If you want to join the NIFC, want further information about the organization, or need advice and assistance in forming a college flying club, write NIFC Headquarters, 1025 Connecticut Ave., Washington 6, D. C.

Tomorrow Noon Final for Med Exam Registration

All potential Arrowsmiths (M. D.s that is) are hereby reminded that noon tomorrow (November 15, 1947) is the deadline for registering for the February 2, 1948 Professional Aptitude Test of the Association of American Medical Colleges. All students planning to enter medical college in 1948 are required to take this test. Registration is in charge of Professor Frank A. Krutzke at Hayes House.

New Psychology Club Activated on Campus

A Psychology Club has been formed for the purpose of presenting and discussing current trends in Psychology. The club is sponsored by Dr. Blakely, Mrs. Cass, and Mr. Weiner. Bob Hart is president of the club and Chuck Milne is program chairman.

Members consist of Psych seniors and graduates. The members are Mary Ellen Cosgrove, Jean Thayer, Marian Crowder, Annette Wilcox, Elizabeth Kurie, Ruth Yates, Barbara Minuth, Barbara Kepner, Glen Budd, Greta Beason, Malvina A. Moore, Betty Philpott, Annette Weiss, Gloria Pinney, Col. Levine. The club meets every other week.

Thanksgiving Vesper At Shove Chapel

A Thanksgiving Vesper will be held in Shove Memorial Chapel at 5 p. m. this Sunday afternoon. Mr. Erwin Windward, well known tenor soloist and student of Mr. John Wilcox of Colorado College, will sing Malotte's setting of the Twenty-third Psalm and "How Lovely Are Thy Dwelling" by Liddle. The choir of the First Presbyterian church under the direction of Melvin Keeney will be heard in the anthems, "Praise the Lord, O Jerusalem" by Maunders and "My Faith Looks Up to Thee" by Schaecker. The violin obligato for the second anthem will be played by Jean Strang. Dean Clyde A. Holbrook will offer the Vesper meditation on the subject, "A Faith for Thanksgiving."

Issued each week during the academic year.

WORLD AFFAIRS ASSEMBLY

The Council on World Affairs will take over the Assembly period next Thursday, Nov. 20, to present reports on the recent convention in Salt Lake City.

Delegates to the convention and the student body generally have been to considerable trouble and expense to get the story of recent developments, in order to help CC take an active part in shaping public opinion on recent events of world scope and interest. Now it is the duty of all of the student body to hear and question the representatives who will appear for the express purpose of acquainting the rest of the college with developments at the convention.

In line with the full drive behind reorganization of several groups on the campus into the Council on World Affairs, this Assembly offers to all students not previously acquainted with the C.W.A. the opportunity to learn its vitally important purposes.

The convention and our participation in it have been wasted if the student body of CC fails to follow through with college-wide interest and attendance. And this is as good a place as any to dispel the unfortunate idea that the Council on World Affairs is a club of history and political science majors — it is intended to include all CC students who take any interest, from any viewpoint, in the affairs of national and international importance. This should include every man and woman on campus. Present members of the organization invite new members from all fields, and in fact particularly want members from fields other than the political and social studies, in order to round out the influences within the group.

RESIGNATION?

The Tiger has a letter of resignation from a man who, two months ago, was full of enthusiasm for an idea. The idea was excellent—to find out what CC students were thinking about the issues that are all-important to world peace and survival, and thus stimulate more thinking on what to do about it.

There was just one difficulty, just one reason why Hank Klingman slowed down to a walk, plodded a while, and finally quit: he couldn't find people who were thinking about those issues.

We don't blame Hank for quitting—we know how he felt, quite well. We've felt that way, too, often. We do blame the nearly universal factor, whatever it is, that prevents so many people from being awake to the results of political carelessness, the factor of complacency on the powder keg.

What broke Hank's drive to build a worthwhile column was not being rebuffed—it wasn't being told that he was wrong in holding one view or another—it was just the gradually forced realization that people are going through Colorado College, learning the facts necessary to practice various arts and professions, without taking a large enough view of their world to realize that before they are ready to use those facts, they may belong to a radioactive mass of rubble that was once CC. (rah!)

Sure, it would be a dirty trick to try to paint a picture of horror right here. It's much easier not to believe if it is painted. Why believe that another Pearl Harbor, a thousand times worse, could happen in the heart of our country, especially when it's so unpleasant to believe? Who wants to foresee screaming terror and broken bodies and starvation and bitter slavery for the survivors? It's so nice to go on believing in classes every hour, labs in the afternoon, all-school dances, ski-trips and concerts. We want those things. Yet how badly do we want them? — Badly enough to think a little, talk a little, to build toward insuring them, while there is still time? Apparently not—our political leaders, good or bad, have the job to do—a job vital to both our happiness and our existence — and Hank searched the campus vainly for CC students who take a look at the world's troubles or care what our representatives are doing about them.

Maybe the movement to give the vote to eighteen-year-olds would be one answer—some of them seem to be thinking, at any rate. We can't help wondering what it is that stifles thinking here at a place which is instituted for the all-important purpose of encouraging thinking. Everyone is busy, certainly—but if we get busy enough the preclude the basic drive of self-preservation, where do we end up? Surely not in Utopia.

Beta P-J Dance Very Clever and Original

Beta Theta Pi's annual pajama dance was held Saturday, November 8, at the Beta house. Chaperoning this bedtime affair were Mrs. E. L. Teason and Dr. Gabriel. Boudior apparel was worn by all, some of the outstanding and more original "nighties" were worn by Kate Kimball, Sally Organ, Jean Chandler, John Colgan, Rosie Fuller, Kay Swanson, Pete Schifflin, Marty Branson, and Tony Morrison. The house was decorated in baby pink and blue with slumber accessories predominating. Versatile piano music was furnished by Terry Boulder Sig.

Phi Delts Anticipate Venison — 190 Lbs.

Hungry Phi Delts are anxiously awaiting the end of the "curing" period of some 190 lbs. of venison scheduled for servings at the fraternity table.

The 250 lb. (Phi Delt estimate) unsuspecting animal was shot by Harry Holman two weeks ago with the help of his eagle-eye companions, Dick Pfeiffer, Jim Parmalee and Al Schisler. She was induced to leave her habitat for storage in a freeze locker.

Sigma Chi Elects

At elections Monday evening the Beta Gamma Chapter of the Sigma Chi Fraternity elected Chuck Roper as president, Warren Goodnight as vice president, and Skip Williams as secretary.

Beau Siebert, Wilfred Perkins and Doc Garrison were elected rush chairman, intramural manager and social chairman, respectively.

Earlier elections of the fraternity placed Bill Barton as Interfraternity Council representative, Dick Conrad as Student Council representative, and Dick Graham as treasurer.

Theta Fall Formal

The doors of the Antlers Copper Grove will swing open Saturday evening, November 22nd, only for the members, pledges, and guests of the Kappa Alpha Theta sorority. The dance, the annual fall formal, is in honor of the sorority's twenty-one pledges, and planning is under the direction of Emmalee Fay and Sue Anderson.

The pledges are: Beryl Barr, Taffy Bronson, Priscilla Chester, Nancy Crain, Sally Darling, Eleanor Ebersole, Jean Gilbert, Susan Grover, Barbara Howe, Betty James, Constance Koehler, Sally Organ, Judy Pollock, Ruth Reeds, Edwina Samson, Denise Schoneberger, Pat Sonnekson, Patty Lois Stephenson, Elizabeth Van Renselaer, Hazel Carver, and Pat Sullivan.

Phi Gam Shipwreck Dance

Last Monday evening the annual Shipwreck Dance was held at the Phi Gam House.

The house, Fijis, and guests were all elaborately decorated in nautical attire. The theme of the decorations bordered on a water-logged vessel run aground off some Fiji Isle. The house was decked out with a grass hut for lounging, while the main stateroom provided room for dancing even though its bulkhead had been rammed by the prow of another ship. This protruding bow together with "Fezz" Bryant and his band dominated the impressive adornments of this main cabin.

Chaperones for the evening were Dr. and Mrs. William A. Blakely and Mr. and Mrs. Harry McWilliams. Captain Zooie Tucker and First Mate George O'Brien were in charge of the festivities. And all the evening was a tumultuous success and the best seen at the Cascade Avenue Castle this year.

Murray's

A TIGER TRADITION FOR 40 YEARS

Around the Campus

By BILL MURRAY

Some of the cars on the way to the Greeley game having trouble at Palmer Lake.

Carlos Diaz looking for someone to do his homework with him, and getting no takers. His homework is in wrestling.

Lots of the boys at Hag getting in supplies so they will not even have to leave their rooms to eat tomorrow. Could it be Sadie Hawkins Day?

Gene Christian looking for other students to help him cry in his beer. He is staying in the Springs over the Christmas vacation.

Looks like Lois Woody started something when she hurt her ankle attempting to fly off Palmer Hall steps. Albert Adler has a swollen ankle now and was joined by Joe Weismiller and even more recently Pete Jones and Rod MacKenzie joined the list.

The assembly next week should be pretty good, if reports from the CWA meeting last week can be trusted.

Bill Urban real sharp in his 'coon skin coat with p.j.'s underneath on his way to Beta Dances.

Sorry that CC lost Larry Burns who had to return home this week. Hope he'll be back.

People looking real happy on seeing their names in the Student Directory.

A private word to that female columnist — "D.D.T.F.O.B." — Cossett mobbed by women dispossessed from Bemis Dining Hall Wednesday. The CC band showing its versatility by playing dinner music for the campaign workers.

Newman Club Party

On Sunday November 9th the Newman Club held a party at the Temple home, 1603 Wood Avenue. A buffet supper was served, followed by entertainment furnished by the guests themselves. It ended with dancing and games.

Homelike

Food

Away from Home

Ruth's Oven

220 N. Tejon St.

Snoop with Stroup

By D. A. of the same name

Question of the week: "Was this week end really necessary?" or, "How lost can a week end be?" Answer unobtainable at this point. There was Greeley, of course. Pat Harley seems to have an amazing store of energy, and John Hall was seen transporting four Freshmen women to said football game. Just another indication of school spirit.

It was reported that all kinds of things came about at the Beta dance. One Bob Burch was searching everywhere for something which he claimed to be his shoes; and we would like to ask Toni Morrison just who is going to frost whose glasses and when.

Reports are that the Phi Delt initiation of the She-Delta Thetas was particularly grueling. Sally Littell and Ann Cowles had the whole Phi Delt chapter thinking they were terrified for a week. Of course the secrecy of this mysterious initiation cannot be revealed by the press, but there were rumors that the Phi Delt grip is particularly enlightening. Best example of said rite: Bill Pfeiffer and Glenna Ebersole.

And more people were caught unaware at the shipwreck dance. Rosie Keeley, for instance, and Paul Fellman, who seems to be a staunch member of the union. Di Raymond and Joe "knees" Henry are firmly convinced they are going to feed their dog Thrivo. Just ask them and you will be convinced too.

And to finish off the evening nicely, Dutch Van Schooneveld gave his Phi Gam pin to B. J. Hanger.

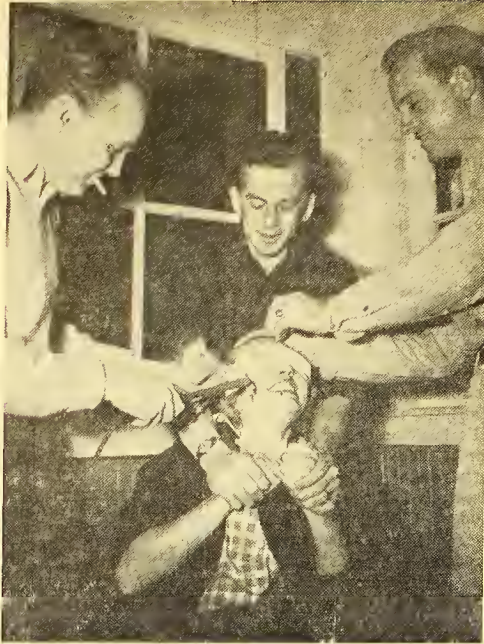

And then there was Bill Murray, hoping there will be another amendment to the constitution soon, so he can watch the ballot box in Bemis. What is it with him?

Judy and Dee Dunbar and Lorrie Bunker crawling in the window of Hayes House. They were just putting up a notice for the French Club.

LaVon Rouse and Mary Ruble discussing the facts of life with half the Beta chapter down at one of the local meeting places last Friday evening.

Gordy Wescott and Barbara Kearny sending each other flowers and sharing visitors while recuperating at Glickner Hospital.

Horsy Set Will Hold Two Sunday Excursions

Horseback riders will have their chance on Sunday, November 16 to ride with the club either in the morning or in the afternoon. The non-church goers will meet at Schlessinger's at 9:30, and must call Myrna Blakley, M. 2189-W if they wish to go.

Another ride will begin at 2:00. All participants will meet at Lennox before that time, and will call Clarice Hads, Ticknor Hall if they wish to go.

Phone-ins to Myrna and Clarice must be made before four o'clock Friday. This won't be the regular "run" of outing, for it will be made more interesting by unusual horse games and paper foxes.

The next meeting of the Riding Club will be held at Lennox, a week from next Tuesday evening.

Phi Gams Plan Kids Christmas Party

Plans are well underway by the Chi Sigma Chapter of the Phi Gamma Delta Fraternity here for a Christmas party for Colorado Springs underprivileged children.

Corky Downing is handling the major arrangements, which include a dinner, presents, and general "get together" for the members and their young male guests at the Cascade Avenue house.

The chaperones were Mr. and Mrs. Robert Jackson and Mr. and Mrs. Woodson Tyree. Guests were Mr. and Mrs. Harry Watson and Mrs. Mary Brusse, the Phi Delt House-mother.

De Marco to Lead Band at Next Game

What is a football game without a band, a band that stirs up the crowd and makes the tense moments tenser? (Or even perhaps more tense.) This year the band here at Colorado College has been doing a fine job. Under the able leadership of Mr. Fundingsland the band has really been "showing up" for CC. Credit is due to all those contributing. It should be especially noticed at the next game that the band is under the leadership of Francis DeMarco, the student conductor. Out in front are Melvin Keeney and Marke Clark, drum majorette respectively. That band which you've been seeing at pep rallies is composed of the frosh in the band and volunteer sophs (most of the original band, by the way, is in this volunteer group).

A good marching band needs a lot of practice and a lot of hard work. Your band is doing this and should be commended for the excellent results produced.

Brochures Tell of C. C. Fund Plan

Contributors to the Colorado College 75th Anniversary Endowment campaign, which started in Colorado Springs on November 12, won't have to wade through mountains of literature to find out about the college.

A four-page leaflet and a 16-page booklet make up the total amount of printed matter for the college's drive to raise \$1,500,000.

Greeley Bears Crush CC 24-7 To Cloud the R. M. C. Title Issue

Scoring in every quarter but the third, the Colorado State Bears romped over CC's favored Tigers last Saturday at Greeley by a score of 24-7. The Bears' head coach, John Hancock, verbally staked his claim on the some-what confused Rocky Mountain Conference Championship, after taking the measure of the league-leading Tigers. On the percentage basis the Tigers are the champs, but Hancock claims that their game with Montana State shouldn't count against them, since it was the only game the Grizzlies had with members of the "Little Five." December 5 should clear the situation, when the conference has its annual meeting in Denver.

Statistically the game was much closer than the score, Greeley gaining a total of 217 yards from scrimmage, to the Tigers' 211. Our pass defense record took a nosedive as Stuckey's able arm connected with 3 out of 5 passes, for 74 yards.

Fryer and Underwood were injured in Saturday's encounter, but Underwood is expected to be ready to go against West Texas this Saturday. Fryer, who injured his arm, may be lost to the cause for the remainder of the season.

Frosh Blank State 25-0 In 4th Win

Battling on even terms in the first period, the Tiger freshman gridders continued on the win trail last Friday evening by downing the Colorado State Frosh 25-0 at Penrose Stadium.

As in previous games the Minuthmen completely outplayed their rivals. The Tigers made 11 first downs to the visitors' 9, and outrushed the Greeley men 146 to 89. Brothers' punts averaged 42.5 in the entire game.

The entire Minuth aggregation staged a brilliant performance in the well-earned victory. Dwight Brothers, Joe Holmes, Chuck Stoddard, Gary Lewis and Doug Van Metre were individual stars as the Tigers netted their fourth straight win.

Casualty List Makes Tigers Underdogs Against West Texas

Coach Ben Douglas and his injury-ridden Tiger eleven will go on the field as the underdogs in, the West Texas State game to be played on Washburn Field tomorrow afternoon. Seven of the original Tiger gridders are now on the injury list, namely, Glenn Blagg, Leo Kuzma, Roy Lilja, John Folsom, Bob Pringle, Dick Fryer and Zooie Tucker. The remaining able-bodied Douglassmen are going to attempt to prove to CC fans that they still possess ample ability to play a good game of football whether they win, lose or draw tomorrow afternoon.

C. C. Freshman Gridders Idle This Weekend

Coach Fritz Minuth's Tiger Cubs will rest this week end and will make preparations to go back into action Saturday, a week from tomorrow, against LaJunta Junior College on Washburn Field at 2:00 p. m. Coach Minuth is attempting to schedule a game with the Colorado University Freshmen for Thanksgiving Day on Washburn Field.

All-Star Intramural Exhibition Today

The Intra-Mural managers got together last week and searched the touchball rosters in an effort to find a match for this year's champs, the Kappa Sigs.

This year, as last, we selected an All Intra-Mural team but this year the selections will have a chance to prove their ability in an All Star game to be held today at 4:00 p. m. on Washburn Field. This game is being sponsored by the C Club and will cost all spectators a mere twenty-five cents.

The league winning Kappa Sigs placed four men on the All Intra-Mural team, the Betas placed two and the Fijis one. The managers chose almost unanimously, Charlie Pradt, Kappa Sigma brilliant passing artist for one of the backfield spots. John Sullivan, who led the Phi Gam seven all season so very ably, was sure fire for another back. The third backfield spot went to Chet Long on a close vote. Chet's great ability as a blocker game him the nod. At the ends Eathen Miller seemed to be another unanimous choice, with Ryan of Beta Theta Pi running a close second to put him at the other end. Little Shorty Long, the last Kappa Sig to make the first team was selected as the best center of the year. Bud Parlapiano, another Beta, nosed out Fields for first string guard position. The selections were as follows.

First Team	
Pradt, Kappa Sig	Back
Sullivan, Phi Gam	Back
C. Long, Kappa Sig	Back

Sports Ramble

By JOHN MULKEY

For those of you that are looking for excuses to justify the trouncing the Tigers took at the hands of the cowtown Bears last Saturday, it might be well to notice the number of players that started the Grinnel game who were out because of various injuries in in last week's tilt.

I admit that with good ball, the Tigers that took the field last week should ordinarily beat the Bears by a touch-down or more, but other than the fact that our boys gave a horrible exhibition of football there's this injury angle that is a sure out in any argument.

In spite of the bad game turned in by the team as a whole we couldn't help noticing some good ball playing that was turned in by our third string (if there is such a thing). Joe Henry and Paul Remaley did everything any coach would ask for of his ends. Joe repeatedly stopped Stuckey's running attack and when, in desperation, little Lowell dropped back to fire a long one, Joe was all over him. Remaley looked exceptionally good on the offense, snagging Pringle's passes as if he had glue on his fingers, catching the last pass of the game for our only tally. Also among the short timers who turned in sterling performances at Greeley were Bob McCinnis and Pete Florsheim.

The Quarterback club has sent feelers to CU, DU and Colo. Aggies in an effort to seek a post season game for the Tiger Cubs, who easily took the measure of the Greeley Frosh last Saturday night at Penrose, by a 32-0 score.

The QB club are maintaining that we have, in the form of Fritz Minuth's freshman ball, the best Frosh team in the Rocky Mountain Region, and they want to give them a chance to prove it.

The only drawback seems to be the fact that the Big Seven Conference limits freshman schedules to three games per year, but if this happens to be one of those flexible rules that the Big Seven has so many of, and we can get one of these clubs down here Turkey Day, you'll see one of the best crowds Washburn field has had all season. These boys play ball because they like the game, and it's a treat to watch them play.

Sportsmanship Pays

To the Student Body of Colorado College:

This letter is rather late, but anyway here goes. We are three of the Ramblers from Aggies who came down for the game on October 18. It was a great game, and we want to tell you how much we appreciated the courtesy and spirit of the team and student body.

The team played clean and fair, and we thought they were pretty good. We're sure your coach has nothing to be ashamed of, and from the spirit of your student body they realize it too.

The cheerleaders put on a wonderful show, and CC is certainly to be envied for having them.

We hope that when you come to Aggies, you will be as favorably impressed as we were.

Thanks to the team for the clean game and good spirit shown our Rams.

Sincerely,

Margine Reynolds
Betty Lou Hammond
Beth Eastman

COLORADO COLLEGE, COLORADO SPRINGS, NOV. 21, 1947 NUMBER 10

Bachelor Ranks Decimated by Defeat At Hands at C. C. Sadie Hawkinses

By DOROTHY DENNISTON

We think Daisy Mae would have better luck with L'il Abner if she copied the tactics used by the gals of Colorado College last Saturday. But then no one heard any CC men complaining when they were tagged. In fact the untagged fellows felt so badly they made out a list of their means and put it in Bemis in hopes of finding a girl who still had her tag. Hmm—why don't the girls start posting their names in Hagerman?

Ski Club Plans December Events

A ski fashion show, movie and luncheon are being planned for the early part of December by the Ptarmigan Ski Club, Bob Webb, president, has announced.

The members of the club under Mary Grill will model the ski fashions, which the local stores will supply. Some of the members who will probably model are: Nancy Vandemoer, Ed Seigel, Jim Gilkens, Hook Danforth, Taffy Bronsen, Ann Wright, Peter Tyree, Peggy Clark, Dave Shultz, Anita Brainerd, Wally Bischoff, Bob Packard and many others.

The purpose is to acquaint all those interested in skiing with the latest fashions in ski toggery, and to supply some of the necessary funds for the club.

Tickets will be sold to the public by the club members.

The luncheon and ski movie will be arranged to take place at the Broadmoor. Watch for future announcements, and all those interested in participating should contact Bob Webb.

Student-Faculty Coffee Resumed on Friday

The Faculty-Student Coffee Hour will be resumed Friday from 4:00 to 5:30 at the Faculty Club. The School of Letters and Fine Arts will be the special guests November 21. All students and faculty members are cordially invited to attend.

Music, Language Dept.'s In Christmas Program

One of the highlights of the coming Christmas season will be a program of special music performed by students of all the language schools and the music dept. They are rehearsing carols in French, German, Latin and English, to be presented Dec. 14 and 17, in Shove chapel. This is the first time a program of this kind has been attempted here and the prediction thus far is for a tremendous success.

AWS Square Dance Tonight at Cossitt

Tonight in Cossitt gym the Associated Students are giving a square dance. The dance will begin as soon as the basketball game is over at 8:45 p. m. and will end at 11:00 p. m.; the freshmen women will have special permission to attend the dance. Proper dress for the dance will be jeans for both boys and girls. Tickets are 50 cents a couple.

Dr. Lloyd Shaw of Cheyenne Mountain school is going to call the dances and music will be played by a three-piece square dance orchestra under the direction of Billy Marr.

Nancy Bryson, the social chairman of AWS, is in charge of the dance which was originally planned to be a freshmen activity but which has been opened to the whole school because of the enthusiasm shown by many of the upperclassmen.

Student Council Members To Go to Regional Meet

This Sunday, representatives of the Colorado College Student Council will attend the first fall meeting of the Intercollegiate Student Council on the Colorado A. & M. campus at Fort Collins.

The members of the delegation from Colorado College are Jean Hoel, Mary Lou Thomson, Sally Littell, John Hall and Reed Hollister.

The Intercollegiate Student Council is composed of members of the student councils from most colleges of Colorado and meets every two months to discuss problems common to all campuses in this area.

Dr. Brandt to Lead Tri-C Discussion Sunday

Dr. Thomas O. Brandt will speak on "Austria" at Tri-C, 20 E. St. Vrain, Sunday, November 23, at 7:15 p. m. Everyone is invited to come for the discussion and refreshments. The following week, because of Thanksgiving holidays, there will be no meeting.

Hockey Admission Free for Students Under Newly-Announced Policy

Colorado College students will be admitted to all 1947-48 hockey games free and tax free according to latest arrangements between Robert Bartlett of CC and Vern Turner, manager of the Broadmoor Ice Palace. However, all activity book tickets must be exchanged at Cossitt Hall for admission to the games. NO STUDENT ADMISSION TICKETS AT BROADMOOR ICE PALACE GATES.

It is imperative that the number of students attending the games be turned in to the Ice Palace ticket management at least two days before each game time.

Tickets listed below for Thursday and Friday must be exchanged on Monday or Tuesday in Cossitt. Exchanges must be made from 12:00 to 1:00 p. m. and from 3:30 to 5:30 p. m. each day. For Friday and Saturday night series the change must be made on Monday or Tuesday or Wednesday from 12:00 to 1:00 p. m. and 3:30 to 5:00 p. m. THERE WILL BE NEITHER CHARGE NOR TAX COLLECTED. EXCHANGE TICKETS WILL ADMIT ONLY CC STUDENTS TO HOCKEY GAMES.

Another important change is that ALL STUDENTS MUST ENTER THE ICE PALACE BY THE WEST GATE which has heretofore been used only as an exit. CC supporters will sit in the same specified sections in the west stands. The west gate entrance is being used this season to alleviate the former congestion of crowds.

Below is listed the Activity Book schedule for the remainder of this semester. Corresponding number for each hockey book game must be exchanged for an admission ticket. The two games with Michigan Tech on December 25th and 26th will have the book stamped in exchange for a hockey ticket; the game of January 17th with San Francisco Olympic Club will

Practice Basketball Tonight at Cossitt

The varsity basketball team is playing a practice game with the 15th Air Force team at Cossitt Hall, 7:30 p. m., November 21, 1947.

Synoptic Club

A second in a series of discussions on "Possibilities of a Universal Church," next Tuesday's meeting of Synoptic Club will be addressed by Rev. Frank R. Meyers. Rev. Meyers represents the position of the Anglican Church in interdenominational union.

More specifically, this meeting is another opportunity for all students to discuss a non-sectarian issue on a non-sectarian basis. Remember—at Synoptic, ANYONE'S contribution is EVERYONE'S gain.

Synoptic meets at 7:30 p. m. at 1019 N. Nevada.

require the submittance of front cover of the book.

Basketball games will follow the same procedure as football in regard to the validity of student books at the gate where the basketball game is played.

Students will be admitted to wrestling matches upon presentation of books.

Book numbers 12, 13, 14, 15, and 24 will be used for the two home games with University of New Mexico, two home games with the University of Idaho, and the game with Colo. Mines here on January 10th respectively.

Book No.	Date	Opposing Team

German Club

The second German Club meeting was held at Hayes House library on Wednesday, Nov. 12 at 7:30 p. m. Elections were conducted by Max Morath, chairman of the meeting, and the following officials were elected: Al Knorr, president; Marilyn Yost, vice president; Betty Hill, secretary; and Elizabeth Powell, treasurer. The group decided to meet every two weeks, but because of Thanksgiving, the next one will be held on December 10. Dr. Brandt has obtained some Swiss films for one of the January meetings.

Cafeteria to Close

Cossitt Cafeteria will be closed after lunch Wednesday, November 26th, and will re-open Monday morning, December 1st for breakfast.

Cossitt Commons,
Miss L. Randall, Mgr.

Xmas Reunion In New York

Students in the vicinity of New York around Christmas time and interested in going to a student get together between Dec. 25th and Jan. 1st are asked to contact Ed Cook or Bill Murray. Plans are now being formulated with probable meeting place to be Joe King's Fraternity House, more widely known as the G. A.

Speak Your Piece

By R.J.C.

In pursuance of the traditional policy of closing the door some time after the stall has grown cold, I should like to notify anyone that hasn't heard about it that the college is now working on a unified "cut" policy to be followed by all instructors. This is an excellent idea and should fill a need that has been felt on the campus ever since year one. The college is further asking for suggestions from the students which, if the usual student reaction to administration requests is followed, will elicit no response. There are nearly as many ideas probably as there are students, but in the name of all that is sweet and sensible, turn the ideas in! After the new policy is announced, there will be the usual wail of "oppression" from the downtrodden masses, but the college certainly can't guess at the student reaction to the whole problem if the students won't say something. Further, at the grave danger of establishing a precedent, it might be a good idea to think the problem out a little before turning in a masterful solution. If your solution should be, "Let's have unlimited cuts," you can be reasonably sure that the administration will utter a short laugh and go on to the next suggestion. If you go on to the extreme and suggest no cuts, it will take more than Lifebuoy to cure your unpopularity on campus. If you turn in some sensible suggestions, you can be sure that they will at least be considered, but if you turn in nothing, you will be handed an administration-sponsored plan and you will have the choice of liking it or lumping it.

Why Beat Your Head

By W.A.M.

Some students on the CC campus are concerned (and rightly so) about students of our college being told not to come back to a certain eating place just off the campus because of their color. The owner is merely protecting his investment, people have walked out when Negroes were served.

Even though the owner himself has no prejudice he is not going to stick his neck out on principles. After all the college sets the example by not allowing Negroes in the dorms. The students that are concerned might as well quit beating their heads against the wall. Ideals are fine but I'm afraid not practical at CC.

The Diplomatic Dollar

By W.A.M.

What are the implications of the Marshall Plan? Will it lead to greater understanding between the nations of the world or to further animosity?

Whether one is for or against the plan usually depends on acceptance or rejection of the idea that we are trying to help the countries. If it is strictly the use of the dollar instead of diplomacy, many people would hesitate to support it. In fact there are a lot of people that believe that this is the case and for that reason are not supporting our Secretary of State. Yet to be decided is what countries will be helped under this system. If only "democracies" are to get any aid it would certainly appear that we would be trying to prevent the transition of countries to a Socialist economy. At the present time it certainly appears that American help will be so conditioned. This would be in effect an attempt to force capitalism upon countries that might think they would be better off under a different economic system.

A few months ago the United States adopted a plan called the Truman Doctrine to "aid" Greece and Turkey. In Greece today those who favor the government get some food, while the arms we sent over keep the dissenters at bay. America is blamed for the confused situation. Has this helped the people of that country better understand us? Has it even helped them internally?

If the Marshall Plan is to be another "stop Russia" campaign let's call it that and then decide what we want to do. Again we are showing our distrust of the U. N. in by-passing it. In this way we certainly do not help to strengthen this organization. Yet, we loudly shout that we only want world co-operation. The Russian "iron curtain" and use of the veto does not help either.

The ideals behind the aid program sound very fine. Too often though ideals are destroyed by faulty administration. The people must be aware of this and see that it does not happen with the proposed assistance.

Gadzooks---No Books

By W.A.M.

Something should be done, and now, about the conditions prevalent at the library. The students can't wait for three or four years to use the books required for assignments this week or next. It is realized that the college tries to get a number of different books for the students. This does not help when a prof gives an assignment to a big class where they all have to use the same book in four or five days. Students have been known to get physically sick in an attempt to do such work under these prevailing conditions.

Just what can be done is impossible for one not of the library staff and administration to say. That more books should be bought I doubt will be denied. Perhaps the ASCC Council suggestion that hours be lengthened in the evening is practical and would help.

Some people have used the library as a study hall in the past. Now it is so crowded that there is little room and certainly no atmosphere conducive to such work. The dorms are no help in this case with their overcrowded conditions. Yet, the library room at Hayes House, a good study room possibility, remains closed in the evening when it could be put to good use.

The students can't wait two or three years for planned improvements. The profs want the work NOW. Anything that could be done would be appreciated.

Snoop with Stroup

By D. A. of the same name

Now that all the women are chasing all the men, and everyone has looked at their mid-semester grades twice just to make sure, things can go back to their usual state of abnormality, which always seems to be in prevalence around the Colorado College campus.

Friday was a particularly black day, what with little crumpled yellow envelopes everywhere, and a definite increase in coffee consumption at Murray's and J's. Perhaps basket-weaving should be introduced into the curriculum.

Saturday, men started hiding themselves. And Saturday night, they all reappeared. Those who didn't (reappear) missed one of the best dances of the year due to the fine orchestra and the student council, who made it possible, with special emphasis on Mary Lou Thomson.

In fact, many wierd things were reported to have taken place at the above function. Such as:

Dean Brown, with all the women asking her how she managed to get her hair into such an exquisite knot . . . Bob and Yonnie Bartlett con-

Kappa Sigma News

The Kappa Sig pledges held a skip-day on the active chapter and made themselves scarce the entire night. This is an annual affair and in it the active chapter spends most of the night trying to catch and dunk the pledges. Frequent sallies were made by the pledges in the form of fast swoops by cars and other such devices around the house.

fusing everyone with their masculine-femininity and feminine-masculinity . . . Kay Swanson minus shoes . . . Shirley Wolfenden, being herself in her Wolf Gal costume . . . Dorothy Dockstader advocating crepe paper for a costume (maybe she's advocating cotton by now) . . . P. U. Pfeiffer . . . Jim Gilkinson concealed behind the black forest on his chest . . . Walt Sweet and Herb Gollis, attired in blue formal and sex-appealing red sweater, respectively, wondering how women without burlap petticoats keep from freezing to death . . .

And what's this milk-can trophy argument that keeps rising up between the Kappas and the Phi Deltas? It seems that Bobby MacPherson found herself locked in the closet with it one Saturday afternoon. (The milk-can, that is).

News Flash! A large round gap may be found in the Bemis Commons window. Great shrouds of white bandage may be found on Donna

Theta Formal At Antlers Tomorrow

Kappa Alpha Theta will entertain pledges at a formal dance tomorrow night at the Copper Grove of the Antlers hotel. The dance will take place from 9:00 p. m. to 12:00 p. m. Chaperons will be Mr. and Mrs. Bartlett, Mr. and Mrs. Watson, and Miss Bertha Vernon.

Wolf's right hand. Any correlation between these two factors may or may not be purely coincidental.

Newest organization on campus: The Jolson for God Club meetings held every Thursday night at time of program. President, Bob Fisher, vice president, John Reeds. Inquiries made during office hours of same. Membership limited.

Most sensational evidence of a new outlet for expression found by Colorado College students: footprints, freshly made each evening, on the frosted windows at J's.

Then there was Betty Schade, who did an excellent job of skiing for the first time at Glen Cove last Sunday, then tumbled all the way down the stairs to Lennox Grill Sunday night. Incongruity. Or is it Betty?

Nancy Hoge, G. G. Conway, Cora Woodson, and Bill Grody know all about how to "roll your own" cigarettes these days. They took an hour out to learn down at Dern's Monday morning.

MEET THE...

Housemothers

On the campus, but unknown to most everyone except their fraternity sons and sorority daughters because they stay quietly in the background, are the housemothers. We would like to introduce them to you. Miss Vernon, the Kappa Alpha Theta sorority housemother, and all the fraternity housemothers with the exception of Mrs. Roehrig at Sigma Chi house are new this year.

Mrs. Ellen Cooper is the Beta housemother. She came to Colorado Springs thirty-nine years ago and stayed because she thought it was the "most delightful place I had ever lived." Her family lives in Colorado Springs.

Mrs. Lois Parker resides at the Kappa Sigma house. She had been a nurse in South Bend, Ind., before coming to Colorado Springs to visit her sister. Mrs. Parker had been here before and "liked the mountains." She became housemother last June first.

The Phi Delta Thetas have Mrs. Mary Brusse as their housemother. Her home was in Grand Junction, Colo., before coming to Colorado Springs last September fifteenth to take over her duties.

The Phi Gamma Deltas have been without a housemother this fall. However, they seem very pleased by the appointment of Mrs. Johnson who is on her way here to take over as housemother at the house.

While visiting in Colorado Springs at her daughter's home, Mrs. Adeline Roehrig met some of the boys from the Sigma Chi house and became interested in the position as the Sigma Chi housemother. Some of you will remember her son, Carl Roehrig.

Mrs. Lillian Jackson is the housemother at the Delta Gamma lodge. She is originally from Kansas City, Mo. She has been a housemother

D. G. Dance Tomorrow Night

The Delta Gamma's are holding a dance Saturday night from nine to twelve thirty at their lodge. It will be in honor of their new pledges and the chaperones will be Mr. and Mrs. Richard Pearl, Mr. and Mrs. Juan Reid, and Mrs. Lillian S. Jackson.

for ten years. Before coming to Colorado Springs she was the Kappa Alpha Theta housemother at Washburn College and Colorado A. & M.

Miss Bertha Vernon resides at the Kappa Theta Lodge. She is from Evanston, Ill., where she taught French in the Evanston Township High School. She was the housemother of Alpha Omicron Pi Sorority at Boulder before coming here.

Miss Margaret Smith at the Kappa Gamma lodge is from Kansas. She worked at Oklahoma A. & M. at Stillwater, Okla., as a hostess. She was at Nebraska University and Oregon A. & M. She came here three years ago.

Mrs. Viola McKinley is the housemother at the Gamma Phi Beta lodge. She is from Des Moines, Ia., where she was active in the Girl Scouts.

Kappa Sigs Repaint Fraternity House

Kappa Sig house is having a complete new painting job done. It is being painted in the traditional white and green, colors of Kappa Sigma. So far the rightside has been painted in white.

FEATURING THIS WEEK
Cogswell Theater

The headquarters for the Speech Workshop, Cogswell Theater which is located in Bemis basement, is the scene of more activity than the playhouse has boasted in many years.

Before this activity, created by Woodson Tyree's Speech Workshop, meetings in the theater had dwindled to a position of no importance following the opening of Fine Arts Center and consequent shifting of plays to its excellent stage.

Cogswell Theater was named after Mrs. Alice Cogswell, who had it built. The grand opening was held on the night of April 10, 1910 when the Girls' Dramatic Club presented "Title Mart" by Winston Churchill (not the British prime minister) to an audience composed of the "men of the College." The play was a terrific success although some of the cast had not learned their lines.

Koshare, for 13 years the play producing group on campus, had its headquarters there until 1942. Organized and directed by Arthur G. Sharp, Koshare presented a minimum of four plays a year in Cogswell.

At that time Cogswell had a switchboard and advance schemes of lighting which were dismantled at the time the Fine Arts Center was built so as to be available for roadshows which Koshare put on throughout the state.

The playhouse is still the scene of most of the preparation for college plays.

In 1944 Woodson Tyree took over the job of director of dramatic activities at CC. Through his efforts Cogswell Theater was reactivated and a modern radio control room was added to help in the Radio Workshop productions. An outside entrance was also put in. Up to this time the theater was accessible only by going through first floor Bemis and down the back stairs.

Because of Cogswell's central location on the campus, it is the ideal place for all of the dramatic events on the campus. It is to be hoped that advantage will be taken of the marvelous possibilities which the Theater offers.

The Christian Science organization meets Tuesday at 7:15 in Shove Lecture room.

New Christmas Train Arranged for Eastbound

On Friday, December 19th, the Santa Fe railroad has a train leaving Colorado Springs at 3:10 p. m., and arriving at Chicago at 3:30 p. m. the following day. Space is still available and reservations are now being made. This trip ordinarily involves change of trains at Kansas City, but if 18 or more reservations are made on or before November 29, a special car can be arranged which will be switched from train to train. Persons interested in this situation should call Main 1838 and ask for Mr. Godfrey.

V. A. Reviews Rulings On Veteran Students

For the benefit of World War II veterans enrolled in colleges and universities, Veterans Administration reviewed recent legislation and VA regulations affecting training under the Servicemen's Readjustment Act (GI Bill) and the Vocational Rehabilitation Act (Public Law 16) for disabled veterans.

END OF WAR — Public Law 239 sets July 25, 1947, as the official end of World War II for the purpose of computing eligibility for veterans' benefits under the GI Bill and Public Law 16. As a result, education and training under both laws must be completed by most veterans by July 24, 1956.

LEAVE POLICIES — New leave policies will permit unbroken subsistence payments to veterans going to college under the GI Bill and continuing their studies under an accelerated program. Veterans will be credited with 15 (Continued on page six)

Frosh Gridders Face CU Frosh at 2:00 P.M.

Forced to accept a cancellation from La Junta Junior College early this week, Coach Fritz Minuth succeeded in scheduling a game with the Colorado University Freshmen, which will be played on Washburn Field this afternoon at 2:00 p. m.

The Buffalo Cubs have an identical record as the Tiger Freshmen, which is four victories and one defeat. The Boulder men receive their setback from the Colorado A. M. Frosh by a 20 to 19 verdict. The Minutemen suffered their only loss at the hands of a strong Trinidad J. C. eleven by a 7 to 6 margin, early in the season.

Coach Minuth has his gold and black gridders well primed for this important game and a tough battle is anticipated, as the yearlings seek their final victory of the season. Probably starting line up for the CC Frosh will be: RE, Miller; RT, James; RG, Bruggar; C, Lewis; LG, Hay; LT, VanMetere; LE, Mills or Lyons; QB, Brothers; RHB, Stoddard; LHB, Holmes; FB, Jones.

Ticket E of the student athletic book must be presented to obtain admission to the CU Frosh game this afternoon on Washburn Field at 2:00 p. m. The general admission is 75 cents.

Tigers Drop Last Home Game To West Texas Buffaloes, 40-6

The Tigers wound up their home season last Saturday by dropping a 40-6 game to the West Texas Buffaloes from Canyon, Texas. The Tigers were outclassed in every department, as the Buffaloes racked up a total of 388 yards from scrimmage, good for 10 first downs, as compared to CC's 154 yards which netted them 8 first downs. French was on the throwing end of most of the 18 Tiger passes, of which five were completed for 85 yards. French also took over the kicking chores for the afternoon, and came out with an even 40 yard average. Tiger penalties were nil.

CC started out the afternoon looking exceptionally well, racking up four first downs before fumbleitis overtook them to set up the first West Texas touchdown. Five of the CC six fumbles were recovered by the Buffaloes to set up three of their six touchdowns.

The only Tiger score came in the fourth quarter after some neat kicking by Hal French put CC on West Texas' 35. Waters took a short pass from French on the first play and carried to the 3 yard line. French was good for one, Miller made another and then Waters went over standing up for our only score.

The end of the game found the Tigers in exceptionally good physical condition as all of the injury ridden squad pulled through none the worse for wear.

Tigers to End Season Against Wichita U. On Thanksgiving Day

Coach Ben Douglas and his injury-ridden Tiger gridders will attempt to close their season with a victory when they clash with the powerful Wichita University Wheatshockers at Wichita, Kans., Thanksgiving Day.

The gold and black received their fourth setback of the season last week by a power-drive West Texas State eleven. Coach Douglas is not at all pleased with the defensive work of the Tiger and unless a mark improvement is made in the pre-game drills the outlook for a final victory is dim.

The Wichita Wheatshockers have three excellent backs in Linwood Sexton, Anton Houlik and Art Hodges. Hodges deposited 785 yards rushing last season and is out to break his record this season. This is one man that the Tigers will have to stop if they anticipate a victory in the Turkey Day classic.

Tiger Hockey Opens Against Omaha Dec. 4

The Colo. College Hockey team will open their 1947-48 season next Thursday Dec. 4th and Friday Dec. 5th against Omaha University at the Broadmoor Ice Palace. Coach Cheddy Thompson has been drilling his pucksters for the last three weeks and from latest reports obtained, the Tigers are well prepared for the opening tilt.

Coach Thompson has not announced any definite line-up yet, but Red Seasons, center, Sonnie McDonald, wingman, and Joe Slattery, wingman, should all draw starting berths.

Returning lettermen from the 1946-47 season are: Howie Hushion, Center; Sonnie MacDonald, R. Wing; Lew Meier, Defense; Ron Newson, L. Wing; Dick Rowell, Center; "Red" Seasons, Center; Joe Slattery, L. Wing; Bruce Stewart, Defense; Bill Tutten, Defense; and Harry Whitworth, Center.

New additions to the Tiger puck squad are: Mike Yalich, Defense; Chris Ray, R. Wing; Pete Alexandra, L. Wing; Roy Ikola, Goalie; and Clark Wilder, Goalie.

All home games will commence at 8:15 p. m. sharp.

Hoop Season Opens Tonight in Exhibition Tilt With 15th 'A. F.

Coach Juan Reid's Colorado College courtsters open their long and hard schedule this evening against the 15th Air Force quintet. This exhibition game will be played at Cossitt gym commencing at 7:30 p. m.

The 15th Air Force coach reports that his basketballers are capable of overtaking the Tiger quintet but Coach Reed is out to prove to CC fans that his cagers are well polished and will commence their season with a decisive victory.

The gold and black cagers have been engaged in practice sessions for the past three weeks and Coach Reed is highly pleased with the excellent showings of Ed Scott, Eathen Miller, and Nick Yeonopolus.

There will be no admission fee for the game at Cossitt tonight, and all students are invited to attend.

Square Dance Tonight

Don't forget to attend the AWS square dance tonight at Cossitt, right after the basketball game. Lloyd Shaw will do the calling.

SKIS FOR SALE

Anyone interested in buying a pair of magnesium skis complete with cable bindings for \$35.00, size 6' 3", please call Helen Giertz, Bemis hall.

Intramural Boxing And Wrestling

All persons in school who have not lettered in varsity wrestling are eligible to compete in the Intramural Boxing and Wrestling Tournament which will be held on the 4th, 9th, 11th, and 16th of December.

Individual charms will be awarded to the winners in each weight. The following weights will be used in wrestling: 121, 128, 136, 145, 155, 165, 175, 191 and heavyweight.

The following weights will be used in boxing: 118, 126, 135, 145, 155, 165, 175 (and unlimited).

Each man will be allowed 1 lb. lee way in his weight. Each man must work out from now until the meet starts at least 3 times a week for an hour in the wrestling room where all necessary equipment will be available.

Men will weigh in from 2:00 to 5:00 o'clock, Wednesday, December 3.

Varsity Wrestling

About 20 men have turned out for the varsity wrestling team. There are still a number of weights open in this sport. All persons, whether they have had experience in wrestling or not are urged to come out for this growing sport at Colorado College.

Freshmen may be eligible for varsity competition in this sport. There will be 12 matches with various colleges in this region and the Rocky Mountain Conference Championships will be held here on February 27 and 28. All interested people should report to Bill Goodnight, Wrestling Coach at the office in Cossitt Hall.

TIGER SPORTS

FROSH Sport Bits

This afternoon the one defeated Tiger Frosh eleven will go on Washburn field to seek their fifth and final victory. Without a doubt this game will decide the Freshmen championships for the Rocky Mountain Region. The C. U. Frosh have only one defeat thus far this season, this was a one point setback handed to them by the Colo. Aggies. The Tiger Freshmen have garnered four wins and have suffered one loss, a 7 to 6 defeat to Trinidad J. C. It appears as though both teams are evenly matched in all departments, nevertheless the old crystal ball says: CC Freshmen, 13; CU Freshmen, 7.

When the Tiger puck chasers take to the ice against Omaha University on December 4th and 5th, keep your eye on a Freshman goalie by the name of Clark Wilder, who hails from Rochester, Minn. Wilder has 4 years of hockey experience at Rochester H. S. and made all-state goalie in 1945-46, while playing in the Minnesota High School hockey tournament.

The Tiger Frosh hoopsters who are entering their fourth week of practice, under the able tutoring of Pat Fitzgerald, have shown some considerable progress in recent drills. Coach Fitzgerald is highly pleased at the showing of Jack Pfeiffer and Jim Caywood stallant guards on the Frosh hoop roster. Pfeiffer was an all-state guard on the Durango H. S., Colorado state champs last season. Caywood has played three seasons of varsity ball for Tulsa H. S. in Tulsa, Okla.

Intramurals

The Kappa Sigs wound up Intramural football last Friday on Washburn field as they took an all-star aggregation composed of players from the other four fraternities and the Independent men, to the tune of 12-0.

Immediately preparations were being made for the next activity on the intramural agenda. According to the intramural manager, Leo Hill, boxing will all be completed before Christmas vacation. Volleyball, which started Wednesday night, will be run in the same manner as intramural football was, with a total of seven teams competing. Entries from the five fraternities, the Independent men and the faculty comprise the volleyball league.

Wrestling and boxing get under way December 4, when the first matches come off according to the bracket to be drawn up by the athletic department. Entries must be filed with Leo Hill by the 25th of November. Each organization is allowed two men in each weight. The point system is somewhat revised this year, five points going to the winner of each weight, three for second place, and one point for each win. Wrestling Coach Bill Goodnight stresses the importance of being in condition and demands that all prospective entries work out at least three times a week.

The Freshmen boys are at it again, and if you haven't already heard an aggressive group have organized a 7:15 club which meets every Saturday evening at an undisclosed spot. An election of officers was held at the last meeting and Jim Ward, a product of Waterbury, Conn., was unanimously elected president. Membership to the newly formed 7:15-ers is limited to only Frosh athletes who can live up to certain club regulations. The results of last week's meeting indicate that the 7:15 club will become an active organization on the CC campus.

In closing don't forget the game of the year to be played on Washburn Field this afternoon between the CC Freshmen and the CU commencing at 2:00 p. m.

Susan Reed, Folk Ballad Singer, To Perform at F.A.C. Next Tuesday

Susan Reed, 20-year-old ballad singer from New York's Cafe Society promises to duplicate the sell-out success of Josh White last year in her concert at the Fine Arts Center next Tuesday at 8:30 p. m. under joint Colorado College-Fine Arts Center auspices. Student seats are now on sale at the Fine Arts Center at the special rate of \$1.20, tax included.

Susan was discovered by Barney Josephson, owner of Cafe Society night club where she has been starred for more than a year. Her delightful and unorthodox concert style has won the attention of such national magazines as Life, Time, Newsweek, Vogue, Esquire and Mademoiselle.

Singing ballads, for Susan, is just doing what come naturally as she has been singing them since babyhood. She was brought up in fine old homes in South Carolina and was educated at one of Manhattan's best finishing schools. Her father is Daniel Reed, the distinguished playwright, and her mother, Isadora Bennett, is an executive of the American Theatre Wing.

A great many people have contributed to the legend that has made the red-haired, green-eyed Susan a popular star at 20, people like Carl Sandburg, the Lincoln biographer, and Lizzie Brown, her childhood nurse. Lizzie Brown was the first musical influence in Susan's life. Lizzie's lullabies were the street cries of old Charleston, colorful enough to stir the imagi-

ination of any child and to be remembered.

Like Josh White and Burl Ives, Susan has helped to popularize the Appalachian mountain songs and sweet lyrics from England, Scotland and Ireland. She plays her own accompaniment, alternating on the Irish harp, the zither and the "ever-lovin'," an instrument not precisely identified in her publicity. And don't think Roy or Johanna Harris can tell you what an "ever-lovin'" is because they say they never heard of it. The only way to find out, it seems, is to come to the concert.

VA Reviews Rulings On Veteran Students

(Continued from page four)
days leave to be applied at the end of the last consecutive term of attendance.

They will remain on the subsistence rolls for the entire period of enrollment certified to VA by the institution, providing, there are no more than 15 days between terms. Subsistence will be paid from date of enrollment to 15 days past the close of the last term they attend. All intervals of extended training between semesters and at the close of the school year will be considered as leave and will be charged against entitlement.

EARNING REPORTS—GI Bill students studying full time need file only an estimate of earnings on registration. The amount of subsistence allowance will be computed from these estimates. The periodic reports of actual earnings filed by veteran-students in the past no longer will be required unless there is evidence that earnings exceed the estimates.

STREAMLINED PROCEDURES—The new regulations have streamlined registration and subsistence payment procedures by eliminating numerous forms and reports required previously. Institutions no longer are required to submit to VA affirmative reports of conduct, progress and grades. Future reports will chart only unsatisfactory progress or discontinuances of

Mr. Pearl Authors Book on Minerals

"Mineral Collectors Handbook," a new text written by Richard M. Pearl, Instructor in geology at CC, is now in bookstores thruout the country, appealing especially to hobbyists in the field of mineral collecting.

According to Mr. Pearl a second edition is already being prepared for 1949-50 which will be considerably larger and "far more comprehensive, and better—because it will include the suggestions, corrections, and contributions which the author is soliciting from many sources."

The 297 page volume is divided into fourteen sections dealing from discussions of gems and crystals, care and preservation of specimens on through literature and societies.

There is so much material of different types available to mineral collectors in Mr. Pearl's book, that a short analysis cannot be made.

The general headings of the sections are: preservation, cabinet, museums, gems, crystals, meteorites, fluorescence, chemistry, tests, words and names, literature, field, maps and societies.

Copies of "Mineral Collectors Handbook" have not yet been received by Colburn Library, but is expected to be available there shortly.

Council on World Affairs Presents First Open Forum Thursday at FAC

Townpeople Also Urged To Attend

The Colorado College Council on World Affairs will present its first Open Forum next Thursday evening, December 11, at 7:30, in the Music Room of the Fine Arts Center. A panel of three students will discuss United States' Foreign Policy and the Marshall Plan, representing three general fields of interest—political, economic, and social. Following the panel talks, the meeting will be thrown open to questions and discussion from the floor.

Bill Barton will act as moderator; committees under Henry Lowe, Frank Kirby and John White are responsible for the panel discussion.

This open forum on the Marshall Plan is the first all-school meeting sponsored by the Council on World Affairs. The problem of understanding questions of international politics is one of vital interest to students, faculty, and townspeople as well. In an effort to create an interest in the Council's activities, townspeople are urged to attend and take part. World affairs are no less concern of townspeople than of Colorado College students and faculty. By means of this open forum and other Council activities, it is hoped that townspeople and students will get together in an exchange of ideas and information. Admission is free.

Grinnell Dean to Speak Here Monday On India

Dr. John Scott Everton of Grinnell College will speak Monday evening December 8 at 8 p. m. in the lecture room of Shove Chapel on the subject, "Report on India". The public is cordially invited.

Dr. Everton worked as senior representative of the American Friends Service Committee in India in 1941-45 where he administered personnel and the distribution of supplies in the relief program which helped to meet the famine of 1943 and 1944 in India.

Dr. Everton is a graduate of the University of Redlands, Colgate-Rochester Divinity School and Yale University, and has studied at Cambridge University. He is professor of Religion and Philosophy as well as Dean of the Chapel at Grinnell College. He will speak in Shove Chapel at the regular chapel service Tuesday morning.

New Debating Team Goes to Boulder Meet

The University of Colorado has invited CC students to attend a debate, extemporaneous speaking and reading contest to be held today and tomorrow at Boulder. The following students left this morning for Boulder: Donna Marie Krause, Annette Wilcox, Bill Shafer, George Allebrand, Irving Andrews, Robert York, Walter Layton, Vernon Twombly, Philip Blinder, Pete Buchan, John Reeds, Bob Fisher and Donald Wilfley. These students were chosen from Mr. Tyree's and Mr. Hart's English classes and the two teachers accompanied the group as coaches. Tonight, a banquet is to be held, following which the first contest will be run off.

Rumor of New Cut System Denied

In answer to the many rumors, stories and hints that have been circulating about a new school policy on cuts, Dean Gates has stated that there is no policy as yet and until the Student Council and the Committee on Instruction have met, the matter will continue to be handled by the individual professors.

Susan Reed Goes Over Big With CC Students at Tyree Shin-dig

By BILL MURRAY

The usual formal air of the Fine Arts Center on the night of a concert was certainly broken by Susan Reed. Miss Reed sang and talked with such a casual manner that one was tempted to forget the austere air of theater. Since she stayed in the Springs for several days following her appearance at the FAC, many people were able to find that she is just as natural off stage as she appears on. Miss Reed was at "Chief" Tyree's house for Thanksgiving dinner when Gilleran saw her with one of the Chief's old hats on and made her pose for the sketch shown here. The ballad singer was not left behind when it came to snappy come-backs. These are certainly essential in a house full of radio and stage actors, as the Tyree's was on Turkey day.

All of the guests were helping Mrs. Tyree prepare the dinner when Miss Reed arrived. Not to be outdone, she immediately donned an apron and helped with the baking. (Something she learned while singing at Cafe Society, no doubt). Of course there were a lot of complaints when she helped with the cleaning after the meal. The fine barbecued turkey certainly deserves mention, fact is, the whole repast was so fine that John Reeds, Bob Fisher, Wes Bradley and Caryl Spiegel were all quiet for over five minutes. This was a definite testimony to the quality of the food.

SUSAN REED

The above sketch was made by Peter Gilleran, art major at CC. Before coming to CC, Pete studied at the Detroit Art Center. During the war he picked up valuable experience sketching in China and India. In addition to his art work, he is active in the CC Players and the Radio Guild.

Miss Reed was the guest of honor at the weekly meeting of the J. for G. club which met after dinner. She was no doubt overwhelmed by having such an honor shown her.

(Continued on page eight)

Prexy's Health Fails Under Strain Of Endowment Work-No Alternate Yet

Colorado College President Thurston J. Davies has been granted a leave of absence from his duties at the college as the result of physical and nervous exhaustion brought on by overwork and a deep-seated chest infection, the Colorado College board of trustees announced today. Davies will be away from the college for an indefinite period (probably from five to six months) depending upon his progress in recovering from several years of strenuous work in the Marine Corps and in guiding the college through the post-war period.

He will leave Gloc'ner Hospital this weekend and go first to visit his brother-in-law and sister, the Rev. and Mrs. R. H. Cearhart, Jr., in Philadelphia.

Davies served with distinction in France in the Marine Corps in World War and was recalled to active duty as a lieutenant colonel as head of the Marine training program in colleges and universities throughout the United States. He graduated from Princeton University in 1916.

Returning in 1945 to the college presidency, which he assumed in 1934, he embarked on a program of additional facilities for students and increased salaries for faculty. Since last summer he has been working at top speed on the college's 75th Anniversary Endowment campaign to raise \$1,500,000.

On Friday, November 21, he saw CC freshmen football team beat the C. U. freshmen on cold, wind-swept Washburn field and caught a severe cold. He was taken to Gloc'ner two days later.

Davies is member of the executive committee of the National Collegiate Athletic Association and is on the committee for higher institutions of the North Central Association of Colleges and Secondary Schools.

No definite plans have been made for the college's administrative head, but the board said it would announce later a temporary administrator to act in Davies' place pending his return.

THURSTON J. DAVIES

Urgent Book Drive Opens Today-Give with Books You Don't Use

In response to two different appeals for books, the Student Council is sponsoring a combined book drive which will begin today and end Friday, December 12.

The first appeal came from the president of Baguio Colleges in the Philippines for text books, pencils and papers. After three years of Japanese occupation with the accompanying destruction, they are desperate for books and equipment to aid in the rebuilding of their educational system.

The second appeal came from the boys' reformatory and the county jail by way of Miss Donaldson's juvenile delinquency class. At recent visits to these institutions, a great need was expressed by the wardens for fiction, travel, and boys' stories. At the present they lack any sort of educational or entertaining literature and the monotony is deadly.

The student body must have hundreds of extra text and literature books which could be donated to these worthy causes. Collection boxes will be placed in most of the halls and everyone is urged to cooperate.

Going East?

There are still reservations available on the special through cars which the Santa Fe is operating to Chicago on Friday, December 19th. There are both Pullman and chair-car accommodations open on this train. All those interested may have further information by calling Mr. Godfrey, Main 1838.

World Affairs Forum

There will be a special meeting next Thursday night sponsored by the Colorado College Council on World Affairs—it is the first of a series of meetings in which townspeople and students may get together and discuss problems which face the world today. A lot has been written in the newspapers and more has been said over the radio concerning the United States sponsored Marshall Plan for the relief and reconstruction of Europe. Many questions, however, have been left unanswered, many unasked. How much will it cost? What business is it of ours to meddle in European politics and economy? What is the Communist threat? Can money and food make Europe democratic? And so on, and on.

The Open Forum Thursday night will start at 7:30 and will last possibly an hour and a half to two hours. How little time that is to devote to a problem so great. Every one of us is vitally interested in the Marshall Plan—it may preserve democratic tradition on the continent or it may throw us back into war. Why? That is a question that will be answered by the panel of "experts" who will present the problem.

Well, you say, I'm a math student, or a music student, or a chem student—I'm not interested in world affairs or I don't know anything about such things. This is your business to find out—any man can spare an hour or two if it may save the world. A well-informed public is the greatest weapon which democracy can have—a well-informed citizen is a good citizen. No matter what your interests are, here is your chance to add your two cents worth of information or ideas. The Council on World Affairs Open Forum will meet next Thursday evening, December 11, at 7:30, in the Fine Arts Center Music Room. Be there—it's the least you can do.—C.W.

More Sororities

The lack of enough sororities on this campus has resulted in accusing the sororities of faults for which they are not responsible. By having these Greek letter groups in the college we have created a demand for membership which at present we are not able to supply.

The policy of the college in regard to social life should

And Another Thing

By UDICK

First on the list of those left out in the cold are the undergraduates who have misplaced or lost their student activity books. At present anyone losing their packet of pasteboards is very much out of luck in arranging to see CC athletic events without paying general admission fee or borrowing a friend's book. While this seems more than somewhat rough to students involved, they might well first vent their vexation toward the undergraduate sharpies who, always willing to try an "angle," make it extremely difficult for the Athletic Department to set up a system whereby students who have actually lost their books can get replacements without other students using the same device for the free entertainment of their non-college friends.

In a short chat with Bob Bartlett, of the athletic department we found that "We realize the predicament which students are in when they have lost their activity books and would like to establish a system whereby they would not lose out on attending the fine events in which our teams participate. However, we can not adopt a plan which would be conducive to undergraduates "working the angles" claiming tickets as lost and receiving a duplicate book for the entertainment of non-students."

Mr. Bartlett expressed a willingness to try to arrange for the admission of students who have lost their books to the hockey games. This may possibly be done since an exchange ticket must be issued by the athletic department. As far as the other events are concerned, where the book contains an admission ticket, nothing can be done this semester if only for the reason that there are no more student books available for issue.

Therefore, any student, who has lost his or her activity book and who wishes to see the balance of the hockey games this semester, will be given a chance to explain their position (and with sufficient cause be entered on a list for hockey tickets) Saturday, that's tomorrow, between 9 and 12. The place . . . Cossitt Hall, Bartlett's office.

If any member of the student body has a plan whereby students who have lost their books could get a replacement and still the situation could be kept under control; write it down and give it to the TIGER, which, with the athletic department's cooperation, will see what can be done next semester.

Next week . . . "What cooks at CC" or "Quick George the vitamin capsules—I'm eating on west campus."

be to make the greatest possible number of students happy, but this school has failed to follow that policy by restricting the membership in sororities to a number significantly below the number of girls wishing to pledge. There can be no denial that many girls are deeply hurt after rush week if they have not been pledged; however the four existing sororities cannot alter this fact because they are functioning at near-capacity.

Isn't there an obligation on the part of the Committee on Undergraduate Life and the Associated Women Students to provide for the social welfare of the students? If there is, then these faculty and student groups apply their efforts to establish another sorority at Colorado College.—Name withheld by request.

Ice Skating Rink No Longer a Phantasy: Growlers Take Action

The Growlers have taken the initiative to do something about the proposed ice-skating rink in the Cossitt coliseum. This project has been talked of for many years but until this week nothing has actually been done.

Sonny Price—and his committee, composed of Lefty Brinkman, Bob Henn, and Mike Biega, have carefully laid plans for grading, leveling and flooding the coliseum, and if the weather remains favorable, students will be ice skating there before Christmas. Sessions will be held in late afternoon, and possibly in the evenings.

In order to prevent the water from soaking into the ground while it is being flooded, a base of sawdust and water will first be applied. For further protection, after the ice has formed, wires will be hung with canvas to keep the sun's rays from melting the ice.

The rink will introduce a new on-campus sport and will be open to all students desiring to skate. However, it will not be used for any of the hockey games.

Ptarmigan Ski Trip Opens Promising Year

The CC "snowbirds" really got a chance to try out their wings over the four day Thanksgiving holiday, when the Ptarmigan Ski club sponsored a trip to Winter Park and Berthoud. The school bus took 27, and many more went in private cars.

The trip up to Winter Park took about seven hours, including time out for meals. Once there, however, everyone got down to the serious business of skiing. Advice was plentiful on the type of wax to use, and how to get it on without lumps. Those who started out as beginners came back with the feeling that they had gotten over the first hurdle. The more experienced skiers who felt that they could take the big hill at Berthoud, had the thrill of riding the new chair tow, the last word in skiing luxury.

Meals and sleeping accommodations were furnished at Winter Park at very reasonable rates. There was turkey for Thanksgiving dinner, which surprised everyone planning to "rough it" for the holiday.

No serious casualties took place on the trip, which made its success even more complete.

SKI CLUB MEETING NEXT THURSDAY

The next meeting of the club will be Thursday at 7:30 p. m. in South Hall, not Wednesday as was previously announced.

MEET AND EAT AT LENNOX GRILL

Language Group to Broadcast on KVOR

This semester the German Department is sponsoring a series of broadcasts on KVOR, consisting of talks given by various students. On Armistice Day, Max Morath and Nancy Bryson talked about the foreign words which are found in the English language. Polly Pearson and Heloise Jones are preparing a discussion on the importance of foreign language in journalism, and Gene Pile, Jack Krieger and Douglas Potter are working on the topic of mutual prejudices in Europe and America.

The date and time of these broadcasts will be announced later.

Goulven to Address Tri-C Sunday Night

After a week's vacation, Tri-C will meet again on Sunday evening, December 7. Miss Denise Goulven, CC's new French instructor, will speak about "The Crisis in France." Miss Goulven received her education at the University of Paris, came to the United States two years ago, and took her MA at Miami University in Ohio. She will present many of the problems of France from first-hand information.

Tri-C meets every Sunday evening at 7:15 in Gregg Library and is open to everyone interested in discussing modern problems.

Have You Entered Any Good Contests Lately?

By UDICK

Along with the assurance of such permanent things as death and taxes, so the TIGER office is certain to receive news of national contests each month.

Putting down the urge to file these contest announcements under the "letters we never finish reading," the policy has been adopted of consolidating the announcements once a month or so in order that students, desirous of picking up a little pin money, a new Buick or a six months supply of Crunchie-Wunchies, may get on with it.

SHORT STORIES . . . Estate of Jack London will pay \$1,000, \$300 and \$200 for first three places. Cosmopolitan magazine will have first refusal rights on all other promising material.

MOVIE PLOTS . . . Writer of winning plot to receive \$1,000 and a ten-week writing contract (Hollywood) at \$187.50 per week, plus transportation. **RADIO SHOW . . .** \$1,000, \$300 and \$200 for first three places in suggesting weekly radio shows (such as "Take It or Leave It").

MOTION PICTURE TITLE . . . seven cash awards from \$500 to \$50 for best motion picture title. For information on all of above write Writers Talent Scout, Inc., 1067 N. Fairfax Avenue, Hollywood, Calif., which requests that no manuscripts be sent without first writing for further information.

ESSAY CONTEST — Open to all undergraduate college students . . . 5000 to 6000 word essay on "An American Program for World Peace in the Present Crisis" . . . Closing date April 23, 1948 . . . Entry blanks on request from Tamiment Institute Contest, 7 East 15th Street, New York 3, N. Y. First prize, \$1,000 with 13 additional awards amounting to \$2,000.

Dr. Knapp to Publish Biography of Smollett

Dr. Lewis Knapp has recently finished writing a biography of Tobias Smollett, which is to be published by the Princeton University Press next fall.

Tobias Smollett was one of the four most important 18th century novelists of England. He was born in Scotland in 1721 and died in 1771. A translator, historian, and book reviser, as well as novelist, Smollett is the author of the best 18th century travel book, "Travels Through France and Italy."

Dr. Knapp came to Colorado College in 1939. He has been doing research on Smollett since he first became interested in him while studying at Yale. He gathered material while traveling through England and Scotland and has built up an extensive personal collection of Smollett. Dr. Knapp has published about 20 articles on the subject, besides several essays on other 18th century authors.

Horsemanship Lesson Tomorrow Afternoon At Stewart Field

A demonstration of practical horsemanship will be given tomorrow afternoon at 1:30 on Stewart Field, under the direction of Mrs. Woodson Tyree. Beginning horsemanship, use of tack, mounting and dismounting will be among the things demonstrated. Both English and Western riding will be shown with "guinea pig" riders and mounts. Everyone interested in riding is cordially invited to put their boots on tall and come down to Stewart Field.

The next riding club meeting will be held on Tuesday evening at 7:30 at Lennox House. Plans for the spring horse show will be set up and committees appointed. Everyone is cordially invited.

Gamma Phi Formal

Gamma Phi Beta will honor their pledges with a formal Christmas dance on Friday, the 12th of December. The dance will be held at the Patty Jewett Country Club. The time is from 9:00 p. m. until midnight. The chaperones will be Dr. and Mrs. Barnes and Dr. and Mrs. Ernest Loder. In charge of the affair is Shirley Woolfenden.

The pledges to be honored are Mary Allerton, Gloria Perry, Barbara Simboli, Helen Giertz, Ruth Lindeman, Jean Begun, Winnie Wintz, Maggie Packard, Ginger Brown, Anne Sawlo, Margie Kraft, Ginnie Sharp, Barbara Clark, M. H. Morrow, Carol Fisher, Bev Wellborn, Shirley Temple, Helen Harman, Jane Little, and Persis Ayer.

Season's Festivities - Fall Two Weekends

This week-end, with its Beta and Sig Chi formals, the Ski Club's fashion show Saturday and trip to Glen Cove Sunday, need not seem alone when it comes to full schedules, for the weekend of December 12-13 also boasts many fine activities.

Festivities begin Friday evening with an Independent-sponsored all-school formal, followed with a triple star Saturday evening. Christmas formals are also planned by fraternities. The Phi Gam affair is scheduled at the Hawaiian Village, the Phi Delt function at the Antlers' Copper Grove, and the Kappa Sig event at Patty Jewett.

DG's to Fete Other Pledges Friday P. M.

"It sounds like fun" seems to be the favorite expression around the Delta Gamma House these days, and it's all because of the party the pledges have planned for the other pledges on December 5th.

The affair will be one of Latin-American motif with matching entertainment and refreshments.

Pledge officers are Peggy Merle-Smith, president; Mary Wall, vice president; Lucy Burns, secretary; and Doris Lyons, treasurer.

Featured in the entertainment will be Frances Hunt with her campus-famous Mexican hat dance.

Sigma Chi Xmas Formal at Home

The annual Christmas formal of the Sigma Chi fraternity will follow their old custom of home being the best place for Christmas celebrations by planning its function to include a dinner at the Swiss Chalet, followed by dancing, Christmas carols, Santa, and gifts around the traditional tree in the parlor. The gifts are novel exchanges between the dates of the evening. A delicious meal is planned and good music is in store for all, says Doc Garrison, Sig social chairman.

Ptarmigans Model Clothes at Luncheon

A ski fashion show, movie and luncheon will be presented by the Ptarmigan Ski Club at the Acacia hotel, Saturday afternoon, December 6th, at 12:30.

Helen Giertz, ticket committee head, reports an excellent sale of tickets, and reminds all those persons interested in winter sports that this is an opportunity to meet the people of Colorado Springs who also have an interest in collegiate snow-time activities.

The luncheon, planned by Dorotys Lucas and committee, will include veal with spiced apple and "plenty of trimmings." The movie will be a four reeler, and according to Pete Jones, includes many good ski shots. The models, under the direction of Mary Grell and outfitted by Kaufman's, Giddings, Lucas, Blick's, and the Mountain Sport Store, will certainly help to round out a perfect program. A skit by D. A. Stroup and Jim Ford should prove interesting.

Tickets are on sale to students for \$2.00, and \$2.50 to the public. This includes luncheon.

Snoop with Stroup

By D. A. of the same name

And so it seems that Colorado College students and faculty have again completed another extended week end successfully, capably, and with experience. It seems to be the one thing that members of the CC community really seem to know how to do well.

People like Annette Weiss, Gloria Pinney, Joanne Levy, and Denny Schoneberger came back smiling from Chicago, and Susie Anderson really did things up right by going clear back to Cornell to visit friend Harry.

But the people who seemed to have had the most colorful time during said vacation were those who went skiing. It is reported that some of them even skied, and it is strongly suspected that the newly popularized term, "Party every five minutes" was originated in this vicinity. Also, a mysterious new organization having to do with one's capacity to drink and not pay for some vastly popular beverage, was instituted.

But those who stayed at CC didn't seem to fare so badly, either. A contingent of the Phi Gam chapter seemed to enjoy their conversation with various young women of Bemis Hall, at an early hour one morning.

Question of the week: It seems that great hordes of young women have bestowed the title of "Father" on one benevolent and well-meaning Mr. Tom Stoker. Any information concerning the source of this great honor would be deeply appreciated. And Dick Sensenbrenner seems to have acquired four very fine daughters himself,

"Ski-Lodge" Theme for Christmas All-School Formal Next Friday

The CC Christmas formal at Cossitt "Ski Lodge" next Friday evening, December 12, promises to be much more than a dance according to the little hints which the planning committee has let inadvertently (?) drop. Men may wear wind-breakers, for their dress is optional; but women, the long suffering sex, will wear formals. After depositing a cool fifty cents in the available snow pile, admission is by way of toboggan. So all you fellas who remember last year's Christmas ball and the good times at the Pink Elephant Bar, and all you new ones too, grab your dates and schuss right into Cossitt. Once on the rink, you'd better waltz or ten-step her around a couple of times before you try dancing. It'll be slippery!

Dick Reiser will be there leading his sleigh borne band from nine to twelve. Reiser is the man who directed the music at the Homecoming dance. This all-school formal is sponsored by the Independent Men and Women.

as the result of a recent ski trip.

Important news flash of the week: Ruthie Nunn has sallied forth with her new "let's not be salty this week" project. Watch for it. Wait for it. It's terrific.

Shocks of the week: It seems that Mary Lou Parker's mother called Marcy Murphy this week end. "This is Dorothy Parker," she said. Marcy has not quite fully recovered.

SNOOP with STROUP

(Continued from page four)

Betty Sue Kurie answered "I don't know" to a question in Spanish class and found out it was the right translation. One of those very happy coincidences.

Fashion Note: The two most faded, most authentic-looking, most beautiful pair of blue jeans on the campus are possessed by: Miss Cynthia Wahlie and Miss Janet Fiedler. The most provincial pair: Miss Patsy Dinan.

It has been decided that it would be next to impossible to come to a conclusion concerning just who of the football team owns the brightest, loudest, most spectacular wool plaid shirt on the campus. They are all so overpoweringly beautiful.

Two more Kappa Sig pins found new homes this week when Charlie Alter, KRDO's chief engineer, pinned Ann Carpenter, and Prexy "Bobby Joe" Fields "Balfour reproduction" claims Zola Spincer as hisn.

And that seems to be the sum total of information scooped by the snoop this week.

R. J. C. Sez:

Every year there are published countless anthologies of humor that dredge up some old chestnuts that got a weary smile out of Rameses, and shoot them at a long-suffering public that is conditioned to accept anything with the right name on it. All over the country there are hordes of would-be anthologists getting tin ears, weak eyes and sick headaches from listening to, reading and otherwise absorbing jokes that never should have been told in the first place and are getting progressively less excusable. All this effort, I say, and these men are ignoring the richest vein of humor in the world and one which has barely been scratched. Nearly every day, there are stories of members of the great American public turning over their hard-earned cash to some fellow member of the American public who has shares in the moon for sale. It seems that the only ability required to be a smooth swindler is the ability to keep a straight face. Recently I read of two female swindlers who approached a member of their own sex and told her that they had found six thousand dollars and if she (the swindlee) would only turn over her life savings to show her good faith, they (the swindlers) would tell her where she might go to get the six thousand. Upon hearing this, the woman whipped into her bank, withdrew her life savings of about four thousand dollars, turned the money over to the two swindlers, went to the address they had given her and then, if you can believe it, was surprised to find neither six thousand dollars nor even six thousand good wishes forthcoming. When things like this come up in the daily paper, there comes a tired feeling and a

mild wonder as to how the human race ever managed to get up off all four feet. I also wonder how in the name of all that is sweet and holy how the woman (the swindlee, again) ever managed to get her hands on four thousand dollars. The only solution that I can see is that there just aren't enough swindlers to go around; another post-war shortage, I suppose. But even granting a lack of swindlers, one would think that a person with her child-like faith would have died of starvation shortly after birth. Despite the elements of great tragedy inherent in this story I find myself interested in the swindlers. What would one say to make such a bald-face lie sound convincing to anyone who had the native intelligence even to listen? Did they show her a gold brick as a proof of their good faith? How, for that matter, did they open the conversation? If someone came up to me and said "Say, I just found six thousand dollars," my only reaction would be to start edging nervously towards the nearest exit. Oh, well, I suppose I'll never know and right now I have to hurry home to see if that goose I bought has started to lay golden eggs yet. I was lucky to get it for only twenty-five dollars, but the fellow that had it was pressed for money and was willing to sacrifice it because he liked me.

Omaha Again Tonight, Canadians Dec. 9 & 10

Dual Meet with Indians Opens 47 Ice Season

Minnesota Boy, Roy Ikola,
In Goalie Position for CC

Tonight the Bengal pucksters will again face the Omaha University sextet at 8:15 on the Broadmoor ice. The Indians are the first team that the CC team meets on its way towards what it hopes will be the first intercollegiate ice hockey championship. Eleven members of the squad are returning lettermen and the goal tending job, which illness forced Don Bates to leave last year, will probably be filled by Roy Ikola, transfer student from Eveleth Junior College. The schedule which CC faces is one of the toughest in its history including squads from Minnesota, Michigan Tech, Harvard, U. of California and the Swedish Olympic team.

In hockey it is the forward line that does the scoring, and last year's trio of Harry Whitworth, Sonnie MacDonald and Joe Slattery are back doing it again. Other combinations will probably include Dick Rowell at center, with Howie Hushion and Bruce Stewart alternating in the left wing position, Chris Ray and Vern Wishart are handling the other wing.

Low Meier, Bill Tutten and Ron Newson, one of last year's wingmen who has been shifted to the back line, look to be playing the number one defense positions. Hal Spellisey and Milo Yalich will be seeing a lot of action in defense play also. The goal probably will not be the sole domain of Ikola for Clark Wilder is equally dependable at stopping the puck.

U. P. Names Waters and Overman to All-RMC Team

Capt. John Overman and Harry Waters were selected by the United Press to positions on the All-Rocky Mountain Conference football team early this week. Overman was selected for his outstanding defensive line play, while Waters was rated as one of the sensational ground gainers in the conference for the Tiger backfield. Honorable mention went to: Joe Henry, end; Guy Carstens, tackle; and Bob Pringle and Mel Tucker, backs.

BENGAL PUCK CHASERS—In quest of a National Intercollegiate hockey championships for 1947-48. The above men make up the Colorado College Tigers hockey squad. The photo was taken on the "home rink," the Broadmoor Ice Palace. The men are: Front row, left to right: Ed Siegel, manager, Joe Slattery, Jack Might, K. Frey-

—Cut Courtesy of Free Press—Photo by T. O. Johnson.

schlag, Buck Reinking, mascot, Red Seasons, Chris Ray, Pete Alexander. Second row: Coach Cheddy Thompson, Roy Ikola, Harry Whitworth, Hal Spellisey, Sonnie MacDonald, Howie Hushion, Ron Newsom, Norm Nestlerode, Roosevelt Collins, trainer. Back row: Clark Wilder, Lou Meier, Bruce Stewart, Mike Yalich, Dick Rowell, team captain, Vern Wishart, and Bill Tutten.

Saskatchewan Skaters Face CC Tues. & Wed.

As yet the line-up of the Saskatchewan Huskies is not known. The latest bulletin from Saskatoon states that certain members from last year's team may not be playing this year. This is due to the fact that there were 123 aspirants for positions on the squad. Quite a few of those out are men who played through high school and in the junior colleges.

This will be one of the best teams that the Tiger pucksters meet this season. There is no doubt that it is one of the strongest that the university has ever put on ice. The green and white sextet has a good chance of winning back the Halpenny Trophy, which has been held by Alberta for eleven years.

The Huskies postponed their opening game in the Senior "B" loop in order to make the trip to Colorado. They feel that trips such as these pay off in good will.

In 1945-46 the Tigers lost two contests to Saskatchewan by the scores of 5-3 and 7-0.

Two CC Cub Sextets To Play in Jr. Hockey League—Practice Sat.

It has been announced by the athletic department that two "B" hockey teams are planned for this year. The teams will be playing in the newly-formed Colorado Springs Junior Hockey League.

The league itself is being set up with only five teams; there is a possibility that more may enter later on. Vern Turner, manager of the B-moor Ice Palace, Jay Ver Lee, of the city's recreation department and Cheddy Thompson have been named as commissioners of the league.

The teams entered thus far are Fountain Valley School, Cheyenne High School, the Colorado Springs Rangers and the two college teams. Jack Chamney, former CC hockey player, class of '46, who is teaching at Cheyenne H. S., will coach the Indians. Ron Newson and Howie Hushion

of the CC varsity sextet are working with the Colorado Springs Rangers. The Fountain Valley Vikings are coached by Russell Morse. Two other CC varsity players will handle the Cub teams from the college.

The next practice for the "B" squads will be Saturday, 5:00 p.m., at the B-moor rink. All those who have been out so far and any others who would like to try out for the teams should be at this practice. You must have your own skates, all other equipment will be supplied.

Hockey Tickets

TIGER COURT SEASON OPENS TONIGHT

Freshman Cagers to Play Pueblo JC Tomorrow Evening-Game Begins 7:15

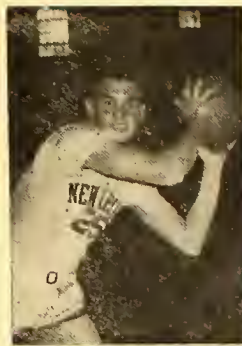

The CC frosh basketballers will pry open their 1947-48 hoop schedule Saturday evening when they face the Pueblo Junior College quintet at the City Auditorium at 7:15. Coach Pat Fitzgerald has had his squad in practice sessions for over four weeks and the Cubs will be well primed for the opening tilt. The freshmen squad, now consisting of fifteen men, has some promising material on hand.

Coach Fitzgerald has not yet announced a starting lineup although he has been highly pleased of the showings of Jim Caywood, guard, who plays an outstanding game in the back court; Jim Gepford, 6'2" center; Jack Osborn, forward, who is extremely fast and shoots with deadly accuracy; Bill Bangert, guard, who controls the rebounds and Chuck Bouchard, forward, who swishes the hoop consistently. These men should all see plenty of action in the Saturday evening encounter.

For reserve strength Coach Fitzgerald can depend on forwards, Jack Gray, Marvin Powell, and Bill Harley; (Continued on page eight)

No RMC Championship In Football This Season

Due to conflicts over individual season records, the Rocky Mountain Conference Board decided that no championship would be awarded to any R.M.C. football team for this past season. Colorado College and Colorado State each had a season record of two victories and one defeat. Colorado College received its lone defeat from Colorado State, and Colorado State was defeated by Montana State. Montana played only one R.M.C. game this year, and it would therefore be unjust for either of the top teams to be awarded the championship.

—Gazette-Telegraph Photo.

In Action Against CC Tonight

Dale Cooper and Homer Olson, two sophomores from NMU who will probably see action tonight. Cooper played at Texas Tech before transferring to the university. He is 21, 180 pounds, 6'1½". Olson is 6'2½" and weighs 180 pounds. Both men are Army veterans and both play in the guard position.

FROSH Sport Bits

Colorado College fans who braved the bitter cold and snow to witness the climax of the Freshman grid season, a sensational 24-14 victory over the Colorado U. Frosh, will have to wait quite a while before they will see another exhibition as fine as the one the Tiger Cubs displayed. Coach Minuth and the entire freshman team deserve a lot of praise for the outstanding record which they established this past season. In six games the Cubs rolled up 136 points to their opponents 34. They out with five wins and one loss, the loss being handed to them in their very first game by Trinidad Junior College, by a 7-6 score. They went on to defeat Western State, Colorado Mines, Camp Carson, Colorado State and topped these off with their sterling victory over C. U. Frosh. Coach Ben Douglas can look

forward to some outstanding prospects who will be seeking berths on his varsity squad, come next September.

Although hockey is not a freshman sport at CC there are four first year men who should see plenty of action this coming season with Coach Thompson's varsity puck-chasers. They are: Pete Alexander, wingman from Cleveland, Ohio; Chris Ray, wingman from Belmont, Mass.; Clark Wilder, goalie from Rochester, Minn.; and Hal Spelliscy, defense man hails from Regina, Saskatchewan, Canada.

Tomorrow evening at 7:15 the freshmen quintet will make their first debut of the season. Their worthy opponents will be the Junior College basketballers from Pueblo. Coach Fitzgerald's aspirants will attempt to continue the fine athletic record the freshmen teams have established this season. Therefore I anticipate a Frosh victory and let's say by a ten point margin...

CC Basketball Team Will Meet NMU Lobos Tomorrow at Aud.

FRESHMEN FACE PUEBLO J.C. IN PRELIM, SAT., 7:15

The CC basketball team opens its intercollegiate competition tonight against New Mexico University at the City Auditorium. The Lobos will face our courtmen again tomorrow in the last game of the series. The preliminary game tonight features CSHS and South Denver High, while Saturday will be the opening of the frosh season when the Cubs face the quintet from Pueblo J.C.

This will not be the first game of the season for the varsity as they have beaten 15th Air Force 96-16 and Camp Carson 73-19. Tonight the competition will probably be a lot stronger. It was in the Camp Carson game that Eathan Miller suffered a sprained ankle which may keep him from starting tonight. If Eath is unable to play, coach Juan Reid will probably start Wilfred Perkins and Bob Rowe in the forward positions; Ed Scott, last year's high scorer, at center; with Nick Yeonopolus, captain, and Jack Quamme in the guard slots.

New Mexico will have in its line-up, six feet, three inch forward, L. C. Cozzens, who was leading scorer in the Border conference last year and six feet, five inch center, Ned Wallace, the second high scorer. The average height of the silver and red starting five is over six feet, all are letter men from last season's team which was one of the top quintets in its conference.

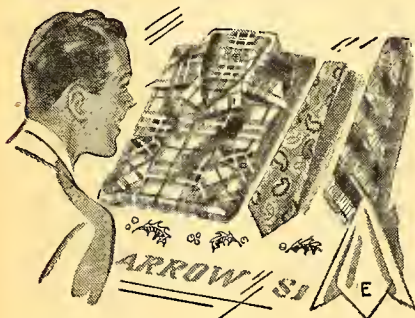

The Tigers' lack of height will be compensated for by a fast moving offense and tight defense. The varsity games will start at about 8:30. Activity book stubs numbered 12 and 13 will be honored at these games.

Hockey Rules Explained For Novice Spectators

By BUD NESTLERODE

Last night many students saw their first ice hockey game at the Broadmoor Ice Palace. For the benefit of our neophyte fans and those who wish to further their hockey education we submit the following: present day ice hockey may be governed by either AHA or NCAA rules. Our first four games will be played under the former set. The AHA red line rules are used in Canada and U. S. amateur and professional leagues. NCAA blue line rules are the official American collegiate rules. The difference between the two sets of rules lies mainly with two points—offsides and body-checking. In AHA rules a twelve inch red line is painted across the center of the ice and the puck must precede all players going into the other half (attacking zone) of the ice or an offside is called and the puck is faced. In NCAA rules two twelve inch blue lines are painted across the ice dividing it into three sections. The blue lines serve the same purpose for an offside as does the single red line, in that the puck must precede the players across that blue line farthest from their own goal, that is into the attacking zone. Collegiate blue line rules allow body-checking only in the defensive zone and only by a member of the defensive team. The defensive zone of a team is the

to Students

Tomorrow at 1:15 p.m.
ACACIA BALLROOM

Tickets available at the door, Blick's, Lucas', and from Ski Club members.

distance from their end of the rink to the first blue line. Body-checking is allowed anywhere under the AHA, or red line rules.

A team is composed of six men—left wing, right wing, center, left defense, right defense, and goalie. The first three men are known as the forward line. It is the job of the center to set up plays while his men are to put the finishing touches on them by scoring. The job of the defense men is to protect the goalie by breaking up rushes by the opposing team. The goalie is the man whose responsibility it is to see that the puck does not enter the goal or net that he defends. When play is in his defensive zone, a goalie may direct other members of his team, so that they may better cover the opposition.

The programs available at the Ice Palace include a summary of the hockey rules and penalties for infractions of same. If you are a new fan a short briefing of these rules will aid your enjoyment and understanding of the game a great deal.

Live Talk

By Joe Press

For more than a quarter of a century the name Louis Armstrong has been synonymous with the best in hot jazz.

The year 1947 finds this giant of jazz heading a six-piece group featuring such instrumentalists as Jack Teagarden, Big Sid Cattlet, and Barney Bifard. Those of us fortunate enough to be present at Louis' opening in Los Angeles this summer were thrilled by his playing and singing. Anyone who dug Louis' rendition of "Confession" at Billy Berg's will bear witness to the fact that he still ranks as one of swingdom's outstanding citizens.

Armstrong's career is well represented by three albums of reissues and one new release. Columbia gives us "Louis Armstrong's Hot Fire," featuring Kid Ory, Lil

Susan Reed Goes—

(Continued from page one)

Ann Bell Alsop, Billie Jones, Ruth Reeds, Mrs. Gloria Brookshire, Eldor Mainville and Jim Wischmeyer were also present. Despite the truly tragic tale of woe from Wichita, "Colorado C Men" was sung with spirit and "harmony" if monotonies can harmonize).

Life on the TIGER staff wouldn't be nearly as tough if there were more assignments like this one was.

Freshman Cagers to—

(Continued from page seven)

guards, Jack Pfeiffer, John Koopsen and Dick Grater.

Little is known of the Puebloans since this is also their opening tilt but from previous reports received the visitors have floored some outstanding teams in past seasons.

This game will be the preliminary game to the CC and the New Mexico University contest.

Digest Elects Pearl To Editorial Board

Word was received this week that Mr. Richard M. Pearl, instructor of Geology, has been elected to the editorial board of the Earth Science Digest.

This national magazine is devoted to popular mineralogy and geology, and is published at Ann Arbor, Michigan.

Hardin, and Johnny Dodds. The boys romp through eight sides including "Once in A While", "Struttin' With Some Barbecue", "Sorry Blues," and "Ory's Creole Trombone." Although these sides were made in the late twenties, Satch's horn is tremendous, even by present day standards. The rest of the band sounds dated. Dodd's clary may prove interesting to two-beat fans. "Louis Armstrong—Paris 1934" on Vox, contains the sides Louis made for Polydor with an international aggregation. With the exception of pianist Herman Chittison, the band sounds

COLORADO COLLEGE, COLORADO SPRINGS, DECEMBER 12, 1947 NUMBER 12

VA Surveying Subsistence This Week —Speak Up by Wednesday, Or Never

A Veterans Training and Subsistence Survey under the auspices of the State of Colorado Department of Veterans Affairs is being conducted on college campuses thruout the state. Senator Ed Johnson and Eugene Millikin requested the survey, which ends here next week. Veterans have till Wednesday, December 17, to fill out the survey blanks, obtainable at the office of the Dean of Men. The form consists of questions relative to the veteran's present subsistence allotments and housing conditions. There is also space for veterans to air any complaints which they have been harboring.

Similar surveys are expected to be conducted in other states. Congressmen want to have the veterans state their cases so that Congress can act accordingly. Obviously, unless veterans fill out the survey blanks they cannot expect their representatives in Congress to take any action. But, the senators believe that many veterans are dissatisfied with the provisions of Public Laws 16 and 346. Therefore it is distinctly to the advantage of veterans to go to Dean Reid's office and fill out the survey blanks.

Mr. Edward Bever, Liaison Representative from the Colorado Dept. of Veterans Affairs, will be here on the campus next week to discuss problems with veterans. An appointment with him can be made by contacting Juan Reid, Dean of Men.

Next Wednesday is the last day on which the survey will be conducted on the Colorado College campus. The survey has a direct bearing on any future raise in subsistence allotments or improvements in veterans housing; so state your case before Wednesday. Survey blanks are available at Dean Reid's office now.

Clothing Drive Continues for Finns

Friends of Finland are still sending boxes of clothing and shoes to several churches in Finland. Each box is sent directly to a minister who in turn distributes the gifts to the very needy people.

As no clothing has been manufactured in over six years the people are wearing paper for clothing, so the need is very great.

A box in Lennox House will take any contributions of clothing and shoes anyone would care to give.

"HE USETA BE ONE OF TYREE'S BOYS"

C. C. Debaters Take High Honors In Forensic League Meeting At Boulder

Honors in debate, extemporaneous speaking and prose and poetry readings came in large measure to Colorado College's newly-formed debate team which participated in a non-elimination contest as guests of the University of Colorado at Boulder, December 5 and 6. Teams from CU, DU, Colorado Aggies, Regis, the University of Wyoming, Colorado State and Loretto Heights College in Denver participated in the meetings of the Colorado-Wyoming Forensic league.

In a four-round no-elimination debate, the CC affirmative team of Bill Shafer and Irving Andrews, and the negative team of Walter Layton and Bob York were named superior to six other teams, tied with one and placed below another.

Wes Bradley and Bob Fisher were named superior in the prose and poetry readings. Other CC contestants in the readings, extemporaneous speaking, oratory and after-dinner speaking included Pete Gilleran, Pete Buchan, Caryl Spiegel, Peggy Merle-Smith, John Reeds, Vernon

Twombly, George Allebrand, Jim Turk, Dave Wilfley and Philip Blinder.

Colorado College will sponsor an invitational debate tournament and forensic contest on January 17 for the Colorado-Wyoming league, Mr. Tyree has announced. David Hart, instructor in speech, and Tyree accompanied the debate team to Boulder and acted as coaches.

Stabler to Speak At Tri-C Meeting

Dr. Robert Stabler, Associate Professor of biology at CC, will bring some of his snakes with him when he speaks at the Tri-C meeting to be held 7:15, Sunday, December 14, at 20 E. St. Vrain. The following Sunday, December 21, the group will go carolling.

John Hall Resigns as Business Head Of Tiger; Job to Be Filled Monday

With the resignation of John Hall as business manager of the TIGER, effective as soon as a successor can be chosen, the position has been thrown open for applicants. Hall has been forced to resign by pressure of preparation for comprehensives, looming in January. He had held it since last April, when he was chosen by the Publications Board and the Student Council to succeed Eaton Smith.

The term for which the new business manager is to be chosen will expire at the beginning of April, 1948. If the position is capably filled during this period it is possible, subject to the action of the Student Council, that the appointment will be renewed for the following full-year term, '48-'49.

For this reason, it is likely that the Student Council will waive the constitutional provision for senior standing of applicants; however, it is essential that the applicants either be business or economics majors, or have had previous experience in the business field. In choosing the new business manager from the list of applicants, the Publications Board and the Council will consider good academic standing as an asset, since the time required in filling the position could be a serious drag on an already lagging student.

Salary for the position is \$500 a year, and there is a chance to earn an additional bonus, through efficient handling of the TIGER's business, subject to jurisdiction of the Publications Board. The position is on a par with that of managing editor of the paper, and carries with it membership on the Publications Board. It is currently reinforced by an able business staff, and the paper is in excellent financial condition.

Applications, specifying experience, must be submitted by noon on Monday, December 15, to John Hall, or left in the TIGER box in Cutler Hall. This is only three days in which to apply, though duties will not have to be assumed immediately upon appointment.

Harris to Give Lecture Concert

The third lecture concert of Roy and Johana Harris will be given in the Music Room of the Fine Arts Center on Tuesday evening, December 16th, at 8:15 o'clock. This lecture concert is open to the student body and faculty of Colorado College at no cost.

The Harris will be assisted by Mary Alyce Bennett Graves, contralto, and Erwin Windward, tenor.

Johana Harris will play works by early keyboard composers—Bach, Handel, Haydn, Schumann, Brahms, Chopin, and Liszt.

Infirmiry is Giving Flu Shots to Students

Dr. Whitney has reported that shots for influenza are now available through the infirmiry. A single shot is all that is needed to give winter-long protection. This is a protection against an epidemic of influenza such as hit the campus and town last February. Anyone who had it then will say that it is well worth the \$1.00 per shot (paid through the treasurer's office) to have this protection. However, no guarantee is made for colds or mild attacks of flu. Anyone known to have a sensitivity to eggs is advised against applying as the vaccine is grown in eggs. This protection is a good thing to get before going home for vacation and mingling in crowds.

All-School Formal Tonight at Cessitt

The CC all-school Christmas Formal will be held in Cossitt Gym tonight. The dance will begin at 9 p.m. and those who haven't already purchased their tickets at the booth in Palmer Hall will be able to buy them at the door. They will be fifty cents a couple.

Clarice Hads and Bill Murray are in charge of the dance, sponsored by the Independent Men and Women. The theme will be a winter sports scene. The music will be supplied by Bill Giefler and his orchestra, well remembered by CC dancers who attended the Homecoming dance. Dr. and Mrs. Smith and Dr. and Mrs. Erricson will be the chaperons. The dance will be formal but dress for the men optional.

Due to circumstances beyond control there will not be the much talked of toboggan slide, but those in the know assure us that they've got another clever idea up their sleeve to take its place.

Ski Bus

Not Another Sorority!

Colorado College has often been considered outstanding in its democratic sorority system. Don't we want to keep this salient feature of CC strong? If we add another sorority to the campus, we can't.

As it stands now there is an equal number of girls in the sororities and in the active Independent Women's Association. If there were another sorority the Independent organization would be smaller in numbers than the sororities; this would soon lead to the scattering of the Independents. They wouldn't be strong enough to compete fairly with the sororities as they are now.

It is true, another sorority will mean there would be fewer girls not pledged, but think how deeply hurt those few would be! Another sorority is the solution for fewer hurt hearts, but these fewer hurt hearts would be broken!

The Independents and sororities are evenly divided now—let's keep it that way; let's continue the democracy of our campus!

EDDY ROSE

What Price Education?

By JOHN HALL

Today, looking at this campus we see that some of the buildings are tired by service and outmoded by age. Why? There are plans for new dormitories where tired students can relax in modern comfort. There is hope for the old buildings to have their faces lifted. Why only plans and hopes? Money is the answer. That is why the college is going all-out to meet the \$1,400,000 goal upon which these questions depend.

We as students of Colorado College have a goal—100% individual participation. Our co-operation must inspire other donors by our whole-hearted belief in the future of this school.

Classes are competing under the leadership of their commissioners, with the freshman class at the front. Pledge booths will be open in Palmer on Monday, Wednesday, and Thursday of next week from 9:00 to 12:00 to make it easier for students to sign pledge cards. Make this contribution in the interest of a better college.

And Another Thing

By UDICK

\$1.75 Refund for Ex-G.I.s

More good news for "Our boys home from the service." In keeping with the understanding of the moment with the Veterans Administration and along with several other schools of the area, Colorado College extracted \$1.75 from GI students as tax fee on their student books.

Since then the VA, the Bureau of Internal Revenue, and other agencies, commissions, committees and boards have formulated the policy that tax is not due from GI students.

Consequently, any students now attending CC under the GI Bill and who paid \$1.75 tax fee on their student books, should clutch student book in hand and get in that line in front of the pay window at the Treasurer's office.

For those who always want to know what's going to happen ahead of time . . . Your book will be stamped to the effect that you have received your money back, you will sign a statement to the effect that you have gotten your money back and then . . . you get your money back. **Do it now** (as if you had to be told).

Chow Hounds, Unite!!!

Perusing the file on "we was left out in the cold dept." we were struck by the situation of the men students unable to arrange for a meal plan at Cossitt, or for that matter, any place on campus, except fraternities.

Trudging over to that popular west side food factory we fortunately ran into Miss Evalyn McNary, chief of all CC dining rooms, who blew us to a cup of coffee (cash transaction, too) and indicated she would wholeheartedly cooperate in attempting to set up a workable plan.

As a matter of background on the subject we learned that individual meal tickets were sold last spring in an attempt to answer the situation. That plan registered its success in large red figures on the Cossitt profit and loss ledger. (It lost money, too).

However, Miss McNary expressed a willingness to try a plan next semester which would enable subscribers to it to eat 20 meals for \$10 a week (no Sunday evening meal).

There are these restrictions that must be met: (1) There would have to be 100 or more students sign up for it. (2) Signers would have to sign up for the entire semester with the understanding that there would be no week to week dealings. (3) The plan would cost each individual \$170 for the semester with the provision made for four equal payments during the semester; it being anticipated that no ex-GI will have \$170 all at one time and still be in a frame of mind to think about food, and (4) no refunds would be made unless the person is dropped from school (sent down, so to speak) or is, for good cause, unable to eat at Cossitt for a period of one week or longer.

So there it is . . . a chance to eat for a reasonable figure. If you are interested put your name on the roster posted on the door to Cossitt dining room. If you have any other ideas on a reasonable plan, or modifications to this one as presented, make them known to Miss McNary. In any event if you are interested in getting up some such plan, get your name on that list before vacation so the administrative problems can be worked out during vacation.

We inquired elsewhere about the supposed "tainted" chicken which is alleged to have laid a gastronomic egg in the Bemis eatery last week. The explanation had to do with pine flavoring passing from new pine containers at the packing plant into several choice hunks of the dressed fowl, whether the new pine containers taste of some of the sturdier pieces of chicken is not known. It is also not known at the moment what percentage of the national lima bean harvest Bemis has contracted for.

DINNER MUSIC

every evening (except Wednesday)
6 till 8

DREX BROOME MEDLEY MUSIC

Kappa Sig Festivities Include Dinner-Dance

The Kappa Sigma chapter is giving a formal Dinner-Dance at the Patty Jewett country club, Saturday night, December 13, from seven to twelve. Saint Nick will be on hand distributing good will and gifts to all the Kappa Sigs and their guests. Providing the musical notes will be The Cavaliers from Denver. The chaperons for this affair will be Mr. and Mrs. Pearl and John Sullivan. The guests attending will be Mr. and Mrs. Teason and Mrs. Haugh.

Phi Delta Theta Christmas Formal At Copper Grove

The Copper Grove will set the scene of gala yuletide festivities tomorrow night when the Phi Delta Thetas will en-

tertain. This Christmas formal will be from nine-thirty to twelve-thirty with Bill Geisler furnishing the dance tempo. Chaperoning the affair will be Mr. and Mrs. Woodson Tyree and Dr. and Mrs. Lloyd Worner.

Caroling Hits New Note When Done By CC Co-eds

Christmas caroling dates way back to the very first Christmas, when the angels told mankind of the wondrous birth in Bethlehem. Living up to the traditions of caroling, the sororities and independent women on campus are helping to spread the yuletide cheer. Thursday evening, the Gamma Phis and Kappas serenaded the various houses on campus. Monday evening the Delta Gammas and Thetas will do the same.

SIGMA CHI DINNER DANCE

Sigma Chi Party Claims a Success

The Sigma Chi Christmas dinner-dance began at 7:00 last Saturday night, when 140 actives, pledges, guests, and their dates enjoyed a steak dinner with "all the trimmings" at the Swiss Chalet. The dessert course was highlighted with several of the fraternity's songs, and the party moved on to the Copper Grove of the Antlers Hotel for part two of a gala evening.

Each girl received a beautiful corsage of white roses upon entering the dance. Oversized Christmas tree ornaments suspended from the ceiling, pine ropes hung here and there in the Grove, and souvenir candy canes provided a very "Christmasy" atmosphere.

Santa Claus arrived, bag and baggage, during a chorus of "Jingle Bells" and delivered gifts to the guests. Those outstanding were a turtle in a fruit jar, handcuffs, teething rings, mechanical toys, and countless party horns. After Santa left, Melvin Keency led the Sigs in a series of Christmas carols; dancing was resumed, and through a din of horns, swing, and a premature holiday spirit, curfew brought an end to an enjoyable evening.

Beta Formal Held At Patty Jewett

Patty Jewett Country Club has been the scene of many college dances and parties, but Beta Theta Pi claims it will be a long time before there will be one equal to their winter formal held there on December 6.

The club was decorated with pine boughs, red satin ribbons, and a fully decorated Christmas tree, in keeping with the wintry theme. A shining, silver slave bracelet with the Beta crest attached to it was the unique favor presented to each girl by her Beta date. Rhythm for the evening was furnished by the smooth music of Bob Hilt'a band.

During intermission, refreshments were served and the guests took advantage of this time to meet the guests and chaperones.

Donna Wolf appeared in a Victorian costume and received honors for its originality. The evening's entertainment made for one of the best dances in Beta history at CC.

Undefeated C.C. Quintet Meets Idaho At 8:30

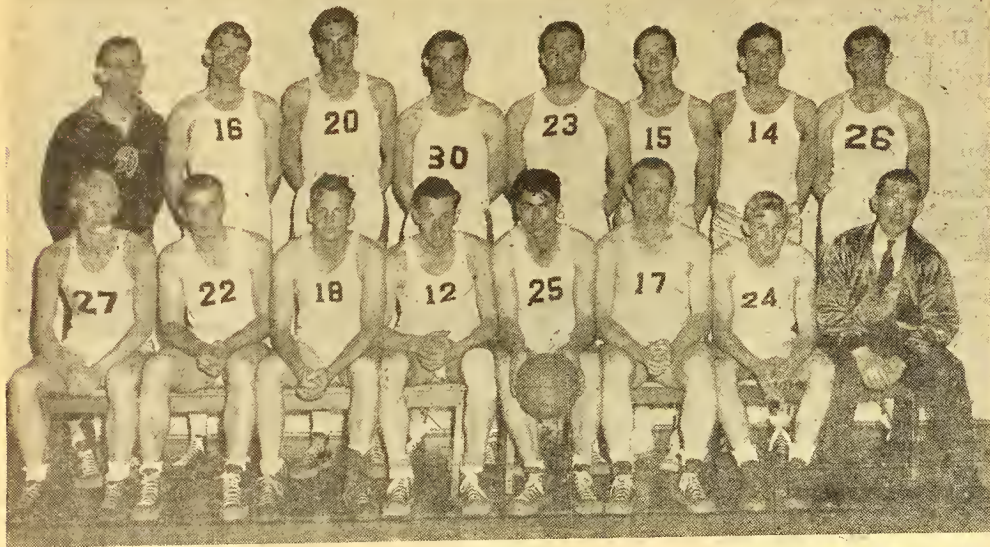

Tall I. S. C. Basketball Team Will Be Test For Tiger Cagemen

The CC Tigers will go into play tonight and tomorrow against Idaho State in an effort to extend their excellent record to six wins, no defeats. Both games will be played in the City Auditorium and will begin at 8:30.

There is no doubt that the Idaho State Bengals will give the Tigers a hard fought battle. One reason for this assumption is their extreme height, as in the case of Gene Fiala, six foot four inch forward; George Keil, six foot three inch guard; and Murray Satterfield, six foot two inch center; Murray has the reputation of being Idaho's greatest prep school basketball player, averaging twenty-two points a game for three years. Last year Murray was second highest scorer in the Rocky Mountain Region with 322 points. The two other starters will be Herb Booth, forward, who is starting his third year on the squad, and Jack Hepworth, an all time great from Albion High school where he set a scoring record at guard. An interesting fact about the Idaho State squad is that they have not one senior on the whole team and the starting line-up is composed of four sophomores and only one junior.

The CC line-up has one possible change from last week, and that is Bob Rowe in place of Wilfred Perkins as forward. Rounding out the rest of the starting five are Ed Scott, center; Eathan Miller, forward; and Nick Yeonopolis and Jack Quamme, guards.

Last year Idaho State won 18 of their 29 games compared with 18 out of 22 for CC—R. MacK.

Members of the squad pictured above are, front, left to right: Norman Wold, Jack Quamme, Del Green, Eathan Miller, Nick Yeonopolis, captain; Leo Hill, Wilfred Perkins, Dick Conrad, manager. Back row: Coach Juan Reid, Ed Scott, Dan Quigley, Bob Pantor, Gordon Hill, Dwight Hamilton, Bob Rowe, Lloyd Gardner. Absent when the picture was taken were Gene Albo and Harry Waters.

Hoopster Rules Explained For Novice Spectators

By ALICE POWELL

The most popular indoor sport in America today is basketball, the game being watched by millions of fans annually. It can well be agreed that most of these people know what's going on out on the court, but out of the millions there may be a few who find themselves not quite sure of what's happening why, when, and where. It is with these people in mind (and the referees) that this article is being written.

A basketball team is composed of five men, a center, two forwards, and two guards, all being allowed to shoot baskets and full use of the court. The game begins with a jump at center court between the two centers, who usually find themselves holding the position because of their height, good ball handling and ability to set up plays and shoot baskets (good looks don't count). From this point follow two twenty minute halves, during which ten men race up and down the court, fighting for possession of the ball and showing their skill at making or not making baskets. However, there are certain limitations placed on the behavior of the players. A player on the defensive team is not allowed to touch, trip, throw a body tackle, or block the way of the man in possession of the ball. If he should find himself guilty of such an offense, he shall be charged with a personal foul, five of which will put him out of the game; and the attacked player is awarded one free shot from the foul line and two foul shots if he was in the act of shooting a basket when fouled. A made free shot counts only one point in contrast to two for a field goal. A foul shot is also awarded a team if a member of the opposite quintet is charged with a technical foul, i.e. talking back to or swearing at the referees, (no matter how much they may need it), failure to report, leaving the floor without the ref's permission etc. The clock is

(Continued on page five)

FROSH Sport Bits

By BOB LEAVITT

With a successful season tucked away in the record book, I now believe that our outstanding Frosh football team should be honored for their great gridiron achievements this past season. I suggest that the entire yearling squad be given a banquet as a token of appreciation for their hard and rigid task which provided CC fans with the brand of football we hope to witness in the next three years.

The majority of the ring fans who attended boxing bouts held at Cossitt gym last Monday evening were highly pleased with the splendid performance staged by Tom Ross, a product of Chicago, Ill. Tom fought in the 145 lb. class and won a 3-round decision over Bob Robinson of Sigma Chi. He was one of the few competitors to represent the freshman class.

Coach Pat Fitzgerald's Frosh hoopsters suffered the taste of defeat in their opening game last Saturday evening as they succumbed to a surprisingly strong Pueblo Junior College quintet 43 to 29. This defeat enabled the Frosh mentor to discover that his major weaknesses were lack of height and capable reserves to fulfill offensive gaps to be used against a rangy club. In spite of the defeat, Coach Fitzgerald has high hopes in seeing his Frosh cagers establish a successful record this season.

Tentative plans are being drawn up to include one team to represent the freshmen class in the intramural basketball league which gets underway the first week in January. All boys who are not on the freshmen hoop squad and are interested in trying out for the intramural team are informed to keep posted for further notice and practice sessions.

Freshman Team Loses Opener to Pueblo J. C.

The Tiger cub quintet was unsuccessful in their attempt to open their season with a victory last Saturday evening as they bowed to a surprisingly strong Pueblo Junior College five by a 43 to 29 margin.

The yearlings were slow in getting started and had great difficulty in hitting the hoop. The Tigers first half scoring was garnered mainly via the charity line (free throws—Ed. Note). However the cubs managed to hold a slim 15 to 14 lead at half time.

Paced by the sharp shooting of Pobst and Chambers, the visitors finally found the range in the second half and commenced to roll. The Puebloans dominated in every department and were swishing the net from all angles. Regardless of efforts and attempts undertaken, the Frosh hoopsters could not succeed in scoring and the visitors were in the midst of a terrific scoring spree.

The game ended with the first year men on the short end of a 43 to 29 verdict.

Pobst and Chambers, Pueblo forwards were high scorers for the game with 14 and 11 points respectively, while Marvin Powell tallied 7 for the Fitzgerald men.—R. W. L.

CC Beats NMU 61-57 In Overtime Game

In as thrilling a game as one could hope to see, the Colorado College Tigers made it two in a row over the New Mexico Lobos with a 61-57 victory in overtime. Field goals by Jack Quamme, Dan Quigley, and Eathan Miller proved the margin of difference in a game that never found more than two or three points separating the two teams.

Trailing up to the last minutes of the game, the Tigers managed to put themselves one point ahead by virtue of a free shot by Ed Scott. With just over a minute left CC attempted to freeze the ball, but because of a technical foul on Eathan Miller, L. C. Cozzens of N. M. was awarded one free shot, and promptly tied up the game.

Just as the buzzer sounded to end the contest, Scott fouled Ned Wallace, giving him one foul shot and a chance to win the game for N.M.U. However, Wallace missed his first foul shot of the season, (Continued on page five)

TIGERS SPLIT WITH SASKATCHEWAN UNIV.

Bengal Pucksters Drop Omaha Team in Onesided Contests, 26-38, 16-3

The Bengal hockey team rang up the curtain on their 1947-48 season by trouncing Omaha in both ends of a two game series last week. Looking at the scores, you'd never know the football season was over and the season already underway as CC triumphed 26-3, and 16-3. (No, Omaha didn't get their points on field goals.—Ed. Note).

The second game saw some competition as the Omaha team displayed better team-work. For ten minutes it looked as if CC really had a fight on their hands as the score was 1-1. Then they started pulling steadily ahead and the end of the period saw the Tigers with a 5-1 lead. After that it was a repetition of the night before.

Tempers flared and fights were a dime a dozen in the first contest Thursday night as the boys put up plenty of competition with their fists even if there wasn't much in the way of hockey playing. It provided the fans with plenty of excitement in what was otherwise one of the most onesided games in collegiate hockey history. The second game was quiet in comparison with not a single fight.

Kap Sig Pledges Trounce Actives in Touch Football

The Kappa Sigma chapter will serve breakfast to the pledge class Sunday morning at 10:00. The actives losing a touch football game to the pledges by a score of 2 to 0, causing the above mentioned situation.

Ski Club Is Busy With Varied Program

The Ptarmigans held their ski luncheon and fashion show last Saturday afternoon. Club members modeled ski clothes and equipment, under the direction of Mary Grel. The show was held in the ballroom of the Acacia hotel.

Sunday the club went to Cripple Creek. The T-bar tow is not in operation as yet, but the rope tow was working. Georgia Savola instructed some of the beginners.

The Ptarmigans plan to take the bus to Glen Cove this Sunday. The bus will leave from Cossitt at 8:00 Sunday morning. Tickets may be purchased at the Treasurer's office in Cutler for 75 cents.

Hoopster Rules

(Continued from Page 4)

stopped for the shooting of a foul shot and starts when the ball comes in play again. The team taking the technical is awarded the ball, after the shot, out of bounds at mid-court.

The player in possession of the ball also finds himself faced with limitations. He will lose the ball to the other team if he should dribble the ball, stop, and then start again (double dribbling), change his pivot foot, or travel without dribbling. If he should charge into a defensive man (knocking down one of his team mates doesn't matter), the referee will call a personal foul on him and the offending player is given one free shot. Further restrictions are placed on the team in possession of the ball, in that they must bring the ball up over the middle line of the court within ten seconds after gaining control, must not go back over the line after crossing it (back court), and must not remain in the foul lane under their basket for more than three seconds. Each one of these infrequent offenses results in loss of possession of the ball, the other team taking the ball out of bounds.

Complete details of the game can be found in any basketball game rule book, purchasable for the mere price of fifty cents.

Spinning The Sports Wheel

By BILL MURRAY

To really get around to all the sports events that CC has offered in the last couple of weeks would take one person twenty-five hours a day, besides being in two places at once. We've tried our best, though, and the result has been fairly satisfactory, but there were dark clouds.

Though the teams have been putting on fine performances, the fans haven't. They've supported the boys on the ice and on the hard wood court well. The point I wish to bring up is that they don't seem to know the difference between sportsmanship and school spirit, in some cases. When a player goes to the free throw line for a foul shot, the spectators should not do their best to distract him by cat calls and shouting. These visiting teams are our guests, let's try to treat them as such. This type of action only causes ill feelings between the teams and the schools. Nuff said?

The people who said before the games that perhaps there might be some U. S. teams strong enough in the future to be invited to play before Canadian fans might now reconsider the phrase "in the future."

While in the international vein, the band should play the national anthem or song of the visiting teams country, since the Star Spangled Banner is played. But then again, this might be the proper thing to do.

Will people kindly refrain from offering their glasses to officials. Sending them a rule book and the name of a good optometrist will be more helpful.

CC Beats NMU

(Continued from Page 4)

and the game went on to overtime and final Tiger victory.

One reason the Tigers came out on top can be attributed to their superior foul shooting, making ten out of eighteen shots, while New Mexico was only able to complete eight out of twenty-six.

The first game, Friday, was won by CC.—A. P.

Intra-mural Boxing And Wrestling Finals Next Thursday at 7:30

Coleman-Hall Fight Draw in Opener

A capacity crowd filled Cossitt gym to witness the intramural wrestling and boxing bouts held last Monday evening. The Phi Gams and Kappa Sigs took top honors in the first round of the wrestling with three wins each. In boxing events the Betas led with two wins and a draw, the Phi Gams had two wins.

One of the best bouts came late in the evening when Glen Coleman and Dick Hall met in a 155 lb. class meet. After three rounds of good hard boxing, the decision of the judges was to call the match a draw. If both Coleman and Hall win their remaining bouts they will be matched again in the finals.

The next night of fights and wrestling will be Tuesday, with semi-finals Wednesday and finals on Thursday.

Monday evening's results:

Wrestling (2 min. periods)

145 pounds—D. Pfeiffer, Phi Delt, pinned Severin, Phi Gam; in 1:18 of the second period.

145 pounds—Maloney, Kappa Sig pinned Diaz, Independent; in 3:52.

145 pounds—McCawley, Phi Gam, decision over B. Pfeiffer, Phi Delt.

155 pounds—Miller, Kappa Sig, pinned Stacy, Beta; in 1:21 minutes.

155 pounds—Daggett, Independent, pinned Lindeman, Beta; in 4:41.

155 pounds—McGinnis, Sigma Chi, decision over Ryan, Phi Delt.

155 pounds—Savage, Independent, pinned Mills, Phi Gam, in 3:14.

165 pounds—Price, Kappa Sig, pinned Rebmman, Beta; in 3:32.

165 pounds—Kalan, Phi Gam, pinned Spindle, Independent in 3:10.

175 pounds—Randolph, Phi Gam, decision over Hord, Independent.

Heavyweight—Kohlmeier, Sigma Chi, pinned Wardwell, Beta, in 1:35.

Boxing (Three Round Bouts)

145 pounds—Myrick, Beta decision over Freyschlag, Phi Gam.

145 pounds—Ross, Independent, decision over Robinson, Sigma Chi.

155 pounds—Thiede, Sigma Chi, TKO over Koser, Phi Gam; 1:03 third round.

155 pounds—Coleman, Kappa Sig, and Hall, Beta, draw.

165 pounds—Fellman, Phi Gam, TKO over Woods, Beta, first round.

165 lbs.—Siemon, Phi Gam, TKOed Marts, Independent, first round.

Heavyweight—O'Brien, Beta, decision over McGovern, Phi Gam.—R. W. L.

Win by Three Point Margin in Final Game Of Canadian Series

The Colorado College hockey squad stamped itself as one of the outstanding teams in the country this past Tuesday and Wednesday by splitting a two game series with the top-notch Saskatchewan sextet. Still early in the season, and showing the effects of an easy Omaha series the week before, the Tigers played a very sloppy game Tuesday night to lose to the slick passing Canadian outfit, by the score of 8-4. However, the team seemed to benefit from their first real competition and with immensely improved passing and defense work, came back to win the second game, 6-3.

The first contest was simply a story of lack of teamwork on offense, and defense, which went well enough against a poor Omaha team, but which played right into the hands of the smooth-working Canadians. In spite of this, the contest remained close until 18:30 of the first period when the Huskies went to work and led 3-1. The second period saw Saskatchewan pile up a 6-2 lead and they were never threatened thereafter.

The second game was altogether a different story: CC displayed sharper passing on offense, while the defensive play was brilliant. The Tigers quickly let Saskatchewan know this would be a very different evening by moving ahead 2-0 in the early minutes of the game. The action was fast and furious thruout the initial period which saw the Tigers leave the ice protecting a 2-1 lead. Then in the first four minutes of the second period, the Bengals literally put the game on ice by getting two more quick goals to the delight of a sell-out crowd and the astonishment of the Canadians. The final period saw CC on the defensive mostly doing a nice job of protecting their three goal lead. Two of the Husky scores came when CC was a man short due to penalties.

Easily the outstanding star of the series for brilliant play in both games was gonillo Ikola who was constantly bringing the crowd to its feet with his timely saves. Lew Meier, defenseman for CC, also played a stellar role in both games, repeatedly breaking up Saskatchewan passing attacks in front of the CC net.—M. K.

Hockey "B" Squads to Begin Play Next Year

Hockey practice for the Colorado College B team started last Saturday afternoon when nearly twenty-two aspirants turned out under the direction of two varsity pucksters, Don Newson and Bruce Stewart.

For the main part of the practice session the squad scrimmaged and drilled on offensive and defensive play.

This season the B squad will be divided into two separate teams, each of which will be entered in the Colorado Springs Junior Hockey League which is new this year.

The two teams will be actively in competition with each other.

The Cubs will play their first game sometime after the Christmas vacation.

Experienced boys from all parts of the country make up the squad. The next practice will be at the Broadmoor Ice Palace Saturday at 5:00 p.m.

Debate Meet on Campus to Attract Statewide High School Participation

The Colorado College speech workshop will hold an invitational debate meet Saturday, December 13. Invitations have been issued to several high schools of the region. Eight schools have indicated that they are sending delegations totaling 85 students.

The faculty members who are directing the debate meet are Woodson Tyree and David Hart. The student directors are Bob Udick, Annabelle Alsup, Billie Jones, Dale Sinclair, Caryl Spiegel, and Ruth Reeds. Judges for the four rounds of the debate panel will be members of the Spoken English classes.

Registration for the meet will be held at Perkins Hall, Saturday morning at 8:00 a. m. At registration the students will purchase tickets for the luncheon to be held at Cossitt Hall Saturday, from 1:00 to 2:30.

There will be four rounds of formal debate from 9:00 a. m. to 1:00 p. m. There will be no eliminations, and decisions will be made on each debate. The speeches will be eight minutes long and the rebuttals are to be four minutes. The judges will give their criticism at the end of each debate.

A debate discussion panel will be held from 3:00 to 5:30. The teams for the debate discussion panel will be announced at the luncheon. Two teams will give ten minute main speeches and two other teams will give rebuttals to these speeches. Following this there will be ques-

tions from the audience. The question to be debated is on compulsory labor arbitration.

Dr. Abbott, Dr. Worner, Dr. Carter and Dr. Wollman will be critics at the afternoon discussions.

"Pepsi" Fellowships Have Jan. 2 Deadline

With January 2, 1948, set as the closing date on which applications for the Pepsi-Cola graduate fellowships may be made, all eligible seniors should obtain the necessary recommendations before the closing of school for the Christmas vacation, according to word just received from John M. Stalnaker, director of the fellowship program.

The completed application form, endorsed by the dean or the president, must be accompanied by an official transcript of undergraduate credits through the junior year, the announcement states; and recommendations from two professors should also be sent to the Board on the forms provided. All material must be in the offices of the Pepsi-Cola Scholarship Board in Palo Alto, California, by midnight of the closing date. Application forms may be obtained from the dean.

Christmas Music Is Assembly Feature

The festive season of Christmas is approaching, and with it, the annual Christmas Assembly. It is to be held on Thursday, December 18, 1947 at Perkins. Sponsoring it are the Tiger Club and the C Club under the direction of Cora Woodson and Duane Grisham.

Among the highlights will be Christmas Folk Songs by the Spanish, French, and German Clubs. There are also going to be songs in the program from members of some of the sororities and fraternities.

With such an interesting program being presented, no one should miss it.

THE Couples Column

Take heed to the next CC Wives meeting to be held Wednesday evening, December 17th... be there promptly at 7:30 as Eva Jean Gray will give a beauty demonstration. Don't miss it! And if you are going to be around during the Christmas holidays and would like to join other college couples in Christmas caroling, turn in your name to Marge Bradley at the Wives meeting or call her at 8275-M.

There is a baby carriage for sale for the agreeable sum of \$15.00. Call the Brittons' at Main 7214-R.

Science Fraternity Coffee Hour on Monday; Pearl to Talk on Gems

The faculty and major students in the Natural Sciences are invited to the Coffee Hour, sponsored by Delta Epsilon, on next Monday, December 15 at Lennox House, from 4:00 to 5:00 p. m.

At 5:00 p. m., the Coffee Hour will be followed by an interesting talk on the "Science of Gems" by Richard M.

Vesper Service Will Feature Carols

The annual Christmas service will be held in the Chapel at 5 p. m. this Sunday.

The service will take the form of an International Christmas Carol program at which the French and German clubs will sing carols in their respective languages. The Workshop Madrigal Singers under the direction of William Graves will be heard in Latin chants and anthems. James Erb will conduct the singing of the German Club and Mr. Tooley will direct the French Club. Ward Gongoll will be at the organ for the Prelude and Postlude and Leta Gale will accompany the Choir in the Christmas anthems.

Part of the music from the program will be broadcast over KVOR Wednesday at 7:30 from the chapel.

Following the broadcast, at eight o'clock there will be a Christmas party in Hayes House for all members of the Language and Music Departments. Everyone in these departments is cordially invited.

Pearl, instructor in geology here at the college. Mr. Pearl's first interest in gems began when as a boy he collected minerals. He is a graduate of the University of Colorado, and also holds the Master's degrees both from the University of Colorado and Harvard University. A number of mineral specimens will be shown by Mr. Pearl to illustrate his talk.

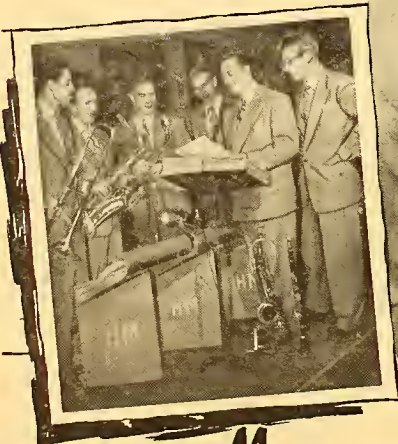

"MY HOW THE TIME GOES BY..."

when you're listening to HAL MCINTYRE'S newest (MGM) record

ONE OF the grooviest ork-pilots on the MGM record roster is Hal McIntyre. Like so many other top-notch performers, Hal is a Camel fan from 'way back. He prefers Camels because: "Camels suit me best all ways."

For the same reason—more people are smoking Camels than ever before! A great new record for a long-time favorite.

Try Camels. Discover for yourself why, with smokers who have tried and compared, Camels are the "choice of experience."

And here's another great record—

More people are smoking CAMELS than ever before!

the Tiger

COLORADO COLLEGE, COLORADO SPRINGS, DECEMBER 19, 1947 NUMBER 13

William H. Gill Chosen C.C.'s Pro Tem President; Has Distinguished Administrative Background

War-Time Leader of 32nd Division
Also a Former U. of Cal. Professor

The Colorado College board of trustees announced last Saturday the appointment of Maj. Gen. William H. Gill, war-time commander of the famed 32nd Infantry Division, to the acting presidency of the college during the absence of President Thurston J. Davies. This appointment is on a wholly temporary basis and is effective immediately, William S. Jackson, chairman of the board, said.

A graduate of Virginia Military Institute, General Gill was a civil engineer, an assistant county treasurer and in the banking business in Leesburg, Virginia, before he entered the Army in 1912. He served in this country, the Philippines and France until 1919.

An instructor and professor at the University of California for two years, he also taught at the Army War College and the Command and General Staff School, Fort Leavenworth, Kansas. In 1940 he was promoted to colonel and became chief of staff of the 8th Infantry Division.

As a major general he commanded the 89th and 32nd Infantry Divisions and wears the Distinguished Service Cross, the Distinguished Service Medal, the Silver Stars of both World Wars, the Legion of Merit and the Bronze Star medal.

In 1946 he retired from the Army after thirty-four years of active service. He is married and has one daughter, Mrs. Frank P. Norman, Jr. General and Mrs. Gill live at 26 Lake Avenue, Broadmoor. President Davies was granted a leave of absence December 5th after physical and nervous exhaustion brought on by overwork and a severe cold from sitting through the CC-CU freshman football game.

Tiger to Publish Literary Section

For some time, there has been a slowly growing and ever louder agitation for some sort of a literary magazine on campus; one which would print the various poems, short stories, essays, book reviews, and what-have-yous that the students may write.

After infinite discussion several pots of coffee and cords of cigarettes, the tentative form was agreed upon. The section will consist of one sheet (two sides) the size of an ordinary TIGER page. This page, except for being inserted in the TIGER will be entirely separate from the paper, will have its own name, and will appear once a month (it is expected). On the sheet will be the contributions and advertisements from the various booksellers in town (we hope).

On anything of this sort, there is, of course, the need for someone to take it over under the title of "Literary Editor". The TIGER would like to have applications from any and all students who feel that they would like a job of this sort.

Immediately after vacation, there will be a call for material and work will be started on the first issue, so any of you who fancy yourselves as prophets of the new school are cordially invited to haul out old manuscripts and get ready to submit them.

Radio Studios Will Be Installed Soon at CC

Mr. Fundingsland has announced that most of the new radio equipment has arrived. The equipment will be used for feeding the programs emanating from South Hall to KVOR and KRDO. Two studios and a control room will be installed early in the year.

New Acting Proxy Issues Statement To Student Body

I am very happy to be associated with Colorado College during the temporary absence of Dr. Davies, and the honor of this interim appointment is deeply appreciated. I realize the responsibility entailed; and in order to help me in discharging this responsibility, it is my earnest hope that the student body will continue its fine cooperative spirit and help us keep C. C. moving forward.

May I take this opportunity to wish each and every one of you a very happy Christmas and a successful New Year.

W. H. GILL,
Acting President.

Holiday Queen

Martha Richardson, CC freshman, who was elected by the unanimous vote of the hockey team to reign over the Hockey Holiday. Martha is a Delta Gamma pledge and graduated from CSHS in 1947. She will throw out the puck at all of the games during the vacation season. Not only is she attractive, as the picture will attest, but she can use the skates she has on, too.

Council on World Affairs Attracts Townspeople to Marshall Plan Forum

Colorado College students and friends of the college met last week to hear a panel of three students discuss the political, economic and social implications of the United States-sponsored Marshall Plan for the reconstruction and recovery of Europe. Panel speakers were Bill Davis, Henry Lowe, and John White. The first Open Forum sponsored by the Council on World Affairs met in the Music Room at the Fine Arts Center last Thursday night, December 11. Students and townspeople joined in firing questions at the panel members and members of student-faculty committees who cooperated in the preparation of material presented.

On the afternoon of the meeting, Congress in special session passed a pared-down version of winter aid for France, Italy, Austria and China. The Marshall Plan, more properly called the E. R. P. (European Recovery Plan) is ripe with ideological implications — speaker Bill Davis, outlined the political events leading up to the formation of the aid program. Davis pointed out that one among the most important aspects of United States foreign policy is to be found in the attitudes of the U. S. and the USSR in regard to the rejuvenation of European agriculture and industry.

Representing the economic considerations implicit in the plan, Henry Lowe asserted that the cost of proposed aid would in the long run amount to less than the cost of war. Pointing to the economic plight of European countries covered by the program, he called for the United States to extend a helping hand so that Europe might be able to stand once more on its own feet.

Ending the panel talks on a note of hope and inspiration, John White reminded the audience that much of America's cultural and intellectual heritage was given to it by Europe. Picturing the children of this generation as the hope of the world for lasting peace, White asserted that the United States cannot afford to forget them in their time of need.

Meeting Moderator was Bill Barton; publicity was arranged by Conrad Wilson, newspapers and radio, Frank Kirby, post card invitations to college administration and friends of the college; and Ray Calhoun and Anne Epener, posters. Another public open forum is planned to be held after the Christmas holidays. Credit is due all students and faculty who spent their time in committees to make the program possible. All students and faculty are invited to take part in future activities and projects to be sponsored by the Council.

Nugget Portraits to Be Taken on Campus

Have your portrait made! Knutson-Bowers have a campus studio located in West Hall for your convenience. The studio will be open every afternoon and in the early evening beginning January 5th. The price — \$1.50; the time—anytime—just drop in. The Nugget staff urges the officers and members of each organization to remind their groups to "have their pitchers took." The bulk of the business so far has been the female portion of the student body, particularly freshmen. Seniors, don't let this chance slip by.

The Nugget wishes to thank Dr. Rawles and Mr. Stewart for making the school's photographic trailer available to the yearbook photographers. This new addition may be seen in the rear of the Student Union and is known as Lenox Annex.

Announcing the Nugget Photography contest! It has officially begun and will close on January 31. Judging will be done in three groups—snaps, scenes and college life, with prizes for the winner in each group. The judges will be Hook Danforth, Caroline Stevenson and Wally Bischof. All pictures must be printed on glossy paper not larger than 8x10, include the name of the contestant, and the identification of the subject matter. Your snapshots may be valuable, so enter them by turning them in to the Nugget office on the third floor of Lennox. The winning pictures will appear in the yearbook.

CC Grad Wins Award For Public Health Work

Dr. Reginald M. Atwater, executive secretary of the American Public Health Association and a graduate of Colorado College, has been awarded the Sedgwick Memorial Award of the APHA for distinguished service in public health.

Endowment Campaign Making Local Progress

Colorado College's 75th anniversary endowment campaign to raise \$1,500,000 by February, 1949, is achieving remarkable success, according to George A. Allebrand, Colorado chairman for the fund drive, and the outlook is "very favorable" for reaching the goal.

"I know that President Davies will be very pleased with the results when he returns to his duties here, and we are keeping him informed concerning the latest developments," Allebrand concluded.

Council on World Affairs

What happens to the American sense of responsibility in time of peace? During the war the American people were called upon to make many sacrifices. These sacrifices were met, and through such efforts the war was won. But once the war was over we tended to slip into a state of lethargy, and now apparently care little about helping to settle the world's problems.

Probably, this relaxing in a natural tendency, but it is an unfortunate one. The winning of the fighting war does not exclude the equally necessary task of struggling to establish the peace. A world which has been rent as badly as ours during the war cannot quickly settle down without great effort. Old institutions have been torn down and new ones must take their places. We have the right and the duty to help the world re-establish itself upon sounder ground.

One of the first requirements of the individual who wishes to help is the necessity of being well informed. The Council on World Affairs has been established in order to help acquaint these students with world conditions—social, economic, and political. It is an organization which is built for public use, and must therefore have public support to be able to thrive.

On December 11 was the first student-faculty-townspeople meeting of the Council on World Affairs. This was a good beginning, but it nevertheless remains only a beginning. Your continued and increased support is needed.

If a disaster should occur on the campus, help would be offered from all over the college. Nevertheless, although real disasters are confronting a majority of the world's peoples today, we tend to push the thought of it aside and do little about it. Our future is directly tied up with the rest of the world whether that is desired or not. The best safeguard for our future is a contented world. Help in every way possible, and through every desirable organization, to fight for peace. Help through the organization which you have right at hand—the Council on World Affairs.

By working with the Council, you will be assisting in two different ways. Of course, the most important way you will help is by discussing and attempting to clarify world issues. Second, you will help to put it before the townspeople an organization in which they can participate, with which they can become connected, and through which they will support the college.

—Ray Calhoun.

Tiger Research Discloses Futility Of Money Counting

By JERMAN

How much is a billion dollars?

Last week, while confused and somewhat perplexed Economics and Political Science classes considered the problem of world finance in a theoretic sense, Congress came forth with a problem in a very literal sense—its long range relief program for Europe. After all the odds and ends were totaled up the bill came to a slight 16 to 20 billion dollars, a sum which most observers thought should do for a start.

Most of us were relatively unimpressed by the figure, except for a passing comment that it was a lot of jack. Since the war, we have gotten so used to huge figures and staggering costs that we have begun to take them as a matter of course—the same as a \$1.98 hat or a \$4.50 pair of shoes. As a public service, your reporter got busy and dug up the following information, gleaned from the files, on just what one of those little dollar signs in front of a 10 digit numeral means.

Let's take any healthy, eager boy of 15, suggesting that he count a billion \$1 bills, working 8 hours a day, 5 days a week. If he hustles he can count 100 bills a minute. That's \$6,000 an hour, or \$48,000 a day or \$240,000 a week. At the end of the year, with 5 holidays off and no vacation our lad has counted \$12,240,000. When he is 21 he has counted \$73,440,000; 6 years on this grind.

Still there is a big pile of dollar bills in front of him. On his 55th birthday he is just half way through the pile, still counting at the clip of 100 bills a minute.

But when he's counted the billion, he is 96 years old. He's beaten the insurance tables and has stooped shoulders, but he has counted his billion.

Moral: It's easier to spend someone else's billion than it is to count your own. If you don't believe it, try it!

The Rugged Individualists

By Doherty

In the past week three C.C. students were taken into court and fined for maliciously damaging property of the Broadmoor Hotel. This sort of thing is not unheard of at all. It isn't even uncommon. People will do things like that, when they don't realize what is involved. The usual feeling is, "Oh well, college kids—." That is the usual feeling, among people who don't look beyond the ivied walls, to the town's attitude.

There are others, and lots of them in this town, who love to jump on any opportunity to point out that the college is responsible for all kinds of damaging effects to the community. Right now, while the college is campaigning for a larger endowment, is a mighty poor time to offer unsympathetic townspeople such an opportunity.

If only three men were concerned, the matter would have blown over as soon as they had paid their fines. But no student in this college is entirely a free agent—when the story in the local paper starts off with the choice bit of news that it was college boys who did it, as is almost inevitable, then it is time that all the students realized what is wrong.

This isn't a prank—it is a criminal act. It has been so treated by a civil officer, on one level. I call on the students of C. C. to see it as a criminal act on another level—where it hits you, fellow student. If you find the Broadmoor, or any town business declining any future help to the college, are you going to blame the Broadmoor, or are you going to lay the blame where it belongs, on a few students who think they can get by with phony prestige, in a case of plain, stupid vandalism?

The student body recently empowered its student council to take suitable action against infractions of drinking regulations. I believe it should be similarly empowered to act in the interests of the student body and the college, where drunkenness is not demonstrated to be the primary cause of students getting out of line. If C.C. is working toward a real student government, it must soon put power in the hands of a responsible group of students to discourage actively all future repetition of wanton destruction of others' property.

I have no wish to slam down hard on any person—but emphatically I do want to see that the whole student body does not have to suffer the results of unthinking acts, through false identification with the few who won't see their responsibility to the many. Maybe I'm losing my zip, but I can't see a stupidly-conceived piece of vandalism, costing the college a fortune in good will, as anything but a stupidly-conceived piece of vandalism.

Dilemma, Complete with Horns

Dear Editor:

There have been numerous rumors and comments made around campus to the effect that the C. C. Band should play at all of the school activities. We of the band would like it known that we also have classes and studies and exams. Besides, the band is primarily a musical organization and we would like some time to play some music. Just because some money has been allotted to the band does not mean we are to jump at the crack of the whip. We have, in the past, attempted to attend as many school functions as possible. We have been very diligent so far, we think, in doing this (the record speaks for itself). We attended most of the functions and we shall in the future continue our efforts but we must be allowed to use our own discretion as to the number of activities per week we attend.

Sincerely,
The Band.

World Student Service Fund Renews Efforts for Foreign Students' Relief

Students of Colorado College and those of other colleges and universities around the nation will be asked during the next few months to contribute to a nation-wide World Student Relief drive for the replacement of books and general rehabilitation in the way of food, medical care, and other necessities, of fellow students in war-devastated foreign areas. The drive, sponsored by the World Student Service Fund group, comes as a result of pleas on the part of foreign students for help, and has been endorsed and encouraged by leading charitable organizations throughout the country as well as President Truman who warned that "If we turn our backs upon these people, they will turn from hunger to despair, and from despair to chaos, in areas where stability is essential to the peace and economic security of the world."

A \$2,000,000 goal has been set by the WSSF, which, if raised, will represent not only food, books, and medical care, but hope—hope for peace and understanding among those who need it most in starvation and inflation ravaged lands. Areas scheduled to receive aid under the program, besides Europe, include India, Indonesia, Japan, Burma, Siam and the Philippines. As in the past, the major allotments are to China and Europe. Each will receive 33.3 per cent of all money raised. Five per cent of funds gathered will be held for emergency needs; 1.7 per cent for Special Projects; and 16.7 per cent will cover education and operation costs.

Early reports of campus WSSF campaign goals indicate that college students across the country, aware of the great need of their colleagues abroad, are determined to raise more money

19 Schools Ratify NSA Constitution

MADISON, Wisc., (NSA News) — Nineteen schools have joined the list of those who have ratified the National Student association constitution. The new additions are: Bloomsburg State Teachers College, Pa.; Carnegie Institute of Technology, Pa.; New York University at University Heights, N. Y.; College of St. Theresa, Minn.; Connecticut College for Women, Conn.; Haverford College, Pa.; Le Clerc College, Ill.; New Jersey College for Women, N. J.; Our Lady of Cincinnati College, Ohio; Rockford College, Ill.; Rutgers University, N. J.; Smith College, Mass.; Stanford University, Cal.; Olaf College, Minn.; Stephen F. Austin State Teachers College, Tex.; University of California at Berkeley, Cal.; UCLA, Cal.; University of Chicago, Ill.; University of Michigan; and the University of Wisconsin.

for student relief this year than ever before. First estimates of college goals for New England list \$3,000 from Williams; \$2,500 from Amherst; and \$4,000 from Wellesley. Students of Stanford University have voted to contribute 50 per cent of money raised in the annual Four Feathers drive to student relief abroad. Other large universities on the west coast are planning individual campaigns in the spring.

Colorado College held a very successful drive last year and campaign officials on the campus this year hope the response will more than equal it.

Miss Ellis Reports On Recent Meeting

Miss Amanda Ellis, associate professor of English, has recently returned to the campus from a trip to the West Coast during which she participated in three educational conferences. The general topic discussed at these meetings was an integrated program for schools.

The first conference was a state meeting of English teachers and was attended by representatives of every college in Colorado, except Western State, and by elementary

MISS AMANDA ELLIS

and high school English teachers. It was held in Greeley.

In San Francisco, Miss Ellis attended the meeting of the National Council of Teachers of English and spoke twice. There were thirty-two hundred persons at this meeting, representing forty two states, Canada, and the Philippines and Hawaiian Islands. During her stay in San Francisco, Miss Ellis was a guest of honor at a banquet given by the "Scholastic Magazine." The last meetings on her schedule were held in Los Angeles.

Although most of her time was given to meetings and business luncheons, Miss Ellis was able to crowd in a number of social functions. In Los Angeles she was invited to a small dinner at which the other guests included Edward Everett Horton and his moth-

CC Grad Produces Pointless Invention

Three graduates of Colorado College have recently received honors in the scientific field. The discoveries of two of them have been publicized in national magazines.

Life Magazine devoted two pages to a story about the development of a new hypodermic needle by Dr. Frank H. J. Figge, '27, in its November 24th issue. The new needle is known as "hypo-spray" and does away with injections by needle. It forces a very fine spray of liquid under terrific pressure into the skin.

Dr. Lawrence F. Koerner, '23, was given a write-up in the Bell Laboratories Record for his experiments on quartz crystals. During the war he was occupied in the production of quartz crystal units for the Western Electric Company. He is now engaged in the development of crystal oscillator circuits and associated equipment.

A travel grant has been awarded to Dr. Archie Hess of the class of '32. The purpose of the grant is to enable him to observe research on malaria and other tropical diseases in Latin America. The International Health Division of the Rockefeller Foundation has made the award. Dr. Hess received his Ph. D. at Cornell University.

Mr. and Mrs. Otto Krueger and daughter; Mr. and Mrs. Frank Morgan; Mr. and Mrs. Jean Hersholt; the Warner Baxters, Dorothy Lamour and Kenneth McGowan.

Miss Ellis came back to Colorado Springs feeling that her trip had been very successful. The ideas which she has gained at the meetings and from the people she has met will prove quite useful to her in the future.

Harris' Third Given in San Francisco Under Direction of Monteux

Roy Harris, composer-in-residence at Colorado College, has received word from San Francisco that his Third Symphony enjoyed an outstanding success in three performances given by the San Francisco Symphony under the baton of Pierre Monteux.

"One of the most significant American symphonic works was given another hearing yesterday at the Opera House," the music critic of the San Francisco Chronicle said. "The Third Symphony of Roy Harris should stand for a long time as a model of dramatic and exciting composition."

Harris' Third, which has been hailed by press and conductors alike as "America's first great symphony," has enjoyed 65 performances in America, South America and Europe since Serge Koussevitzky's premiere performance in Boston in 1939.

The Indianapolis symphony has just performed the world premiere of a new Harris work under the baton of Dr. Fabien Sevitzky, who commissioned it for his orchestra.

The new composition, a symphonic poem entitled "The Guest," was written in Colorado Springs in September of this year.

Sigma Chi-KRDO Radio Debut Leads to More

The Sigma Chi 40-voice chorus radio debut Wednesday evening over station KRDO has lead to the formulation of plans for a weekly evening program after Christmas recess. Wednesday's program centered around the Noel theme and produced 25 minutes of pleasant vocals and narrations. The entire program is under the supervision of Pete Tyree, John Reeds, and Mel Keeney. Keeney is director and soloist; Reeds and Tyree carry the narrations.

Holiday Season Ushered in With Gala Fraternity Formals

Phi Delt's Close Year With Party

Ushering in the Christmas season along with other groups on the campus last week, the Phi Delt's held a caroling party Sunday evening, serenading at strategic points on the campus during a two-hour tour of the area. After spreading Christmas cheer in the true spirit of the season, the group returned to the fraternity house where a crackling hearth fire and refreshments awaited. It was an "all-date" affair which culminated with an evening of dancing in the dim light of a brightly decorated Christmas tree.

A Christmas party, attended by actives and pledges of the fraternity, was held Thursday night at the house. Gifts of a humorous nature were exchanged among the members, followed by group singing of various Christmas carols and fraternity songs. A specially prepared refreshment was served. It was the last Phi Delt party until after the holidays.

Ending the crowded social calendar of this year, the Phi Delt's, Phi Gams and Kappa Sig fraternities climaxed the holiday season with dinner-dances and formals which indeed were spectacular affairs that will be remembered long after New Year's.

The very novel presentation of the season's greetings and gardenia corsages to Kappa Sigma dates at that fraternity's Patty Jewett Country Club Christmas affair was the attraction of the evening. As the guests entered, two young colored pages, approached with their verbal and floral offerings. The dinner and dance, both at the club, was in a traditional holiday setting with music by Bob Hiltbrand and his orchestra.

The evergreen and red trim colors decorations, The Hawaiian Village, music by Bob Lovett and orchestra, and unique dance programs furnished the Phi Gams and dates with a gala Yuletide affair.

Feminine guests report that extravaganza galore could be the term used to describe the Christmas formal given by the members of Phi Delta Theta fraternity last Saturday, December 13. The place for the affair was the Copper Grove in the Antlers hotel. As the Phi Delt's and their guests entered the ballroom, a photographer snapped the couple's pictures. After the dance all adjourned to the Phi Delt house where the dates were presented with beautiful gold-plated favors. The favors were in the form of a picture frame case, and the pictures taken earlier in the evening were enclosed. This climaxed a marvelous evening, long to be remembered by all who attended.

the evening, the "hashers" serenaded with Christmas carols under the direction of Jim Erb.

Parties Given at Monday Meetings

Monday night many Christmas parties were given as the Thetas, Delta Gamma's, Gamma Phi's and the Kappas entertained members and alums at their lodges.

Following the Theta's after-dinner tea and the singing of Christmas carols, the alums gave a burlesqued interpretation of an alumni meeting. Each girl received a present and a Christmas poem written by the pledges. Presents were donated to one of the local orphanages.

After a unique dessert of poinsettia-shaped ice cream, the DG's sang Christmas songs and opened the members' presents to the house. The pros and cons of sororities were discussed by Pat Starrels and Frannie McDonald, followed by Jean Schryver's report on the extracurricular activities of a sorority.

The Kappa party was highlighted by a spaghetti dinner for the actives and pledges, prepared by the alums. After dinner Jane Ochner and Janie Stevenson presented a skit entitled "Now in the Old Days..." which was a takeoff on the present situation of Christmas rush and progression. The party ended with six actives and alums presenting humorous charades to the group, and the singing of several carols.

At the Gamma Phi house popcorn balls and cokes were served Monday evening. The return of the Gamma Phi, Jackie Burkie, now with the Boston Stock Company,

Snapped at Kappa Sig Dance

Ruth Schreiber, Dan Maloney, Zola Spicer, Bobby Joe Fields, Dolores Lanning (Denver), Lee Schlessman.

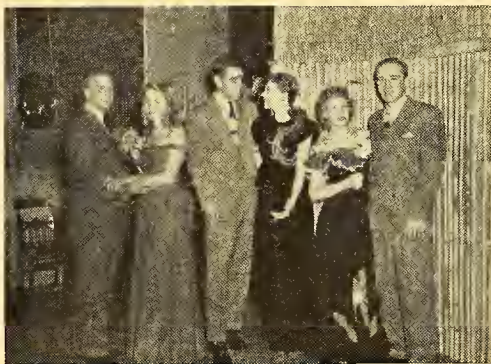

proved to highlight the party with her well known rendition of the monologue, "Scratch." Christmas carols followed and Mrs. McKinley gave a gift to the girls.—AW.

National Bridge Tourney Planned

Colorado College has received an invitation to participate in the National Intercollegiate Bridge Tournament which is an annual contest in Contract bridge in which men and women undergraduates compete for a championship title and trophy awarded by the Intercollegiate Bridge Tournament Committee.

At any time before February 18 each participating college will choose eight players to play the mail round on the campus. The players may be selected by any method. Local plans in this respect will be announced at a later date, but all participants must fee is charged for participation. (Continued on page five)

JIM & JOE

CO~ED OF THE WEEK

One of the busiest girls on the campus is a congenial girl from Denver. "Thuthie," as she is called by her intimate friends is vice president of the Associated Women Students, and was responsible for the successful outcome of the freshman Buzz Bee sessions.

She is well-known around the campus and the town for her sparkling and friendly manner. She is a junior, majoring in religion, and is active in local church groups and the W S S F drives. Our co-ed this week is also a member of Gamma Phi Beta sorority,

Tiger Club, on the Q. A. board, president of Hamlin house, and an outstanding member of the CC Players group. Recently she was elected to the honorable position of Junior Class Commis-

Gamma Phi Beta Formal

Independent Formal

sioner. Aside from her above designated activities, this girl is talented. Her favorite hobby is sketching horses. One of her pet peeves is answering the telephone that "rings my ring, but really isn't."

Now after all that enlightening information, it has undoubtedly been guessed that our co-ed this week is Suzie Sabin. And incidentally, if you ever see Suzie without a host of pals it will really be surprising!

CC Wives to Carol This Coming Monday

The CC Wives and Husbands group are having a Christmas Open House and caroling trip this Monday evening. The members will meet at the Bradley quonset hut (108) at 7:30 p. m. for the caroling, then adjourn to the Berg "mansion" at 722 N. Tejon for refreshments. For further information, interested parties may call Marge Bradley, M. 5146-NR.

Bridge Tourney Planned

(Continued from page four)
tion in any phase of the tournament.

All competing colleges play (on the campus) a set of eighteen prepared hands, sent and returned by mail to the Committee. These are scored by a recognized expert. The sixteen highest ranking pairs are then invited to a face-to-face final round, to be played in 1948 at Chicago, Illinois. The expenses of the finalists en route, to and from, and during, the finals are borne by the Intercollegiate Bridge Tournament Committee.

For the purposes of the tournament the U. S. has been

Fraternities Take Forty-Five Into Brotherhoods

Gamma Phi Beta Formal Successful Holiday Event

The mastery of the Gamma Phi Beta sorority for planning successful parties again demonstrated their ability with their Christmas formal at the Patty Jewett Country Club last Friday evening.

The holiday spirit was prevalent with an adequate supply of holly and mistletoe. Dance bids of snowball nature were issued. Light refreshments were served during the evening.

Independent Formal Talk of the Campus

Friday evening's Independent sponsored all-school Christmas Formal at Cossitt Gym provided students with a pleasant evening with the combination of Bill Geisler's orchestral arrangements and the Ski Lodge Refreshment Bar. The winter season was typified by decorations resembling a lodge in the mountains. Clarice Hads, Independent Women Social chairman, and Bill Murray of the Independent Men, supervised the combined undertaking.

divided into eight zones on the basis of geographical proximity and numerical distribution of more than three hundred accredited colleges invited to participate. The sixteen pairs qualifying for the finals will represent two colleges from each of the eight zones, Colorado College is in the western zone with its 45 colleges.

Questions and problems relating to the tournament should be addressed to Dick Conrad, Sigma Chi House, CC campus. Conveniently posted rosters will be available within a week for interested persons. Mail applications will also be accepted. All roster signatures and mail applications will be acknowledged to assure coverage of all interested persons.

Forty-five college men became new members of five fraternities at Colorado College Sunday, December 14, in formal initiation ceremonies.

Beta Theta Pi initiated seven, including Robert Heath, Holdenville, Okla.; Walter Rebmann, Jr., Philadelphia; Jack O'Brien, Colorado Springs; Ralph Stacy, Wayne, Pa.; David Hughes, Wayne, Pa.; Donald Hale, Chicago and Thomas Lindeman, Denver.

Eight men were initiated by Kappa Sigma, including Roger Halero, Power, Mont.; Weldon Grinnan, Jr., Washington, D. C.; Jack Hill, Peoria, Ill.; Harold Dillinger, Denver; Harold Kuhns, Pueblo; Michael Hawkins, Colorado Springs; Lavern Lee Baxter, Colorado Springs; and Bob Burns, Colorado Springs.

Phi Delta Theta initiates include Harold Hawks, Jr., Colorado Springs; Edwin R. Wilson, Colorado Springs; Douglas Gregory, Colorado Springs; Thomas M. Tullis, Salina, Kan.; Armand Jermain, Pueblo, and Eugene Albo, Pueblo.

Phi Gamma Delta initiated Douglas Van Metre, Mount Vernon, Iowa; George Lyons, Fowlerville, Mich.; John R. Koser, Los Angeles; Ellsworth Siemon, Jr., McHenry, Ill.; John McCawley, Escondido, Calif.; Paul S. Pierson, Jr., Lawton, Okla.; Dean Severin, Eaton, Colo.; Corwin Mokler, Pueblo; Fred Randolph, Jr., Las Animas; Glenn R. Faucett, Las Animas; John Alderman, Colorado Springs; William Mitchell, Colorado Springs and Kedrick G. Freyschlag, Colorado Springs.

Sigma Chi initiated Vernon Wishart, Carstairs, Alberta, Canada; Robert McGinnis, Dallas, Tex.; William S. Davis, New York City; Harold Belle, Park Ridge, Ill.; Edward Stone, Coronado, Calif.; Melvin Keeney, Mutual, Oklahoma; Lloyd Gardner, Colorado Springs; William Harwell, Colorado Springs; George Weidman, Colorado Springs, and John B. Vaeth, Colorado Springs.

Phi Gamma Delta earlier this year initiated Harry Waters of Marshalltown, Ia., and Robert Hart of Sacramento, Calif.

Spinning The Sports Wheel

BILL MURRAY

As yet we don't see military drills replacing the usual sports at CC as some people expected with the command being taken over by acting prexy Gill.

The actions of some students in selling their hockey tickets after being given a break by the athletic department and the B-moor certainly smells, for my money.

From the latest reports it does not look as if heavyweight Glen Blagg will be able to get into collegiate wrestling until the season is well under way. Glen's leg is still in a cast due to the injury he sustained in the Oklahoma City University game.

Some people lose their tempers pretty easily as was demonstrated at the intra-mural matches Tuesday night. The story behind the near riot is the Bill Pfeiffer was merely stopping the match between his brother and Mike Biega because Dick's shoulder had come out of socket as it sometimes does. Look before you leap, men.

The hockey team should certainly make Harvard's first trip to CC a memorable one.

Juan Reid has really written to Phillips "66" Olera in an attempt to fill out the Tiger basketball team. Phillips has been championship team of the AAU for four out of the last five years. Their latest score against the Denver Nuggets was 76-47. I wonder if they aren't a "little" strong for CC.

Noticed that the action of the student spectators at the Idaho State games was certainly improved over the NMU demonstrations.

Glad to see that alumnus "Dutch" Clark has been named to the all-time football team. He certainly belongs in such a position.

In Varsity News, the weekly paper of the University of Detroit, sports writer Henry Racette commented on the football team: "What's wrong with our beloved Titans? . . . Could it be that the boys are not on their toes? . . . Could their be dissention in the ranks?"

Next day twenty brawny football players descended on Racette, clipped his hair, painted a black T on his shorn scalp, "Victory" on each cheek and "U of D" on his back. Then they paraded him outside before co-eds. One, noting the grid stars' uneven haircutting, snorted: "They can't cut hair either." Above clipping from Newsweek.

Hockey fans will be able to see former CC player George Ewonus in action on January 9 and 10. He is now one of the top scorers for the Wichita Beechcraft pucksters.

It seems to me that something should be done to keep the sports program from conflicting the way it has this term. Having two varsity sports on the same date and the same time certainly doesn't look like the best planning in the world. There are a lot of students that like sports and would support both the basketball and the hockey teams if they played on different nights.

CC Alumnus Named To All-Time Eleven

It was announced last Tuesday that Earl "Dutch" Clark, former CC quarter-back, was named to the modern all-time football team by James N. Young, director of Collier's Magazine. The modern team includes players from 1912 to the present day.

EARL "DUTCH" CLARK '30

Dutch played on the CC teams of 1927, '28, and '29. In 1929 he was chosen all-American. This was in the day when every sports writer and his uncle didn't have an all-American team; it really meant something. He is the only player from Bengaltown to ever be so honored.

Clark also lettered in basketball, track, and baseball as well as football before getting his A.B. in 1930.

FROSH Sport Bits

By BOB LEAVITT

Coach Pat Fitzgerald's Frosh basketballers put on a great display of offensive power in trouncing the Camp Carson Mountaineers to the tune of 77 to 33. The yearlings have finally hit the win trail and will bear close watching as the season progresses.

A new addition to the Tiger hockey team this season and who has staged some remarkable performances in early season games, is Chris Ray, a freshman wingman, who hails from Belmont, Mass. Chris has had several years of amateur hockey experience in New England and last year he was a member of the American Amateur Hockey Association which toured Europe. Chris is a veteran of three years' service in the Navy and also plays the "keystone" sack in baseball.

The new Frosh hoop mentor who is experiencing his first year as Freshman basketball coach at CC is Pat Fitzgerald, a CC graduate in the class of 1941. Pat was an outstanding basketball and baseball star while attending CC. He was selected on the All-R.M.C. hoop team in '41 and also did some excellent pitching for the Tiger diamond nine. Prior to the war he received several major league baseball offers which he could not accept due to his call to the armed forces.

Cage Team Continues Winning Ways in Dual Triumphs Over Idaho

The Colorado College Tigers hit their stride Friday and Saturday evenings, stopping the Idaho State quintet 52-45 and 54-42, respectively. While the scores may have been practically the same, the two contests were far different. Friday night saw CC holding a comfortable lead in a game that was highlighted by the set shot artillery of Eathan Miller and the fighting spirit of little Willy Perkins.

Eathan Miller was high man in the scoring for the two game series, coming up with 16 points in the first game and 13 in the second for a total of 29 points. Jack Quamme was a close second with 13 points and 15 for a total of 28. He was followed by Nick Yeonopolus, who scored ten points for each contest.

These two victories bring the season's total to six as against no defeats as the Tigers prepare for their first away encounters, January 2 and 3 in the tourney at Hays, Kansas. —A.P.

Freshmen Basketballers in Easy Win Over Carson

The CC Frosh quintet garnered their first victory of the season last Saturday by trouncing the Camp Carson Mountaineers 77 to 33. The spacious Carson Gym proved to effect the Frosh hoops in the first half, but in spite of this slight hindrance the Cubs managed to hold a 12 point margin at half time.

Entering the second stanza, the Frosh cagers set forth a terrific scoring spree that couldn't be halted. The yearlings were hitting the hoop from all angles with every members of the team sharing in the net swishing.

Although the entire Freshman squad staged a brilliant performance, the high scoring honors of the game were awarded to center Jim Geford and forward Chuck Bouchard, who tallied 15 and 13 points respectively. —R.W.L.

The installing of stadium lights on Washburn filde will mark one of the great improvements in the CC athletic program which is being carried on at the present time. The installing of lights and an outstanding varsity football team anticipated next season, CC students and fans have a "bright" future in the making for football, come September.

There has been some genral discussion on the campus in regard to who is eligible for participation in varsity athletics at Colorado College. The Rocky Mountain Athletic Conference revised eligibility rules state that a freshman veteran is eligible for varsity competition in any inter-collegiate sport. But once he has participated in a varsity sport he becomes ineligible for freshman competition in that sport. No other freshmen except veterans are eligible for varsity sports.

In closing I wish all my readers a very "Merry Christmas" and a prosperous "New Year."

Black and Gold Five In Ft. Hays Tourey Meets Mines on Jan. 10

January 2nd and 3rd, marks the date of the Fort Hays tournament to be played at Hays, Kansas. Along with the Tigers, three other teams will be entered in this tournament. They are Omaha, Ft. Hays, and Rockhurst. The pairings for these teams have not been made yet.

So far the only team with scores published is Rockhurst. In their last two games they split with two different schools, Maryville and Baker. The former won 44 to 37 while the latter lost 41 to 33.

The following week the Tigers will open their 1947-48 Rocky Mountain schedule against Colorado Mines. The date of this game will be January 10 and will be played in the City Auditorium.

Coach Reed is trying to schedule a series of two games with Phillips "66" Oilers, the top team of the AAU for several years. Looking at their last two games we find that the Oilers trounced the Denver Nuggets in both games by the scores, 76 to 47 and 60 to 38.

Juan Reid will take a squad of twelve men with him to Fort Hays. Just who will make the trip has not yet been decided. The Tigers are now back in full strength with no injuries and will be going all out to keep up their undefeated record. This tournament should do much to give the team experience, which will come in very handy throughout the rest of the season. —R. MacK.

Spts Riting Trounced on By Lone Star Publisher

A few weeks back Newsweek contained the comments of H. Weldon Owens, publisher of the weekly Teague Chronical (Texas) as regards sports writing. He complained: "Nobody wins a football game anymore." Instead, Owens found, teams on the short end of the score are "crushed, trounced, thrashed, downed, hobbled, jarred, shackled, out-lasted, spilled, battered, stopped, trampled, blanked or smothered."

Betas & Independents Lead in Second Round Of Intramural Matches

A capacity crowd filled Cossitt Gym last Tuesday evening to witness the second round of the intramural boxing and wrestling matches.

The Independents copped four matches to take honors in the wrestling programs.

The Betas garnered two wins and a tie to top the leather punching frays.

The most outstanding event of the evening was the boxing between Bill Van Heusen, Kappa Sig, and Billy Mitchell, Phi Gam; Van Heusen won the 3 round event by a close decision.

Results:

Wrestling:
121 Pounds—Cannon, Ind., decision over Allured, Phi Delt.

127 Pounds—Robertson, Kappa Sig, decision over Kerns, Ind.

127 Pounds—Kurachi, Ind., pinned Wilson, Phi Gam, in 3:57.

135 Pounds—Provenza, Kappa Sig, forfeit over Colgan, Beta.

135 Pounds—Ogden, Ind., pinned Mohler, Phi Gam, in 4:32.

145 Pounds—Biega, Kappa Sig, won by default over R. Pfeiffer, Phi Delt.

145 Pounds—McGawley, Phi Gam, pinned Maloney, Kappa Sig, in 3:21.

165 Pounds—Florsheim, Sigma Chi, decision Price, Kappa Sig.

165 Pounds—Gregory, Phi Delt, pinned Kalan, Phi Gam, in 3:51.

165 Pounds—Graham, Sigma Chi, decisioned Baxter, Kappa Sig.

165 Pounds—Morris, Ind., forfeit over Hughes, Beta.

Boxing:

135 Pounds—Van Heusen, Kappa Sig, decision over Mitchell, Phi Gam.

135 Pounds—Loomis, Beta, decisioned Pearson, Phi Gam.

155 Pounds—Brinkman, Beta, and Coleman, Kappa Sig, draw.

155 Pounds—Hall, Beta, TKOed Blackburn, Phi Gam.

"Everything for Every Sport"

Tigers Meet Minn., Mich. Tech. And Harvard

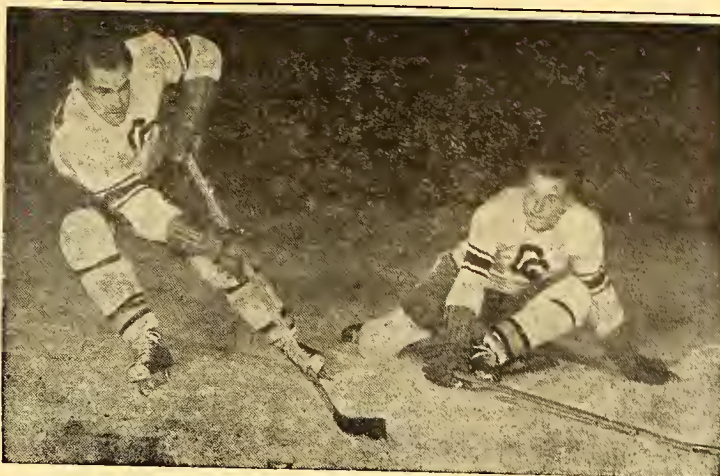

Ski Team Tryouts Jan. 11th Announced By Chmn. Jim Ford

The Ptarmigan Ski club will hold try-outs for berths on the C.C. ski team on January 11th. Jim Ford, chairman of the Ptarmigan racing committee, announced that more than twenty hopefuls will participate in the time-trials at Glen Cove. Following these tryouts the members chosen for the team will participate in the Western State intercollegiate two-way meet to be held at Gunnison on January 17th and 18th. Seven colleges and universities are expected to participate in this meet.

Altho an organized ski team is somewhat new at CC, the Ptarmigan ski club plans to enter its team in all the intercollegiate competitions in this area. Following the Gunnison race the team will compete in a four-way meet at Winter Park on February 7th and 8th (DU) and a two-way meet at Arapahoe Basin on February 28th and 29th (CU). Colorado College will close the season of intercollegiate competition with a two-way meet on Pikes Peak on April 10th and 11th.

Jim Ford, Hank Klingman, George Milhoan, and Bob Webb, who raced under the CC colors last year will be back on the boards again in the downhill and slalom events, with Ford doubling in the cross-country competition. Bill Grote, Vic Lewis, Bob Jones, Chip Moser, and Putter Harvey are newcomers who are expected to place high in the downhill and slalom trials, and Pete Tyree and Ralph Cotton will vie with Ford for berths on the cross-country squad.

Comprising the feminine end of the team will probably be Arden

Bill Tutten and Lew Meier will share the key defense positions with Ron Newsom at the CC Tigers meet Minnesota, Michigan Tech and Harvard on the Broadmoor Ice during the holidays.

Arden Roberts Wins First Place in Ski Race

Arden Roberts, freshman, won the gold "Z" for placing first in the downhill ski race held at Berthoud Pass by the Zipfelberger Ski Club, Sunday. Arden has been practicing every week end since her arrival from Pasadena, California. She is a member of the Ptarmigan Ski Club. —B.B.

Roberts, Barbara Kepner, and Peggy Merle-Smith. Arden took first place in the women's division of the Zipfelberger Novice race at Berthoud Pass last Sunday and shows promise of becoming a formidable woman racer. —R.W.

"B" Team Takes CSHS In Practice Ice Tilt

The "B" team defeated the Colorado Springs High School Terrors last Saturday afternoon by a decisive 6-2 score. It was the cubs' game all the way. This was not a league game but merely a practice tilt. It was good practice and experience for both teams.

The cubs will start league play after then return from the Christmas vacation. There has not been any division into definite teams. However, they will be divided into two equal sextets in order to afford the competitive squads which will play in the newly formed Colorado Springs Junior Hockey League. Word from Bruce Stewart and Ron Newsom, varsity pucksters who are coaching the "B" squad, indicates the team is

shaping up fine and the fellows are looking in better condition.

The roster consists of Jack McBride, right wing; Blair Wrye, center; and Dick Hahn, left wing, on one forward line, with Joe Carton, center; Chuck Moeser, right wing, and Keith Thorp, left wing, making up another Safford, Mike Ohi, Gilkinson, McMannus and Henry Otto are all trying for positions. Doug Platt, goalie, Pete Alexander, Kay Freyschlag and Bill Mitchell are all doing well in practice.

There will not be "B" squad hockey practice again until after the vacation. —J.P.

MEET AND EAT
At Your
STUDENT UNION

Team to Revenge Last Year's Defeats By Minn. Gophers

First Visit of Harvard to Rocky Mountain Region

This coming week, while most of the students are home enjoying the Christmas vacation, the hockey team will be out to best three of the leading collegiate sextets in the country. First of the visitors will be the University of Minnesota, then Michigan Tech, and Harvard.

In the closing games of the 1946-47 season the boys from Minnesota gave the Tigers their worst beatings of the season by a score of 8-3 and 15-2. The CC pucksters are much stronger now than they were when they met this team last year. As it is the U of M. should give the home squad a good series of games in what will be two of the most important college hockey games of the season.

As much as the Tigers want to make up for last season with U. of Minnesota, the Michigan squad is probably coming to the Springs with the same object in mind as far as CC is concerned. The Bengals took the measure of the silver and gold team from Ilion in all four meetings of the two schools last year.

Harvard has not sent a team into the Rocky Mountains for many a year now. The question is whether they have ever been represented in any sport in this region. The oldest records are being scanned and as yet no trace of the Cambridge boys can be found. The Crimson had a team that did not look too good last year but did come through with a win over the Yale team that CC had a hard time beating 4-3.

Despite the rough time and injuries of the Saskatchewan series, the black and gold should be at full strength for the hard week ahead. Whitworth, Slattery and MacDonald will be the starting forward line. With Rowell as center, Bruce Stewart, Howie Hushion and Christ Ray will alternate at the wing positions in the other scoring trio. Reserve center "Red" Sennors and reserve wingman Vern Wishart will probably get into action during these series.

Bill Tutten, Lew Meier, and Ron Newsom will be the main stays of the Tiger defense with Milo Yalich and Hal Spellissy due for a lot of puck stopping, too. Roy Ikola will have the heavy part of the goal duties in his hands. Clark Wilder and Norm Nestlerode will be ready to suit up if needed. —W.A.M.

Kappa's Win in WAA Volleyball Tournament

With the playing of the last game between the Kappas and the Thetas, the Kappas came out victorious by winning all four games with the DC's second and the G. Phi's third.

There will be a basketabill Play-Day at Greeley on Saturday, January 17. All girls who are interested in going to Greeley and participating in the game, sign up on the bulletin board in Bemis.

All girls interested in playing basketabill during their spare time, may do so on Friday afternoons and evenings at Cossit. —L.V.R.

show a definite preference for the sort of wearing apparel that they find at Perkins Shearer. And they know that Perkins Shearer is a fine place to do their Christmas shopping, too.

ID Cards Now Needed Due to Student Abuses

Students and faculty members are reminded to take their C.C. identification cards to all hockey games hereafter. If they do not possess ID cards, an activity book with a matching signature on some other paper such as drivers license may be asked for. The athletic department has gone to much trouble working with the Broadmoor Ice Palace and the state tax officials to rid students of the former burden of having to pay tax on tickets and to possibly be left standing room only, as was the case before this year.

Musical Pressure Groups Theme Of Harris' Lecture-Concert

By Mary Stilson

The Harris lecture-concert last Tuesday night was the third in the series this season. The pervading theme behind Dr. Harris's lecture was a history of the pressure groups which have influenced music from the sixth century on. RCA Victor (a modern pressure group) supplied the illustrations of music under these influences for periods until the seventeenth century; more modern examples were delightfully presented by Mrs. Harris, Mary Alice Graves and Irving Windward.

The Roman Catholic church constituted the first important pressure group, when it set up a strict liturgical code using the Gregorian chant as the basis for all its music. The Gregorian Chant is a direct descendant of the Greek religious hymn, which had a strong emotional power in its day; and this assimilation exemplified the institutional practice of making full use of the power and beauty of the arts to put across ideals. This practice often thwarts the artist and leads to change. Dr. Harris cited the Crusades

DR. ROY HARRIS

as a religious institution which brought about a switch to secular music found in the troubadours, trouveres, and jongleurs or ancient "jazz-boys." The edict of Pope John XXII in the fourteenth century, barring all musical innovations which would tend to subordinate the religious text was responsible for the switch in musical lead from the Continent to England. Here the Royal Chapel was the chief influence, and the love of music for fun was partly responsible for the development of the English madrigal.

From time to time Dr. Harris would hide (all except for a foot) behind a large impressive desk while a record was being played; and when he reached the more enjoyable period of music these retirements became more frequent. Mr. Windward sang Monteverdi and Caccini and Mrs. Harris played Couperin and

Snoop with Stroup

By D. A. of the same name

Even Christmas at home was never like this. At least we hope it wasn't. Tuxedos and formals can now be obtained dirt cheap. Call anyone.

Women have been grinning all over the campus with their little gold Phi Delt picture frames; Hattie Carver was seen after the Kappa Sig dance wearing a dazzlingly beautiful corsage consisting of onion and trimming; Pete Creighton kept dropping little things out of his pocket at the Phi Gam dance; and Barbara Simboli was dancing with some strange and exotic partner at the Gamma Phi formal.

Of course Hell Week proved a little tiring, especially for participants and one Prof. Baker, who found himself periodically lecturing to ducks, roosters, hens and various other forms of lower animal life. Then there was Mike Hawkins and Weldon Tarter having supper with the girls in Bemis, who sang Kappa Sig songs in their honor, last Wednesday night, and the Betas on their annual scavenger hunt, obtaining what they set out to obtain as usual.

A few pins seem to be floating around too. Helen Hawk-

Lully, Mr. Harris returning to say that from the seventeenth century on, instrumental music assumed predominance, and that in the minds of many people the three B's should be Byrd, Bach and Beethoven. From this time on, too, pressure groups consisted of individual composers and their satellites. Mrs. Harris played Bach and Handel and Mary Alice Graves sang Schubert and Moussorgsky to exemplify stars among these satellites.

Doctor Harris terminated the concert on a note of regret that the artist, being human, should be so influenced by these pressure groups and that his talent can not be guided more by free will.

ins is wearing a Sigma Chi pin from Don Mahan, Edie Auld is again wearing Les Crei's Phi Delt pin, and Walt Rebmann gave his new Beta pin to Dottie Wilkinson.

News flashes of the week: Arden Roberts nonchalantly christened through five gates at Berthoud Pass on Sunday to win the Novice race in the women's class. Is Colorado College proud of her!

Kate Kimball was seen neatly fitted into the Baguio book box just outside of Bemis dining room one evening, but Barbie Dyer and Norma McGinnis pulled her out because they said she was just a dime thriller.

Any resemblance between Rosemary Fuller and Jeanne Craig, and the mysterious Rosie O'Fuller and Jeanne O'Craig whose songs are played quite regularly on the 11:00 p. m. request program, is purely coincidental.

If Taffy Bronson seems to sparkle more than usual this week, it's not because she's sparkling more than usual, it's just because of the artificial snow used in the artificial snow and water fight party held at Howbert House one evening last week. We don't know whether she won or lost, but she came out sparkling.

And speaking of water fights, it seems to be Louise Sargent and Cal Flannigan against society. If you don't want to get drenched with water from a water gun, stay away from their hide-out in Lennox Nouse.

Fashion Notes: The very height of fashion these days, is voluminous white bow tie with large blue stripes, as have been so successfully worn by Wes Bradley, Bob Fisher and John Reeds. Persons wearing this new style must be standing in rows of not less than three, and must have Jolson for God Club medals held extended in right hand.

Also, most coveted coat on campus; the gorgeous multi-colored, furry, full-length, family heirloom, raccoon coat that goes dancing, skiing, skating, over to J's, and belongs to Bill Urban. The glassy, green eyes produced by the presence of this phenomena must stop.

Merry Christmas!

SPORTING GOODS
SKI EQUIPMENT
BICYCLES
BICYCLES RENTALS & REPAIRS

"After capping his millionth bottle, he began screaming: 'Can You Top This? Can You Top This?'"

R. J. C. Sez:

At some point in time past, the advertising and business men of America have acquired a conception of Christmas that does not quite jibe with my unreconstructed notions. Most of my ideas on Christmas have come from English writers of the plum pudding and Yule log school and so I am somewhat jolted to see in the paper that the "Ideal gift for mother, wife, sister and/or daughter is the E-Z Mop-Wringer (She need never put her hands in mop water)." It is probably necessary that mother, wife, sister and/or daughter do a bit of mopping from time to time and it may be a very good thing that she use the E-Z Mop-Wringer (Trademark, Regd. U. S. Pat. Off.) while so doing, but if the purchaser expects his M., W., S., and/or D., to leap about for joy when she unwraps the package, I hope that he doesn't mind being disappointed (or perhaps even being poked in the snoot). Where would good King Wenceslaus be if he had handed the Queen Mother a gift-wrapped hatchet and pointed meaningfully at the

Yule log which the knaves had just dragged in?

Another development that would, I think, nauseate Dickens and his contemporaries is that of giving credit slips towards purchases at local emporiums (our advertisers excepted, of course). If you give a near and dear friend a \$5.00 coupon and receive from him a \$2.50 one, you are going to feel sore as a boiled owl, he will feel like a cheap-skate and there will result a cordial glow of ill-feeling that should, if properly nursed, last thruout the glad New Year. And as a final objection to this sort of gift, it is impossible to buy a cheap credit coupon that looks as if it cost four times as much.

National Bridge Tournament Plans Set; C.C. Competitors to Start Play Soon

Colorado College has received an invitation to participate in the National Intercollegiate Bridge Tournament which is an annual contest in Contract Bridge in which men and women undergraduates compete for a championship title and trophy awarded by the Intercollegiate Bridge Tournament Committee.

All competing colleges play (on the campus) a set of eighteen prepared hands, sent and returned by mail to the Committee. These are scored by a recognized expert. The sixteen highest-ranking pairs are then invited to a face-to-face final round, to be played in 1948 at Chicago, Illinois. The expenses of the finalists en route to and from, and during, the finals are borne by the Intercollegiate Bridge Tournament Committee.

At any time before February 18 each participating college will choose eight players to play the mail round on the campus. The players may be selected by any method. Local plans in this respect will be announced at a later date, but all participants must comply with the following eligibility requirements:

Each must 1) meet the eligibility requirements in effect at his college or university governing participation in comparable inter-collegiate competitive activities, 2) be regularly matriculated and enrolled as a candidate for an undergraduate degree in his college or university, 3) be carrying not less than the minimum number of class hours required of students at his college or university, and 4) be enrolled at his college or university at the time of both the Regional Tournament and the final face-to-face Tournament.

Once the team of eight players representing each college has been selected, only one evening is required to play the round-by-mail on the campus. No entry, or other, fee is charged for participation in any phase of the tournament.

For the purposes of the tournament the U. S. has been divided into eight zones on the basis of geographical proximity and numerical distribution of more than three hundred accredited colleges invited to participate. The sixteen pairs qualifying for the finals will represent two colleges from each of the eight zones. Colorado College is in the Western Zone with its 45 colleges.

Questions and problems re-

Creative Writers Invited to Make Tiger Contributions

Pursuing the announcement in the last TIGER, all of the fledgling writers, poets, essayists and miscellaneous creative writers are hereby invited to get together their unsung gems and masterpieces and be prepared to submit them for publication in the TIGER literary section which is, even now, in the formative period. Further, any and all would-be Literary Editors with a leaning for reading are begged, asked, invited and requested to shove in a written or verbal application to either Jim Doherty or Bob Cosgrove.

It is expected that the section will be published after the start of next term.

New Journalism Course Offered Next Semester —See Watson Early

Students interested in a journalism course, "Introduction to Journalism" should see the instructor, Mr. Harry Watson, in Cutler hall before second semester begins. It is open to juniors and seniors and enrollment will be limited to approximately 35 students.

Those interested are asked to see Mr. Watson on Monday, Wednesday or Friday at 1:15 p. m.

"Elise has told me so much about you, I feel we've already met."

All Drives to Be Cleared Through Student Council

Due to previous duplication and confusion in campus drives, the student council has decided that a clearing house for all proposed drives is necessary. Therefore, any organization desiring to put on a drive must clear through student council two weeks prior to its starting time.

lating to the tournament should be addressed to Dick Conrad, Sigma Chi House, CC Campus. Conveniently posted rosters will be available within a week for interested persons. Mail applications will also be accepted. All roster signatures and mail applications will be acknowledged to assure coverage of all interested persons.

F.A.C. Membership Drive Ends on New High Mark

The Fine Arts Center has just concluded a special drive to increase its membership roll. "Really not a very big drive," according to Mr. Marshall Sprague, the Art Center's publicity director, it nevertheless succeeded in adding 127 new members during the month of December alone, bringing the total for the year up to 1401 members. This is an outstanding advance over last year's total of 839.

Asked if there was anything to add, Mr. Sprague said that \$1.00 entitles you not only to monthly calendars describing the Art Center's activities but also to twenty-four free movies during the year—the "biggest bargain in town."

Dr. Crofts of D.U. Debunks War Scare, World Unrest, in Chapel Address Tues.

The generation of students and young people in the United States today have a greater chance for survival than people anywhere else in the world, according to Dr. Alfred Crofts, social science professor at Denver university. Speaking at the weekly service at Shove Memorial Chapel, Tuesday morning, Dr. Crofts told Colorado College students that with chaotic conditions in the rest of the world, their life expectancy could be figured at 60 years more than the average young Asiatic and nearly that much more than a European.

Discrediting the fear hysteria, which he said seems to have a hold on the American people, Dr. Crofts painted an optimistic picture of full employment and the absence of inflation and minimized the dangers of Communism at home and abroad.

The Denver professor worked on MacArthur's staff as an advisor to the universities in Japan and has been an educator in China.

"We will never know real inflation as these people in the Orient know it," Crofts said. "Although our slow, but steady, increase in prices can be termed a mild type of inflation, we can not conceive of an increase of 100 per cent per week. Certainly the day is not at hand when it will take a month's salary for a few cartons of cigarettes, as is the case in China today."

Dr. Crofts pointed out that in the early 1930's any student who became self-supporting upon graduation from college was considered the "lucky one," whereas today all college graduates can find work.

Using statistics to show that all of the strikes in 1947 resulted in an average loss of three hours per working man for the entire year, he said, "I cannot share the fear which seems to have a hold on the American people today. Nothing is absolutely reconcilable between management and labor, and relations are improving every day."

He then spoke of the common fear of Communism from within the country and the corresponding fear of Russia. As regards the lack of findings which were made in the year's investigations, Dr. Crofts said, "The dangers done the United States by the Communist party are probably less than that done by college students at their yearly homecoming celebrations."

He pointed out that the war destroyed in eastern Russia an amount equal to 150 cities the size of Denver and suggested that it is impossible to foster the thought that such a beaten Russia could start war.

Crofts suggested that the largest single factor in this creation of national fear has been the industry-wide advertising campaigns which seem to result in greater purchasing power from a fearful public.

New Pro-Tem Prexy To Speak in Chapel

Students of Colorado College will meet the school's acting president, recently appointed by the Board of Trustees, at an introductory address in chapel, Tuesday, January 13. Major General William H. Gill, retired wartime leader of the 32nd division, and former University of California professor, will hold President Davies' position during his absence.

Newman Club Host to Regional Conference

The Newman Club of Colorado College will play host this weekend to a regional quarterly conference. Each college in Colorado, Wyoming and Utah which has a Newman Club will send at least two official delegates and about seventy-five students are expected to attend.

On Saturday the Joint Committee for Student Action will hold meetings in Shove Chapel Lecture Room. This group is composed of Newman Club members and students in the Catholic Colleges. On Saturday night members of the Colorado College Newman Club will be initiated into the National Newman Clubs after a dinner at the Swiss Chalet.

The conference to be held on Sunday is for the Newman Clubs on secular campuses and will open with a corporate communion Mass at 8:00 a. m. at St. Mary's Church and conferences will be held during the day at Shove Chapel lecture room.

Program

Regional J.C.S.A. meeting Saturday, January 10, 1948.
8:00 a. m., Registration at Lennox House.
1:30 p. m., Meeting in Shove Chapel.
6:00 p. m., Dinner at Swiss Chalet.
7:30 p. m., Initiation at St. Mary's School. Party will follow initiation.
Inter-mountain Province Conference Sunday, January 11, 1948.
8:00 a. m., Mass at St. Mary's Church.
9:00 a. m., Breakfast at Blue Spruce.
10:30 a. m., Meeting at Shove Chapel.
12:30 Noon, Dinner at the Swiss Chalet.
1:30 p. m., Tour of the Campus.
2:30 p. m., Meeting at Shove Chapel.
5:00 p. m., Banquet at Blue Spruce.

Issued each week during the academic year.
Member of the Associated Collegiate Press.
Subscription price: \$1.50 per semester by mail.

Now is the time for the student body of CC to become affiliated with the students of the rest of the country in the National Student Association. This college had a hand, with over three hundred similar institutions, in forming the constitution for this group, yet we have not seen the time as ripe for affiliation.

Many factors have caused this hesitancy. Chiefly it is felt, I think, that we want to know if we are going to get our money-and-time's worth by joining such a group. I cannot say how it will benefit every single student on every campus in the country; but if a unified voice truly representing student opinion, regardless of race, belief, social or economic condition, is wanted and thought necessary; the NSA should get all the support we can give to it.

You may ask just why such a unification is necessary. It is needed to try to get the same standards in schools throughout the country, to promote better understanding of the problems of student bodies on local, state, and national basis and to attempt to solve these difficulties. Through the NSA we can help eliminate this ignorance and help one another. In many other countries of the world the student voice is important and has led to major improvements in government and the general welfare of the people. It is not inconceivable that the students in this country could do the same thing. In my opinion this is desirable and might reawaken some of the idealism of the governing officials when they realize that there are still people who want justice and equality, regardless of financial loss and gain.

The NSA has international implications too. There exists today, without U. S. participation, an International Union of Students. It is composed of representatives of students in various countries throughout the world. This country is not among them, for it has not had, until recently, any really representative student body on a national basis. The IUS is the only gap in the Russian "iron curtain" at present. Through an exchange between our students and theirs as well as stu-

dents of the other member countries, a certain amount of good will would almost certainly be generated. Obviously there is no surplus of this commodity at the present time. The NSA has not joined the IUS as yet and will not take action on the issue until the meeting of its Congress this year.

For those who have heard the report, I wish to state that there is no foundation for calling this student group COMMUNISTIC. That is a very handy device these days to place in the way of anything disliked or disagreed with. I ask you how can students, really representing American student bodies, actually be Communists. The people who make such assertions have little faith in our educational system or in the youth of the country. True, some individuals may have leanings towards Marxist doctrines, but then again some are sons of bank presidents, ministers and the like. The NSA has been written about favorably in the "Daily Worker" and other Communist publications, but it also has the support of the YMCA, Newman Clubs, Congregational-Christian Youth, and many other religious and youth groups in this country.

Many schools, both large and small, have affiliated themselves with the NSA. It is not something that we cannot withdraw from if we disagree with its policy later on. If there are any objections to CC joining the NSA I wish they would be raised now. If not, I hope the day is not far distant when we will be a member school in this association.

What's Your Trouble?

Next week's TIGER will contain a "fold-in" sheet which may be of considerable interest to you, as a student at C. C. It is a questionnaire on the general subject of what's wrong with C. C., as well as what's right with it.

You are invited to use this questionnaire freely—you may sound off in any direction you like. Behind it is a sincere wish to improve what needs improving throughout the college, and your opinion is valuable. You may sign the sheet if you like, or not if you'd rather not. In either case, the TIGER will compile the results and let you know what the students think, so you may know how many agree with you, and whatever good ideas come out of it will be properly credited and publicized. Further, they will be carried to the college administration both directly and by suitable action of the student council.

You may see something that needs doing about the college—here is an excellent chance to say what you want said.

Kappa Formal At Copper Grove Tonight Thetas Plan Informal For Next Week End

Tonight at 9:00 o'clock the Kappa pledge formal will be held at the Copper Grove of the Antlers Hotel. Weldon Flessner (better known as "Fiz") and his trio has been obtained for the sound effects. Chaperones for the evening include Miss Margaret Smith, Dr. and Mrs. Stabler, and Mr. and Mrs. John Bonforte. E. J. Holmes, social chairman, is in charge of the dance.

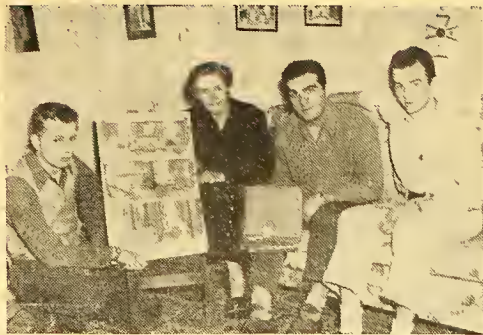

The Theta pledges will give an informal dance at the Theta house in honor of their actives next Saturday night, January 17. Beryl Barr, chairman of the dance, and her committee has planned house decorations and refreshments.

The Delta Gamma costume dance which was scheduled for Saturday, January 10, has been postponed to a later date.

IWA Uged to Attend Important Meeting Monday

Next Monday night at 7:30 there will be another meeting of the Independent Women. All unaffiliated women are expected to come in sweaters and skirts to pose for a group picture to be put in the Nugget. Last time the group and the photographer were dismissed because there weren't enough girls, so this time, please, everyone be there!

The new IWA pins are now ready. You may order them on Tuesdays from 11:00 to 12:00 in Lennox or by calling Jean Holmes, M. 4373-R.

—Photo by Curt Hart
Pictured are (left to right) RAY SYLVESTER, MRS. ROEHRIG, DOC GARRISON, and DICK GRAHAM, with samples and sketches for the Sigma Chi renovation project.

Kappa Sigs Make New Appointments

Pat Fitzgerald, frosh basketball coach and former student body prexy has been appointed as the new Kappa Sig alumni adviser.

Also Kappa Sigma is proud to announce the appointment of Mrs. Mabel Haugh of Des Moines, Iowa as their housemother. Mrs. Haugh was formerly a sorority house mother at Ohio State, and had charge of an officer's club for four years.

Fijis Entertain Smallfry Boys

With a couple of pillows to add to his size, Sam Newton portrayed the role of Santa Claus at the annual Phi Gamma Delta Christmas party for under privileged children, December 17. This party just before vacation was for boys living in Colorado Springs. Corky Downing was in charge of the arrangements. This was a very successful party complete with dinner, presents, and a cartoon movie.

Snoop with Stroup

By D. A. of the same name

As far as we can make out, everyone seems to have had a roaring vacation as is in evidence by numerous fraternity pins, sparkling diamonds, wedding bands, new Buicks, and a few blood-shot eyes.

Take the fraternity pins for instance. Glenn Coleman gave his Kappa Sig pin to Nancy Munro just before vacation, and Ann Hunt came back with a Theta Zeta pin from Dick Clark in Boulder.

Then those who have been seen sparkling are: Myrna Blakely, engaged to Alan McMurty just before vacation; Bev Staley, who went out to California with Bill Bernard and came back with a diamond; Hockey Queen Martha Richardson with a ring from Ralph Bildstein; Ginger Brown engaged to Delos Smith from back home; Stan Provenza surprised everyone by giving a ring to his girl Jean Schryver, and Jack Hill going one step further and marrying Marilyn Ecklund from Peoria, Ill.

As for the rest of the vacation, there were the usual transportation difficulties. Peter Schiffin stepped inside the station to check his bag, got back on the train, and decided when he got to

Fraternity Post-War Renovation Programs Nearing Completion

New Officers Elected By Kappa Sigmas

At the first meeting of the new year, Kappa Sig's elected their new officers for the coming semester. We have had a good year so far and expect continued success under the leadership of the following officers. Grand Master, Stan Rice; Grand Proctorator, Charles Miller; Grand Master Ceremonies, Ed McRae; Grand Scribe, Bob Robertson; Grand Treasure, Charles Neill; Social Chairman, Gordon Westcott; Alumni Sec., Lee Schlessman; House Manager, Waldon Tarter; Song Chairman, Mike Hawkins; Pledge Trainers, Jack Mitchell, Jack Hill; Intermural Manager, Michael Biega; and the Representative to the Inter-Fraternity Council, Chet Long.

Denver, that maybe he'd taken the wrong train.

People like Bill VanHeusen came back with sand between their toes from the beaches of California, and were looked upon with amazement by people from New York, who had seen more than sand. But New York's snow didn't seem to stop Peggy Merle-Smith, who traveled all the way from Colorado to New York to Connecticut to Florida and back to Colorado again in time to ski at Aspen. It's amazing what some people can do in two weeks.

George Milhoan is still progressing nicely with plans for his rabbit-raising industry, and the Jolson for God club has established new branches in Los Angeles, San Francisco, and Oklahoma City — headquarters still in Colorado Springs. It's all so glorious!

FOUND

A roll of 35 mm. film, found on campus just before vacation. It is not in a chartrreuse case. Identify at the office of the secretary, Cutler hall, CC.

The first major post-war renovation programs for the five fraternity houses are nearing completion this week with the Phi Gammas having already added their finishing touch by their recent hell-week project of refinishing their piano to a natural color.

The Phi Delta Thetas during vacation have been adding new fixtures. Forest green drapes accentuate the light green carpeting in the living room. Also a new stairway is being cut to the basement.

During the recent Beta hell-week the fraternity house has been repainted inside with pastel green and white trimming. Light fixtures have been installed and the floors have been resanded.

The Sigma Chi's have been working several weeks on their redecoration job. This consists of redecorating the entire first floor complete with brown walls and white ceilings with green and brown drapery patterns dominating. Modernization of furniture will complete the renovation.

The exterior of the Kappa Sigma house is getting a new winter coat consisting of scarlet, white and green paint. The interior of the house has a new game room and storeroom. Last fall the inside was painted and the furniture was recovered.

THE Couples Column

New Year's Eve found the CC Wives (and husbands) gathered again, at the palatial abode of the Ed Durnalls. Riotous good fun prevailed, much "good cheer" was evident, and the New Year was ushered in in a most satisfactory manner.

Wednesday, January 15th, marks the date of the next CC Wives meeting. Much business, much bridge, and much gab are the orders of the day, so circle the date on those new 1948 calendars, gals, and we'll see you at 7:30 at Lennox!

Family additions: The Meyerdings, the Stewarts and the Buchlers all have new babies.

WYOMING MATMEN HERE SAT.

Match Will Open the Intercollegiate Season

At 3:00 o'clock tomorrow afternoon, the CC wrestling team will open its 1948 season against Wyoming university in Cossitt Hall. Admission will be on the student activity books.

Last year the CC matmen took second place in the RMC meet at Greeley. They also tied for third place in the District Seven NCAA meet with Wyoming. Glenn Blagg, who was the champion heavyweight from the Seventh District, will not be in action due to an injury during the football season.

The champion team from Cornell College, Mt. Vernon, Iowa, will engage the Tiger squad at the City Auditorium this Wednesday, Jan. 14, at 8:00 p. m. Cornell won the titles in both the National Collegiate Athletic association and the National Amateur Athletic Union meets. In their matches this season they have won one sided decisions against Beloit college 29-3 and New Orleans Athletic Club 88-0.

CC is second on their five match trip which includes in addition: University of Nebraska, Denver, Colorado Aggies and Wyoming. The Iowans have a thirty-one man squad, five of whom placed in either or both the NCAA or AAU finals.

Returning letterman to the Tiger team are Louis Kinkle, Charles Neill, Bob and Bill Storey. The rest of the team are: Gerald Boyle, Robert Kerns, Harry Kurachi, Bob Robertson, John Oden, Mike Biega, John Savage, Moe Miller, Don Morris, Jack Hill, Pete Florsheim and Ed Kohlmeier.—J.W.A.

National Champs Face CC at City Aud. Wednesday

1946-47 Championship wrestling team—Cornell College's wrestling squad which won both NAAU and NCAA championships in 1947 face Tigers at 8:00, Wednesday, under Coach Paul K. ("Scotty") Scott. From the left Front row: Richard Hauser, Waterloo, Iowa; Leo Thomsen, Waterloo, Iowa; Lowell Lange, Waterloo, Iowa; Ken Lange, Waterloo, Iowa; Buford Beck, Elizabeth, Ill.; Dale Sherill, Mt. Vernon, Iowa; John Gregg, Cherokee, Iowa. Back row: Ben O'Dell, Greeley, Iowa; Rodger Snook, Newton, N. J.; Alfred Partin, Asheville, N. C.; Bennett Conner, Beth Ayre, Pa.; Fred Dexter, Davenport, Iowa; Ralph Weber, Glen Ellyn, Ill.; Robert Soper, Emmetsburg, Iowa.

Frosh Gagers Journey to Pueblo Tonight; Meet D.U. Team Wednesday

The Tiger yearlings will be seeking their second victory of the season tonight as they journey to Pueblo to face the Pueblo Junior College quintet. The Fitzgerald men received their only setback thus far this season at the hands of the Puebloans by a 43 to 29 verdict in the opening encounter. The CC Tigers have improved considerably since this defeat and therefore the junior college lads will be provided with plenty of opposition in tonight's contest. Coach Fitzgerald has not yet announced any definite lineup for the game but the freshmen will probably have Jack Orsborn and Marvin Powell at forwards, Jim Gifford at the pivot post and Bill Bangert and Jim Caywood in the guard slots.

Wednesday evening, January 14, the freshmen basketballers will trek to Denver for an all-important tilt with the highly rated Denver University frosh team. The DU cagers

Finals in I-M Boxing And Wrestling Next Week

The intramural sports program has been somewhat tied up in the past few weeks due to the great number of activities occurring at the same time.

The semi-finals and finals of the I-M wrestling and boxing matches will be held Tuesday, January 13th and Thursday, January 15th at 7:30 p. m. in Cossitt gym.

The basketball schedule will get underway on the week of January 19th. There will be eight teams this season which will include the five campus fraternities, the Independents, the faculty and one freshman team.—R.W.L.

have a more impressive record than the Tigers and therefore they will be given a slight edge over the CC Cubs. The DU five will rely heavily on Bob Morgan, their 6'-9" center who has been a potential point getter all season. The Tiger defense will concentrate on holding down this rangy pivot man who can be a dangerous threat to any ball club.

Spinning The Sports Wheel

By W. A. MURRAY

The wheel is really spinning these days, in fact a few spokes have come loose. Or haven't you noticed? There seem to be quite a few complaints around about the intramural wrestling being a farm team for the varsity. As we understand it intramurals are for the fellows that can't make the big squad and like to participate in sports anyway. Whether the above situation is within the letter of the law is not important, is it in the spirit of intramural competition?

Again the week end is crowded with sporting activities and . . . conflicts. It wouldn't be bad if we didn't expect to have good contests at the Aud and at the B-moor. Don't miss the wrestling team as they go into action against the national champs from Cornell College at the City Aud Wednesday night.

Football guard and 175 lb. wrestler Jack Hill married during the vacation. 'Twas a home town girl, Marilyn Ecklund. Met Cheddy Thompson trying to knock down an iron post with his car Tuesday. He's had the dent taken out already. Nobody will ever know.

For those who like ice skating the league games of the two CC "B" teams are a break. For the single admission price (33c) you get to see the game and skate until 10:30 afterwards.

All RMC halfback Harry Waters received a bid from the Chicago Cardinals to play pro ball.

Basketball and Hockey Dominate Weekend

Mines Is CC Foe As Quintets Clash Tomorrow at 8:30

First RMC of Season

The Tigers will be going all out tomorrow night to make up for their defeat by Fort Hays when they tangle with their traditional rivals from Colorado Mines. The lineup for the home team will probably be the usual Quamme, Scott, Miller, Perkins and Yeonopolis.

These two teams will open the Rocky Mountain conference (Little Five) league race, while the remaining three cage squads will engage in non-league tilts. Montana State, although they are conference members, have not been scheduled by any of the other conference teams and will not participate in the league championship race.

In non-league standings CC has won 5 and lost 1, while Mines has won 1 and lost 5. In their first three games Mines lost to Wichita, 67-33, and Oklahoma 55-31, while winning from Emporia by the score of 64-32. Mines played Regis last night but the result of this game is not known as we go to press. CC will meet Mines once more this year in an away game on February 13.

Coach Juan Reid was disappointed over the team's last battle as their showing wasn't too good. He said that the two-week Christmas holiday layoff didn't help the club any. However, after Monday's drill he had a little more hope for the team as they showed improvement in practice. Jack Quamme leads in the scoring for CC with 79 points. Ed Scott and Eathan Miller are right behind, having 70 and 68 points respectively.—R. Mack.

Non-League Standings of RMC

	W	L	Pct.	Pts.	OP
CC	5	1	.833	317	290
Mon. State	7	3	.700	556	543
W. State	3	6	.333	445	463
Colo. State	2	6	.250	409	426
Col. Mines	1	5	.167	241	296

Lancers and Cubs In C. S. Jr. Hockey League Opener

Last night in the opening games for both squads, the two CC "B" hockey teams opened their seasons against each other. The teams, the Bengal Lancers and the Tiger Cubs, are coached by Bruce Stewart and Sonnie MacDonald, both of the varsity.

Expected to start for the Lancers were Joe Carton, Pete Alexander and John Law up front, with Mike Owl and Jarvis Gafford playing back and Doug Platt in the net. The Cubs should be about equally strong having a good defense combination in K. Freyschlag and Bill Mitchell. Paul Rameley handled the goal tending with Dick Hahn, Blair Wrye and Bill McBride in the forward slots.

Both teams are members of the Colorado Springs Junior Hockey league which includes teams from the various high school in the region. Spectators will be allowed to skate after the game. Admission is 30c for all contests.

1948 Junior Hockey League Schedule

Jan. 8—Tiger Cubs vs. Lancers.
Jan. 12—Rangers vs. Cubs.
Jan. 15—Ftn. Valley vs. Cheyenne
Jan. 19—Cubs vs. Ftn. Valley.
Jan. 22—Lancers vs. Rangers.
Jan. 26—Lancers vs. Ftn. Valley.
Jan. 29—Cubs vs. Cheyenne.
Feb. 2—Ftn. Valley vs. Rangers.
Feb. 5—Cheyenne vs. Lancers.

FROSH Sport Bits

By BOB LEAVITT

Tonight the Frosh hoop squad travels to Pueblo to seek revenge for the sound trouncing they received in their opening contest by the Pueblo J. C. quintet. The yearlings have shown a marked improvement in recent drills and have evidently hit their stride and thus far hold a record of one victory and one defeat. The Cubs have two outstanding forwards in Jack Orsborn and Marvin Powell who should account for much of the net swishing as the season progresses. Jim Gifford, 6'-3" center has also been hitting the hoop consistently from the pivot post beside being a very valuable defense man. I anticipate an action packed tilt tonight with our Freshman emerging victorious.

The "B" hockey squad is composed mainly of Freshmen who in time should develop into prospects for the varsity puck chasing aggregation.

Another Freshman who has been seeing considerable action on the Tiger hockey team this season is Hal Spellissy, a native of Wilcox, Sask. Hal attended Notre Dame high in Wilcox and lettered 3 years in hockey and baseball. Although Hal lacks the experience of

Tiger Hockey Record 1947-48

	G	A	Pts.	Penalty
Slattery	14	5	19	6
Stewart	12	4	16	4
Rowell	3	12	15	2
MacDonald	8	6	14	17
Newson	7	7	14	5
Whitworth	3	9	12	8
Seasons	5	7	12	2
Hushion	4	4	8	0
Ray	3	5	8	0

some of his team mates he should develop into a top notch defense man in another season. He plans to try out for the catching duties on the frosh diamond nine next spring.

A freshman who has been doing remarkably well in the mat sport is Don Morris. Don will be grappling in the 175 pound class tomorrow afternoon. So if you wish action and utmost in entertainment go over to Cossitt tomorrow afternoon and watch our grimacers and grunTERS in action.

Strong Wichita Team Is Threat to Tiger Pucksters' Record

George Ewonus, Former CC Star, to Start for Visitors

The whole hockey squad has been out for rugged practices this week after a layoff following the Harvard series. They came out of the holiday games with a clean sweep of the six games played. Minnesota was taken to task by scores of 8-5 and 7-6, Michigan Tech fell 7-6 and 8-3. Harvard was beaten in two games 13-6 and 10-3, the scores not indicating the hard playing by both teams.

The bill for tonight and tomorrow night brings the Wichita Flyers to the B-moor Ice Palace. At present they lead the Wichita Amateur league. Gena Mott, one of their leading defense men, formerly played with the Coca Cola team here in town. He is really rough and was known for a bit of a temper.

Captain Dick Rowell, slated to start in the center position, will be facing off with his former roommate and fraternity brother, George Ewonus. Ewonus is the starting center and leading scorer for his team. He also leads the league in number of total points to his credit.

Probable starting forward line is Rowell, MacDonald and Slattery. Defense positions will probably be filled by the Tutten-Meier and Newson-Yalich combinations. Yalich has earned a regular berth for himself on the team by his fine playing in the Harvard tilts. Ikola will be in the nets as usual.

Ski Team Tryouts on Sunday at Glen Cove

Four Veteran Skiers Back

This Sunday the Ptarmigan Ski club is holding tryouts for its ski team, under the direction of its coach, Jack Snobble, captain of the '46 Dartmouth ski team. The tryouts are open to all members of the Ski Club, both men and women, and there will be slalom and downhill time trials. Expected to try out are newcomers Vic Lewis, Bob Jones, Chip Moeser and Pete Tyrea. Returning members of last year's team are Jim Ford, Hank Klingman, George Milhoan, and Bob Webb. In the women's class there will be Arden Roberts, Peggy Moryl-Smith and Barbara Kopner.

Plans are being made for a cross country and jumping team, but these teams will not be used in the first meet so the tryouts will be held later. The first meet will be held Jan. 17th and 18th at Gunnison, sponsored by the Western State, winners of the Intercollegiate meet at Aspen on Dec. 27th. Seven schools are expected to participate in the meet.

Glen Cove is now running on a daily basis under the direction of "Codfish" Carrier, ex-head of the Winter Park Ski Patrol. He plans to make arrangements for Ptarmigan Ski Club members to take lessons at greatly reduced rates. Details of the plan were explained at the Ski Club meeting last night.

Players to Present 'Taming of the Shrew'

Woodson Tyree announces that the CC Players are now in rehearsal for their new play, to be presented Thursday, Friday and Saturday, January 15, 16, and 17. The production is Shakespeare's "The Taming of the Shrew."

This presentation is a semi-modern version of the original Shakespeare work. The playing time has been cut from three and one-half hours to one hour and 45 minutes. It retains the original Shakespearean lines, however.

Students will be admitted free with their student activity books on any of the three nights of the performance.

Peter Buchan and Dusty Krause have the leading roles in this play. Others in the cast are Bob Fisher, John Reeds, Freeman Hover, Wes Bradley, Jim Wischmeyer, Bob Myrick, Jim Parker, Dale Sinclair, Pete Cilleran, Peggy Merle-Smith, Harvey Morrow, Carol Caebel, and Susie Sabin.

Students May Voice Opinions of Deferred Rushing in Assembly

All Freshman men are urged to attend an assembly program January 15 in Perkins Hall to discuss the matter of deferred rushing. The assembly, with Juan Reid in charge, will be held at the regular time, 10 o'clock. There will be a discussion both pro and con on the question, after which the freshmen will be asked to voice their opinions on the method of rushing and pledging to be used next semester.

The Inter-Fraternity council has requested that the deferred rushing be abolished and the school return to the pre-war system of rushing during freshman week and pledging on registration day. Under the present system all men are required to have a semester's residence before rushed, which gives them a chance to become familiar with the fraternities before pledging. But the Inter-Fraternity Council maintains that with the deferred rushing system there is really informal rushing during the entire semester.

Before the assembly the freshmen men will be polled to determine what their ideas are on the matter. The result of their vote will be a factor in determining the future policy. Other factors will be the feelings of the Committee on Undergraduate Life, the Alumni Council, the Board of Trustees, and of course the Inter-Fraternity Council.

Speech Meeting Draws 150 From Ten Schools

The CC Speech Workshop is playing host to ten other colleges and universities on Saturday, January 17, for an all day speech meeting.

Each school is expected to bring 15 competitors, four for the debate team, three extemporaneous speakers, and four prose and poetry readers. The three contests will be held simultaneously in different buildings on campus.

The coaches from the various schools will be CC's guests for luncheon. There will also be a tea for the coaches and contestants at the end of the competition. They are invited too to the Fine Arts Center in the evening for the CC Players' presentation of "The Taming of the Shrew."

The ten schools that have been invited are Colorado A. and M., Colorado School of Education, Loretto Heights College, Denver University, University of Colorado, Wyoming University, Regis College, Western State College, Adams College, and the University of New Mexico.

Come and Get It!

We always thought that veterans, being people, needed money. At CC only half of them do! If it's pride that's keeping fifty per cent of them from getting their \$1.75 refund on activity books we'd like them to know that the treasurer's office is pleading to have them come down and pick up their due. And if they don't the pride of the TIGER office will be hurt, because fifty per cent of the veterans just couldn't be reading our paper!—M.S.

Endowment Headquarters Moved to Cutler Hall

Headquarters for CC's 75th Anniversary Endowment campaign have moved to Cutler Hall, according to Miss Lorena Berger. Students wishing to make contributions or pledges to the campaign should see Mrs. Constance Carpenter in the Secretary's office.

'I.D.' Cards Required for Ice Palace Admission

It has been announced that Identification cards are essential for student admission to the B'moor Ice Palace. Maybe we've said it before, but we'll tell you now that if you've lost this valuable paper, you must have an official identification of some sort. For the benefit of those who left their driver's license at home, slips obtainable at the Treasurer's office will serve the purpose.

Acting Prexy in Chapel Address, Gives Promise to Keep CC Moving Ahead

A pledge to keep Colorado College moving forward and a promise that no quick or drastic changes would be made were given Tuesday by Maj. Gen. William H. Gill, acting president of the college, in his first formal appearance before the college. Speaking to students and faculty in the weekly services in Shove Memorial chapel, a month after he assumed President Thurston J. Davies' office, General Gill declared: "A great organization like CC never stands still: it either moves forward or backward. It will be my earnest endeavor to keep this one moving forward and I shall take a dim view of anyone who by word or action impedes that progress."

In his opening, General Gill also said: "I would like to say here that any notion that there will be an interruption in the efficient functioning of Colorado College or that any quick, drastic changes will be made is false and without any basis of fact."

Pointing out that some form of discipline was necessary to any successful organization, the General

(Continued on page three)

W. S. S. F. Drive to Begin in February

The W.S.S.F. drive will start here on the C.C. campus shortly after next semester starts. UNESCO, through the World Student Service Fund, is sponsoring an effort to raise \$1,000,000 from American students for materials for education, relief and reconstruction in war devastated areas abroad.

In a letter to President Davies, George Shuster, President of the W.S.S.F. said: "There is no need to tell you about the 400,000 university students now living in devastated areas in Europe. All of us have lain awake thinking of the stark contrast between life on our campuses and existence in the shattered schools of so many countries. The situation is even more desperate than it was last year by reason of the shortages of food and fuel."

He went on to say that the money raised will be equally distributed between Europe and China, and ended up by saying: "We rely confidently upon the continued cooperation of your faculty and student body and we are grateful in advance for the interest you will take in making this appeal a success."

First Hockey Dance Tomorrow Night in Broadmoor Ballroom

Saturday night, January 17 the first hockey dance will be given in the Broadmoor ballroom following the final game in the series with the San Francisco Olympic Club. Tickets may be obtained from C Club members and will cost 75 cents per person. The dances of last year will be remembered as very successful social functions. Players from both teams will be present at the dance.

Bridge Tourney Lists Posted - Sign Up Now

Posted in all fraternity houses, sorority lodges, women's dorms, and Palmer Hall are "sign-up" rosters for all persons interested in competing in the campus playoffs for selection of eight players to represent C.C. in the National Interecollegiate Bridge Tournament.

Participants are requested to sign as partners, although single entries will be accepted and paired at tournament time. Space is also provided for listing preference of time and dates. Play will be scheduled to satisfy the largest preference. Campus playoffs are scheduled for the first school week in February.

Complete NBT information and eligibility requirements can be found in the last issue of the Tiger. Additional information may be obtained from Barbara Dick, Howbert House, or Dick Conrad at the Sigma Chi House.

Mail applications will be accepted. All roster signatures and mail applications will be acknowledged to prevent any oversights.

X-Ray Results Out Now; No News Is Good News

All persons who haven't received a report on their T.B. X-ray test may relax, for only positive reports have been sent out. These people have been asked to report to the infirmary to discuss the matter.

"Taming Of The Shrew" Opens at F.A.C. - Plays Tonight and Saturday

Last night the CC Players presented Shakespeare's "The Taming of the Shrew," at the Fine Arts Center Theater. The play will continue through tonight and tomorrow night, starting at 8:00 p. m. To give the production a popular appeal, it has been modernized, using the same methods that Shakespeare employed to appeal to his audience. Present-day costumes, background music and humor have been introduced. The running time has also been cut as much as possible without detracting from the original charm of the play.

Dusty Krause as Katharine, the Shrew, and Peter Buchan as Petruchio, the suitor, who tames her, are very well cast. Supporting players are Bob Fisher, John Reeds, Freeman Hover, Wes Bradley, Jim Wischmeyer, Bob Myrick, Jim Parker, Dale Sinclair, Pete Gilleran, Peggy Merle-Smith, Harvey Morrow, Carol Gaebel, and Susie Sabin.

Admission for students is free upon presentation of their student activity books.

The play will be presented again February 14 for the Rocky Mountain Speech Conference to be held in Denver on that date.

Art direction is handled by Pete Gilleran; stage decoration by Dale Sinclair; lights by Carol Turnbull, Jim Suhr and James Smith; scenery by Marjory Clark, Richard Larson and Horace Weston and Charles Williams; sound by George Weidman and Pete Gilleran; costumes by Mary Crell and Beryl Barr. Susie Sabin is stage manager with Peggy Merle-Smith as assistant. Business managers and assistants are Carol Gaebel, Coralene Connell, Tom Pankau and Tom Stoker. Bud Edmonds is in charge of sound system.

Speech Conference Here Tomorrow, Attracting 150 From Ten Other Schools

Tomorrow, January 17, ten schools and colleges will be guests of the CC Speech Workshop for a speech conference. There will be debates, extemporaneous speaking, and prose and poetry reading.

Each school will bring 15 competitors, four for the debate team, whose subject will be "A Federal World Government Should be Established, Pro or Con." There will also be three extemporaneous speakers, and four prose and poetry readers contesting from each school.

Bill Barton, Bill Shafer, Irving Andrews, Walter Layton, Bob York, Bill Davis, Dick Sensenbrenner, and Bill Grote will make up CC's debate team. Tom Stoker, Phil Blinder, Doc Garrison and Doug Platt will be extemporaneous speakers. Bob Fisher and John Reed will handle the poetry reading, while Wes Bradley and Carol Spiegel take over prose.

At a luncheon for the speech coaches, Mrs. Fau-teaux, Dean Gates and Dr. Knapp will be speakers. The toastmaster will be Irving Andrews.

The ten schools, besides CC, participating in the conference are Colorado A. and M., Colorado School of Education at Greeley, Loretto Heights College, Denver University, University of Colorado, Wyoming University, Regis College, Western State College, Adams State College, and the University of New Mexico.

Final Exam Schedule

Reading left to right, Shrew-Tamer Buchan and Tamed Shrew Krause, as they appeared during the performance of one of Shakespeare's plays, the name of which escapes us.

This Corrupt Hockey Ticket Situation

By K. G. FREYSCHLAG Athletic Publicity Director

A little reminder is needed for those students who didn't understand the reference made by General Gill in his chapel talk Tuesday morning concerning the recent black marks which several "Tigers" have caused the athletic department and the school through the misuse and the scalping of student hockey tickets.

For those who cannot realize why a very rigid form of college identification is going to be demanded in the future, a look at the situation in retrospect will suffice.

Ever since the Broadmoor Ice Palace and Colorado College began their program of collegiate ice hockey, students have been given some sort of special concession regarding the purchase of tickets. The most recent program, before this year, was the exchange of a prescribed athletic hook ticket at the Ice Palace ticket office for a student admission, upon payment of the necessary tax. Students who attended games last year know what a problem this often caused—long waiting lines, individual exchange, and very often standing room only for students, which always brought a frown from the fire department.

In an attempt to remedy this situation the present arrangements regarding the exchange before game time at the college athletic office were made by the college, the Ice Pal-

And Another Thing

By UDICK

Pursuing our plushy little occupation as aspiring academicians there comes to us, bi-annually and concurrently with finals, the time when thinking men say in their clubs "Will we ever have an honor system at CC?"

That we are treated like maladjusted, not so juvenile, delinquents by a few profs during exams, is a popular topic of conversation.

That one prof's actions are actually laughable as he stalks the length and breadth of the room, during exams, eyes darting and nose bent against the wind like a bird dog in an aviary is a popular topic of conversation.

That professors with a better regard for students' alleged maturity remove the game element from cheating and provoke a higher grade of self-control and put the situation on a more honorable standing is a popular topic of conversation.

That we ought to have the honor system here at CC is a popular topic of conversation.

Unfortunately for those who would have CC on the honor system; "Yes, I would follow the honor system pledge in that I would turn in anyone I found cheating" is not a popular conversational topic. After a little introspection we find that we have not said anything to that effect ourselves.

However, we are starchy-eyed enough to believe that the bulk of the cheating which does go on is not premeditated, but is instead a spur of the moment thing.

It would seem that the reticence to agree to "sing" about someone cheating is based on two things: (1) The feeling against what has been dramatically referred to as "stool-pigeons" and (2) The present situation where every person in the school becomes aware of someone cheating unfortunately often.

The usual refutations of these arguments are: (1) Calling attention to a person's cheating while under the honor system is dealing out just returns to a person who is breaching the honor that you are expected to uphold. (2) Spur of the moment cheating, the most prevalent type, would disappear at once and the great majority of undergraduates would never have occasion to report an incident of cheating.

Although we are no authority on the honor system, we have yet to learn of an institution of higher learning, made up of students of a caliber comparable to those at CC, where the honor system was properly installed and then discontinued due to the system's failure.

Taking another view on the situation, the main stumbling block in the progress of installing any system to minimize cheating is the present importance attached to grades. It has been known that students quite capable of earning satisfactory marks have at times resorted to cheating in an attempt to boost a very satisfactory 3 into a more desirable 2 simply because so many activities and privileges on the campus are restricted by the all-mighty average. That so many things involving campus activities could hinge on such a small item as a tenth of a point in grade average is not a healthy situation. Whether having a grading system whereby the results would be "Passing with honors," "Passing," and "Failure" with no numerical designation would lend itself satisfactorily to transcripts of credits for transfer to other schools and would work in problems of that nature, we cannot say.

The problem and the present dissatisfaction are with us. There is an answer only if the members of the student body will contribute their interest, their ideas, and their co-operation.

"Keep CC Moving Ahead" Says Gill in Chapel Address

(Continued from page one)

stressed his belief that self-discipline was the most important, and urged students to cultivate it.

While praising the athletic program in general, he emphasized a sour note: re-sale of hockey tickets by students, and referred students to the Friday issue of the Tiger, student newspaper.

The present day college student also drew praise because he is "more serious, more mature and more capable of learning to think for himself than the student of yesterday."

"I sincerely believe that you are trying to derive the maximum benefit from your opportunities," Gill told the C.C. undergraduates. "You must continue to take advantage of every opportunity here at Colorado College to build those qualities within yourselves that will fit you for the responsibilities of good citizens and clear-thinking potential leaders that our country will surely need if it is to survive in this bemuddled world."

Professor Scott to Talk On Dostoevski at Tri-C

Evan J. Scott, Professor of English, who is a newcomer on C.C. campus this year, will be guest speaker at Tri-C meeting Sunday evening, Jan. 18, at 7:15 p. m. He will interpret the chapter "The Grand Inquisitor" from Feodor Dostoevski's novel, "The Brothers Karamazov" from a religious standpoint.

Dr. Scott is the first of four guest speakers from the English department. Dr. Krutzke, Mr. McCue and Dr. Knapp will lecture on the following Sundays. Everyone is invited to attend Tri-C; discussion and refreshments will conclude the meeting.

New Club Formed By Future Sociologists

The newest group on campus is the sociology club which was formally started January 8th at the home of Miss Van Diest. Officers chosen at this meeting were Joanne Levy, chairman, and Virginia Ferguson and Mary Lou Parker, co-chairmen. Meetings will be held on the second Thursday of each month.

Next month the meeting will be held at the home of Dr. and Mrs. Lewis Abbott at 7:30 p. m. Miss Van Diest, Miss Donaldson and Mr. Vard Grey from the department of Public Welfare will discuss opportunities in the field of social work and of entering into graduate schools.

The purpose of this club is to discuss topics of general interest relating to social problems of a community. All juniors and seniors who are interested in this field are welcome to attend the meetings.

IWA Picture Monday Night At Lennox

Well, it seems most everybody turned out for the Independent photograph last Monday except the photographer! Don't be angry, girls; he couldn't risk taking his equipment out into the snow and slippery roads, and we guess a few town girls can sympathize. But please, everyone, the picture will be taken next Monday night at 7:30, so show the same spirit and appear in sweaters and skirts. Stilson

Treasurer's Office Registration Notice

It has been announced that registration will be held on January 30 and 31 and the Treasurer's office will be closed. Salary checks will be available on Thursday, January 29.

"I had to bring along some of my homework."

New Prexy Guest of Honor On Feb. 5 at Reception By Lennox House Board

Colorado College students will be given an opportunity to meet the acting president of the school on February 5th at Lennox House. President Gill has been invited to be guest of honor as a reception given by the Lennox House Board during the regular assembly hour on that date. This will be the first occasion for students to see Mr. Gill informally.

Music Workshop News

Friday, January 16, at 4:30 p. m. the music workshop will meet in the Carnegie Room, Perkins Hall. A program of contemporary music, composed by Colorado College students has been planned. This is an event not to be missed for it is the first one of its kind to be offered by the club. A special invitation is extended to all students to attend, whether musicians or just music lovers. After hearing of Herb Beattie's lyrical "Lullaby" for his own little Kurt, an enjoyable program is anticipated. Student composers represented will be Herb Beattie, Bob Jordan, Betty Ogden, Helene Reinsberg, Marilyn Yost, Perry Marshall and Bob Evett. —V.I.P.

Schedule for Speech Conference

SATURDAY, JANUARY 17

8:00-10:00—Registration—Student Union, Lennox.

9:00-11:00—Debate, Discussion—Fine Arts Center, Music Room.

Extemporaneous Speaking—Cogswell Theater.

Prose Reading—Shove Chapel, Lecture Room.

Poetry Reading—Fine Arts Center Theater.

11:30-1:00—Luncheon—Plaza Hotel.

1:00-3:00—Extemporaneous Speaking, continued—Cogswell Theater.

Prose Reading continued—Shove Chapel, Lecture Room.

Poetry Reading continued—Fine Arts Center Theater.

1:00-5:00—Four Rounds of Debate—Palmer Hall.

3:00-5:00—Honors Reading—Fine Arts Center Theater.

5:15-6:15—Tea for coaches and contestants—Student Union, Lennox.

8:00 p. m.—"Taming of the Shrew"—Fine Arts Center Theater. (All coaches and contestants will be guests of the Colorado College Players.)—Kay Swanson.

Truax, Harris Attend Boston NASM Meeting

Miss Carol Truax, representing Colorado College, and Dr. Roy Harris attended the twenty-third annual meeting of the National Association of Schools of Music recently in Boston, Mass. The highlight of the convention was an address by Dr. Howard Hanson, Director of the Eastman School of Music, in which he urged the colleges and universities to accept a challenge to become the sanctuary of the arts and the creative spirit of man.

The association adopted a resolution that the proposed ban on music recordings is a barrier to the success of this aim, and that it cannot solve the basic economic difficulties which precipitated it.

Terry Golden, Guitarist, Singer, Thursday at F.A.C.

Terry Golden will play at the Fine Arts Center, January 22, 1948 at 8:30 p. m. Golden is a graduate of C.C. This will be the first of a series of western concerts composed mostly of western folk songs and ballads which he sings with guitar accompaniment. Golden is at present returned from New York where he has been working for the past five months. He is familiar to Colorado Springs people chiefly through Chuck Wagon dinner entertainment in the past few summers. He is a native of Taos, and spent years in the Border Patrol, both of which facts contribute greatly to his background and authenticity.

Space for Homeless in Jackson, Hag Next Term

There will be a few vacancies in Hagerman Hall and Jackson House the second semester. Applications for these vacancies should be submitted at the Dean of Men's office prior to the 28th of January.

Hockey Ticket Situation

(Continued from page one)

ace, and the collector of internal revenue. As was feared, many students and employees have taken advantage of this simple and convenient exchange ticket.

It is obvious that the number of college people actually attending the opening game of the year with Omaha, the highlighted series with the University of Saskatchewan and the two games with Wichita did not differ greatly; yet the number of tickets exchanged at the athletic ticket office (before college folk got wind of the possibility of illegal use of the ducats) before Christmas vacation always ran between six and seven hundred. Apparently the scalping and the policy of obtaining tickets for every kid brother and child in the family reached its height during the holiday series, for with the majority of the college home for vacation we still ran an exchange of nearly 600 for every game!

800 student tickets for each game were printed at the first of the year, in accordance with past experience regarding attendance. During the Wichita series the demand was greater than the supply for the first time and it was necessary to put a special admission stamp on 79 student books above the original 800 tickets.

Although the Ice Palace is using additional help to insure a close check of college ID cards or signed activity books at the gate, reports are still coming from the Chamber of Commerce and the Broadmoor of townspeople who are using our special tickets.

Please note that the decision has been made that ID cards will be a necessity next semester for all students, faculty and employees of the college and that they may be required to prove college affiliation at any time during the school year. Make this your personal responsibility during the coming registration period. The loss of an ID card will necessitate the obtaining of a special slip from the treasurer's office.

Since the college does not own an ice rink and since we are lucky enough to have such

Composers Compete In Campus Contest

The Associated Women Students are sponsoring a song contest which begins now and will end on March 2nd. Any group or individual may turn in their song to the music department.

The purpose of the contest is to find new college songs. Both words and music must be original. Prizes are twenty silver dollars for first place and ten silver dollars for second. The winning song will be performed by the Music Workshop at the music festival in May.

a satisfactory set-up with the Broadmoor Ice Palace, everyone must realize that concessions must be made by both of the parties involved. We believe that with the closer check which will be installed through the use of the ID card and with the new requirement that exchange tickets must be called for in person by the owner of each book, we can keep our college attendance at the hockey games at 800. This leaves 300 general admissions seats for our year-in and year-out Colorado Springs supporters—which isn't asking too much. Few colleges—if any—come that close to taking care of the entire student body at the usually small hockey rinks; Michigan's student body of 20,000 takes turns in a hockey rink which holds less than 2,000.

The petty quarters and half dollars which have been made by those affiliated with CC through the resale of their tickets are a menace to our hockey program—let's hope that we can so eliminate the possibility of illegal admission at the gate that the guilty ones will give up the past practice of obtaining tickets from the athletic office that they do not intend to use themselves.

What's On...

At the Theater

THE CHIEF

Now thru Saturday — Larry Parks, Ellen Drew "The Swordsman."

Sunday thru Thursday — James Stewart, Jane Wyman, in "Magic Town."

Officers of the Colorado College Newman Club, pictured during their recent convention: Standing, Louie Dillinger, Treasurer and Hal McGovern, vice president; Seated, Pat Sullivan, corresponding secretary, Mary Lou Temple, president and Lois Peterson, recording secretary.

CC Newman Club Holds Regional Convention With 13 Other Schools

Newman clubs of three states, members of the Inter-mountain Province of Colorado, Wyoming and Utah, held a quarterly conference at Colorado College, Saturday and Sunday. Representatives of thirteen colleges participated in the two-day event. Two official delegates each were sent by Colorado University, Denver University, Colorado A. & M., Colorado State Teacher's College, Colorado College, University of Wyoming, Brigham Young University, Utah University, St. Mary's of the Wasatch, Loretto Heights College, Regis College and Regis Downtown. Eight Chaplains also attended with their college groups.

The theme of the conference stressed the importance of Newman Club organizations in filling the religious needs of Catholic students in secular colleges and the place

these students take as leaders of today and tomorrow.

Sunday morning at 8 a. m., there was a corporate communion mass at St. Mary's Church followed by breakfast at the Blue Spruce. The morning and afternoon were taken up with business meetings in the lecture room of Shove Chapel. Between the morning and afternoon sessions, the visitors were given a short tour of the city and surrounding area.

The closing banquet was held at the Blue Spruce with Rev. Charles Forsythe, Chaplain of Colorado University Newman Club at Boulder, and province Chaplain, as the main speaker.

Officers of the Colorado College Newman Club are Mary Lou Temple, President, Hal McGovern, Vice President, Lois Peterson, Recording Secretary; Pat Sullivan, Corresponding Secretary; and Louie Dillinger, Treasurer.

Clubicity

By DICK CONRAD

It has been a long time since we've strapped a Remington Noiseless on our No. 1 boy's back and made a safari through the coppiced campus of Colorado College. But here we are back; and with a definite conclusion that anything and everything can happen at C.C.

Highlight of this trek certainly is this yarn obtained from the Phi Gams through their spokesman, Al Kelly:

Palmer Hall became a second Indianapolis Speedway Saturday afternoon when nine Phi Gam hot rods took to the track on the basement hallway floor.

There was a bee hive of activity around each pit, as drivers and mechanics fitfully applied pocket knives, scotch tape, and glue in last minute preparations to their midget racing cars.

These midget racers were propelled by jet streams of carbon dioxide (furnished by Sparklets, Inc. and all the drug stores this side of town).

A capacity crowd was treated to thrill after thrill as each car emerged from the pits in an array of brilliant colors, highlighted by the Kelly green of Bud Siemon's Lujak "32" and the bright red of Fog O'Brien's "C" model. Other entries were Jim Westlund's "Folly," Hal McCovern's "8-ball," Bob Pringle's "?," Jim Milmo's "Miss Fire," Bob McLauthlin's "Dark Horse," Bob Miller's "Clovis," and Chuck Stoddard's "Pot."

The afternoon saw the ruination of many large "gamblers" and "bookies" as the "Dark Horse," under the guidance of Bob McLauthlin, breezed in ahead of the highly favored "C" model.

The only accident of the afternoon occurred when the "8-ball" went out of control and crashed into the stairway stands inflicting only minor injuries to one spectator while the driver lost his head as the cockpit was sheared from the racer body. The spectator, Sheridan Underwood, CC student, is reported out of danger. The racer was back in the next race.

At the close of the afternoon, the Phi Gam Racing Commission, under the leadership of Cabby Cosgrove, issued an appeal for more entries and extended a challenge to any and all hot-rod enthusiasts.

That's thirty for today, but drop back with us next week when we drop in at the Administration Citadel for a statement.

Kappa Dance Pro-
Claimed a Success

The Kappas held their annual pledge formal on Friday last at the Copper Grove. Over one hundred Kappas, guests, and their dates attended the party. Chaperones were Miss Margaret Smith, Kappa housemother, Dr. and Mrs. Stabler, and Mr. and Mrs. John Bonforte. E. J. Holmes, social chairman, was in charge of the affair.

Major Operation in
Phi Delt Basement

"Our basement has undergone a major operation during the vacation," announces Norm Nestlerode, Phi Delt newscaster. Norm went on to describe a complete remodeling with major items being the new smooth cement floor and rumpus room with installation of leather booths in the near future.

Snoop with Stroup
By D. A. of the same name

Life seems to be proceeding at its usual haphazard rate, and people are still giving away hearts, pins, engagement rings, etc. Edie Auld and Les Crie even took the final step, and were married last Saturday in Denver. It's a fine institution.

Then too, Gail Barr has been seen sporting an engagement ring from Chuck Roper; it is reported that Skip Martin gave his Kappa Sig pin to a girl in California named Eileen Bennett; Kent Lovelady is no longer wearing his Beta pin. He gave it to Melissa Evans last week. Bill Wardwell gave his to Marian Hall; Doc Garrison gave his Sig pin to Betsy Decker, and ye Gods! even Cora Woodson has acquired a beautiful "diamond" ring, courtesy of Tom Stoker and Kress's Chain Stores, Inc.

A not too crowded dance floor afforded a pleasant evening for Kappa Pledge Formal at Copper Grove Saturday evening.

KAT Informal Dance
In Honor of Actives

The Theta actives will be honored tomorrow night at an informal dance given for them by the pledges. Beryl Barr, chairman, has planned with the help of her committee, the house decorations and refreshments of hors d'oeuvres and punch. Music will be by "Vic" and the dance promises to be one of the most successful ever given at the house.

Weird phenomena seen this week: Dusty Krause sitting on the porch of Bemis, complete with suitcase and that "I'm going to elope" look, but no! she was only headed for play practice.

Judy Dunbar seen entering the Trail theater popping bubble gum, sucking a lollypop, and carrying a children-under-twelve ticket. More power to you, child.

Johnny Lesman and Red Keating seen riding in Red's sporty little black car quite often.

Curley Blakely playing Stinky Pinky, the new fascinating, intellectual word game at Marretta's last Saturday evening.

Adele Collins, Doris Holst, Nancy Beaman, Pat Harley, Claire Morris, Nancy Wilson,

Dick Best Voted in
At Beta Elections

Beta Theta Pi Fraternity has elected the following members as officers for next semester. They are as follows: President, Dick Best; vice president, Hugh Arnold; secretary, Don Clamp; pledge trainer, Bill Calahan; master-at-arms, Ted Baird; social chairman, Bob Knight; and student council representative, Reed Hollister.

and other inhabitants of third floor McGregor poring industriously and enthusiastically over their brand new Ouija Board. They're using it for exams.

Newest organization on campus: The A. A. Club organized by Ed Siegel, Gary Lewis, and Joe Weissmiller. It must be kept well in mind that both A's are pertinent to the title.

Mystery of the week: Who is the occult young bass viol player that Miss Erion has been so secret about? No one seems to be able to solve this mystery. If you know the answer, please report to Tiger authorities.

LOST

An overnight bag was lost between Denver and Colorado Springs on January 4 between the hours of 4:10 and 6:00 p. m., and is thought to have been set off in Colorado Springs by mistake by some student returning to school. The following name and address is on the bag: C. V. McClellan, 865 30th Street, Denver 5, Colorado.

Cosgrove, Nestlerode
Head Phi Delta Theta

Monday night's election of officers of the Phi Delta Theta Fraternity are Robert Cosgrove, president; Norm Nestlerode, vice president and reporter; Bob Panter, recording secretary; John Haggart, warden; Armand Jerman, chorister; Douglas Gregory, librarian; Winston Whitney, pledge trainer; Jim Allured and Tom Tullis, social co-chairmen; Dick Pfeiffer, intramural manager; and Jim Parmelee, Interfraternity Council representative.

Wimmin! start savin' ya dough!
Gold-Digger's Ball on Washington's Birthday Eve
Men, start bein' nice to them.

Tea at Montgomery
During 'Weary Week'

The customary teas during final week will be held again this year in Montgomery Hall. Their purpose is to provide a time of relaxation in between tests and studying. Both faculty and students are welcome to come. Exam teas will be given Friday, Saturday, Monday, and Tuesday, January 23, 24, 26, and 27th. No one is asked to dress up, just wear your school clothes. The time is from 4:00 - 5:30.

Fellowships Offered
For Senior Girls

The Tobe-Coburn School for Fashion Careers in New York has announced that fellowships, valued at \$900 each, are offered to senior women graduating before August 30th, who wish to train for executive positions in fashion coordination, buying, advertising, styling and personnel work.

The One Year Course, for which the fellowships cover full tuition, emphasizes actual contact with the industry through lectures by leading fashion figures; visits to manufacturers, department stores, fashion shows, museums; and periodic working experience in stores and other fashion organizations.

Registration blanks for the Fashion Fellowship competition may be obtained from the office of the dean of women. Registration must be made before January 30th.

Clubicity
By DICK CONRAD

It has been a long time since we've strapped a Remington Noiseless on our No. 1 boy's back and made a safari through the coppiced campus of Colorado College. But here we are back; and with a definite conclusion that anything and everything can happen at C.C.

Highlight of this trek certainly is this yarn obtained from the Phi Gams through their spokesman, Al Kelly:

Palmer Hall became a second Indianapolis Speedway Saturday afternoon when nine Phi Gam hot rods took to the track on the basement hallway floor.

There was a bee hive of activity around each pit, as drivers and mechanics fitfully applied pocket knives, scotch tape, and glue in last minute preparations to their midjet racing cars.

These midjet racers were propelled by jet streams of carbon dioxide (furnished by Sparklets, Inc. and all the drug stores this side of town).

A capacity crowd was treated to thrill after thrill as each car emerged from the pits in an array of brilliant colors, highlighted by the Kelly green of Bud Siemon's Lujak "32" and the bright red of Fog O'Brien's "C" model. Other entries were Jim Westlund's "Folly," Hal McGovern's "8-ball," Bob Pringle's "?," Jim Milmoe's "Miss Fire," Bob McLauthlin's "Dark Horse," Bob Miller's "Glovie," and Chuck Stoddard's "Pot."

The afternoon saw the ruination of many large "gamblers" and "bookies" as the "Dark Horse," under the guidance of Bob McLauthlin, breezed in ahead of the highly favored "C" model.

The only accident of the afternoon occurred when the "8-ball" went out of control and crashed into the stairway stands inflicting only minor injuries to one spectator while the driver lost his head as the cockpit was sheared from the racer body. The spectator, Sheridan Underwood, CC student, is reported out of danger. The racer was back in the next race.

At the close of the afternoon, the Phi Gam Racing Commission, under the leadership of Gabby Cosgrove, issued an appeal for more entries and extended a challenge to any and all hot-rod enthusiasts.

That's thirty for today, but drop back with us next week when we drop in at the Administration Citadel for a statement.

OLYMPICS THREATEN CC WINNING STREAK

Boast Wins Over Cal. And U. of Minnesota

Colorado C's puck chasers will go after their 12th and 13th victories of the year, and their 10th straight, tonight and tomorrow night at the B-moor Ice Palace when they tackle the San Francisco Olympic Club in the last hockey games of the current school semester.

San Francisco comes to Colorado Springs boasting a 2-2 tie with the University of British Columbia, a perennially strong Canadian college team, a two-game split with the University of California and 7-4 win over the University of Minnesota. Fans will remember the trouble the CC Tigers had in disposing of Minnesota, 7-6 and 8-5, a month ago.

After minor injuries forced Coach Cheddy Thompson to change the front lines around for the four games with Michigan Tech and Harvard, the centers and wingmen all returned to their early season spots in the two game series with Wichita's Beechcraft Flyers last week and the results were pleasing. Last year's high scoring line of Harry Whitworth at center, Joe Slattery at left wing and Sonny MacDonald at right wing were back together and accounted for seven goals and 15 assists in the two game rout. Capt. Dick Rowell, returning to his center spot on the alternate front line, personally netted three goals and five assists.

Slattery, with 19 goals and seven assists for a total of 26 points, and Rowell, with six goals and 17 assists for 23 points, are number one and two in the Tiger's scoring race.

High Caliber of CC Admitted by Harvard Coach Back East

Cambridge, Mass., Jan. 6.—Defeat can be helpful, claims Coach Johnny Chase of the Harvard hockey team. He has noted a marked improvement in his Crimson stickmen since they lost five straight games to McGill, Colorado College and the University of Minnesota on their annual Christmas vacation trip.

"There are no college hockey teams in this section of the caliber of those we faced during the trip," Chase explained. "I feel sure our team has profited from the experience of playing against such fast skating and expert stick handlers." Ed. Note: We of the TIGER feel that this is more the attitude of a true sportsman than that reflected by Hoey.

Women Go to Greeley Play Day Tomorrow

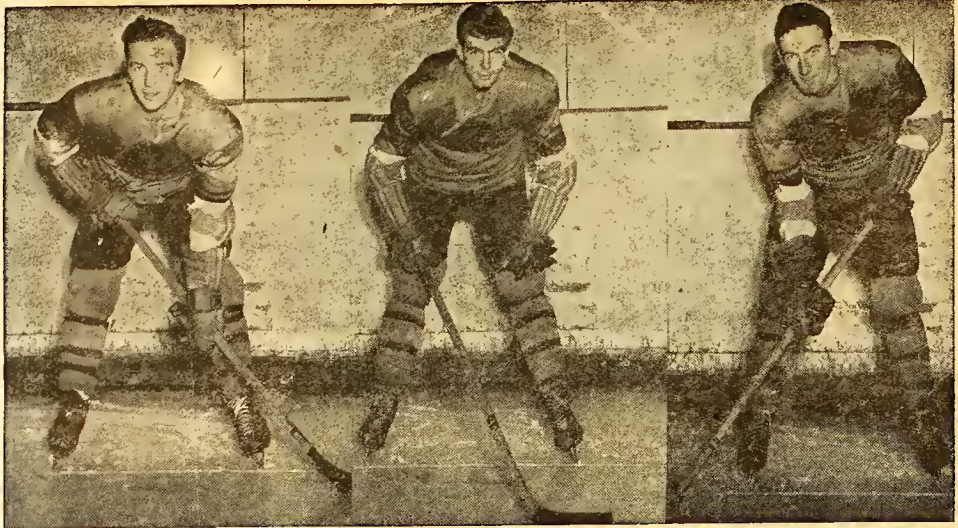

Ice Skating Tourney Will Start February 21

At the crack of dawn Saturday, January 17, nine girls from C.C. will be leaving by bus to attend a basketball Play Day. Through the course of the day, they will play three of the ten different colleges representing the Colorado and Wyoming area. Nine of the following girls will represent Colorado College: Ruth Dowdell, Betty Fisher, Jean Kearns, Phyllis Roop, Jean Ferguson, Ann McCune, Sally Darling, Joyce Raines, Joyce Abrahams, Lois Woody, Ann Russell, Pat Harley, Jo Gilbert, and Mary Ruble.

All you girls who can stand on skates vertically for over two minutes start practicing now for the intra-mural ice skating tournament which will be held February 21 at the Broadmoor Ice Palace. The following four events will be held: figure skating, stunt skating, racing and relay. Three hours of practice will be required in order to enter. Consult the Bemis bulletin board for scheduled ice skating classes which you may attend if so desired.

A team captain will be elected for each sorority and independent group and your hours will be recorded by her. So come on, girls, let's get those skates out of moth balls and start practicing for this tournament. — L.V.R.

The Torrid Trio Is Back Together

JOE SLATTERY, HARRY WHITWORTH, AND SONNY MacDONALD will once again be back in the front line together. Over the holiday, due to injuries, the threesome was broken up. They played as a unit in the Wichita series and performed well. If Sonny, Harry and Joe continue their high scoring ways, and Dick Rowell, second to Slattery, who leads the points column, is up to par, tonight's contest should be the best so far.

Canadians Gave Colo. Hockey Team

(Reprinted from the Boston Globe)

Eyebrows lifted when Colorado College ran those tremendous scores against Harvard's varsity hockey team. Twenty-three goals in two games 13-6, 10-3 is a bit too much to digest without expecting an answer.

Colorado, according to reports, lifted an entire team from Canada and sent it into competition under Colorado colors. Certainly it is extremely doubtful if a Canadian college team and this includes McGill, Toronto Varsity, Queens and St. Michael's, could amass that number of goals against the Crimson in 2 straight games.

There are two Americans on the Colorado team, Christ Ray of Belmont, who weighed 92 pounds as a schoolboy, was all-scholastic center, and another player from Evilith, Minn., are the only homebreds on the team. 15 other Colorado players hail from Canada.

Those Canucks didn't go out there just to see the Grand Canyon. Maybe the American A.A.U. which has taken a sudden and surprising interest in amateur hockey, could ask Colorado College authorities some pointed questions. — Hoey.

Oh Yeah!

In answer to the article by Hoey of the "Boston Globe," I might point out that one reason that Colorado College ran up "those tremendous scores against Harvard's varsity hockey team" is that it is a better team. That is usually considered the reason any team beats another.

As far as ours being a Canadian team under Colorado colors, that is an absolute falsehood. Three of the men are from Regina, Sask., two from Montreal, Quebec, and the other five Canadians on the team are from different sections of the Dominion. There is a grand total of ten players on the CC team from above the border, the other six are Americans. I am afraid that someone gave Mr. Hoey the wrong information.

The insinuation that his last sentence makes as to the amateur status of our team is understandable. He can't understand how a little school can take such a highly touted team as Harvard to task without doing some dirty work. The average student of CC can tell you the only dirty work is done by the team members as they bus for their meals in dining halls or pick rocks and attend to the condition of the football field in an attempt to raise a few extra dollars. I doubt if there is any other school in the east or west that has kept as rigidly to the rules and come up with as good a team as our hockey sextet.

If Mr. Hoey would like to see a Canadian school run up a fair margin against his Harvard, may we suggest he arrange a game between the Crimson and the University of Saskatchewan. This team beat the Tigers 8-4 in their initial encounter, although CC did bounce back and take them 6-3 the next night.

I hope Mr. Hoey will get the facts before making such syl accusations about any team in the future. He might also get the facts as to the geography of the U. S. west of the Hudson River. Grand Canyon is a few hundred miles from Colorado Springs, although we do have Pikes Peak. — Bill Murray.

Lancers Drop Tilts to Cubs and CS Rangers

Last Thursday night two Colorado College B squads battled it out in their first Colorado Springs Junior Hockey League encounter. The Bengal Lancers came out with a five to four win over the Tiger Cubs to put the Lancers in the number one spot in the league.

The score was tied two to two at the end of the first period with the Lancers taking the lead by a three to two margin as the horn blew ending the second period. The Cubs fought back by matching the Lancers third period goals, but time ran out and the game ended with the Bengal Lancers the victor.

The Tiger Cubs took the ice against the Colorado Springs Rangers Monday night only to slip to a four-three loss. The Cubs matched the Rangers point for point till the third period ended finding our boys on the short end of the score.

Hale paced the Cubs with scores in the first and second period, and Blair Wrye put the puck into the net in the third period for the team's last goal. The Cubs felt the effect of penalties in the third period when they played mostly with only five men.

The Rangers are coached by a capable CC varsity puckster, one Ron Newsom, while the Cubs are guided by an equally qualified Tiger puck chaser, Sonny MacDonald. Sonny had as his starters, McBride, right wing; Dick Hahn at left wing; Blair Wrye, center; while Mitchell and Freyschlag took care of the defensive spots. Goalle assignment went to Paul Rameley.

Wichita Dumped Twice 15-7 and 6-2 Despite Fine Play of Ewonus

Riding high on the crest of a winning streak, the Bengal hockey team extended their skein of wins to nine straight by whipping the Wichita Flyers 15-7 and 6-2 last Friday and Saturday evenings. A couple of old familiar faces were seen for the first time in over a year as George Ewonus, who played for CC last year and in '41, and Mott who played for a local team before the war, returned in the uniforms of the Flyers. Ewonus looked his old self as he scored three goals for the Kansans in the first game and another marker in the second.

The Tigers displayed some fast and smooth hockey in the initial encounter as they made a shambles the score in the second period. Both Slattery and Ray pulled the hat trick that night. Slattery scoring four goals while Ray was connecting with three. Ray, incidentally, made two of his within thirty seconds.

The second contest was much slower with most of the action in the third period. In contrast to the two hat-tricks pulled in the first game, scoring for CC was spread out among six different men. Burly defenseman Bill Tutten provided the crowd with a thrill as he came down with the front line and banged home a goal for one of CC's six counters. The teamwork of the Bengals was not nearly as smooth the second night, but when they needed a goal, they were able to get one in a hurry.

The Flyers really had a workout in the two games as they only brought twelve men with them and were using only eleven. — M.K.

FROSH

Sport Bits

By BOB LEAVITT

For the information of those concerned, Colorado College will sponsor a freshman baseball team this year. The frosh diamond nine will be coached by Bob Barlett, graduate manager of athletics, his able assistants will be Pat Killen and Hawk Mills, two infielders who will be seeking berths on the yearling nine. All prospective candidates are asked to sign up on the athletic bulletin board at Cossitt Hall.

Three Freshmen who are expected to share honors for the CC Ptarmigan Ski Team at Gunnison, January 17th and 18th are: Vic Lewis, Bob Jones and Chip Moser.

Two CC freshman boxers have been selected to participate in the Rocky Mountain News and Elks Golden Gloves Tourney to be held in Denver, January 20th. They are Tom Ross, from Westmont, Ill., and Ralph Bildstein, from Colorado Springs. Ross will enter the 145 pound class, while Bildstein will fight in the 150 pound class.

Coach Pat Fitzgerald's frosh hoopsters are still in hopes of establishing a win streak in spite of their 48 to 41 setback received last Friday evening at Pueblo. In last Friday's tilt the Cubs had 29 fouls called against them and Pueblo tallied 20 of their 48 points via the charity line. The officiating at this game was the poorest I have witnessed this season, even the Pueblo fans protested at the foul detecting the referees were calling against the Tigers.

In three games thus played Jim Gepford is leading the Frosh scorers with 29 points. Marvin Powell is second with 26 and Chuck Bouchard is third with 17 to his credit.

PHI GAM'S BOXING CHAMPS

Sigma Chi seconded by only one point.

Individual honors: 127 lb., Horthy Day, Sig Chi; 135 lb., Bill Van Huesen, Kappa Sig; 145 lb., Chuck Ormsby, Sigma Chi; 155 lb., Glen Coleman, Kappa Sig; 165 lb., Paul Fellman, Phi Gam; 175 lb. Chuck Roper, Sigma Chi; Heavy, Roy Lilja, Phi Gam.

Future Who's Who

When you've graduated and been out of CC for many years, you'll want to look back in those old Nuggets and see what the leading citizens of America looked like when you were all at college together.

Knutson-Bowers will have their campus studio at West Hall, Room No. 2, open every afternoon Monday thru Friday, and Saturday mornings. No appointments will be necessary, just drop over during your free time. This is the last month that pictures may be taken so you'd better hurry right over to West Hall.

121 Pounds—Bill Cannon, Independent.
128 Pounds—Harry Kurachi, Independent.
136 Pounds—John Ogden, Independent.
145 Pounds—Mike Biega, Kappa Sig.
155 Pound—Moe Miller, Kappa Sig.
165 Pounds—Doug Gregory, Phi Delt.
175 Pounds — Fred Randolph, Phi Delt.
191 Pounds—Doug Van Metre, Phi Gam.
Hvywt. Ed Kohlmeier, Sigma Chi.
Team champs—Kappa Sig, 51 points; Independents, 24 points.

Wrestlers Give Poor Showing in Openers

Last Saturday's match with Wyoming ended in a 31-two defeat for the Tigers. Bill Storey prevented a shut-out by going three periods to a draw with Stray in the 155-lb. class.

The decisions were: Partridge over Kinkle, 7-5; Mangus over R. Storey, 7-6; and Deart over Miller, 6-1. The falls were: Boyle, in the second; Kurachi in the third, Florsheim in the first and Kohlmeier in the second.

Wednesday the black and gold grapplers were blanked out 38-0 by the business-like wrestling machine from Cornell. This squad of champs almost made the possible score of forty by pinning in seven out of eight bouts. The only lowman who didn't pin his man was the much touted Lowell Lange. The NCAA-NAAU 136 lb. champion decisioned Bob Storey in the 145 lb. class, 12-4.

Pinned in the third period were Bill Storey, and Ed Kohlmeier, second period were Cannon and Florsheim, first period were Kurachi, Neil and Miller.

Mines Dropped Handily By Reid Men, 57-46

The CC Tigers found the Colorado Mines easy pickings as they coasted to a 57-46 victory in the opening Rocky Mountain Conference battle for both clubs. The Tiger quintet took command of the contest in the opening minutes of play and breezed through the major portion of the game.

Although the final score showed Juan Reid's charges winning by only eleven points, it must be noted that in the final quarter of the ball game the starting five changed places with the reserves, who seemed to have given most of their warmth to the benches as they allowed Mines to rack up nine straight points before denting the scoring column.

Wilfred Perkins and Ed Scott capped scoring honors in the game with 18 points apiece. Dasnovitch led the Miners, coming up with 16 points. — A.P.

Tomorrow our mat men meet Mines at Golden with hopes for more even competition. — J.W.A.

CC Invades Western State in Attempt to Strengthen RMC Grip

The C.C. Tigers will hit the road this week end for two games with Western State, Friday and Saturday night. These mark their second and third conference games. The two games will open up the conference for Western State and this of course means that they will be going all out to heat C.C. to get a good start.

Western State's record is not too impressive, although they have beaten such teams as Adams State, McMurry, and Idaho State, with the following scores: 53 to 56, 43 to 42, and 53 to 51. They have been beaten by such schools as Adams State, S. W. Tech, Oklahoma City U. and Idaho State.

The Mountaineers will be paced by Jim Core, sixth leading scorer in the conference, who ran away with top honors in last Saturday's win over Idaho State. Two top-notch players, who are from Colorado Springs, are Jack Koke and Ish Landrum. While playing at Colorado Springs High school, Ish distinguished himself by being placed on the second string all conference team. Another standout for the Mountaineers is Jim Koezan, an excellent forward who held individual honors in the Oklahoma City game with 12 points.

Last year C.C. won both games from the Gunnison squad by the scores 57 to 35 and 60 to 43. An interesting fact about both of these games is that in the first game four out of the starting five fouled out of the game, and in the second of this series the entire starting five were sent to the bench for the same reason.

Coach Juan Reid will probably start the following players: Eathan Miller and Wilfred Perkins, forwards; Ed Scott, center; and Nick Yeomopous and Jack Quamme at the guard positions.

The next two games, following the Western State series, will be played away also. The opponents are Bololt college and Bradley U.—R. Meek

Frosh Hoopsters Bow To Pueblo J. C. Five

In spite of holding a slim lead during most of the game the CC freshmen cagers dropped a 48 to 41 verdict to the surprisingly strong Pueblo J. C. quintet at the Steel City last Friday evening.

The contest was nip and tuck most of the way and featured some very rough and unnecessary contact playing which made the game appear more like a football contest than a basketball game.

The Tiger yearlings opened the contest with some magnificent net swishing and excellent passing which enabled them to hold a one point margin at half time.

The second half saw both clubs staging aggressive drives in a futile attempt to roll up a comfortable lead, but at the same time the Tigers were committing a great number of fouls. The Puebloans took advantage of the free throw line and garnered 20 out of 29 attempts. As a result the Cubs had to be contented on the short end of a 48 to 41 decision.

The CC Frosh hoopsters succumbed to Denver University Freshmen last Wednesday when they dropped their third game of the season 43 to 25.

Skiers Finish Try-Outs Head for Meet at Gunnison Tomorrow

Longnecker, Roberts Have Best Times

By PEGGY MERLE-SMITH

The snow-happy lunatics took off again last week-end for Pikes Peak. This time there was a feeling of tense expectancy as the boys and gals climbed up Glen Cove to 'break out' the tree-littered slope above the "Big Hill." ('Breaking out' involves an endless process of stamping the crust of the snow until it resembles loosely strewn boulders.)

This was the beginning of the Grand Slalom course on which the try-outs for the school ski team were held. Bobby Winn, a fast and furious skier from the Springs, skied first down the trail, officially opening it and proving that the impossible could be done.

Following him at intervals came the contestants. With shaking knees, weaving around both sides of the fir trees that were the first obstacles in this course, they shot out onto the mirror-like surface of the "Big Hill" and in and out of "hair-pins" and "straight flushes"—in other words, around sticks stuck at awkward places in the snow.

Out of this maze of sticks and sitzmarks flew Phil Longnecker with the record timing. Vic Lewis was close on his heels (the tails of his skis) being less than a second behind. In this business a fall or a split second miscalculation can mean the loss of valuable time—and the loss of a race.

Arden Roberts flashed first down the course like a veteran, in the women's competition. Barbara Kepner, Peggy Merle-Smith and Joan Pollock took second, third and fourth respectively. Judging this race was Jack Snobble, the very able team coach.

From the contestants he picked the men's team for their timing in the race, for their form and for their racing experience. There is fortunately, good material in those boys who will be on the team in the future.

These boys tried out either on Sunday or on Tuesday: Vic Lewis, Phil Longnecker, Bob Jones, Jim Ford, Bob Webb, Pete Tyres, Chip Moser, Bill LeClaire, George Beerman and Bill King. The following men are expected to be out later: George Milkhoan, who unfortunately hurt his leg skiing at Aspen this month, Ralph Cotten, Putter Harvey and Emil Enstrom.

From these, Jack Snobble has picked Jim Ford, Vic Lewis, Chip Moser, Bob Webb and Bob Jones to race the steep course at Gunnison this week-end. Phil Longnecker will be the alternate so that he can accumulate some racing experience. This race will be hard and tricky against the stiff competition of seven other Rocky Mountain colleges. Our team is to be the guest of Western State, whose star, Crosby Perry Smith, won the downhill, slalom, jumping and cross-country at Aspen, December 27-28.

Intramural Semi-finals

WRESTLING

155 pounds—Miller, Kappa Sigma decisioned Daegott, Independent. Savage, Independent, won over McOlanis, Sigma Chi, by decision.

Ya never can tell how intramurals will turn out.

SCHEDULE OF FINAL EXAMINATIONS AND REGISTRATION PROCEDURE

Registration and final examination schedules were announced this week by Dean Mathias. Examinations will begin Thursday afternoon, January 22, and continue through Tuesday afternoon, January 27. The complete schedule is as follows:

Time of Class	Date of Exam	Time of Exam
8—M., W., F.	Friday, January 23	9 to 11
8—Tu., Th., S.	Friday, January 23	2 to 4
9—M., W., F.	Saturday, January 24	9 to 11
9—Tu., Th., S.	Saturday, January 24	2 to 4
10—M., W., F.	Monday, January 26	9 to 11
11—Tu., Th., 10 S.	Monday, January 26	2 to 4
11—M., W., F.	Tuesday, January 27	9 to 11
11—Tu., Th., S.	Tuesday, January 27	2 to 4

It will be noted from the above that all times of the exams are the same—either 9 a. m. or 2 p. m.

As in the past, all students are required to follow this alphabetical schedule in registering:

A to D inclusive	8:30 a. m. to 10:00 a. m.
E to I inclusive	10:00 a. m. to 11:00 a. m.
J to M inclusive	11:00 a. m. to 12:00 a. m.
N to R inclusive	1:30 p. m. to 2:30 p. m.
S to V inclusive	2:30 p. m. to 3:30 p. m.
W to Z inclusive	3:30 p. m. to 4:30 p. m.

Juniors, seniors, and graduate students will register on Friday, January 30, 8:30 a. m. to 12:00 and 1:00 p. m. to 4:30 p. m.

Freshmen and sophomores will register on Saturday, January 31, 8:30 a. m. to 12:00 and 1:00 p. m. to 4:30 p. m.

All freshmen and sophomores will be expected to see their advisors in their offices on Thursday afternoon, January 29 between 1:30 p. m. and 5:00 p. m. to make out tentative schedules. All juniors and seniors are urged to make out tentative schedules of courses before registration on January 30. These schedules should be approved by the major professors. If this is done, a great deal of time will be saved on the day of registration.

Examinations in the following courses must be arranged:

- Engineering Science 103 (Engineering Drawing)
- Economics 311 (Money and Banking)
- English 251 (19th Century Masterpieces)

Examinations in the following courses are scheduled for Thursday afternoon, January 22, 2 to 4 p. m.

- Economics 303 (Labor Problems)
- English 239 (20th Century Literature)
- English 321 (Romantic Poetry)
- History 363 (American Political Parties)
- Music 313 (Theory)

Examinations in the following courses are scheduled for Monday afternoon, January 26, 2 to 4 p. m.:

- Economics 301 (Public Finance)
- Music 213 (Theory)
- Philosophy 309 (Ethics)
- Sociology 381 (Mental Hygiene)

All other examinations not scheduled are to be arranged by the individual instructors. Dean Mathias emphasized that examinations are scheduled for Thursday afternoon, January 22.

One Solution to Student Safety in "Slow" Signs

Students trying to beat the traffic at the busier campus corners may have their safety insured, legally at least, if the plan now under consideration by the City Council goes into effect. This plan is one of erecting stop lights at the corners of Nevada and Cache la Poudre and Cascade and Cache la Poudre. Dean Rawles has talked to the city manager, who professes that the big bottleneck is a time-honored one—no money; and students whose habit it is to just make it to classes will probably not miss the added

complication of just making the green light, too. A temporary solution, according to Dr. Rawles, might be to post "Slow, School Zone" signs in strategic places.

MEET AND EAT At Your STUDENT UNION

Vesper Service In Chapel Sunday Eve

The January Vesper Service for the college and community will be held this Sunday, January 18, at 5 p. m. in Shove Chapel. The Chancel Choir of the First Christian Church will sing anthems from the Ninth Century Latin, and by Shackley, Goss and Haydn, directed by Mrs. Louise Dockstadter. Frances Pond will be the organ accompanist.

Betty Braham and George Shafer will read the Scripture and offer Prayer. Dean Clyde A. Holbrook will give the Vesper Meditation on the subject, "Echoes in an Old House."

Students, members of the faculty and friends in the community are cordially invited to the service.

Attention!

Will student who witnessed accident with green Chrysler December 9, at 8 a. m., corner of Cascade and Cache la Poudre please call Mrs. Ryan, Main 7124-W.

Nugget Briefly Extends Class Photo Deadline

The Nugget staff has decided to extend the deadline for class portraits. The Knutson-Bowers Studio will be open Monday through Friday from 2:30 to 5:30. Call 7316 for appointments. Saturday mornings the studio will be open to take orders for pictures and talk over proofs. Please take care of this on Saturday morning only, if possible. Also, try to return the proofs as soon as possible, to alleviate unnecessary last minute rushing.

"Remember," the staff announced, "February is absolutely the last opportunity for these portraits. The studio will continue to be open as long as people keep making appointments. As soon as business lags we will end the extension of time. Make your appointment NOW."

Tiger Makes Plans For Literary Page

With the announcement of the choice of Jack Lee as Editor of the Literary Section of the TIGER, the call for material has been sounded and is, even now, echoing among the crags and peaks of Colorado. If, by some incredible mischance, you have failed to hear of this new department, know then, that the TIGER will, at intervals of three or four weeks publish a one-page, two-sided sheet which will be inserted in the TIGER. On this page will be printed any and all literary contributions from the students of C.C. These contributions may be in the form of the short story, poetry to any meter, rhyme or form, book reports or in short, any literary effort that can be sneaked by Editor Lee, (well, almost any). Contributions may be given to Jack Lee, 117 Tiger Town, left in the TIGER box in Cutler or in the TIGER box outside the door of the TIGER office on the third floor of Lennox House.

NOTICE

"March of Dimes" contribution boxes are in Lennox Grill, Cossitt Cafeteria, Co-burn Library (desk), Cutler Hall and Bemis Hall. Remember, every little bit helps the National Foundation for Infantile Paralysis.

John Hall Resigns From Presidency To Take Foreign Trade Schooling

Successor Probably a Present Council Member

For the present, the student body of C. C. has no president. On January 21 John Hall handed his resignation to General Gill, ending his tenure of office three months before the expiration date. When asked by the TIGER why, John said, "I am sorry to take this action, but as I will not be returning to Colorado College in the coming semester I have no choice." He had decided to enroll in the American Institute for Foreign Trade, at Phoenix, Arizona, for specialized, intensive work in his field.

When questioned about the vacancy he would leave, John said, simply, "I am certain that the position can be filled ably by a member of the Student Council. I believe that the Council should appoint one of its members to fill the position for the remainder of the term. I specify a member of the Council because it is a well-functioning body, conscious of what has been attempted, and what has been accomplished this year, and what is planned for the future."

As has happened in several other instances, the present A.S.C.C. Constitution did not rise to the occasion, and had to be interpreted by an over-worked Council, in order to be able to function legally during the period when there is no duly-elected student body president. Thus far, it appears impossible to hold a regular election according to the Constitution, in time to fill the vacancy before the time when a whole new Council will be formed. It was therefore decided that the organization's represented on the Council would outline their feelings as groups, and the collective feeling used to guide subsequent action on the matter of the vacancy. Two groups did not fully agree to the proposal of an interim appointment from within the Council, but the weight of opinion was that it was the most practical solution for the time being.

No successor has as yet been chosen, but from present indications the pro-tem president will be a Council member, and no general election will be held until the regular date.

Notice

Will the CC student who left a pair of ice skates in a car, after receiving a ride home from the Broadmoor, please call 8874 after 6:00 p. m. if he would like them returned.

JOHN L. HALL

S.D.A. Seeks to Organize at C.C.

Politically minded Colorado College students were urged Wednesday to join forces with other Rocky Mountain campus liberals by forming a Students for Democratic Action chapter here.

Howard Stevens, political science instructor, will act as coordinator for the establishment of the local SDA group.

Jane Wilder, Washington, national field secretary of SDA, explained to a small group in Lennox House that chapters are being organized at the University of Wyoming, Denver University and at the University of Colorado this week.

"We are opposed to a third party—the candidacy of Henry Wallace—but in favor of the Marshall Plan, Valley authorities such as the MVA, federal programs for health and education, civil rights guarantees and similar progressive legislation," Miss Wilder said.

"Communists are not welcomed."

(Continued on Page 8)

Identification Cards

are ready . . . Students may pick up I.D. cards made at registration in their respective Dean's office.

Campus Women Saving Nickles As Goldiggers' Ball Approaches

The topsy-turvy time of the year is rolling around again, and an increasing tenseness has been noted in the men's dorms and fraternity houses as they, not the girls, wait for their phones to ring. It is the annual Goldigger's Ball, to be held the 21st of this month at the Broadmoor. After extensive research we find that this dance is becoming slowly, but surely, one of CC's rock-bound traditions, having been established nigh on an eighth of a century ago—1935 in cold figures. It was suggested by an enterprising member of AWS, and has stood the test of time and war manpower shortages admirably. The prestige of the affair has been supported wholeheartedly by the males of the campus, who believe that the advantages of enjoying a big evening with their dates supplying the wampum outweighs the small humiliations involved.

An expense account for the affair could easily deserve a niche in the annals of American economics, judging from the fluctuation in cost through the years. In 1937, \$4.00 was reported to be the average expenditure for a gala evening. This figure was upped to \$5.00 by 1941. In 1942, what with inflation, it took a girl with a good head on her shoulders to manage on \$6.50, and the more indulgent date reported losses up to \$20.00. The gals have already begun to stuff their piggy banks for this year, and are rather shrewdly casing the campus for the ideal date. (Hint to young hopefuls—it would be rather wise to affect few vices and a meager appetite till you receive a bid!)

It has never been the practice for a self-respecting co-ed to let her date get by with an inconspicuous corsage, and we are hoping for still bigger and better things in this line. Anything within the borders of animal, vegetable or mineral will pass, and a prize goes to the most fiendish.

Competition is hot and heavy in the race for King. The different organizations have already looked over their outstanding specimens of male pulchritude and charm, and have chosen as their candidates Hal French for Sigma Chi, Hank Loomis for the Betas, Red Seasons for the Kappa Sigs, Doug Gregory for the Phi Deltas, Dutch Van Schooneveld for the Phi Gams and Bill Daggett for the Independents. The reigning "belle" of the ball will be chosen there, and the runners-up will be his attendants.

Nancy Bryson is in charge of the dance, aided by Marge Gilliland, in charge of decorations, Judy Dunbar, posters, Dee Raymond and Gee Gee Conway, tickets, and Kay Swanson, publicity.

C. C. To Have Radio Studio On Campus

Plans are under way to have a radio station in South Hall. The only thing which has been holding up the schedule was non-arrival of equipment. Chief Engineer Fundingsland is now finishing the installation and soon there will be a completely equipped station at C.C. except for transmission. That will be taken care of by telephone lines to KVOR and KRDO so that the college programs may be broadcast directly from the campus.

In connection with the improvements in South Hall, this semester sees the inauguration of a course in Radio Production under Woodson Tyree. This is open to all students who have had one year of acting, Spoken English, or have participated in the dramatic section's activities already. Others wanting to enter the course may attend a Friday lab (2:00 to 4:00) at Cogswell for work and auditions.

Growlers On The Loose Again Thursday

The famed Growlers' Players association will follow up last year's success "A Night at McGregor" this Thursday at 10:00 a. m. in Perkins Hall. The new production will be in a slightly different vein.

Contrary to all rumors the name of this year's show is NOT "A Night in Montgomer" nor "A Night in Imlam House." This stupendous, super-colossal gift to the undergraduate body is actually "Life in a Diploma Factory" or "The Off-Court Trials of the Basketball Team." The all-star cast has not been chosen definitely as yet.

Come down to the show and bring your best gal or guy—even come alone. The true scoop is that it will be absolutely gay, sensational, but deaf.

(And you know whose byline ought to appear over that!—Ed.)

Goldigger's Tickets

Ticket will be on sale Monday, Wednesday and Friday of next week in Lennox House. (1st Floor) —Also in all halls.

Poll Taxes Tiger

In the hope of finding out what the student body of C.C. thinks about various college policies and activities, the Tiger published a questionnaire with the issue of January 16. Its form was decided upon after talk with older C.C. students who had seen it attempted before, and who knew it was useless to try to get any response from a "straight" set of questions. Thus it contained, we hoped, enough nonsense to entertain people a little while they were reading it and filling it out.

We want to thank those students who were awake to the purposes explicitly given in the questionnaire form, and who gave that much of their time to amassing some representative student opinion. Aside from the answers they gave and the suggestions they made, we found a very significant answer to the question, "What's wrong with C.C.?"—the real reason for the comparatively small voice of the student body and of its student council in shaping of college policies, for the comparatively large voice of the college administration—and here is the whole story in a nutshell: **NOT ENOUGH PEOPLE GIVE A DAMN!**

Lots of civilizations have gone to pot for precisely the same reason, so it may be that we shouldn't get excited about a relatively insignificant number of people disregarding an opportunity to change what they see as wrong. People constantly get less than they pay for in national government, for that reason—why bother about a little less than you bargain for in your education, a little less realization for administrators of what students get and don't get out of their stays in college?

Maybe it's a fore-ordained natural law that only a few of any student body will get up on their hind legs to object to what they don't like, or try to say what they do like—maybe it's supposed to be that way, and college isn't training for leadership at all.

The questionnaire was conceived as a means of helping people to express themselves on matters about which they might be slow to speak up. It was so far turned out to be simply an indicator of an already familiar fact—stated in caps above.

The effort is not wasted, however. There is at least a small representation of student opinion, which is in the process of being tabulated prior to presentation in usable form to the student council, as well as to a representative group of the faculty and administration of the college. Again, the Tiger thanks those who had sufficient sense of humor to see beyond the bum jokes to the real purpose of the poll, and the spirit to say what they think, in cooperation with the effort being made on behalf of all the students, to improve whatever may need improvement. And especially, thanks to those who took the trouble to write at length their opinions—they may be just so much more work to incorporate into a unified body of opinion, but they are expressed opinion, and will be heard.

For those who did not get the questionnaire and would still like to, there is still a limited supply of forms available at the cashier's desk in Lennox

Crill. The deadline for return of the questionnaires is Monday noon, so that there is still this week end in case you want to have your opinions count in the poll. Otherwise there is little reason for complaint, if you pay your money and someone else takes your choice. This poll is not going to settle the world's problems, but it just might play a part in settling some of the C.C. student body's.

Some Days You Can't - - -

Among recent remarks about the paper were heard several complimentary ones about the issue of January 16. We even came near liking it ourselves. There was just one catch: it lost a lot of money because we insisted on an eight-page paper. That stuff that clutters up the bottoms of most pages, most issues, is the stuff that makes the paper possible. Advertising pays, in more than one way. We wish we could run a paper with no advertising, or very little, but that isn't in sight. The next best way is to enlarge the paper, and have a somewhat smaller percentage of space on each page given over to ads.

This means additional work for the business staff, but they are willing to do it for the good of the paper generally. In short, we owe Jack Sullivan and his staff a large vote of thanks for making possible this size of a Tiger. Now it's up to the rest of us on the Tiger to get enough news to fill it—no small trick, either. We still need competent help, in all departments. If you are interested, drop up to the Tiger office on Wednesday afternoon, or call the editor any evening but Thursday.

Gripe Group

There is an idea under consideration by the Student Council, to set up a group, known for the time being as an "idea committee," for want of a better name. The purpose of this group would be to consider questions of importance to the student body, discuss means of getting around obstacles, anything that needs doing on this campus and isn't getting done. One of the chief advantages, as we see it, would be that it would not be an elective job, and would therefore rule out membership by popularity alone. As proposed, it would be a group whose members would at the beginning be volunteers, and would thereafter be self-perpetuating. The usual objections to such an organization would not apply here, since the group would have no administrative function, and no necessary constituency to please. It would, in short, be composed of people who are interested, as opposed to those who are invested. It would serve in an advisory capacity to the Student Council, gather opinions on campus matters, and undertake such work as the rewriting of the A.S.C.C. Constitution. This last, by the way, has proved to be a job badly in need of doing—if it weren't disrespectful to last year's Council, we'd wonder publicly whether they rewrote it under a table at the A-Club, or farmed the job out to the Harvard hockey team. Since that wouldn't be a nice thing to say of anybody at C.C., of course we won't even suggest it.

But back to the idea group—it can and should attract all natural spiffies and non-conformists, and a fair percentage of students who think they have it all figured out, as well as some who just want to figure it out. It would be open to graduate students as well as undergraduates, and would have as a first purpose the proposal of formed ideas for action of the Student Council. The thing is currently operating successfully on several other campuses, with well-proved benefits.

If you are interested drop a note in the Tiger box, either in Cutler or at the Tiger office in Lennox, or write directly to the Student Council, with whatever you have in mind about it, and we'll see what can be done.

Cuts - - And Abrasions

There has been a lot of discussion in recent weeks about a set policy on what happens to people who cut classes. Every possible suggestion has been heard, from "Ahh-h—Fergittit!" on one hand to "Off with their heads!" on the other. Finally the discussion has been boiled down to a policy, to be enforced as of the beginning of this new term. It is here presented, on the principle that ignorance of the law excuses no one:

- I. The following policy shall be uniform throughout the college.
- II. The policy is based upon the assumption that regular attendance at classes is expected of all students and faculty members.
- III. This policy makes provision for those occasions when it is impossible for a student to be present at class. The number of unexcused absences without penalty each semester shall be limited to the gross number of hours for which the student is enrolled that semester. For one absence beyond this number, one additional hour shall be added to his requirement for graduation. Thus a student carrying 16 hours shall have one hour added to his graduation requirements if he has 17 absences any time that semester; he shall have two hours added to his requirements if he has 22 absences, three hours for 27 absences, etc. All absences in the three day periods before and after Christmas, Spring, and Thanksgiving holidays shall be counted double. Extended or serious illness, validated emergencies, and approved college activities shall be marked as "excused absences."
- IV. Students who have made a 2.00 average, or better, the previous semester shall be exempt from the provisions of section III.

In a letter to the editor accompanying copies of the policy as finally ratified, Dean Gates stated in part: "... The committee on Instruction, the Student Council, and the faculty, fully realize that this or any other policy of class absences can become effective only as the entire student body, the faculty, and the administration, cooperate together in good faith to make it work out to the good of the college community. ... This one which has been adopted represents the best current thinking of the Student Council, several faculty committees, and the entire faculty. ... If experience demonstrates that this is not a feasible and adequate policy, then surely there is sufficient good-will, and wisdom ... to later devise through experiment a better policy."

A Letter to the Editor

January 20, 1948

Dear Editor,

I would like to comment on the statement which appeared in last week's Tiger in regard to discrimination and the signatures which were undersigned to that statement.

I noticed that a large percentage of these signatures were from sorority and fraternity members. The attitudes of these groups towards the admission of members of minority groups into their midst need not be mentioned except to say that it is hardly any more democratic than that of several business organizations in town.

I know many of these people whose names appeared on the list and for the most part they are very fine and admirable students. Therefore, I can not doubt their earnestness to help, but doesn't it seem rather erroneous that they should be attacking a system and giving it support at the same time?

R. J. C. Sez:

In common with several hundred other people in the United States, I should like an explanation of the continuing search for synonyms that is constantly being pressed by the sports writers of the country. Probably at no time since the turn of the century has anyone seen a wrestler; he must be a mat-man, mauler, grunt-and-groaner, or any other of a plethora of equally revolting terms. What would happen if a wrestling team was referred to as a wrestling team? From the way sports writers avoid the use of a good straight phrase, one would think that the moment a writer uses the right word, the entire social fabric will crumble and the land will be bathed in a bloodbath making the French Revolution look like a dull day on a WPA project. This ill isn't limited to wrestling, though. One never hears, for instance, of eleven football players coming onto the field. Invariably, "As the long rays of the afternoon sun slanted across the stadium, eleven bronzed heroes charged onto the green prepared to do or die for dear old Gleeber Tech." Presumably, the people who read the sports pages do so in a desire to find out what happened in the field of sports. Their interest in the color or characters of the players would probably be over-estimated if it were called mild. Further, if the sports page reader

doesn't know that the afternoon sun is likely to be rather low in the sky during the football season, he shouldn't be reading such heady literature as the sports page. I can, of course, cover only a few of the weird terms that wend their way into the writing of the sports pages. And actually, it is not necessary to cover the whole lot as nearly everybody has read sports pages.

I suppose that, in general, the life of a sports writer is rather drab what with tramping around wet football fields and constantly breathing that quaint odor that only a basketball floor or a handball court can emit and if they get any enjoyment out of never using the same word twice, it is their business, but I do take issue with them when their purple prose becomes so decorative as to completely obscure the meaning of the article. If, after reading one of these exercises in verbosity, the reader emerges with a vague mental image of a number of demigods having done something better than it has ever been done before, in a setting abounding in every color and hue in the rainbow, why, in that case, I think that perhaps the sports writer may have failed his purpose. In the future, I would be vastly pleased if I could read a sports page and find out what happened. If, however, they are committed to this mad course, they needn't expect me to read the sports pages.

New Theatre Workshop Meeting Tonight

The Colorado Springs Theater Workshop, offering a series of 15 lectures and demonstrations on theater technique conducted by Orvis Grout and sponsored by the Fine Arts Center, the Civic Players and Colorado College as a community service, will have its first meeting in the Fine Arts Center theater at 8 p. m. tonight, according to an announcement issued by Mitchell A. Wilder, Robert Burnam and General W. H. Gill, respective heads of the Arts Center, Civic Players and Colorado College.

The new lecture series is offered specifically to the general public and no tuition will be charged to members of the sponsoring institutions except nominal fees to cover the cost of scripts and make-up. The sponsors hope that all those interested in improving their stage technique and those interested in stagecraft for its own sake will attend the opening meeting during which a regular day and hour each week will be picked best suiting the convenience of those taking the course.

According to the sponsors, the Theater Workshop is an extension of the Fine Arts Center class in theater arts which Grout has been conducting in morning sessions since September. By offering evening classes with no formal tuition charge, running one night a week thru the middle of May, the Workshop

is expected to attract many people who were unable to join the morning theater arts class.

It is explained in the announcement that matters of general workshop policy will be handled by a committee of seven which includes Mitchell A. Wilder and Miss Elizabeth Howbert for the Arts Center; Robert Burnam and Mrs. Lillian McCue for the Civic Players; Miss Carol Truax and Woodson Tyree for Colorado College, and Director Orvis Grout.

The announcement adds: "The make-up of this committee will guarantee that the interests of each of the three institutions will be served and that there will be no conflict of aims among them. The scope of the series of lectures will be determined by Grout who will give basic instruction on the history of the stage, talks on stage design, make-up, use of props, dramatic technique, costuming and so on. From time to time, Grout will call in guest lecturers like Woodson Tyree, director of drama at Colorado College."

LOST

Lost, strayed or taken by mistake: One pair of ski poles with light red handles. Marked with red polish, beneath the handles. Were lost at Glen Cove, Thursday, January 29, 1948. Call 7336-R. Reward. Jeanne LaMarr.

Denver Pianist to Play at FAC Today

This afternoon in the music room of the Fine Arts Center at 4 o'clock, the Colorado College Workshop will have the privilege of presenting Joseph Bloch in a program of classic, romantic, and contemporary music for the piano.

Mr. Bloch is a present head of the piano department of the University of Denver.

This is the first of many concerts to be presented for the education and enjoyment of the faculty and students of Colorado College this semester by the Colorado College Music Workshop. No admission will be charged.

On February 18, the internationally famed organist, E. Power Biggs will be heard in a recital of organ music in Shove chapel.

Sociology Club to Meet Thursday

Here is the second announcement for the new group of the campus, the sociology club.

The club will hold its second meeting Thursday, February 12, at the home of Dr. and Mrs. Lewis Abbott at 7:30 p. m. Miss Van Diest, Miss Donaldson and Mr. Vard Grey from the department of Public Welfare will discuss opportunities in the field of social work and of entering into graduate schools.

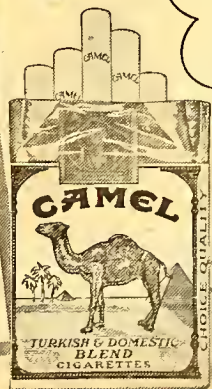

It's Another Headline Record!

Which Will Be Kappa Sigma's Stardust Girl?

Candidates for title of Kappa Sigma "Stardust Girl" to be selected by Hoagy Carmichael are, reading left to right. Top row: Joyce Seagrist, A. J. Dillingham, Nancy Munro, Ruth Schriber. Middle row: Nancy Wilson, Hoagy Carmichael, Pat Harley. Bottom row: Patsy Long, Penny Ayer, Dolores Lanning, Jean Yeonopolus, Jean Schryber.

Benefit Style Show Tomorrow at 3:00, Fine Arts Center

"Fashion Magic" will be the theme of the season's first style show which will be presented tomorrow afternoon at 3:00 at the Fine Arts Center by the American Association of University Women. The show is being given for the purpose of raising money for the El Paso County library fund.

Models were chosen from CC, the high school and members of the organization. Kaufman's will furnish the new Spring styles.

Representing the college will be Nancy Bryson and Sally Littell.

The show will be staged and directed by Mrs. Maurice Gooberman, who is in charge of the AAUW committee. Under stage director Cecil Seavey, the setting will represent an empire drawing room. Tickets may be purchased at the door, and there will be a tea immediately following the show.

Kappa Sig Famous Songwriter Hoagy Carmichael to Pick "Stardust Girl"

Queen to Reign Over "Stardust Dance" Feb. 28

Eleven girls have been chosen by the Kappa Sig Fraternity, their photos mailed to Hollywood, and one of them will be selected by Hoagy Carmichael as the "Stardust Girl" to reign as queen of the fraternity Stardust Dance February 28th at the Broadmoor ballroom.

Carmichael is one of the more prominent Kappa Sig alums, initiated at the University of Indiana, and it was his immortal "Stardust" that prompted the Kappa Sigs to undertake plans for making this dance an annual spring affair.

The queen will be officially announced at 10:30 the night

of the dance, and will be presented with an engraved cup by Stan Rice, president of the local chapter.

Elaborate plans, under the direction of social chairman Gordon Westcott, include a pleasant evening from 9 to 12:30, music by Ray Kranz and his orchestra, and an impressive cup presentation.

Riding Club Plans Spring Horse Show
The riding club will meet 7:30 Tuesday, February 10 at Lennox House. They will discuss their plans for the spring horse show. All those interested in boosting their self-confidence or losing it, before they enter the show are invited.

If the streets aren't too slippery, the photographer will take pictures of the club Tuesday, also.

IFC Elects New Officers
At their final meeting of last semester, the Interfraternity Council elected Bob Cosgrave, president of the Phi Delt Fraternity, as president; Bill Barton, Sigma Chi, as secretary; Stan Rice, Kappa Sig, as treasurer; and Jim Parmalee, Phi Delt, as social chairman.

Dance Demonstration
On Sunday, February 15, at 8:00 p. m. The Dance Department of Colorado College will present a dance demonstration being given for the Tri-C, German and Drama Clubs.

Snoop with Stroup
By D. A. of the same name

And so out of the night-mare atmosphere of final week, we have emerged with the usual two theories: 1. "My! I'm glad I didn't study for that test," and 2. "Believe me, things are going to be different next semester." As a result, heads high, we plunge onward with renewed vigor. All dark circles, hollow eyes, haggard faces, black cups-of coffee at midnight, and guilty "but fell asleep and didn't study last night" feelings put asunder.

Not that people didn't go on getting pinned, engaged, and playing bridge in Lennox just the same.

Beth Lieurance is sporting a very lovely solitaire diamond from Howie Hushion, Char Nolan is wearing Don Mahan's Sig Chi pin and Kappa Sig Bill Hula pinned Margaret Fast.

Then after it was all over on Wednesday night, E. J. Holmes took Harry D'Arcy's

What's On... At the Theater
CHIEF THEATER

Now Showing — Lucille Ball and Franchot Tone in "Her Husband's Affairs."

Sunday Through Tuesday—Barbara Stanwyck and David Nevin in "The Other Love."

Starts Wednesday—Ginger Rogers and Cornell Wilde in "It Had to Be You."

Sigma Chi pin, and on that same evening, Patsy Dinan became a Phi Gam legacy as owner of Duffy Bauer's pin.

Occurrences which are even peculiar, but perhaps not so much viewed in the particular light of the people involved, are: Dr. Stabler in the Village Inn wearing a beautiful green plaid shirt and falcon on shoulder, Sally Organ's uncanny ability to mix answers on her biology tests with certain opinions of her own, which she has formulated; those happy kids, D. Rousell and Nancy Wrench churning butter in Bemis, commenting that it was the only way to beat inflationary costs; mysterious references being made by all the Kappa Sigs concerning their national hero, Hoagy Carmichael, his immortal song and its connection with some social event held in the near future—watch for it! It must be terrific. Emma Lappat and Marge Clark limping painfully around campus due to some ski expedition which occurred between semesters; and a small dent in General Gill's car. There is also a dent in Bull Urban's car. Of course these incidents may be entirely coincidental.

A January 17th pre-exam dance by pledges in honor of the actives found the Theta lodge elaborately decorated in the "Exam Blues" theme. Shown in the insert (l to r) are guests Harry D'Arcy, E. J. Holmes, John Mulkey; Theta active Jeanette Elliott; guest Jim Preston and Theta active Nancy Woolger.

Calling Snowbunnies Shuss-Boomers and Pine Tree Decorators

Ptarmigan Club to Hold Planning Meet Wed.

The Ptarmigan club is holding an extremely important collecting-loose-ends-meeting on Wednesday, February 11, at South Hall to open up the "Almost Spring" skiing season by disclosing many wonderful and amazing plans.

All the ideas that have been suggested up till now have been taken out of the suggestion stage and placed in a definite schedule that promises nothing but fun.

You will want to hear the details of a bang-up skiing party over the week end of the 14th and 15th—just a few days away—at Glen Cove. Extensive plans have been made. But you will hear lots more about this at the meeting.

That's not all, by any means. There will be movies of skiing at fabulous Yosemite and at Glacier Park, and a movie called "Ski Revels," which could be most anything.

You bring your ideas and suggestions, too, for the best skiing is yet to come; when the snow disappears from around school and when up on the high slopes you can ski in shirt sleeves and a terrific suntan.

Don't forget Wednesday the 11th at 7:30, South Hall! Very important.—P.M.S.

Please mention the TIGER when patronizing our advertisers.

C.C.-BEARS TO CLASH FOR RMC LEAD

Tigers Visit Greeley Tonight; Face Miners And DU Next Week

Light on who will win the Little Five conference will probably be shed tonight when the Colorado College Tigers travel to Greeley to take on the Colorado State Bears. The Bears at present are conference leaders by virtue of their first win in seven games against Mines last Friday night, 70-43. This for the Bears was their only conference tilt, giving them a record of one win as against no losses; while the second place Tigers are sporting wins over Mines and Western State, losing only to the same Western State team.

As the Tigers go into battle they will be led by the whole starting five of Ed Scott, Wilfred Perkins, Jack Quamme, Nick Yeonopolus, and Ethan Miller. Miller will be in there setting up plays for the high scoring Scott, Quamme and Yeonopolus, while Perkins will give the Bears a taste of CC's fighting spirit.

This past week end the Tigers went on the road, losing two games. Friday night the CC quintet lost to the undefeated leaders of the Midwest Conference, Beloit, by a score of 72-55 in a game that was closer and hotter than the score indicates. Saturday evening the Tigers lost their third straight game, this time to Bradley, 74-45, who paid them back for the "clock incident" of last year. Bradley, believing themselves winners of the contest at the end of the regular forty minutes, found themselves losers as the gun should have gone off a minute and half previously at which time the Bengals were in front.

Next Friday the CC squad will hit the road again, this time for Golden and their second meeting with Mines. On Saturday they will be home again to face the highly rated DU team at the City Aud.

Olympic Hopeful

Varsity Magazine For Young Men

Our excuse for putting the picture of Patsy Elsener in the TIGER is that she is one of America's leading prospects for the Olympic swimming team. Specializing in 3-meter dives, the 17-year-old beauty won top honors in the Senior Indoor Women's championships this year and last, second place in an Indiana meet in 1946. (Acme photo).

FROSH Sport Bits

By BOB LEAVITT

Coach Pat Fitzgerald's freshman hoopsters have finally hit the win trail and at the present time the Tiger yearlings are riding a win streak of four straight victories. The first year men have improved considerably in the past few weeks. At Trinidad last Friday, the Frosh hoopsters sought revenge for the one lone defeat the freshmen football squad suffered last fall at the hands of the Trinidad Junior College gridders. Coach Fitzgerald's court men completely outplayed and outscored the Junior College lads to earn a 50 to 46 victory. Marvin Powell, speedy forward, is currently pacing the Frosh scoring with 76 points. Jim Gepford, is second with 68 points and Chuck Bouchard is third with 49 points. The yearlings will be seeking their sixth win in nine starts tonight when they meet the Colorado State Frosh at Greeley.

When goalie Roy Ikola was selected to participate on the AHA Olympic Hockey team, the entire Tiger net tending chores were left in the hands of a freshman by the name of Clark Wilder, a native of Rochester, Minnesota. Wilder proved to be the major cog in the second San Francisco game and it is quite evident that the stalwart Frosh goalie will play a major role in the University of California series this week end.

Two outstanding members of the once-defeated Freshmen football squad have dropped out of school. They are Al Miller, 185 pound end, and Steve Dunda, 180 pound half-back. Both boys would have been excellent prospects for the varsity eleven next fall.

The Kappa Sigma fraternity is really loaded down with trophies this year. From the very beginning it has been out front gathering honors. Homecoming House decoration, first place; Cross Country, Touch football and wrestling have all added to the Kap Sig's collection. The other 2 awards were split, Phi Gams taking boxing and IMA the Homecoming float prize.

INTRAMURAL BASKETBALL SCHEDULE

First Round—(All games will be played in Cossitt gym.)

Thursday, Feb. 12—7:30 p. m., Beta vs. Sigma Chi; 8:30 p. m., Phi Gams vs. Faculty.

Tuesday, Feb. 17—7:30 p. m., Phi Delt vs. IMA; 8:30 p. m., Frosh vs. Kappa Sigma.

Frosh Hardwood Men After Fifth Straight

Today the Tiger Cubs will travel up to Greeley to play their frosh quintet. At the present time they have five wins to their credit and are gunning for their sixth.

In their recent starts against strong local competition they have shown themselves a much improved team. The yearlings commenced their winning streak by downing the Colorado Springs Fire Department, of the City league, 53-38. Chuck Bouchard and Jim Caywood netted eight points each in this contest.

The next game with the Colorado Springs Eagles was another victory for CC by the score of 68-40. High scorer for the Cubs and of the game was Marvin Powell who hit the hoop for 12 points.

The most impressive performance of the '51 team was turned in last Friday night when they journeyed to Trinidad. Powell and Bouchard sparked a 50-46 win by the Tigers with 18 and 12 points respectively.

On Tuesday evening of this week the Cubs went on to their fourth consecutive win by trouncing the Interstate Gas team, City league champions, by a nine point margin, 56-47. Jim Gepford and Marvin Powell paced the freshmen with 14 and 10 points each.

wrestling men 21-11. A pin by Blagg and winning decisions by Kinkle and Bill Storey accounted for CC's points. Kerns and Miller lost by decision; Kurachi, Biega and Van Meter were pinned.

A home match with Greeley scheduled for January 24 was postponed to February 23, due to snow, but the Tigers will meet them there tomorrow.

Mat Men In First Win Beat Miners 28 to 8

CC's wrestling got a much needed shot in the arm in the form of a decided victory over Mines at Golden on January 17. The squad totaled its 28 points, against eight for Mines, by winning six out of eight bouts. Five of the six wins were pins by Kerns, Kurachi, Kinkle, Bob Storey and Blagg. Price decided four to two. Bill Storey lost by decision and Florshelm was pinned.

On January 21, however, a strong Denver squad beat our

CAL. INVASION AT BROADMOOR TONIGHT

Series Sweep Would Decide Far West Berth in Nationals

Three Bengals Out Due to Grades

With exams taking out Sonny MacDonald, "Red" Seasons and Hal Spelliscy, it is a weakened team that will take the ice against California's Golden Bears tonight and tomorrow. If CC wins both of the games here they will represent the Far West in the Intercollegiate hockey play-offs on March 17, 18 and 19. A split will cause a western trip to decide the issue.

Although the won-lost column puts California on the short end of a seven to three count, their victories were over the University of British Columbia and the San Francisco Olympic Club. The team from Berkeley meets the Tigers on a seven thousand mile trip that includes games with Yale, Dartmouth, Brown and the University of Michigan.

From Eveleth, Minnesota, the Bears have redhead Pat Finnegan who leads the scoring with 32 points on 15 goals and 17 assists. He had a chance to play with the Olympic team but turned it down.

Out of the twelve men traveling with the California squad, only four are returning lettermen although eight are Canadians. The goalie, Ian Watson, from Calgary, Alberta, has a record of 359 saves in ten games for a 35.9 save average per game.

It is expected that Howie Hushion will take the place of Sonny

First line left wing for the Golden Bears—Larry Collison is expected to give the Bengals a lot of trouble as they meet California at the B-moor. He is third on the scoring list for the Bear puck men and steadily improving. Collison hails from Calgary, Alberta, Canada.

MacDonald in the CC forward wall with Harry Whitworth and Joe Slattery.

Much of the burden of stopping the California men is expected to fall on freshman goalie Clark Wilder. Though short on intercollegiate experience Clark has had a good showing to date in the game with the Olympic club. He has the spirit and guts that go into making a good net man.

Next week the Tigers will make their last appearances before home fans before hitting the road. They will be host to the sextet from the University of North Dakota.

Although not much has been heard about this team out here they gave the University of Minnesota a good battle before going down by a one goal margin. This may prove to be the most surprising game of the year. The first of the series will be on Thursday and last game Friday.

Lancers Lead CC Jr. Hockey Teams

Don Hale, Cub, paces Both Teams, 7 Points

With the closing of the first round of the Colorado Springs Junior hockey league the Colorado College entrants have held their own against the field of competition offered them. The Lancers came out with two victories against one defeat while the Cubs scored two wins with an equal number of defeats. The Fountain Valley boys have the greatest number of victories with three while only taking one setback. The Colorado Springs Rangers have a record of two wins and two losses followed by Cheyenne with three straight defeats. The Lancers played their last game against the Cheyenne club last night.

Up to date the league's top scorer is Sam Hall of the Fountain Valley squad; he is followed by the Tiger Cubs' Don Hale. Hall has eight points and Hale has six tallies. The Tiger Cubs take the team scoring honors with a slam bang total of 31 goals, next comes the Bengal Lancers tied with the Fountain Valley Vikings, each

Spinning the SPORTS WHEEL

By BILL MURRAY

It appears that once again Dartmouth is the strong team in Ivy league hockey. So far this year the big Green team has only been beaten by Boston College which is not in the Ivy league. The ice game so popular out here is having a hard time at Tufts College in Massachusetts. Their team was dropped for no apparent reason by the athletic board. It has been revived due to pressure from the student body and the "Tufts Weekly."

Up north in the University of Wyoming they have finally realized that hockey is a sport and have formed a sextet to represent the Cowboys.

More news from out East tells us that the Boston University pucksters will represent the Eastern Intercollegiate league in the championship matches as a result of their victory over Boston College by the score of 5-3.

Seems that the boys over in Cunnison really like to make the most over victories they have over our Tigers. Headlines from the Western State College newspaper "Top 'o the World" for January 30th were: "CC Tigers Trounced." . . . "Mountaineers Tame Tiger Hoopsters." All this was on page one with the story on page four.

The first paragraph read: "Weighted down with press clippings Colorado College Tigers sprang into fourteen hard driving basketball players from Western State January 17 at Buell Crawford gymnasium and got their nails trimmed."

I guess those boys really value a win or two over this eastern slope crowd.

The Kappa Sig's elected "Red" Seasons as their new intramural manager.

Though the football season is long dead there is still a lot of conversation centering around the OCU game. Why? For what? And for which? Something should and must be done to help prevent such disastrous scheduling.

It is felt that perhaps a better RMC would help the matter. We don't have the kind of teams that really are strong enough for big time competition and should stay in our class. Perhaps if Adams State, N. M. Highlands and Regis were to get together with the "Little Five" a decent conference would result.

In the heavyweight department of our wrestling team Glenn Blagg has yet to lose a match this year. Glenn is still trying to get back into his old shape now that his leg is pretty well mended.

having 18 points. The league's leading contenders for having the most time in the penalty box are Kay Freyschlag and Dick Hahn, both of the Cubs sextet. McBride of the same outfit runs a close second with four minutes in the box.

In the first game of the second round the Tiger Cubs shut out the Colorado Springs Rangers by a decisive 4 to 0 score. The play was fastminded with a little rough stuff which made a most exciting game. Don Hale was hit on the head with a puck and as a result several stitches had to be taken but he will be able to play in the Cubs' games. Jack McBride combined his skill and speed to cop scoring honors for the evening with two goals. Hale continued his bid for the league's top scorer by slipping in one point. Mitchell accounted for the other marker.—J.P.

Local Station KRDO to Broadcast Away Games

Students of the college and local hockey fans will have a chance to get the results of the twin bills to be played at Michigan Tech and University of Michigan. Radio station KRDO has arranged to broadcast play-by-play action at the games on February 23 and 24 from Houghton and on February 27 and 28 from Ann Arbor.

Sponsors of the broadcasts are Doengos-Long Motors, Sinton's Dairy, Giddings, Colorado Interstate Gas, Olson-Bonhow Plumbing, Antlers Hotel and the May Realty company.

Direct wire will bring the games straight from the scene of action. Both games with Tech will be heard at 6:00 p. m. MST and the first game with the U. of Michigan is expected to come over at the same time but the second of the series will not start until 6:30 p. m., MST.

IFC Formal to Be Held February 14th

The fraternities of Colorado College, through their Interfraternity Council, will hold an all fraternity dance Friday, February 14th. The dance, which will be formal, is scheduled for the main ballroom of the Antlers Hotel.

Howard Ferrand and his orchestra, which supplied the music for the Sadie Hawkins dance, will be on hand for the dancing. The social chairman of the IFC, Jim Parmalee, is in charge of arrangements.

This is the first dance of its type to be held by the fraternities and will honor their new pledges. Through such cooperation it is hoped that a unified feeling will be promoted between these social groups.

Drop in Registration Shown in Early Count

Registration figures for the second semester at Colorado College show a total student body of 1,153, a drop of 140 from an all-time high of 1,293 set last September, according to Fred C. Minuth, registrar.

Approximately 30 seniors graduating in February account for part of the loss. Other students failed to meet academic standards or were forced to leave school due to finances, health or family problems.

Comparison of figures show the greatest losses in freshman and senior classes, but the ratio of men to women continued about two to one.

The total of 1,153 may increase slightly, college authorities said, since the late registration period is still open.

come in the SDA," she emphasized, "but neither are we a 'red-baiting' organization."

The SDA is the campus affiliate of Americans for Democratic Action, a national group headed by Leon Henderson, Charles Bolte, Mrs. Eleanor Roosevelt, Paul Porter, Wilson Wyatt and other leaders in the New Deal camp.

Miss Wilder stated that the ADA "a long time ago" decided to oppose any third party movement as assuring the election of "isolationist, reactionary forces."

The Colorado College group, if organized, will take part in political action at every level. Discussion among those students who heard Miss Wilder indicated that the men and women who join SDA probably will pledge their votes to the Democratic party's presidential candidate, repudiating Wallace and his PCA backers.

Present for the explanatory meeting were Bill Murray, Ken Cooper, Jackie McMahill, Cerald Cooke, Robert Liebman, Sam Gadd, Salvatore Marino, Helen Stevenson, and Mr. Stevens.

Aviation Cadets

The U. S. Airforces Officer Procurement team will be on the campus Thursday, February 12, for the purpose of interviewing applicants who are interested in future aviation cadet training. Those who are interested please contact Dean Reid's office.

Dr. Roy Harris to Write Concerto for Famous Band Leader Tommy Dorsey

Roy Harris is back in the Springs again after an exciting two weeks trip East, with important stops all along the way. At Indianapolis, he conducted the world premiere of his new work "The Quest," at a Pension Fund Benefit concert for the Indianapolis Symphony. No "high-hat" dour composer is Harris. He shared the program with Tommy Dorsey and his band and Jimmy Dorsey, a collaboration which resulted in Tommy Dorsey asking Harris to write a Concerto for his

jazz band.

In New York, Dr. Harris got to hear his Third Symphony performed by the N. Y. Philharmonic, under the baton of Walter Haendl, assistant conductor of the N. Y. Philharmonic. This work, which has been performed many times in Carnegie Hall, won unanimous praise as a splendid contemporary work.

Of special interest is the news that Dr. Harris secured two one-hour western hemisphere broadcasts with the American Broadcasting networks, as part of the Colorado College Summer School Music festival. These broadcasts will be given on the regular symphony hour on Saturday afternoon . . . the first and second Saturdays in August.

And finally, in Denver on Tuesday afternoon another of Dr. Harris' works, "Memories of a Child's Sunday," was performed by the Denver Symphony under the baton of Saul Casten.

Italian Film Opera At FAC Next Week

CC music and language students have a big treat in store with the coming to the Fine Arts Center theater on Tuesday and Wednesday of the great Italian film opera, "The Barber of Seville," starring Ferruccio Tagliavini in the role of Count Almaviva.

With Tagliavini, by all odds the greatest Metropolitan Opera tenor of recent years, is a fine group from Italy's Royal Opera including Tito Gobbi and Nelly Corradi.

The Tuesday and Wednesday showings of the film at the Arts Center take place at 3:30, 7:10 and 9 p. m.

S.D.A. to Organize On Campus Today

Proposed organization of a Colorado College chapter of Students for Democratic action will be discussed at 4 p. m. today in room 208, Palmer Hall.

S.D.A., which was labeled "subversive" in a local newspaper last Sunday by a well-known Broadmoor patriot, will be explained by its supporters as liberal and anti-Communist, it was learned.

Today's meeting, called as a test of campus sentiment for SDA will be conducted informally by students interested in progressive political action. Those similarly inclined are urged to learn SDA's program.

Biggs to Give Recital On Shove Chapel Organ

On Wednesday evening at 8:30 in Shove Memorial chapel, the Colorado College music workshop will present E. Power Biggs in a recital of preclassical, classic, romantic and contemporary works for the organ.

He is official organist of the Boston Symphony and is in demand for both recital and orchestra appearances all over the country. We are certainly fortunate to have this artist come to our campus for a program of organ music. Every student should take advantage of this opportunity to hear one of the world's great artists. As the entire pub is invited it would be well to come early for the best seats. No admission will be charged.

This concert is a gift from the CC Music Workshop to Colorado College and the general public of Colorado Springs.

Students who are interested in seeing the "Barber of Seville" at the Fine Arts Center the 17th and 18th, should arrange to see the movie on Tuesday night so that it will not interfere with the Biggs concert.

Pretenders To The Goldiggers' Crown

CANDIDATES FOR GOLDDIGGERS' KING: Top, l. to r., "Red" Seasons, "Dutch" Van Schooneveld, Hal French; Bottom, Doug Gregory, Bill Daggett, Hank Loomis.

Dean Gates Leads Off Faculty Chapel Series

In the first of a series of faculty lectures on the "Fundamentals of Democracy," Dean Gates spoke in the chapel last Tuesday on the vision of Colorado College in the future. He will be followed in future chapel sessions by Dr. Nathaniel Wollman of the economics department, English professor Frank Krutzke, Dean of the Chapel Clyde Holbrook and Dr. Lewis Abbott, head of the economics and sociology departments.

Definite Deadline Set By Nugget: February 20

The deadline for having pictures taken for the class section of The Nugget has been set for February 20. In an effort to make it possible for as many students as possible to get their pictures taken, the Nugget staff has made the process as simple as possible and have allowed the greatest possible length of time for the process. This deadline is not tentative but definite.

Candidates for King Of Goldiggers' Ball

The candidates for King of the Goldiggers Ball were chosen not only for their good looks, but also for their active participation in campus life. Here is a short resume, so that you gals can go to the ballot box without any false prejudice, (disregarding, of course, threats of violence from your date if you fail to vote for his candidate!).

Bill Daggett, the Independent candidate, is a Colorado Springs man. He is 25 years old and a sophomore, having spent some time in the Navy. The I.M.A. elected him as their publicity manager this semester.

The Phi Gam's representative, "Dutch" Van Schooneveld, is 21, and a senior. He played first string on the varsity football team this fall. He's a member of the C club and House Chairman of his fraternity. "Dutch" spent four semesters at CC in the V-12 unit. He is a Denverite.

You've all seen Doug Gregory at our games—one of the

Phi Delta acrobats, he was also Illinois State diving champion before he moved to Colorado Springs. He is 22 years old, in his sophomore year here. He is a member of the Growlers and an officer in the Phi Delta Theta fraternity.

Hank Loomis is the Beta's candidate for King. He's another one of the Growlers, and Intra-mural chairman for his fraternity. Hank comes from Wayne, Pennsylvania. He is 22, a senior majoring in geology.

A California boy, Hal French, is up for Sigma Chi. He is on the CC football and track teams, and a member of the C club. Hal is a graduate student in education—he refuses to divulge his age on the grounds that it might give him unfair advantage with the co-eds who prefer older men.

Kappa Sigma's candidate is Red Seasons, who hails from Montreal, Canada, and was one of the stalwarts of our hockey team last semester. He's the Kappa Sig's Intra-mural manager. Red is 22, a junior at CC.

Dr. Stabler to Speak At D.E. Coffee Hour

The faculty and major students in the Natural Sciences are invited to the Coffee hour, sponsored by the Society of Delta Epsilon, on next Monday, February 16, from 3:50 to 4:30 p. m., in the Biology laboratory, Palmer Hall.

At 4:30 p. m. the Coffee Hour will be followed by a talk on "Observations on the Host-Parasite Relations in Trichomas Gallinae Infections in Pigeons," by Dr. Robert M. Stabler, Associate Professor of Biology here at Colorado College. This little-known field of research should prove to be of unusual interest to all interested in science.

Previous Coffee Hours, sponsored by Delta Epsilon, have brought together major students from the departments of biology, chemistry, engineering science, mathematics, physics and psychology for refreshments and the opportunity to hear a discussion of some phase of research.

Subscription price: \$1.50 per semester by mail.

Vox Pop-Off

DEAR EDITOR:

I would like to come to the defense of the "purple-prose" sports writers who were put on the carpet last week in the *TIGER* by R.J.C. Being one of these so-called offenders from the broadcasting angle, I have been in it just long enough to be acquainted with its problems, yet not nearly long enough to have forgotten why sports writers automatically approach the problem as they do.

As to the use of adjectives and the fact that football teams are referred to as elevens, grid-teams, etc., Mr. R.J.C. seems to be forgetting a cardinal rule of journalism: avoidance of redundancy. It would be a lot simpler to say every-time that: "One of the outstanding football teams in the history of football was Fielding Yost's Michigan football team which played football at the turn of the century. It engaged such famous football teams as Harvard, Yale, and many other football teams in a style of football that is completely different from modern football." By now, even R.J.C. would be firmly convinced that we are talking about football! Speaking or writing within the sports media which uses so few names to describe every actor and action involved, it naturally becomes necessary to call a football team or a wrestler by many other names or the listener or reader will become bored by repetition.

Of course, R.J.C.'s article is in itself a masterful argument against his own thesis. In the very line that he condemns verbosity and adjectives in sportswriters, he blandly phrases himself: "From the way sports writers avoid the use of a good straight phrase, one would think that the moment a writer uses the right word, the entire social fabric will crumble and the land will be bathed in a bloodbath making the French Revolution look like a dull day on a WPA project." This supposedly simple, forthright statement in the R.J.C. style would make the worst of the "purple-prose" boys take refuge under a pile of copy and would choke the larynx of the ablest sports announcer.

This is not to decry R.J.C.'s use of words, for it is justifiable in this instance to forcefully put over his point—but no more justifiable than the sports writers' use of descriptive adjectives to give his audience some of the drama, action, and excitement that took place in a sport event rather than just the cut-and-dried results.

And Another Thing

By UDICK

We have just finished a vitriolic editorial on the manner in which some members of the CC faculty (not to be confused with instructors or professors as defined by Webster) have interpreted the new cut policy. In spite of its being approved by the faculty and the ASCC council in an effort to establish a universal policy, and in spite of a request for cooperation by the Dean of the College, the new policy has been pigeon-holed by several of the above college hirelings with the candid phrase, "This of course will have no effect on our 'own departmental cut-system.'"

We have just torn up said lengthy and vitriolic editorial and will dismiss the subject with heartfelt thanks to the Supreme Being for the fact that we have some faculty members who have the interest and the ability to present their subjects in such a manner that they do not have to resort to such tactics to hold an audience. We are happy that some profs do not use time to parrot the book or blat bigotedly on personal viewpoints about subjects not particularly connected with the course at hand.

We believe it is the mark of an incompetent professor if he cannot present his instruction in such a manner that he has to resort to rulings outside the newly announced cut policy.

Council Doings

By Jane Stegemann

Student Council at its last meeting made one appointment and discussed two other campus positions which are still open. Bob Hart, graduate student, was appointed chairman of the Student-Faculty committee on Social Sciences.

If you are interested in applying for the job of editor of the Student Handbook submit your application to the Student Council. This is a non-paying position.

The "Idea Committee" suggested in an editorial in last week's *TIGER* has attracted a great deal of interest on the campus as evidenced by the number of volunteers. Those on the "Committee" so far are Judy Dunbar, Charlie Neill, Phil Dix, Marge Kopfman, Jim Allured, Jim Doherty and Bob Udick. If you would be interested in discussing some of your ideas and seeing this

THE Couples Column

New officers take over the CC Wives Club as of next week. Many, many thanks to all the willing gals who kept the club operating since last spring, and lots of good luck to the new leaders. Those elected to serve until next fall are president, Ann Berg; vice president, Shirley Windward; Recording Secretary, Jean Yeonopolus; corresponding secretary, Roberta O'Brien; treasurer, Maxine Brown and program chairman, Jenny Ross.

committee be a real success, get in touch with your Student Council representative or drop a note in the *TIGER* box.

Snoop with Stroup

By D. A. of the same name

Mr. Off Loff Sloggin, and Miss Glasskiple Skritzkint, from Mars and Jupiter respectively, visited earth last week. They liked it fine until they got to Colorado Springs, where they were most perturbed by the spirit of non-conformity pervading throughout, especially concentrated in the northern regions of the city.

It is only normal and fitting that non-earth people should be upset by incidents occurring this last week.

For instance, take the physical education instructor, Miss Wolf, eating Gerber's baby food in Bemis.

Or Claire Morris waking up one morning to find her bedspread neatly folded. She is quite perturbed, of course. If she can fold bed-spreads while sleeping, there is probably no limit to her capacities while awake. Dangerous woman! Watch her!

The presentation of "Carmen" by the Monte Carlo company being densely populated in the background by a saddle-shoed, red-loafed group of Colorado College talent. We hope that Paul Ramaley finally got around to meeting all the members of the cast. He was doing quite well in the first act. And everybody was doing quite well

IWA Song Practice
Monday at Lennox
Independent Women will hold a song practice at Lennox next Monday from 7:30 to 8:00. Come on, girls, they say singing is the best exercise in the world; and if it's as cold then as it is now, you'll want it!

Those IW's interested in the "less strenuous" forms of exercise and who would like to enter the bowling, swimming or ping-pong tournaments should get in touch with Mary Ruble, Main 6660.

An added note: IWA stationery is now available at \$1.16 per box.

by the last act.

Or Duffy Bauer sitting with the Tiger Club at last Friday's hockey game. He was even wearing a regulation yellow beanie to blend in with the surrounding atmosphere.

Or the terrifically spiritual seance held one evening in Bemis by Norma McGinnis, Carol Nichols, Pat Hollister, and Margaret Folsom. They all seem to be possessing a certain mystical, inspired quality about their persons of late.

Miss Crowder, Miss Wilcox, and Miss Sabin assisting the Phi Deltas with their rushing responsibilities. They even entrusted Miss Wilcox with serving the soup! It looks like their chances for being Phi Delta Thetas are good. Of course it's making all the other young women jealous. We wanna go Phi Delt too.

I guess Mr. Off Loff Sloggin and Miss Glasskiple Skritzkint just didn't understand. Anyway, they went home.

Interfraternity Dance
At Antlers Hotel
Tomorrow Evening

On Saturday night, February 14, from 10 o'clock until 1 o'clock, the main ballroom of the Antlers hotel will be the scene of the second interfraternity dancesince the war. Music will be furnished by Howard Ferrand's band from Denver.

About 400 couples are expected to attend. Although it will not be a traditional Valentine theme, the occasion will be commemorated by appropriate favors. This formal, given in honor of all the new pledges, has been organized by the Interfraternity Council and promises to be one of the gala events of the year.

★ ★ ★

Assembly Next Week By Student Virtuosos

The A.W.S. is sponsoring a talent show during the assembly period on Thursday, February 19. Helen Hawkins has been appointed to search the campus for our undiscovered virtuosos (men included). Mistress of Ceremonies for the program will be Annette Wilcox, better known as "Mowgli."

If you have been hiding your light under a bushel, so to speak, now is the chance to view your talents—even if your interest in the finer arts of entertainment is only from the appreciation standpoint, come out and support the next assembly.

Theta

A "Mother and Daughter" popcorn and apple party was held last night in the Theta lodge. Each pledge's sorority mother called for hers and acted as her escort to the party.

Mrs. Robert Barkalow will speak to the Theta pledges this afternoon at their pledge meeting. The topic for discussion will be "College Activities."

Kappa

The Kappa scholarship dinner was highlighted last Monday evening by a talk on "The Art of Studying," presented by Mrs. Cass of the CC faculty. Pro's and con's were introduced for discussion, during which many helpful points were brought out.

The lodge was decorated in

Golddigger's Ball Looming Closer!

Next Saturday is the night! The Golddiggers are dragging out their best formal for the big dance of the year, Saturday, February 21, at the Terrace Ballroom of the Broadmoor.

This next week we expect to see all the local grocery stores and florist shops haunted by exotic, (and some not so exotic) plants, since big plans are under way for the last word in masculine corsages.

The music for the dance will be ably supplied by Ray Kranz and his orchestra. The admission price is \$1.60 a couple, and 75 cents for stags. Tickets are being sold by representatives in each of the girls' dorms and at Lennox House for the convenience of town girls.

If you haven't already gotten your date, hop to it! There's only a week left!

a blue and blue interpretation of the "S. S. Scholar Ship." On the table were individual diplomas arranged according to the averages achieved by the members.

On Saturday, Miss Margaret Smith will entertain the Spring initiates of Kappa Gamma at a luncheon to be held at the Swiss Chalot.

Delta Gamma

Students are cordially invited to the Delta Gamma open house on Sunday evening from 7:30 until 10:00 o'clock, music to be furnished by "Vic."

DG pledges gave a dinner for the activities last Thursday, at the Delta Gamma lodge. They presented some original musical skits for entertainment.

The Thetas are holding a tea next Wednesday, February 18, for one of their alumni, Miss Frances Yeend. Miss Yeend is guest soloist for the Colorado Springs Symphony Orchestra on Thursday, February 19.

★ ★ ★

Scott-Graham Win CC Bridge Tourney

Ed Scott and Dick Graham, using what they called their "own system," dominated the evening's play as they tallied a score of 1,500 points better than the Bob Robertson-Bob Crabb team, runners up.

The play-off was conducted among the four teams which will represent CC in the semi-finals of the National Intercollegiate Bridge Tournament. Ten hands were played by the teams against each other and the total points decided the CC champions.

The four teams for CC are Ed Scott and Dick Graham; Ed McRae and Chuck Ryan; Bob Robertson and Bob Crabb; Emma Lee Fay and Rose Keeley.

Forty-five colleges are included in this zone, from which two colleges will send a team each.

DENVER CAGERS HERE TOMORROW

Tigers Face Pioneers At City Aud., 8:15 p. m.

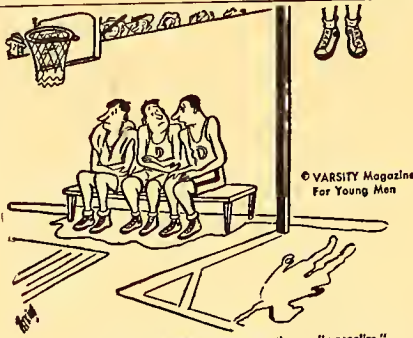

Meet Lowly Miners In Golden Tonight

This Friday and Saturday night will find the CC Tigers engaged in two tilts, which should prove to be one of their most important series so far this season. Friday, Coach Reid's cage squad will travel up to play a return game with Colorado Mines and the following night will go against a powerful Denver University aggregation at the Colorado Springs City Auditorium. This will be the first chance for local fans to see the Bengals in action on the boms floor since the Tigers' win January 10 over Mines.

Colorado Mines, having only won one out of their fourteen games so far, should give the Tigers little opposition. In their first meeting CC easily out-manuevered the Miners by the score of 57 to 46. The only contender who could give the Bengals any real trouble at all, is John Dasovich, tant highest scorer in league competition. However this game is important in the sense that Coach Reid's cagers could easily fatten their scoring averages and their conference standing.

This Denver game will be the only appearance of a major collegiate team here this year and should be the stiffest test for the remainder of the Tigers' season. The Pioneers will come to this Springs with an impressive record and a scoring attack which ranks as one of the best in the region.

D. U. has won 11 games and lost seven so far this season. They have beaten many outstanding teams including Notre Dame, which is ranked as one of the best teams in the country. Heading the host of invading Pioneers will be Jack Hauser, who hocketed a total of 209 points in 16 games through Saturday night. Bill Weimer and

"When they penalize in this game, they really penalize."

Mountain Climb for Novices This Sunday

Sunday at 10:45 a. m. the Mountain club will meet at Murray's to make a climb. This will be a trip especially for newcomers. You do not need to be a member of the organization to go along.

Lunches and warm clothes are all that will be needed. No ropes, spikes or ice picks will be necessary.

Leonard Alterman rank second and third in the scoring parade for Elhison Ketchum's hoop artists with the fabulous Kenny Jastrow in fourth spot. Gene Steinke rounds out the top five in the scoring department for the D. U. squad.

Looking at our own starting line-ups, it is very probable that Coach Reid will use the same lineup hat be used at Bradley. Jack Quamme, sixth ranking scorer in the conference, Eathan Miller, eighth on the list, and Ed Scott, in ninth place, along with Wilfred Perkins and Captain Nick Yeonopolus, in this case, will start for the Tigers.

—R. MacK.

WAA Skating Tourney Set for Sat., Feb. 21

The women's intra-mural skating tournament will take place Saturday, February 21, at one o'clock at the Broadmoor Ice Palace. There will be four events: relay, novelty, speed and figure skating. Each girl with three or more practices may participate in three events besides figure skating. The figure skating will consist of four required feats: the outside and inside edge, figure eight and figure three, plus five minutes of individualistic skating. You must get those practices in to participate.

The swimming tournament will be held during the second week in March. Three hours of practice are required. You can either swim with the classes which meet on Tuesday and Thursday at eleven o'clock at the YMCA or swim at your own convenience at the Broadmoor pool.

Ping-pong, both doubles and singles, will begin next week. No practices will be required, and the games will be held in McGregor's basement. —L.V.R.

Freshmen in Prelim Saturday vs. Trinidad

Coach Pat Fitzgerald's freshmen basketball team will be seeking their sixth win of the season tomorrow evening when they meet the highly rated Trinidad Junior College cagers at the City Aud at 7:15. The Tiger frosh already hold a 50 to 46 win over the junior college lads and the Fitzgerald men will be out to make it two straight over the Mine City aggregation.

Although Coach Fitzgerald has not announced any definite line up yet, it is quite probable that Caywood and Pfeiffer will handle the backcourt duties, with Gephord at the pivot post, and Powell and Randolph at the forward herths. For reserve strength the Cub mentor can rely on Dwight Brothers and John Koopsen, guards, Chuck Bouchard and Jack Orsborn, forwards, and Boh Bruggar, center.

The Frosh will play the preliminary game to the CC and Denver University tilt. Last Friday night they lost at the hands of the tall and speedy Colorado State yearlings at Greeley, 52-36.—R.W.L.

Individual Basketball Scoring

Player	Goals	FT	Total
Quamme	58	35	144
Ed Scott	48	38	129
Eathan Miller	46	35	127

Will Perkins	36	22	94

Blagg Continues Win As Matmen Drop Two

By a score of 8 to 24, the Tiger wrestling team lost their match last Saturday to Colorado State, the defending conference champions. The CC points were won by Glenn Blagg, who decisioned, and Bob Storey who pinned his man. Kinkle, Bill Storey, and Savage were decisioned and Kerns, Kurachi, and Morris were pinned.

Colorado College matmen dropped a 17-11 decision to Buff wrestlers of the University of Colorado in a dual set of matches at Boulder Wednesday.

Results of matches:
121—Haldeman (CU) decisioned Cannon.

128—Brinker (CU) pinned Neill.
136—Kinkle (CC) decisioned Bob Scott.

145—Bob Storey (CC) pinned Wamsley.

155—Mott (CU) decisioned Bill Storey.

106—McIntosh (CU) decisioned Miller.

175—Shepard (CU) decisioned Savage.

Heavyweight—Blagg (CC) decisioned Ralph Scott.

The next home match will be with the Colorado School of Mines on Feb. 21 in Cossitt at three p.m. —J.A.

C. C. Tigers Lose TO North Dakota Sioux 8-4

Upset by Nodak Six Busto Bengal Winning Streak at 13 Games

The Tigers were handed their first defeat by an American team this year on the B-moor ice last night, although they had a 1-0 lead on Yalich's goal in the first period.

Although fighting hard to keep in the game the home pucksters just weren't as fast or tricky as the Sioux. After Harry Whitworth was carried off the ice at 0:20 of the final period all the steam seemed to go out of the Tiger attack. The black and gold men were out scored three goals to one in the last period to make the total 8-4.

Not only wasn't the offense up to par but the fact that Roy Ikola had to stop 39 shots, and some were really sensational saves, shows that the defense was weak, too. The loss of those two men from last term was really felt.

If Whitworth is back tonight, it should be one of the best games of a year filled with good ones. Even though short on both forward lines Cheddy Thompson did not call on his reserves, a very odd situation.

In their last definitely scheduled home games (the games with the Swedish Olympic club have been cancelled and nothing has been substituted as yet), the Tigers meet a team which boasts a surprise win over the powerful University of Michigan, a four-goal victory and a one-goal loss against Michigan Tech, and a split series with the University of Minnesota.

Ikola Back from Switzerland

—Courtesy Free Press.

Roy Ikola, CC Goalie, is seen in the nets again after his two week trip to Europe and back. About all the playing he got in was practice. The U. S. Olympic team that he was on was the one that did not compete. Although Mr. Brundage claims the outcome of the dispute with the AHA was a victory for "amateurism," Ike seems to think a little differently. One thing is certain, it didn't improve the name of the U. S. or of sports.

Carstens Receives Joe Biggs Award For Grid and Grade Performances

Guy H. Carstens, 23-year-old senior from Madison, Neb., was named last week as the winner of the newly-established \$250 Joe Biggs award. The presentation was made in Shove Memorial chapel by William H. Gill, acting president of the college. Carstens was chosen as the member of the football squad who best exemplifies the things which marked the life of Joe Biggs on the CC campus.

Fijis Defeat Faculty In Intramural Opener

Paced by the sharp-shooting of George Lyons, the Phi Gamma Delta hoopers edged the high geared Faculty quintet to the tune of 65 to 62 last Wednesday evening in Cossitt Hall.

The contest was nip and tuck all the way with neither club establishing any comfortable lead thru-out the rough and tumble affair.

Lack of reserves spelled defeat for the aged Faculty five as each "prof" gave all he had right up to the closing seconds of the hard fought game.

Pat Fitzgerald, rangy Faculty center garnered top scoring honors of the game with 26 points. George Lyons paced the Fijia scoring with 24 points while Wellmerling dropped in 15.

The Sigma Chi and Beta game was postponed to Saturday afternoon. Next Tuesday evening at 7:30 the Phi Deltas will meet the Independent Men and at 8:30 the Freshmen will tangle with the Kappa Sigs. All games will be played at Cossitt Hall. — R.W.L.

Lancers Defeat Cubs 5-2 in Jr. League Tilt

"B" Squad to Play Wyoming U. Sextet

In a match between the two CC B hockey teams the Bengal Lancers stopped the Tiger Cubs, 5-2, last Monday night. This was the first second round game and with this victory the Lancers have shown they intend to win this round and go on to the Junior Hockey League championship. The Lancers tied with the Fountain Valley Vikings for the first round honors each winning three while losing only one.

Dick Rowell has taken over the coaching duties of the Cubs since the departure of Sonny MacDonald. Bruce Stewart is guiding the pace-making Lancers. A trip to Laramie, Wyoming, is slated this Saturday for a combination sextet composed of the Tiger Cubs and the Bengal Lancers in order to play a newly formed University of Wyoming team on Sunday. The game is scheduled for the natural outdoor rink so much depends on the weather man. — J.P.

Greeley Bears Take RMC Lead, Dump CC Tigers 69-60 Friday

The Tigers found the height of their opposition too much as they were beaten by the Colorado State Bears, 69-60 in a Little Five conference basketball game last Friday night. The Greeley Staters' six foot seven inch Lelford racked up 20 points via field goals and added five more by way of the foul strip to lead all players with a total of 25 points.

The Tiger basketeers were led by Jack Quamme with 20 points and by Eathan Miller with ten. Both Wilford Perkins and Ed Scott were called out by personal fouls in the rough and tumble which ended with the CC players being charged with 29 and the Bears with 22. — A.P.

Represent CC at Rocky M'n. Speech Meet

—Photo by Danforth.
Irving Andrews, Bill Shafer, Bob York, Walter Layton and Coach David Hart, CC's first string debate team that tied for first place in the Colorado-Wyoming Forensic meet held here last month, are at Denver this week-end for the Rocky Mountain Speech Conference. Mr. Tyree, director of speech, has also gone along with the cast of "The Taming of the Shrew." The play will be presented for the conference.

Grisham Is Re-elected To IMA Presidency

Last Monday evening the IMA elected their officers for the coming semester. This was the first election held under the new constitution for this group.

Re-elected to the presidency was Duane Grisham, who had served during the fall semester during the fall semester and is at present acting as president of the ASCC Council. Other members who are again filling the positions they held last term are Ted Green, treasurer and corresponding secretary, and Bill Murray, social chairman. Grisham and Murray were also retained in their posts as student council representatives.

The following slate of new officers was also chosen: Bob Liebman, vice president; Frank Kirby, secretary; Roger Allen, membership chair-

Test Plan Will Include 12 Classes, To Be Extended As Success Permits

College authorities announced this week that a "sample honor system" will go into effect soon for a dozen classes already picked for the experiment. "We want to determine which is more desirable and workable—an honor system or vigorously proctored examinations," said Acting President William H. Gill. The test plan will go into effect after a joint discussion of methods next Thursday by the 200 undergraduates involved, their professors and President Gill.

A faculty committee composed of General Gill and six professors—all favoring the honor system from acquaintance with it on other campuses—were given a three-quarters majority for the test plan by 12 "guinea pig" classes.

For several years student groups have asked the adoption of an honor system at CC. Polled on the plan in 1940 the college came within eight votes of instituting it.

Can the student body be converted to the honor system practically overnight? This question has proved a stumbling block in previous campaigns to install such a scheme of classroom ethics. President Gill and his committee hope to flank the problem of achieving the quick conversion of the student body by this sampling test, in picked classrooms, among the 200 undergraduates chiefly in 300 and 400 courses.

If the system works in these classes, the authorities said, it will be extended gradually from semester to semester until the whole school will come under the honor pledge.

Marked enthusiasm for the test, and hopes for its success, were expressed to a TIGER reporter by a number of those students taking part in the forthcoming experiment.

WSSF Drive to Start Campus-Wide Effort

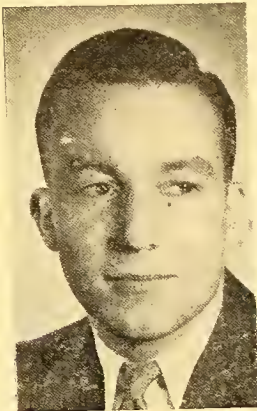

The student council announced in its meeting Monday, that the World Student Service Fund drive will start on the CC campus soon. As was announced in the TIGER at the end of last semester, this is a worthy drive to help raise money for relief and materials for students in war devastated areas abroad.

Plans for the drive are still in embryonic stage for the student council needs more help from those students who want to help sponsor the drive. Anyone with ideas or interested in helping out with the W.S.S.F. drive is asked to attend Student Council meeting in Lennox house, Monday at 4 p. m.

Minuth Leaving CC To Coach In Hawaii

The Colorado College administration has announced that Fred G. (Fritz) Minuth, C. C. Registrar and freshman football coach, will resign his position to become assistant coach and instructor at the Punahou school in Honolulu, Hawaii, effective August 31. Leaving with Fritz will be Harry Waters, a graduate student at the college and backfield star of the 1947 varsity squad, who will take over duties similar to Fritz's.

Dr. John F. Fox, President of the Punahou School, stopped here Wednesday to confirm the hiring of Minuth and Waters, and interviewed several other students. Here in the States on a trip to hire faculty for the coming year, Dr. Fox is proceeding from here to Harvard, Yale and Princeton.

Fritz Minuth

Plans to Establish SDA Now Underway

Boosted by a chapel talk on freedom of expression to combat bigotry, the movement to establish a chapter of Students for Democratic Action here gained headway this week.

Purposes of SDA will be explained further today at 4 p. m. in the AWS room, Lennox house, said Sam Gadd, temporary chairman for organization.

SDA has been described as a political organization upholding democratic traditions in opposition to Communism and Fascism while attempting to remedy the evils of discrimination, neglect of health and education, and the misused power of economic privilege within the United States.

Minuth, a C. C. graduate in 1944, will give half-time to the registrar's office next semester and will complete graduate work leading to his Master's degree in physics. A native of Morgan Park, Illinois, he played four years of varsity football for C. C. and was named all-conference quarterback in 1942. Last year, he coached the freshman squad, finishing with a 21-14 victory of the C. U. Yearlings.

At Punahou, Minuth and Waters will work under head coach Keith Molesworth who played with the Chicago Bears, was backfield coach for the Navy for several years and recently has been head coach of the Hawaiian Warriors.

President Gill has announced that Minuth's successor has not yet been appointed.

Vengeful Males Will Reign Supreme At Annual Turnabout Tomorrow

Tomorrow night will reveal CC's "sheik" of the campus, when a King is crowned at the Goldigger's Ball, in the Terrace Ballroom of the Broadmoor hotel. The dance begins at 9:00. Q.A. Board has announced that the girls will be given 2:00 permissions. It is hoped that by now, you gals are well fortified with cash-on-the-line to smother your date with filet mignons, cigarettes, beverages, long taxi rides, and anything else his vengeful little heart may desire. There don't seem to be enough cars to go around so you may, in all fairness, squire your man in anything that comes under the head of transportation, as long as it accommodates you, he and his corsage.

The not rivalry for reign over the dance has been greatly evidenced by the glamorous photographs of the six pretenders, scattered around the campus. The man who comes out on top will really have something to tell (or conceal from) his grandchildren. The candidates, still holding up well under the strain, are Hank Loomis, "Dutch" Van Schooneveld, Bill Daggett, Hal French, "Red" Seasons, and Doug Gregory.

If you haven't bought your tickets, the time is short. The

price is \$1.20 a couple and 75 cents for stags. (Stag—a word defined as the maximum amount of enjoyment with the minimum of expense.)

The committee for the dance is headed by Nancy Bryson. Marge Gilliland is chairman of decorations; Mary Grell, balloting; Judy Dunbar, posters; Caroline Milbank, flowers; Gee Gee Conway and Dee Raymond, tickets; and Kay Swanson, publicity. Ray Krantz and his orchestra will officiate in the musical department.

Just a final word of advice—be sure to get your date in at an hour befitting his gentlemanly sense of propriety!

A suitable prize will be given the girl with the most ingeniously corsaged date. The selection will be based on design, and conformity of the flowery wonder with the wearer's personality.

Veteran's Subsistence Raise in Effect April 1 . . \$75, \$105, \$120 Maximum

The Veterans Administration this week told veterans in school how their increased government subsistence will be paid. A bill authorizing the increased payments was signed last Saturday by President Truman. Only veterans in schools, colleges and universities pursuing full-time courses of education will be entitled to the increases, VA emphasized. Part-time students, on-the-job trainees, and institutional-on-the-farm trainees will not be entitled to the increases under the bill which amends the Servicemen's Readjustment Act (GI Bill) and the Vocational Rehabilitation Act (Public Law 16) for the disabled.

The new payments will be at the monthly rate of \$75 for a veteran without dependents, \$105 for a veteran with one dependent, and \$120 for a veteran with more than one dependent, where previously a veteran with no dependents received \$65 monthly and those with one or more dependents received \$90.

World Affairs Council Will Meet Sunday

There will be a special meeting of the Council on World Affairs this Sunday evening at 7:30 in Lennox house. Plans will be made for the next public forum and refreshments will be served.

Communism will be the topic under fire at the forthcoming forum. The last public discussion given by the C. W. A. was presented before a capacity crowd in the Fine Arts Center music room on the subject of the Marshall Plan.

The purpose of the Council on World Affairs is to help acquaint students with the social, political, and economic problems of the world.

Party Line Call Reveals Red Books

By An American Youth

Furtive glances were cast darkly on Colorado College ideologies this week by two self-designated guardians of Americanism, Stewardship-of-God variety. Armed only with their prejudices, Robert Donner and Stephan Nenoff braved Party Cell 13, (known to catalogue readers as Coburn Library) to examine its trove of subversive literature.

TIGER files of recent years were noted, and their contents transcribed wherever an obscure off-color joke, a blurred picture or the dialectical writings of unenlightened cub reporters gave indication of Communist sympathy.

Donner is known locally for his extremely prolific letter-writing, and Nenoff is editor of the divine rightist American Commentator and author of the book Two Worlds, which is given away free with subscriptions to his newspaper.

The two men, in their afternoon among the archives, came across a political science book on Soviet Russia. It had a Red cover and the hammer and sickle embellished it.

Donner and his editorial colleague then asked at the desk for "anything written by Dr. Worner."

The girl at the desk, probably well schooled in Party tactics, countered with a disconcerting, diabolical "Huh?" The two men went away disgruntled, their consciences still queasy about the young faculty member.

The appearance of Donner and Nenoff came on Tuesday, an hour or so after Professor Frank Krutze had addressed the students in chapel on the subjects of bigotry and freedom of expression.

Student-Faculty Coffee Hour Today

This afternoon from 4:00 to 5:30, the School of Natural Sciences will be the special guests at the Student-Faculty Coffee Hour at the Faculty Club, 116 E. San Rafael. As is customary, though the School of Natural Sciences are the special guests, all members of the student body, and of the faculty are cordially invited to attend and drink as much coffee and eat as many cookies as their individual capacities will allow.

Subscription price: \$1.50 per semester by mail.
Issued each week during the academic year.

For AMERICAN Youth ?

To the Editor of the Tiger:

I am writing this article in answer to a letter which appeared on the editorial page of the Gazette Telegraph Sunday, February 8, 1948. This letter concerned the formation of an organization on the Colorado College campus called Students for Democratic Action (SDA) which the letter quite correctly stated stems from an organization called Americans for Democratic Action (ADA). It seems, however, that the writer has a few erroneous conceptions about these organizations which I would like to rectify. The letter states that the ADA is spearheaded by leftists and if investigated would be found subversive to the best interests of the country and college campuses.

I had the honor to attend the organizational meeting of the ADA at the Shoram Hotel, Washington, D. C., back in January 1946. The speakers at this meeting were such people as Mrs. Franklin D. Roosevelt and its co-chairmen, Wilson Wyatt and Leon Henderson. You have but to follow the programs of the ADA and the PCA to see the very obvious differences in the two organizations. First of all the ADA backed the Truman Doctrine, which can hardly be called a Communist-inspired program, on the other hand the PCA came out against that piece of policy. The ADA does not favor a third party and finally the ADA has given its full support to the Marshall Plan (I am not conscious of the "Daily Worker" doing the same) as their answer to the threat of Communism not only in Europe but all over the world. These are just a few highlights in the history of the ADA but it would seem to prove conclusively that this organization is not as the unsigned letter in the Gazette Telegraph would imply, a Communist front group.

Attacks such as appeared in the Gazette Telegraph, biased and completely unfounded should make not only students but every citizen stop and think seriously about what he is reading, for only by such constructive thinking on the part of every individual will we be able to rid ourselves of our own hates, fears and prejudices and then we may perhaps eliminate Communism along with the many other evils which infest our society.

Everett B. Jackson.

Weekly Calendar

FRIDAY, FEBRUARY 20

4:30-5:00 p. m.—Student-Faculty Tea, Faculty Club, 116 E. San Rafael.

SATURDAY, FEBRUARY 21

5:00 p. m.—CC Story Hour, KVOR.

8:00 p. m.—Wrestling, CC vs. Colorado Mines, Cossitt Hall.

9:10 p. m.—A.W.S. Goldgirders Dance, Broadmoor Hotel Ballroom.

SUNDAY, FEBRUARY 22

4:30 p. m.—Vesper Services, National Brotherhood Week program with Father Mulcahy, Rev. Gerald Berneking and Rabbi Joseph Goldman, speakers. Music by High School A Capella choir, Shove Memorial Chapel.

MONDAY, February 23

8:00 p. m.—Lecture, Architecture in Central America, Fine Arts Center.

8:15 p. m.—Hockey, CC vs. Michigan Tech., Houghton, Mich.

TUESDAY, FEBRUARY 24

10:00 a. m.—Chapel Service, Second of Faculty Series, Dean Clyde A. Holbrook, speaker, Shove Memorial Chapel.

3:30, 7:10 and 9:00 p. m.—Movie, "Dodsworth" with Walter Huston and Ruth Chatterton, Fine Arts Center Theater (30c including tax).

4:15 p. m.—CC Forum, KVOR.

7:15 p. m.—Christian Science Organization Meeting, Lecture Room, Shove Chapel.

8:15 p. m.—Hockey, CC vs. Michigan Tech., Houghton, Mich.

WEDNESDAY, FEB. 25

12:00 (noon)—Faculty reports of "Condition Examination," Registrar's Office.

12:45 p. m.—CC Program "Farms and Ranches," KRDO.

7:30 p. m.—CC Music program, KVOR.

8:00 p. m.—Wrestling, CC vs. Denver University, Cossitt Gymnasium.

THURSDAY, FEBRUARY 26

7:30 p. m.—Spanish Club, Hayes House.

FRIDAY, FEBRUARY 27

3:15 p. m.—CC Forum, KVOR.

8:00 p. m.—Basketball, CC vs. Colorado State, City Auditorium.

8:15 p. m.—Hockey, CC vs. University of Michigan, Ann Arbor, Mich.

9:00 p. m.—Kappa Sigma Formal Dance, Broadmoor Hotel Ballroom.

9:00 p. m.—Phi Delta Theta Informal "Pledge" Dance, Phi Delta House.

9:00 p. m.—Beta Theta Pi "Pledge" Dance, Beta House.

NSA Means . . . ?

By Ruth Nunn

Up in Boulder, this week end, I discovered two meanings for these three letters—National Student Association and Notorious Student Apathy. They seem to be closely related, and the question of the week is—Why?

On the one hand, you have an organization which has been established to meet the needs of the students and faculties of this country, and it will vitally affect all of you. It should interest all of you, too. Instead, up to this point, the A.S.C.C. has been stricken with a malady known as student apathy. You're the doctors in this case, so it's up to you to cure the thing and find out about the affairs that go on about you, namely the N.S.A.

There will be various short installments about the NSA printed in the Tiger during the next few weeks, so that the student body will be acquainted with its functions and ideals before the student council goes to the constitutional convention. Watch for them; they'll be waiting for you, but the success of the NSA can't wait!!!

Dear Editor:

What has happened to the Chapel services? Are they to be turned into a classroom in addition to the excellent facilities they already provide for knitting, reading, and sleeping? I should think that the faculty at least, would be interested in improving the conditions that prevail in Chapel, but such does not seem to be the case. A portion of the English department seems to feel that the current faculty series is an excellent source for papers to be written by some of their Freshman classes. Is the English department unable to find other sources for topics for such writing?

Combine the rapidity of the average Chapel speaker; the average talk being delivered at a faster speed than a classroom lecture; with a poor amplifying system, and the poor freshmen get next to nothing out of the talks. Is this fulfilling the purpose for which the Chapel was constructed? I say it is not.

Religion seems to me to be a little more than taking notes on interesting or uninteresting speeches for use in a paper to be written later in the week. There is little enough respect shown for the Chapel as a religious edifice, why make it worse by converting it into a classroom?

It seems to me that attendance at Chapel is also a bit of a problem. Is it going to help make the Freshmen come to Chapel willingly by having them write themes based on Chapel talks? Certainly not, and I feel that the English department made a bad mistake when they decided to change Chapel into a fourth class hour.

William A. Urban, Class of 1948.

Curtis Is Dean of Men At New York College

News was received this week that E. Lewis B. Curtis, who was head of the Politic Science department here last year, has been appointed Dean of Men of the New York State Teachers College.

According to the article, found in the Tiger's exchange edition of the "State Times," Mr. Curtis was appointed following a discussion which took place at the first Men's Council meeting of this year.

"At this meeting the men expressed their desire for a male dean with whom they could discuss their more intimate problems."

Mr. Curtis will also con-

tinue his duties as head of the history department in addition to his new responsibility, the article stated.

It was through an "exchange professor" arrangement that Mr. Lewis headed the "Poli Sci" department here last year, being in a manner of speaking "a loan" from New York State Teachers College.

Krutzke Points to Undermining Forces

Each generation must examine its own foundations of democracy and in our scale of human values, freedom of thought and expression is at the top of the ladder, according to Frank Krutzke, professor of English at Colorado College.

Beginning the CC faculty series on "The Fundamentals of Democracy," Krutzke told students at their weekly service in Shove Memorial Chapel that there are now forces that would limit the freedom of expression in this country.

"The shrinking number of news outlets in the United States today is alarming," he said. "Statistics show that the number of daily newspapers is decreasing, and even more significant, the number of competing dailies is rapidly decreasing."

He pointed out that there were three major news agencies for the newspapers in the country and that some five or six major companies controlled all the movies.

Krutzke said that the House of Representatives committee on un-American activities may have done some good, but that its methods were awkward and confusing. He criticized the name-calling and labelling devices as the twisting of purely relative terms and said that it was alarming that such campaigns of name-calling were going on today.

Governor Awards CC's Roy Harris Citizenship Citation on 50th Birthday

Last Thursday, on the occasion of Dr. Roy Harris' fiftieth birthday, the governor of Colorado, the Honorable Lee Knous, summoned CC's composer-in-residence to his offices in the State Capital and presented him with the following citation for distinguished citizenship: "In recognition of distinguished service in the art of music, I, Lee Knous, governor of the state of Colorado, do hereby

bestow upon Roy Harris this citation for distinguished citizenship for:

As a citizen of Colorado you have brought honor to our state and international recognition to our nation.

As a composer, you have given our schools, churches, and concert halls, American music which characterizes our people and our time.

As a teacher, you have spoken to the teachers and students throughout America of the worth and dignity of American culture, and you have, by your example, given encouragement to them to create and play the vital new music of this free and democratic land."

When Roy Harris came to CC five years ago he was a composer of distinguished record whose many works had been performed throughout the world. But his creative production and performances during his five years at CC have been even more outstanding. Among his musical activities during that time are: 54 compositions, which include 15 orchestral works, 8 works for symphonic bands, 21 choral works, 10 piano works, all performed at pub-

lic concerts or broadcasts. In the last five years Harris' works have been performed by 37 leading orchestras of Europe and the Western Hemisphere. He has conducted symphonies, orchestras, bands and choruses from coast to coast, and has had 39 regional and 10 nationwide broadcasts over ABC and NBC. His works have been broadcast over the leading stations of Europe, Russia and South America. Many congratulations were extended to a teacher of fine standing not only in this school, but throughout the nation.

Veteran Enrollment In Foreign Study Field

The number of World War II veterans studying abroad under the GI Bill has increased almost 350 per cent during the past year, according to the Veterans Administration.

Veterans are eligible for overseas study under the GI Bill on the same basis as in the United States.

Those who wish to study abroad must arrange for their own passports, visas and transportation, VA said.

CANDIDATES FOR AWS PRESIDENCY

PATSY DINAN

SUSIE SABIN

Elections to choose the four guiding officers of the Associated Women Students will be held next Tuesday, February 24. There will be two polling places for the convenience of west campus girls and east campus and town girls. The ballot box in Lennox on first floor will be open from 9:00 until 4:00; in Bemis the ballot box will be open from 11:00 until 2:00. Every undergraduate girl in Colorado College is eligible to vote. Because the A.W.S. board is the most truly representative group of girls it is important for everyone who can to vote.

Candidates for the office of president are Susie Sabin and Patsy Dinan; for vice-president Gale George and Pat Starrels; for secretary Shirley Patt and Charlotte Sutton; for treasurer Connie Koehler and Margaret Packard.

Susie Sabin is a junior from Denver and is the vice-president of A.W.S. this year. In addition she is a hall-councilor, a member of Tiger Club, C.C. Players, and Riding Club. She is co-chairman of the W.S.S.F. drive. Her sorority is Gamma Phi Beta.

Patsy Dinan is also a junior and claims Amarillo, Texas as her home. This year she served on the A.W.S. board in the capacity of song chairman. She is president of her hall and on Q. A. board. She is the scholarship chairman of Delta Gamma sorority.

Gale George is a sophomore and is at present the secretary of A. W. S. Other organizations she is a member of are Tiger Club and Student

Kappa Sigs Pick Four Finalists For Queen

The four finalists in the Kappa Sig "Stardust Girl" quest have been announced by the fraternity, and are Nancy Monroe, Pat Harley, Nancy Wilson and Penny Ayer. One of these will reign as queen the night of the "Stardust" dance February 28th at the Broadmoor.

The finalists were selected by the chapter here, and the pictures submitted to Hoagy Carmichael, Kappa Sig alum and famous songwriter, for the final selection. Twelve girls were originally entered, and "it was a difficult task," according to Stan Rice, Kappa Sig president, for the judges to choose four.

The dance, as planned by the Kappa Sigs, is expected to be an elaborate affair.

dramatics, athletics, girls' club, and was in the National Honor Society.

Margaret Packard is a freshman. She is the vice-president and social chairman of the Gamma Phi Beta pledge class. During high school she took part in athletics, dramatics, glee club, and oratorical contests.

Pictures of all the candidates are up in Palmer Hall so that you may become familiar with anyone that you may not know. Remember, it's the duty and privilege of every girl to help choose the officers who will have charge of many of her activities next year. Once again, the date—Tuesday, the place Lennox from 9:00 to 4:00 and Bemis from 11:00 to 2:00.

Over 400 Enliven Antlers Ballroom at Inter-Greek Affair

Over 400 couples thronged to the lower depths of the Antlers Hotel last Saturday for the second annual inter-fraternity dance in honor of new pledges. A variety of music was furnished by Howard Ferrand's band from Denver. Red and white programs, in keeping with the Valentine theme, were presented to each couple. The dance was tagged as one of CC's most successful before it was half begun, due to the massive attendance.

Riding Show Set For Early in May

Interest in the reorganization of the Riding Club here at CC has been fluctuating almost as drastically as the weather the past two months; that is to say, it had been until Tuesday, Feb. 10, when a new stimulus was added by drawing up plans for a riding show on May 3rd.

At the meeting, called by the only remaining officer, Clarice Hads, treasurer, it was decided that all organizations would be asked to participate; a limit of three horses set; the number of entries would be left to the discretion of the organization; and a ten dollar organization entry fee was decided upon.

The Independents, three fraternities, and two sororities were represented.

A. W. S. Talent Show Ferrets Out Best In Campus Comedy

The A. W. S. brought out all the unsung wits around CC, and rounded them into a talent show yesterday, February 19th, during the assembly period.

Starting off the program, the famous Crowder-Mowgli combination gave a "chicken" opera, complete with plumage that would do any poultry proud. "Chicken Little" Susie Sabin hatched out of the straw at the climax of the thriller. Next, Doug Gregory presented a one-man play with four characters, with the aid of many gymnastics, and versatile vocal cords. Wes Bradley and John Reeds then put on a song-and-dance routine with great finesse. They both seem to have that dynamic stage personality that can put over "why did the chicken cross the road?" and make the audience laugh. On the more "serious" side, Coco Woodson and D. A. Stroup enacted a tragic love story, with Johnny Lesman accompanying their woes on the piano.

Snoop with Stroup

By D. A. of the same name

And so there is a predominance of pictures of all types of handsome young men (some of them full length too!) floating about campus, and also a predominance of other young men looking either very eager or very desperate. Must be the hunting season again.

Anyway, the snow's almost gone, but we may get some more. Not that it didn't have its advantages what with everyone wearing ruddy faces, and Bob Udick chasing his comrade snow-baller away from the Phi Delt house with a broom. Always lots of local color.

And some more of the couples have coupled up some more. Heloise Jones is engaged to Jack Ish as of last weekend; Charlotte Duncan found a nice little diamond in the middle of a box of candy she received from The Man back home; and Ed Scott gave Denny Schoneberger his Sigma Chi pin last Saturday evening in the Blue Spruce after the basketball game. It's amazing what a Valentine's Day brings out in people.

Problem of the week: The almost universal reference to Gail George, not as Gail George, but as Ella Raines. We don't know why. Does anyone know why?

Fashion note: Barbara Clark and Claire Chamberlain are now in possession of the most beautiful Magic Ski

New Pledges Announced

King rings that even glow in the dark. For information about how you too can glow in the dark, or possess facilities for doing so, report immediately to McGregor hall.

Most depressing situation of the week: Norma McInnis's new hair washing method. She does it with hair tonic. Only she doesn't advise it for anyone else because it doesn't lather very well. She also suggests that you be very careful to find out just exactly what you are buying before you take any drastic steps.

Parties of the week: The Inter-fraternity Ball seems to have turned out quite successfully, and it is rumored that it might have been even more successful had the two lights on the ceiling of the ballroom not been quite so bright.

It seems that Beverly Burford and Martha Vernon also had a very nice little social gathering in the form of a house-warming. In fact, so many people went that neither one of the hostesses knew some of them.

And Pete Buchan was said to have added to his dramatic career at a little party held up in Denver at Susie Sabin's house for the "Taming of the Shrew" cast. They say his delivery was quite eloquent.

And that just about covers this situation for the week.

One Hundred Thirty-One Men Make Final Choices

One hundred thirty-one new pledge pins have been given out by the fraternities at the close of this semester's rush week. The Betas took in 18 pledges, the Kappa Sigs, 33; the Phi Delt, 17; the Phi Gams, 21, and the Sigma Chis, 42. The names are as follows:

Beta Theta Pi

Fred Killen, Northboro, Pa.; Warren Moore, Wheaton, Ill.; Jack Cooney, Colorado Springs; Henry Jones, Wallace, Idaho; James Harter, Colorado Springs; Stephen Anderson, Cairo, Egypt; Walter G. Sweet, Denver; Norman Holt, Denver; Ward Gosnell, Evansville, Minn.; John O'Leary, Mountaiville, N.Y.

Kappa Sigma

Marvin Powell, Colorado Springs; Russell Sauer, New York City; Jack Barrow, Danbury, N.Y.; Don Smith, Colorado Springs; James Cassidy, Gilestown, N.J.; James Peterson, Calver, Ill.; Paul Klop, Colorado Springs; Richard Matthews, Denver; Albert Butcher, Colorado Springs; Kent Mills, Chicago, Ill.; Tenny Carter, Lexington, Mass.

Michael Old, Dedham, Mass.; Barlow White, Lakewood, Ohio; Robin Krans, Buffalo, N.Y.; Don Smith, Colorado Springs; James Parker, Dallas, Texas; Charles Wynn, Colorado Springs; Freeman Hoyer, Plymouth, Minn.; Donald Duke, San Marino, Cal.; Bob Stauffer, Santa Ana, Cal.; T. E. Smith, Colorado Springs; Roger Elliott, Evanston, Ill.; James Glasgow, Loveland, Colo.; George Casbeer, Pueblo; James Cramer, Wilton, Conn.; Don E. Morris, Bristol, Ohio; Charles Cribari, Denver; Bill Hurley, Rutherford, N.J.; Noel Hoyer, Plymouth, Mich.; James Ward, Richburg, Conn.; James Terwilliger, Englewood, N.J.; Balduccio Steele, Evanston, Ill.; Bart Clinton, Highland Park, Ill.

Phi Delta Theta

Merlin Bonchard, Old Town, Me.; Robert Leavitt, Old Town, Me.; Jim Caywood, Tulsa, Okla.; Don Smith, Colorado Springs; Rolf Nittman, Westchester, N.Y.; Allan Hickeyson, Englewood, Colo.; Ralph Barker, Colorado Springs; Kenneth R. Cooper, Colorado Springs; Robert Kern, Chicago, Ill.; Tom Dickson, Los Angeles, Cal.; Robert Foster, Mount Claire, N.J.; Lawrence Burnham, Colorado Springs; John Pfeiffer, Durango, Colo.; Phil Teague, Delwood, Ill.; Horton Johnson, Richburg, Conn.; Stan Brenton, Rocky Ford, Colo.; William Carlo, Camden, N.J.

Sextet To Leave On Michigan Trip Tomorrow

"B" Ice Team in 4-0 Win Over Cowboys

A combined Cub-Lancer all star squad returned home from Laramie, Wyoming with a victory over a green University of Wyoming team. The combination of the two Colorado College B squads clicked successfully to defeat the Cowboys by a shut-out score of four to nothing. The game was played on an open air rink which was very soft.

The weatherman came through and it was a pleasant Sunday for hockey; in fact, so pleasant the game attracted over one thousand spectators. The C.C. boys had as their coach Bruce Stewart, who plays fine hockey for the varsity Tigers. Bruce worked into the game all of the pucksters, that made the trip.

Don Hale, of the Tiger-Cubs, put the team into the lead in the first period when he netted one goal. McCleary, assisted by Hale, slipped one tally in during the second frame while Pete Alexander skated into the scoring honors by racking up two second period markers. The third stanza was a scoreless one with plenty of action.

Wyoming University sent Colorado University down in defeat recently by a six-nothing margin. It is planned that the Cub-Lancers will play this season. Starting in the game for C.C. were: Platt, goalie, Freyschlag, defense; Mike Ohl, defense; Law, wing; Pete Alexander, wing; and Joe Carton at the center spot. Spares for the Black and Gold were: Dick Mitchell, J. J. Gafford, K. McCleary, Henry Otto, Don Hale, Jack McBride and Bill Mitchell.

The Lancers take on the Colorado Springs High school Rangers this Saturday at the B'Moor.—J.P.

Frosh Hoopsters Bow To Trinidad JC, 40-34

The Freshmen cagers of Pat Fitzgerald received their fifth setback of the season last Saturday evening as they succumbed to the Trinidad Junior College basketballers by a 40 to 34 decision.

The Tigers held a slim 15 to 13 lead at half time. The visitors came back in the second half to stage a brilliant rally which enabled them to coast on to a well earned victory.

Torres and Benich garnered 12 points apiece for the winners, while Marvin Powell led the Tigers with 10 points.

The CC Cubs return to action tonight when they face the Hutchinson Battery five at Cossitt Hall at 7:30. The Hutchinson quintet is one of the top clubs in the senior loop of the City League. The Frosh aggregation will be seeking their sixth win in eleven starts.—R.W.L.

Wrestling Mystery Is Cleared Up By Tiger

To many the scoring in wrestling is a deep and dark mystery. Actually it is quite simple once understood. In order to help those of you who do not yet comprehend the system used the TIGER is taking the liberty of printing the following scoring system as it appeared in the CSCE MIRROR:

Team Scoring
A fall receives 5 points team score; decision constitutes 3 points team score and a draw receives 2 points for the team score.

If a fall occurs during the first or third period, the bout is over, but if a fall occurs during the second period, the full third period must be wrestled.

Individual Scoring
Each bout consists of three three-minute periods. If there is no fall, the winner is determined by a point system, as follows:

Take Down: Taking an opponent to the mat with advantage—2 points.

Escape: Escaping from an opponent's advantage and gaining the advantage behind—2 points.

Near Fall: Holding an opponent's shoulders to the mat for less than two seconds, or holding an opponent's shoulder near the mat for two seconds or more—2 points.

Time Advantage: Earning two minutes or more time advantage—2 points. Earning one minute time advantage—1 point. Time advantage must be earned. It starts with the take-down, or after an escape has given the man top position.

The referee may penalize either wrestler for stalling while wrestling either on the feet or down on the mat, and may award one or two points as the violation warrants.

Phi Deltas, Kappa Sigs In IM Basketball Wins

There were two exciting games played in the intramural basketball league last Tuesday evening.

In the opening contest the Phi Deltas trounced the Independents 42 to 28 in a fast and furious game. Bill Pfeiffer paced the Delta scoring attack with 21 points. Bob Burns was high scorer for the IMA with 10 points.

In the second tilt of the evening the Kappa Sigs and the

Spinning the SPORTS WHEEL

By BILL MURRAY

Despite the snow, freezing weather, ice and other signs of winter the TIGER knows that spring is just around the corner. Dr. Worner has a call out for all men interested in varsity golf to drop in and see him at his office in Palmer Hall. Then there is word being spread that Coach Goodnight would like to see all prospective catchers and pitchers for this year's baseball team as soon as possible at Cossitt.

At a football banquet held a week ago Bob Pringle, passing quarterback, was elected to the captaincy of the 1948 team. The Waquer Trophy for the most improved player on the squad went to Hal Beile, who played center and end this year.

The Associated Students of the University of Colorado through their president, Lou Rivora, have sent a letter to the other schools in the Big Seven conference protesting a ban on the use of colored players in certain sports.

Dartmouth College's sextet, which could possibly meet the TIGERS in the first set of the National play-off series beat the University of California in a game at Dartmouth last week 13-4. One reason for this rout was that Ian Watson, who amassed 96 saves against CC in two games, was out of the line-up due to an injury in the Yale game. The second string Big Green goalie Joe Magoon took his place in the nets for the Bears.

All men interested in track and football better get out your spikes and helmets. Coach Cheddy Thompson has announced that the cinder men will probably get going in the early part of March. Head football coach and Director of Athletics, Ben Douglas, plans to have spring practice for about a month after the Easter vacation.

You really get a chance to see some of the faculty with their hair mussed at the intra-mural basketball games. Ben Douglas, Fritz Minuth, Pat Fitzgerald, John Sullivan, Bob Jackson, Bill Goodnight, Roscoe Baker, and Howard Ericsson, all play for the faculty team.

Mike Kofsky will be giving an award for the most outstanding player at the National Intercollegiate Hockey tournament it was announced on Mike Kofsky's program over the station last night. Tentative plans call for the participating teams to vote for who they themselves think is the best.

Tickets are now available for the Bobby Riggs-Jack Kramer tennis match to take place in the Denver city and February 25 at 8:00 p. m. General admission is only \$1.00 plus tax. Mail orders to Denver Tennis and Ski Shop, 1509 Tremont, Denver.

Freshmen played to a three minute overtime period, with the Kappa Sigs emerging victorious by a 41 to 32 verdict.

Bryce Tracy took individual scoring honors of the game with 12 points. Bernie Hart and John Koopsen tallied 10 and 9 points respectively for the Freshmen.

Face Two Of The Strongest Teams In The Mid-West

Whitworth Goes with Squad, Probably Play

Colorado College's twice defeated hockey squad will leave tomorrow on their first and only trip of the current season, trekking first to Houghton, Michigan, for a pair of return games with Michigan Tech, February 23 and 24, and then playing two games with the University of Michigan February 27 and 28 at Ann Arbor.

The Tigers now boast a record of 16 wins out of 18 games, a 13-game winning streak having been stopped here last week by a surprising University of North Dakota sextet. Ironically enough, the two series which Coach Cheddy Thompson's pucksters have split this year have been under identical circumstances. The "green and white" from the University of Saskatchewan dumped the Tigers early in the season, 8-4, and lost the second game, 6-3. The "green and white" from North Dakota won the first game from CC, 8-4, and lost the second, 6-3.

A party of 17 will make the 11-day trip. Goalies Roy Kola, Clark Wilder; defensemen: Bill Tutten, Lew Meier, Ron Newsum and Mike Yalich are in top shape. The Tigers front line of Capt. Dick Rowell at center, Chris Ray at right wing, and Bruce Stewart is intact. Harry Whitworth, center on the other line, is still recuperating from a North Dakota injury, but should make the trip with Howie Hushion, right wing, Joe Slattery, left wing and Vern Wishart, reserve forward. Coach Thompson, trainer Roosevelt Collins, manager Norm Nesterode and publicity man K. G. Freyschlag complete the group.

The games will be broadcast at about 6:00 or 6:30 on the nights of the games.

MASS MAT INVASION THIS WEEK

LOW MAN ON A SKI POLE

By PEGGY MERLE-SMITH

Spring fever, sunburns and "corn" snow all go together to make the coming months the best of the skiing season, so don't be fooled by the mud splattered Springs.

If you really want to have fun, take advantage of the chance offered to you to get ten weeks of instruction at the Cove for only two dollars. Three instructors, supervising three grades of skiers are going to help you graduate from the "Ooops-Track!-Sitzmark" stage to high speed tempo turns and—well, how about trying for the next Olympics? As soon as more people come up to the Cove, the Ptarmigan will hold week-end ability tests, for which you may win a bronze, silver or gold miniature ski. These skis have already been ordered, all you have to do is win them. (The bus leaves every Sunday for Glen Cove.)

A week ago Wednesday, at the Ptarmigan meeting Jim Ford was chosen president in place of Bob Webb who is now "working" at Aspen, and Hank Klingman was elected vice president. They have scheduled another meeting for this Wednesday—7:30 at South Hall, when either colored movies of the 1948 Olympics will be shown or some other movies will take their place.

The Ptarmigan weekend uproar has been postponed until February 28 and 29 and plans are near completion for the whole club to go to Leadville instead of the Cove. The bus, is should be added, is a Ptarmigan privilege, for Ptarmigan only. Tickets must be purchased in Cutler by Friday afternoon. No tickets will be sold Sunday.

Because George Milhoan and Hank Klingman were hurt while

Tiger Graplers Ready For Action

Back on their home grounds for the first time in over a month the OC wrestling team is, back row: Bill Cannon, Mike Biega, Sonny Price, Dick Graham, Hollis Spindle, mgr., Coach Bill Goodnight. Center row: Pete Florsheim, Moe Miller, captain; Bob Storey, Don Morris, Ed Kohlmeier. Bottom: Chuck Neill, Gerald Boyle, Harry Kurachi, Lou Kinkle and Bill Storey. Not included in the picture is heavyweight Glenn Blagg, who represented District Seven in the NCAA meet at the University of Illinois last year. Glenn will be participating in all of the matches this week.

racing at Winter Park, and Chip Moeser has temporarily exchanged a cane for his skis, three places were left vacant on the school ski team. Last weekend a new course was laid out in the upper Cove as the first part of the try-outs that will continue this Sunday. Jim Ford finished first; Vic Lewis, second; then George Beaman and Phil Longnecker.

While Dave Schultz was helping packing the snow smooth for these tryouts he suddenly vanished. Everybody looked at each other open mouthed—but no Dave, until he appeared head first from a snow pocket that he had fallen into. Emil Enstrom wandered into the Red Cloud Inn and didn't appear in

time to catch the bus. It left without him, but he had picked a pleasant place to be stranded. And then, Stroup came tearing over to the tow screaming wildly. Everyone thought Pikes Peak was falling down or that the tow was going to be run for nothing. But more terrific than that, Stroup had just done a christie.

How does Alpine skiing sound to you? Way above timberline with nothing but sun and snow? Go two and a half hours west of Denver, stop at Arapahoe basin, buy a \$3.00 chair-tow ticket (it's well worth it) and you won't believe your eyes as you rise above the trees into the bowl of Norway Mountains.

Cagers Idle, Prepare For Final Tilts Here

Now out of the running for the 1948 Rocky Mountain Conference title, and virtually out of consideration for any post-season tournaments, the Colorado College Tigers have three games remaining on their season's 20 game schedule.

The tilts are all home games scheduled for the City Auditorium. February 28 Colorado State comes here for the final conference game this year and March 5 and 6 Juno Reid's cagers tackle the quintet from Emporia State Teachers College, Kansas.

A win over Colorado State February 28 will assure the C. C. cagers of second place in the small Rocky Mountain Conference. Again the question will be: Can Reid's men stop the taller Bears?

Bengals To Host Five Schools in Eight Days

RMC Championship Bouts at Cossitt

Beginning tomorrow our wrestling team enters a week of feverish activity, designed to wind up the season. The next eight days might well be called "Wrestling Week" for there are matches on five of them.

The team will meet the matmen from Colorado Mines, Colorado State College of Education and Denver University before galloping into the RMC Meet here February 27 and 28. Coming here for the conference finals are Mines, CSCE, Western State and possibly Montana State.

WRESTLING WEEK

All matches in Cossitt Gym.
Sat., Feb. 21, 3:00 p.m.—Colorado Mines.
Mon., Feb. 23, 8:00 p.m.—CSCE, Greeley.
Wed., Feb. 25, 8:00 p.m.—Denver Univ.
Rocky Mountain Conference Meet:
Fri., Feb. 27, 2:00 p.m.—Preliminaries; 8:00 p.m.—Quarter Finals.
Sat., Feb. 28, 2:00 p.m.—Finals.

Coach Goodnight feels that we have four strong contenders for individual RMC championships and the team itself has a chance of coping top honors. The foremost men of the squad are Bob Storey, with five out of a possible seven wins; Lou Kinkle, four out of seven; Glenn Blagg, with a perfect record of four wins and no defeats, and Bill Storey who has yet to win a match but is a constant threat to all comers.

The Greeley State Bears have the best record of the contenders and are favored in many quarters to take the title. The wearers of the black and gold, however, were a comparatively green team at the beginning of the season and have improved to become a real threat. The Bruins placed four men on the District Seven NCAA team which completed in the Nationals at the University of Illinois last year. These men are back again this year and will be hard to beat. —J.A.

Broadcasts By German Club Part Of Plan to Promote Friendship

The German Department has announced a very ambitious program for the spring semester. Parts of it, such as the series of radio broadcasts over KFOR, have been under way for some time. On November 11, 1947, Max Morath gave an interesting talk on "Foreign Words in the English Language," and on January 13, 1948, Heloise Jones and Polly Pierson had a discussion-type broadcast on "The Importance of Foreign Languages in Journalism." Charles Potter, Jack Krieger, and Gene Pile are now working on a broadcast to be entitled "Mutual Prejudices between America and Europe." These radio talks will be continued until the end of the school year and probably during the summer school.

The German Club is continuing to meet this semester, and some unusual programs will be presented. The president of the club, Klipp Knorr, is going to show kodachrome slide pictures which he took of postwar Germany, and will also give a musical program of prewar German records which he brought back from Germany. The success of the foreign language Christmas carol singing in Shove Chapel, which was originally a German Club idea, has prompted the club members to search for some outstanding carols to sing next year.

The department's tape recording machine has seen a considerable amount of use since its arrival last fall. It is used primarily for the improvement of the students'

'Campus Clippings' Gives Friday Evening Roundup

"Campus Clippings" presented over KRDO every Friday night at 5:45 is one of five Colorado College weekly broadcasts. The program is full of campus news and presents the highlights of the week. This can be anything from the next school dance to the team of the season. So far some of the programs have included the hockey team, basketball team and ski club. One of the most successful programs was introducing the Sadie Hawkins' Day dance in skit form. Two of the programs of the future will include the ski team and mountain climbing club.

The program is written and presented by Pete Tyree and Nancy Wolger.

pronunciation by playing back transcriptions of their voices, but since Mr. Knorr has recently procured a Hallicrafter short-wave receiver, it is planned to use the tape recorder to record "The Voice of America" programs in German for use in class.

Nugget Pix Proofs Deadline Next Week

Appointments with the Nugget photographer come up next week for two campus groups, and individual portrait proofs are deadline next Friday, February 27.

Mr. Bowers will collect the individual proofs in the West Hall photography studio that Friday, but students may leave the pictures under the

door before that time.

Christian Science Organization will be photographed at 7:30 p. m. Tuesday, February 24, in Shove Chapel, followed by the Riding Club at 8 p. m. in Lennox House, upstairs, that same evening.

Nugget staffers urge members of these two groups to be on hand without fail, since poor attendance on two earlier occasions has prevented picture-taking.

LOST

At registration, in the fingerprint room—a gold Schaeffer ball-point pen—loaned to a student and not returned. Will student who has it please return it to Bob Harper, Hagerman hall.

DONNER'S BUSTIN' OUT ALL OVER !! ... ALL OVER C.C.

OR --- The Ol' Dream - Vendor Comes Again ---

It appears that the TIGER last week lighted a bit of a fuse under a couple of 103% Americans, with a report on their campus visit. To this day many students don't know why the uncalled-for attack on the college was featured in such a choice spot in the Friday afternoon Gazette-Telegraph.

The TIGER, upon hearing of the unauthorized "investigation" by Robert Donner and Stephen Nenoff, had earlier in the day published a story ridiculing their activities. This does not appear to have set well with the self-appointed guardians of democracy — oops, we mean "Americanism."

The attack on the college's integrity, printed

in the Hoiles' local daily, showed signs of having been influenced by the needling, a premature blurt-ing out of hate long bottled up, but not yet ready. Mr. Donner advocated abolishing a large part of the college, a good-sized demand when you stop to think of it. The idea probably was not new to him that day, but it seems fairly likely that his expose of "Communist" literature in Coburn Library (e. g. the Commonweal, a Catholic publication) was a shade uncooked.

Enough has been said of the absurdity of the Donner-Nenoff charges: they have another aspect, a deeply vicious aspect, that should not be allowed

to escape the notice of every student and every parent in the country. These men would like to see the social science studies wiped out, meaning, presumably, all knowledge of political, economical and historical facts. I would like to hear a clear, unemotional answer to this question, from Mr. Donner: What would you substitute for the School of Social Sciences at Colorado College if you got your wish? I hardly think an American, even a "100%" one, would advocate a Hitler-like book-burning, even to assure himself of a world safe for a special brand of "Americanism." —Ed.

"Values of Democracy Cannot Exist Where Freedoms Are Stamped Out"

That the values of a democracy flourish in an atmosphere of freedom, but that they cannot exist where intellectual, moral, political and economic freedoms are stamped out, was the keynote of Dean Holbrook's chapel address Tuesday when he spoke on "Religious and Moral Heart of Democracy." "The primary values of democracy are the first to be challenged by attacks from outside or inside the United States," Holbrook said. "Hitlerism aimed at cutting off men from any higher power than that of the state. One by one, Hitler lopped off the ways in which men express their sense of values, through attacks on free assembly, speech, worship, instruction and research."

"Communism rises from a different theory of life, but in its form of political life it becomes almost indistinguishable from Naziism, since it also systematically aims at divorcing men from their source of value in God. Both Naziism and Communism and their counterparts in the United States try to beat down the nerve center of democracy; the intimate and unbreakable link with the God who brought forth all men."

"The ultimate justification of a democracy lies in what it does for persons, not in the amount of economic or military power it has. When democracy wishes to defend itself to the outside world, it argues its case on the basis of its freedoms, its ideals of justice and earnest concern for peace and the welfare of the individual."

"Democracy is not unbridled, irresponsible egoism; it is based on the free, self-assumed responsibility of individuals for individuals, thru recognition and assumption of their brother's welfare."

"Of all the moral values of a democracy, liberty and freedom are the most important. Suppression of free speech, assembly, investigation, free access to source of information, and freedom of mobility show a fear of democracy and an idea that conformity of belief is more important than truth."

"As an example, one enlightened person said that he had no objection to teachers describing conditions in the Soviet Union, so long as they

Applications Open For Top Positions On Both The Tiger And Nugget

Applications are in order for the editorships and business-managerships of the Tiger and Nugget. A deadline of 11:30 a. m., Monday, March 8, has been set, in order to clear the applications through Publications Board at their noon meeting, and the Student Council at their 4:00 p. m. meeting. It is expected that final action will be taken at that time, so that the successful applicants may become well acquainted with the jobs before they assume full responsibility.

Depending upon ultimate adoption by several groups of faculty, administration officers, and students involved, the terms of office of the two student managers of the paper may be modified in length. It is not expected that this will affect the pay rate, however, which stands at five hundred dollars per year, on a ten-month basis, for each position.

Although the positions have been limited to next-year-seniors in the past, it is expected that a lower-classman may have as good a chance as anyone this year in view of the scarcity of qualified juniors. Among the present qualifications are a 3.3 grade average for the last two semesters and a large capacity for aspirin.

made clear that conditions there were bad.

"Others take it upon themselves to investigate books and magazines, because they fear democracy and because they do not trust men with liberty."

"Jefferson put it down in a forthright style when he said enlighten the people generally and tyranny and oppression of body and mind will vanish like evil spirits at the dawn of day."

COLORADO COLLEGE, COLORADO SPRINGS, FEBRUARY 27, 1948

NUMBER 19

Delta Epsilon Announces 31 New Members, Plans March Initiation

The Board of Electors of the Society of Delta Epsilon this week announced the following elections to membership, from the senior class of 1948: Biology: Louis Barnett, Maurice W. Blakely, Wesley D. Bradley, Rodney D. Cobb, Samuel C. Dunn, Richard S. Fryer, Mary T. Hall, George F. Hoffmeister, Beverly G. Howard, Philip Blinder, and Vincent Lagerborg.

Chemistry: Thomas E. Chapman, Robert W. Johnson, Faye E. Lieurance, William J. McGinnis, William D. Peckham, Allan H. Stewart. Geology: Robert F. Bursiel, Donald I. Milton, Hazel K. Severin, Clarion W. Taylor. Mathematics: James W. Armstrong, Turza G. Briscoe. Physics: Elmer N. Clay, James H. Smith. Psychology: Mary Ellen Cosgrove, Marion J. Crowder, Harold R. LaPorte, Barbara R. Minuth, Betty V. Philpott, Ruth E. Yates.

The following graduate students doing work in the natural sciences were elected to membership: Donald F. Cameron, Jacquelin Given, Armin E. Graber, Robert D. Hart, William A. Nestlerode.

The following members of the faculty were elected to membership: Mr. Robert L. Koons, Dr. Kenneth I. Loder, Dr. Lester A. Michel, Mr. Ralph G. Miller and Dr. Robert M. Stabler.

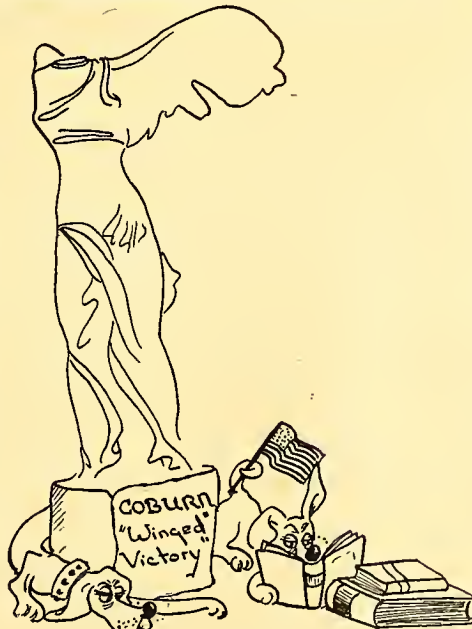

Delta Epsilon was organized on the Colorado College campus in 1921 for the purpose of giving recognition to latent and proven research ability among the students and faculty of the college. It became national in character with the granting of charters to several other colleges. Dr. Charles H. Sisam, one of the charter members, is president this year. Dr. Otis Barnes is the chairman of the Board of Electors, which consists of one member from each of the departments in natural science. Dr. Paul E. Boucher is the secretary-treasurer.

The annual dinner and in-

Meeting to Inaugurate Sample Honor System Sat.

All students who are in classes which are to operate under the new honor system will meet at 10:15 Saturday morning in "The Pit" at Palmer Hall. Excuses will be granted to those who have scheduled classes at that hour.

Windbeaten, But Ascending

—Drawn by Peggy Merle-Smith.

duction into membership will be held in March. It is hoped that Dr. Paul Sabine, of Harvard University, may give the annual address. Dr. Sabine is now retired and living in Colorado Springs. He is well known in the field of music and speech for his research work in the acoustics of auditoriums and like structures.

N.S.A.

By RUTHIE NUNN

The first question which ever comes to anyone's mind in connection with the N.S.A. is, "Are the little helpers (Com-mies) a part of this organization?" and the answer is, "Yes, these eager little people have their fingers in the pie and they're trying to ruin it as they ruined many others." The students of America are aiming for something fine, and these people are as much out of place in the N. S. A. as Santa Claus is in July. The only way the students can achieve their goal is to join together and become so strong that no subversive elements can weaken the union.

In order to succeed, the N.S.A. must have more brick layers and fewer architects, and the students of America are the laymen. The N.S.A., being on a cooperative basis with the teachers of the United States, is striving primarily for universal equality of educational opportunity and abandonment of race, creed, and color prejudice. The subdivisions of this principal goal are many and will be dealt with later.

Think about the N.S.A.—It's the student means of working for a healthy, DEMOCRATIC America.

Sign It Or Skip It

The TIGER has long had a policy of requiring names of writers of letters to the editor, and it has often explained that this is not for the Gestapo. The policy is the same now. If you have something to say, say it over your name or names, and please don't take two single-spaced pages to say what can be said in two or three short paragraphs.

When you leave your name off, you are not only asking the TIGER to speak your piece for you, without giving us choice of words, but you are asking for a good deal of another student's time to track down the source of statements which might be untrue.

Names will still be withheld by request, but must accompany letters intended for publication. It is one of the purposes of the TIGER to see that student causes have a champion, but this does not and will not mean that the TIGER offers space for yards of unsigned gobbledygook. Period.

Full Text of General Gill's Statement on "Red" Charges

"I have seen no evidence of Communism or any other 'ism' or subversive thinking among the students or faculty of Colorado College. I have the greatest confidence in our students and in their ability as mature persons to evaluate ideas and philosophies. Our aim is to develop clear-thinking men and women who will take their places in our country and defend it against all things contrary to our American way of life.

"Every citizen of our country has the right to criticize under our form of democratic government, and I have no intention of entering into any controversy with either local or foreign critics of Colorado College. I have seen too much of actual war and paper war to believe that much profit can be derived from either.

"I wish to make one point clear to both critics and friends, and that is that while I am at Colorado College, the faculty and executive departments will teach and administer Colorado College as intended by its founders."

WILLIAM H. GILL,
Acting President.

Who Knows?

Robert Donner thinks that Acting President Gill is "up against a situation he doesn't know anything about." DONNER thinks that GILL — ! This, then, may serve the purpose of a news story to Donner if he reads it.

Passing quickly over the insult to General Gill's widely respected intelligence, we hurry to reassure Mr. Donner that there are several hundred trained investigators on this campus who, though not specifically looking for material for a smear campaign, are still alert investigators in their own right, and (most important), are in a position to see and know what goes on in the courses taught by the men Mr. Donner chooses to call "social science radical educators."

A poll of 146 of these students has failed to turn up even ONE who thinks that there is subversive activity behind what is taught, or that the subject matter of communism is such that it would be better left untouched. So far as we have been able to discover, Mr. Donner has had no connection with any college or university since 1915, when he left Yale, and it may be that the Yale of that day frowned upon its students soiling their academic robes in the dust of foreign governments. It is not considered in that light here and now, and is not going to be.

We doubt that the Board of Trustees of the college will jump at the opportunity Mr. Donner has magnanimously offered them, to make General Gill's appointment permanent, but if they do, we suspect that Mr. Donner will find General Gill's judgment and integrity sufficient to meet any problem C.C. faces.

Mr. Donner in his investigation of the campus should have traveled a little farther north, to the massive front face of Palmer. There he could have read a significant and timely promise of the founders of C.C. to its students: "You shall know the truth, and the truth shall make you free."

Students Rush To Palmer Hall-- FIRE Not Classes Is Big Attraction

Last Tuesday just before most of us went to dinner the City Fire Department and one of our chemical labs got together and gave about 300 students a good show while it lasted. It was quite an expensive one for the college, however, as Mr. Stewart, superintendent of buildings and grounds, said that the damage amounted to about \$3,500. Pete Tyree, John Overman and Warren Goodnight, who arrived on the scene just as the flames were beginning to show, looked for some fire extinguishers to put the fire out. After a search through the corridors and into whatever rooms they could get into ONE very small hand extinguisher was found.

Pete then had to break a glass window on one of the doors to get to the fire. The single pump that he had was of little use as the flames had made considerable headway by this time.

After the engines arrived many eager undergrads crowded around the building to watch. Egged on by the cos and eds (and the need to fight the fire) the firemen had to break several windows in Palmer, each of which got a loud cheer as it crashed.

Hook Danforth must be congratulated for being Johnny on the Spot with his flash camera. It was mighty thrilling to the assembled multitude to see him scurry up and down the ladders.

Delegations from all of the houses on the northwest end of the campus were present. Bill Pfeiffer refused to lead the cheering section in "He's a Tiger. Who's a Tiger? Rah, rah, the firemen." Whether it was due to this discourtesy or just to let them know they were all wet, some of the H2O from one of the hoses "accidentally" found its way to some of the student.

We must report for the benefit of some of our readers that although the fire en-

Council Doings

By Jane Stegemann

Limitations on the number of extra-curricular activities in which a student may participate without endangering his academic work was discussed at Student Council again this week.

Some of the members felt a policy should be instituted based on a point system which would set up a limited amount of units each student would be allowed to carry; others favored a plan which would inculcate in the CC Constitution a clause stating that no person could hold more than one of the major positions on the campus, such as President of the Student Council, Editor of the Tiger, etc.

Still others felt that these proposals were not necessary — that the present advisory system should be made stronger since the extent of the burden of outside activities differ in each individual case.

No decision was reached, however, and the Council thought perhaps the newly functioning IDEA COMMITTEE, (to which Bob Udick has been appointed chairman), might be able to find a satisfactory solution for this important problem

gines were red they had no connection with the social science department.

R. J. C. Sez:

Last week, the Thunder rolled and crashed over our campus and when the echoes had died away, and the dust settled to a certain extent, the protests, curses and angry recriminations were violent enough to blister paint at any range up to and including fifty feet. But after this calmed down to a certain extent, the clear, bell-like voice of conscience called to a few of the more ethereal souls and said, "Hold now, rash youth. Is there not perhaps truth, blessed TRUTH, in what the man says?" Shaking the ringing from my ears, I then proceeded closely to examine my inner soul (a short five-minute job) and came up with the conclusion that there WAS truth in what the man had said and further that he had barely scratched the surface of the matter.

I have no doubt whatever that thousands upon thousands of young, impressionable college students have been converted to Communism by the sight of the textbook bearing the hammer and sickle on its cover. After all, why would the wily Russians choose this design if the mere sight of it did not help forward their nefarious designs?

I was sorry to see that the accusers dropped their charges against "Commonweal," the eminent Catholic magazine, for I read a copy of it, and it came out strongly in favor of Cod, a being who can only be called un-American insofar as He has made no effort to take out citizenship papers and is further loved and worshipped by a lot of danged foreigners.

To prove that the investigators missed some glaring instances of Communistic propaganda on the campus, I need only cite one incident that occurred last Monday. In the course of my own investigations, I happened to pass the room in which the Student Council was meeting and distinctly overheard the President request that the minutes of the last meeting be, and I quote, "RED." The sinister explanation of this probably lies in the fact that the President's nickname is "Lefty."

In conclusion, I can only say that I sincerely hope that the good work that these men are doing will not be stopped. Further, I would be glad to contribute toward defraying their expenses, but they would probably be offended by the offer of my last red cent.

World Affairs Council Meets Sunday to Plan Forum on Communism

French films were shown at the last meeting of the Colorado College Council on World Affairs held last Sunday evening at Lennox House. The program was arranged by Ken Brown and was made possible through the co-operation of Miss Denise Goulven, of the French Department faculty and Mr. Jack Lawson of Public Relations.

A second meeting will be held next Sunday at seven-thirty to discuss plans for the next Council-sponsored Public Forum. Preliminary plans are being made to introduce outside speakers to the Forum. The executive committee of the Council has conferred with General Gill and he promises his help and support. Subject for this semester's Public Forum is "Communism." Bill Davis has been put in charge of all preliminary arrangements.

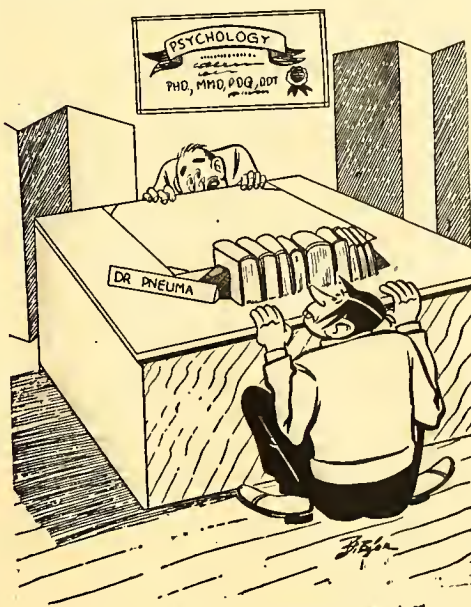

All members of the Council on World Affairs and others who are interested in taking part in the Council activities are urged to attend this Sunday's meeting.

Play "Whiteoaks" at FAC Late Next Week

Next week the Civic Players will present their second production of the year "Whiteoaks" at the Fine Arts Center theater. In January this group produced "Front Page" which was one of the finest jobs which has been seen on the local stage.

Two students of the college, one instructor and a recent alum are in the play. Ward Gongall and Betty Silverthorn who is working for her masters in music, have prominent roles; Mr. Howard Stevens, popular political science instructor, plays Tiers. Martin J. Murphy, who played in the "Taming of the Shrew" while at the college, is also in the cast.

Tickets for the performances, which are on Thursday, Friday and Saturday nights, will be on sale at the Junior Chamber of Commerce Tuesday and Wednesday of next week from 10 a. m. to 5 p. m. They are \$1.25 each. Tickets may also be purchased at the box office.

Newly Elected Officers of Associated Women

The new A.W.S. officers were elected last Tuesday, February 24. They are: Susie Sabin, president; Gale George, vice-president; Margaret Packard, treasurer, and Charlotte Sutton, secretary. The retiring officers are Marion Crowder, president; Susie Sabin, vice-president, who took over the presidency; Gale George, secretary, now vice-president; and Rose Ann Kipp, treasurer.

The A.W.S. plans and co-ordinates all women's activities. They are in charge of the Goldigger's Ball, and the spring banquet at which awards are given outstanding senior girls. They also initiate new freshmen girls into college life, arranging for Welcomers and Buzbees, and all the activities of Freshman Week.

The number of women that turned out at the polls was much larger this year than last. The voting was held in Bemis Hall and Lennox House.

No Cinderella Hours For College Dances

The Tiger's roving reporter spent some time last week snooping at Cutler Hall for some news tid-bits and ran across this item.

A twenty minute visit with Dean Fauteaux brought to light the fact that there is no rule that limits CC social functions to a 12:30 curfew on Saturday nights.

"I know of no such rule," said the Dean. "I realize that there is an undertow of feeling on the campus that my office has set a closing hour on social functions, and I feel this matter should be cleared up."

"There is only one time rule set for Saturday nights; that is the 1:30 check-in time for girls, and this is set by the Quadrangle Association."

"There is no reason, except leaving for a bite of lunch, why functions must cease at 12 or 12:30," Mrs. Fauteaux went on to say.

"There is even the possibility that a request to the Q.A. might extend the time of return if the function is planned quite a distance from the campus and additional time is required for the trip back to the dorms. This type of arrangement might be taken into consideration if the social event happens to conflict with some of the athletic schedules."

★ ★ ★ Fashions ★ ★ ★

A wonderful casual coat to be worn in both the town and country is shown above as pictured in the January issue of Junior Bazaar. It is baby blue full length, 132 inch sweep in the skirt. It is lined with crepe black satin dyed to match gaberdine in coat. The tailored effect is classic.

Stardust Dance To Set Pace for Social Events

The men of Beta Omega Chapter of Kappa Sigma are busily polishing their attractive gold, engraved cup for the presentation ceremony of their much-talked about "Stardust Girl" at tomorrow night's dance which will be held in the Broadmoor's ballroom.

An elaborate affair is being planned under the direction of Gordon Wescott, Kappa Sigma social chairman, with invited guests from chapters at Denver University, Colorado Mines, Colorado University, Wyoming University, and New Mexico University. The press will be well represented with Bernard Kelly from the Denver Post; Jo Ginando of the Rocky Mountain News; Stan Payne, photographer for the Gazette-Telegraph, and Jim Doherty, CC TIGER Editor.

Nancy Wilson, Penny Ayer, Pat Harley, and Nancy Monroe were chosen as the four finalists by the local chapter, and their photos mailed to Hoagy Carmichael, Kappa Sigma alum, for final selection. The chapter has already been notified of the choice, but is keeping it mum until the final presentation.

son's top social functions March 20.

Miami Triad Dance Scheduled for March 20

The Miami Triad, one of the "big" dances held throughout many colleges and universities in the country, is also an old tradition here at Colorado College. The well-known Triad originated at Miami University in Oxford, Ohio, where three national fraternities were founded.

The Sigma Chi Fraternity, founded in 1855, the Beta Theta Pi Fraternity in 1839, and the Phi Delta Theta Fraternity in 1848, all represented by chapters here, will celebrate with one of the sea-

Snoop with Stroup

By D. A. of the same name

And so another week went by, and the run-of-the-mill greeting changed from "drop dead" to "hello comrade," and everybody promptly put paper covers on their red text books. Otherwise, things remained pretty much the same, except that Lou Doble married Bud Maytag, and Jessie Ketchum Cowles is wearing Dick Sensenbrenner's Sigma Chi pin, and Susie Anderson has the most beautiful diamond given to her last Saturday night by Harry Scurr. We might even add that Heloise Jones and Jack Ish have been married three weeks, and engaged before that for almost a year.

Also, it seems that some organization called the "Gold-diggers" held some sort of a ball. All manner of unusual, incongruous, and spectacular situations took place according to report. There were people eating Hal French's corsage, and Dean Mathias wearing his crown.

There was Pris Plumb planning a gala evening with her

Hal McGovern Elected Phi Gam President

At elections last Monday night, the Phi Gamma Delta Fraternity here elected Hal McGovern as president, with Ray Jones as treasurer, Bob Blackburn as recording secretary, Chuck Stoddard, corresponding secretary, and Al Kelly, historian.

fifteen dollars and suddenly finding herself and her date confronted by a traffic cop with his hand out. Easiest way there is to get rid of fifteen dollars.

There was La Von Rouse with recent injuries from a skating tournament and her date, Chip Moeser with recent injuries from a skiing trip. Compatibility plus.

Then there was Hank Klingman's strange fascinating, lurid date—a beautiful girl from Denver, who was the belle of the ball. Everyone remarked on how very much her features resembled those of Vic Lewis. But she said she wasn't related, and since Vic wasn't there, there was no way of comparing.

But the dance finally ended, and life went on, and we are wondering if anyone found need of the soda bicarbonate so prominently displayed on Dick Winternitz's shoulder. Besides that, we are aghast at the fact that all the goldfish used in corsages are still alive. At least the fish can take it.

Over 150 Women Pay and Pay and Have Good Time; Happy Hal Rules Ball

Well, it's all over—the men have had their moment of glory, and are once more back on the old routine of paying the bills, after the Golddigger's Ball which livened up the atmosphere of the Broadmoor last Saturday night. CC turned out some 300 strong for the occasion. The dance was in full swing from 9 p. m. to 1 a. m. Hal French took the gals and the polls by storm and was crowned King in a very regal ceremony, even to the Coronation March, played by Ray Kranz and his band. His attendants each received a box of Royal pudding as compensation. They were Hank Loomis, Bill Daggett, Doug Gregory, Red Seasons and Dutch Van Schooneveld.

Susie Sabin's corsage took up not one, but both of her date's shoulders with an elegant illustration of "The evils of drink." On his left side he balanced a tray of cocktails, and on the right, bicarbonate of soda. It was judged the cleverest corsage at the dance and won Susie a share in a Cripple Creek gold mine.

Nancy Bryson was in charge of the dance. The mistress of ceremonies was Marion Crowder.

Maytag-Doble Nuptial

Lu Doble and Bud Maytag were married on Valentine's Day, February 14, in New Rochelle, New York. Bud's sister, Katherine Maytag, was the bride's maid of honor. Both Bud and Lu were students at CC before their marriage.

King Hal And His Court

Highlight of the evening—Crowning of Hal French as King of the Gold-diggers Saturday night at the Broadmoor. Left to right are Bill Daggett, Red Seasons, Doug Gregory, Marion Crowder, Hal French, Dutch Van Schooneveld and Hank Loomis.

Clubblicity

Phi Delta Theta

The fraternity is proud to announce the pledging of Charlie Plumb. Plumb is this year's Editor of the Nugget. Sigma Chi

Social Chairman Doc Garrison announced recently that April 17th has been set as the date for the Sigma Chi Apache Dance. Plans are not fully completed, but it is expected that the dance will be held at some off-campus spot.

Phi Gamma Delta

New drapes, presented to the fraternity by their Mothers' and Wives' Club, added the final touch to the redecoration plans. The living room walls have been redone in dark blue with white woodwork trim; and together with the recently refinished furniture and floors present a pleasant atmosphere at the North Cascade mansion.

Beta Theta Pi

The Betas are having a costume ball tomorrow night, at the American Legion Club in Manitou. The couples are

to represent the farmer's daughter and the traveling salesman. Dancing will be to George Washington's band.

IWA

Business and pleasure will be combined in the discussions, planned for the next meeting of the Independent Women. All who attend will have an opportunity to air their views about the faults of the school constitution and may suggest possible improvements.

Also on the agenda are a discussion of plans for the Independent spring formal dance and a song practice in preparation for the song contest this spring.

The treasurer puts in a plea for prompt payment of dues and your March pledge money for foreign nations.

Gammi Phi

By ANN WRIGHT

On Monday night, six girls were formally pledged to the Gamma Phi Beta sorority. They are Joyce Raines, Carol

Nichols, Jane Anderson, "Pete" Lore, Mary Lou Temple and Joan L. Temple.

In harmony with annual "Gamma Phi Week," the pledges honored the activities with original skits and impromptu entertainment Wednesday evening.

Kappa Alpha Theta

Barbara Burrell, Nikl Nevins, Jean Ferguson and Maxine Peugh are the new Kappa Alpha Theta pledges.

A dinner for the Theta initiates was given by their housemother, Mrs. Bertha Vernon Thursday night.

Kappa Kappa Gamma

The new Kappa Kappa Gamma pledges, announced on Saturday, February 21, are Marilyn Kay Innis, Lois Peterson, Brenda Brandt and Helen Copenhaver.

On Wednesday evening the Kappa activities were honored with several skits given by the pledges. The occasion was a tea for the pledges sponsored by the personnel committee.

The new KKG pledges will be honored at a radio dance Sunday evening at the Kappa lodge.

Delta Gamma

The Delta Gammas announced the pledging of Marilyn Wolf, Pat Foreman and Nancy Bloche this week. They were formally pledged last night.

A dinner for the initiates, given them by Mrs. Jackson at the Delta Gamma lodge, was an event of Tuesday evening.

COACH CHEDDY THOMPSON

Cheddy is now on the road with the CC Hockey Team that meets the University of Michigan sextet tonight. Although named for AAU Olympic Coach, he chose to stay here and see the Tigers through their series with California. He is a member of the advisory committee to the NCAA Ice Hockey Rules committee.

In a telegram to the Athletic Department after the Mich. Tech. series, Cheddy said: "No one hurt except a little heart burn. Will try to come through for you in Ann Arbor. Regards to all — Cheddy Thompson."

While still doubling as Track Coach he will not take over these duties until after the Tournament. Director of Athletics, Ben Douglas, will handle track and field until Coach Thompson is free.

Hockey Team Loses Mich. Tech Series

Plays U. of Mich.

Tonight and Tomorrow

On their first road trip of the season the Tiger pucksters have not fared too well. On natural ice that was softened to the extent that it could not be flooded the Engineers of Houghton beat the Bengals 4-0 and 3-2 on Monday and Tuesday of this week.

This is the first time in the season that CC has been blanked and the first time that it has lost both games of a series to any one team.

Tonight and tomorrow the hockey team will continue its trip with two games at Ann Arbor, Michigan, against the University of Michigan. After the game they will make a stop-over in Chicago before returning to the Springs Tuesday morning. The games are being broadcast over KRDO at 6:00 tonight and 6:15 tomorrow.

The team will again hit the road Friday for two return matches with the Flyers. Wichita has a much improved squad since they were out here and will give the boys a good series before the playoffs.

LOW MAN ON A SKI POLE

By PEGGY MERLE-SMITH

Sunday morning came so soon after the Goldiggers Ball that very few hardy souls ventured up to the Cove. After four hours sleep, head and feet seemed to swell to alarming sizes, both of which refused to co-operate with one's skis.

Skiing became a game of finesse, to ski with eyes closed until nearing the vicinity of rocks, trees or people. If you misjudged your distance, skiing became a game of ten pins.

Arden Roberts and Bobby Winn tried slalom racing on Ute Pass, Thursday, in a pasture full of cows. Whether or not they used them as the obstacles I don't know. It must have been a little upsetting to the cows.

At Arapahoe this week end, Jim Ford, Bill Grody, Phil Longnecker, George Beaman, Bob Jones and Vic Lewis are entered in the Southern Rocky Mountain Ski Meet. There is no women's division in this contest.

Four Schools Here for RMC Wrestling Tourney Tonight; Glenn Blagg Favored to Win

Tonight at 7:30 in Cossitt Hall the Rocky Mountain Conference wrestling tournament will begin. The participating schools are Colorado State, defending champions and also this year's favorites, Colorado College, Colorado Mines, and Montana State. The Finals will be at 3:00 p. m. tomorrow afternoon. The CC entrants for the conference competition are: Bob Kerns, 121 lbs.; Harry Kurachi, 128 lbs.; Louis Kinkle, 136 lbs.; Bob Storey, 145 lbs.; Bill Storey, 155 lbs.; John Savage, 165 lbs.; Moe Miller, 175 lbs. and Glenn Blagg, heavyweight. Favorite for heavyweight crown, Blagg, if undefeated, will compete in the National Inter-Collegiate Meet at Lie-high University on the 18th, 19th and 20th of March, and also the Olympic try-outs sometime next month.

Trouble for Tigers

JOHN HANCOCK, JR.

John Hancock, Jr., Colorado State heavyweight, will be entered in the RMC Wrestling Meet here tonight and tomorrow. This is the largest meet ever held in the mat sport in the Little Five history. Colorado State, Colorado Mines, Montana State and CC all have entered teams in the competition.

Lancers Take Two Games Cubs Tie Fountain Valley

The Lancers hit the nets for two victories last Monday and Tuesday nights. On Monday night the Bengal Lancers copped a close one from the Cheyenne Indians, three to two.

The Lancers Tuesday night skated against the Colorado Springs High School Rangers. The Lancers paced by Might and MacDairmid easily defeated the Rangers, eight to nothing.

In a game that is past but not forgotten the Tiger Cubs battled the Fountain Valley Vikings to a four-four tie. Two five minute overtimes were played to top the evening's excitement.

Freshman Baseball

All prospective freshman baseball candidates report to Coach Bob Bartlett—Cossitt Hall, Monday, March 1 at 3:00 p. m.

Tigers Are Set To Beat Colorado State Bears

Independents Win WAA Ice Skating Tournament

After all the spills were taken, bodies carried off the ice, body that is, and the last cheers still echoing throughout the Ice Palace, the Independents surged through victorious with the Theta's second and the Gamma Phi's third. The events were won by the following people:

Figures — First, Ruth Nunn, Theta; Second, Jane Becker, IWA, Jeanne Cooper, Gamma Phi.

Free Skating—First, Pat Foreman, IWA; second, Pat Bridwell, Kappa.

Speed, front—First, Mixie Kitazaki, Independent; second, Mary Allerton, Gamma Phi.

Speed, back—First, Patti Sonnekson, Theta; second, Prudie Boutin, Gamma Phi.

Four Novelty Events — First, Martha Richardson, Delta Gamma, first, Gale George and Hazel Carver, Theta; first, Phyllis Raymond, Theta; first, Nancy Stroman, Kappa.

Relay—First, Gamma Phi Beta, Mary Allerton, Jean Cooper, Prudie Boutin and La Von Rouse; second, IWA, Mixie Kitazaki, Carol Nichols, Pat Forman and Clarice Hads.

The swimming tournament will be held at the Broadmoor Swimming pool on Friday, March 5th. Three hours of practice will be required so come on girls, get out your pontoons and water-wings and let's go swimming.—L.V.R.

Frosh Meet Greeley In Prelim Tomorrow

In the preliminary to the varsity clash between CC and CSCE of Greeley, the freshmen teams of both schools will meet each other at the City Aud. 7:00 p.m. Colorado State's 51's have a victory over the Cubs won early in the season, 52-36.

With experience against local competition and better team play, the Fitzgerald men should play one of their best games of the season.

Last Friday, paced by the sharp shooting of Mary Powell, the CC

Freshmen basketballers garnered an impressive 81 to 71 victory over the Hutchinson Battery quintet at Cossitt Gym.

Coach Fitzgerald's hoopsters staged an outstanding performance as they captured their sixth win in eleven starts. Hitting the basket from all angles of the court, the Tigers held a comfortable 39 to 31 lead at half time.

The second half found both clubs matching basket for basket but the "victory hungry" yearlings remained out front and rolled on to an 81 to 71 verdict. —R.W.L.

Sharp Shooting Tiger Basketeers

Ed Scott, center; Ethan Miller, forward; Jackie Quamme, high scoring forward; Captain Nick Yeonopolus, guard, and Wilfred Perkins, guard.

Game Tomorrow with Conference Champs to Decide Second Place

In the last Rocky Mountain Conference game of the current basketball season the Black and Gold will play the Greeley quintet at the City Auditorium tomorrow night at 8:15 p.m.

The Tigers are out to avenge the defeat handed to them by the Bears at Greeley early this month when they lost by a 49-40 count. Although Colorado State boasts a taller team they will really have to fight if they expect to beat the fast, scrappy Bengals.

The visitors from Greeley have won the R.M.C. crown by virtue of a record that boasts a clean sweep of all conference foes to date. CC has three wins and two defeats, the other loss being an upset by Western State at Gunnison.

In their last outing the Tigers lost to a superior Denver team, but showed improved floor play and determination to make a game of it. The score of this game was DU 83, CC 68. Juan Reid has been making more use of his reserves of late and therefore has more experienced men to use as substitutes than he had earlier in the season.

The Bears will arrive Saturday with a record of five wins, no losses in R.M.C. competition, while they hold a record of nine wins, eleven losses in total games. Pacing the Colorado State team will be Jack Stokes, top scorer in league tilts, and six foot, seven inch Jim Ledford, who racked up a total of 25 points in their previous meeting with the Bengals.

Western State can end up in a tie for the runner up spot with CC, if they can dispose of Colorado Mines in a two-game series at Golden this week end. That is, if the Bears down the Tigers.

Another important reason for CC to win this game, is that the district entry for the National Association of Intercollegiate Basketball tourney at Kansas City hasn't been determined as yet and Saturday's game may have some bearing on the selection since the Bears and Tigers are two of four teams who have expressed interest in the tournament. DU and Regis College of Denver are the other two teams which have shown interest in the forthcoming cage classic.

Three teams, Colorado State, Colorado Mines and Montana State, will wind up their current basketball season this week, while CC and Western State each have two more games to play on March 5 and 6. At this time the Bengals will meet with the College of Emporia from Kansas. — R. MacK.

Campus Radio Studio in South Hall; Six Broadcasts Weekly

By A. JERMAN

Strange sounds were reported coming from the region of South Hall last week! Passersby have noted increased activity by students in the building with occasional weird noises in the form of assorted squeaks, squawks and the like definitely audible on clear days. The TIGER investigated and came up with a reasonable explanation from Speech Department head Woodson Tyree, who is in charge of a new project there called the Radio Production class.

The course is one of the newest on the list of unusual but practical ones being offered at CC this year. It is a brain child of Tyree, who fashioned the idea into reality out of an extra-curricular activity in connection with his speech class.

According to Tyree, the program is set up to introduce the various aspects of radio to students interested in this rapidly expanding field. The course devotes everything from the engineering and control room part of a broadcast to the preparation and actual presentation technique. Although still in a comparative embryonic stage, the class already numbers 20 students and indications point to a steady increased demand in the future.

Prof. John Fundingsland has been directing the installation of the latest radio equipment in South Hall and

plans additional facilities as time goes on.

Tyree's class already is producing six programs over local radio stations. Listener comments seem to assure success of the new venture, reports of the TIGER indicate. The following programs by the group can be heard over local stations:

Forum, KVOR, Tuesday, 4:15 p. m.

Drama, KRDO, Wednesday, 5:45 p. m.

Music, KVOR, Wednesday, 7:30 p. m.

Mr. Farmer, KRDO, Friday, 12:45 p. m.

Campus Clippings, KRDO, Friday, 5:45 p. m.

Children's Program, KVOR, Saturday, 5:00 p. m.

Newman Club Note

The Newman Club Corporate Communion will be Sunday, February 29, at 9:00 Mass at St. Mary's. Breakfast following at the Blue Spruce. Father Freudenstein from St. Mary's will be the guest speaker.

Dr. Brandt to Address C.E.A. Meeting, Denver

Thomas O. Brandt, associate professor of German at Colorado College, will present a study on Austrian literature at the mid-winter meeting of the Colorado Education Association in Denver tomorrow, February 28.

Brandt has been invited to speak by Ward Powell of Denver University and president of the German section of the C. E. A.

The University of Colorado, Colorado Women's College, the University of Denver and Denver high schools will be represented.

Brandt recently received official notice from the Austrian Broadcasting company in Vienna, that his prose and

Spanish Club Program

A short comedy "Esgrima y Amor" featuring Glenna Ebersole, Sue Weary, Robert Blackburn, Paul Williams and Dennis Cox brightened the evening for one and all attending last night's meeting of the Spanish Club according to eyewitnesses.

The program was presented by Dr. Skidmore's first year Spanish class and was augmented by prompting from Don Barton, group singing of Spanish songs, and a solo performance.

Phil Dix MC'd the event which included an informative and interesting account of his studies and experiences last summer in a Mexican art school.

poetry will be featured on a half-hour broadcast February 27 on a "Poet's Hour"

Tickets on Sale for National Puck Series

Tickets for the National Hockey Tournament to be held at the Broadmoor Ice Palace, March 18, 19 and 20, are now on sale at the Chamber of Commerce and the Ice Palace. For the time being, the tickets are on sale in blocks of three, that is, tickets must be purchased for all three nights of the tournament. Single evening sale of the tickets will be announced in the near future.

There will be no student tickets of any description for the tournament as the tournament is being sponsored by the N.C.A.A. and not by Colorado College. All seats are reserved, with west end seats on sale for \$1.80, east end seats for \$2.40, and box seats at \$3.00.

There will be four teams in the tourney. Drawings will soon be announced which will pit two teams together the first night, the other two teams the second night, and the two winners in the finals the third night. Rumors now indicate that the four teams will be Colorado College, Dartmouth, Boston University and the University of Michigan.

German Club Note

Mrs. William Graves, mezzo-contralto, will sing German Lieder at the next meeting of the German Club on Wednesday, March 3, in Hayes House Library at 7:30.

Record Success Story!

RCA Victor's rising star of the keyboard
—Larry Green—scores another hit...
"GONNA GET A GIRL"

CAMEL
is the
cigarette
for me!

WITHIN the past few months, Larry Green has climbed right up with the top bands of the land! If you ask Larry how he did it, he'll light up a Camel and say: "Experience is the best teacher in the band business — and in cigarettes. I know from experience that sweet music suits my band, just as I learned from experience that Camels suit my 'T-Zone' to a 'T'!"

Try Camels! Discover for yourself why, with smokers who have tried and compared, Camels are the "choice of experience!"

And here's another great record—

More people are smoking **CAMELS** than ever before!

COLORADO COLLEGE, COLORADO SPRINGS, MARCH 5, 1948

NUMBER 20

National Guard Is Recruiting at CC

Recruiting of both officer and enlisted personnel is under way for the Colorado Air National Guard radar detachment at C.C., according to Reserve Capt. Owen Knorr. Approval of the unit was voted last week by the C.C. Board of Trustees.

A preliminary general information meeting is scheduled for Palmer Hall, Room 214 on Monday, March 8, from 4 to 5 p. m. Those unable to attend can reach Capt. Knorr at Main 7026.

Any student or faculty member may apply. Veteran standing is not required, although veterans with communications or electronics experience in the Army, Navy or Marine Corps are desired. The unit also needs administrative specialists, cooks, mechanics and mechanics.

A C.C. student, Knorr has been named by the National Guard to head the new unit.

"I don't know for sure, but I think they're making sure no one mistakes them for Communists."

Civic Players Score In 'Whiteoaks'; To Repeat Tonight and Tomorrow

The Civic Players scored another smash hit last night at the Fine Arts Center in presenting the Margaret De la Roche novel, Whiteoaks. This play based on a series of stories concerning the affairs of the Jalna family on an Ontario, Canada ranch, was eagerly followed by a capacity audience. Tonight and Saturday night repeat performances will be given. The Civic Players are proud of their 40 CC members, and urge that all ticket-holders attend or else phone in their ticket numbers, or return the ticket to the boxoffice by 7:30 p. m. tonight and Saturday night, so that every seat can be filled. Admission is \$1.25. Curtain time is 8:15 sharp.

CC is well represented in the cast. The feminine lead, played by Mrs. Daisy Jess Rhoads, widow of a former CC English professor, portrays a tyrannical matriarch 100 years old, who rules her family with an iron hand. Hero, Ward Congoll, is admirably type-cast as the musician. Ward, a philosophy major, has demonstrated his piano and organ talents on several occasions. Betty Silverthorne, celebrating her recently acquired master of arts degree in voice, gives a convincing performance of Pheasant. Her husband Tiers,

V. A. Requires Proof Of Two Dependents

Information has been received from the Veterans Administration that married veterans with children must furnish birth certificates on their children to receive the increase in subsistence allowance. Birth certificates should be presented to the Dean of Men's office and they will be forwarded to the Denver Regional office.

WANTED!

\$500 rewards are being offered for ambitious students who qualify for the jobs of editor or business manager of either the Tiger or Nugget. This student must have a 3.3 grade average for the past two semesters and preferably be a next-year's senior. Anyone knowing the whereabouts of said enterprising student should force him, at gun-point if necessary, to apply to the Publications Board, care of A.S.C.C., by Monday, March 8, at 11:30 a. m.

Kappas, Phi Delt's Guests At Faculty Tea

Kappas and Phi Delt's will be the special guests at the coffee hour at the Faculty Club this afternoon from 4:00 to 5:30. Other students and faculty members are urged to come and talk informally.

is CC's popular political science prof, Howard Stevens. Clifford Kolsrud and Albert Walling are good in character parts, the two old uncles.

CC Honor System Plan 'Idea Committee' at Still Under Discussion Work On Constitution; Udick is Chairman

An outline or basic plan for "Operation Honor," the trial honor system, was approved Thursday by members of the honor board and interested faculty members.

Bill Barton was elected chairman of the honor board.

It was stressed that this present plan is not intended to be the final answer, but instead a starting point.

Although the mechanics of the plan had not been drawn up until this week, the honor system has actually been in practice for the last two weeks in 12 classes involving some 200 students.

A marked enthusiasm for working out the plan has been shown by a majority of the experimental group and many have expressed the hope that in a matter of a few years the entire students body may see fit to adopt the system.

Satisfaction was expressed by several members of the honor board that the development of the system is primarily a student effort and no feeling of having it "cramped down our throats" has developed.

Deadline for Nugget Proofs Is March 5th

The Nugget staff requests that all Knutson-Bower proofs be returned by Friday afternoon, March 5. Someone will be at the campus studio on Friday afternoon, or the proofs may be mailed directly to their regular studio. This is the absolute deadline for the return of proofs for the "Nugget" class section.

If anyone has portraits meeting the requirements, they may turn them in to the Nugget office by Saturday, March 6. The requirements are: glossy print, three inches by four inches, and head size approximately one and three-fourths inches.

Will any senior who has turned a portrait in to the Nugget office and has not filled out an activities blank, please come to the Nugget office immediately, or contact Joy Abrahams.

Carter to Speak On "Hysterical Moments"

This coming Sunday, March 7, Professor Harvey Carter of the History department will speak at Tri-C on the subject, "Hysterical Moments in American History." It will concern times in the past when one group has termed another one subversive—the "I'm hysterical, but you're subversive" approach.

Tri-C is held every Sunday evening at Cregg Library, 20 East St. Vrain, at 7:15 p. m. Everyone is cordially invited to attend, and refreshments will be served.

Our speaker last week was Instructor Howard Stevens, who covered the topic, "Cryptography in History."

The first meeting of the newly formed "Idea Committee," which is to delve into campus problems and suggest solutions to the student council, held its first meeting Wednesday night. At this time action was started on cooking up a new ASCC constitution along more flexible lines and investigating a proposal that some control be placed on the number of major activities which undergraduates may actively participate.

The purpose of forming this "Idea Committee," according to the student council, is to let any student who wishes to present his ideas on any subject of student government and student activities, have a chance to get in on the "scoop" while things are still in the formative stage.

It is anticipated that by bringing in more ideas when plans are being drawn up that less trouble will be encountered once the plans are in effect.

In actual practice, it is probable that two or more solutions to a problem such as the new constitution will be worked out as completely as possible by the members of the "Idea Committee," who form a sub-committee for that purpose. In that case, the council and the student body will have not just a choice of accepting or vetoing a single plan, but will be able to select the one that the majority believes most practicable.

One fact that the committee wishes to stress is that the whole committee will not deal with the details of each problem. For the sake of efficiency each problem will be turned over to a sub-committee composed of volunteers interested in that particular item.

As new problems are turned over to the committee, word will be published in the TIGER so that a diversity of opinions and ideas may be presented in the wrangling.

Any student who wishes an idea turned over to the committee should give the word either to their student council representative or to Bob Udick, chairman of the idea committee.

Dramatic Season in H. Y. Subject of Truax Talk

The current dramatic season in New York was the subject of a talk by Carol Truax, executive director of the Colorado College Fine Arts department, on Thursday night at 8 p. m. in Cogswell theater, Bemis Hall, on the C.C. campus.

A combined meeting of the C.C. Speech and Music Workshops heard her speak.

Singing Quakers Come To Shove Wednesday

On Wednesday, March 11, at 8:30 p. m. the Symphonic Choir of Friends University will present a performance at Shove Chapel. Known as the Singing Quakers this unique chorus has gained an enviable reputation in this part of the country.

Under the direction of Fred C. Meyer, this choir has been called on to make many concert appearances and has scheduled several radio broadcasts. In addition to formal concert programs, the group has also performed a number of operas, and last Christmas presented Bach's "Christmas Oratorio," with orchestra and soloists.

A balanced but varied program has been prepared for this year's tour. The first two groups are from the sacred choral literature, including works by Bach, Mozart, Lvovsky, Christiansen and others. Robinson's short modern cantata, "Ballad for Americans" makes up the third section. The final group has been selected from the modern secular choral literature and contains several striking arrangements for mixed chorus, featuring a number of soloists.

Subscription price: \$1.50 per semester by mail.
Issued each week during the academic year.
Member of the Associated Collegiate Press.

Lunatic Fringe

Under a full-page banner headline reading: "Communist Literature Found at Colorado College by Investigators," Stephen Nenoff's *American Commentator* last week published one of the most surprising, and most disgusting "news" stories we have ever read.

Maybe it ought not to be surprising, in view of Nenoff's divine-rightist leanings, but it is what you might call enlightening to find asserted, all in one article, that Colorado College is "teeming with Communist and other un-American literature, that the college is the Social Science Foundation Unit of the University of Denver, and that its assistant director used the pro-Communist defense: 'book-burning and telling people what they can read belonged in Germany under Hitler.'" UNQUOTE. Gaa-aa-aaaaaaah!!!!

A Clarification

In last week's TIGER there appeared a front page editorial on the Donner charges against the college. The TIGER has since been taken to task for an implication against the policy of the *Cazette-Telegraph*, seen by Mr. Hoiles in the statement: "To this day many students don't know why the uncalled-for attack on the college was featured in such a choice spot in the Friday afternoon *Cazette-Telegraph*."

Although more comment followed in the original copy, that part of the editorial article was cut short there to make room for more important discussion of the merits of the Donner-Nenoff charges. What was intended to follow was a remark to the effect that students, particularly journalism students, were wondering at making a front page feature of a story on the opinions of a man whose judgment of what is subversive is so obviously out of kilter, whose prejudices are well-known in the town, and whose campaigns for what he terms "Americanism" are held in contempt by so many Americans.

The charges were presented as a straight news story, an eyebrow-raiser in itself when you notice that the only qualification cited for Mr. Donner's self-appointed job of critic is his address.

If we have offended Mr. Hoiles by implying, as he charges, that his paper had an ulterior or dishonest reason for splashing the story, we are sorry for the offense. We are no less sorry that C.C. was made the victim of viciously warped and false charges in the public press for the sake of a news story. Or maybe we're too new to the newspaper game to have its ethics quite figured out, and still tend to lean on the old set we came with.

(Continued from Columns 1 and 2)

Nevertheless, we see no more profit in baiting another paper than we see in the tendency of some other local groups to bait one of the town's largest industries, the college. When you consider that so much out-of-state money is spent here, by and for CC's administration, faculty and student body, you wonder whether the town values its excellent college as highly as do the students, who know it.

Let's just say that the whole thing has been unfortunate so far, and need not continue to be, shall we?

Vox Pop-Off

Dear Editor:

WHAT IS NSA? No one seems to know. I have talked to a number of students and they are as blank as I was before I began a search for further information. The last two editions of the TIGER have carried articles on the NSA, but from what I can learn, neither one of them clearly explains any phase of NSA nor do they define it.

The way I understand it is that the NSA is a national organization of students, whose main purpose is the social, economic and cultural betterment of student life. Paraphrasing Lincoln, it is an organization of the students, by the students and for the students. It is designed so that the students as students, may become a significant factor in civil life, better equipped to take a leading place in society after graduation.

NSA concerns the promotion of a better relationship among students both nationally and internationally, the securing of equal rights for all to receive a better education regardless of religion, race, political beliefs, sex, or economic circumstances, and the encouragement of student-faculty administration cooperation on student problems.

I understand that we students are to vote, in a short time, on whether we want the NSA or not. Personally, I would like to find out more about it before voting, so I would appreciate any information any students could give me on the NSA.

—THOMAS PANKAU.

Dear Editor:

I am a little boy, 25 years old, and I write my letters to Santa Claus every Christmas. I don't dare write to Molly Mayfield, 'cause she is awful busy tellin' big boys and girls not to do nasty things and what to do in case they do do them things, so I am writing to you about my report card.

It seems a married man with two dependents is still tied to mommy's apron strings. It's bad enough to have to explain my bad marks to Junior, but my poor maw had to look at them for 12 long years way back when. I was just wondering if there wasn't some way we "Mommy's boys" could spare our poor maws the agony of having to still look at the scores. The other day my mom wrote to me about just that. I assure you that poor marks are the last thing I like to get but that's beside the point. Hurdling the first obstacle (the wife) takes all the strength and diplomacy I can muster, but now Mom!

In my next letter to Santa Claus I'm going to ask for—yep—a pair of scissors.

—DICK KLOCK.

Dear Editor:

The SDA will hold its third meeting Friday afternoon March 5 in the AWS room at 4:00. I urge all members to attend and we will welcome any new members who are truly interested in taking an active part in those events which affect the lives of us all. The SDA, if you can still remember the name, was started approximately a month ago by a group of students who felt the need of expressing their opinions in forms a little more concrete than mere ideological phrases. It aroused a great deal of interest at the time mainly through the efforts of two men who persisted in using the newspapers as a means of spreading the knowledge of their own ignorance, those two men who along with men like them, have turned such words as subversive and un-American into meaningless utterances.

On Monday, February 16, I had the privilege of appearing before the Student Council in the first step toward making SDA a legal member of the college community. The Student Council recognized the fact that by approving our right to exist they did not necessarily approve of all our views. The next step was to present SDA to the Committee on Undergraduate life. We are still there two weeks later. Certainly there is nothing very difficult to comprehend either in our own charter or in the charter of the national organization. What is there that is taking them so long? Is it perhaps the coloring which we have given to the word, politics? For the first time on this campus I saw a faint spark of political interest. Is this interest to be snuffed out merely because of the actions of this body? We have been approved by the Student Body as represented by the Student Council, why shouldn't we be approved by this committee?

As we look around us at the international scene we see events happening so quickly that it is very difficult to keep up with them. We see Russia trying to gobble up as much of the civilized world as she can lay her hands on. The repercussions that such a policy will have over here could be disastrous unless each one of us can think clearly and effectively on the issues which we find ourselves faced with day by day. Men such as Donner and Nenoff will be listened to more and more as events unfold. Hitler certainly sold most of the world on the idea that he represented the greatest and most effective defense against Communism, and there is no reason why we can't be sold again if we are not careful. Being part of a college community certainly puts us in a privileged class but are we to be denied opinions as a group purely because we belong to such a community? As the word politics so distasteful that even the mention of it causes a shudder? If such is the case the words democracy and republic have no meaning.

Faculty Pay Increased \$200—\$900 A Year

Salary increases for faculty members and administrative officers at Colorado College were approved last Friday by the C.C. Board of Trustees.

Effective date of the new salary schedule is March 1, 1948. All other full-time employees of the college will participate in a cost-of-living bonus plan.

The result of the increase brings faculty salaries to a level where purchasing power, in terms of present price levels, is approximately that of pre-war years.

Educational institutions throughout the United States have found it necessary to take similar action, due to the high rise in prices, Colorado College officials pointed out.

Under the old salary schedule at the college, instructors' salaries ranged from \$2400 to \$2800; assistant professors, \$2800 to \$3300; associate professors, \$3300 to \$3800; and

Council Doings

By Jane Siegemann

At the suggestion of the Publications Board, Student Council voted to advance \$107.71 to the Nugget which will be paid back in the next four years, each NUGGET to pay around \$26.80. The \$107.71 is the balance of \$134.51 which was used by the present NUGGET for office supplies and for which they have paid \$26.80. It was thought by this arrangement both the school and yearbook staffs would benefit.

"Stunt Day" was dropped for this semester but will be brought up again at the beginning of the fall semester.

professors, \$3800 to \$4200.

Under the new schedule, instructors' salaries will range from \$2600 to \$3200; assistant professors, \$3200 to \$3800; associate professors, \$3800 to \$4400, and professors, \$4700 to \$5000.

Dear Editor:

I would like to present a thought for the careful consideration of both the faculty and the student body here at Colorado College.

A short time ago a new system was sent through the red tape associated with any administration, and evolved as the much talked about "New Cut Policy."

As I understand this plan, it allows to each undergraduate at Colorado College as many "free" cuts per semester as the number of hours he is carrying. Of course there are some fine points connected with this policy, but the general theme is as stated above.

So far as I know, there is absolutely no regulation regarding professors' practices to eliminate any chance of the cuts being taken in their courses. I mean this business of making sure the student turns in some written material every day, regardless of how unimportant and insignificant it might be.

Men and women of the faculty, aren't we being poor sports about this whole thing? After all, with the excess of regimentation we are exposed to already, we should at least be allowed to decide which courses are most important to us.

Let us assume that as college students, our average is nineteen years (and that certainly is a safe estimate). We are old enough to start making decisions for ourselves. If we don't start now, we probably never will—and that would be a fine mess. Why is it that at one of our more advanced institutions of higher learning, and I am speaking of the University of Chicago now, college students of sixteen years of age are required to attend only the final examination in any course? The administration is not worried that any of the "children" will stay away for one reason or another. They make darn sure that the student misses something when he does cut.

And now for a word of suggestion to you, the offending instructor. Let me recommend that you make your course interesting enough so that we don't want to miss it. I've heard that this can be done, though the longer I stay here the more I doubt it.

And another thing—forget the text book when you are lecturing. We have one, and we too can read.

Name Withheld By Request.

Snoop with Stroup

By D. A. of the same name

It is becoming increasingly evident that more pinnings are going on at various social functions than ever took place on the mat at Cossit. We wonder what Glenn Blagg will ever do about the situation.

For instance, the Kappa Sig Stardust dance was a rip-roaring success. Persis Ayer looked pretty regal in her purple robe, the Broadmoor was again displaying its own special interpretation of the headless horseman, Anne Wiedman was seen prominently exhibiting Gordy Wescott's pin, and Dan Maloney surrendered him to Ruth Schreiber.

There was the Beta dance, too, from which Pris Plumb came traipsing back to Bemis bearing "Tinky" Stacey's pin.

Not that the male population are the only people around here who do pinnings. Mary Allerton, in a rousing battle with Tony Morrison at an exclusive party Saturday night, was the undefeated champion, according to official referee, Winnie Wintz. Just another example of the eventual superiority of womanhood.

But the struggle goes on in other fields, too. Udick is still leading by a few points in the famous, notorious rummy battle which has been going on for a year and a half in the dark regions of Murray's Drug store with one Bob Cosgrove. It must be clearly understood that this is not monetary enterprise. Mr. Murray doesn't allow that sort of thing.

Due to financial difficulties Ed Siegel was seen Friday night completely out of character. Nobody had two heads and four eyes like they usually do.

Dec Raymond's taste for her favorite after-study snack, Campbell's mushroom soup, has been changed as of last week. It seems that Claire Chamberlain keeps stepping in it on her way out of the door.

Nobody seems to be able to enter Dotty Rawling's room since the recent Kappa initiation, due to an excess of bouquets, potted plants, cor-sages, and telegrams.

Bill Vandenburg is becoming notorious for his habit of removing young women's photographs from their respective living rooms, and display-

Kappa Kappa Gamma

Nineteen girls were initiated into the realms of Kappa Kappa Gamma, on Saturday, February 28. Saturday evening, in honor of the new actives, the alums gave a formal banquet in the main dining room of the Broadmoor hotel. A table decorated with blue and blue candles and bouquets of Fleur-de-lis set the scene for the awards given to those contributing high scholarship to the chapter. Barbara Lett received the award for highest scholarship in the 47-48 pledge class.

Sunday evening an informal dance for the new actives and pledges was held at the Kappa lodge. Punch and sandwiches were served; music furnished by "Vic."

Gamma Phi Beta

Gamma Phi Beta held its spring initiation in Shove chapel on Sunday, February 29. In the evening, a formal dinner was given in recognition of the seventeen new actives at the Gamma Phi lodge. An award was presented to Marianna Wintz for being the most outstanding pledge.

An informal buffet-dinner and-dance will be given by Gamma Phi Beta from 7 to 10 on Sunday, March 7. The event will be in honor of the new initiates and pledges of the sorority. The music will be provided by new Victor and Decca releases.

Delta Gamma

Climaxing a fun-packed week of skits and similar entertainment, given nightly by the Delta Gamma pledges, a white formal dinner will be given for them this evening. Tomorrow night the D.G. alums will sponsor a dinner at the El Paso club for the new initiates.

Independent Women

Independent women will meet at 7:15 next Monday to allow time for song practice before the regular meeting. Sally Littel and Clarice Hads will report on the Independents' conference which they attended March 5 and 6.

Also on the agenda will be plans for the spring formal; and a committee will be appointed to think of a new name for the Independent Women's Association. All you retiring IW's with ideas (in the phrase of the day) turn

out for the occasion—there will be refreshments!

Anyone interested in entering the Swimming tournament contact Ruth Dowdell quickly!

The management also requests payment of dues.

Beta Theta Pi

Beta Theta Pi recently announced the initiation of Robert L. Funk. Bob is a local boy, a physics major, member of the CC band and choir, and a member of the Colorado Springs Symphony orchestra.

Kappa Sigma

Kappa Sigma is proud to announce the pledging of Bill Schoof of Plymouth, Michigan.

The newly formed Kappa Sig Mother's Club, which meets the second Thursday of every month, elected at their last meeting Mr. R. E. Cooke as president, and Mrs. D. W. Crabb as secretary.

Independent Men

At their last meeting, the IMA elected Frank Kirby, Bill Murray, Lefty Grisham and Bill Daggett to represent them at the Independents' Regional conference to be held at the University of Colorado today and tomorrow.

It is expected that representatives from schools in New Mexico, Idaho and Wyoming as well as Colorado will be present.

The next IMA meeting is Monday, March 8, 7:30, Student Union.

Triad Dance Next Week

Three fraternities, Phi Delta Theta, Beta Theta Pi, and Sigma Chi, comprising the traditional Miami Triad, will commemorate the founding of their respective organizations at one of the top social functions of the year on March 13—the Miami Triad dance. This event, to be held at the Broadmoor's Hawaiian Village, is an annual affair and is staged by many colleges and universities across the nation.

The well-known Miami Triad originated at Ohio's Miami university where Phi Delta Theta was founded in 1848, Sigma Chi in 1855, and Beta Theta Pi in 1839. Since all three fraternities have active chapters on this campus, the jointly sponsored dance has developed into a prominent social event.

The dance is from 9 till 12, and will be formal. Howard Farrand's orchestra from Denver will supply the musical background for the fraternity members and their guests. Contrary to the March 20 date erroneously announced in the TIGER last week, the dance will be held on Saturday, March 13.

Guests will be Dr. and Mrs. Holbrook, Dr. and Mrs. Worner, Dr. Woodward, and the resident hostesses of the three fraternities: Mrs. Mary D. Brusse, Carl Roehrig and Ellen Cooper. Howard Erickson and Mr. and Mrs. Harry Watson will be the chaperones.

Kappas Model Newest In Fashions

One of the season's most fashionable fashion shows will take place tomorrow afternoon, at 1 o'clock, in the main dining room of the Broadmoor, when the annual Kappa Kappa Gamma style show commences. Reservations for the luncheon are completely filled, but it is still possible to reserve a seat for the show by contacting Mrs. John B. Crouch, M. 4233. The affair is sponsored by the Kappa alums, the proceeds to be contributed to house improvements. Mrs. Arleen W. Hughes will announce the show, and the music furnished by Ray Kranz.

Kappa models will be E. J. Holmes, Nancy Harkness, Connie Newzum, Pris Plumb, Pat Bridwell, Ann Wright, Mrs. Jesse Mary Cowles, Pat Fischer, Nancy Stroman, Dee Raymond, Ann Keefer, Barbara Lett, Annette Close and Dorthy Rawlings.

The stores represented are Perkins - Shearer, Wilburs, Giddings, Gray Rose, Kaufmans, Raes, Lewis Fur Salon, Cox and Vorhes shoe companies, Fredericks Jewelers and the Broadmoor Greenhouse.

Phi Delta Theta In Centennial Year

"In Eighteen Hundred Forty-Eight . . . the year we Phi's commemorate . . ." so go the lyrics of a Phi Delt tune. Now, in 1948, the Centennial year of Phi Delta Theta, the chapters of Colorado-Wyoming-Utah-New Mexico province have planned a celebration in Denver, Saturday, March 6.

The program will begin at 12:30 p. m. with a basketball tournament at Grove Community Center gymnasium, and will close with a Founders Day banquet in the Mural Room of the Albany hotel.

Mr. James I. Price, acting chancellor of Denver university, will be the guest of honor and will speak on "One Hundred Years of Phi Delta Theta."

QA Elections Monday

The Quadrangle Association Board is holding elections for new officers at its next meeting, Monday, March 8.

Candidates for presidency are Betty Braham and Sally Littell, juniors; for vice-president, Kathy Lockwood and Shirley Patt, juniors. Marilyn Innes and Doris Lyons, freshmen, are up for secretary; Jackie Von Holdt and Denise Schoneberger, juniors, and Beverly Wellborn, freshman, for treasurer.

The Q. A. Board initiated a food-saving plan in the Bemis Dining Hall after President Truman's plea in November. They have omitted bread and butter from the evening meal, and butter from breakfast. This plan has resulted in a savings of \$80 on the budget.

Beta "City Slickers" Hosts at Dance

Last Saturday night the Betas found their way up the winding streets of Manitou to the American Legion club for a very festive costume dance, given in honor of their new pledges. The jazz rhythm of George Washington's band set the mood for the evening.

Hal Stauffer was sporting the smoothest ensemble among the traveling salesmen and farmer's daughters. He wore a "city slicker" outfit of top hat and tails. Leon Engle also presented a chic appearance to those that recognized him under the mustache.

The high spot of the dance was the passing of the loving cup after "Pinky" Stacey pinned Pris Plumb.

Kappa Sigma Fraternity ...

The men of Beta Omega of Kappa Sigma snapped waiting announcement of the fraternity "Stardust Girl" at the Broadmoor Ballroom Saturday evening.

Sigma Chi Set For All Sig Day

Chuck Roper, president of the Sigma Chi chapter here, is busily engaged in arranging transportation for local Sigs to attend "All Sig Day" in Denver Saturday.

Major General Patrick Hurley, head of the Sigma Chi national chapter, will be guest speaker for the banquet at the Shirley Savoy hotel Saturday evening.

Festivities will begin at 1 p. m. with a province basketball tournament at the YMCA gymnasium. The local Sig quintet entered the finals last Spring against Utah's "blitz boys" of intercollegiate competition. Four of Utah's famous '46-'47 team were Sigs.

Penny Ayer Chosen As Stardust Girl

Penny Ayer was chosen the Kappa Sig Stardust Girl at the gala dance Saturday night, February 28, in the main ballroom of the Broadmoor.

Her crowning was a very impressive ceremony. The fraternity formed a "V" in front of the bandstand while the Kappa Sig president, Stan Rice, presented her with the crown and replica of their pin. Her date, Mike Hawkins, serenaded her with the sweet-heart song. Peggy was selected by Hoagy Carmichael from photographs of the four finalists. Her attendants were Nancy Wilson, Nancy Munro, and Pat Harley.

A receiving line of chaperones and fraternity officers greeted the guests.

And Their Stardust Girl

Show above, left to right, are Lee Schiessman; Kappa Sig President Stan Rice; "Stardust Girl" Penny Ayer, and social chairman Gordon Westcott, immediately following the coronation ceremony.

Wrestlers Take Second In RMC, Blagg Champ

Greeley Takes First, Sweeps All Except Heavyweight Division

In the RMC wrestling meet held here last Friday and Saturday the Tiger mat men took second place honors. Colorado State won first place with 51 points, CC second with 32, Colorado Mines was third with 23 and Montana State last with seven.

Colorado College gathered their 32 points by taking one first, five seconds, one third and one fourth in the various weight classes.

In the first rounds Greeley won all eight of their bouts while the Bengals took six out of their eight. Captain Moe Miller lost by default after a rib injury in the first period of his bout.

The finals on Saturday afternoon reverted into what was almost a meet between Colorado State and CC with two Miners filling in the competition for Greeley. Glenn Blagg prevented a clean sweep of all matches for the Bears by winning on riding time.

In the prelims Kerns pinned his man in the third period when he was behind in points one to four. Kurachi won on a decision four to two. Kinkle decided seven to one, Bob Storey won by a fall, Bill Storey outpointed his man three to two, and Blagg pinned with points nine to one in his favor. Savage lost by decision three to nine.

Saturday morning in the third and fourth place competition, John Savage decided his opponent five to two for third place in the 165 lb. class.

In the afternoon finals Kerns was decided two to six, Kurachi was pinned, Kinkle lost four to nine, Bob Storey was outpointed one to six, and Bill Storey was decided four to six.

Glenn Blagg won the only bout for CC in the finals by a decision on riding time and aggressiveness. Glenn will now go to the National NCAA finals at Lehigh University, Bethlehem, Pennsylvania.—J.A.

LOW MAN ON A SKI POLE

By PEGGY MERLE-SMITH

You are poised at the starting gate of the Arapahoe downhill race trying to peer through a blinding blizzard to see where the course goes. You can't see anything: bumps, hollows, deep snow, ice whatever is there all looks the same; you have to go over it at top speed. The starter's hand is on your shoulder as he listens in on his "walkie talkie" for the signal from the officials at the finish line.

You wonder why you were so confident that morning that the race would be called off; you wonder what happened to the sun, and what in heaven's name is around the first turn. You feel so tired you know your legs won't ever hold over the bumps.

Lean way forward; take your gates high; way forward! What are you doing here anyway, scared to death, freezing and blind? The starter is counting 5, 4, 3, 2, . . . one. You give a deep push against your poles . . .

You breathe for the first time, after you throw yourself through the finish line, wishing you had cut the corners just a shade more, gone a little faster.

Last Saturday Jim Ford came in 13th, time 3:00.9 and Bob Jones 14th, time 3:03.4. The winning time of the thirty-two competitors from seven colleges was run by Don Elisha from D. U. in 2:27.7.

Jim Ford was racing with a broken arm.

Thanks to the additional good racing of Vic Lewis, Phil Longnecker and Bill Grote, our team placed fourth in the downhill.

After Sunday's slalom results were averaged in we slipped into fifth place. Bob Jones came in 10th in the slalom with a time of 1:28.8 as compared with the winners time of 1:28.1 run by Tim Griffith.

It was mainly due to falls and misjudged waxing that we did not place higher in the slalom. With practice that these races give the team, we shall soon have some blue ribbons to bring home.

As a finishing touch, the chair tow broke late Sunday afternoon, (Continued on Page 8)

Tiger Pucksters in Wichita Series Sat. and Sun.; Host to British Columbia U. Here Next Week

The Colorado College hockey team will be on its way again this weekend to meet the Wichita Beechcraft Flyers on their home rink in Kansas. This second trip will see the Tigers out to make up for the losses suffered while in Michigan. The men returned from the north-land colder and wiser but definitely not defeated. They were not overjoyed with the final scores to say the least, but at Bengaltown may look forward to real hockey and fight in the next four games and at the National N.C.A.A. play-offs.

Saturday and Sunday evening at 7:15 the local radio station, KRDO, will again bring play-by-play descriptions of the tilts.

The Flyers were beaten 15-7 and 6-2 when they came here in January but they are much stronger now and a lot more dangerous on their home ice. CC will definitely have to keep up a fast pace to beat these Wichita boys.

Next week fans will have their last chance to see the home sextet in action before the Nationals. Cheddy Thompson's pucksters will be playing their second international series of the season when they meet the British Columbia icemen.

In a game with the University of California, the team from Vancouver tied the brilliant Bears 2-2.

In their two games at Ann Arbor with the University of Michigan the wearers of the Black and Gold lost 3-1 and 6-1. Goalie Ikola, who has played a good game in the nets, has a total of 65 saves in the two contests as compared to 32 for the Michigan guardian.

There is a possibility that CC may again meet the Wolverines if the Tigers beat Dartmouth in the first play-off game and Michigan, who in all probability will represent the Midwest, wins the second one, it will be CC-Michigan in the finals.

TIGERS CLOSE SEASON vs EMPORIA

Cubs and Cheyenne in Tie After Overtime Periods

Last Monday night the Cheyenne Indians held the Tiger Cubs to a three to three tie score and the game went into two five minute overtime periods. The Gregory line paced the Cubs with Hale and Gregory accounting for the squad's tallies.

The Lancers are undefeated in league play of the second round. If the Lancers beat the Fountain Valley lads they will be a sure bet to take the honors in the second round. The C.C. sextet and the Vikings tied in the first round of play. Predictions are that the Lancers will be an easy winner.

This Saturday night the "B" Squad All Stars will meet the University of Wyoming pucksters at the Broadmoor. The All Stars whipped the Wyoming boys earlier this season four to nothing.—J.P.

Frosh Drop Final Game to Greeley

The CC Frosh basketballers climaxed their season last Saturday evening as they dropped a 36 to 33 decision to the Colorado State Frosh at the City Aud.

Coach Fitzgerald's quintet ended their season with a record of six wins and six defeats.

Bob Clark, Greeley center, took individual scoring honors of the game with 14 points, while Marv Powell tallied 12 for the losers.

12 Lettermen Report For Varsity Football

Coach Bill Goodnight greeted 12 returning lettermen and ten new prospective candidates at the first indoor baseball practice held at Cossitt Hall last Tuesday afternoon.

The Tiger diamonders have been unable to hold any outdoor practice sessions as yet, because of unfavorable weather conditions prevailing during the past week. But Coach Goodnight hopes to have his pastimers in outdoor sessions in a short time.

The Tigers open their 22 game schedule against the 15th Air Force nine on March 19th on Stewart Field.

The Tiger mentor lost only two lettermen from last spring's nine who climaxed the season with 13 wins and 12 defeats.

The following men will be seeking berths on the Bengal nine this Spring:

Returning lettermen are: Pitchers: Warren Goodnight, Chuck Roper, John Taylor and George Theodore; Infielders, Wilfred Perkins, Dick Nerad, John Litt, and catcher, Fritz Minuth; outfielders: Leo Hill, Bruce Stewart, Jack Mitchell, Roy Lilja; shortstop, Don Jones, who was named on the All-RMC nine in 1945 will be back to take over his old position on the Bengal nine.

Other prospective candidates who will be seeking berths are: infielders, Paul Ritsch, Bob Pantor, Chuck Bouchard, Jim Cepford and Chris Ray; outfielders, Harry Waters, Bill Callahan and Norm Wold. Freshman Ruben Chavez, one of the ace hurlers in the Colorado Springs city league last summer is expected to receive a great amount of time on the mound for the Tigers.

Spinning the SPORTS WHEEL

As the Bengal courtmen go into action against Emporia State they will be minus the services of big Ed Scott who quit the team following the Greeley game. Dan Quigley will step into the center slot for the quintet.

These are the last home games and the last of the regular season for our team. They will be going up to Denver for the National AAU tournament later in the month though.

Nick Yeonopolis and Jack Quamme made the Free Press all-RMC first team. Ethan Miller was put on the second team due to Keegan of Western State "carrying" his team through the season.

Other members of the first team were Stokes, (CS) and Ledford, (CS).

The Tigers are literally "flying high" on their trip to Wichita. They take off by air tomorrow morning to meet the Beechcraft Flyers. Both tomorrow's and Sunday's games will be broadcast at 7:15 p.m. over KRDO.

Rosie Fuller, the Irish flower of the Athletic department, has acquired the very official title of Assistant to the Director of Athletic Publicity, who is, incidently, K. Freyschlag.

More people are being pinned on the society page than on the sports page.

Bill Goodnight, wrestling mentor, and Sonny Price will accompany "Little Man" Blagg to the NCAA Championships at Lehigh.

COLORADO COLLEGE BASEBALL SCHEDULE — 1947-48

Games at City Aud With Strong Kansas Team Ends Court Year

Have Triumph Over RMC Champs Here

The Colorado College Tigers will wind up their current 1947-48 basketball season this week-end in a series which will find them engaged with the College of Emporia from Kansas. The series will be played Friday and Saturday night at 8:15 in the City Auditorium.

The Bengals will go all out to try and extend their record of nine wins and seven losses to eleven wins. Emporia has beaten such teams as Colorado Mines and Fort Hays and will probably give the Bengals plenty of opposition.

In the Tigers' last game against the Colorado State Bears, even though the Rocky Mountain Conference championship was clinched two weeks previous to this time, an aggregation of scrappy C.C. hard-court artists came from behind to claw out a 48 to 45 triumph over the well guarded State hoopers in the final four minutes of play. At half-time the home team was trailing by the score of 16 to 28.

Coach Reid is planning to start the same line-up that played the last four minutes of the Greeley game, namely Quigley at center, Miller and Perkins at the forward spots, and Quamme and Yeonopolis at the guard positions.

After the series with Emporia, Coach Reid's team will look forward to the AAU tournament, which will find the Tigers playing on the fourteenth and twentieth of March at Denver. This tournament should do much to determine C.C.'s national rating.

—R. Mack.

Tiger to Help Relieve Transportation Tie-up

In order to relieve the transportation problem for students returning home for spring vacation, the TIGER will print next week, a list of students either offering or desiring rides to any or all points of the compass.

If you wish to use this service, put your name, status (that is whether you are offering or seeking a ride) and destination on a sheet of paper and place it in either of the TIGER boxes which are located in Cutler and on the third floor of Lennox House.

Snoop with Stro up

(Continued from Page 3)

ing them at the Phi Delt house. This is to be taken as a warning to all susceptible females who have not as yet been victims.

Most upsetting event: Janie Braham returned home last Tuesday evening to find George, the Delta Gamma Tiger, sitting in her bed reading her Milton book. We consider this hot news. It isn't every day that one finds a Tiger in one's bed, especially one who reads. We might add that George has not yet found a permanent place in Hamlin to sleep. Any suggestions would be appreciated.

Special spicy, advance news report: It is strongly rumored that the famous Bradley-Reeds team will do a performance on the Friday evening talent show at the Trail theater. Tomatoes and cabbages on sale at the College Grocery.

COLORADO COLLEGE, COLORADO SPRINGS, MARCH 12, 1948

NUMBER 21

Very Much Alive!

One faculty member, and possibly two, have announced to their classes that the honor system has been adjudged a failure at CC. It was announced as an authoritative statement, implying a decisive move on the part of the college administration.

SUCH A STATEMENT HAS NO BASIS IN FACT.

And to make sure that the false announcement is corrected, the instructor or instructors will make clear retractions in the classes to which the damaging announcement was made.

General Gill will be present today at those classes, to see that those retractions are made, and to add his own remarks.

Policy Outlined On Absence for Illness

After a great deal of confusion and misinterpretation regarding what constitutes an excused absence for illness under the new cut policy, the following "straight G-2" has been issued by the Dean of Men.

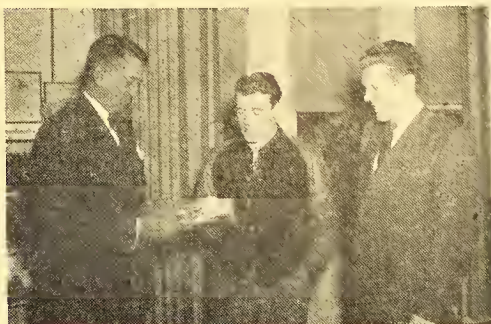

"In accordance with the College attendance policy, a student is excused for class absences if he or she is confined for illness. The College infirmary reports all confinements at the infirmary to the attendance recorder. If a student is confined in a residence hall, the head resident should be notified and should make a report to the Dean of Men or Women. If a student is confined at home, in a fraternity house, or rooming house, he or she is required to submit a written statement to the Dean of Men or Women, signed by the attending physician or other responsible authority.

"Clinical treatment at the infirmary does not constitute a reason for an excused absence," the Dean continued, "unless the college physician or infirmary certifies that it is an emergency that could not be safely delayed. This report will be made directly to the attendance recorder."

Senior Tea

President and Mrs. William H. Gill will entertain all members of the senior class at tea, on next Thursday, March 18, from 4:00 to 5:30 at Bemis Hall.

Bringing Home The Bacon From Wichita

General Gill, CC acting prexy, is presented with the "bacon" promised him by Coach Cheddy Thompson and KVOR announcer Cecil Seavey after the Tigers' dual victory over Wichita.

CC to Head Up Show for National Hockey Playoffs at B'moor Ice Palace

Dartmouth, Boston, Michigan in Tourney

Colorado College will play host to the first NCAA Ice Hockey Tournament at the Broadmoor Ice Palace, on March 18, 19 and 20. The organization of the Ice Hockey Coaches association last spring and the rising interest in hockey in America has made this tournament possible. For the first time a truly national champion will be chosen in a play-off series. Up until this time schools in the east have claimed national championships and even played Canadian teams for international honors without any real regulation of eligibility of players or national participation.

With the official recognition of the National Champion by the NCAA, ice hockey will move ahead in the American sports light to a place it truly deserves, along with football and basketball.

In the first game of the nationals, the CC Tigers will meet the Dartmouth College Indians, champions of the Pentagonal League. On Monday, prior to flying out here, the Dartmouth sextet will engage the University of Toronto for the mythical international inter-collegiate championship.

The second night's game will see Michigan face off against Boston College, representing New York-New England. B. C. was chosen for its spot in the tournament last Wednesday.

The Bengal band and cheerleaders will be on hand to cheer all teams on to victory. The band has put in quite a bit of time learning the songs of the respective colleges.

Post Writes Up CC's Dr. Stabler This Week

Dr. Robert M. Stabler, biology professor at CC, and Robert Murphy, associate editor of the Saturday Evening Post, recently banded the most spectacular of all birds, a peregrine falcon, strongest and swiftest flier in the American skies. Mr. Murphy tells about their accomplishment and its value to ornithologists in this week's (March 13th) Post. Color photographs of the feat, from the "burying" of Dr. Stabler to the release of the falcon, illustrate the article.

C. C. Student Council to Attend NSA Constitutional Convention

The Student Council, representing the organized students at CC, will go to the Regional Constitutional Convention of the National Student Association as a group in April. Tentative dates for the three day meeting are April 7, 8 and 9. At this convention, the regional organization will be formulated and officers chosen. The CC body does not plan to take action on affiliation with the NSA until after the convention.

The aim of the group is the promotion of student welfare by every legitimate means. It is an organization that is student-directed, student-controlled and student-financed.

The NSA is based on the desire of students to cooperate with the faculty and administration in the process of education. Without the efforts of the students on the individual campuses, the organization cannot succeed.

In the regions that have been organized so far, NSA has promoted the exchange of such cultural activities as art exhibits, arranged for concert tours through member schools and the establishment of an intercollegiate theater circuit, whereby campus productions are taken to the other schools in the area.

Once the commission system is completed throughout the nation on all three levels: campus, regional and national, the NSA will efficiently make comprehensive studies of student problems, have statistics on all phases of college life available for member schools and take unified action on the programs decided upon by the students.

This means that there will no doubt be political action taken by the NSA as well as cultural and social activities.

The political action taken will be with the consent of the majority of the member schools and will be limited to matters directly affecting student welfare.

The NSA will be a central office for distribution of information and a sounding board to the nation and the world of American student views.

Publications Heads Chosen for Next Year

In an announcement last week, the Publications Board made known its choices for the Editors and Business Managers of next year's TIGER and NUGGET.

Bill Murray, present Sports Editor of the TIGER, has been chosen to be TIGER Editor, with Jack Sullivan to succeed himself as Business Manager.

Continuing the trend started by Sullivan, Charlie Plumb will succeed himself as Editor of next year's NUGGET, with Dick Pfeiffer as the new Business Manager of the annual.

Colorado State at Greeley, University of Nebraska, Denver University and Utah University.

Oberlin Prexy Speaks At CC Chapel Service

Speaking to Colorado College students Tuesday morning in Shove Memorial Chapel services, Dr. Stevenson, president of Oberlin College, said students must always look ahead if they are to best realize their opportunities and responsibilities.

"There are three confusing paradoxes which confront us in our studies today," Stevenson said. "While we worry about a surplus in some foods, other countries consider bread and rice as scarcities; while our machine age is still increasing and supposed to do the work of many men, there is still a shortage of labor force; while we are concerned with the ever-important drive for the good of humanity and the breakdown of sub-standards of living, we still find conspicuous class consciousness."

He told students and faculty that these three paradoxes suggested four dilemmas we have to face. The first he listed as the "unpreparedness of the average citizen for facing the problems of the day. The second he named as the problem of how to impose social and economic controls which will keep up with our atomic age and still not hinder our precious freedoms.

"Our third dilemma is the problem of how our national sovereignty can protect the people in it," he went on. "And following that, our fourth problem is that of the transition from the emphasis of national sovereignty to world government and cooperation.

Thetas, Phi Gams, Guests Today at Coffee Hour

This week's special guests at the Faculty Club Coffee Hour on Friday afternoon from 4 to 5 p. m. will be Kappa Alpha Theta and the Phi Gams. All students are welcome at these informal socials.

Old Books Needed

Monday through Saturday of next week, March 15 to March 20, has been set aside for the BOOK DRIVE. Boxes for this purpose will be in Lennox House, Coburn Library, Palmer and Cossitt Halls and in each dormitory. All kinds of books will be accepted, so don't forget your books for this drive.

Subscription price: \$1.50 per semester by mail.
Issued each week during the academic year.

MORALE AMONG THE HOOPS

In his column "Looking Them Over," Tom McLaughlin recently lowered the boom on the CC student body. He wrote, regarding the support of the CC basketball team, "We don't blame entirely the local sport fans who pay money at the gate. As much to blame, perhaps even more so, are the vast majority of the students at Colorado College who apparently don't think enough of the club to come out and see it perform."

Mr. McLaughlin has missed two points. One is that the TIGER, the school paper, has had so little support from the town in the way of ads (not to be confused with a heartfelt thanks to those advertisers who have purchased space) that at times we have had to limit sports writeups as well as other material.

The second point that has been overlooked is the confusion in scheduling. We realize as well as anyone the difficulty in booking athletic contests. Something must be done to avoid the playing of hockey and basketball on the same night. This is up to the wheels in the Athletic GHQ.

Maybe McLaughlin is right and the cage sport should be moved back to the CC hat box, Cossitt "Gym."—W.A.M.

INFIRMRY BLUES

According to reports from reliable sources some people who have gotten sick and shouldn't leave their beds are told to come to the college infirmary or given instructions for care over the phone.

Many complaints that are being heard are no doubt the usual student gripes but there have been so many lately that one feels all is not well in Bengaltown.

Admittedly the doctor has much to do and only twenty-four hours a day to do it in. Yet the students pay a fee for medical service and they should not have to call in outside assistance for services.—W.A.M.

"CAESAR'S WIFE"

To the Editor of the Tiger:

In the March 5 issue of the "American Commentator," self-acclaimed "Most Discussed Paper in U.S.A.," appeared two letters signed by Mr. Robert Donner, Broadmoor's "ardent patriot and foe of communism." The first letter concerned itself with a partial correction of the front page story in the last issue of that sheet which, among other things, stated that CC was "teeming with communistic and other un-American literature." This letter was, in part the result of a letter sent to the local newspapers by the undersigned as well as of a personal conversation with Mr. Donner. It was understood at the time that this writer would put a letter of appreciation in the papers if he felt that the forthcoming retraction was unqualified, factual, and of page one character. The undersigned wishes to state here that this "retraction" was completely unsatisfactory due to its incompleteness, and its emphasis on the fact that no "definite charge" of being "red" had been made nor had anything "as yet" been "exposed." This letter also appeared on page two, not page one.

In addition to this, the second letter completely negated the first by implying that there are subversive elements and teachings at the College. Mr. Donner, who is neither general nor college president, went on to lecture General Gill in military tactics and the duties of his office. The final sentence in this letter follows: "I would like to tell General Gill and the Board that the case is most definitely NOT closed, and will not be closed, until CC is, like Caesar's wife, beyond reproach." He forgets that not a few of the many women who lose their reputation for virtue in their communities do so as the result of slanderous old-wives' gossip. Speaking of Julius Caesar, one is reminded in this connection of Marc Antony's funeral oration, in Shakespeare's play of the same name, and his remarks concerning "honorable men."

Let Mr. Donner heed the words of our great Master: "... why beholdest thou the mote that is in thy brother's eye; but considerest not the beam that is thine own eye?" (St. Matthew 7:3). Let him make public apology for his "mistakes," omissions, and injuries to others who have done him no harm whatsoever.

—WILLIAM SHIELDS DAVIS, '50.

To The Editors,

Student participation (and, to a lesser degree, faculty) in the Student-Faculty Coffee Hour has proved so lacking that these functions are on the verge of being dropped from the social calendar.

To me, and to the many others who have from time to time enjoyed themselves at these affairs, their discontinuance would constitute a grave loss. I wonder if the Campus realizes what it is missing?

Here is an excellent opportunity to meet with friends, students who are strangers, and professors in other schools, in an informal atmosphere of come and go as you please.

There is no receiving line and there are refreshments. The road is still clear to know the personal, non-academic sides of individuals with whom you have an every-day association, but it may soon be closed—Isn't the opportunity too rich and varied to be lost just through indifference?

—WILMA E. DOWNING.

KAPPA

In prelude to the annual Kappa convention to be held at Sun Valley in June, two technicolor movies, "Ski Chase," and "Sun Valley Holiday" were presented to the members Monday night showing the skiing and other recreational possibilities offered by the resort. The movies were furnished by Mr. J. F. Lawson, Director of Public Relations, and shown to the sorority by Dorothy Lucas.

KAPPA FASHION SHOW

During a fashionable luncheon held at the Broadmoor Saturday afternoon, the Kappas presented their eleventh annual style show. Models were chosen from the sorority to exhibit the highly stylized fashions of the approaching season. Everything from bathing suits to mink coats was represented, with a bridal procession, outfitted from the Gray Rose, as a grand finale.

Mrs. Arleen Hughes emceed the affair, and it was under the direction of Mrs. W. Allan and Mrs. J. Haney.

PHI DELTA THETA

The Phi Delta Theta Founders Day in Denver, Sunday, found the local chapter well represented. Highlight of the afternoon was the province

basketball tourney followed by an enjoyable banquet and speakers program.

KAPPA SIGMA

Weldon Grinnon, sophomore from Washington, D. C., was initiated into the fraternity Saturday.

Gordon Westcott, social chairman, reports plans are well underway for the Artists and Models Dance April 10th.

INDEPENDENT MEN AND WOMEN

The independent men and women organizations will gather at a joint meeting at 7:30 Monday evening at Lennox House.

An informal dance is scheduled to immediately follow the meeting. The gathering was called for the purpose of discussing the regional independent constitution.

BETA

Refreshments rounded out the Sunday afternoon tea of the Mothers and Wives club. The gathering was held at the Beta house and began with a short business meeting.

THETA

Yesterday afternoon at 4:30 the Thetas honored their pledges at a House tea. In the evening all attended the intra-sorority swimming tournament at the Broadmoor hotel.

Gold and Black colors will be worn under the Theta pins tomorrow and Sunday in honor of a new chapter being chartered in Albuquerque, New Mexico.

Tonight the "Mothers" of the Theta pledges will escort their daughters en masse to the British Columbia-CC hockey game.

Kappa Sigmas Treat Pledges and Guests

From 4 until 6 o'clock last Sunday afternoon approximately forty sorority pledges and their house-mothers were entertained at a tea-dance given by the pledges of Kappa Sigma fraternity at their house on Nevada Avenue. Tea, coffee and hors d'oeuvres were served while the pledges and their guests talked and danced.

This was the first social activity of the Kappa Sigma pledge class and under the chairmanship of James Cassidy and the house mother, Mrs. Haugh, it was a very successful affair.

GAMMA PHIS

The Gamma Phis entertained their dates Sunday evening, March 7, at a buffet supper and record dance given in honor of their new initiates.

Dr. and Mrs. Stevenson, parents of Helen Stevenson, were guests at a tea at the house Monday afternoon, March 8. Dr. Stevenson is president of Oberlin College.

DELTA GAMMA

Elaborate decorations are being planned by D.G. actives for an informal dance in honor of their new initiates Saturday, March 20, to be held at the lodge.

The chapter will hold election and installation of officers at their next meeting, Monday, March 15.

The Colorado Springs Alumni chapter gave a dinner commemorating Founder's Day last Saturday, for the D. G. actives and initiates. The theme of the decorations and program was a clever takeoff on the "New Look."

A. W. S. Welcoming Assembly

The A. W. S. Welcoming Assembly will be given in Perkins this coming Thursday at 10:00. Jeanne Schryver is in charge.

Howard's Barber Shop

Let's go to

19 E. Bijou

... headquarters for creative fashions that dramatize you!

The world grows Beautiful for Easter . . . and so do you!

Miami Triad Formal Is Tomorrow Night; Girls To Get Lates

The Phi Delta Theta, Beta Theta Pi and Sigma Chi fraternities will commemorate their foundings with the traditional Miami Triad formal tomorrow evening, at the Broadmoor Hawaiian Village, with music furnished by Howard Ferrand and orchestra of Denver.

Joint plans are under the direction of social chairmen Jim Allured, Phi Del., Bob Knight, Beta; and Doc Garrison, Sigma Chi. The affair is expected to be the month's top social function.

Last minute changes have set the hours of the dance from 10 to 1 o'clock because of the hockey game.

Betty Braham is New QA President

Betty Braham was elected the new president of the Quadrangle Association at the meeting of all women students living on campus, last Monday night, March 8. The election was held in Bemis Hall.

Betty Braham

Betty is a junior, majoring in psychology. She is active in Q. A., having been a quiet counselor in Bemis last year, and hall secretary for Ticknor this year.

Kathy Lockwood is the new vice-president, Doris Lyons, secretary and Denny Schoneberger, treasurer.

B. J. Hanger New Gamma Phi Prexy

B. J. Hanger was elected the new president of Gamma Phi Beta at their meeting last Monday, March 8.

The other officers for the coming year will be Jeanne Ham, vice-president; Winnie Wintz, corresponding secretary; Jeanne Cooper, recording secretary; Polly Studer, treasurer; and Helen Stevenson, pledge trainer.

Snoop with Stroup

By D. A. of the same name

According to special snoop, this is the straight scoop:

Nancy Stronan sporting a very special SAE pin from Joe Horace in Boulder. Bemis females have been attempting madly to learn an SAE song, but to date, have not succeeded.

Reeds and Bradley again bringing fame and fortune to the name of Colorado College by taking the grand prize at the talent show Friday night. Our own boys!

Prexy Lefty Grisham in the middle of a ballroom during an Independent convention in Boulder, with some mysterious young woman singing "The Man I Love Has Left Me" in his ear. This item is really a little too hot for us to handle.

Jim Ryan, Caroline Milbank and Lorrie Bunker, with faces ever so slightly colored from a recent ski trip. In fact, so slightly colored that people within a radius of twenty yards have been crawling under chairs, tables, or anything else available to keep from getting burned by the outgoing rays.

Photographer Caroline Stevenson taking pictures of occupants of McGregor porch at 10:30 last Sunday night. There should be some pretty interesting proofs. We'd print them here, but we just don't have room.

Pat Martin dashing out of Ticknor into a waiting car to go to a movie with some friends. Only she picked the wrong car. If you ever happen to step nonchalantly into someone else's car, just ask Pat what to do.

Jane Pollock carrying dice around in her coin purse. We wonder if she practices when she's alone.

Patsy Dinan and Duffy Bauer setting a new style with their positively astounding sleek, slender and sophisticated cigarette holders.

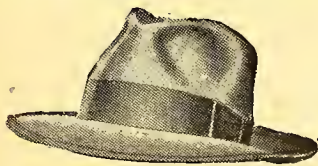

There is more scoop, but it's been censored this week.

Extra special, advanced news item: To Colorado College's most outstanding, devastating couple, Co-co Woodson and Bill Grote, something new has been added—a diamond ring.

Tiger Cage Team In AAU Tourney at Denver

Go to "Big D" After Wins Over Emporia State, 59-36, 82-53

March fourteenth and twentieth will find the Tiger quintet engaged in the National AAU tournament at Denver. This tournament, next to the NCAA and National Invitational tournament at Madison Square Garden, is the most important tournament going on in the country today. It should do much to determine C.C.'s rating nationally as an entry list of almost 64 teams is expected. This tourney offers a chance for Olympic tryouts.

Heading the list of powerful AAU clubs already entered are Phillips Oilers of Bartlesville, Okla., National champions for five consecutive years, and the Denver Nuggets.

A dark horse entry will be the U. S. Navy Blues of Baltimore, winners of 24 consecutive games. The Rocky Mountain Conference entries besides C.C. are Colorado State and Western State.

In last Friday's tangle with Emporia, the Bengal cagers romped over the completely bewildered Kansans by the score of 59 to 36. Coach Reid almost cleared the bench of reserves for one of the few times this season. Jack Quamme and Wilford Perkins paced the winners with 19 and 14 points respectively.

In Saturday's contest it was the same story, only this time the C.C. quintet went on to run its top score of the year, 82 to 53. The Bengals ran the score keepers almost dizzy with their greatest single scoring effort of the season.

The Kansans insisted on maintaining a closeknit defense in front of the Tiger goal, the Tigers taking advantage of the situation by banging home point after point in

Along the

SPORTS TRAIL

By BOB LEAVITT

On March 18, 19 and 20, Colorado College will be host to the NCAA hockey playoffs to be held at the Broadmoor Ice Palace. Therefore the entire CC student body will be expected to do their utmost to see that our guests from the University of Michigan, Boston University, and Dartmouth College are treated with the greatest of hospitality. Let's make their visit to Colorado Springs an event that they will long remember.

Jack Quamme, high scoring guard for the Tiger cagers, was named on the Gazette-Telegraph, All-RMC first team. Quamme was the top scorer for the Bengal quintet this season with a total of 230 points. Eathen Miller and Nick Yeonopolus were selected for the second All-RMC team. Wilfred Perkins was given honorable mention.

The CC Freshmen basketballers, playing under the banner of the Colorado Springs Elks reached the semi-finals of the Pikes Peak open cage tourney which was held at the City Auditorium this week. The yearlings were defeated in the semi-finals by the Hutchinson Battery quintet, 52 to 45.

Glenn Blagg, RMC heavyweight wrestling champ, will leave Sunday to participate in the 44th annual Eastern Intercollegiate Wrestling Association Tournament to be held at Lehigh university in Bethlehem, Pennsylvania. There will be 126 wrestlers, representing 16 colleges, entered in this tournament. Coach Bill Goodnight and Asst. Coach "Sunny" Price will accompany Blagg on this trip.

Mike Kofsky's program "Personalities in Sports," KVOR, 9:30, Tuesday and Thursday, has featured members of the CC hockey team. Tuesday night he will have some more of the squad on the air.

fairly long shots from the side court areas. At half time the score stood 34-23 with the home team coming back in the last 20 minutes of play to deal Emporia 48 points. This gives C.C. a record of 11 wins and 7 defeats for the season.

Leading the basketballers was Eathen Miller, who hit for a total of 12 field goals, while Quamme and Perkins got 21 and 12 respectively.—R. MacK.

Ten Games on 1948 C.C. Football Schedule

In the announced football schedule all C.C. fans will find no trace of OCU. The Oklahoma school was decent enough to cancel the contracted game.

The Tigers will open with two games away, lifting the lid on a newly lighted stadium at Fort Collins September 17 against Colorado A&M, and trekking overnight to Laramie, Wyoming, September 25 to play the University of Wyoming. The other trip will be the last game of the season, November 20, at Golden against Colorado School of Mines.

Opening the consecutive string of seven home games will be the Idaho State tilt October 1, inaugurating the new lighting system at Washburn Field. The lights are expected to arrive in Colorado Springs April 1 and should be ready well ahead of the first home game. C.C. will play five games under the lights in 1948.

The games will be broadcast by KVOR.

Homecoming is slated for Saturday afternoon, October 30, against Colorado State.

Athletic director Ben Douglas announced the following schedule: September 17—Colorado A&M at Fort

Basketball—Individual Scoring

More people are smoking
CAMELS
than ever before!

CAMEL
is my
cigarette!

Art Mooney

Colorado College Sextet in International Meet; Br. Columbia at B-moor Tonight and Saturday

In their second series of games with Canadian teams the Colorado College puck men face the British Columbia Thunderbirds at the B-moor Ice Palace tonight and tomorrow. The games will be broadcast over KRDO at 8:15, and rebroadcast at 11 over KVOR. Their intercollegiate record is not long as they are entered in the Intercity Senior League. They have a loss to California, 6-2, a tie with the San Francisco Olympics, 2-2, and on their last outing beat Prince George in a two game series, 9-4 and 12-6.

Frank Frederickson, the Canuck's coach, played on three Stanley Cup teams in the early 20's. Later he played with the Boston Bruins and coached at Princeton, 1933-35.

The Black and Gold have just returned from a successful trip to Wichita where they beat the Beechcraft Flyers 10-0 and 13-3. Due to a bad leg, Milo Yalich was unable to make the trip and Bruce Stewart was dropped back to fill in the defense slot.

Up front, Ray, Rowell and Slattery teamed up for a fast skating, smooth passing combination. Vern Wishart, who has seen little action until recently, was played with Whitworth and Hushion.

The first game was a real triumph for Roy Ikola who scored his first shut-out for the Bengals.

These will be the last games for C.C. before meeting the powerful Big Green sextet from Dartmouth in the NCAA meet next Thursday night.

Lancers Top Vikings For Championship

The Bengal Lancers scored a 6-2 victory over the Fountain Valley Vikings to cop top honors in the Colorado Springs Junior Hockey League yesterday afternoon at the B-moor.

Jack Might lead the CC puck-pushers with four goals while teammates Pete Alexander and Joe Carton accounted for single tallies.

The Fountain sextet didn't have the speed or sustained drive to keep up with the pace set by the Lancers. The first period saw the winners take full advantage of this by getting a 2-0 lead by the end of the first round.

In the second frame the Vikings matched goals with the Bengals but couldn't pull ahead as the buzzer sounded with the score standing 3-1.

In the third period the Lancers again put on the heat to tally three times to the losers one.

The Wyoming Cowboys shot back last Saturday night to take a close one from the "B" squad All Stars team by a six-nothing score. It was a hard fought contest with both sides swinging freely.

The Wyoming puck chasers avenged a defeat handed to them earlier this season by the Colorado College "B" All Stars.

The U. of W. sextet got off to a fast start by slipping four quick ones past Platt. The visitors used excellent team work which proved to be the decisive factor in the game.—J.P.

Action In 1947 Tiger-Indian Encounter

Dick Rowell and Lew Meier team with last year's goalie, Don Bates to stop a Big Green threat. CC lost 4-3 to the Indians in an overtime game and came back to score a 5-2 victory in the second encounter.

Tiger Cindermen Open Against CU April 3

Coach Ben Douglas has issued a call for all varsity and freshmen track candidates to draw equipment on March 15, 16, and 17. Weather permitting the Tiger cindermen will commence working outdoors March 15.

Coach Douglas will handle the track team for regular coach Cheddy Thompson who is still engaged with the hockey team.

The Bengals pry open their eight meet schedule on April 3rd against the CU Buffs at Boulder in an indoor meet.

Station KRDO will probably broadcast some of the Tiger meets this Spring.

The 1948 schedule is as follows:
April 3—Colorado University (indoor) at Boulder.
April 10—Adams State, Western State, Colorado College at Alamosa.
April 17—Denver University at Colorado Springs.
May 15—AAU Meet at Denver.
May 21, 22—Rocky Mountain Conference Meet at Greeley.
April 24—Colorado Relays at Boulder.
May 1—Colorado Mines, Colorado College, possibly Colorado University, New Mexico University at Colorado Springs.
May 8—Colorado State at Greeley.

The TIGER Sponsors First All-Collegiate Ice Hockey Team

The TIGER in cooperation with sports editors of collegiate newspapers throughout the country is sponsoring the selection of the first all-collegiate hockey team. The team of outstanding pucksters will be named immediately after the first national ice hockey championships, sponsored by the NCAA, at the B-moor Ice Palace.

Louis F. Keller, hockey coach at the University of Minnesota and chairman of the NCAA ice hockey rules committee, is honorary chairman of the selection committee.

Computation and weighing of the votes from the various schools are in the hands of a committee headed by Bob Udick, feature editor of the TIGER. The final board of selection will be made of the four managers of the teams participating in the tournament with Keller as chairman.

A partial list of participating colleges and universities includes Dartmouth, U. of California, Lehigh university, Mich. Tech., U. of North Dakota, Carleton, Colgate Brown, U. of Vermont and Boston College.

Tiger Club Elections To Be Held Thursday

Elections will be held at the Tiger Club meeting this Thursday, March 18 in Ticknor basement. The nominating committee has placed the following names on the ballot: for president, Judy Dunbar and Jane Pollock; vice-president, Sally Littell and Dottie Wilkinson; secretary, Dorothy Stroup and Pat Forman; treasurer, Jackie Von Holdt; and sergeant-at-arms, Alice Norton and Pat Bridwell. The meeting will start promptly at 4:30.

THE Couples Column

Next CC Wives meeting will prove to be quite enlightening, with a talk on current affairs by Dr. Lloyd E. Worner. The date, March 17th—the business meeting will begin promptly at 7:30 p. m.

The wives have been patronizing the local hospitals these days. While Steve Windward is recuperating from a tonsilectomy, his mother Shirley is ill in St. Francis hospital. Roberta O'Brien is home from Glickner after quite a siege of illness. Jody McCue, former CO wife, is the proud mother of a boy, her second.

Do you have a baby carriage for sale? If so, call Main 7644-W. If you want to buy a large can of Dextri-Maltose, call 7798-R. Interested in buying or selling, or perhaps a trade? Then call 7798-R and state your business.

Tiger Transport Bureau

In answer to the TIGER transportation story run last week, the following notes have been received:

"I have room for one or two people who live between Colorado Springs and Wallace, Idaho. Will go through Clayenne, Casper, Billings, Butte, Missoula, and Wallace. Riders will be expected to have "money enuff" to help pay expenses and a fair amount of cold blood. Will leave as early on the afternoon of the 25th as possible. Anyone interested contact Walt Sweet or Hank Jones, 195 Jackson House or the Beta House."

Would like ride to Tucson, Arizona for spring vacation. Will share expenses (oil and gas) and driving. Contact Freeman Hover, 917 North Nevada (The Adams House) or call 5649-M.

Hollis Spindle is seeking a ride to Oklahoma City, Okla.

Bob Liebman, 1414½ N. Nevada, wants to go to New York or vicinity. Call Main 10048-W for further information.

I desire a ride to Iowa, via Sioux City. Ready to leave March 25. Will share expenses. Please contact Bob Leavitt, M. 2479-J.

What's On ...

At the Theater

CHIEF THEATER

Now Showing—John Wayne and Lorraine Day in "Tycoon," in Technicolor.

Starts Wednesday—Eddie Cantor and Joan Davis in "If You Knew Suzie."

French Club Note

The French Club will meet next Tuesday night at 7:30 in the Hayes House library. It is urged that all members come, especially those who turned out for the French Club picture last time.

Tri-C

Tri-C will have student discussion of President Truman's civil rights program this coming Sunday, March 14.

German Club Meeting

The next meeting will be held on March 17 at 7:30 p. m. in Hayes House. Mr. Al Knorr will show colored slides of Germany and Holland.

Newman Club Note

The Newman Club will meet at Lennox House on Sunday evening, 7:30. Mr. Orville Trainer, former president of the Newman Club, will speak to the group.

S.D.A. Meeting Today; Given Tentative OK

The S. D. A. is still on its way to becoming a recognized campus organization, having been passed on tentatively by the Committee on Undergraduate Life. Final acceptance will depend upon action of the Board of Trustees of the college.

Meanwhile, the organization will hold a meeting this afternoon at 4:00, in the Student Council Room at Lennox.

Campus Skiers Enthusiastic Over Proposed Crystal Park Ski Resort

The announcement this week of the proposed construction of an elaborate ski resort in Crystal Park brought with it many enthusiastic comments from campus skiers. Located practically in CC's back yard, the plan, if developed, would not only enable many students who are short of transportation a chance to pursue the sport, but would allow competition-minded students to get in the regular practice which makes champion teams. The time element involved in reaching good "practice snow" has been prohibitive to team members to date.

Included in the proposed plans, which call for practice slopes, touring trails and runs up to two miles in length with a drop of 2,000 feet, are two chair lifts, a mile long "T" bar, and several rope tows.

In answer to questions by a Tiger reporter, Mr. Ben Snider, owner of the Crystal Park road, expressed a willingness to cooperate with the college ski club in working out an arrangement which would enable CC enthusiasts to get maximum benefit from the ski runs.

Warm blooded skiers, who have moaned at the cold winds that haunt many nearby courses, will be delighted to learn that the proposed course is in a protected valley where the lodge area is warmed by the sun and yet the ski slopes, protected from wind and sun by the mountains, are shield-

(Continued on Page 8)

Coffee Hour Today Honors Phi Beta Kappa

The Student-Faculty Coffee Hour this afternoon will have as guests of honor the new "Phi Betes," but you don't have to be a scholar to be welcome, only a student. That is, unless you're a faculty member. In either case, if you're not in the habit of dropping in to these friendly, informal gatherings, you're missing something. Why not set aside a little time this afternoon between 4:00 and 5:30, to have a cup of coffee and a short talk with someone you don't often see at leisure? This is your invitation.

SDA Meeting

There will be an important meeting of Students for Democratic Action Friday afternoon, March 19, at 4:00 p. m., in Lennox House. All those interested in finding an effective outlet for their opinions on matters of national importance are cordially invited to attend.

Finished Pictures Today At West Hall Office

Students who had pictures taken by Knutson-Bowers for the yearbook are advised that they can pick up the finished pictures at West Hall from 1:30 to 2:30 today.

—Bischof-Eastham Photos

New Growlers with organization prexy Bill Pfeiffer, Phi Delt and Vice President Sonny Price, Kappa Sig. In the usual order they are: Jerry Jeurink, Sigma Chi; Tom Tullis, Phi Delt; C. T. Raines, Phi Delt; Hank Ornelas, IMA; Bob Rowe, Stray Greek; Pfeiffer; Bob Laswell, Sigma Chi; Weldon Grinnon, Kap Sig; Bill Van Heusen, Kap Sig; Mike Hawkins, Kap Sig; and Price.

Growlers Fill Ranks For Spring Term

With the wearing of the prescribed uniform last Thursday and Friday during school hours, and the supervising of student seating at the British Columbia hockey games, the newly initiated Growlers completed the last initiation for this school year.

The Independent Men, Stray Greeks, and each fraternity has a quota of ten men which is filled once each semester. To become a Growler, each prospective member must have at least thirty credit hours and be suggested to the Club as a nominee by his organization.

The Growlers were started to be a pep organization but in recent times have expanded to become a service organization as well.

In addition to sponsoring bonfires, snake-dances and the like, the group has been in charge of seating at football games, helped in reception committees for visiting teams and even staged an assembly for the benefit of the student body.

The Growler society tried this winter to get an ice rink for the undergrads but it fell through, due to the lack of man power and machinery to level Cossitt bowl.

Dr. Wasson Guest of Honor At Practice Teachers' Annual Coffee Hour

Dr. Roy J. Wasson, superintendent of Colorado Springs public schools, was the speaker and guest of honor at the annual Colorado College coffee hour last Monday for approximately 45 seniors and graduate students in education who are doing practice teaching in local schools.

The affair was sponsored by the CC Department of Education and was held at the Faculty club. Dr. Wasson spoke on what school administrators expect from teachers.

The guests included Mrs. Wasson, Gen. and Mrs. W. H. Gill, Dean and Mrs. C. B. Hershey, Dean Sherwood Gates, Craig Minear, secretary of the Colorado Educational Association; Mr. and Mrs. Harold Threlkeld and Mrs. Lucy Perry, county superintendent of schools.

Mrs. Howard Latting, Miss Loreana Berger and Mr. and Mrs. John S. Jordan sponsored the function, which was initiated by Dean Hershey in 1923 and since has become an annual affair.

Publications Board Approves Plan For Reorganization of TIGER Staff

The Publications Board approved a plan for reorganization of the TIGER staff and public relations and Publicity offices March 15. The reorganization provides for credit for TIGER staff members, consolidation of Public Relations office and TIGER office, various additional courses in journalism, and definite duties for staff members. It will go into effect September 1948, providing the President, Student Council, Committee on Undergraduate Life, Dean of the college, Dean of the School of Arts and Sciences, and Committee on Instruction approve it.

Courses to be offered are Introduction to Journalism, now being offered, News Writing and Editing and Journalism 101 and 102. Students registered in 101 and 102 will automatically be on the Tiger staff. Students will receive one hour credit for this course.

Two buildings being considered for the new combination offices are part of West Hall or Cutler basement.

The plan is modeled from the "Brown and White," Lehigh University's student paper, which has been operating successfully since 1930.

It is expected that a fully developed constitution for the TIGER will provide better working policy, better means of choosing staff members to fill vacated positions, and a definitely set safeguard against any possible future encroachment on the rights of the TIGER as a strictly student newspaper.

This last matter has not been troublesome, at least in recent years, but the avoidance of it has been largely left up to general good will. Some students have felt that now, with closer connection between the paper and the journalism courses, such a difficulty might sooner or later arise, and could well be obviated ahead of time by constitutional protection, under A.S.C.C. auspices.

Dr. Sabine Speaks at Delta Epsilon Initiation

The annual dinner and initiation of CC's new members into the Society of Delta Epsilon, National Honorary Scientific fraternity, will be held at 6:45 p. m., Monday, March 22 in the Cossitt Hall dining room.

Dr. Paul Sabine, the speaker for the evening, has been a member of Harvard university for many years, making many research contributions in the field of speech, music and acoustics. His subject, "The Acoustics of Buildings" will be illustrated with lantern slides.

Visitors who may be interested in Dr. Sabine's lecture may come in at 8 o'clock.

Ten Members Named To Phi Beta Kappa

Phi Beta Kappa, national honorary scholarship society, has announced the names of its newly-elected campus members, and is making plans for a formal initiation to be held some time in April. Those chosen for the honored and coveted memberships are: Seniors, James W. Armstrong, Rodney D. Cobb, Richard S. Fryer, Jr., George F. Hoffmeister, Dorcas B. Reed, Hazel K. Severin, Beverly B. Staley, Nancy E. Vandemoer, Carol D. Welty, and Conrad T. Wilson; Juniors, Stanley W. Boucher, Horton A. Johnson, and Elsie M. Mihelich.

Senior members who were elected last year as juniors are Mary T. Hall and Billie Jean Kibble. Present officers of the CC chapter of the society are Dr. Don B. Gould, president, and Prof. D. W. Crabb, secretary.

The Phi Beta Kappa picture for the Nugget is to be taken this afternoon at 1:00 o'clock at the Faculty Club, where members of the honor society will be the special guests at the Student-Faculty Coffee Hour, to be held at the same time and place.

Clean Bill of Health For CC Infirmary

Student Prexy Duane Grisham said that he thought most of the complaints about service at the college infirmary were due to a misunderstanding of the functions of an infirmary and just what services are offered here at CC.

Grisham investigated the individual complaints that were made to the student council and consulted with the college doctor, Dr. Whitney, after Monday's meeting.

Juan Reid, chairman of the college health committee, announced that there will be an outline of the services offered under the college medical plan.

To date there has been a general statement that students would receive certain care. This year's student handbook and the next college catalogue will carry the explanatory outline, Reid said.

Grisham expressed hope that this would settle the complaints by making it clear just what the college can provide through its facilities and what it is unable to do. He stated that he was satisfied that the infirmary was doing a fine job of taking care of student illnesses.

By TOM PANKAU

EA. Note: The next few issues of the TIGER will carry a series of articles covering various phases of the NSA.

The Student Council of CC will attend the Regional Constitutional Convention of the National Student Association at Boulder on April 7, 8 and 9. At this meeting a constitution will be drawn up from several proposed constitutions and from new ideas and will be known as the Regional Constitution of the NSA. This document will be based on the National Constitution of the NSA, which was formed at the University of Wisconsin in September of 1947, but it will contain provisions directly affecting this region. Some of the more important schools in the Rocky Mountain province, who are expected to send representatives to the convention are: The University of Colorado, Denver University, Colorado College, Utah University, the University of Wyoming and Colorado A&M.

The ASCC does not plan to take any action on affiliation with the NSA until after it presents its report of the convention to the students. The Student Council does not want to make any affiliation plans without the approval of the students. There will be a great deal of publicity and information on the NSA during the next few weeks so that the student body will have an opportunity to learn "just what the NSA is," therefore, will be better prepared to vote when the time comes.

Just a word about the background of the NSA, where, when and why it was formed. The National Student Association was formed in December of 1946 at a national convention held at the University of Chicago. The necessity for such an organization was seen by the U. S. delegates to the Prague World Congress when the U. S. was the only country represented that did not have a national student organization. This world convention took place in the summer of 1946, with 51 nations represented.

Corrected Copy

In the Gazette-Telegraph of March 12 there appeared a letter headed "Corrections," signed by Robert Donner. Masquerading as a correction of misleading statements printed in the American Commentator, this letter continues in Mr. Donner's own way his policy of heaping insult on damage with innuendo, slurred logic, and the emotionally-loaded wording typical of the propagandist.

If Mr. Donner felt it his "duty to investigate as far as possible the actual condition," then why in the name of common justice did he not do his duty before opening his smear campaign against Colorado College? And did he feel it his duty as well to include among his "corrections" an insinuating and absolutely irrelevant remark that he "investigated" because many (unnamed and unnumbered) "parents of the children in question feared to do so because they felt that retaliation might be inflicted on their children by the teachers who might be under criticism." Tell us, Mr. Donner, do you think the Gestapo has arrived and has the situation well in hand, or do you just want your readers to think so? JUST WHAT WAS YOUR PURPOSE IN INSERTING THAT LOW BLOW IN A LETTER WHICH SHOULD, IN A MORAL MAN, HAVE BEEN A CLEAR RETRACTION OF YOUR UNFOUNDED SLURS ON THE COLLEGE?

You also point out that at no time have you "made the definite charge that any member of Colorado College or its faculty was 'red.'" Well isn't it nearly time to PUT UP OR SHUT UP? Has anything but the libel laws stopped you? Would you tell us what you have been driving at, if not to demonstrate that there is "red" faculty and administration at C.C.? Is it worth while, in your judgment, to cast suspicion where it does not belong, using (and I do mean using) the local press to gain your blindly destructive end?

And why were you surprised, Mr. Donner, at having received cooperation from the college? Did you expect to find something on the order of the "trained party indoctrination" which the TIGER lampooned in its first report of your visit? No, up here we're inclined to practice common courtesy—although in future you might find courtesy more consistently assured if, for instance, you took your deep, dark suspicions to the universally-respected president of the college before plastering them all over the front page of what I believe to be the only paper in the state that would print them—excepting, of course, the paper edited by your friend, Mr. Nenoff, which seems to favor printing anything destructive, under a phony guise of "Christianity."

As far as you know, there is no connection between the D. U. Social Science Foundation and Colorado College? Why as far as you know? Would it have taken more than a moment to call General Gill or almost anyone at C.C., to make sure of "the actual condition," so that you could discontinue being vague? OR IS YOUR PRECIOUS INNUENDO TOO VALUABLE A TOOL, Mr. Donner?

It appears to be so, since your final paragraph uses it too. If you have not "EXPOSED anything in the present year . . . at Colorado College," IN WHAT YEAR HAVE YOU, OR WHAT HAS IT TO DO WITH YOUR FEB. 20 ATTACK? And if your tirades against what you choose to call "Social Science radical educators" is not exposition, would you mind telling the town what it was you were doing, without launching into any further digression from the subject of Colorado College and the "subversiveness" you find there?

The TIGER is out after some real corrections, Mr. Donner.

W. S. S. F.

Dear Editor—

Many of us heard President Truman's address to Congress Wednesday. Among other things he recommended fast passage of the European Recovery Program bill through the House. European recovery not only entails the sending of food, clothing and medicines abroad but also supplies to help with the education of young men and women in war devastated areas. This is where the World Student Service Fund comes in. Helping to educate students and give them the supplies necessary for this is just what W.S.S.F. is trying to do. They feel, and rightly so, that you can't have world peace unless you have well-trained minds and intelligent thinkers. The body can not grow and mature without food, neither can the mind grow without its type of nourishment.

There are World Student Service Fund drives going on right now on many campuses in this country to raise money to help give fellow students abroad some kind of an education. We here can well afford to give freely to a drive, which especially at this critical time has so much significance. What has been done about it on this campus? Nothing. Why? Because few seem to give a darn. It is trite to say we have so much and they so little. Stuff like this has been said too often. Nevertheless it is true.

The Student Council needs people to help run a W.S.S.F. drive. They can't do it alone. They would like to see interest and outside help. If we have to call off so worthy and timely a drive here at CC for lack of student support, there ought to be plenty of blushing. — Helen Stevenson.

Education, You'll Get

Time magazine is conducting a world-wide survey to measure the influence of education on public opinion. We can't help trying to jump the gun, to the extent of making a guess at what the poll will bring to light.

To start with, we've been looking at the news lately, and we wonder whether there has been a noticeable influence of education, or even whether there has been education. For instance, there are lots of people fighting communism. That's all to the good, but they find themselves with very strange bedfellows for allies—even some who come equipped with their own sheets, we hear. Where has education got to in this country, where is its influence, when a band of fanatics can intimidate (not legislate, get that, but intimidate) a larger number of citizens, preventing them by fear alone from exercising their legally-guaranteed right to vote, and when the reaction of the governor of the state was a statement that Ku Klux Klan meetings should be outlawed . . . ! ! And maybe he was being courageous to say that much.

ARE WE FIGHTING COMMUNISM TO MAKE THIS COUNTRY SAFE FOR FASCISM?

Maybe the influence of education isn't any good, anyway. Mr. Donner wants us to abolish the social sciences—let's see—that would include history, so we couldn't learn from the stories of Hitler, Mussolini, Stalin, et. al.; economics, so we wouldn't learn how to balance trade; psychology and sociology, so no one would know what has been destroying minds and civilizations; political science, so no one could see the broad implications of political movements; shall we go on?

Donaldson Speaks On Racial Discrimination

Speaking last Tuesday in the fourth lecture on the "Fundamentals of Democracy," Professor Agnes Donaldson spoke on racial discrimination. She particularly cited the case of the Negro in America today.

"We spend much time in research on our economic, social and political needs," the CC instructor said, "and yet the needs and the solutions discussed are in most cases not applicable to all classes and races of people. The 13,000,-

000 Negroes in this country are now moving all over the nation, their race is ever-growing, and as a part of America, they should be reckoned with in all our policies."

The desire of the Negro for increased privileges, the troubles created by segregation, and the violence created by select groups aimed against the Negro were named by her as the three most pressing problems which menace the stability of our social order.

"Ignorance is fertile ground for prejudice," Miss Donaldson concluded. "With an honest effort to understand basic human relationships we can, through the aid of schools, newspapers, churches and special groups, break down the barriers and prejudices which are responsible for these unjust discriminations."

Harrises Plan Folk Music Program at FAC

Singing, playing and tall tales about people, love songs, work songs, dances, ballads will be on the program of Roy and Johanna Harris at the Fine Arts Center next Tuesday evening.

This lecture is the fourth in a series of five given by the Harrises for the student body and faculty of Colorado College. Students are urged to attend the concert on Tuesday night, March 23, at 8:30 p. m. in the Music Room of the Fine Arts Center. There is no charge for admission.

The Harrises have long been vitally interested and involved in the folk songs of our nation. Their home in New York was a meeting place for Alan Lomax, Burl Ives, the Golden Gate Boys, Aunt Mollie Jackson and many other famous singers, who came to sing and talk and argue and play.

From these evenings of camaraderie Harris wrote his Folk Song Symphony, which Time magazine characterized as "Like a whole nation rising up and saying 'Hello'."

Roy Harris was born and cradled in folklore. His grandfather was a circuit rider in Kansas; his father staked out their homestead from the Cimarron Rush down in Oklahoma, where folkways flourished and still abound. Johanna Harris' grandfather was a champion Irish folk singer in Canada. Her singing of "Teddy O'Neill" and "Cod Liver Oil" would make an Orangeman wear the Green.

The Harrises have just returned from Oklahoma where their folk song program was given in the Annual Music Festival at Chickasha.

Malone to Address Tri-C

Dr. Carroll B. Malone, professor of history, will discuss the Communist Manifesto and its present significance after a hundred years, at Tri-C this Sunday, March 21. The meeting will be at Gregg Library, 20 E. St. Vrain, at 7:15 p. m.

R. J. C. Sez:

I don't suppose that there are more than about twenty times a day when I am perfectly convinced that I was born into the wrong world or the wrong century or something. Where any other person can walk into a drug store, ask for a pack of cigarettes and get same, I walk in, ask for the cigarettes and from then on it is anybody's fight. The scientists say that the human body gives off a "fear scent" when the occupant of the body is frightened and I must give off a "diffident scent" when confronted by one of those modern tyrants called clerks.

Any one of the Barrymores could take lessons from a salesgirl who has been interrupted (by me) in the midst of buffing the nail of the right ring finger. She turns slowly as if unbelieving that anyone could have the temerity to interrupt her meditations and then, seeing me holding on to the edge of the counter for support, the emotional peak of the act blazes into being. Her head raises, her nostrils flare and she may even recoil a step and raise a hand. Then, after a very awkward pause, she invariably asks, "Well?" with that nasty little rise at the end which is enough to put me off my feed for days. To this I usually reply, "I'd like ah—ah, that is, do you have ah—ah, what I mean to say is, ah—ah." Of course anybody might get a little peevish over this sort of monologue and she does with a snappish "Please, sir, I don't have all day you know!" And that finishes the job; if they were having a special sale of the elixir of life, I couldn't ask for it. Then having played one more soul-searing glance over my cringing frame, she returns to her fingernails, the winner and still champion.

Now, something has got to be done about this; I've been unable to buy much for months and then only from clerks who happen to be my friends. I, personally, would like to see this problem placed on the agenda of the United Nations, but I fear that the problem might conceivably wreck the organization, as it has me.

Snoop with Stroup

By D. A. of the same name

Nobody seems to be talking about the weather anymore. The subject seems to have worn itself out. In fact, it's a wonder the weather hasn't worn itself out.

Anyway, last Saturday was nice. Everybody with a convertible took their tops down, and Grote even took the sides out of his jeep.

At least we have the atmosphere of spring. Mary Epler is wearing a Phi Delt pin from C. T. Raines; Prudy Boutin and Ted Baird are attached by way of a Beta pin. Someday it would be interesting to take a survey of all the pins left in male possession around the campus, but maybe information like this should be kept under cover, for protective purposes.

Next to the weather, the most outstanding event was the exciting, extremely wet swimming tournament. And possibly the most outstanding event in the tournament was Hattie Carver's surface dive, or maybe it was Cora Woodson's extra-curricular comic dive, performed above and beyond the call of duty.

Then of course the Thetas finally got initiated in spite of the fact that eighteen of them disappeared out of the powder room window one evening, and Pattie Lois Stephens lost her shoe in said act.

Even Beryl Barr got through the week somehow without talking to Paul Fellman — well, almost. She seemed to be having a little difficulty Friday night at the hockey game, but the whole Phi Cam chapter kept her from going too far astray.

It is reported that Jim Alured is now at the head of his class in Children's Literature for telling the best fairy tale so far. He had the class so completely enchanted that they almost forgot to leave.

Other choice little footnotes:

Bill Murray conducting a taxi service last Saturday on his bicycle for all young women in the quad.

Helen Hawkins chaperoning George Hoffmeister and Marge Clark.

Gilkinson's car parked in front of the infirmary quite often.

Maybe the weather will be consistent next week.

Reeds, Bradley, and Klingman Conquer New Fields for C. C.

"Audience Rolling in Aisles—Until the Usher Took Their Dice Away," Said Reeds

—Bischof-Easthain Photos

Colorado College reigned supreme at the Trail Theater's Friday night talent show. With Hank Klingman's incomparable music as a background, Wes Bradley and John Reeds presented a Hope-Crosby vaudeville flavored skit complete with the usual songs, puns, glowbows and burlesqued attire.

This famous "Blackie, Whitey and Rabinowitz" trio (as they call themselves) captured first place among the finalists of the past six weeks. The Sigma Chi trio entered the finals by setting a new applause record at the Friday night show of two weeks ago.

As can be seen by the adjoining picture, the Sigma

Chi had full control of the front seats in the theater, so it was small wonder that the applause meter reached a new high as the crowd expressed its appreciation and the Sigs came through with first prize.

Reeds and Bradley began their climb to fame with a similar presentation at the Crowler's assembly some weeks back.

"C" Club Sweater Dance to Follow All-Star Game

Doing their part to initiate "green up" time, the men of the "C" Club are staging an evening of varied entertainment for the whole school, the first Friday after vacation. Glenn Blagg, president of the club has announced that the first event of the evening will be a basketball game between the all-star team and the intra-mural champions. An informal, sweater-and-skirt dance will follow, with refreshments in the club room.

Gals Shoo Men Away But Only For an Hour

"No men allowed" was a feature of yesterday's assembly given by the A.W.S. The purpose of the assembly was to obtain welcomers for next year's freshman women.

Marion Crowder, the retiring president of A.W.S. explained CC's plan for greeting the new students, and what was expected of welcomers. D. A. Stroup donated her talents in a very clever skit on the theme "The ideal (?) way to make a new freshman feel at home." The Tiger club

CC's "Horsey Set" Ready to Ride, Ride!

Equestrians around the campus are dragging out their jodhpurs and saddle soap for CC's annual spring riding show, tentatively planned for April 25. The show is being organized by the Riding Club, and sponsored by the different organizations on campus. A site has not been chosen as yet, but it is hoped that it can be held somewhere on campus.

There will be six main events: western, bareback, pairs, show, jumping and games. The organizations will be allowed two contestants apiece in each class of the first three events, and one apiece in the last three. Each organization will have three horses, including one jumper.

The committee for the show is John Haggart, in charge of classes; George Milhoan and Lefty Grisham, grounds; Jack Dern and Jess Chalfant, horses; Rosie Johnson and Eddy Rose, prizes; and Clarence Hads, judges.

Members of the Riding club will meet with representatives from each organization this Tuesday, at 7:30 p. m. in Lennox. Anyone who is interested is invited to come.

ushered for the assembly and collected the applications of prospective welcomers.

Anyone not at the assembly who would like to apply may do so by contacting Jean Schryver.

D.G.'s Fete Neophytes At Lodge Sat. Night

The Delta Gamma actives will give an informal dance in honor of their initiates and pledges tomorrow night, March 20. The dean has given 2.00 permissions for the dance, which will be from 10.30 till 1.30 so as not to conflict with the hockey tournament.

The initiates will choose a queen from among themselves to reign over the dance. It is rumored that the actives are secretly planning an elaborate set of decorations and some interesting entertainment.

"Beany" Brainerd, the social chairman, is in charge of arrangements. Marty Bransom is planning the decorations; Franny McDonald, entertainment; Pat Starrels, refreshments. Bob Lovett's band has been engaged.

Mr. and Mrs. Woodson Tyree, Mr. and Mrs. Ben Douglas, and Mother Jackson are the chaperones.

Miami Triad Dance

The Phi Delt, Betas and Sigs make small talk with their dates during intermission at the Miami Triad Dance. This dance, an annual affair, was held last Saturday night in the Hawaiian Village.

IWA

The next Independent Women's meeting Monday at 7.30 will feature a song practice which should get you all fit for exams. Song chairman Betty Fisher is anxious for IW singers to shine this year—so come!

CC Cagers to Have Annual Banquet

The CC basketball team will leave the hardwood court next week to hold their annual banquet. The date has not yet been set, but it is expected to be immediately following the team's participation in the Denver A.A.U. tournament.

According to team captain Nick Yeonopolus, the affair will be held at the Spruce Club, complete with a dinner, speaker, and dancing to the music of Drex Broome combination.

Vacation Time

Dean H. E. Mathias has announced that Spring vacation is to begin at 5.00 p. m., Thursday, March 25, and will end at 8.00 a. m. on Monday, April 5.

Theta

The 19 new Theta initiates are proudly displaying their active pins, after their initiation last Sunday, March 14. The Theta alums gave them a banquet at the lodge after the ceremony.

Installation of the new Theta officers for the 1948-49 term was held Monday night at the lodge. Gail Barr is the president; Dottie Wilkinson, corresponding secretary; Nancy Bryson, vice-president and pledge trainer; Ruthie Nunn, treasurer; Button Elhott, activities chairman; Pat Greer and Mary Grell, social co-chairmen.

Delta Gamma

The D.G.'s held the installation for their new officers last Monday night. Nancy Vandemocr, the retiring president, conducted the ceremony. The president-elect is Patsy Dinan; vice-president, Helen Hawkins; recording secretary, Jean Schryver; corresponding secretary, Polly Pierson; treasurer, Helen Van Dusen; activities chairman, Eddy Rose; rush chairman, Frannie McDonald; and pledge trainer, Doty Shaw.

Kappa

Installation of the new officers was an event of formal meeting of Kappa Kappa Gamma, Monday evening.

Prexy and Mrs. Gill Guests at Kappa Tea

One of the most important social functions of the year took place on Wednesday when the Kappas honored Pres. and Mrs. Gill at a tea. All faculty members, presidents of the campus organizations, alums and sorority members were invited, and over 300 guests were served between the hours of 4.00 and 6.00. President and Mrs. Gill, Mrs. Bonforte, Ginny Ferguson and Miss Margaret Smith formed the receiving line, while Joannie Richards, Jessie Cowles and Connie Nuzum poured.

Marge Gilliland was installed into the office of presidency; Phyllis Sundquist, standards and personnel; Charlotte Sutton, recording secretary; Connie Nuzum, corresponding secretary; Barbara Brandenburg, treasurer; Nancy Harkness, pledge trainer; and Shirley Patt, scholarship chairman.

Plans for a spring formal at the house are underway, with May first set as a tentative date.

Gamma Phi Beta

One of the first of a series of informal events held at the house was a bridge party given by the Gamma Phi last Saturday afternoon, March 13, for members and friends.

On Monday night, March 15, the G. Phis held the installation of their new officers.

Independents

At Monday night's meeting, the Independents voted ratification of the constitution of the Western Conference of Independent Organizations of Colleges and Universities. A vote to join this group was also passed by a large majority.

A joint meeting of all Independents will be held this Monday.

The executive boards of the IWA and IMA will meet in joint session prior to this meeting to discuss possible consolidation of the two independent organizations on the campus.

Beta

At a recent meeting, the Betas and 53 of their alums spent an enjoyable evening seeing colored slides taken by Mr. Standley, a well known Colorado Springs scenic photographer.

Kappa Sigs

The Artists and Models dance is beginning to be the main topic of conversation around the house. Elaboration on many original plans will make this French-theme dance one of the best held by the local chapter.

Indians Drop C. C. 8-4 In Last Period

Dartmouth Scores 5 In Final Frame to Take Spirited Tigers

Colorado College's puck team went down to the Hanover squad 8-4 in the first game of the NCAA Ice Hockey tournament last night at the B-moor Ice Palace.

The inspired home team kept up the pace set by the visitors all through the first period and went ahead by one goal at the close of the second.

The lack of reserves (Chris Ray and Clark Wilder were both declared ineligible because of their freshman status) showed up in the tired but still fighting team that went on the ice for the Black and Gold in the last stanza of the game. It was then that Eddie Jeremiah's men came through to win.

With the Big Green pucksters one goal ahead, Bruce Stewart teamed with Dick Rowell to score the initial tally for the Bengals. Joe Riley pushed one into the twines to give the Hanoverians a 2-1 advantage as the buzzer sounded at the end of the first twenty minutes of play.

Whitworth and Wisbart connected for the first score of the second period to tie up the game. Rowell, assisted by Slattery, put CC into a 3-2 lead a little later. Joe Riley came down the ice alone to tie the tilt up again. It was a pass for Stewart that Rowell knocked into the twines to put the Tigers ahead 4-3 at the end of period two.

No scores were registered by CC in the final playing time, while Joe Riley got himself the hat trick and put an extra puck through for good measure.

Roy Ikola was credited with 22 stops while Dick Desmond, Indian goalie, had 39.

And then there was a referee from New York named Edward French!

Track Candidates to Work Out Next Week

Coach Ben Douglas has requested all track candidates to commence working outside as soon as possible.

The Tiger cindersmen open their schedule against Colorado University April 3, this leaves very little time for the Bengal aspirants to get in condition.

With several 1947 lettermen returning, Coach Douglas hopes to have a well balanced team this Spring.

The CU meet will be held in the large Boulder field house, so regardless of weather conditions this meet will be held on the scheduled.

On April 10, the Tigers will participate in a triangular meet along with Adams State, and Western State. This meet will be held at Alamosa.

CC Eliminated in Second Round of AAU Tourney

Last Monday afternoon Coach Reid's basketball team moved into the second round of tournament play only to be beaten by a strong and powerful Navy team by the score of 67 to 40.

The Navy Blues were made up, not of cadets at the naval academy, but of officers and enlisted men attached to the academy.

The Navy team received a bye into the second round and the Tigers moved up with a forfeit victory over Royal Crown of Shreveport, La.

Trailing 31-24 at halftime, the Tigers found the going too rough in the second half of the game as the fast break attack featured by the gobs left the Bengals far in the lurch.

Eathan Miller was top man in the scoring for the Tigers with 12 points while the Navy club turned up with three players who hit in the double figure bracket.

The Navy Blues of Baltimore, winners of 24 consecutive games up till the time of their tournament

competition, were considered a dark horse entry. The Blues along with 13 other top notch tournament teams will go into the fourth round this afternoon, March 17. Heavy favorites in this race are Phillips Oilers of Bartlesville, Okla., national champions for five consecutive years, and the Denver Nuggets.

Cup To Be Awarded Most Valuable Player

A trophy will be awarded to the most valuable player in the NCAA tournament by local radio station KVOR, it was announced Tuesday afternoon.

This valuable player award will be a perpetuating cup which will revert back to the committee before each annual tournament for the presentation to the most valuable player of the succeeding tournament, Walter Byers, executive assistant of the NCAA, said.

All players of the teams in the competition will vote for the ones of their opposition that they think were outstanding in the competition. To avoid intra-squad friction the teams may not vote for any of their own members.

Although sponsored by KVOR all matters pertaining to the awarding of the trophy are in the hands of the NCAA intercollegiate hockey tournament committee.

The 29 inch cup will be presented at the final game of the series Saturday night.

Fijis Move Into Second Place in IM Race, Win Over Kappa Sigs

The Phi Gams and the Beta cagers each climbed a notch in the intramural basketball league last week.

The Fijis defeated the Kappa Sigs to the tune of 48 to 34, while the Betas edged the Freshman 52 to 51 in an exciting encounter.

The Sigma Chis, who are still undefeated, seem well on the way to clinch the IM championship with a record of 5 consecutive victories to date.

All intramural teams that have postponed games to play off are urged to make arrangements to play these games as soon as possible in order to complete the IM basketball in time for spring sports coming up.

Tigers Postpone First Baseball Games

The CC athletic office has announced that the two game series between the Tigers and the 15th Air Force diamonders, which was to have been played this week-end, has been postponed to a later date.

Due to calamitous weather neither team has had any ample time to work outside in their pre-season training.

If excellent weather prevails the CC men will meet the Wyoming university nine at Stewart Field on March 26 and 27.

In spite of the fact that the Bengal nine has been working indoors, they are gradually getting into shape.

Pitchers Ruben Chavez, George Theodore, Warren Goodnight, Chuck Roper and John Taylor are in excellent condition. They will be expected to carry out the mound chores for the Tigers this spring.

Fritz Minuth will undoubtedly handle the catching duties, but Roy Lilja and Billy Mitchell will be on hand for added reserve duty.

Harry Waters and Paul Ritsch are competing for the first base berth. Two excellent prospects for second base are Wilfred Perkins and Chuck Bouchard. Coach Goodnight can rely on Dick Nerad and John Litt for the keystone sack, while veteran Don Jones is expected to hold down the shortstop spot. In the outfield the Tigers have Leo Hill, Jack Mitchell, Norm Wold and Bruce Stewart.

Along the SPORTS TRAIL

The Downtown Quarterback club has made a move to prohibit all smoking at the Broadmoor Ice Palace during the NCAA hockey playoffs. All CC students and fans attending the playoffs are requested to give their full co-operation for this worthwhile movement.

Coach Bill Goodnight has five outstanding pitchers on his varsity diamond nine this spring. But all five of these men are right-handers. The Tiger mentor would certainly appreciate having at least one southpaw on his hurling staff.

Football coach, Ben Douglas, has requested all 1948 football candidates to draw their equipment for Spring practice which will commence on April 5. This spring's practice session will cover a period of four weeks. Training will probably be climaxed with an intra-squad game.

Chris Ray, sensational wingman, and Clark Wilder, reserve goalie, on the CC hockey aggregation have been declared ineligible to play in the NCAA hockey playoffs this weekend. This was announced by the NCAA rules committee Wednesday. The NCAA rule states that no freshman athlete is eligible to participate in any NCAA athletic contest. Since Ray and Wilder are both freshmen their case comes under this clause.

Four Tiger cage stars have played their last basketball game under the Black and Gold. Captain Nick Yeonopolus, Rathen Miller, Leo Hill and Gordon Hill expect to receive their "sheepskins" from CC in June.

Tourney Tonight

Tonight Michigan will face the men from Chestnut Hill, the Boston College Eagles. BC was not too impressive in their regular season although they did topple Dartmouth once and later went down in defeat to the Big Green.

In the post season tournament that was played to decide the NEIH champion, the Eagles swept the series and defeated the league leading Boston university sextet.

Tennis Prospects Meet At Lennox April 6

The tennis outlook for Colorado College is very good according to word from coach Pete Alexander. There are five returning men with experience, but Pete hopes all male enthusiasts will turn out at the meeting which is to be held April 6 at 2:30 p. m. at Lennox.

As yet there is no definite schedule but letters are out to the surrounding colleges. An eight game slate is hoped to be worked out. The tentative date for CC's first match is April 9 against Colorado university at Boulder. The squad will journey to Denver on May 21-22 to compete in the Rocky Mountain meet. Plans are under consideration for the home matches to be played at the Broadmoor courts.

Pete has on several occasions played either with or against such tennis gents as Jack Kramer, Bob Riggs and many others. He entered the professional ranks just shortly before the war. Later he competed in the National Amateur tournament and also the National Professional tournament.

The coach started the famed woman amateur, Shirley Fry, on the road to success. She has been runner-up in the Women's National Amateur matches for several years. Alexander plans to continue in tennis as an instructor.

Hopefuls for this season's squad are: John Light, Jack Daly, Lars Larsen, Ron Newsom and Rizo Lomo. Last season's record was 7 wins against one loss, the loss being to DU.

Thetas Win Swim Meet Delta Gams, Second

The WAA intramural swimming tournament was won by the Thetas with the Delta Gammus second and the Gamma Phis third.

The different events were won by the following people:

25 yard free style: First, Nancy Wilson, Delta Gamma; second, Mary Allerton, Gamma Phi.

Side stroke for form: First, Nancy Crain, Theta; second, Carol-line Milbank, Kappa.

50 yard free style: First, Hatti Carver, Theta; second, Eddie Rose, Delta Gamma.

Back crawl for form: First, Nancy Bryson, Theta; second, Jan-ice Long, Kappa.

25 yard back crawl: First, Nancy Crain, Theta; second, Dorothy Lucas, Kappa.

Front crawl for form: First, Mary Allerton, Gamma Phi; second, Gale George, Theta.

100 yard relay: First, Delta Gammus; second, Gamma Phi.

Breast stroke for form: First, Nancy Wilson, Delta Gamma; second, Carolino Milbank, Kappa.

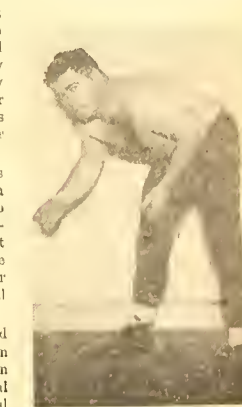

25 yard breast stroke: First, Hatti Carver, Theta; second, Nancy Wilson, Delta Gamma.

Novelty candle race: First, Jan-ice Long, Kappa; second, June-y Brahman, Gamma Phi.

Diving: First, Mary Allerton, Gamma Phi; second, Cara Wood-son, Delta Gamma.

The bowling tournament will be held Saturday, March 20th at 1:30 at the Victory bowling alleys. No practices are required.

At National Meet

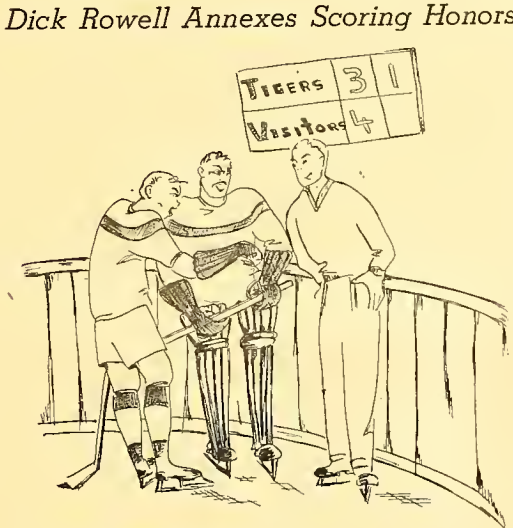

GLENN BLAGG
Glenn Blagg who is now participating in the NCAA wrestling tournament at Lehigh. Glenn has gone undefeated in competition in this region this year.

In addition to being a member of the wrestling team, "Little Glenn" has played guard on the Tiger eleven and participated in the field events with the track team last year.

Campus Skiers—

(Continued from Page 1)

ed from the thawing and freezing that occasionally makes ice skates more desirable than skis.

The announcement came as a surprise to many local students who were not aware that sufficient snow existed so close to town. However, snowfall statistics kept by the Colorado Springs utilities department show an average of three feet of snow at Crystal Park's lowest level January 1. On Cameron's Cone, where the ski trails will start, snowfall between January and May totals over nine feet. Snider pointed out the additional good point about the area that there are no boulders or other impedimenta fouling up the runs.

Low Man On A Ski Pole

The open slope at Climax is well worth taking two and a half hours or more across the road, that is mostly flat and straight, into the vast range of mountains that are worth seeing even off skis. But, of course, once you've put your skis on, paid only \$1.25 and reached the top of the hill at Climax, you won't need my salestalk to convince yourself to come back. I think that there you'll find some of the most terrific scenery around here. Last weekend, the sun was so bright that we were skiing in our shirt sleeves, but if you are more partial to moonlight, the hill is flood-lighted every Wednesday and Saturday night.

World Affairs Council Opens Public Program

The Council on World Affairs was off to a good start with its first public program of this semester last Thursday evening at South Hall. A March of Time movie on the Greek situation was shown. Bill Davis then gave a report on his firsthand impressions of Spain—its political, religious, economic and military

aspects. This was followed by an informal question and discussion period. The speaker and members of the audience discussed various phases of the Spanish situation, and Spain's position in the present European Crisis.

There will be an extremely important meeting of the Council on World Affairs Sunday evening, March 21, at 7:30 p. m., in Lennox House.

SUBVERSIVENESS UPROOTED AT CC

Dauber Takes Campus In Surprise Move; Promises Patriotic Reforms

By ALOYSIUS J. FINESCRIBER

In the first sweeping coup since about this time last year, the college has undergone a complete change of administration, according to an announcement issued this morning by J. Parnell Dauber. Expressing satisfaction for the first time, Mr. Dauber said "It is a wonderful feeling to know that my favorite college is no longer going to be full of subversive influences. Now I can finally uproot all the things I have disliked for so long, especially them there socialistic science radicals, and all them alphabet soup organizations like what reminds me of you-know-who, the lousy *0(3x!!--." Here Mr. Dauber became almost incoherent in his noble resentment at the thought of the abuses he was able now to erase, "like this here academic freedom," as he himself put it so succinctly.

Regaining his composure, he went on, "They'll see—I've got plans—I know what to do with fools who want to look at BOTH sides, and the middle, too—I can handle this—you know, I'm a trained investigator from way back, and I've got organization."

At this point, Mr. Dauber drew from his brief case an artist's conception of the way Palmer Hall will look when his organization has finished the task of removing all the features he considers subversive, and shoved it proudly across the desk to the CAT reporter. It seemed to have no human element in it, so the staff artist added two figures and a caption, as reproduced here.

In explanation for the unusual appearance of the building, the new Chief Gauleiter, as he will be known, emphasized that he doesn't want to seem destructive, but that he knows what is good for education, while his predecessors did not, and that we must all conform if we are going to have the blessings of 100% ANYTHING.

He then referred to one of the specific organizations of the hated alphabet variety, to be disbanded immediately, the SDA, naming a successor organization, to be known as SDR, or Students for Democratic Reaction. In connection with its first membership campaign, a radio program will be broadcast daily from South Hall, under the title of "Can You Stop This?"

This broadcast, the first to originate from behind the Iron Curtain which has surrounded C.C. for all the years of its corruption, will be an audience participation show and entirely spontaneous (nothing will be read on the program). Carefully censored copies of the Declaration of Independence will be given to contestants who repeat most correctly the prescribed answers to questions on 103% Americanism in the fullest sense of the word.

CC Critic Rapped In Toiles' Paper

Vulgarsoil Toiles (from the Vienna Woods), managing editor of the Gasjet Belly-laugh, announced in a 108-point headline this week that hereafter his newspaper will support Colorado College "in every faze of its academic pogram."

"Splendid changes at CC, inaugurated by President Dauber, have convinced me and my boy that education, when tempered by sufficiently high standards of illiteracy, can be a good thing," the brilliant local journalist declared.

"In fact," Toiles' front-page editorial stated, "this newspaper has boldly rejected a slanderous letter declaring that CC, under the Davies-Gill regime, was a financial and cultural asset to our city."

"That letter was signed only, For Lost American Youth." Naturally we do not print anonymous communications.

"Wide Open Congress is henceforth closed on this subject."

Cutler Rock-Crusher Put to Use Again

Citizens who heard the anguished cries issuing from Cutler basement will be happy to hear that another of the adversaries of our new regime has been eliminated by the formerly useless rock crusher. Dumkopf Nimrod, who is in charge of reconverting Cutler, noticed the machine in his roavings, and made the astute observation that it might be of much advantage in the glorious purge.

The victims formerly consigned to the gallows in the bell tower are being disposed of by this new instrument under Article XIV of our Constitution, i.e., "More pain, more strain—we aim to maim." Cretchen Finescriber is on constant duty to supply executions with that delicate feminine touch.

New Black-And-Gold Shirt Police Get Shirty With Faculty Subversives

Yesterday, in a well-timed operation, the newly-formed vigilante organization, the Black-and-Gold Shirts, struck at corruption on the Colorado College campus. Flying squads of their police, acting on a tip from the Decency league, stormed into the Faculty club and overcame all resistance before it could organize. The raid, climaxing months of intensive work in gathering evidence, netted a haul of contraband and criminals, the

like of which has not been seen since the repeal of prohibition.

Taken at the Faculty Club were several of the leaders of local crime whose influence is reported to extend over several states. Probably the most important single person captured was a man identified as Henry E. (known to the underworld as "Prof.") Mathias, reputedly the head of the numbers racket in Colorado Springs. As the Prof was handcuffed he was overheard to remark, "I'll see that some one gets a seven for this." This underworld phrase, obscure at first glance refers to the gangster sport of "Craps" which are shot. Consequently it may be seen that the Prof was promising revenge in the form of shooting.

Also taken was one Carroll

Campus Briefs

By Cosmo Finescriber

The committee in charge of Allied Charities announced this week that their drive for contributions has surpassed their wildest expectations in that they realized 1068 percent of their quota which amounts to an average contribution of \$369.7834 per student. The explanation can probably be found in the new pay-rate for veterans which leaves them with a cash surplus that is not easy to dispose of.

The Committee on Undergraduate Life has unanimously passed a resolution that beer and mixed drinks be served in the Student Union. Despite severe and continued opposition from the Student Council, the Interfraternity Council and the Growlers Club, the move was decided upon when it was revealed that numerous local bars had refused to serve students because of a local Blue Law about serving no one under twenty-one years of age. It is generally felt that this time uate Life may have gone too far, as student indignation is running high. Student pickets have been thrown around Lennox House and violence may break out at any time. The student's rallying cry is "Millions for Cokes, but not one penny for beer."

In a surprise move, the Committee on Instruction has announced the discontinuation of Comprehensive Examinations and written assignments. When asked for a statement, the chairman of the committee wheeled on your reporter and fiercely hissed, "My gosh man, don't you realize Green-up time is here?"

An odd situation was created this week when all five fraternities and the Independent Men failed to put up a candidate for Student Body president. The explanations of all six groups were surprisingly similar, insofar as each announcement read, "We're sorry, but we just don't have anybody that we feel can do a good job as president."

Ain't Nobody Here But Us Animals

By KAHLIL FINESCRIBER

Long, long ago there was a beautiful countryside. In this countryside were two beautiful fields separated by a stone wall. Since there were no people the earth was then inhabited by animals.

On one side of this stone wall lived many happy and contented animals. Among the animals, some were wiser than others and these wise ones were teaching the ways of life to the rest. From the wise animals they found that every animal should taste of all things and thereby decide for himself what was best; the horse ate oats, the sheep ate grass, and the cows ate corn. Because each one would decide for himself, they were happy and contented. The wise animals were teaching what was taught by the Wisest Animal of all.

On the other side of the fence lived a little pig. He lived on the other side of the fence because he felt that all the animals should eat swill. Naturally the wise animals did not agree because they had tasted swill and it did not suit their taste. Since the little pig could do nothing else, and had nothing else to do, he threw mud at the wise animals to make them dirty. He splattered, but never hit them for the pig's eyes were very bad and he could hardly see beyond his nose. The wise animals did not throw mud in return but only wiped off the dirt because they felt sorry for the little pig. They hoped that he too would some day taste something other than swill.

As I said, this happened long ago, and the animals have since given over the running of the earth to people, but there

R. J. C. Sez:

By Cosmo Finescriber

Last week, swinging into line with the growing liberal trend, the Committee on Undergraduate Life announced the discontinuation of hours for all coeds. The proposal was heartily seconded by Dean Rawles who commented, "Well, thank gosh for that!"

One more month of paying salaries to head-residents, night matrons and similar parasites and we'd all be on relief. Now if we could only make the girls pay for their own electricity, we'd be in clover." Dean Rawles then strode away swinging a new gold-headed cane and whistling, "Twenty-one Dollars a Day, Once a Month."

Dean Fauteux, in a statement to your reporter said, "This is the culmination of my life-long efforts. It is indeed heartening in these days of disillusionment to realize that unrelenting efforts in a just cause will reap a golden reward." Pausing then to dash a tear from her eye, she continued, "I truly feel that I may now retire with the realization of a job well-done. I QUIT," and she did.

Dean Sherwood Gates, when contacted by the CAT refused to be quoted, saying, "I refuse to be quoted, ergo, I have nothing to say."

Reaction from the student body has been well-mixed (and served at room temperature). One co-ed junior Phi Beta was overheard to say, "Well, we can get some work done," but to counterbalance this opinion, a male student was overheard saying, "Blazes, now I'll never get any work done." This diversity of opinion of course, can be explained only by a misunderstanding on the part of one of the students.

In view of the varied opinion from all quarters, it is difficult if not impossible to form even a tentative opinion as to the outcome of the new rule, however we feel safe in stating that the result cannot fail to be favorable if the system works satisfactorily.

Cosmo Finescriber

are still the two beautiful fields and there is still the stone wall. On one side the wise people have taught that each may think and live as he chooses; from the other side the little pig still throws mud. In all the years that have passed, the little pig has learned only to walk on two legs.

Lesson One

By LEMNISCUS FINESCRIBER

If there were a dissenting voice left on the campus, it would probably be raised against the liquidation, under the new regime, of Dr. Blakely and Mrs. Cass, professors of psychology. As all the campus knows by now, they were made victims of the putsch because of their subversiveness, and on general principles or lack thereof.

Of course there are no dissenting voices, so no one is willing to do anything but cheer upon learning that they got their just desserts for having made some claim or other to knowing something about reaction. They were both heard to make remarks before groups of people concerning what they term "conditioned reaction," etc., and were forthwith reported to the authorities of the new order by loyal students. Congratulations are in order to those fearless students who stood up for their rights, vigilantly ready to uproot the modernist, radical and subversive teachings of the nefarious pair who were foolish enough to think that they might with impunity bandy about the sacred name of reaction.

Outside N. S. A.

By N. S. A. FINESCRIBER

In one of his first official moves as Chief Gauleiter, Dauber has announced the disbanding of the newly organized NSA along with the more established groups, the SDA, the AWS and the ASCC. Saying that it was subversive organizations such as these that were the cause of juvenile delinquency, the national crime rate and hereditary insanity, Dauber said, "It is our duty, nay, our sacred obligation, to see that these groups or any others holding their views should be rooted from the soil, both root and branch till not a wrack be left behind. There is no objection to students intelligently considering the facts and then arriving at logical conclusions, but these groups are merely front organizations and can lead us but to revolution, destruction, damnation and international chaos. Besides, why should students be forced to reach logical conclusions when they have already been reached for them and can be read in my book?"

Dauber went on to say that he realized that in due time, the students would realize that what has been done has been done for their own good, but to prevent any back-sliding in the interim, he was issuing orders that any student showing interest in any of the banned organizations in any way were to be shot. (Shoot the "@&*!()@!b&*!()@!b& on sight" was the way the order read.)

The ex-Presidents of the former organizations are now incarcerated in the College boiler room awaiting a fair and just trial, after which they will be hung.

Nationwide Broadcast Hookup Fans Out from South Hall Studios--Tyree

By ANATOLE U. FINESCRIBER

Original plans for the use of the radio studios in South Hall were revamped this week to meet demands which have been made by national networks for Colorado College Work shop radio shows. Not only will daily "soap operas" originate from South Hall under the new contracts, but a full schedule of evening shows ranging from mystery to comedy will be fed to all networks according to Woodson Tyree in a statement issued simultaneously with an administration notice that any student putting in more than 120 hours per week in the new programs will be permitted an extra cut per semester.

One of the first sponsors to start the trend for CC radio shows was the manufacturer of "Duzn't." Flying into the Springs on the heels of the excellent national publicity given the school by the 99 44/100 pure Americans, the sponsor, "Sudsy" Finescriber found just the talent for a serial to boost sales of his new product. "Duzn't," it was explained, duzn't do a d-n thing but lay in the basin and shrug its bubbles at you.

Signed up for the afternoon kiddie network Wesley Finescriber, popular undergraduate and usher at a local movie house, will play Jack Headstrong, the american boy. The "Headstrong show" is to be sponsored by Sour-Grape-Nuts, the breakfast food of failures. It was pointed out by the company's chief huckster (to anyone who would listen) that Sour-Grape-Nuts, the new breakfast mash for men who don't want to be athletic, are not fired from guns but are dribbled out of the end of an old lead pipe and do not snap, crackle and pop in the bowl but just lay there and get soggy.

Casting is still going on for a Sunday evening hour to be sponsored by "Old Gymnasium" the handy underarm odorant for men who want to smell athletic. The second part of the program will hawk "Old Soccer Court" the company's product for the smart set. Several acts from recent Growler assemblies show promise of having the essence the sponsor demands.

FINESCRIBER, PERE

Nimrod Acclaimed As CC's 'Ideal Aryan'

By Catherine "The Not-So-Great" Finescriber

The boy wonder of our new regime, Dumkopf Nimrod, was selected "Ideal Aryan", by popular acclaim of the Nimrod Ballot committee at the gala youth rally last Saturday evening in Nimrod Hall. Nimrod, who is also the holder of the Finescriber Prize for Un-availing Diligence, attributes the overwhelming victory to his complete lack of "red" blood.

The theme of the evening's gay entertainment was "Make America free for those who agree." It was accented by the music of J. Parnell Dauber, whose "Minerly Discordant Symphony" completely drowned out the cries of dissenters being massacred. The burning of subversive literature provided novel lighting effects for the revelers.

The CAT trophy was claimed by Dumkopf and his stylishly stout dancing partner, Gretchen Finescriber, who danced a mean goose step in three-quarter time.

Dumkopf Nimrod, our social leader was in charge of the dance. J. Parnell Dauber commandeered the refreshment committee who furnished a surprise repast of Wiener Schnitzel and mineral water. Gretchen Finescriber presented the trophy.

Gretchen Finescriber

Milers Set Strategy To Outplod Dodds

By Aloysius M. Finescriber

Several CC students and faculty members, who have complained about being under-publicized, hope to gain their due recognition by challenging the famous mile runner, Gil Dodds, when he makes his exhibition run here Monday. These competent dreamers are

Glenn Blagg

Wes Bradley, John Reeds, Tom Stoker, Dean Mathias, Roscoe Baker and Lefty Grisham.

Glenn, however, has laid down one condition to be met by Mr. Dodds before he will consent to the race—that Dodds must wrestle Glenn two out of three falls (no time limit) immediately preceding the race. Dean Math-

ias, who has been diligently working out every day in an effort to get around the track, so far has succeeded in getting only to the first turn.

Wes Bradley and John Reeds, who always work together, have figured out a method which they term highly successful. Wes is to run the first quarter, John the second, Wes the third and John is to finish the race. While one is running, the other will put on a show in an effort to draw Dodds' attention from his race.

Another contender, Lefty Grisham, thinks he can win if he is allowed to race barefooted. Back home he outran all his friends with this method.

Tom Stoker is going to wait until his competitors have finished their races so he will know which pace to use. Tom has two speeds—a slow one and one slower than that. He calls them the Turtle Pace and the Snail Pace.

FOR JUNGEND OLD—Runoff Beats Drum For Tin-Clad Lads: Defend New Order

By E. Gadd Finescriber

All men students will meet in Kussit Bowl at 4 p. m. today to enroll in the much discussed Dauber Jungend, replacing the Mozart Harspichord Society, now banned.

"Our objective," said Uberfeldmarshal Runoff, "is a militant group to combat such undemocratic organizations as the Boy Scouts, YMCA and the Townsend club."

"We will parade frequently between the campus and Cheyenne Mountain lodge, with spos for indoctrination classes along Lake Ave."

Runoff personally will name an unterfeldmarshal and two feldwebels, while the rest of the men will volunteer to rank simply as soldaten. All, however, will wear shiny white armor in all weather.

"It will give my troo—a my true-blue Jungend an opportunity to blow off steam," OFM Runoff exclaimed, "especially since the iron underwear has been fashioned from second-hand gas chambers."

The Jungend, which takes its name from a highly effective day-nursery movement originating in the recent Reich, will form a guard of honor around President Dauber's office, in Clutter hall, Runoff announced.

"We will guard his body, as you say in Ameri—I mean, as we phrase it in this great land of mine—of ours," Runoff declared, thumbing a Slobbovian-English dictionary.

With a flourish of the handy little blackjack which he fondly calls his swatsticka, Runoff tacked the Jungend directive to the Cluttered bulletin board. The new communique obscured a yellowed sheet, dated April 9, 1874, announcing the formation of the Mozart Harspichord society.

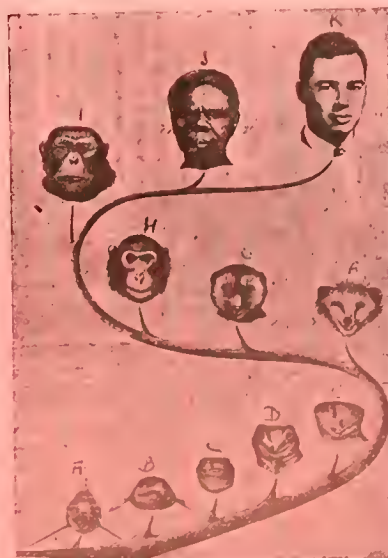

Runoff glanced at it scornfully. "It's sissies like this guy Mozart," he snorted, "who give CC a bad name. You just can't compare that thing of his, Dance, Ballerina, with the good old Horst-Wessel—as a marching song, I mean."

Student Paper To Be Fully Liq--Reorganized

By Aloysius J. Finescriber

Knowing well the power of the press, Mr. Dauber plans to reorganize the traditional student newspaper under the leadership of his friend Paul Josef ("Gobbles") Runoff, at present publisher of a thoroughly Patriotic paper called the 100% Common Baiter. In view of the turn of events, Mr. Runoff is expected to fall into line with the new order, smearing all existing practices and organizations just to be sure to get the right ones. As the new Agitprop Director himself puts it, "I guess I know what to quote, and when." Having issued this cryptic statement, he hurried off to confer with his staff, the Finescriber family, who will be remembered by C.C. students as owners and operators of the last CAT, an un-subversive crew if ever there was one, and a fine set of opportunists too.

Plank Steak Sought in Dietary Experiments

By Anatole U. Finescriber

Recent announcements brought to light that experiments underway by rightist groups in Germany before peace broke out have been continued right here on the CC campus. The problem being wrestled with is that of converting sawdust and lignite into edible shepherd pie. Under cover of spring recess a complete laboratory was attached to the Bemis kitchen and clever under-ground channels put into the power house stoker-hold and the wood-working shop discard bin for a handy source of materials.

The recent news releases

Anatole
Finescriber

came about after inspection incited when the Bemis menu included coal slaw and plank steak. Pine knots reposing where one might expect a T-bone caused no little conjecture.

In interviewing several of the volunteer guinea pigs for this food conversion experiment a CAT reporter found heartfelt wishes that further elaboration on the part of the scientists would soon reach the point where the raw materials would be better disguised. An explanation of first goals of the experimentation indicated today that anthracite makes the best chili but the college has on hand 10 tons of lignite that must be used up. It was also announced that nearly 100,000 board feet of cedar have been gone through in developing french toast to the present state at which it is served in Bemis. Now attempts will be

Subversiveness Seen In Recent Animal Uprising

By S. WRENCH FINESCRIBER

VP (Variegated Press) Dog shoots man! In view of the coming elections in Italy, the victory of Stassen over MacArthur in Wisconsin, and other incidents of more significance than meets the eye, officials are concerned about this alarming incident that occurred the other day. What kind of a world is it, people ask, when a man and his dog, nay, a hunter and his dog, companions since the time of Adam, turn against one another to the point where the dog, suspected of subversive feelings, deliberately shoots his master with the man's own rifle? The problem takes on added implications, say the officials, in the fact that both the hunter and his dog were wearing red coats. Whether or not they were hunting red foxes is unknown.

After blowing down the smoking barrel of the rifle the hound filed a plea of insanity. "He should have known better than to refer to dog-gone reds in front of a dashshund" the dog was heard to remark. "It made me see, you should excuse the expression, red."

The interview was ended when the sheriff announced that he had a bone to pick with the defendant. Drooling thoughtfully the hound stole into the night wagging its tail to the right.

made to convert maple wood thereby doing away with the necessity for syrup.

Irresponsible youths caught trying to form their own opinions.

Tiger Town Revealed As Front Organization

By V. A. FINESCRIBER

In connection with the announcement of the coup this morning in which the college was taken over by J. Parnell Dauber, local investigator, it was revealed that Tiger Town, the group of quonset huts near the south-east corner of the campus, has been in use for some time as a front organization, covering up activities in community living. It will therefore be razed immediately.

This dangerous source of subversiveness was revealed to have a secret chief of police; a new communications system connecting all huts, in the form of boardwalks, and worst of all, a wire enclosure which has been used on many occasions in a direct frontal attack on young peoples' free enterprise. This last has seriously cut down on the mobility of four-year-olds who have a liking for solo bus rides.

Black-And-Gold Shirts

(Continued from page one)

B. ("Doc") Malone who, it is reported, is intimately associated with the Chinese, having spent much of his early life in their country, and is suspected of being an advance agent of the Yellow Peril in this country. This unforeseen connection between the American underworld and the imperialistic-minded Chinese is indeed a grave indication of the danger that overhangs the country, and the Black-and-Gold Shirts can not be praised too much for their foresight and courageousness.

When taken into custody, the "Doc" had on his person several subversive pamphlets dealing with Chinese political thought under the early Manchus. Research in the local Chinese circles (Wing Saw Hand Laundry, Satisfaction Guaranteed You Bet) has revealed that the phrase "early Manchu" is a code phrase standing for the Chinese who are the only people in the world who refuse to use false teeth.

In addition to these kingpins of crime, taken into custody were a number of lesser lights of corruption. Notable among these criminals was one Henry F. Lenning who tried to explain his possession of "felthy pictures" by saying, "but you leather-headed dimwit this nude was painted by Rubens!" (The Shirts have stated that they expect momentarily to take Rubens into custody.)

In a statement to the press, the Chief stated that this was just an indication of what crime could expect if it tried to get a foothold here, saying, "This is just an indication of what crime can expect if it tries to get a foothold here."

Library Investigator Exposes New Unsuspected Field of Subversiveness

WOULD ENDANGER YOUNGEST READING GROUP

By Lee Finescriber

Now that the day is an accomplished fact, and only the true 103 per cent, in the fullest sense of the word, red, white and blue, star spangled works of literature will remain unburned (Der Gauleiter has staunchly scorned the pro-Communist excuse that book burning belongs in Germany), we will attempt to point out the utter depth to which the dirty,

Lee Finescriber

that it infers that people can starve in a free enterprise country—heresy) Mom and Pop decide that H and G, being children have no idea of what is good for them, so they decide for the family, and the next day the whole covey goes gathering wood in the forest. Meanwhile Hansel, crammed to the ears with subversive ideas, has come across some undistilled information and knows what the old folks are up to. The little sneak squeals to his sister and then smuggles some bread crumbs to make a trail home. When his parents are well in the woods they tell the kiddies to lie down and stay there till they are told to move. H and G, who have listened to anarchistic preachings for years, pay no respect to their elders and take it on the lam along the bread crumb trail for home. Meanwhile the birds, who have to live also, have devoured the crumbs and for a while the little weasels, H and G, seem about to get their just deserts for questioning those who know more about things than they do. But no, the two little Pinks find a witch's house and encroach on her property rights by nibbling off part of the roof, which happens to be

candy. The witch is naturally incensed and rushes out to make the pinch. By way of teaching the little thugs a lesson she shoves H into a cage and tells his sister to feed him up until he is fat and then they will have him for dinner. The kids manage to propagandize the old doll into believing Hansel is still skinny (the young fiends have no respect for the truth, Hansel is really fat as a stuffed duck and is passing out a chicken bone as his finger when the old doll tries to check up on her investment.) Finally, the old doll says fat or thin Hansel graces the table for dinner. While she is preparing the repast she asks Gretel to light the oven, but Gretel, being a master of pretense, says she is from stupid and can't even light an oven. Her patience at an end the old doll shows Gretel the scheme and Gretel, the little alien, shoves her into the fire. Having made her coup d'etat she lets out Hansel and starts hauling the witch's rightful property back for reparations. As a final climax the two little citizens

thumb a ride with a duck to get home and no mention is made of their wanting to pay the duck for a service rendered in good faith.

There we have the story, two little demons start out, disobey their parents, go around heckling property holders, throwing old dolls into ovens and beating out ducks, and then end up chortling over their ill gotten gains and living happily ever after. This sort of thing has been fed to our young in many libraries for years, but now the Colorado College library is at last free, it contains the Common Baiter, a newspaper of true Americans, and a book, Two Underworlds, reputedly a sort of fairy story.

NUMBER 23

Effinger to Leave Here in August For Position as Theory Head at CU

Cecil Effinger, assistant professor of music at Colorado College, will resign from CC August 31 to become head of the theory department at the University of Colorado's College of Music it was announced today. Widely known as a composer, he has produced 13 major works since his return from the Army in 1946. His symphonetta and piano concerto were presented last month by the Denver Symphony under Saul Caston and his Second Symphony was given last fall.

In addition, Effinger, is music editor of the Denver Post and author of several articles in music magazines. At C.C. he has been teaching courses in music theory, composition and advanced theory.

A graduate of Colorado College in 1935, where he majored in mathematics and biology, he went on to take advanced work in music under Frederick Boothroyd, Nadia Boulanger and Bernard Wagenaar. His teaching experience includes work at Colorado Springs High school and the Colorado School for the Blind.

He entered the army in December, 1941 and was discharged as a chief warrant officer in January, 1946, after serving in England and France. In this country he was director of an Army band in Denver and in France was instructor in composition at the Army's Biarritz American University for a year.

After graduation from C.C., he was named instructor in band and orchestration at the college and in 1946 became assistant professor of music. He is married, and is a member of Sigma Chi fraternity.

Scholarships Open For Upper Classmen

Juniors and seniors of next year are informed that scholarships are available from endowed funds for upperclassmen. Any who wish to apply should secure applications from the office of the Dean of Men or Dean of Women.

Conferences must be held with the respective deans before the applications can be presented for review by the Committee on Student Aid.

Applications and interview must be completed by May 10.

President's Tea for Juniors On Thursday

President and Mrs. William Gill will give the second in their series of teas honoring the four classes on Thursday afternoon, April 15, from 5:30 to 6:00 o'clock, at Bemis Hall, when members of the junior class will be the guests of honor. All juniors are cordially invited to be present.

Conditions in Sweden Topic for CWA

Students and faculty members are invited to attend the April 15, 7:30 p.m. meeting of the Council on World Affairs, at South Hall. The guest speaker will be Mrs. Tor Hylbom, well known local resident, who will discuss "Sweden As I Saw It."

Mrs. Hylbom, her husband and their children recently spent a year in this country. She will present the impressions of an American to modern Sweden. Among the topics of discussion will be Social Democracy and the Swedish political structure.

With the Scandinavian countries more and more in world news, and Sweden's outstanding social advances, Mrs. Hylbom's talk has added significance.

New TIGER Editors

Chuck Stoddard, '50 and Dick Conrad, '50 will be the TIGER News and Exchange Editors respectively.

"Changing Economic Patterns" Subject of Dr. Abbott's Address

(Those who have the printed program should note the changed speaking dates for the last three lectures. The dates printed here are correct.)

Colorado College again is offering its annual faculty lecture series this month to students, alumni, faculty and friends of the college, on Wednesday evenings at 8 p. m. in the Cossitt Hall common room. "The Changing Pattern of American Democracy" is the general subject of the series, and the first lecture was given April 7, on "Changing Political Patterns," by Dr. Lloyd H. Worner, assistant professor of history and an alumnus of the college.

"Changing Economic Patterns" will be offered April 14 by Dr. W. Lewis Abbott, professor of economics and sociology at the college, and the third lecture will be given by Dean Sherwood Gates, dean of the college, on "Changing Welfare Patterns."

The lectures are open to the public at no charge. Tickets for each lecture may be obtained from the office of the secretary, Cutler Hall,

Gil Dodds to Appear At Washburn Monday

Gil Dodds better known as the Flying Parson will run an exhibition race on Washburn Field, Monday afternoon at 4:00 p.m. Dodds is rated as one of the most sensational distance runners in United States today. He is undefeated in his last 29 races. Dodds will represent the U. S. in the 1948 Olympic Track and Field meet to be held in London.

The Flying Parson will be pleased to have any cinderman in this region run against him at the Washburn Field track Monday afternoon.

Sports and "C" Club All-School Dance Hold Campus Spotlight

This first weekend after the Easter vacation is an action packed one for members of the Bengal community. Two baseball games with Western State at Stewart Field today and tomorrow afternoon while the track team treks to Alamosa for a meet with Adams State will be keeping the varsity men busy. The Freshmen clash with CSHS this afternoon on the High School field.

The "C" Club is sponsoring an all-school Sweater dance at Cossitt this evening. The winners of the intra-mural basketball league, Sigma Chi, will play an All Star intra-mural team at 7:15. Dancing will follow the game.

The Torrid Trio of the stage, Bradley - Klingman - Reeds vaudeville team, will present their much publicized act complete with flashing ties.

The cost of this full evening of entertainment is two bits a piece, or by higher mathematics, fifty cents a couple.

Saturday evening the Phi Gams, Phi Deltis and Kappa Sigs all have informal dances of one sort or another scheduled. While the Fijis and Kappa Sigs head for Manitou, the Phi Deltis will entertain at their house.

The traditional Phi Gamma Delta Bowery dance, scheduled for 9:00 p.m., will be held at McLaughlin's Lodge and is a costume affair. Under the chaperonage of Mr. and Mrs. Harry S. Watson the Phi Deltis at home plan a "Come-as-you-are" gathering.

Out at the Iron Springs Chateau the Kappa Sigma fraternity will hold their annual Artists and Models costume dance. Dancing to Bob Sheroff's band starts at 9:00 and will continue until 12:30. Chaperones are Prof. Overholser, Mr. and Mrs. Lew Tilley and Mother Haugh.

'48 Elections

Tiger to Poll Students Choice

In cooperation with college newspapers from all over the country the Colorado College TIGER will conduct a presidential and party preference poll of the students here next week.

The results of the poll will be tabulated on a national basis by Varsity Magazine with results of national trends in the colleges and universities being announced periodically.

Final figures will be published immediately preceding the national conventions to be held in Philadelphia this June.

The ballots carried in the TIGER next week should be filled out as directed with no one person entering more than one vote. Plural voting by students would void the accuracy of the poll.

Boxes will be placed at the Student Union, Palmer, Cossitt and Bemis for convenience in balloting. The boxes will be collected on Tuesday following the next issue of the TIGER.

This poll of the students will give us an idea of current campus sentiment and how CC conforms with or varies from the national trends.

Aid for Europe

Language Students Send Typewriter To German Art and Science Magazine

Through the efforts of a Colorado Springs businessman and Colorado College language students, an American typewriter is being delivered to a German magazine specializing in the arts, music and natural sciences, which has a circulation of 100,000—but no typewriter. Background for the international gift was laid recently in the German language classes of Dr. Thomas O. Brandt, as-

sociate professor of German at Colorado College, when he received a copy of "Pforte," published in Wurttemberg, Germany. On the back page, the editors mentioned their plight, hoping for gifts of food to exchange for a machine.

Student suggestions resulted in the purchase of a rental Royal standard typewriter from Roy A. Davis of Colorado Springs, who reconditioned the machine, installed new parts and had it crated for a total price of \$20.

Edward H. Meyerding of Rochester, Minn., a C.C. student, arranged through the Society of Friends to have it delivered in Germany, and Bill Billingsley of Houston, Texas, and Richard Matzon, Plainfield, N. J., took charge of contributions from students.

In addition to the typewriter, C.C. students have collected enough money through voluntary contributions to send a CARE package each month to faculty members and students of European universities.

Tiger Club Taps 33 New Members

The Tiger Club tapped 33 seniors, 14 juniors, and 16 sophomores last month.

The seniors were: Dorothy Lucas, Shirley Wheeler, and Winnie Wintz.

The Juniors chosen were: Prudie Boutin, Joyce Charles, Carol Grismer, Jeanne Ham, Helen Hawkins, Janet Hayes, Fannie McDonald, Nancy Monroe, Renie Ramond, Pat Starrels, Kay Swanson, Helen Van Dusen, Sue Weary, and Carol Weigen.

Sophomores included were: Beryl Barr, Nancy Beaman, Barbara Brandenburg, Bev Bridges, Betsy Gadd, Connie Koehler, Margie Kraft, Doris Lyons, Anne McCune, Sally

(Continued on Page Seven)

Eight Percent of Student Body On Winter Semester's Dean's List

One hundred eight undergrads — eight per cent of the total student body—were named today to the Dean's list of students who achieved a 1.70 average or better last semester. On a percentage basis, the college grade of 1.70 is comparable to maintaining a 95 average for a semester's school work. Included in the list are 35 senior students, 27 juniors, 33 sophomores and 13 freshmen. Fifteen students achieved a straight "1" average.

Sherwood Gates, dean of the college, announced the list, which includes:

Jean Begun, Donald Benton, Dwight Brothers, Frank Dennis, Carol Fisher, Owen Knorr, Barbara Lett, Doris Lyons, Margaret McCune, Robert McGinnis, Armand Mazzuca, Kathleen Nelson and Francis Cunningham.

Suzanne Anderson, Irving Piper, Betty Apeland, Bill Barton, Auburn Benton, Ray Calhoun, Gerald Cooke, Kenneth Cooper, Robert Crabb, Bill Davis, Mancourt Downing, James Erb, John Ferrone, Bernard Fitzgerald, William Funk, Wilson Gateley, Gale George, Charles Heitz, Helen Hawkins, Horton Johnson and Edna McDonald.

Eldor Mainville, Cynthia Milton, Richard Nerad, Mary Nichol, Alice Norton, Warren O'Brien, John Pflug, Phyllis Raymond, Bernard Schwartz, Richard Sensenbrenner, Jacquelyn Van Valin, George Wheat, Philip Blinder, Stanley Roucher, Thurman Dillard, Patsy Diman, Greer Foote, Richard Graham and Earl Henne.

Theodore Hohl, Donald Jones, Robert Knight, Sally Littell, Kathy Lockwood, Henry Lowe, Edward Meyerding, Elsie Mihelich, William Moses, Charles Neill, Milton Richert, Charles Roper, Clyde Schmer, Denise Schoweberger, Gloria Schroyer, Allen Stewart, Pauline Studer, Phyllis Sundquist

(Continued on page four)

All-Star Cagers to Meet Sigma Chi Team Tonight

The All Star Intramural cage team will play the league winning Sigma Chi five this evening at 7:15 in Cossitt.

Members of the first team are: Harry Waters, Fiji and Stan Brehnton, Phi Delt, guards; Pat Fitzgerald, Faculty, center; George Lyons, Fiji and Bill Pfeiffer, Phi Delt, forwards.

Second string men are: John Copson, Freshman and Ted Baird, Beta, guards; Moe Miller, Kappa Sig, center; Rizal Lomo, Ind., and Chuck Smeeth, Fiji, forwards. Reserves will be Bill Burns, Ind. and Bill Sajbel, Phi Delt. Juan Reid will coach the All Stars.

Fall Jobs As Movie Operators Open

Student operators will handle Colorado College's two movie projectors in South Hall under a new plan to go into effect in September in charge of the Public Relations office.

Projector operators will be paid the standard part-time help rate on an hourly basis. In addition to extra money, they will gain valuable experience in operation of 16 mm. silent and sound projectors.

Students should contact Mr. Lawson or Mr. Watson in the Public Relations office, before May 15. Experience is not necessary, since a short training program will be conducted this spring.

First State UNESCO Meeting to Be Held in Springs Starting Today

Approximately 200 high school students from throughout Colorado will attend the first state convention of the United Nations Educational, Scientific and Cultural Organizations on April 9 and 10 at Colorado Springs High School. The Students will meet with other delegates to the conference and take part in panel discussions, the general meetings and sectional sessions, to discuss their places in UNESCO, and development of a community program.

Tigers Will Host Ball Games And PP Ski Meet

Mountaineers-Bengals in Home Little Five Baseball Opener This Afternoon at 3:15

The Colorado College baseball squad returns to Stewart Field today and tomorrow after two heart-breaking defeats at the hands of Denver university last week. The Tigers will be in the favorites' role for the first time this season when they tackle Western State College today at 3:15 p. m. and tomorrow at 2:15 p. m., in the opening conference games on the Bengals' slate. Coach Bill Goodnight plans to throw Reuben Chavez against the Gunnison team's star first-year hurler, Casey Jones. Opponents have been hitting Chavez with more regularity than expected, the young C.C. pitcher is still far from top form and will be striking for his first win this week-end. His two defeats this year have both been by only one run, 4-5 against Wyoming and 6-7 against Denver.

On the basis of his performance as a relief moundsman in the second game against D.U., it appears that Warren Goodnight will draw the other starting assignment. With Fritz Minuth behind the plate for the Tigers, the Mountaineers will have either letterman Bill Coats or first year man Ken Heizer.

Wanted Frosh Manager

Bob Bartlett, freshman baseball coach, announced that there is a vacancy for manager of the freshman baseball team. Anyone interested please contact Bartlett in his office in the athletic department as soon as possible.

Cindermen Start Against Adams State At Alamosa Saturday

Tomorrow afternoon will find tracksters heading for Alamosa where they will compete against Adams State in their opening meet of the year.

Returning lettermen to the track team from former years include Dick and Bill Pfeiffer, John McCawley, Chuck Stoddard, Bob and Bill Storey, Emil Enstrom, Mike Biega, Walt Viebrock and Hal French, captain.

The straight running events include short sprints, the 440, the 880, mile run, mile relay and the two-mile run. John McCawley, Chuck Stoddard and Paul Ramaley will enter the short sprints. The 440 will be tackled by Lee Baxter, Gene Albo, Ted Green, Bill Herlocker and John McCawley who lettered in 1946.

The 880 event includes runners Bill Pfeiffer and Gene Albo, Dick Pfeiffer, freshmen Bob Leavitt and John Savage will run the mile, and Chuck Ormsby the two-mile. The Pfeiffer brothers, McCawley, Albo or Baxter will make up the mile relay team.

Running hurdles in tomorrow's meet will be two lettermen—Bob Storey, both high and low hurdles and Emil Enstrom, the low hurdles.

Starting C.C. high jumpers include Bob Storey, Enstrom, Bill Service, freshman Marvin Powell and letterman Mike Biega. Powell will also compete in the pole vault event, along with Bill Storey. Broad jumpers are Enstrom, McCawley, Bob Storey and Chuck Stoddard.

The five discus throwers who hope to show their skill against Adams State are Bill Burns, George Kinnick, John Allanson, Viebrock and Jack Hill. Javelin throwers are letterman Hal French and sophomore Bill Murray. The shot put will be heaved by Glenn Blagg, Bill Burns, Walt Viebrock and French.

Anyone wishing to obtain a schedule of the track meets for this season can get one in the Athletic office in Cossitt Hall—D. T.

Sigma Chi Five Wins Intramural Hoop Title

The highgeared undefeated Sigma Chi basketballers copped the intramural basketball title this week when they annexed their seventh straight victory. The Sigs will play an All-Star team, selected from intramural teams, Friday evening at 7:15. This will be the feature attraction of the "C" Club program to be held at Cossitt Hall that evening.

The Phi Deltas finished second in the IM hoop race with a record of six wins and one loss.

The week's IM scores are as follows:

Phi Deltas, 49, Phi Gams 45.
Sigma Chi 39, Kappa Sigs 28.
Faculty 59, Independents 46.
Phi Deltas 60, Betas 27.
Phi Gams 45, Freshmen 34.
Sigma Chis 55, Independents 37.

Utah University and Western State Favored In Ski Meet at Glen Cove This Weekend

Ten college ski teams will participate in the Pikes Peak Inter-collegiate Ski meet to be held at Glen Cove Saturday and Sunday, April 10 and 11. The Ptarmigan Ski Club of Colorado College is host for the meet. Other entrants are teams from Colorado university, Colorado Aggies, Mines, Denver university, Western State, Wyoming, Utah university, Arizona State and New Mexico University. Pre-tourney favorites are Utah U. and Western State.

Golf Team Opens Season Next Week

Colorado College this week announced its 1948 golf schedule which includes five dual matches and two tournaments. The Tigers will open April 17 at the Broadmoor against Colorado Mines. After playing Mines and Regis in Denver, they return home for matches with Regis, April 30, and Colorado University, May 1.

The Rocky Mountain Conference meet will be in Colorado Springs May 14, followed on May 15 by the annual Colorado College Invitational Tournament.

Dr. Lou Worner, youthful history professor at C.C., is handling the coaching chores this year. He is being greeted by five lettermen and several new-comers in the qualifying rounds being played this week at Patty Jewett.

Returning this year are sophomores Bob Crabb and Dick Hall, Milton Richert, a junior, senior John Overman, and Joe Brookshire, a graduate student. Only golfers not returning are Rod Parvin and John Hall. Among the outstanding candidates for one of the new berths will be Bruce Stewart. Although he usually dons a baseball suit at the end of hockey season, he is not out for the Tiger nine this season and has indicated that he may be among the links candidates.

The down-mountain race is scheduled for 10 a. m., Saturday and the slalom races for 10 a. m., Sunday. Both races will be held in the west gulley of 14-mile creek at timberline above the Cove.

Cood skiers will participate in the meet and will race individually on the same course. Probable C.C. entrants are Jim Ford, Phil Loughecker, Bob Jones, Vic Lewis, Peggy Merlo-Smith, Arden Roberts and Barbara Kepner.

Courtmen Drop First Tilts to Wyoming

The Colorado College tennis team went down in defeat at the hands of the Wyoming Cowboys from Laramie. Coach Alexander's men lost by scores of six-one and five-one. In the singles Cascar was the only Tiger victor while Larsen, Newsom, Lomo and Daly all were beaten. In the doubles Newsom and Lomo combined for a CC victory.

Frosh Nine Opens With Terrors Today

Coach Bob Bartlett's Tiger-frosh diamondbacks will open their season schedule this afternoon when they meet the Colorado Springs Terrors at 3:00 P.M. at the high school diamond.

The C.C. Yearlings have only had four days of outdoor practice thus far, but Coach Bartlett has had time enough to build up a fairly strong nucleus.

Dick Grater, Clark Wilder and Ed Siegel will handle the freshman mound duties while Joe Wisemiller is slated for the catching chores.

Jim Gepford appears to be a sure bet for the first base berth. Pat Killen looks good at the keystone sack, Hawk Mills and Dwight Brothers are competing for the short stop position while Chris Ray is seeking the hot corner berth.

The outfield candidates are John Coopson, Jim Bowers, Jim Gilkinson, George Lyons, and Jack Pfeiffer.

COLORADO COLLEGE, COLORADO SPRINGS, APRIL 16, 1948

NUMBER 24

Three of the Leading Candidates for U. S. President

Henry Wallace

Harry S. Truman

Harold Stassen

The major candidates for the Presidency of the U. S. are included on the ballot on page two of the TIGER. There is also space for any write-in that you might prefer. You are also asked to indicate your party preference on the lower half of the blank when voting.

CC Students to Vote on National Presidential Preference by Tuesday

In view of the wide student interest in the coming national presidential elections, the TIGER will conduct a presidential and party preference poll of the students on campus this week. This poll is being conducted in cooperation with Varsity Magazine.

Ballots will be found in this week's TIGER, page two; ballot boxes have been placed in

Lennox, Palmer, Cossitt and Bemis. The ballots should be filled out as directed with no one person entering more than one vote. The ballot boxes will be collected on Tuesday, April 20.

The ballot results cast at Colorado College, along with those of other selected colleges, will be relayed on to the New York offices of Var-

sity. The final count will be publicized nationally on radio networks, newspapers and news magazines. These tabulations will be released shortly before the major parties hold their nominating conventions.

From this poll an indication of how CC students sentiments conform or varies from the national trends can be obtained. Results will appear in the TIGER as they are tabulated.

Twelve CC Seniors Named On National College Who's Who List

Who's Who in American Colleges and Universities will contain the names of twelve members of the class of '48. Six men and six women of this year's graduating class have been chosen for the distinction. This honor is given annually to those students who are outstanding in leadership, personality and scholarship. This year it was chosen by the Committee of Undergraduate Life.

Nancy Elizabeth Vandemoer, president of Delta Gamma, '47; Phi Beta Kappa, '48; quiet chairman Howbert House, '47; vice president Tiger Club, '46; vice president QA, '46; vice president WAA, '46; corresponding secretary of Delta Gamma, '46; activities chairman Delta Gamma, '46; secretary McGregor Hall, '46; vice president of Delta Gamma, '45; pledge supervisor of Delta Gamma '45; Tiger Club, '45; ass't social chairman of Ticknor, '45; social chairman of Ticknor, '44.

Turza Gene Briscoe, Delta Epsilon in mathematics, '48; chairman AWS Personnel Board, '47; chairman AWS Nominating Committee, '47; Gamma Phi Rush Chairman, '47; president Gamma Phi Beta, '47; treasurer AWS, '47; pledge supervisor for Gamma Phi Beta, '45; scholarship.

Eva Virginia Ferguson, president Kappa Kappa, '47; chairman AWS Welcoming Committee, '47; president Howbert House, '46; pledge supervisor Kappa Kappa Gamma, '46; treasurer WAA, '46; president of Loomis Hall, '45; treasurer of WAA, '45; Tiger Club, '45; member of Lennox House Board, '45; scholarship.

Betty Jeanne Thaxton, president Gamma Phi Beta, '47; president of Hershey House, '47; candidate for Miss CC, '47; member of the cast for "Our Town," '47; rush chairman Gamma Phi Beta, '46; scholarship.

(Continued on Page 6)

Plumb Resigns; Wilson Chosen Nugget Editor

Charlie Plumb, editor of the 1947-48 Nugget, announced at the last publications board meeting that he would not reconsider being next year's Nugget editor.

He stated that he was not sure if he would return to C.C. next fall and felt that he could not take the job.

Wallie Wilson, a junior, has been chosen by the publications board to be the new editor.

Comprehensives to Be Held 2nd Week of May

Comprehensive examinations to be taken by all seniors in their major subjects will be held May 10-13, it was announced by Dean Mathias Tuesday.

During this four day period all examinees will be excused from regular class attendance.

Council Goes to NSA Conclave Next Week

The Student Council of C.C. has made final plans to attend the NSA Constitutional Convention, which will be held at Boulder on April 23, 24 and 25.

Among those who plan to make the trip are: Gale George, Jim Doherty, Pat Starrels, Jean Hoel, Lefty Grisham, Bob Packard, Bill Pfeiffer, Clarice Hads, Mary Lou Thompson, Dick Conrad, Sally Littell, Jim Kinder, and Ruthie Nunn. Dr. Lloyd Worner has consented to accompany the delegation as faculty advisor.

Delta Gamma and Beta Guests at Coffee Hour

Members of the Delta Gamma sorority and the Beta Theta Pi fraternity will be special guests at the Student-Faculty Coffee hour which will be held at the Faculty Club Friday, April 16, from 4 to 5:30. All faculty members and students are cordially invited to attend.

The Student Council voted Monday to give \$30.00 to the Faculty Club to help pay for the Coffee hour for the remainder of the semester.

Voting for New ASCC Prexy To Be Held This Thursday

This Thursday the students of CC will go to the polls to select the leader of their student government for 1948-49. Only four petitions have been received by election officials to date, these are for Bill Pfeiffer, Bob Pringle, Stan Rice and Chuck Roper. Any petitions for candidates for the office of ASCC prexy must be in the ASCC box at Cutler by 4:00 p. m. Monday or brought to the Student Council meeting that day.

Only juniors officially in good standing with a 3.3 average for the two preceding semesters are eligible. At least twenty-five members of the ASCC must sign the petition.

Chairman of the election committee, Jim Kinder, announced that the preliminary voting will take place this Thursday, April 22, with polls open after the Election Assembly until 2:00 p. m. in Palmer Hall. Final run-off will be on April 29 if none of the candidates carries a majority of the votes cast.

Women Next

Men's Dorms Pass Gen. Gill's Inspection

In a display of interest in campus conditions and improvements, President William Gill made an inspection of men's dormitories, Saturday, April 10.

The tour, conducted in connection with the president's established policy of seeing everything he can, was the first of a general, informal nature that will include the grounds and women's dorms. "The purpose of the tours is to adjust spending on the most appropriate lines when I make out my budget," stated the president.

He added that he found the dorms in "satisfactory" appearance, but in need of a few improvements. He refrained from further statement as he is "not in a position to compensate all demands."

The dorms included in the inspection were: Jackson House, Hagerman Hall, Sigma Chi House, Beta Theta Pi House, Kappa Sigma House and Phi Gamma Delta House.

Graves' Compositions Highlight Workshop Concert Held at FAC

The CC Music Workshop concert in the theater of the Fine Arts Center last night, intended to give a representative cross-section of the creative and practical musical activity that makes Perkins Hall the bane of the civilized ear by day, utilized the services of such successful professional musicians as Johanna Harris and Max Lanner, of accomplished amateurs such as Dean Clyde Holbrook, and of advanced graduate and undergraduate students such as Erwin Windward, James and Helen Niblock, Tom Facey, Dana Butler, Betty Schade, and Herbert Beattie.

It is often unfortunate that accompanists have to be mentioned after soloists, and it

(Continued on Page 6)

Meeting of TIGER Staff on Monday

There will be a meeting of the TIGER business and editorial staffs Monday, 3:00 p.m. in the main floor lounge, Student Union building.

New beats will be assigned reporters at this time and the new editors will be introduced. The TIGER's position if the proposed reorganization is passed will be discussed.

Any members of the student body wishing to work on the school newspaper this spring or in the coming fall is invited to the meeting. Typists and proofreaders are especially needed.

Those of the present staff not able to attend are requested to put a note to that effect in the editor's box at Cutler by noon Monday.

Texas College Debate Team Hosted By CC

The CC debate organization were hosts last night to a team from Texas Christian College, Abilene, Tex., which is at present on a tour of colleges of the area. Debators Grote, Shafer, Andrews, York, Sensenbrenner, Layton, Barton and Davis carried the CC colors in the session which was attended by Tyree's and Hart's speech classes and other interested undergraduates.

Tyree announced that Shatter, Grote, Layton and Davis, who was chairman of last night's event, will go to Greeley Friday and Saturday for the last of the three meetings of the Colorado Forensic League. This third and last gathering of the organization will take the form of a legislative assembly according to Tyree.

Copies of Last Week's CAT Still Available At TIGER Office

Those who did not receive the CAT last week should call at the TIGER office today between 2:30 and 5:00 p.m. There are about 125 extras for distribution.

Who's YOUR Choice for President?

The TIGER—along with hundreds of other student publications in every part of the country—has decided to poll the presidential preferences of its student readers. Local results will be announced soon—and the countrywide tabulation will be publicized nationally via press and radio by Varsity, the Young Man's Magazine, before the major political parties meet in Philadelphia to choose their candidates. This is a vital election—so cast your ballot now, and help give America's students a stronger voice!

Inside N.S.A.

In order to make the NSA program effective on this campus, it will be necessary for us to know something of the aims and purposes of this organization. For several years, students all over the nation have been trying to set up a national body which would be a central source for information and statistics of other colleges, and which could efficiently make comprehensive studies of student problems, thus enabling all the colleges to benefit from the findings of this central head. The NSA, working through the commission system on campus, regional and national levels of student government, is prepared to care for all student needs and problems.

Some of the specific plans of the NSA program are to help schools establish new governments and better existing ones, stimulating better student publications, promoting campus recreational and cultural centers and arrange for student tours and study in foreign countries. These are only a few of many programs to be sponsored by the NSA.

In regard to providing for tours and study abroad, plans are under way for a student loan program. This would call for a loan department in each school affiliated with the NSA, which would loan an adequate amount of money to each student to enable him to spend as much time as necessary in foreign countries. This plan was submitted because there are a great number of students who would like to go abroad, or stay longer when they do have the opportunity, but do not have the necessary funds.—T.P.

Elections Return

It's getting near the time of year again when C.C.'s student body is due to display its democratic powers and exercise its constitutionally-guaranteed right to a voice in government, with its usual thirty percent turnout. This is customarily arrived at by diligent prodding in the fraternity houses and dorms and on the part of a few people who are really interested in seeing student government develop at this college.

In spite of the cynical sound of this, it's quite possible that there will be a good percentage of the potential vote this year, if enough students make themselves aware of the coming opportunity to choose their student president.

A large part of the student apathy about elections probably stems from scarcity of information on Student Council business, which in turn is traceable, at least in part to inadequate coverage in the TIGER in past months. With no excuses offered for past weakness in this respect, there seems to be promise of improvement and of fuller information for the students, on the week-by-week action of the Council.

In the meantime, every member of the college may be sure that the Council has worked hard this year on the students' behalf.

On April 22 (primary) and on the 29 (final), it will be up to each individual student to shape the student government as he would like to see it. There may be a new constitution, and a new set of representatives to administer it. If you fail to know what and who, BEFORE they become effective, don't sit in the corner and gripe.

It is up to you, Joe, and you, Jean, to choose your representatives carefully and wisely through the Greek-letter organizations and the Independents. It is your worry if you don't look things over and decide where your vote belongs, and then cast it.—J.D.

"No matter what they say he still has his own cut system!"

Somewhere On Campus

Someone the other day brought up—again—the old question of the bookstore. Early this year someone decided that the Student Council ought to give up its room in the "Student Union" building to provide additional space for bookstore facilities, and at the time of the Spring term rush it did that, temporarily. When the rush was over the Council went back to the bare room it calls its own.

Still there is perennial talk of finding a place somewhere on campus for the bookstore to come to rest. As is often the case there is nothing but talk. It includes the old, sweet song about putting the bookstore in Tenney Hall, putting the bookstore here, there, almost anywhere but where it has been for years, limiting the facilities of the overcrowded Student Union building.

On the other hand, there is a room in Cutler, a large room which for years has housed—guess what—an enormous and little used piece of machinery designed to test concrete. It doesn't test concrete very often. The administrative workers in the building would probably be highly annoyed if it did, because it would no doubt rattle the venerable walls, and might even ring Cutler unaided.

There are also large garages behind Lennox and Jackson Houses filled now with jungles of used lumber, in hopeless confusion. It would hardly be practical to suggest that the book store be moved to one of the garages, but it doesn't seem too far-fetched to wonder if there isn't a better place for it, and for the rock-crusher, and for scrap lumber.

How short does a housing shortage have to get?—J.D.

"All Aboard" for CC On IWA Show Boat

The Independent Women's Association is sponsoring an all-school formal, the "Show Boat," on April 23 to be held at the B-moor Hawaiian Village.

Late permissions will be granted for those going to the dance which will last from 9:00 until midnight. Ray Krantz's orchestra has been engaged for dance music.

Members of the IWA will be going to dinner at 5:30 at the Red Cloud Inn, where entertainment as well as food will be the order of the evening.

Tickets for the dance may be purchased from Clarice Hads, Ticknor Hall, for \$1.20 a couple. Reservations for dinner must also be made through Miss Hads by April 17.

Snoop with Stroup

By JOSIE of a Different Name

Due to skis beyond her control, D. A. is unable to be with us this week. However, those who did return in one piece report that the First C.C. ski meet was a tremendous success. Congrats are due to our Ptarmigan Ski Club.

And many more orchids are in order for those who gave and received rings and pins these last few weeks. Margy Folsom returned from California with a ring from Dolph May; Pattie Lois Stephens is also sporting a diamond from Bob Ish; Mary Lou Parker is engaged to Dick Stark. Anne Payne is wearing Mike Biega's Kappa Sig pin; Virginia Parker is pinned to Doug Swift, a Theta Chi from Michigan; Janine Brooks wears George Lyons' Phi Gam pin these days; Eddie Sanson came back from California wearing Bill Service's Sigma Chi pin; and Jack Thornton pinned Norma Bartizal last Saturday at the Phi Delt dance. Despite that snow, Spring must really be here!

LOST

Lost at the beginning of the semester a slide rule in leather case marked with red crayon. Contact Stan Kalan M-7514, 1122 N. Cascade Ave.

KKG's Pick-nic-in At Monument Creek

The grassy knolls around Monument Creek will be the scene of a Kappa picnic Sunday afternoon. After the sunset and sandwiches are gone, the tribe will return to the house for a very informal radio dance.

T'was the Phi Gams and Kappa Sigs Under Those Costumes Saturday Night

"Come-as-you-aren't" parties were given by two fraternities over the weekend. Both the Phi Gams and the Kappa Sigs struggled up them thar hills of Manitou to their Bowery Dance and Artists and Models Ball, respectively. The Phi Gams' Bowery Dance took place in the dimly lit McLaughlin Lodge. A background of extra-special record music presented a good reason for dancing.

A Hilarious Time Was Had By All

Bob's Campus Photos
All eyes are on George Milhoan and Pete Creighton as they entertain the Fiji's and their dates at the Bowery Dance.

Bischof-Eastman Photo
The Kappa Sig 'artists' and their 'models' are out tonight but it's not 'neath the everglades!

Outstanding costumes of the evening were Janine Brooks' "Gay Ninety's" attire and George Lyons attire of some sort—no one was quite sure which it was.

Paul Fellman and Sherm Griggs were co-chairmen for the dance. Mr. and Mrs. David Hart acted as chaperones.

Capering wildly to the music of Bob Lovett, the Kappa Sigma fraternity held its Artists and Models Ball at the Iron Springs Chateau. Entering into an exotic atmosphere heightened by candle drip bottles, the becostumed guests left this Bohemian dance through tattered sheets "waving gently in the breeze."

The main event of the evening was the exhibition dance of Girl (?) meets Boy origin, given by "Wilhelmina" Van Husen and Bryce Tracy, known for his famous soft shoe rendition of last year. Urged on by the cheering, enthusiastic crowd, they consented to give countless repeat performances.

Evening in Paris Tomorrow Night

Paris will be the scene of the annual Sigma Chi Apache dance. Since it is an old tradition, this dance will be held at their house Saturday, April 17, from 9:00 to 12:30.

The Apache theme comes from the low class of people found in and around the streets of Paris.

There are forty-three pledges now working eagerly on the decorations at the house for this, their most noted dance of the year.

Chaperones are to be John Sullivan and Juan Reed.

Bengals Meet Miners In Doubleheader

Tigers and Miners Slated for Twinbill Tomorrow at 1:15

Holding a record of one win and one loss in the R.M.C. race, the CC Tigers will attempt to advance their present conference standing by taking both ends of a twinbill from the Colorado School of Mines at Stewart Field tomorrow afternoon. Play ball time is scheduled for 1:15.

The Tigers will be gunning for their fourth and fifth wins of the season and also for the sunberth in the R.M.C.

Coach Bill Goodnight will probably start John Taylor or Ruben Chavez on the mound in the opening game. Either Warren Goodnight or Chuck Roper will hurt the night-cap. Dependable George Theodore will be standing by for relief chores during the two seven inning games. Fritz Minuth will be behind the plate for both games.

The Miners won and lost record isn't as impressive as the Bengals, as they have only garnered one win and have suffered losses to Western State, Colorado State and Regis College.

All-Intramural Hoop Team Selected by Managers

At a meeting held last week, the individual intramural basketball managers selected the annual all-intramural cage team. The men were chosen on their outstanding play during the past season.

First team: Kinnick, Sigma Chi; B. Pfeiffer, Phi Delta; Roper, Sigma Chi; Fitzgerald, Faculty; Lyons, Phi Gamma.

Second team: Brenton, Phi Delta; Waters, Phi Gamma; Smeeth, Phi Gamma; Koopsen, Freshmen; Baird, Beta.

Honorable mention: Sajbel, Phi Delta; Lewis, Sigma Chi; Burns, Independents; Lomo, Independents; Miller, Kappa Sig.

Freshmen Nine Bow to C.S. Terrors 6 to 5

The CC Tiger Cub diamonders lost a heartbreaking 6 to 5 game to the Colorado Springs Terrors last Friday afternoon at the high school diamond.

The yearlings held a two run edge going into the last half of the ninth but due to careless errors and wild pitching the Frosh walked home enough runs to lose the game.

Coach Bob Bartlett permitted every one of his Frosh hurlers to show his ability on the mound. Speed ball Dick Grater was selected as the starting hurler and held the Terrors to 5 hits in four innings of play. Clark Wilder, Ed Siegel and Herb Gollis shared the pitching chores for the Cubs in the remaining five innings of the nip and tuck classic. Dan Hurby and John Koopsen led the yearlings at bat with two hits apiece.

Batteries: Freshmen, Grater, Wilder (5), Siegel (7), Gollis and Weissmiller. Terrors: Scott, Bales, Carter and Owen.

Score by innings:
Frosh 012 001 010—5
Terrors 001 110 003—6

Sigma Chi Defeat I-M All-Stars 58 to 52

The undefeated Sigma Chi hoopers came through in sterling fashion to defeat the Intramural All Stars 58 to 52 in a thrilling contest held in Cossitt gym last Friday evening.

Chuck Roper and George Kinnick led the Sigs scoring attack with 18 and 16 points respectively. George Lyons was the big gun for the All-Stars with 13 points.

College Barbers

(Across from Campus)

Tigers Split in Western State Diamond Series

Coach Bill Goodnight's Bengal diamonders garnered their third win and suffered their fifth defeat of the season last Friday and Saturday as they split a two game series with the Western State Mountaineers on Stewart Field.

In the opening game veteran hurler Warren Goodnight annexed his first win of the season by limiting the Gunnison lads to six base hits, while his mates collected 14 off Caley, Western State twirler. The Tigers took full advantage of these hits to romp on to a 12 to 3 victory. Bob Pantor, Leo Hill, and Fritz Minuth were the heavy hitters of the afternoon, each belting out a homer for their day's work.

Batteries: CC—Goodnight and Minuth. WS: Caley and Coats.

Score by innings:
WS 001 000 200—3
CC 010 135 11x—12

In the second game of the two game series, the Tigers found themselves way off form or maybe overconfident of a win and therefore they had to be content with the short end of a 9 to 5 decision. The Tigers ace pitcher, Roper Chavez, started on the mound for the black and gold but the Mountaineers were quick to offer him a shower as they commenced smashing the horsehide into every

corner of Stewart Field. Chavez gave up ten bingles and 8 runs in the first four innings of the contest. Curve ball artist George Theodore took over in the fourth stanza and performed an excellent job as relief hurler, by allowing the visitors only 4 base hits in the last five innings of the wind swept affair. Not willing to accept all his glory on the mound, Theodore also batted out two hits, one a long three-bagger in the seventh inning. Perkins, Hill and Pantor pounded out a double each for the Bengals.

Batteries: CC — Chavez, Theodore (4), and Minuth. WS, Jones and Coats.

Score by innings:
CC 001 000 121—5
WS 111 500 100—9

Frosh Face Pueblo J.C. Nine Today at 2:30

The once beaten Tiger Cubs diamonders will be seeking their first win of the season this afternoon when they meet the Pueblo Junior College aggregation at Stewart Field at 2:30.

Coach Bob Bartlett plans to start speed baller Dick Grater on the mound with Bill "Pepper" Harley behind the plate.

Jim Gephord will hold down the initial sack and Pat Killen at the keystone sack. Harry Whitworth will start at short and Chris Ray at the hot corner.

The outfield will consist of Lew Meier at left, John Koopsen in center, and George Lyons at right.

Pioneer Cindermen To Meet Tigers Saturday

CU-DU in Dual Meet Tomorrow at 2:00

The undefeated CC thinclads will entertain the highly rated Denver University Pioneers on Washburn Field tomorrow afternoon at 2:00 p. m.

The Tigers came through with flying colors last Saturday as they easily ran off with a triangular meet held at Alamosa, against Western State and Adams State. At the same time the Pioneers suffered a 77 to 63 defeat at the hands of the Wyoming University Cowboys at Laramie.

In spite of their defeat last week end the Pioneers will undoubtedly be favored to cop this dual meet tomorrow.

Tiger Coach Cheddy Thompson will be depending on the following men as point getters tomorrow afternoon:

Captain Hal French — Javelin, shot put.

Bill Pfeiffer—880, mile relay.

Dick Pfeiffer—Mile run, mile relay.

John McCawley — Sprints, 440, 220, mile relay.

Chuck Ormsby—Mile, two mile.

Chuck Stoddard—220, 100, broad jump.

Lee Baxter—440, mile relay.

Mike Beiga—100, high jump.

Marvin Powell—Pole vault.

Emil Enstrom—Broad and high jumps, hurdles.

Bill Storey—Pole vault.

Bob Leavitt—880, mile run.

Bob Storey—Hurdles, high jump.

Bill Burns—Shot put, discus.

Tennis Team Travels To Boulder Tomorrow

The CC tennis team under the able coaching of Pete Alexander will journey to Boulder tomorrow to meet the CU racquet aggregation.

The Tigers will match up with Lars Larson No. 1, Risal Lomo, No. 2, Jack Daley No. 3, George Casebeer, No. 4, and Jack Orsborn No. 5.

Double teams will be Larson and Daley, Lomo and Casebeer.

Thetas Win W.A.A. Intramural Bowling

The bowling tournament was won by the Thetas with an average of 125, the Kappa's were second with 122, and the Camma Phi's third with 119. The winning team consisted of Button Elliott, Rosie Keeley, Cale Barr, Emma Fay and Marilyn Nielson.

The five highest scorers were Nancy Roberts, Kappa, 174, Cale Barr, Theta, 168, Georgianna Marlowe, Delta Gamma, 156, Jeanne Ramsay, Camma Phi, 155, and Pat Donaldson, Independent, 155.

The singles ping pong tournament was won by Shirley Patt, Kappa, with LaVon Rouse, Camma Phi, second. The doubles were won by Betty Braham and LaVon Rouse, Camma Phi with Phyllis Raymond and Marilyn Nielson, Theta, second.

Rise—Shine, Intramural Softball Underway at CC

Leo Hill, intramural manager has released the IM softball schedule and has announced that all games will commence at 6:15 a. m. and will be played on Stewart Field.

Tuesday, April 20—Sigma Chi vs. Phi Deltas.

Wednesday, April 21 — Kappa Sig vs. Independents.

Thursday, April 22—Betas *vs. Kappa Sigma.

Friday, April 23—Phi Deltas vs. Phi Gams.

Ptarmigan Host to First Intercollegiate Ski Meet

Last week end, up on Pikes Peak, the Ptarmigan Ski club held its first intercollegiate race. All in all, from the remarks of the visiting teams from Western State, DU, Arizona State, Colorado School of Mines and Colorado A&M, our first race was something to be proud of. The Arizona team has applied for honorary membership in the Ptarmigan club in way of thanks. It is largely due to the patient, vigorous work of Bill Crote, Coco Woodson, D. A. Stroup and Jim Ford that the race went off as well as it did.

Saturday the downhill was run on the long, wind-packed slope at 14-mile, which lies on the east side of the bowl, right behind the Don Elisha of DU where the downhill Saturday and both slalom races on Sunday, while Western State took the honors for the team.

Sunday the weather was uncooperative again. In the morning race the skiers groped through a "where-in-heaven's-name - is - the next-gate" blizzard. In the afternoon, during the second race, the storm had settled down to a steady snow fall and visibility was considerably better, though the snow conditions were still tricky with drifts of powder and ice forming all sorts of unexpected traps for unwary skiers.

Thinking nothing of wind, snow or ice, Arden Roberts in her first important race, beat Louise Bulkley, a class "A" racer who has raced since she was 14, and Helen Fraser, who has been staying at Clen Cove all winter.

Our men's team was tagged by bad luck. Jim Ford and Vic Lewis, at the end of a fast, beautifully skied run through the slalom course, both fell at the last gate before the finish line. Phil Longnecker did a fine job on the first slalom, but got his dose of bad luck on the second. Bob Jones lost a gate in the snow storm and was disqualified. A special mention should be made of Blair Wrye who raced unofficially in the slalom races. It was his first race and he entered mainly for practice.

CC Claims Victory in Triangular Meet at Alamosa Saturday

Braving a high wind and whirlwind dust, the Colorado College thinclads rolled up 60 1-3 points to defeat Western State College 38 5-6 and Adams State 35 5-6, in a triangular track meet at Alamosa last Saturday afternoon. The Bengals garnered eight first places in piling up their wide point margin.

Due to a 56 mile an hour wind velocity no meet records were broken or outstanding marks set.

The Tiger point getters were as follows:

100 yd. dash, Stoddard, 2nd; 120 high hurdles, Enstrom, 3rd; 880 yd run, B. Pfeiffer, first; 440 yd. dash, won by McCawley; 2nd, Albo; 3rd, Baxter, Time, 54.1. Mile run, D. Pfeiffer, 2nd; two mile, Ormsby, 2nd; 220 yd. low hurdles, Enstrom, 3rd; Mile relay, won by CC (Baxter, D. Pfeiffer, B. Pfeiffer, McCawley) time, 3:52. Discus, won by Burns, distance, 117 feet 8 inches. Shot put, won by Burns; 2nd, Blagg, distance, 38 feet 11 3-8 inches. Javelin, French, 2nd; Pole vault, Powell, 2nd.

Tiger Golfers Plan to Entertain Miners at Broadmoor Tomorrow

Today the Colorado College golf team will meet Colorado University at Boulder in a swing free match. Saturday the boys from Mines will travel here to play a match with our Tigers at the Broadmoor. The CC squad will be headed by Captain Bob Crabbe. The schedule for the season has been completed and is as follows: Saturday, April 17—Mines, here. Saturday, April 24—Regis, Denver. Monday, April 26—Mines, Denver. Saturday, May 1—Boulder, here. Friday, May 14—Conference meet, here.

Saturday, May 15—Invitation meet here.

Twelve Chosen for 1948-49 Red Lantern

Red Lantern, honorary senior men's organization, tapped twelve outstanding juniors to replace the present actives, Dick Fryer, president of the organization announced Tuesday.

Retiring members of the group are, in addition to Fryer, Roy Lilja and Curley Blakely, Phi Gam; Don Harnish and John Overman, Sigma Chi; Clint Howard, Beta; Rock Lunburg, Stray Greek; Bob Udick, Phi Delt; and Jim Doherty, Independent.

On Tuesday the following were tapped, but definitely by the graduating last year men: Bob Pringle and Hal McGovern, Phi Gam; Chuck Roper and Pete Florsheim, Sigma Chi; Reid Holister and Dick Best, Beta; Lefty Grisham and Ron Newsom, Independent; Stan Rice and Sonny Price, Kappa Sigma; and Bill Pfeiffer and Dick Rowell, Phi Delt.

Barnes Breaks Shooting Record, Wins State Meet

Dr. Otis A. Barnes, professor of chemistry at CC, took first place in the Colorado State Championship pistol matches held in Denver, April 4.

Firing a score of one hundred eighty seven over the National Rifle Association course, he placed first over shooters from all parts of the state, including the Denver Police Dept. and Federal groups.

Dr. Barnes won the 25 yd. range on the reduced 50 yd. targets, 20 shots at slow fire.

Who's Who

(Continued From Page 1)

arship chairman of Gamma Phi Beta, '45; scholarship.

Marion Jean Crowder, Delta Epsilon in psychology, '48; president AWS, '47; Theta song chairman, '47; president of Hershey, '46; vice president of AWS, '46; Tiger Club secretary, '46; Quiet Counselor, '45; member of the cast of "The Queen's Husband"; scholarship.

Joanne Towner Richards, president QA, '47; president Kappa Kappa Gamma, '47; secretary Hershey House, '47; personnel board representative for QA, '47; Kappa Kappa Gamma Pledge supervisor; Tiger Club, '47; service chairman AWS, '47; Tiger Club, '46; quiet chairman Ticknor, '46; social chairman Bemis, '45; scholarship.

Eathen Emil Miller, academic record, participation in intramural athletics and varsity basketball, and promotion of several well-organized concessions.

Richard Standing Fryer, Jr., Phi Beta Kappa, president of the senior class; president of Red Lantern, football letterman and a member of the Inter-Fraternity Council.

Donald Prugh Harnish, president of Sigma Chi; member of the Inter-Fraternity Council, and general participation in campus activities.

James Aloysius Doherty, editor of the TIGER; member of the Red Lantern, president of Newman Club; organizer and leader on campus.

John Latham Hall, president of the student body, business manager of the TIGER, '47; active in fraternity affairs, member of the golf team and member of Red Lantern.

George Winston Whitney, president of Phi Delt Theta, president of the Inter-Fraternity Council.

CONCERT (Cont. from Page 1) was especially unfortunate in this case, for the work done in this field by Christine

Ashe, Carol Welty, and Marilyn Yost was almost beyond reproach.

As always with new music,

the high point of the entire evening was the presentation of a set of three songs on texts by the remarkable nine-

teenth-century poet, Gerard Manley Hopkins, composed by graduate composition student William Graves.

"CHESTERFIELD IS MY IDEA OF A REALLY ENJOYABLE SMOKE. THEY'RE O. K."

PRINGLE-PFEIFFER PACE STUDENT VOTING

COLORADO COLLEGE

COLORADO SPRINGS, APRIL 23, 1948

NUMBER 25

\$1,000 for WSSF Last Year; Let's Do It Again CC, Only This Time - - Better!!

The World Student Service Fund—a drive to raise money for the relief of students abroad—will start on the CC campus Tuesday, April 27. Gerry Cooke, chairman of the World Student Service Fund committee, has announced that solicitors will work in the dormitories and fraternity houses. There will be a booth set up in Palmer Hall for those who (by some accident) were not previously asked to donate. A talk in chapel on the World Student Service, what it is trying to do and why it is so necessary will officially begin the fund raising campaign next Tuesday.

A carnival dance, much along the same lines as last year's W.S.S.F. dance will consist of entertainment booths set up by the sororities, fraternities, and independents, dancing and other concessions. Door prizes will be given away and there will also be prizes for the best booths. All proceeds will be given to W.S.S.F. Additional information concerning the dance will be given out later. Hank Klingman is in charge of the dance.

There will be a very important meeting of all solicitors for the World Student Service Fund in Lennox, upstairs, at 4:30 p. m. today.

They Need Your Help NOW

This European family gets milk from a cow supplied by American aid. Food, an essential part of the WSSF program, is needed for learning to continue.

Stassen Leads CC Presidential Poll, Wallace is Second, Taft Third

One hundred twenty-two votes were cast in the TIGER presidential preference poll conducted last week with Harold Stassen receiving sixty-seven of these. The majority voting preferred him on the Republican ticket, (41), four on the Democratic, one Progressive, and eighteen voters showed no preference. Next in the running was Henry A. Wallace with thirteen votes. The parties indicated for him were ten for the Progressive party, one socialist and two indicated no preference. Robert A. Taft received twelve votes. Nine voters preferred the Republican party, one Democrat, one no preference, and of all things, one prohibitionist.

It is interesting to note that Dwight Eisenhower was next in the running with ten votes. Thomas E. Dewey of New York had nine counts, eight being Republican, and one Democratic. President Truman received five votes, all Democratic. Governor Earl Warren of California had two Republican votes. William O. Douglas received three votes, one split evenly between the Republicans, Democrats and Progressive party. Earl Browder received one communist vote.

Many people, when asked why they did not vote, said

they did not know enough about politics and the candidates and have not formed opinions. In view of this situation, the TIGER will, beginning next week, write reviews of the major candidates as to their party, views and opinions.

Jobs Offered by United Air Lines

United Air Lines has openings for graduating seniors as passenger agents and hostesses at salaries starting at \$185 a month. Summer jobs as passenger agents are also available to undergrads at a salary around \$175 a month.

Senior women interested in hostess jobs should make immediate application for the Air Line hostess class.

Further details are obtainable in Mr. Jackson's office, Cutler Hall.

Fund-Raising Drives Combined Into a Single Campaign

A resolution was passed in student council last Monday stating that all the fund-raising drives that appear so frequently, will be incorporated in November, next year, into a single two week campaign for donations with dances, athletic games and other entertainment to help swell the fund.

In this way, you will pay a dollar at a dance, two bits at a bazaar, some more at a football game; you will have a wonderful time, and will have fund raising drives completely off your mind and out of your wallets for the remainder of the year. Parents, also, will be more partial to a one lump sum, rather than many diversified appeals from their offspring.

This year, as we do not yet have this simplified system, there are two drives coming up within the next few weeks.

These two, WSSF and Aid for European Children, must be supported now. The "Chest" idea will not go into effect until next fall.

BILL PFEIFFER

BOB PRINGLE

Casting 683 votes, the students of CC gave Bob Pringle and Bill Pfeiffer the plurality over the other three candidates in yesterday's balloting for student body president. Pringle has a nine point lead with 184 votes to Pfeiffer's 175. Chuck Roper ran a close third with 167 supporters, followed by Stan Rice's 95 and Tom Claffy's 62. The voting followed a night of serenades and free cake with milk for the women and a day of "Vote for Giz" signs all over, a plane swoop with fluttering leaflets, Sigma Chi's p. a. system and a band with Duffy Bauer on the glockenspiel.

Run-offs will be held next Thursday with the polls open at Palmer Hall from 10:30 a. m. until 2:00 p. m.

Thurston Will Speak to CC Students in Chapel

Ray H. Thurston, of the U.S. State Department's Foreign Service, will speak to Colorado College students and faculty at Shove Chapel services Tuesday, April 25, on "New Nations of the World."

Tuesday afternoon he will meet with students for an informal session on careers in the foreign service in the Shove Chapel lecture room at 4 p.m.

Interested students are urged to attend the session.

A.W.S. Will Sponsor Song Festival May 2

Hamlin House gardens will be the scene of the first A.W.S. song festival held since before the war, on Sunday, May 2. The festival was started in 1936 for the purpose of furthering school spirit through college music.

Kappa Alpha Theta sorority and the Independent Men were the winners of the last contest held in 1941. The Betas won permanent possession of the gold cup in 1940 after winning the contest three years in a row.

Each of the eleven choral groups will sing two songs a capella. One of the songs must be a college song and the other is left to the option of the group.

Patsy Dinan, the AWS song song chairman is in charge of the festival and is being assisted by the music department.

(Continued on Page Five)

CC Dance and Drama Departments Present "Quest For Sita" Next Week

The dance, drama, music and art departments of Colorado College will present dance drama "Quest for Sita," at the Fine Arts Center the evenings of April 29 and 30. The play is adapted by Harvey Morrow, graduate English student, from a book of the same name by Maurice Collis. Mr. Collis got his story from the archives of Sanskrit literature.

The leading dramatic roles will be played by Jonnie Gazvini, George Boudinot, and Gregory MacDougall, supported by a cast of over fifty student. An orchestra of fifteen students will play music composed by John White.

Mr. Gregory MacDougall assisted in the handling of choreography, as did Mr. Douglass McClellan in the design and construction of sets. Mr. Woodson Tyree supervised the acting, with the help of Susie Sabin, stage manager. Conjecture is that this will be a most unusual evening's entertainment as well as a striking example of the correlation of the arts.

Phi Beta Kappa Will Initiate Thirteen Seniors

Ten seniors and three juniors will be formally initiated into Phi Beta Kappa, an honorary scholastic society at Colorado College, Sunday, April 25, at the CC Faculty club.

The seniors elected into the society are: James Walter Armstrong, Rodney Dale Cohn, Richard S. Fryer, George F. Hoffmeister, Dorcas Brady Reed, Hazel King Severin, Beverly Staley, Nancy Vandemoer, Carol Welty and Conrad T. Wilson. The

(Continued on Page Eight)

To the Colorado College Family:

The World Student Service drive opens on the Colorado College campus at the end of this month, and I should like to urge the wholehearted participation of every student and faculty member at CC in this undertaking.

During the recent war, universities, students and faculties paid a heavy toll in Asia and Europe. Today, of the surviving students, 400,000 are in need of help, and must have food, medicine, clothing, shelter and equipment. The World Student Service Fund can help give this aid.

American students, more than any others, have the means to relieve this suffering and to do great good for many. Students of American colleges and universities should realize more clearly than most groups how important it is to our common world future that their contemporaries everywhere have the chance to complete their education.

I sincerely hope that the administration, faculty and entire student body will participate generously in this drive, and that Colorado College will do more than its share.

W. J. T. Sied

Acting President.

LET'S BE WITH IT

The Rev. Wilbur Simmons, in his chapel talk this week, spoke of walls or barriers in Europe and also said that the people of Europe seemed to have no honesty or moral integrity. If the existing conditions in Europe are as bad as he claims, then we cannot be passive and ignore the inevitable consequences.

We know from past experience and history that one nation cannot retain its civilization by isolating itself from, and by ignoring, the rest of the world. If we believe in one world, then the only conclusion we can draw is to teach and prepare ourselves to help those people to regain their sense of values and standards of human relations.

If our government cannot cope with the European situation, we must inject some leadership into our government. We have the power to do this. If our convictions are valid we can carry them through and accomplish a great deal. If our convictions are not valid then we can be broad-minded and change them.

We don't need to argue principles. We have the intellectual processes to arrive at universally valid truths. As I see it we must either back up our intellectual convictions with moral stamina or face the consequences.—M.B.

R. J. C. Sez

Along about early middle age, there is a nasty manifestation of senility that shows itself in an increasing use of the words, "I don't like to say this, BUT!" And they then go on to say something with deceptive relish. Very often the thing that they don't like to say is "I told you so." To make it even more pleasant to the listener they invariably add, "but if you remember, I thought at the time that you were mistaken." There is noticeable in the delivery of this speech, a gradually rising tone until, at the end of the statement it acts on the nerves much in the same fashion as the sound of a fork failing to get traction on a china plate. Another endearing little phrase largely used by the older (and therefore wiser) set is "If you had only listened to me, this would never have happened."

One has only to accidentally make a social blunder of truly monumental proportions and every old person in his acquaintance will toss their heads and tear into the fray using this old bromide as their battle-cry and often supplementing it with such conversational gems as, "After all, (Mother, Father, Uncle, Aunt, Grandpa or Granny) knows best," or "After all, we've been through all this."

I suppose the explanation is that the oldsters got their share of the same thing in their younger days and are trying to get revenge, (and 10% interest as well). I have a mental picture of Eve starting the whole thing by looking reproachfully at Cain after he had finished his stormy little session with Abel, saying, "I told you, but you wouldn't listen. No, you knew best," and so on until he got his traveling orders. Fough, and they call this progress!

This sort of thing wouldn't be so bad if it were justifiable, but it very often works out that (Mother, Father, etc.) doesn't know best and if you follow their advice, you find yourself in such a jam that only enlistment in the Foreign Legion can remove you from it. Don't, however, think that you will be able to confront your advisors with this evidence of fallibility, because if you do, they will retort, snappishly, "Well, what's the matter? Can't you think for yourself?" or "Well, it's time you started making your own decisions."

There must be a solution to this problem that falls short of the laws covering assault, but I don't know what it is. If you have any suggestions, I'll be interested to know if you beat the rap.

ALL FOR ONE AND ONE FOR ALL

Sentiment has been rising in Council that there have been too many fund drives during the current year and your representatives have decided that there will be one big drive during the school year from now on. A campus chest, one might call it.

The students running the drives will not have to spend energy on several campaigns, you would not be bothered every time you turn around. It will be done once, done efficiently, and done to the benefit of all parties concerned.

All'a Time Corrections

It's relatively seldom that Tiger editorials become what a serious mind would call controversial, and we thought last week that we were following along in that nice comfortable rut when we sounded off about the need for new lebenstraum for the bookstore, the space going to waste here and there in campus buildings, and so on.

This one's on us. It has developed that not only would Cutler bell not ring out of season if the infernal machine were set in motion, but it fails to ring on that stimulus quite regularly. Twice a week and oftener, we're told by the man who runs it, samples of concrete are crushed in this oversized nutcracker, to provide strength tests of their product to contractors around town who want to be sure their current batches will stand the necessary gaff.

As a passing thought, we wonder whether the squeeze imparted by this machine could be toned down to a light push, to test the delicate surfacing material used on this town's pavements. But no, that's an idle thought—anyone who drives over the so-called pavements here knows that the stuff gives up rapidly when pelted by a few rubber tires.

And the concrete-tester wasn't the only item that went off the deep end in that editorial. As in that case, we also accepted someone else's say-so with regard to the storage of used lumber in "large garages behind Lennox and Jackson Houses." Now the Jackson garage we had seen, and were willing to believe the same of the Lennox one. There is in fact just one drawback, which we discovered the other day in driving back along the Howbert driveway—that Lennox House is graced to the eastward by a fairly neat-looking lawn—all the way back to the alley—

OK, boys, tear it down—J.D.

The TIGER Fouls Up Again . . . Or You Didn't Know About This Did You?

The article you sent to the TIGER didn't get on page one. You told someone about your lost dog and it didn't get into the paper! Don't go too hard with the ol' TIGER, it's a pretty old sheet (published regularly since 1899) but it's still having growing pains. The staff is small, but competent. Each man has a job to do and you can bet that he's doing it to the limits of his ability and time. Those who want special coverage should get in touch with the editor concerned at least a week in advance.

In order for a newspaper to achieve success, it must have a full news coverage of its territory. This is achieved only by having an active and well rounded staff. Those working on the TIGER editorial staff are Bob Cosgrove (formerly ass't. ed.), Joy Abrahams, Dorothy Faubion, Freeman Hover, Rose Ann Kipp (formerly society ed.), Barbara Lette, Jane Little, Cecilia Lomo, Peggy Merle-Smith, LaVon Rouse, Diane Shelnutt, Helen Stevenson, Mary Stillson, D. A. Stroup, Jim Peterson, Donald Thurston, Carol Weigen and Josie Helstrom. Marvin Barefoot, Beverly Burford, Jean Chandler, Bob McLauchlin and Marc Millison are those serving on the business staff.

The recent action of the Publications Board and the ASCC council resulted in Bill Murray and Jack Sullivan being selected the new Editor and Business Manager respectively.

Bill Murray comes from Jamaica, N. Y., where he had experience as editor of a State Young People's paper, four years of printshop work in high school (received a citation at graduation), and also worked in a navy printshop. At CC Bill has worked on the TIGER as sports editor, headline writer, proof and copy reader and has been active in Growlers, I.M.A. (social chairman), Student Council and Synoptic club.

Jack Sullivan succeeds himself as business manager. He hails from Park Ridge, Ill. Jack has been with the TIGER since January of 1946. In the navy, he

Father Bonnet Guest at Newman Club This Sunday

The C.C. Newman Club will have as a special guest Father C. L. Bonnet of Regis College, Denver, at an important meeting at Lennox House on Sunday, April 25, at 7:30 p.m.

Ye Fond TIGER Staffee

An informal grouping of staff members who happened to be in front of Lennox as the photo went by. Front row: Peggy Merle-Smith, LaVon Rouse, Rose Ann Kipp, Jean Chandler. Second row: Mary Stillson, Dorothy Faubion, Don Thurston. Third row: Kay Swanson, D. A. Stroup, Chuck Stoddard, Mary Barefoot, Jim Peterson, Bob Leavitt. Back row: Bob "The Mountaineer" Cosgrove, Jim Allured, Bill Murray, Jack Sullivan, Jim Doherty, Bob Udick, Freeman Hover, Tom Pankau, Dick Conrad.

worked on his ship's paper, while at CC his activities include Growlers, the Newman club (past president) and Phi Gamma Delta. Jim Doherty is the retiring editor and present editorial manager. He comes from New York and is a psychology major. Before editing the TIGER, Jim did copywork, proofreading, headline writing and was assistant editor for several months. His campus activities have been Red Lantern, Growlers, I.M.A., and Newman club (past president and treasurer).

Bob Udick, feature editor, lives in Colorado Springs. He has been editor, campus editor, and reporter for the TIGER. Bob was sports editor of the Nugget and has done a local column for the Gazette-Telegraph, besides working for U. P. before the war. His campus activities include Phi Delta Theta (past president), Interfraternity Council, Growlers (president) and Koshare (business manager).

Chuck Stoddard, news editor, is a journalism major from Craig, Colo. He has worked on weeklies during the summers. Chuck is a member of Phi Gamma Delta, 'C'

Club, was out for frosh football and is now on the track team. Society editor is Kay Swanson from Chicago. She worked on the TIGER as a reporter and is sorority editor of the Nugget. At CC, Kay is a member of Delta Gamma, the Tiger club and is majoring in English. She also worked on her high school newspaper.

Bob Leavitt, a journalism major from Old Town, Maine, is sports editor. He held the same position through high school and prep school. At CC, Bob is pledged to Phi Delta Theta, a member of the Newman club, and was manager of the Freshman basketball team.

The exchange editor is Dick Conrad from Sebawaing, Mich. He has been with the TIGER since last fall, was editor of his high school paper all four years. Other newspaper activities include a sports column for eight weeklies and free-lancing for dailies in his home region. In the army, Dick was editor of a paper for two and one-half years. At CC, he is a member of Sigma Chi (social chairman), 'C' Club, Growlers and Student Council.

Jim Allured and Tom Pankau have been appointed copy chief and assistant copy chief respectively. Jim is a Phi Delta, has done some layout and advertising; he plans to major in business. Tom is with the CC Players and the Newman club and plans to major in journalism.

Play by CC Student To Open Here in May

The CC Players will be presenting the work of one of our own students when "Other Little People" hits the boards at the FAC May 21 and 25. Eldor Mainville, the author, has written five original radio scripts but this is his first major work.

Work on the play was started last summer as a scenario outline for the play writing course Eldor was taking under Reginald Lawrence. Then Chief Tyree made sure it was finished.

"Other Little People" deals with the problems of an individual and his adjustments in the post-war period. Action is centered in a small Massachusetts town. (It's quite natural as our playwright hails from New England.)

This is the first time an original work has been attempted at CC and it is experimental to the extent that new methods will be used in scenery as well as in acting techniques.

When curtain time rolls around next month it won't be just actors with butterflies in their stomachs but also Eldor and his pipe. As he very aptly stated, "Not everyone would be such a fool as to do what I'm doing but it sure is a hell of a thrill."

No Horse Show to Be Held This Year

The college horse show originally planned for early May has been cancelled by the Committee of Undergraduate Life, Dean Mathias, chairman of the Committee, said.

The decision was based on the lack of time for preparation and the shortage of student funds to adequately finance the show. These combined with the absence of adequate organization necessary to carry the show to its successful completion caused complete cancellation for this year.

"Make Believe" Grows With Pick and Pan

Through the various functions of the "Pick and Pan" club dramatic and forensic activities continue to become more popular on the campus.

To the uninitiated "Pick and Pan," mentored by "Chief" Tyree, is the key organization behind college plays, radio broadcasts and debates.

Membership to the group is granted in the right to wear a small pin featuring a miner's pick and a gold pan. Those "who belong" have turned in at least 100 hours of work in play producing, acting, staging, lighting, managing and/or publicity; 100 hours of radio work or 100 hours of debate, extra-curricular, that is.

Members of the organization have expressed a feeling that the practical experience and information gained from the activities are invaluable.

Mr. Tyree, who has achieved fame for his field work and practical application of "How to stage barbecue" has indicated that a picnic will be held for all members of the Pick and Pan Club sometime in the near future.

An announcement was made this week to the effect that if anyone feels they are eligible for membership they should contact Billie Jones at Loomis Hall.

Current officers of the club are:

Directors: Eldor Mainville and Pete Gilleran.

Business: Annabelle Alsop and Caryl Spiegel.

Publicity: Donna Marie Krause and Billie Jones.

Newman Delegates Back from Utah

Seven delegates from Colorado College Newman Club attended the three day Mountain Province convention at the University of Utah on April 9, 10, 11. The convention was called to revise the Province Constitution and to elect new Provincial officers for the next school year.

Thirteen schools attended the conference and elected as Chairman of the Province Charles Piper of Colorado A. and M. Mary Lou Temple of C.C. was elected province recording secretary. Sister Shirley Temple of the C.C. Newman Club served as chairman of the Credentials committee.

The delegates attended two banquets and two dances in their honor at the University of Utah and at St. Mary's of the Wahsatch, during their stay at Salt Lake.

Sig House Reveals Parisian "Sewers" For Apache Dance

A simulated man-hole provided entrance to the Sigma Chi Apache dance held at the house on Saturday, April 17 from 9:00 to 12:30. After a journey through the "sewers" of lower Paris, the guests finally arrived in the French tavern complete with knee-deep saw dust, bottled candles and barrel tables. The unique wall coverings of French advertisements and risqué pictures lent an Apache atmosphere to the entire house.

After the ascension of a precariously placed ladder, the unsuspecting guest found herself in a French artist's studio, had her picture taken, and entered upon the dance floor. Scenes of Paris glowed profusely throughout the room, both in costume and decoration. Taffy Bronson blended well with the atmosphere in her burlesque queen costume, while Jesse Cowles and Dick Sensenbrenner, literally minded, appeared in the full dress of Apaches, Indians that is, war whoops and all. Chuck Pearsons in a flattering brunette disguise looked dashing and succeeded in confusing everyone.

The famed trio of Klingman, Bradley and Reeds rendered "Tallahassee," "Dark Town Poker Club" and a campaign song. Wilfred "Al" Perkins warbled "April Showers" in true Jolson style and the entertainment finished with a bang with Vern Wishart's capable leading in the famous "Allouette."

Soph Class Guests Of Prexy, Mrs. Gill

President and Mrs. Gill will entertain the sophomore class at a tea held at Bemis Hall on Thursday afternoon, April 29, from 4:30 until 6:00 p. m.

Light refreshments and pleasant conversation will be the keynote of this occasion as it has been for the juniors and seniors, who have thoroughly enjoyed the teas given for them in the past.

Kappas, Phi Delt Vie for Milk Can

Stewart field will be the scene of the annual fight-to-the finish baseball game between the Phi Delt and the Kappas, to determine who will claim the milk-can trophy until next spring. The boys will be garbed in gals' skirts, bat, pitch, swing, and catch left-handedly and stake 20 points as a starter, underestimating the power of the mighty Kappa team (headed by Patty Fischer). At 8:00 o'clock Sunday morning the KKG's will be breakfast guests at the Phi Delt House, following which they will move to the field and fight for the trophy.

Sally Littell New President of IWA

Independent Women elected their officers for 1948-49 on Monday, April 12. Sally Littell is the new president; Joyce Charles, vice-president; Ginny Parker, secretary; Jean Kearns, treasurer, Nancy Maguire, social chairman; and Clarice Hads, Mary Ruble and Sally Littell are the A.S.C.C. representatives.

All Independent women are asked to attend the song practices Monday through Friday from 12:00 to 12:25 in Perkins auditorium.

There will be a business meeting and song practice Monday night in Lennox.

Lost

A silver Thoren lighter with initials P. A. S., in front of Palmer around April 18. If found, please return to Phyllis Sundquist.

Lost

Small gold-handled pen-knife. Engraved with initials C. B. M. Contact Dr. Malone, room 202, Palmer hall or Main 1962.

Guests at the Apache Dance really outdid the Parisians in their gawdy costumes. The atmosphere was gay indeed.

W.E.S. Luncheon At CC Tomorrow

Nine leading women's organizations in Colorado Springs have been invited to reserve tables for the first luncheon of the Women's Educational Society of Colorado College, to be held April 24 at 12:45 at Bemis Hall.

The organizations include the Parent-Teachers Association, the American Association of University Women, the Colorado Springs Women's club, the Business and Professional Women's club, the Catholic Daughters, the Council of Jewish Women, the Daughters of the American Revolution, and the Soroptimist and Altrusia clubs.

Speakers will include W. H. Gill, acting president of the college; Armin Barney, representing CC alumni, Mrs. Lewis Knapp, for the faculty, and Marian Crowder and James A. Doherty, representing the students.

Reservations can be made by calling Miss M. Catherine Gregg at Main 3644-R before Thursday.

Chinese Theme for Theta-D. G. Formal

The Delta Gammas and the Thetas will give their spring formal together Saturday night, May 1, at the Patty Jewett Country Club from 9:00 p. m. until midnight. The theme will be Chinese—the dance being called "Singapore Swing." The band has not been decided upon as yet.

Chaperones for the occasion will be Mother Jackson, Miss Bertha Vernon, Mr. and Mrs. Robert Bartlett, and Mr. and Mrs. William Goodnight.

A buffet supper will be served after the dance.

Betas Plan Spring Formal for Friday

The annual Beta spring formal will be held at Bruin Inn on Friday night. Decorations have been planned in the traditional colors of Beta, and Jack Oliver's band will furnish sweet and solid dance music. If the fall formal held at Bruin Inn is any indication of what lies ahead Friday night, a wonderful time will be had by everyone.

G. Phi's Dance at The Hawaiian Village
The Gamma Phi's biggest dance of the season—their spring formal—will be held May 1st at the Hawaiian Village from 9:00 to 12:00. Bill Geisler and his orchestra will set the mood for dancing at this outstanding annual event. There will be a dinner beforehand, for a number of Gamma Phis and their dates at the Swiss Chalet.

The Show Boat

Come my chill'n
An len an ear
Heah's ol' Mr. Bones
With news you should heah
They's big doin's comin'
To this ol' town
When de' 23rd o' April
Comes steamin' round.
De boat called "Independent"
Is a gonna stop
At de Hawaiian Village
Fo' to throw a hop
An' a show, my lan'
Like you never seed
All put on by
Mr. Bradley an' Reeds
Dat boy Jim Erb
Is a gonna sing
De good ol' songs
Lak a bird in de spring
An' from way down South
Comes a Dixie lan' band
MC'd an' led
By Kunnel Ray Kranz.
De gang plank comes down
At right around nine
An' yo' and yo' sweetie
Should be theah to shine.
But right near twelve
Yo sho gotta run
To get back ta campus
Wid yo' cute lil' hon.
An how ya gonna see
This wunnerful show?
W'y my goodness sake
Ah thought you'd know.
It's jas' a buck twenty
Fo' yo' an' yo' date.
If yo' don't get yo' ticket
Yo' might be too late.
So grab yo' top hat
An' yo' lady's fan,
Fo da Show Boat's a comin'
Yes, coming, Oh man.
An thes' joy a bustin'
From de bow an' stern
An it's sho getting closer
With ev'ry wheel turn.

9:00 p. m.—Gamma Phi Spring Formal. Place to be announced.

A.W.S. Will

(Continued from Page One)

ment in the selection of judges.

In former years this spring musical event was always well attended by the college students and townspeople. More spectators than ever before are expected to hear this year's program. An indoor place has been arranged for in the event of rain.

Hamlin House girls will hold open house following the outdoor festival.

Beta Theta Pi

More than sixty people were present for the Beta picnic held in North Cheyenne Canyon above Bruin Inn last Saturday. After a hard hike carrying the chow to the appointed place, everyone was awarded a good time by varied events . . . including several people falling down the waterfall.

Phi Gamma Delta

The Fiji House will turn into a rural community center Saturday night when their barn dance of the year takes place. Both people and house will be dressed accordingly, with hay-bales and levis predominating.

Kappa Sigma

The Kappa Sigma annual district conclave was held last Friday and Saturday at Boulder, Colorado. Charlie Neill was Beta Omega's delegate and was accompanied by fifteen other actives. The conclave opened with a picnic dinner in the hills and a skit put on by the CU chapter. Business meetings were the order of the day Saturday followed by a banquet that night. Charlie Neill was presented with a scholarship-leadership award.

Kappa Alpha Gamma

In contradiction to the Kap-

Snoop with Stroup

By D. A. of the Same Name

It seems that suddenly, one day last week, everything burst, and sundecks, porches, fire-escapes and even the front lawn of Hagerman became densely populated. Tennis rackets and baseball bats appeared in great quantities, and everybody's petticoat started to show. (The new look.) The library viewed from the rear end, contained a ghim, disinterested face in every window, and shouts were heard all over the campus from impromptu or promptu ball-games, held either at six in the morning, or some more Godly hour. In fact, the atmosphere impressed Johnny Mulkey so much that he took a beautiful swan dive into first base during a neighborly little game between the Sigs and Phi Deltas last Sunday afternoon.

There's always something so terribly definite about spring on the C.C. campus — surely dependable signs that are even more concrete than a robin or a budding leaf, and that happen year after year with-

out fail. Quite obviously, when Bill Murray's car begins to run, and Hal French starts to throw his javelins down on the football field—its spring!

Or when Booze Tracy duces his traditional Soft Shoe Dance at the annual Artist's and Model's Ball and Klingman, Bradley, and Reeds generously give their public a new display of talent—(this time along political lines) such as was presented at the Apache Dance. (Not a sign of spring, particularly, but definitely a sign, we have always felt.)

Or when R. J. Cosgrove grows a mustache. (Further comment withheld due to lack of necessity.)

And then there's the term papers, and Skiersfaces (Arden Roberts being the best example we've found in quite some time) and scores of vehicles of all sorts leaving at all times of the day and night for informal gatherings at Prospect Lake, Austin Bluffs, Garden of the Gods. If you're holding one of these affairs in the near future, we suggest that you ask Pete Creighton, who does excellent impersonations of Indians when there's an extra blanket around.

And with evidence like this, who wouldn't come to the conclusion that its spring?

Gamma Phi

Mrs. Wyatt, Gamma Phi's Province Director, was present at the meeting last Monday night. Introduced to the chapter were Mrs. Caldwell and Mrs. McWilliams who, along with Mrs. Spidle, will act as the alum-advisors.

Kappa Alpha Theta

The Theta Executive board will meet for luncheon at the lodge every Friday from now on, to discuss the agenda for the following week.

Delta Gamma

A tea, honoring General and Mrs. Gill will be given at the DG lodge on Thursday, April 29. The faculty and their wives are cordially invited.

On Sunday morning, May 2, the DG's will trudge up to the outer reaches of Monument creek for a baseball breakfast. The affair begins at the bright and early hour of 9:00 a. m.

Nine CC Tracksters Enter CU Relays

21 Schools Will Be Entered in Annual Meet in Boulder Sat.

C.C. trackmen will enter the twenty-fourth annual Colorado Relays this Saturday in which 21 colleges will be participating. Cindermen from C.C. will enter the mile relay and medley, which consists of the 440, 880, 1/4 mile and the one mile. Special events which the Tigers will enter include the javelin throw by Hal French, discus by Bill Burns and high-jump by Mike Biega.

The mile relay team will consist of the two Pfeiffer brothers, Bill and Dick, and John McCawley for sure, and either Gene Albo or Lee Baxter will be the fourth man. Chuck Ormsby will run the mile team race by himself.

In the medley, McCawley, will tackle the 440, Albo, the 880, B. Pfeiffer, the 1/4 mile and D. Pfeiffer the mile. Albo and B. Pfeiffer may possibly be switched.—D.T.

Kappas Win WAA Hoop Tournament

At the sounding of the last whistle, the Kappa's surged through victorious by winning all four of their IM court games. The Gamma Phi's and the Delta Gamma's tied for second by winning two games and losing two. The Kappa's success can be attributed to their fine teamwork and fighting spirit, which never wavered throughout the games.

The basketball tournament will be held April 30, May 1, 6, 7, and 8. Details concerning these games will be posted on Bemis bulletin board, come on girls, get out from under those books and let's play ball.

DU Thinclads Swamp Black and Gold, 92-43

Under a scorching sun last Saturday afternoon, C.C. cindermen felt their first taste of defeat at the hands of Denver university, who totaled 92 points against the Tiger's 43. The startling event of the meet was the record breaking run made by Ken Stivers of D.U. Fast starting Ken broke the all-time record on Washburn Field for the 100 yard dash, with a time of 9.6 seconds. Lenny Powers, a businessman, who was in the stands at the time, set the record of 9.7 seconds on Washburn Field in 1934. Stivers' 9.6 seconds run ties the Rocky Mountain Region record which was also set by Powers in 1933 at Denver University Stadium.

C.C. captured five first places in Saturday's meet. D. Pfeiffer copped the mile while his brother, Bill, clinched the 880. Dick also ran in the 880 placing second, making a total of 8 points for the day. Both Pfeiffers also ran the mile relay, along with Albo and Baxter and helped to win that event.

Quarter-mile specialist, McCawley, took his event in 51.3 seconds, but placed third in the 220 yard dash. Dick Ormsby lobbied eight times around the track, ending with a 300 yard sprint, to capture the 2-mile run.—D.T.

CC Netmen Bow to CU Racquet Men at Boulder

The C.C. net men came out on the short end of a seven, three match score with the University of Colorado. Single winners for the Tigers were Rizal Lomo, who beat Denuth in the third set, and Jack Orsborn, who took his seventh set by 6-3, 6-0 scores. Herb Casebeer had a close set in the fourth frame by 6-4 and 10-8 scores. Harold Kuhns and Orsborn paired up to take a win in the doubles, 6-3, 6-2.

Missing from the roster last week was John Light, who is out for part of the season because of a foot injury. Ron Newsom was suffering from blisters so he was also unable to play. Coach Alexander will soon lose an outstanding man in Jack Orsborn, due to the freshmen eligibility rule.—J.P.

Bengal Golfers Seek Two Wins Next Week

Saturday, April 24, the C.C. golfers will meet Regis College at Wellis Case course in Denver. On April 26 the Tigers will meet Mines in a return event at Lakewood course at Denver.

The Tiger golfers have received two setbacks in their first two matches.

Along the SPORTS TRAIL

By BOB LEAVITT

It appears as though baseball is making a grand comeback at CC. One of the largest crowds in many a "moon" attended the CC-Mines doubleheader at Stewart Field last Saturday afternoon. In spite of the fact the Tigers have not yet established a very impressive won and lost record, they are still rated as one of the strongest diamond nine in the Rocky Mountain Region. If Coach Goodnight could acquire one or two more potential hurlers, the Tigers would be well on the way to a banner season.

Leo Hill, power hitter on Bill Goodnight's Bengal nine has been elected captain of the CC diamonders for the current season. Leo is at present leading the Tiger batters with an average of .400 in eight games played.

Glenn Blagg, R.M.C. heavyweight wrestling champ will journey to Ames, Iowa, April 28 to stage his final tryout to represent the U.S. in the Olympic Mat matches in London.

Dick Rowell, stalwart wingman for the CC pucksters has been re-elected captain of the Tiger 1948-49 ice aggregation. Rowell led the Bengal ice scorers this season with 16 goals to his credit. He will undoubtedly be a big cog in the Tigers bid for a berth in the NCAA playoffs come 1949.

Weather permitting the annual intramural track and field meet will be held Friday, May 7th, at 2:00 p.m. on Washburn Field. The IM track meet is regarded as one of the most colorful events on the CC intramural program. The winning team will be awarded the intramural track trophy which is awarded annually.

favorite
cigarette!

And here's another great record—
More people are smoking **CAMELS** than ever before!

Tigers Will Host Greeley Bears Today At 3:15

CC vs. CS Nine in RMC Tilts Friday and Saturday at Stewart

The Colorado State Bears who are undefeated in the R.M.C. this season will provide the opposition for Bill Goodnight's Bengal nine in a two game series to be played at Stewart Field today at 3:15 and tomorrow at 2:30.

Winners of the R.M.C. title last season, and already proudly holding dual wins over Mines and Western State this season, the Greeley lads are seeking their second consecutive conference scalp.

In order to climb to the top of the R.M.C. race, Coach Goodnight's Tigers must win both of their games against the Greeley Bears this weekend.

Chuck Roper, is slated to hurl the Friday encounter and Ruben Chavez will probably toe the rubber in the Saturday tilt. The CC infield will lineup with Capt. Leo Hill at first, Wilfred Perkins at second, Chuck Bouchard at short and Don Jones at the hot corner. Starting Tiger outfielders will be Bob Pantor in left, Jack Mitchell in center and Norm Wold in the right garden.

Colorado State Coach L. C. Butler has four outstanding pitchers to throw against the hard hitting Tigers. They are Ben Dreith, Frank Sajeve, Cliff Olin, and Jack Leicester. Coach Butler's ace hurler, Dreith, will likely get Friday's mound assignment while Sajeve will probably hurl the Saturday game. The Bear mentor has two top sluggers in Rocco Gioso, infielder and Paul Distefano, catcher. Gioso is leading the Bears batting parade with a .636 average while Distefano is hitting a mere .525.

Starting Catcher

Fritz Minuth

Frosh Nine Journey To Pueblo Today

Fresh from a victory over the Pueblo Junior College, the frosh nine will venture down Pueblo way today for a return game with the P.J.C. lads. Coach Bob Bartlett plans to start Dick Grater at the pitching post with either Bill Harley or Joe Wiesmiller as catcher.

I-M BULLETIN

The IM softball league got underway in grand fashion last Tuesday morning as the Phi Gamma trounced the Betas 15 to 2. In spite of scheduling the games at such an early hour there has been a large student body attendance at every game played thus far.

Last weeks scores are as follows:

Phi Gams—15 Betas—2
Batteries:
Phi Gams Faucett-Randolph
Betas Mackenzie-Hughes
Phi Deltas—8 Sigma Chis—2
Batteries:
Phi Deltas Bretton-Galligan
Sigma Chis Flanagan-Florsheim
Independents—4 Kappa Sigma—2
Batteries:
Independents Ritchie-Carstens
Kappa Sigma Miller-Peterson

Intramural Softball Schedule For Next Week

Tuesday, April 27—Independents vs. Sigma Chi
Wednesday, April 28—Phi Gams vs. Kappa Sig
Thursday, April 29—Phi Deltas vs. Independents
Friday, April 30—Sigma Chi vs. Betas

All games played at Stewart Field at 6:15 a.m.

The Intramural Swimming Meet will be held the night of May 4 and 11 at the Y.M.C.A. A new diving board has been installed at the Y.M.C.A. pool and diving competition will be included in the meet.

Make your necessary preparations.

The Intramural Tennis Tournament has started. The schedule is posted above the fountain in the hall at Cossitt. A dead line has been set for completion of each round of the tournament, and the cooperation of each entry is necessary so that the tournament can be completed as scheduled.

The individual winning a match should enter the score of that match on the bracket in Cossitt Hall and advance his name to the next round.—Leo Hill, IM Mgr.

Freshmen Trounce Pueblo J.C. Diamonders 14-8

Last Friday the Tiger Cubs slugged their way to 14-8 victory over the Pueblo Junior College nine. Coach Bartlett started the fireball pitcher, Dick Grater with Bill Harley taking the position behind the plate. Ed Siegel took over the mound duties in the seventh inning.

LOW MAN ON A SKI POLE

By PEGGY MERLE-SMITH

Pikes Peak was the meeting place for many of the nation's top-notch skiers last weekend as they gathered for the famous annual Pikes Peak race.

After a long climb up the "14 mile" slope that took several hours Barney McLean, the captain of the Olympic team, came down in 47 seconds. Barney won the Slalom Sunday, he and Maud Banks from Aspen (the victor of the women's race) were the most lauded skiers at the banquet held in the Acaia Hotel Sunday night. Surrounded by his cups and trophies, McLean was forced to stand (much embarrassed) on the table while the skiers sang "Well, Well, Well, Well, Who'd a thunk it!"—a true skiing song; straight to the point.

C.C. was represented only by Arden Roberts, Coco Woodson, and Peggy Smith. It was the first race for both Coco and Peggy and now, after standing terrified and cold at the starting gate, after tearing down the washboard-like course and after finding, to our surprise, that one Woodson and one Merle-Smith were still intact at the finish line; after all this—we have caught the racing bug, and join Arden in recommending racing to all skiers. The only qualification is that one must be fairly on the way toward lunacy to enjoy being scared to death and cold and tired—but then, one also feels tremendously excited and exulted as well. Most skiers fill this qualification; that's why skiing is so much fun.

Leo Hill Leading Tiger Sluggers, 400 Ave.

The CC diamond nine batting averages for eight games played are as follows:

	AB	H	Ave.
Leo Hill 1b	39	12	.400
Fritz Minuth, c	33	11	.333
Wilfred Perkins, 2b	26	8	.307
Bob Pantor, o.f.	20	6	.300
John Litt, o.f.	26	7	.269
Jack Mitchell, o.f.	27	6	.222
Harry Waters, o.f.	10	2	.200
Merle Bouchard, ss	22	4	.181
Don Jones, 3b	35	6	.171
Norm Wold, o.f.	6	1	.166
Dick Neral, 2b	11	1	.090
Pitching Record:			
John Taylor	1	0	.000
Warren Goodnight	2	1	.500
George Theodore	0	2	.400
Ruben Chavez	0	3	.500
Chuck Roper	0	0	.000

Tigers Spilt in RMC Tilts with Western State

After dropping a 4-3 verdict in the opener, Bill Goodnight's Tigers came back and let loose 11 base smashes to cop the nightcap 17 to 6, from the Western State Mountaineers at Stewart Field last weekend.

Curvo ball artist, George Theodore went the route for the Bengals in the opening game and hurled excellent ball right up to the final inning. A timely Mines hit in the top of the eight proved fatal for Theodore and his mates as they walked off the diamond with a one run setback. Theodore issued a total of six bingles and the Tigers collected the same number off Borthick, Mines hurler.

Jack Mitchell and Chuck Bouchard led the Bengals at bat in the first game, the former gathered two for four and the latter pounded out a three-bagger in his first time at bat.

By innings:
Mines 010 001 11—4
CC 200 001 00—3
Batteries—CC: Theodore, Minuth; Mines: Borthick and Hohne.

In the nightcap the Tigers took advantage of three Mines hurlers and lashed out 11 hits to coast on to a 17 to 6 victory. Although he was lifted in the sixth, Warren Goodnight hurled excellent ball for five stanzas but the Miners commenced to pound the horseshoe too often and Chuck Roper was sent in to quiet the visitors' bats.

Bill Elser was the starting Mines pitcher but he was chased to the showers in the third. Pepper came in and lasted two innings but he gave up four solid hits before he was relieved by Albertson who finished the free slugging affair.

The big guns in the Bengal scoring spree were Leo Hill, who garnered three for three, Fritz Minuth, two for three, and Bob Pantor, who connected two for four.

Batteries:
CC — Goodnight, Roper (6) and Minuth
Mines—Elser, Pepper (4), Albertson (6) and Arnold

By innings:
Mines 101 013 0—6
CC 004 553 x—17

Bengal Golfers Drop Matches, CU & Mines

On the links last week, the Colorado College Tigers suffered a loss at the clubs of Colorado Mines. The Mines men squeezed out a 15½-11½ win over our golfers. Captain Bob Crabb of C.C. took medalist honors with a cool 77. The match was played on the Broadmoor fairways which were in fine shape except for the greens. They were hard and rough which accounted for some heart breaking putts. The team was composed of Bob Crabb, Bruce Stewart, Milton Richert, Lloyd Gardner, Harry Galligan and John Overman.

C.C. golfers were decisively trounced by a hot University of Colorado team at Boulder. The swingers from Boulder came through with a 24½-2½ win.

New Local Pictures Decorate Lennox Grill

When the CC student body returned from spring recess, it found a new series of decorations in the form of photographs in the form of photographs in the Lennox Grill. The enlargements are all of various views about the state and seem to do much to brighten the formerly drab grill room.

These photographs, from the files of Standley Photographers and enlarged and installed by that firm are, reading from the South wall around the room: Mount Shavano from the Northeast; the Maroon Peaks with the Maroon Lake in the foreground; "Winter Wonderland" taken in the Cheyenne School Nature preserve; a road in the Aspens north of Maysville; Pikes Peak seen from Woodland Park; and finally a shot of the gateway to the Garden of the Gods with Pikes Peak in the background.

The Lennox House Board, which had these pictures installed, has stated that it hopes the students like these pictures and would welcome any suggestions.

House Must Vote on Federal School Bill

Washington, D. C., April 12—The bipartisan federal school-aid bill, which passed the Senate is now at the House of Representatives for enactment or rejection. Speaker of the House, Joe Martin, says that there is more interest in the federal aid bill than in any other legislation that is pending in the 80th Congress.

The federal aid program, under both the Senate and House bills, provides for the most significant step which the nation has ever taken toward equalizing educational opportunity. Dr. Willard E. Civens, executive secretary of the National Education Association, emphasized this in a statement in which he said, "The great disparity in school support is the most far-reaching of all present educational problems in the nation, the best-supported schools having sixty times as much money as the poorest-supported schools to invest in each classroom. Although the schools are greatly overcrowded, 5,000,000 children are not attending any schools whatever, and the instruction of at least 2,000,000 others is being impaired seriously by current inferiorities in teaching and equipment."

Phi Beta Kappa

COLORADO COLLEGE

COLORADO SPRINGS, APRIL 30, 1948

NUMBER 26

Ten Votes Put Pfeiffer In Office

CC Delegation Returns from Convention at Boulder; NSA Organized on Regional Level

Jim Doherty Elected Public Relations Chief

Nine members of the student council represented CC at Rocky Mountain regional convention of the National Student Association held at the University of Colorado last weekend. Jim Doherty, former editor of this great epistle of truth, the TIGER, was elected to the position of Public Relations director. The constitution for the region was drawn and accepted by the assembly. It provides a basis for the regional association of the schools so the students may work together for better curricula, improved student government and higher academic standards, as well as social contact and cultural exchange.

There will be an executive meeting on May 15 to map policy and organize a program for the Rocky Mountain region.

Since CC is not a member of the NSA it would have to affiliate with the national group before it can become active in the region. This would mean a \$79 fee for national membership and a \$53 assessment from the region. Total cost to CC would be \$132 if it were to join this student movement.

Mary Lou Thompson acted as chairman of the budget committee for the region. Expenses were held to a minimum and dues based on the

(Continued on Page Six)

Red Lantern Holds Initiation Dinner

At a quiet and touching initiation dinner, the old and new members of Red Lantern met to welcome in the freshly tapped members, elect a new president, Bill Pfeiffer, and discuss important affairs de campus.

The new initiates proposed several commendable toasts after which there was an exchange of impromptu, but lucid speeches on the honor organization's past activities and standing with suggestions and ideas for the future.

The membership for this past year present at the gathering were Rock Lundberg, Roy Lilja, Dick Fryer, Curly Blakely, Clinton Howard, Jim Doherty, Don Harnish, Ike Burnett, John Overman, and Bob Udick.

The evening was closed with a restrained session of madrigal singing.

Our New Prexy

William L. Pfeiffer

"Tis a Privilege to Live in Colorado"

"Tis a privilege to live in Colorado" the Denver Post informs us each day. The CC TIGER has a dim view of the balmy atmosphere of Colorado after last Saturday's blizzard that got out of control on Pike's Peak and around Palmer Lake.

Jan Fiedler, Betty Ball, George and "Duck" Nichol and Dick Niebuhr were returning about five o'clock, from skiing at Glen Cove on the Peak, when the car (being from Illinois) got tired of pulling itself out of the snow and up slippery hills—so slipped its clutch and settled firmly back into the snow.

Betty and Dick started walking through the storm to Cascade several cold endless miles away, while the rest applied frozen cigarettes to brave frozen grins. Four hours later Mr. Zucco—who tends to the reservoir—picked them up in his four wheel drive army truck (he was wise to Colorado Springs weather) and took them back to his hostel above the reservoir.

Also marooned were Pat Starrels, Cail George and Jean Hoel, who were coming back on the bus from an N. S. A. convention in Boulder, when the drifts around Palmer Lake finally forced them to stop. In the local cafe, they found the CC track team, also marooned. That was 11 o'clock and about one in the morning Cail discovered that the bus had just left without them, so the three girls started running after it, through

(Continued on Page Six)

Bill Pfeiffer Carries Presidency After Trailing In Last Week's Primaries

In one of the closest elections in CC history, Bill Pfeiffer carried the majority of the ballots cast yesterday. With 309 votes needed to win, Bill had 313 and Bob Pringle, the other candidate for the presidency, 303. Over fifty percent of the student body cast 616 ballots, just 67 short of last week's primary record in which 59.7 percent of the undergrads participated.

This last week has seen clean political maneuvering on both sides and none of the mud slinging and anme calling that one usually associates with a campaign. Both candidates and their supporters may be justly proud of the fight they made.

Honor Council Wants More Classes to Join

The Honor Council of Colorado College requests that any faculty member interested in having any of his or her classes come under the Honor System beginning in the fall term, 1948, submit to the Council, within ten days, a written application stating the course or courses to which extension the Honor System is desired, the estimated number of students in each class, where the class is to be held (if such information is known) and if the courses designated are required for freshmen or for a major field of study.

A limited extension of the Honor System has been deemed proper, so the council will pass upon the applications, considering the past character of the classes and other pertinent information. The Honor System has been employed in several classes this last semester.

Any classes now being held under the honor system without a specific authorization from the administration are being carried on in violation of college rules. Strict proctoring is obligatory for all classes not otherwise authorized.

All applications for extension should be mailed to William E. Barton, chairman of the Honor Council, 1117 N. Nevada Ave. A detailed formulation of the Honor System will be published for all students and faculty members within a week.

Many Good Numbers Audible in Song Fest

The A.W.S. Song Fest will begin at 3 o'clock Sunday in Hamlin House gardens and is open to all college and town people.

Three capable judges have been selected by the music department for the contest. They are: Florence Lamont Hinman, Harry Colin Thorpe, and Frank Gillis. Mrs. Hinman is the director of the Lamont School of Music at the University of Denver; Thorpe is a teacher of voice in Colorado Springs; and Gillis, a graduate of CC, is the director of music in the Colorado Springs schools and leads the well-known A Cappella choir of the high school.

The Choral Repertory Group of the college will sing three numbers after the competing groups have sung. John Fundingsland will direct the group in "Willie Prythee Go to Bed" by Ravenscroft, "How Great Is the Pleasure" an English round, and "My Heart Doth Bid Ye'll Not Forget" by Di Lasso.

Hamlin House will hold an open house after the song fest for the college community.

The numbers to be sung on the program are:

Delta Gamma — "Strange Music" and "Gandemus Igniter."

Gamma Phi Beta — "Lord's Prayer" and "Cayuga's Waters" (different words).

Kappa Kappa Gamma —

(Continued on Page Six)

Veterans Must Cancel Leave by Friday, May 7

Veterans who do not wish 15 days leave at the end of the semester, and have not already filled out the proper form, must file VA form 7-1908 with the Veterans Administration before May 7.

If this is not done the leave will be granted automatically and the veterans entitlement reduced. This form may be completed at the Dean of Men's office.

WSSF Collection Begun in Fraternity Houses, All Dorms to Be Canvassed

The World Student Service Fund drive started officially Tuesday morning in chapel, when Gerry Coke, chairman of the WSSF committee gave a short talk on what WSSF is and what it is trying to accomplish. The drive had already begun in the fraternity houses during Monday night's meeting. Bob Burroughs, solicitor for the Betas, Bill Barton and Hank Klingman for the Sigma Chis, Bryce Tracy for the Kappa Sigs and Bob Packard for the Phi Cams, told about the WSSF in meeting and asked for contributions. It was decided to collect donations the following Monday night after the government checks had arrived. Bob Udick, solicitor for the Phi Deltas, has announced that \$48 has been contributed by the members of that fraternity.

Soliciting under the direction of Betty Braham will begin shortly in all the girls dormitories as well as in the

mens dorms. The WSSF booth in Palmer will be open for contributions during class hours for the next two weeks.

It Won't Be Long Now!

Convention Without Tears

At the regional National Student Association Convention held at Boulder last Friday, Saturday and Sunday a constitution was drawn up for the Rocky Mountain Region of the USNSA.

Two points of this constitution are especially significant, the first of these being the one instigated by the C.C. delegation, an amendment to the article on the impeachment of officers of the Executive Committee. It reads as follows: "Membership in any organization advocating forceful destruction of our constitutional form of government." It is interesting to note that this amendment prevented one man from accepting nomination for the presidency of the regional group.

The other point is the distribution of delegates, which is set up in such a way as to prevent any one large school from overruling any small school. Also with regard to voting, a two-thirds vote of the total student bodies of the region may change the vote of the general assembly.

After working with and watching this group of students working to set up a constitution and policies to cover both international and domestic affairs, we realized that the NSA can and will work for every student's welfare. To accomplish this, and all the specific aims, many student bodies, including the one on this campus, must stand behind their delegates with the same interest and zeal shown by those delegates.

The Rocky Mountain Region of NSA is now a going concern—it offers the best means ever available to students as a group to voice opinion, to improve student government by meeting and talking with others having similar problems, to provide better housing and curriculum, to work for increased teachers' salaries and advanced teaching methods.

There is room for you if you are interested.
—C.J.H.

Letter to the Editor

Dear Editor:

The time has come to remedy a deplorable condition which exists on our campus, and probably has existed ever since the pioneers were educated here. I am referring to the aquatic condition which besets our campus footpaths every time a local monsoon strikes. One torrential rift causes rivers to meander where students once did. Any attempt to navigate the sea of quagmire on foot is pure and utter self destruction.

The very best of rumor sources have it that one freshman, not heeding the advice of astute upper classmen, ventured onto a footpath during a shower. They found his yellow dink the next morning and he has not been heard of since. Since he had four chapel cuts he was officially dropped from school anyhow.

As I see the problem we have one of three alternatives. The first is to make swimming a pre-requisite for an A.B. degree at Colorado College and post life guards on campus every time it

R. J. C. SEZ:

If we are to believe the history books, old copies of London Illustrated News, and people who have spent five days in England on Cook's Tours, this is the time of the year in which the inhabitants of that fabled land stir from their winter lethargy and indulge in the May dance. (I realize that this should have waited till May, but I couldn't think of anything else to write about.)

As near as I can gather, the procedure is as follows: one morning everybody wakes up and says, "Let's have a Maypole." Whereupon they all troop out to the village green and set up a pole with a number of vari-colored ribbons nailed to the top. Then several barrels of ale are set out, the village squire rides up, merrily ripping out strings of hunting oaths and the dance begins. Everybody who can stand grabs one of the streamers and, to music, they dance in and out among one another with the end result that the village becomes the proud possessor of a pole around which are woven the colored streamers (with probably one or two inebriated villagers, a dozen or so children and several of the slower dogs braided in). Then, happy in the realization of a job well-done, everyone goes home, presumably to await the three alarm hangover that only ale can bring.

"Very pretty," you may say, or, perhaps, "Damn foolishness!" Be that as it may, though. The only thing that comes to my mind is, "What happens to the pole?"

One brief moment of glory and then—what? Does someone take it home with him? And if so, why? Is it presented to the Squire? And can't he retaliate? Or do they just leave it where it is and try not to think about it? If the latter is the case, the village green must be getting pretty crowded by this time. If someone takes it home with him, what does he do with it? I mean, it would be difficult to decorate a room, keeping the maypole theme in mind.

Frankly, this thought haunts me. Just think of it! Presumably there are hundreds and hundreds of hamlets, villages, towns, crossroads and cities doing this every year, and, what is worse, they have been doing it at least since the Norman Army of Liberation took up occupation duty. If something isn't done pretty soon, we will all find ourselves being asked to contribute to a fund for the preservation, maintenance and upkeep of indigent Maypoles.

I do know that anyone who tries to get me to contribute to the support of an underprivileged Maypole will have to be a pretty good salesman. It's their own fault and now it's their problem, by George, and I'll stick to it!

rains. As a second possibility we could post a "Historical Landmark" sign on North Nevada Ave. attracting tourists to the obsolescent paths once walked by the Indians and pioneers, or third and more logically we could give these river beds a concrete face-lifting.—Henry Klingman.

When the Hurlyburly's Done

Last week saw the annual invasion of the CC campus by the silver-tongued politicians and their slick campaign managers, past masters of the art of vote-getting. It was, on the whole, a colorful and light-hearted sight. Showers of pamphlets filled the sky and brass posters adorned every available space. Brass bands and public address systems filled the air with sweet spring music and, incidentally, persuasive arguments for this or that candidate.

The high point of the campaign for Student Body President came on that Thursday morning, at assembly. At that time the aspirants for the high office were introduced to their adoring public. Zooie Tucker on the drums, and Duffy Bauer on the glockenspiel, provided the proper convention-hall atmosphere. The various elaeques rocked Perkins with enthusiasm for their individual candidates.

Only one thing marred the procedure. This was a speech by one of the campaign managers. It was so droll and dripped with such bitter sarcasm that the following speaker was moved to remark that it appeared a "bromo" was in order.

Now, it is our opinion, in the first place, that this election required serious thought and endeavor. Furthermore, we cannot see that anything is to be gained by slurring the administration and faculty gratuitously. A sincere candidate should offer his best efforts to constructive action and cooperation rather than to destructive and pointless criticism.—W.S.D.

Snoop with Stroup

By D. A. of the Same Name

In the beginning (of the week, that is) Kappa Sig pledges started wearing white T shirts with designs (Bart Clinton even wears a corsage on his), John Alexander climbed up the side of Palmer Hall in his spectacular Swiss climbing uniform, all the Sig actives wore polished shoes, and the girls got a new type of serenade at 6 a. m. There are so many types nowadays, that they are having a little difficulty deciding which type they like the best. Any assistance with this over-whelming problem would be deeply appreciated.

Then there was a quiet (?) little picnic held Sunday evening at Austin Bluffs by hosts Hook Danforth, Pete Jones and Ed Cook (whose spirit was there, but whose body is still in the infirmary with Mumps). In fact, it is reported that the whole hill-side was covered with blazing little bonfires, and when it got darker, people kept sitting on prickly plants. There was singing too. Polly Pierson was the most enthusiastic participant.

And that isn't all that happened this week. It seems that Nancy Wrench and Steve Hord, while out driving one evening, ran out of gas, but not in Austin Bluffs or the Garden of the Gods—but in front of Montgomery. We

Only Jan Watched the Birdie

Bob's Campus Photos.

Jack Oliver's band provided both smooth and solid dance music at the Beta Spring formal, held at Bruin Inn, last Friday night, from 9:00 to 12:00. Through the help of ready and willing pledges, the lodge was decorated with a myriad of colored streamers. During the course of the evening, sandwiches and cokes were served to the crowd of hungry dance-enthusiasts. To top an evening of grand entertainment, Betas presented their dates with favors of gold, heart-shaped compacts with crest on them.

Chaperoning at this annual affair were Dr. and Mrs. Michels, Mr. and Mrs. Riddoch and Mother Cooper.

feel that this is an incident of an unusual nature, worthy of mention.

Tom Stoker has a new "scaring girls" face, which he deigns to show only to intimate friends, and girls he wants to scare. (The latter not being as prevalent as the former).

And in the "let's couple-up" line, Jess Cowles is wearing a diamond from Dick Sensenbrenner, Kathie Lockwood and Bud Stitt announced their engagement at a party at the Broadmoor one evening last

week, Judy Roberts from East High in Denver is wearing Bill LaClair's Phi Gam pin, and Phog Oberin gave his Phi Gam pin to Barbara Kepner.

A certain gym class waited quite some time for the Wahsatch bus to take them out to Patty Jewett's one afternoon, only the bus never came because they were on the wrong street. One doesn't get a chance to way-lay one's instructor every day.

And as far as printable information goes, that's about all I know.

Seniors to Be Feted at Junior Prom, May 8, Hawaiian Village

The members of the Junior Class cordially invite the student body to the annual Junior Promenade, May 8, in honor of the Senior Class. You are promised a very enjoyable evening at the Hawaiian Village, Broadmoor Hotel, dancing to the music of Bill Geisler's Orchestra. The formal will be from 9 to 12 p. m. Mr. and Mrs. Woodson Tyree, and Mr. and Mrs. Lloyd E. Worner will be chaperons at the soiree. As guests the Juniors have invited President and Mrs. William H. Gill, Dean Sherwood Gates, Dean Louise Fauteaux, Dean and Mrs. Henry Mathias, and Dean and Mrs. Juan Reid.

Tickets for the prom will be on sale Monday through Friday at Palmer Hall, or may be obtained from the Junior Class Commissioners, Bob Pringle, Susie Sabin and Chuck Roper. They are \$1.20 a couple.

SENIORS MAY OBTAIN THEIR COMPLIMENTARY TICKETS FROM MISS BERGER IN CUTLER ANY TIME NEXT WEEK.

Dixie Lan' Spirit

The dance, "Show Boat" (or "Mellerdrama in three acts"), given by the Independents Friday night, April 23, was a sure 'nough big success. It all began with Act I at Red Cloud Inn where dinner was served. Gwendolyn Leitzinger and Jimmy Erb gave a delightful rendition of "Make Believe," and the Klingman-Reeds-Bradley trio did a black-face act for the entertainment of all.

Act II followed closely with dancing at the Hawaiian Village, the "Ship's Musicians" under the baton of Ray Kranz providing Dixie lan' atmosphere. Entertainment was the same as that for Act I.

Act III and the finale was left entirely up to the discretion of the passengers.

"Esteemed and Honorable Critics" present were Dr. and Mrs. Carter, Dr. and Mrs. Boucher, General and Mrs. Gill, Miss Donaldson, Dean Fauteaux and Mrs. Barkalow.

Carnival Dance for WSSF Next Friday

The World Student Service Fund dance carnival will be held Friday, May 7, in Cossitt gym from 9-12 p. m. (All girls will be given late permissions). Tickets will cost 45c per person.

The fraternities, sororities and Independents already have started working on ideas for carnival booths for the dance. Aside from the various entertainment booths, there will be, door prizes, dancing, refreshments, auctions and bingo.

From all reports the dance promises to be one of the best of the year and certainly for the best cause.

Inter-Squad Football Contest Today at 3:30

White-Gold Elevens End Practice Sessions On Washburn Field

The CC Tigers' Spring football sessions will come to a climax this afternoon when the White and Gold squads tangle in the annual intersquad game on Washburn Field at 3:30.

Coach Ben Douglas has had his Bengal gridders hard at work for the past four weeks in preparation for this intersquad contest. The Tiger mentor has had about 26 candidates participating in the daily practice drills and Douglas is well pleased with the showing of most of the men that will be returning next Fall.

Roy Lilja outstanding end on last year's Tiger eleven has been assisting Coach Douglas in the Spring practice sessions.

Coach Douglas will handle the White squad and Dwight Brothers will be acting captain in the quarterback slot. The Gold squad will be coached by Roy Lilja and they will be captained by quarterback Bob Pringle.

The lineups are as follows:

White Team:
R.E. Randolph or MacDiarmid
R.T. Ward
R.G. Florsheim
C. Lewis
L.G. Van Metre
L.T. Duvall or Kohlmeier
L.E. Grisham
Q.B. Brothers
R.H.B. Baird
L.H.B. Faucett
F.B. Tinsley or B. Jones
Gold Team:
R.E. Roper or Williams
R.T. Hay or MacDiarmid
R.G. Hill
C. McMurry
L.G. Morris or Parliapiano
L.T. Brugger
L.E. Belle or Ulreich
Q.B. Pringle
R.H.B. Holmes
L.H.B. Fryer
F.B. R. Jones

Officials for today's game will be: Juan Reid and Bob Jackson.

Ups and Downs

Rock Climbing School Opens This Sunday

The Colorado College Mountain Club is opening a rock climbing school this Sunday in the Garden of the Gods. It will be taught by Stanley Boucher and Vern Twombly, who are experts at rock climbing.

Rock climbing, as the name implies, is that part of mountain climbing which deals with the scaling of cliffs. It is a thrilling sport, once a little skill has been acquired.

Those interested in learning need not see anyone; just be in front of Murray's Drug Store at 9:30 a.m. Sunday. Wear rubber-soled, high-topped shoes, an old pair of pants and bring a warm sweater. It gets cold on top of the kissing Camel rock.

College Barbers

Freshmen Face Camp Carson Nine Today; Host to W.S.C. Sat.

Stewart Field will be the setting for the freshman nine today when they take on the Camp Carson troopers at 3:30 p.m. They will tangle with the West Side Commercial Club tomorrow on Stewart Field at 2:15. Coach Bob Bartlett

Tiger Netters Host to D.U., Regis Tomorrow

Coach Pete Alexander's CC netters will entertain Regis College and Denver University tennis teams tomorrow afternoon at the Broadmoor Courts. This will be a triangular match and will commence at 2:00 p.m.

The Tiger netters have yet to win a match this season, so Coach Alexander has high hopes of seeing his men emerge victorious in tomorrow's match.

The Bengal courtsters will line up with Lars Larson No. 1; Risal Lomo No. 2; Jack Daly No. 3; George Casebeer No. 4; and Bob Porter No. 5. Ron Newsom and Jack Orsborn will be available as spares.

The schedule for the remaining part of the season is as follows:

May 1—D.U. and Regis at the Broadmoor.

May 7—Colorado State at Greeley.

May 8—Regis College at Denver.

May 14—D.U. at Denver.

May 21-22—R.M.C. tournament at Greeley.

plans to start speedball Dick Grater against the sluggers from Carson. Clark Wilder or Ed Siegel is slated to handle the mound duties tomorrow. Bill Harley and Joe Wiesmiller are tabbed for the catching post.

The Cubs are seeking their second win in four starts.

Sponsors Tennis

Dr. Harvey Carter, Professor of History, sponsors the CC tennis team this season.

I-M BULLETIN

The undefeated Phi Gam softballers are currently out front in the intramural softball league with 3 straight wins. The hard hitting Independents are resting in second place with 2 wins and no losses.

Last week's scores are as follows:

Kappa Sigs—14, Betas—4, Batteries: Kappa Sigs—Kuhns-Peterson, Betas—Morrison-Hamilton.

Phi Gams—12, Phi Deltas—2, Batteries: Phi Gams—Faucett-Randolph, Phi Deltas—Brenton-Galligan.

Independents—21, Sigma Chi—2, Batteries: Independents—Ritchie-Carstens, Sigma Chi—Jones, Flanagan (5)—Florshiem

Phi Gams—13, Kappa Sigs—6, Batteries: Phi Gams—Faucett-Randolph, Kappa Sigs—Miller-Peterson.

Intramural Softball Standings As of April 28th

	W	L
Phi Gams	3	0
Independents	2	0
Phi Deltas	1	1
Kappa Sigs	1	2
Sigma Chis	0	2
Betas	0	2

Intramural schedule next week:

Tuesday May 4—Phi Deltas vs. Kappa Sigs.

Wednesday, May 5—Phi Gams vs. Sigma Chis.

Tuesday, May 4—Phi Deltas vs. vs. Betas.

Friday, May 7—Sigma Chis vs. Kappa Sigs.

All games played at Stewart Field at 6:15 a.m.

CC Linkmen Entertain Regis, C.U., Fri., Sat.

The Tiger linkmen came home, Monday, from Lakewood Country Club with a loss to the Miners from Golden. The sextet from C.C. went down swinging by a 16½-10½ margin. Bob Crabb, captain of this year's golf squad, lead the field with a sparkling par 72.

Today Colorado College will play host to Regis and University of Colorado. The Regis match is slated for 2:00 p.m., while the U. of C. rounds will go tomorrow morning at 10:00. Both matches are scheduled for the Broadmoor Golf Course. The first six men are respectively, Bob Crabb, Bruce Stewart, Milton Richert, Lloyd Gardner, Harry Galligan and John Overman.

Bengals in Twin Bill At Golden Tomorrow

The CC diamonders will be going after their third and fourth R.M.C. victories tomorrow afternoon when they trek to Golden to face the Colorado School of Mines in a twin bill which is slated for 1:30.

The Tigers gained a split in the two games played here against Mines two weeks ago.

Coach Bill Goodnight's hard hitting Bengals have been pounding the horsehide consistently in the past few games. If the Tiger mound staff can remain intact in tomorrow's doubleheader the black and gold should return home with two more conference wins.

Curve baller George Theodore, will undoubtedly be Coach Goodnight's mound choice in the opener while smokey Ruben Chevez is slated to hurl the nightcap.

The orediggers will probably throw Gil Borthick and Bill Elser at the slugging Tiger nine.

Pueblo J.C. Nine Rally To Edge Frosh, 11-10

The Tiger Cubs were handed a 11-10 setback by a rallying Pueblo Junior College outfit last Friday afternoon. Hurler, Dick Grater, held the lads from down Pueblo way to a mere four tallies in 6 frames. Ed Siegel came in to relieve Grater in the seventh with a favorable 10-4 margin. The Diamonders from Pueblo got hot on the stick and seemed to hit anything that was pitched. Their rally paid off and they went off the field victorious by a 11 to 10 margin.

The Frosh nine seem to be suffering from the same trouble as their big brothers as far as pitching goes.

Track Meet at Washburn Field Sat.

CC Host to CU, Mines Saturday at 2:00 p. m.

Tomorrow afternoon Coach Cheddy Thompson's CC cindermen will be host to Colorado University and Colorado School of Mines in a triangular meet to be held on Washburn Field at 2:00 p. m.

Both C.U. and Mines are loaded with excellent track talent this year so therefore it is expected that keen competition will be entered in every event. Although the Tigers lack balance power in most events they will nevertheless provide plenty of opposition to the visitors from Boulder and Golden.

C.U. tracksters who will be favored to cop top honors in their respective events are: Bill Todd who heaves the javelin 194 feet or better; Sprinter Dave Bolen an Olympic prospect, will no doubt take top honors in the sprints and the 440 meter hurdles; Warren Bateman, pole vaulter, tops the cross bar at 13'5"; Jack McEwen, broad jumper, went 24 feet in the Kansas Relays—while Doug Edwards, high jumper is good for 6' 12" any day.

The Miners have a one man track team in Iggy Yakoushkin, Russian born athlete, who tallied 18 points against Colorado State a few weeks ago. Yakoushkin participates in the 220, the 440, the 220 low hurdles and also heaves the javelin 181 feet. The overdoggers also have an excellent distance runner in Paul Vaughn who clocks the mile at 5:34 and he has not yet been defeated in the two mile this season.

Coach Thompson will be depending on several of his thinclads to garner points in their respective events. The Tiger mile relay team will undoubtedly rack up a sufficient number of points and the Pfeiffer boys Bill and Dick, will be seeking wins in the mile and half mile. Jack McCawley and Chuck Stoddard will represent CC in the sprints while Bill Burns and Hal French are expected to cop places in the field events.

CC Brother Combination

—Cut Courtesy Gazette-Telegraph
The Pfeiffer brothers, Bill (left) and Dick (right) will be seeking places in the distance runs tomorrow.

Bears Outclass CC In R.M.C. Slugfest

The CC Tiger diamonders suffered their seventh setback of the season last Saturday afternoon when they dropped a 13 to 11 decision to the Colorado State Bears on Stewart Field.

Both clubs were pounding the horsehide into every section of Stewart Field and when the slugfest ended the Greeley Bears found themselves victorious by a slim three-run margin.

Chuck Roper was the starting Tiger moundman but he was awarded a quick shower in the second inning when he gave up 7 hits and 5 runs. Warren "Ears" Goodnight took over the Bengal mound duties in the second and the veteran CC hurler gave up 9 base smashes before he was relieved by George Theodore who finished the game for the helpless Tigers.

The black and gold collected 13 bingles off the combination hurling of Sajevec and Olin, three of these went for homers; Perkins, Mitchell, and Litt accounted for the circuit blows.

The big guns in the CC hitting spree were Captain Leo Hill who collected four for five, while Jack Mitchell, Fritz Minuth, and John Litt garnered two bingles apiece.

The second game of the two game series between the Tigers and the Bears was postponed due to rain. This game will be played at a later date.

MEET AND EAT AT STUDENT UNION

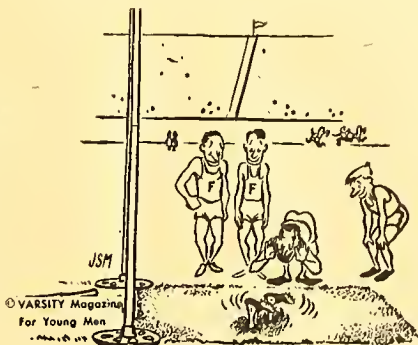

Bengals Cop Medley Relay Title Saturday At Boulder Meet

The medley relay team captured first place for the distance medley bringing home a C.C. triumph from the C.U. relays held last Saturday. The Medley team of Gene Albo, John McCawley, Bill and Dick Pfeiffer whipped Kansas State, Colorado University and Wyoming with a time of 11:44.1.

Setting a new record for the C.U. relays, Rollin Prather of Kansas State heaved the discus 150 feet 1 1/2 inches through a blinding snow storm. This was the only event held outside as the snow and rain made a soft mush of the track and field.

A special race was held between Bolen, a graduate student of C.U. and Herb McKenly, the former running star of the University of Illinois. The race, originally scheduled as a 400 meter outdoor event, was advertised as a possible preview of the Olympic finals to be held in London. Bolen nosed out McKenly by a tenth of a second. Bolen is an American candidate for the London games and McKenly is going to London with a team of five men from Jamaica.

An informal track meet was held Tuesday afternoon on Washburn Field between C.C., which totaled 71 1/2 points, Pueblo Junior College, 46 1/2 points and Colorado Springs High School, 33 points. No records were made, but Jack Pfeiffer was told by his brother to run the two mile just for practice. Jack lasted to the finish and placed second, only a few yards behind Chuck Ormsby, the winner. With more training it looks as if another Pfeiffer will be running for C.C.'s track team next year.

"I say it's a new record, Powell, a new record."

Dance-Drama To Be Presented Again Tonight

—Cut Courtesy Gazette-Telegraph. Picture by Guy Burgess.

"Quest for Sita," the CC dance-drama will go into its final performance tonight when over fifty students of the dance, music and drama departments will present one of the most lavish spectacles seen at the college in some time. Pictured above are: Jacqueline Cooper, center. Seated, left to right, Pat Harley, Dennise Schoonberger, Joanne Gilbert, and Clare Morris.

Magnificent Stage Extravaganza, "Sita," Receives Praise

An enthusiastic audience witnessed one of the best performances ever given by a Colorado College group, when they saw the dance-drama "Quest for Sita" last night at the Fine Arts Center.

"Quest for Sita" is taken from an ancient oriental legend and adapted as a two act abstract drama. The story of Sita concerns a young oriental girl who is sold into slavery and on her journey escapes and meets one who shows her how she can find who she really is. Once she learns the

secret and discovers herself she also finds that her teacher is the one she loves.

The play uses a large cast in exquisite costumes, centered about settings and lighting effects which create a mystical and oriental atmosphere. The Pfeiffers and Doug Gregory add to the show by appearing in a trick and acrobatic act.

CC's dance, music and drama departments have worked closely together to stage the production. Gregory MacDougall, assistant profes-

sor in dance, was the choreographer and director of the entire production, music was written by John White, art, scene design and costumes by Douglas McClellan, and construction by Woodson Tyree.

Featured in the show were Gregory MacDougall, Warren Boudinot, Johnnie Gazvini, and Harvey Morrow, adapter and dialogist.

The show will be presented again tonight at the Fine Arts Center at 8:30. Student tickets may be purchased at Perkins Hall for 50c.

This is Your Man Harold Stassen; Widely Travelled, Middle Roader

Never in American politics has one man said so much to so many. Not even William Jennings Bryan traveled so widely in his campaign for the Presidency, as has Harold Stassen. Harold Stassen, former governor of Minnesota, has won "liberal" repute. He is one of the foremost advocates of a world organization for peace. He scorns national sovereignty as a barrier to world peace.

On most domestic issues, Stassen is middle-of-the-road. He is not even remotely a "left-winger." He is a liberal in this sense: he believes in the power of the government to check abuses in the private enterprise system and to accomplish broad social purposes. Stassen is a staunch supporter of the Marshall Plan.

By hard work, he has become one of the most indefatigable campaigners in history. His speech making, however, is paying dividends as he won the Wisconsin primaries with nineteen convention delegate votes, and he also won the Nebraska primaries. His motto could very well be hard work plus courage equals votes. The thing that especially seems to impress his listeners is his willingness and ability to answer all questions, however embarrassing.

"Sita" Corrected

Contrary to a statement made in last week's Tiger, Gregory MacDougall, assistant professor of dance at CC, is in FULL CHARGE OF THE ENTIRE PRODUCTION, having composed and directed the entire choreography himself, as well as supervising all other aspects of the project.

gave up the ghost along the Denver road—in the land of sunshine and blue skies.

Pep Group Meet to Plan Fall Strategy

The Red Lantern, Growlers, and Tiger Club will all hold important organizational meetings this week.

Red Lantern has been called into session by its new president, Bill Pfeiffer, on Wednesday at 8:00 p. m., Lennox House.

The men's pep group, the Growler's, will meet for election of officers at Lennox this Wednesday at 7:30 p. m.

The Tigers will meet in Ticknor basement on Thursday at 4:30 p. m. Uniforms are to be turned in.

If the Colorado weather permits, the Tigers and Growlers will have a joint picnic on May 16.

COLORADO COLLEGE

COLORADO SPRINGS, MAY 7, 1948

NUMBER 27

Milmo, Price and Hads in Top Student Council Positions

The new ASCC Council, meeting for the first time last Monday, elected Jim Milmo, '49, vice president; Sonny Price, '49, treasurer, and Clarice Hads, '50, secretary. Bill Pfeiffer, student prexy, presided after being introduced by Lefty Grisham. Pfeiffer urged all representatives to think of the school as a unit although they were elected to office from different social organizations. He then outlined the busy schedule before the council that must be cleared before summer vacation, topmost on the list are NSA affiliation and the new student constitution.

Dr. Kenneth J. Loder, doctor of psychiatry and director of the Child Guidance Clinic, has accepted the council advisorship for next year. Dr. Loder is known to students as a lecturer for certain of the advanced psychology course.

The various committeemen were also selected at Monday's meeting: Doug Gregory, '50, social chairman; Dave Sproule, '50, Lennox House Board; and Mary Ruble, '50, Chapel board.

Susie Sabin, '49, was elected to the chapel board but resigned after being in office some thirty-minutes. (It must be a record).

Lefty Grisham, '49, was chosen to serve as chairman of the election committee consisting of Mary Slosser, '49, Ruth Reeds, '49, and himself.

Positions on the Student-Faculty committees, Assembly board and Publications board were not filled at this meeting.

Approval was granted to Mary Lou Thompson to proceed with plans for a CC entry in the Lakeside Park Queen contest.

The council also voted to have roast beef in preference to turkey at their annual banquet. The banquet was held Wednesday at the Tavern in the Broadmoor hotel.

Scheduling Campus Speakers

In order to avoid any conflict concerning dates and speakers on the campus, all groups and organizations seeking such information will please consult the Secretary's office, Cutler hall, before taking steps to make definite arrangements. In this way the dates will be cleared, and by submitting to Miss Berger a list of possible speakers, we hope other embarrassing situations can be eliminated.

W. H. Gill

SONNY PRICE

D.G.'S and IMA Take AWS Songfest Firsts

Due to mountain shower weather the AWS Song Fest was held in Shove Chapel instead of Hamlin Gardens. Beginning at 3:00 p. m., CC students, faculty and townspeople witnessed one of the nicest musical programs given by an amateur group here.

First place in the women's coral group went to Delta Gamma sorority with Nancy Beaman as song director. The group sang "Strange Music" and "Gandemus Igituer." The Independent Men, with Jimmy Erb conducting, took the gold cup for the men. Their songs were "Green-sleeves" and an original song by Jimmy Erb, "Tiger Stein Song."

Placing second for the women was Kappa Alpha Theta, with Barbara Dyer as song chairman. They sang "Hail CC" and "In the Still of the Night." Phi Gamma Delta fraternity was the runner up group for the men with Jim Wagner leading. The Phi Gams sang "Cornell Alma Mater song" and "Smoke Gets in Your eyes."

Judges of the program were Florence Lamont Hinman from Denver, Harry Colin Thorpe and Frank Gillis. Marion Crowder, AWS president, announced the program.

Council Revising ASCC Constitution

Following several weeks of conferring on constitutional problems, the student council "idea committee" presented the first draft of the re-written ASCC constitution and by-laws at a special meeting of the council last Wednesday.

The new constitution, now under modification by the council, includes such new features as: provision for incorporation of ASCC as a non-profit organization, thereby giving the organization a more desirable legal status; an increased flexibility of regulation governing many student activities; provision for an absentee ballot in elections, and a modification in the allotment of council seats to various organizations.

Following council approval the new constitution must be passed on by the Committee on Undergraduate Life and will then be placed before the student body for ratification.

A complete text of the tentative constitution will be printed in the TIGER shortly.

Students Test Honesty Of Springs Citizens In Psych Experiments

The honesty of the average citizen was tested last week through several experiments in the downtown district by some CC students. Seemingly valuable articles were planted at locations frequently trod upon and the results were amazing!

A soldier picked up a key case in front of Busy Corner Drugstore. It was not returned. A coin purse containing a tube of lipstick, hair pins, identification, etc., was placed in front of the post office; picked up by a middle-aged man, and returned. A salesman picked up a key case in front of Robbin's Clothing store and turned it in. The purse placed in front of the Trailway Bus Depot and found by a woman was reported and turned in.

Two small children found a coin purse in the alley next to the Gazette-Telegraph building, containing a fake diamond ring and identification. The children turned it over to a policeman, however, it has not been returned to the owner as yet.

Carnival Begins in Cossitt Tonight At 8:30; All Proceeds to WSSF

If P. T. Barnum knew of what was going to happen in Cossitt tonight, he would do backflips in his grave. The old ivy covered walls of the Cossitt gym will shake with the merriment of the annual W.S.S.F. carnival-dance. This year it will be bigger and better than ever before. Concessions, put up by the fraternities, sororities and independents will be centered around the carnival theme and will include: roulette wheels, game tables, auction of faculty members, luscious gals selling kisses for charity, bingo, side shows galore, skits, dancing, hot dogs and cokes, just to mention a few. And all for the admission price of 45c, less than half a dollar.

You will go home with your pockets bulging with prizes! There will be awards for the most original booth, a prize for the booth that takes in the most money, valuable door prizes, in fact there will be something for everyone.

The proceeds will go to the World Student Service Fund, so Hurry, hurry, hurry, grab your girl (who'll have a late permission) and get your wallet (Heck, it's the first of the month) leave your worries on the Cossitt door step and come on in tonight at 8:30, for the best Friday evening you've spent in a long time."

See Dean for Summer Employment in Springs

Students wishing summer work with the city of Colorado Springs should call at the Dean of Men's office.

The city has several different types of jobs available to college students for the summer months. Good pay, excellent hours.

Seniors Check Names And Major Subjects

This is a tentative list of students graduating June, 1948. Names will appear on diplomas as they appear below. The subject following the names indicate the major subject in which the student is taking comprehensive examinations. If you name is listed incorrectly in any way, or if the major subject is incorrect, it is important that you see the registrar at once.

"Quest For Sita" Seen as Solid Sender

By BOB COSGROVE

Last week, more through requirement than inclination, I attended the presentation of "Quest for Sita." I knew nothing of modern dance, and I was very much afraid that there would be long stretches of weird posturing that was supposed to represent the "Spirit of Recurring Possibilities" or some such other vague and abstract inner significance which would

completely escape me. I also expected reams and reams of mystic mumblings from oriental philosophy. With all of these preconceived notions, I settled snugly into place to give the play a "fair" trial before taking it out and hanging it.

With the opening bar of music, however, I became busier than the proverbial crippled paper-hanger with dermatitis rearranging my notions. It seemed that every new scene caused me to retreat from a previously prepared position until, with the final curtain, I found, to my great surprise, that I had enjoyed myself hugely and, further, had just seen a cracker-jack production. I came in tolerant and went out exuberant.

If I were to pay homage to everyone that did a good job, I would have to name nearly everyone in the production. I would like, however, to pay special tribute to a few whose performances especially impressed me. Jaqueline Cooper's portrayal of the evil princess Surpanakha made me wince because of the conviction that it carried. Every moment that she was on the stage, she literally dripped evil and dark hints. If she had come over the footlights, she could have emptied the house in a minute, and I do not think that I was the only one who felt that way, for when she came on the stage, there was an almost instantaneous cessation of whisperings and squeakings from the

(Continued on Page Three)

Beefs, Too

We hear that someone in town doesn't like to see waste paper blowing about on campus near the chapel. This complaint came from a Colorado Springs enthusiast who, at the moment, was full of exaltation of soul over Clean-Up-Paint-Up Week. We aren't going into the obvious routine about his own back yard, and we aren't going to emphasize the fact that any way you look at it, the college is a community asset.

We are going to point out that the college spends a good deal of hard-to-get money to keep its grounds at least on a par with the rest of its area of town. No one is looking for bouquets for it, but it is a big job, and is usually well done. The campus is no disgrace to the area, to put it mildly.

If all of the townspeople were cognizant of the value of the college in the community, any lack in the upkeep of appearances on campus might well have been covered by even small contributions to the endowment drive. If there are citizens of the town who feel revulsion at seeing scrap paper caught in the shrubbery on the CC campus, let them consider what else has to be done with the limited funds the college can acquire. Most of the professors who teach here must love the place—they certainly aren't staying here to get rich quickly.

The college badly needs buildings to replace some that were found on the premises by Zeb Pike, and to absorb the expansion of recent years, much of which promises to be permanent. We needn't go on—there's plenty to do with all the endowment money available or likely to become available.

The point is, if the college hasn't enough funds to cover its potentialities as a college, it should not be called down for not competing in beauty contests.

Vox Pop-Off

(GO SOAK YOUR HEAD DEPARTMENT)

To the Editor:

There is a common admonition to the effect that when you have nothing to say you should keep still.

The depths of trivia found on the editorial page under R J C Sez in the April 30 issue of the TIGER are enough to make the most inveterate reader of That's While Shaving columns shudder!

WILMA E. DOWNING.

R. J. C. SEZ:

Last week, I apparently got a little too flippant for at least one of our readers (See "Letters to the Editor") and so I shall take a subject this week that is a good deal more somber. I speak of the "Comic Books" which is about as grim a subject as you can choose without being ranked with the Graveyard School of Writing. "Comic" indeed, if these books are Comic, Nero was a Latinized Old King Cole.

If you want to give a child a thorough grounding in crime and violence, why the "Comic Books" are ideal texts, but if some golden-locked little darling gets a hearty laugh out of them, he automatically wins my nomination for "Student Voted Most Likely to Become an Ax-Murderer."

I thought, as a child, that the fairy tales got about as grisly as possible, but the other day when I picked up a comic book, I realized that I hadn't "seen nothin'." The villains are perfectionists who do not seem to feel that they have done a good day's work until they have wiped out a city or (in one case) an entire planet. These villains are gifted with boundless wealth, an endless capacity for the invention and construction of fiendish weapons, and an army of followers, all well-armed and muscular. Ivanhoe or any other hero of my childhood wouldn't have lasted ten seconds if he had run into one of these super-charged minions of Satan. The modern hero of the "Comic Books," however, restores the average by virtue of the fact that he can handle a gross of the dragons that were so troublesome to St. George, without even working up a sweat. Most of these heroes have some unique set-up in their body chemistry which enables them to jump over buildings, look through walls, race with the speed of light and open Mason jars.

When these villains and heroes come into conflict, you would expect some astronomical fireworks and you would not be disappointed. In the interval between the beginning of the adventure and the defeat of the villain, worthy citizens are massacred by the gross and the general scene of activities is usually reduced to a smoking shambles. Of course, it is a worthy thing that the villain be defeated, but you have the feeling that when he walks the "last mile" he is still ahead of the game and would remain so if he were executed a thousand times. In addition to the hero's other duties, he is required, throughout the adventure, to extricate his sweetheart (always as beautiful as Helen of Troy and as brainless as the Trojan Horse) from a series of unbelievable jams that she has gotten herself into, apparently to prove her brainlessness. With very few alterations, this brief script could be applied to every "Comic Book" on the market, but they go right on producing them. If someone wants to do something about the national paper shortage, I have a suggestion to make.

To the Students of Colo. College:

I would like to thank you very much for the honor that you have entrusted to me and I will endeavor to further the progressive stands taken by the past council.

This year the ASCC has come a long way toward student government. The council has been given the power to handle disciplinary action with regard to the college drinking code; it will be fully informed of actions bearing on students taken by the Committee on Undergraduate Life. The Council has been dealing more closely this year than ever before with that committee, on major policy action.

This increased cooperation between students, administration and faculty has been due to the increased interest in the activities of the student council on the part of the student body. All of us who are directly concerned hope that this interest will continue, and increase.

The new council has a full schedule to complete before the summer recess. A revision of the ASCC constitution, started several weeks ago, must be finished and action must be taken on NSA affiliation.

It will be the aim of this council to see that the entire student body is well informed on important measures as they come up for discussion. It will be the hope of this council that when such measures arise, every student will regard it as his personal business and make his views available to the council.

"Ike" Still Considered as Presidential Timber

Dwight D. Eisenhower's name is mentioned often in political circles. Even before his retirement from army life, this able and stalwart man has refused to shine in political lights and says he will not run, even if drafted.

Now as president of Columbia University, Eisenhower is determined to stay in the field

—Cut Courtesy of Free Press

DWIGHT D. EISENHOWER

of public service education, not politics. He maintains he is a simple man and does not belong in a pair of politician's shoes in the White House. Eisenhower has not yet stated whether he is pro or anti the Democratic party or the Republican.

As for the international sit-

Don't Even Miss
The
Side Shows
at the WSSF
CARNIVAL

uation "Ike" favors the European Recovery program and is in agreement with the UMT movement.

The Democratic party is desperate and Eisenhower's nomination could save their face. Although this former Army general has gone so far as to absolutely refuse to run as a presidential candidate, his popularity on the side of both parties has risen tremendously.

The cry, "Draft Ike," is not dead.

Bookkeeping Job On TIGER Now Open

The present TIGER bookkeeper will graduate in August. Someone is needed to fill his place on the TIGER staff. Qualifications: one year of college accounting or the equivalent. This is an excellent opportunity to get some good practical experience in accounting with an ample salary. Applicants contact Jack Sullivan at the Phi Gam House or Marvin Barefoot at J's Drive In.

It is important that the new bookkeeper begin this semester so that he can be shown all of the angles while the present bookkeeper is still on the campus. This job carries a great deal of responsibility and it also gives the added opportunity of serving the college and the student body.

Pick and Pan Plan Picnic

The Pick and Pan Club will have a picnic May 16, 4:00 p. m., at Mr. Tyree's home. Members of the organization, those eligible for membership, and pledges are invited.

Students not sure of their standing in the group please check the bulletin board in Cogswell.

"Quest for Sita"

(Continued from Page One)

audience.

The performances of Jamalea Gazvini and George Boudinot, the principals, were good throughout the play and I was particularly pleased that there was no overacting from either of them, despite what must have been grave temptation in certain scenes. Miss Barbara Keppner's portrayal of a scatter-brained dancing girl who had forgotten her dance and was pretty worried about it was fine humor and seemed better in that she needed no lines to convey the impression, but had to do it all with facial expression and the un-nerved dance.

The music, written, I am told, by John White, seemed very fine as far as my layman's knowledge goes. It seemed to parallel the story and emphasize the moods that were being portrayed on the stage. I certainly think that the music did much to make the production a success in my eyes. The writing, done by Harvey Morrow, struck me as being excellent without recourse to labored bon mots

Paul Robeson Speaking in Colorado Springs Today

Paul Robeson, singer, actor and political exponent of the "left," will open the presidential campaign for Wallace in Colorado Springs today.

Sponsored by the Colorado Wallace-for-President committee, Robeson will sing and speak to a luncheon group at the Peoples Methodist Church, 601 East St. Vrain Street, at 12:30.

Limited space insured early sale of all luncheon tickets and those unable to attend may hear Mr. Robeson over station KRDO at 12:15.

and massive witticisms. The story was told simply, convincingly and well. The explanation of transmigration was done so subtly that the audience had accepted it before it realized that it had just heard something outside the sphere of common experience.

The story was further improved by the delicate and gentle irony which relieved what might otherwise have been low spots, such as the declarations of war in the second act.

The sets, designed by Douglas McClellan and constructed by Woodson Tyre showed great taste and ingenuity in their simplicity (comparative) and had a great share in the show's success. This same comment applies to the costumes, also designed by Mr. McClellan and the helmets, head-dresses and breastplates, designed and made by Greg-

THE Couples Column

Three big events are being planned for the next three C.C. Wives' meetings. The most imminent is a long-awaited Musical Evening, planned by Shirley Windward for this coming Wednesday, May 12. Mary Alyce Graves, who presented a very successful recital recently, is going to entertain the Wives with a program of light songs.

All are welcome, whether you've been in regular attendance or not, so come on over to Lennox, Wednesday night at 7:30 for a good time.

Coming up are the Spring Picnic at Austin Bluffs on May 16, and a final auction on the 26 of May, so you can get rid of all your excess baggage — and gather up more!

The square dancing enthusiasts are meeting at the Music Studio in the old observatory every Friday night at 8:00 to get all polished up — Doug Platt is the able instructor. Any one interested drop over any Friday.

ory MacDougall, all carried the conviction of oriental finery and were at one with the spirit of the play.

"Sita" was a wonderful production and anyone who had a chance to see it and didn't, should wear sackcloth and ashes and do penance until St. Ulfilas's Day.

DG, Theta Dance Oriental in Atmosphere and Population

An orientalized Patty Jewett golf club was packed with couples when the Delta Gamma and Kappa Alpha Theta Sororities held their "Singapore Swing" last Saturday, from 9 to 12. After receiving a fan program, the couples danced to the music of Frank Waddell and Bill Westerfield's Jazz Combo in a room dimly lighted with small lanterns and filled with gleaming Buddhas, dragons, and Chinese symbols. The boys were presented with miniature beer mugs with the words "Singapore Swing" on them.

After the dance everyone trooped back to the Delta Gamma house for a sumptuous buffet supper with all the trimmings.

The chaperones were Mr. and Mrs. Charles William Goodnight, Mr. and Mrs. Robert Bartlett, Miss Bertha Vernon, and Mrs. Lillian Jackson. Sue Weary and Gale George were the social chairmen in charge of the dance.

Phi Delt's Narrowly Miss "Watery Grave" In Milk Can Battle

The Phi Delt's defeated the Kappas in the battle of the milk can trophy Monday evening. The invaders moved in front from the west at 7:30 with "Plunger" Rawlings and Jan Long in command. Several of the troops approached the front door to announce themselves while others surrounded the house. Windows, doors, all possible means of entrance were barred, presenting a difficulty never before encountered in securing the cup. In last resort the brave forces attempted to drown the Phi Delt's out of their seclusion.

"Fearless" Finley climbed the fire escape to go on watch, only to be ambushed by three of the burly enemies. Suddenly a signal was given within the house and the entire battalion leaped out from every available exit armed with paddles and similar missiles. Bob Cosgrove was taken as hostage for a few seconds but was rescued by some of his brave comrades. Defeat was evident so the foes returned home to develop new plans, slightly drenched and

Prexy, Mrs. Gill Will Give Freshmen Tea

The last in the series of teas General and Mrs. Gill have been giving for the four classes will be held at Bemis Hall on Thursday, May 13, from 4:30 to 6:00 o'clock, when the Freshman class will be the honor guests.

The "Singapore Swing"

Bischof-Eastham Photo.

covered with mud.

The development of new plans was interrupted by an impromptu visit from the victors, introduced with a serenade and a flag of truce. Being hospitable losers and as it was only a friendly (?) battle anyway, the Kappas invited the Phi Delt's in for refreshments. The truce was accepted after the sacred ceremony replacing the honored position (where the milk can had so proudly hung in the afternoon) with the truce flag and be-ribboned milk bottle.

Sunday, after an eight o'clock breakfast at the Phi Delt house, the battle will continue in the form of a baseball game at Stewart Field to determine the rightful owner of the trophy.

The Kappas extend their undivided thanks to the benevolent Sigma Chis for the use of their garden hose.

Seniors Take Final Fling Before Comps

Tomorrow night the seniors will be honored at the annual junior prom to be held at the Hawaiian Village from 9:00 to 12:30. Bill Geisler's orchestra will furnish the beat. Tickets may be purchased from any junior class member at \$1.20 per couple. Bob Pringle is in charge of the dance; Susie Sabin, chaperones.

Meeting Notice

Red Lantern will meet Thursday at 7:30 p.m. to elect officers. Growlers will meet at 10:00 a.m. Thursday morning for elections. There was no quorum at this week's meeting.

Snoop with Stroup

By D. A. of the Same Name

Then there was seen a surprisingly large number of young men walking around on Sunday and Monday with bags under their eyes and active pins of all sizes and shapes on their shirts. All except for Bob Millentin, that is, who gave his to Margery Kraft almost immediately after receiving it.

And Marge Clark has been wearing George Hoffmeister's pin for almost a month.

Other obvious incidents that have occurred about our fair campus are:

A very beautiful and successful song fest (regardless of rain), with congratulations due to Nancy Beeman and Jimmy Erb for their excellent job of arranging and directing.

Girls in Hamlin receiving all sorts of guests in their boudoirs during their open house Sunday.

Girls in Ticknor organizing a fan club for members of the C. C. Hockey team.

Dean Mathias stating that he has been losing weight lately. This is to be regarded only as a rumor, however, and not as an indication of any particular fact.

LaVon Rouse worrying about her giggle again. She can't understand why people always knows she's there when she goes someplace.

Then there's the casualty department. Dee Dunbar has a broken nose due to a little boxing lesson she took from John Zorack. She says she doesn't think she'll take another lesson for a while. Then there's Janet Hayes with a

Gamma Phi Dinner, Dance Last Saturday

On Saturday, May 1st, the Gamma Phis held their annual spring formal for members and their guests. The dance was preceded by a dinner at the Swiss Chalet at 7. The dancing began at 9:00 to the music of Bill Giesler and his orchestra, and lasted until midnight.

The chaperons were Dr. and Mrs. Crawford and Mr. and Mrs. Caldwell. Mother Mac and Dean Fauteaux were guests. The fun and good time had by all should be credited to Jeanne Ham who planned the dance.

bandaged thumb sticking out "like a sore thumb." Pat Holister with an attractive bandage on her wrist, Nikki Nevins with a broken finger on each hand, and Taffy Bronson, who goes around looking like she's waving at somebody all the time. D. A. Stroup would like to join with them in making the complaint that it is very difficult to answer any questions asked one about one's extremities. You can't say it's fine because it isn't. You can't say it hurts because it doesn't. You can't say it's better because you don't know.

But such are the trials of life.

AWS Discuss Plans At Welcomer's Tea

Plans for welcoming new freshmen next year were discussed at the A.W.S. Welcoming tea, Tuesday at 4:00. All new welcomers were served punch and cookies at Bemis, and received names of those new freshmen girls who are definitely coming to CC next year.

Each welcomer will write two letters to freshmen girls, and turn them in to the sub-chairman in each dorm by Monday, May 10. The letters should be as friendly and helpful as possible so that the freshmen will be partially acquainted with campus life before arriving.

It is the hope of the Welcoming Committee, headed by Jean Schryver and Dottie Wilkinson, that each welcomer will not only write a letter, but will continue the correspondence during the summer and make an effort to get acquainted with her welcomer during the first week of school.

Group Singing High-Lights Kappa Formal

With mountain air and the sound of the falls as a spring background, the Kappa Kappa Gamma sorority held their annual spring formal at the Bruin Inn from 9 to 12 on April 30.

Ray Kranz' orchestra not only furnished dance music, but during the intermission played a medley of Kappa songs. Vern Wishart led his famed "Alouette" with as much success as ever and a new voice discovery was made when Dr. Robert Stabler warbled a few old favorites. An abundant supply of refreshments was available on the terrace during intermission. Presented with blue key favors at the door, the boys were later serenaded by the girls with some of their favorite Kappa songs.

Chaperoning the dance were Mr. and Mrs. John Bonforte, Dr. and Mrs. Robert Stabler, and Miss Margaret Smith. Norma Jean Abplanalp was in charge of preparations.

Delta Gammas

The D.G.s gave a tea for President and Mrs. Gill yesterday at the Delta Gamma Lodge. The tea lasted from 4:30 to 6:00 p. m.

Gamma Phi Beta

A Mother's Day Tea will be given Sunday, May 9, from 3:00 until 5:30 by the Gamma Phi at their house. Denver and Colorado Springs mothers and alumni will be guests of honor.

On Thursday, May 13, the Gamma Phi and D.G. pledges will give a picnic party for the other sorority pledges on the Gamma Phi patio from 5:30 until 7:00.

The Seniors will be honored at a Senior Breakfast Sunday morning, May 16, at 9:00. Gifts will be presented to those Gamma Phis graduating this June.

To increase their treasury the Gamma Phi are holding a Rummage Sale at Read's Library on May 14.

Phi Gamma Delta

The Phi Gammas held their Centennial Founder's Day Banquet last Saturday night at the Broadmoor's Terrace Garden Ballroom. The principle speakers were Alf Landon and Nap Leverone. In a song contest with the Beta Kappa chapter, our Fijis came out victorious.

Plans are being made for their spring formal to be held next Saturday, March 15, at the Hawaiian Village.

Sigma Chi

President and Mrs. Gill, and Mr. and Mrs. Juan Reid were dinner guests at the Sigma Chi house last Wednesday night, May 5.

New Sigs, 31 in number, received their pins Sunday morning when formal initiation was held. The old actives gave them a dinner at the Swiss Chalet in the evening.

The Sigma Chi Sweetheart dance will be held next Friday, May 14.

Beta Theta Pi

The annual Beta South Sea Island dance will be held Saturday, May 15, at the Iron Springs chateau in Manitou.

Kappa Sigs

The Kappa Sig Spring Formal will be held on Saturday, May 15, at Bruin Inn. The music will have the beat of Jack Waddell and his hot combo. Mr. and Mrs. Juan Reid will chaperon the annual dance.

Moe Miller has hung his Kappa Sig pin on Bonnie Poarch.

Phi Delta Theta

The rivalry between the Kappas and the Phi Deltas will come to a climax this Sunday with the playing of a baseball game on Stuart Field at 9:00 a. m. A breakfast will be served preceding the game.

Intramural Track Meet Today at 2:00

Sigma Chis to Defend Title on Washburn Field

The CC annual intramural track meet will be held on Washburn Field this afternoon at 2:00 p.m. The five fraternities and the Independents have entered a long list of strong contenders in all events and from all indications competition should be keen and fast.

The well balanced Sigma Chis will be defending their 1947 championship and without a doubt the Sigs will be closely pressed by the Independents and the Phi Delt tracksters.

The first four places will be cited for each individual team in all events. Five points will be awarded for first, three for second, two for third, and one point for a fourth place.

Each team will be limited to two men apiece in the sprints and three men each in the distance races and field events.

CC track Coach, Cheddy Thompson will be the official starter in all running events and he will be assisted by members of the Tiger track squad.

I-M Bulletin

Fijis-Independents Meet For Softball Title Tues

The close race for the intramural softball championship is entering its final lap next week. The Phi Gams and the Independents are undefeated thus far and these two top teams will clash next Tuesday morning in a crucial game that will undoubtedly decide the I-M championship. The Fijis are in the sunberth with 4 straight wins while the Independents are in the second spot with three consecutive victories.

This week's scores are as follows:

Independents—10	Phi Delts—4
Batteries:	
Independents . . . Ritchie-Carstens	
Phi Delts . . . Brenton-Galligan	
Kappa Sigs—10	Phi Delts—8
Batteries:	
Kappa Sigs . . . Miller-Peterson	
Phi Delts . . . Brenton-Galligan	
Phi Gams—12	Sigma Chis—2
Batteries:	
Phi Gams . . . Faucett-Florsheim	
Sigma Chis . . . Jones-Reinhardt	

Standings

	W	L
Phi Gams	4	0
Independents . . .	3	0
Kappa Sigs	2	2
Betas	0	2
Sigma Chis	0	3

Thursday, May 13—Sigma Chis vs. Betas

The Sigma Chi swimmers qualified five men in the I-M preliminary swimming events held at the YMCA pool last Tuesday evening. The Sigs garnered five first places to place the same number of men in the finals which will be held at the "Y" next Tuesday evening at 7:30 p.m.

Last Tuesday's results are as follows:

40 yd. free style—Stone, Sigma Chi; Clinton, Kappa Sig; Carter, Kappa Sig; Kinnick, Sigma Chi; Pringle, Phi Gam; Winning Time: 21 sec.
60 yd. breast stroke—Florsheim, Sigma Chi; Orton, Ind.; Pringle, Phi Gam; Smith, Ind.; Winning Time: 41.6 sec.
60 yd. back stroke—Schultz, Sigma Chi; Clinton, Kappa Sig; Miller, Phi Gam; Moser, Sigma Chi; Winning Time: 48.3.
100 yd. free style—Stone, Sigma Chi; Clinton, Kappa Sig; Brinkman, Beta; B. Pfeiffer, Phi Delt; Winning Time: 1 min. 5 sec.
60 yd. individual medley—Schultz, Sigma Chi; Mills, Phi Gam; Gregory, Phi Delt; Bisen, Kappa Sig; Winning Time: 40 sec.

The intramural tennis matches are being played off at the Monument Park tennis courts. The individual qualifiers are now entering the semi-finals and the finals will be played early next week with the results to be printed in next week's Tiger.

The I-M golf matches will be played off May 18 or 20 at the Patty Jewett golf course. All I-M organizations are urged to make preparations for this event. For any information concerning this event please contact Leo Hill, Intramural Manager.

Along the SPORTS TRAIL

By BOB LEAVITT

Inspite of a few "unwelcomed" remarks made by a local daily sports writer, the CC diamonders proved that there is still some pitching strength remaining on the Bengal nine. Ruben Chevez and George Theodore hurled excellent ball in annexing both ends of a twinbill against Colorado Mines last Saturday.

Coach Cheddy Thompson's Tiger relay team consisting of Bill and Dick Pfeiffer, Gene Albo, and John McCawley, are undefeated thus far this season. The CC sprinters captured top honors in the C.U.-Mines meet last weekend. Coach Thompson will enter his hopefuls in the AAU Meet to be held in Denver on May 15, this will be the first real test for the CC speeders.

Glenn Blagg, R.M.C. heavyweight wrestling champion returned from Ames, Iowa, last Sunday, where he participated in the final Olympic wrestling tryouts. Blagg won his first two matches by decision but he was pinned in his third match by Morris Chitward of Bloomington, Ill. Chitward who placed second in the 1946 NCAA matches, was one of the four heavyweights selected to represent the U. S. in the Olympic matches this summer.

Tiger Thinclads Trek To Greeley Saturday

This week's three-way meet with CSCE and WS will be a good preview of the Conference (AAU) meet, Saturday, May 15. Looking over the past meets, the Tigers stopped Western State, one of the AAU members, and Adams State in the first triangular meet of the year on April 10. Then on May 1, in another triangular meet, C.C. lost to Colorado Mines (AAU member) and Colorado University, Montana University, one of the five members in the Conference may not compete. This leaves Colorado State, which was defeated by University of Wyoming last week for C.C. to test its strength against.

Two new members of Coach Thompson's endermen who will compete in Saturday's meet are George Kinnick, snot putter and discus thrower, and Harvey Morrow, pole vaulter, high jumper and broad jumper.

Don't miss the intramural track meet on Washington Field this afternoon. The 1947 champion Sigma Chi team will have a difficult time defending their title this spring; for the entries indicate that there will be top notch competition in all events this year. The I-M track trophy will be awarded to the winning team following the close of events this afternoon.

CC Netmen Win, Lose, And Draw Last Week

The netters from C.C. batted 500 for their three matches played last week. Denver cleaned the Tigers 8-2 with the home teams win coming from Pueblo Junior College. The match between the Colorado College rack men and the Colorado School of Mines ended in a 5-5 dead-lock.

The Tigers were at full swing against the Pueblo Junior College net men with only Lomo and Casebeer going down in defeat. The three doubles teams made a clean sweep of their matches. In the Denver encounter the CC men were less aggressive when only Bob Porter and Jack Daly broke into the win column. Jack Daly and Harold Kuhns won their singles and on the doubles it was Rizal Lomo and Lars Larsen as one pair. Jack Daly and Ron Newsom composing the second and Herb Casebeer and Harold Kuhns rounding out the third doubles.

Today the netmen go to Greeley to play the Colorado State racket welders. Tomorrow coach Pete Alexander will send his men against the men from Regis at the Broadmoor courts. The match will start at 2 p.m.

Tigers Will Oppose Regis in Series at Denver

Bengals Out for Sixth And Seventh Victories Today---Saturday

With two of last week's double wins tucked under their belts the hard hitting CC diamonders will be seeking their sixth and seventh victories of the season today and tomorrow when they face the Regis College Rangers in a two game series to be played in Denver.

Coach Bill Goodnight was well pleased with the performance of his hurling staff last week end and the Bengal tutor appears confident enough to say that the Tigers should take both of these non-conference tilts this week end.

Ruben Chavez will get the nod for one of the starting mound assignments against Regis while Warren Goodnight is slated to hurl the second game. Sophomore George Theodore and relief twirler Chuck Roper will be on hand for reserve duty during both games.

The Regis pastimers have won five and lost two in Rocky Mountain Region college play. The Rangers hold a dual win over Colorado A & M and three wins over Colorado Mines, their two setbacks were by Mines and Colorado University. Ace hurler, Ken Gartrell will likely receive one of the starting assignments against the Tigers today or tomorrow.

CC will line up with Fritz Minuth behind the plate, Leo Hill at first, Wilfred Perkins at the key-atone sack, Don Jones at third and Chuck Bouchard at short.

The Tiger outfield will be composed of Jack Mitchell in center, John Litt at right and either Harry Waters or Bob Pantor in the left garden.

Cubs Cop 17-13 Win From Mountaineers

Coach Bob Bartlett's Tiger Frosh nine went into the fifth inning trailing 5-8, but let loose with a twelve run scoring spree the latter part of the game to earn a 17-13 verdict over the Camp Carson Mountaineers at Stewart Field last Friday afternoon.

Frosh moundsman, Dick Grater was tagged for ten runs before he was retired to the showers in the top of the fourth. Harry Whitworth took over the hurling duties in the fourth and allowed only four scattered hits in the remainder of the high scoring contest.

The yearlings collected 11 base hits off the combinations twirling of Hunter and Keller, Carson pitchers.

Frosh to End Season Against C.S.H.S. Sat.

Feeling rather satisfied with their first season of play since the war, Coach Bob Bartlett and his Colorado College Frosh are now standing .500 in wins and losses and they will attempt to wind up on the winning side this week-end as they close their season with a game against CSHS.

Tomorrow at 1:00 on Stewart Field the Cubs will write a finish to this season with an attempt to even the series with CSHS. In their first game with the Terrors the frosh dropped a 6-5 decision.

If he appears ready for the seven inning battle, Clark Wilder will draw the nod for tomorrow's mound assignment. After his superb relief pitching last week, Harry Whitworth also appears slated for some duties as a hurler.

CC Nine in Double Victory Over Miners

Led by the superlative three hit hurling of Ruben Chavez and the five hit pitching of George Theodore the CC Tigers garnered a double victory over the Colorado School of Mines diamonders at Golden last Saturday afternoon.

Chevez's curve ball proved to be very effective in the opener as he allowed the Miners only three bingles in annexing the 5-0 verdict. George Theodore went the route in the nightcap as he captured his first win a 6-3 decision.

The twin victories kept the Tiger hopes alive of winning the Rocky Mountain Conference championship which carries with it a bid to the NCAA playoffs to be held in Denver in June. At present Colorado State is leading the R.M.C. with a clean slate of five straight wins.

In the first game Chevez retired five orediggers via the strike out route while his mates collected six hits off Bill Elser, Mines Twirler. CC picked up two runs in the first and six innings, and one in the fourth frame. Leo Hill and John Litt were the heavy hitters in this fray each collecting two blows in three attempts.

In the afterpiece Theodore allowed the orediggers five base hits, but the Bengal infield came through with two snappy double plays which payed off during crucial moments of the second CC victory.

John Litt started the Tiger rally in the nightcap by smashing out a homerun with two mates aboard in the opening stanza. CC also tallied three runs in the sixth to coast on to a 6-3 triumph.

The Tigers have won four and lost three in R.M.C. play thus far and Coach Goodnight's nine must win all remaining conference games to claim the championship.

GAMMA PHI LEAD W.A.A. IN BASEBALL TOURNAMENT

If you see bandaged knees, broken arms, and bruised faces, you can bet that the majority of them are due to the W.A.A. baseball games that were played last weekend. The teams are in splendid shape, literally speaking, and the games this weekend should be quite amusing if nothing else.

The team standings are as follows:

Team	W	L
Gamma Phi	2	0
Kappa Alpha Theta	1	0
Delta Gamma	1	0
Independents	0	1
Kappa Kappa Gamma	0	2

The election of next year's W.A.A. officers will be held on Wednesday, May 12, in Palmer Hall from 10 a.m. until 2 p.m.

Gold Gridders Down White Squad 6-0

Led by captain Bob Pringle the Gold grid squad pushed across the only touchdown of the afternoon as the Gold eleven defeated the White squad 6-0 in the annual intersquad contest held on Washburn Field last Friday afternoon.

Pringle scored the lone tally of the inter-squad fray during the closing seconds of the third quarter when he faked a pass on a play and reversed his field beautifully to go over standing up from the 18 yard line. The attempt for the extra point failed due to a bad pass from center which was the only miscue of the closely fought contest.

Coach Ben Douglas seemed well pleased with the showings of both teams as the CC spring grid sessions came to a close. The Tiger mentor will have 20 lettermen returning next Fall plus some outstanding prospects coming up from the Freshmen eleven.

CC open their ten game schedule against Colorado A & M in a night game at Fort Collins. The Bengals will also play Idaho State, Western State, and Doane College under the lights at Washburn Field. CC will play host to Colorado State for Homecoming which is scheduled for Saturday, October 30.

Leo Hill Paces Bengal Batters with .452 Avg.

In 12 games played, Coach Bill Goodnight's diamonders are still continuing their terrific batting surge with three regulars hitting over the .300 mark. Captain Leo Hill is leading the Tiger slugging parade with a .452 avg.

Three Bengal hurlers, Ruben Chavez, George Theodore, and Warren Goodnight, are all batting .300 or better for their number of times at the plate.

The team batting record follows:

Name	AB	H	Avg.
Leo Hill, 1b	42	19	.452
John Litt, of	35	13	.371
Wilfred Perkins, 2b	36	11	.306
Fritz Minuth, c	45	13	.289
Bob Pantor, of	25	6	.240
Jack Mitchell, of	37	8	.217
Chuck Bouchard, ss	32	6	.188
Harry Waters, of	12	2	.166
Norm Wold, of	6	1	.166
Don Jones, 3b	43	7	.162
Paul Rittel, 1b	16	2	.125

Pitching Record:

Name	W	L	BA
John Taylor	1	0	.000
Warren Goodnight	2	2	.358
George Theodore	1	2	.308
Ruben Chavez	1	3	.545

Captain Leo Hill, is leading the CC batting parade with a .452 avg.

MUSIC DEPARTMENT PRESENTS SPRING FESTIVAL MAY 15 TO 23

The CC music department will present its fourth music students' Spring Festival, from May 15 to May 23. All of the performances are open to the public at no cost. The festival will open with a concert by students of the music department tomorrow night at 8:30 in the music room of the Fine Arts Center. The program will be diversified, including selections by voice, piano and string students. On Sunday afternoon, May 16, in Shove Chapel, the vesper service will be given over to choral and organ students. A senior voice recital will take place on Monday night, May 17, at 8:30 in the music room of the F. A. C. Gwendolyn Leitzinger, soprano, and George Boudinot, baritone, will perform. They will be accompanied by Betty Schade and Robert Lynn.

The next performance will be on Thursday night, May 20, and will be a master's piano recital by John White, who will play an all-Bach program. On Saturday night, May 22, also in the music room of the F.A.C., the recital will be shared by Carol Welty, pianist, and Herbert Beattie, bass. Beattie will be accompanied by Christine Ashe.

The last performance will be an outdoor symphonic band concert under the direction of John Fundingsland in Hamlin House Garden, Sunday afternoon, May 23, at 4:00 p. m.

SQUISH

—Photo by Bischof-Eastham

Revenge is sweet as Bob Fisher gives Bob Jackson a lemon meringue "facial" during the WSSF Carnival-Dance at Cossitt last week. This spectacle followed the sale of Dean Mathias' services as a shine boy. Chief Tyree served breakfast to two couples on his terrace Sunday.

(Story on Page 3)

Vets Changing Address Notify the VA Office

Any veteran who plans to go home at the end of the term and wishes his check mailed to his home address should call at the Dean of Men's office and complete a change of address form. This form must be in the Denver Regional Office by May 20, so Wednesday, May 19, will be the deadline for completing the form.

W.S.S.F. Drive Nears End, Proceeds Poor

The final proceeds from The World Student Service Fund drive are not all in yet. So far, they come to only one half of the \$1,000 collected last year.

Proceeds from the carnival dance amounted to \$225. Dr. Gabriel has collected \$200 from the faculty. The booth in Palmer brought in \$5.

Not all the dormitories or fraternities have completed their campaigns. To date, the contributions from those who have turned in their donations have been:

Ticknor—\$47
Howbert—\$9
Phi Gamma Delta—\$54
Phi Delta Theta—\$48

Those not listed above will turn in their contributions by the end of next week.

S.D.A. Approved, Future Plans Made

The new organization on campus, the Students for Democratic Action, has been waiting for the past several weeks to have the Board of Trustees approve its formation. Official sanction was given at the regular meeting of the Board last Friday afternoon.

Bill Davis, president of the CC chapter has announced a talk on the Missouri Valley Authority by Mr. Dewey Anderson on Wednesday afternoon, May 19, at 4 p. m. in room 201, Palmer Hall. Mr. Anderson is regional chairman for MVA and a member of Americans for Democratic Action. The program is open to the public.

There will be an SDA meeting for members and interested persons 4 p. m., Friday afternoon in Lennox House.

Last TIGER Next Week

Next week's TIGER will be the last issue before the end of school. Any organization or individual wanting special notices or announcements printed should have them in to the Editor by noon, Tuesday, May 18.

Two Students Now Sitting With Committee On Undergraduate Life, Open Meetings Held

An important step was taken last week in student-faculty co-ordination when the president of ASCC, Bill Pfeiffer, and the president of AWS, Susie Sabin, were invited to attend the weekly meetings of the Committee on Undergraduate Life. Their opinions will be consulted and their arguments weighed in the faculty discussion of current issues. They will not, however, have voting power. In this way, the ideas of each active CC student, represented by the Student Council in its meeting on Monday afternoon, will be relayed into the meetings of the Committee on Undergraduate Life on Wednesdays.

The significance of this step is found in the past conception that this committee is a closed institution. The students went around with the idea that it is a body of investigators, a sort of FBI whose function is to have secret meetings to discuss wayward students—over a pot of tea, perhaps. Many undergraduates, the "incriminated" victims of these conversations may have felt that the committee could not function in this way without misapprehensions. The new student participation should eliminate student suspicion.

An added break-down of barriers has come about through the announcement that any student may ask to attend these meetings. They take place at two o'clock on Wednesday, in Cutler Hall. This is an excellent advantage that most of us did not know about. It is to be hoped that misunderstandings on the part of both students and faculty may be cleared up by such action.

The May 10 meeting of ASCC Council netted the following elections to posts on the Publications Board: Howard Erickson, instructor in English, is the new advisor to the board. Duane Grisham was re-elected to be its chairman.

Publication Jobs Filled

The May 10 meeting of ASCC Council netted the following elections to posts on the Publications Board:

Howard Erickson, instructor in English, is the new advisor to the board. Duane Grisham was re-elected to be its chairman.

Eric At Work On Cossitt Dome

—Bob's Campus Photo

CC's Michael Angelo Depicts Region History on Ceiling In Athletic Bldg.

Scheduled for completion in June the mural being painted on the Cossitt dome is beginning to shape up under the brush of Bransby Eric, student at the Fine Arts Center, who is doing the project as his master's thesis. The mural, whose figures are approximately one and one-half times life size will depict elements of regional history. The elements included are the era of the trader-trapper, the gold-seeking of the '50s, the migration of settlers and the growth of the cattle industry.

Technical problems which Eric has had to grapple with in doing the mural include considering three types of distortion which are present in the rounded dome which may not be found on a flat surface, properly preparing the surface of the dome after removing several tenacious layers of assorted paint, selecting colors which would not clash with the style and decoration of the room, preparation of numerous models of the dome and figure and color sketches of sections of the mural.

Statistically speaking, there are 600 square feet of surface to be covered by the mural, the dome ranges in height from 20 to 27 feet from the floor, the scaffolding is 20 feet in height and four colors are being used, namely golden ochre, Venetian red, black and white.

Eric, who has done a set of murals at the Cheyenne Country Club, the Fine Art Center and the Peak Theater, in ad-

(Continued on Page Eight)

Vote On CC Affiliation With NSA Imminent; Await Regional Plans

At an open meeting yesterday afternoon, Mary Lou Thomson, student council member, discussed our proposed student government constitution and that of the National Student Association. It is being urged that CC join the regional and national student association. By affiliating with these organizations CC would be entitled to send two delegates to the national convention,

being held this year in Madison, Wisconsin. Yearly dues to the NSA would be \$79.00. Representing CC at the constitutional convention of NSA last year were Mary Lou Thomson and Bill Murray. Recently, the entire council went to Boulder, Colorado to discuss membership in the regional group.

The official student council vote would be enough to put CC into NSA; however, the council feels it would like the support of the student body. Soon an actual head count or "conference vote" will be taken of students at their respective Monday night meetings.

Honors Banquet Will Be Held Wednesday

Under sponsorship of Phi Beta Kappa and Delta Epsilon, honorary scholastic and scientific fraternities, the ninth annual Honors Dinner at Colorado College will be held at Bemis Hall on the campus, Wednesday evening, May 19. On this occasion newly elected members of these organizations will be guests of honor.

The Honors Dinner, inaugurated in 1936, was held each year until 1943, when it was discontinued because of the war time schedule.

Herbert S. Marchant, British Consul in Denver, will speak on "Education for

(Continued on Page Eight)

Send Not To Now --- ---

(For Whom The Poll Tells Department)

Some months ago, the TIGER issued a questionnaire with the purpose of finding out what is wrong with the college from the student point of view. In one sense, we found out in a hurry. Some twelve hundred copies of the questionnaire were made available to students, and after two weeks one hundred fourteen of them were returned. It can be argued that this was a fault of the questionnaire, not of the students, but we can say in return that a lot more of those who filled it out thought it was a good thing than thought it useless, or silly, or poorly designed, or what have you. As a matter of fact, we have never been quite sure whether the thing called for explanation or for expiation. Nevertheless, we think it was worth while, and want again to thank those who took the trouble to speak up.

Tabulation of any comprehensive questionnaire kills a lot of time, and even the TIGER staff has a certain amount of curricular work to wade through, besides putting out a weekly paper. Incidentally, we'd like to thank Bev Burford, the only student on campus who offered to lend a hand with the tabulation of the mess. And she isn't our nominee for the Girl-Most-Likely-To-Have-Nothing-Else-To-Do. In any case, the tabulation work is no breeze.

For those who were interested then and may still be now, we think the poll may be considered a success. The main points in question were the student union, the student-faculty committees, the student council and government, the athletic program and the TIGER; and some of the more formal aspects of education here, with questions on what a student wants in his instructors, the grading system, classroom practices, orientation and advisory services, etc. These were intermixed purposely with a little nonsense to keep the thing from getting too weighty, and to encourage people at least to read through the form and do a little thinking about what's good and what isn't.

The reaction to that idea raised one of our eyebrows—we were roundly taken to task by a couple of indignant students who felt it a personal affront that we should slip in any banter on the sacred subject of what's wrong. One student even wrote us a letter nearly as long as the poll form, laying us out in violets and assuring us he wouldn't fill out the silly thing if we came on our knees—honest, we didn't think we were being very funny either, but it was only to relieve the deadly march of questions-by-the-yard—well—but—but I only—yeh—yeh, I know, but—

And don't think it wasn't fun, and significant too, because most of it wasn't, albeit there were compensations. Take the man who checked a preference for strawberry blondes, and afterward crossed it out and scribbled in, "My wife says no."

There were serious compensations as well. Some decidedly pertinent opinion was expressed, and gathered together for a paper which was read to an interested faculty group. There isn't space

THURSTON J. DAVIES

Hail and Farewell

Since President Davies left the college last December on a leave of absence for health, all concerned have hoped that he would recover his strength and return to his old job. In the past week CC's Board of Trustees has received and accepted the Prexy's resignation, effective September first of this year, and our favorite college official is bowing out of the college's life.

We have been very lucky in having General Gill as acting president since December, but it has seemed strange not to see Prexy Davies hurrying around on the many stops he had to make as good-will ambassador. In his fourteen years of administration, he was instrumental in building up the college physically and academically to an enviable position among liberal arts schools.

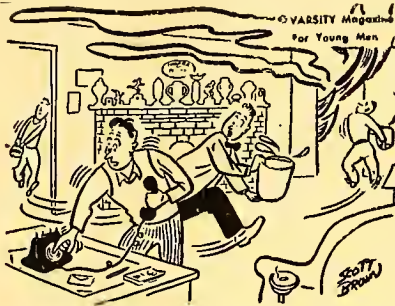

The student body joins in wishing him a full recovery and a return to active life, and sends him an assurance of confidence that his efforts on behalf of the college are being carried on very ably by General Gill, whose insight, decisiveness and integrity have already impressed their weight on both friends and enemies of the college.

—J. D.

WILLIAM H. GILL

this week to go into detail, and there was far too much material to cover in any one week on this page. So we will present some new phase of the questionnaire results in each of a series of articles, and hope that you will give us your reactions in writing, both to the articles and to the ideas others have brought forth.—J. D.

Rehearsals Progress for Workshop's New Play "Other Little People"

The Speech Workshop's experimental production, "Other Little People," is again in rehearsal after being sidetracked while "Quest for Sita" was being produced. With work on construction already started, Chief Tyree, the director, is rehearsing the cast nightly in preparation for the first night showing on May 24. No one seems to be sure of the final results of this attempt at the original by the workshop and Eldor Mainville.

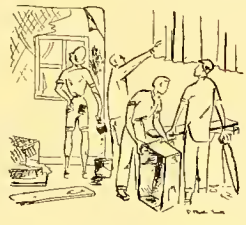

In contrast with MacDougall's "Sita," Mainville's "People" is ordinary, daily living. It is the story of a returned serviceman's adjustment to every day tasks after the killing and excitement of war.

Tyree said that he knew there would be some weaknesses in the final result but the Speech Workshop was going ahead with the spirit of experimentation.

The Chief went on to say that he thought the play worthy of the time and energy necessary for production. It isn't every college that can find one of its students capable of writing a drama that is worth the effort.

Appearing in "People" will be: Wes Bradley, Victor DeCarlo, Bob Fisher, Sam Cadd, Carol Gabel, Pete Cilleran, Horton Johnson.

Hank Klingman, Dusty Krause, Jan McCuire, John Reeds, Ruth Reeds, Dale Sinclair, Caryl Spiegel, Barbara Weymouth, and Jim Wischmeyer.

New Naval Aviation Program for Grads

A limited number of college graduates, between the ages of 18 and 25, will be given the opportunity to be commissioned as Ensigns under a new program in Naval Aviation this summer.

Following the commissioning ceremonies, flight training of 18 to 24 months duration will be held at Pensacola, Florida. Upon completion of training, officer-pilots will join regular Naval aviation units, shorebased and on carriers.

Minimum starting pay for single officers under this program is \$290.00 per month. U. S. Naval Reserve Officers may apply under this program.

(Continued on Page Eight)

Carnival Fine, but Its Profit Is Very Low

The carnival dance held last Friday night in Cossitt held lots of fun and entertainment for those who attended but brought in a disappointing \$225 for the World Student Service Fund.

The fraternities, sororities and independents did an excellent job with their various booths and side-shows. The Thetas won a record gift certificate for their original and very popular "kissing booth." The Sigma Chi side-show attracted a big crowd and won a gift certificate for bringing in the most money. The Camma Phis placed a close second in the money race with their unique faculty auction, the high light of which came when Bob Fisher pushed a soggy pie into Dean Jackson's face. Dean Fauteaux is scheduled to serve breakfast to Bob Cosgrove Sunday.

The W.S.S.F. Committee would like to thank the sororities, fraternities and independents for contributing their ideas, time and labor to the W.S.S.F. carnival, and especially to applaud Hank Klingman and his dance committee for the good work they did.

Can Student Government Grow?

By Peggy Merle-Smith

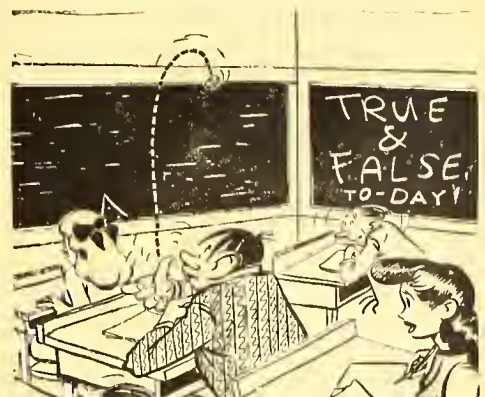

The organized voice of the student body, and the most important link between the faculty and the undergraduates of CC is the student council. It is true, however, that the student council is only as strong or as weak as the interest shown by the students that it represents.

Unfortunately, the student council to the majority is a somewhat nebulous word brought up in campaign speeches, and that is the end of it. Obviously, that cannot be the end of the matter, if the student government is going to be strong enough to present the student's point of view to the administration.

For the past two weeks, a draft of a constitution to create a "strong, active and responsible student government" has been fully discussed. It is now under the surveillance of the Committee on Undergraduate Life. The constitution will then be submitted to the students for ratification. It is vital, therefore, when the final draft of this constitution is passed, each student gains for himself a solid knowledge of its contents so that he may vote conscientiously. At the meeting this week the procedure followed during the elections for class officers, and an N.S.A. conference in Boulder were debated.

How much power does the student council have?

That is entirely up to the amount of active backing given it by the student body. The council meets every Monday in Lennox, second floor, at 4:00 p.m. Anybody is welcome to come and see what goes on in a meeting and to present their ideas on any current issue. You may not vote, but you can have a hand in the government of your college.

"In Roscoe's quiz, what better way is there?"

Great Tune—Great RECORD

It's Bob Eberly's waxing of "You Can't Run Away From Love."—Decca Record Release

BOB EBERLY, the romantic ballad singer, gives some old but good advice to cuddlesome twosomes on this click-disc.

And Bob has another good word for smokers. As Bob sings it, "I've tried a lot of different brands of cigarettes—but Camels suit me best."

Try Camels on your "T-Zone"—T for Taste... T for Throat. See for yourself why, with Bob Eberly and countless other smokers who have tried and compared, Camels are the "choice of experience."

And here's another GREAT RECORD!

CAMELS are the choice of experience with me!

R. J. REYNOLDS TOBACCO CO.
Winston-Salem, N. C.

More people are smoking CAMELS than ever before!

Smu-uthe Dancing Jim!

Bob's Campus Photo

The exotic atmosphere of the Broadmoor's Hawaiian Village was the scene of the Junior Prom, given by the junior class in honor of the seniors, last Saturday night from 9:00 to 12:00. After receiving silver and white programs, the couples danced to the rhythms of Bill Geisler and his orchestra.

Working hard to make the formal a success were the junior class commissioners, Bob Pringle, Susie Sabin, and Chuck Roper. Chaperoning at the Prom were Mr. and Mrs. Woodson Tyree and Dr. and Mrs. Lloyd E. Worner.

Snoop with Stroup

By D. A. of the Same Name

According to recent census, the springier it gets, the more pinned-up everyone gets. And this week, that certainly is the set-up. Pat Foreman is wearing a Phi Delt pin from Tom Tullis; Dave Schultz wore his new Sigma Chi pin for a few days, then he decided Ann Wright should have it. She agreed with him. Then Roger Halero gave his Kappa Sig pin to Jean Prescott last week, since Sunday, Char Sutton has been wearing Joe Creager's Beta pin, and the Bemis dietitian, Miss Gray, has a Kappa Sig pin from Joe Craighead, who is a former C.C. student.

Diamond rings keep appearing too. Mary Grell now has one from Emil Enstrom, and Marge Clark is wearing one from George Hoffmeister.

C.C.'s most satisfied man this week: Bob Fisher, who purchased the extremely desirable opportunity of slapping a lemon meringue pie in Jackson's face at the WSSF dance. Everyone watching was green with envy. Nothing against Mr. Jackson, of course. Any human being with a face would have served the purpose just as well.

Annual Sigma Chi Sweetheart Dance To Be Held Tonight

A.W.S. Derby Next Week

Kentucky is having its Derby; the Associated Women Students present one for you. The Annual Recognition Dinner takes the Derby as its theme this year. Bemis Hall, next Friday evening, will be in suitable attire for the event.

The purpose of the dinner is primarily to award several outstanding senior women for their accomplishments, leadership, and contributions, as well as to present the Women's Athletic Association awards. All awards are kept secret until the Banquet.

We urge all women to obtain tickets early next week since accommodations are somewhat limited. The tickets, \$25 each, will go on sale Monday at Lennox House and Bemis Hall.

Five finalists have been selected for the Sigma Chi Sweetheart out of 12 nominations. The five finalists selected by the chapter are Ann Wright from Bartlett, Ill., Pat Grier from Evanston, Denise Schoneberger from River Forest, Ill., Jean Pollock from Elmhurst, Ill., and Jean Ramsey of Chicago. All of these girls, incidentally, are from the Chicago area.

The actual selection of the Sweetheart has already been made by the chapter and will be announced at the annual Sweetheart Dance this Friday night. Elaborate presentation is planned. The Sweetheart will be presented with a Bouquet of white roses and a small Sweetheart cup. Her name will also be inscribed on the Sweetheart Plaque which hangs in the Sig house.

One Will Be "Sweetheart of Sigma Chi"

Canterbury Club Plans Ranch Trips

The Canterbury club of Grace Church is planning two trips to the church ranch during May.

The first trip will be for clean up of the ranch on May 15. The second will be an overnight affair May 22-23. Softball, football, hiking and just plain loafing will be available Saturday afternoon, while Saturday evening there will be square dancing, with the return home Sunday.

Make reservations for this occasion with Connie Nuzum, McGregor Hall, or Bob Dern, Ma. 8365 not later than Wednesday May 19. These outings are open to Canterbury club members and their guests.

Phi Gam Formal To Be At Hawaiian Village

The Broadmoor's Hawaiian Village will be the setting for the Phi Gam spring formal tomorrow night, which will be preceded by a 6:30 dinner at the Swiss Chalet. Bill Graves and orchestra will furnish the tempo for the annual frolic, from 9 'til 12.

Kappa Sig Formal to Be Held at Bruin Inn

Dancing to the music of Frank Wadell and Billy West-erfield's orchestra, the Kappa Sigs will hold their Spring formal at Bruin Inn from 9:00 to 12:00 tomorrow night. Their dates will receive miniature loving cups bearing the crest as favors.

Sigs Cop Track; IMA Take Softball

Sigs Take Eight First To Defend I-M Title

Sigma Chi took the Intramural track meet by storm last Friday afternoon at Washburn Field, totaling 65% against the nearest competitor, the Phi Gams, who rolled up 35 points. Top scorers running for the Sigs were Paul Remaley, who placed first in the 100-yard dash and the 220, and Charles Persons, who ran both the high and low hurdles, copping a first in each race. Outstanding for the Sigs in the field events were George Kinnick, who captured first in the shot put and discus; Bill Service, who topped the high jump, and Dwight Brothers, who tied for a first in the pole vault.

The summaries:

100-yard dash—First, Remaley (Sig), second; Mellentin (Fiji), third; Lindeman (Beta), fourth; Van Heusen (K. Sig). Time—10.6.

220-yard dash—First, Remaley (Sig); tie for second and third between Pringle (Fiji), and Wishart (Sig), fourth; Lindeman (Beta). (Time—24.5.

440-yard dash—First, McBride (Fiji), second; Herlocker (Sig), third; McKenna (Fiji), fourth; Thurston (K. Sig). Time—55.8.

880-run—First, J. Pfeiffer (P. D.); second, Berton (Sig), third; Bolyard (Sig), fourth, Bymaster (Ind.). Time—2:15.4.

One mile—First, J. Pfeiffer (P. D.); second, Allen (Ind.); third, Hale (Beta); fourth, Molder (Fiji). Time—5:13.9.

220 low hurdles—First, Persons (Sig); second, Freyschlag (Fiji); third, Mitchell (Fiji); fourth, Brinkman (Beta). Time 28.7.

120 high hurdles—First, Persons (Sig); second, Mitchell (Fiji); third, Brinkman (Beta); fourth, King (Ind.). Time—17.3.

Shot put—First, Kinnick (Sig); second, Florshiem (Sig); third, Bauer (Fiji); tie for fourth between Lewis (Sig) and Carstens (Ind.). Distance 40.1 feet.

Discus—First, Kinnick (Sig); second, Allanson (Sig); third, Tullis (P. D.); fourth, Brugger (Sig). Distance, 115.7 feet.

Javelin—First, Addy (Fiji); second, Gregory (P. D.); third, Lewis (Sig); fourth, Carstens (Ind.). Distance, 160.2 feet.

Broad jump — First, Grater (Ind.); second, Van Heusen (K. Sig); tie for third and fourth between Service (Sig) and Addy (Fiji). Distance, 20.7 feet.

High jump—First, Service (Sig); second, Grater (Ind.); four-way tie

I-M Track Action

CC TRACKSTERS SECOND IN TRIANGULAR MEET

Tiger cindermen placed second at last Saturday's triangular meet with the Colorado State Bears and Western State. Greeley copped 75 points followed by 47½ for C.C. and 12½ for Western State.

Outstanding point-getters for the Tigers were the Pfeiffer brothers. Bill copped the 440, then ran the 880, finishing in a dead heat with team mate Gene Albo. Dick captured firsts in the mile and the two-mile.

Chuck Stoddard topped the 100-yard dash with a time of 10.2 seconds, while John McCawley placed second in the 220 and third in the 100.

The Tiger relay team composed of Bill and Dick Pfeiffer, Lee Baxter, and John McCawley, posted another victory with a winning time of 3:32.2.—D. T.

for third and fourth between Gregory (P. D.), J. Pfeiffer (P. D.); Lewellyn (Ind.) and Voss (Sig). Distance, 5.10 feet.

Pole vault—Tie for first between Robertson (K. Sig) and Brothers (Sig); tie for third and fourth between Jones (Sig) and Hruby (Ind.). Height, 10.6.

880 relay—First, Phi Gam; second, Sig Chi; third, Beta; fourth, Phi Delt. Time, 1:39.

Total points by teams: Sigma Chi, 65%; Phi Gam, 35; Phi Delt, 17½; Independent, 16%; Beta, 10, and Kappa Sigma, 9.—D. T.

Sigma Chis Retain I-M Swim Crown

The Sigma Chis gathered another I-M championship last Tuesday evening as they copped first place in the finals of the intramural swimming meet held at the Y.M.C.A. pool.

The Phi Gams placed second with 23 points, Kappa Sigs were third with 18 points, Phi Deltas netted 15 points for fourth while the Betas and the Independents tallied 3 points each for a tie for fifth place.

The summaries:

40 yd. free style—Stone, Sigma; Pringle, Phi Gams; Clinton, Kappa Sigs; and Carter, Kappa Sigs; Winning time—21.6.

60 yd. back stroke—Schultz, Sigma Chi; Clinton, Kappa Sigs; Mills, Phi Gams; and Mosser, Sigma Chi; Winning time—41 sec.

60 yd. breast stroke—Florshiem, Sigma Chi; Pringle, Phi Gams; Orion, Ind.; and Smith, Ind.; Winning time—40.5.

100 yd. free style—Stone, Sigma Chi; Brinkman, Beta; and J. Pfeiffer, Phi Delt; Winning time—1:05.

Diving—Gregory, Phi Delt; LaClair, Phi Gams; Hiele, Sigma Chis; and Van Heusen, Kappa Sigs.

60 yd. individual medley—Schultz, Sigma Chi; Gregory, Phi Delt; Mills, Phi Gams; Biega, Kappa Sigs; Winning time—38.9.

120 yd. medley relay—First, Sigma Chi; (Schultz, Florshiem, Kinnick). Second, Phi Gams; Third, Phi Delta. Winning time—1:13.6.

Free style, relay—First, Kappa Sigs (Franz, Biega, Baxter, Burns). Second, Sigma Chis; Third, Phi Gams; Fourth, Phi Delt; Winning time—1:28.3.

GAMMA PHIS WIN W.A.A. SOFTBALL TOURNAMENT

After all the dust cleared away and the last batter struck out, the Gamma Phis reigned victorious in the W.A.A. Softball final at Perkins Field. After the game, a big celebration was in order, so the whole team went over to J's for cherry-lime ades.

The other four teams were strong competition and most of the games were very close. The Delta Gammas got off to a bad start, but managed to make a comeback to place second with the Independents third.

The W.A.A. election for next year's officers will be held in Palmer Hall next Wednesday, May 19, from 10 A.M. to 2 P.M.

Independents Defeat Fijis In Final Game

Behind the 3-hit hurling of Al Ritchie the Independents went on to defeat the Phi Gams 7-3 to annex the Intramural Softball championship at Stewart Field yesterday morning.

The Independents displayed plenty of power at the plate as they collected 7 base hits off Glenn Faucett to tally four runs in the first, two in the second and one in the fifth stanza.

Ritchie limited the Phi Gams to three bingles and three runs and the rangy Independent hurler proved to be very effective in setting down the highly spirited Fijis.

Bengal Cindermen In A.A.U. Meet

Coach Cheddy Thompson will enter six of his Tiger thinclads in the A.A.U. Meet to be held in Denver tomorrow afternoon. Schools from the entire Rocky Mountain Region will be competing in this annual Spring event.

CC's mile relay team consisting of Bill and Dick Pfeiffer, Gene Albo, and John McCawley, will be gunning for another first, while Chuck Stoddard and Lee Baxter will be entered in the 100 and 200.

Bill Pfeiffer and Gene Albo will be carrying the Bengals' only hope in the 880 and Dick Pfeiffer is expected to cop a place in the mile run.

The CC mile relay team is undefeated thus far this season and Coach Thompson's sprinters will receive their first real test in tomorrow's meet.—D. T.

RMC Golf Tourney At Broadmoor Today

Tigers and Orediggers To Swing for Title

This weekend Coach Lou Worners CC golfers will be host to two Rocky Mountain Region Golf matches. The annual R.M.C. match will be held at the Broadmoor Courts this afternoon at 2:00 p.m. CC and Mines are the only two teams that will be entered in the R.M.C. this season. Colorado State and Western State have not yet entered golf on their athletic program. The Miners already hold dual wins over the CC linkmen so they will undoubtedly be favored to take top honors this afternoon.

Tomorrow afternoon the annual Broadmoor invitational tournament will be held and the Tigers are in hope of a good day so they can start swinging against such outstanding teams as Mines, Regis College, C.U., D.U., and other prominent Rocky Mountain Region Teams.

Coach Lou Worners will enter the following men in the weekend matches: Captain Bob Crabb, Bruce Stewart, Milton Richert, Lloyd Gardner, Harry Galligan and John Overman.

Tiger Linkmen Bow To Regis, 19 to 8

Captain Bob Crabb of the Colorado College varsity golf team was high man for the Bengals with a clean sweep of his match and took medalist honors in a match held on the Willis Case course in Denver against the high geared Regis linkmen. The Tigers suffered a 19-8 defeat.

Bengals Down Regis Netmen; Face D.U. Today

C.C. netmen took their first win of the season with a decisive 9-1 score over Regis on the B-Moor courts. The College netmen swept all but one of the singles matches and cleaned the Regis College Rangers in each of the double events. D.U. will play host to the Tiger racket busters today for a return engagement. Although the Tiger netters did well against Regis, prospects are not too good for a victory against a highly rated Pioneer club. Next weekend (May 21-22) the Colorado College tennis team will trek to Greeley for the RMC Tournament.

Three Bengal Regulars Batting Over .300

Coach Bill Goodnight's Bengal sluggers went into a severe batting slump in their two losses received by the Regis College diamonders last week. At present the declining Tigers are pounding the horseshoe at a .268 average.

Captain Leo Hill is still setting a torrid pace with a .429 average in 14 games played.

The individual averages follow:

Name	AB	H	AVG.
Leo Hill, 1b	49	21	.429
Wilfred Perkins, 2b	42	14	.333
John Litt, rf	44	14	.318
Fritz Minuth, c	53	13	.245
Bob Pantor, lf	26	6	.230
Chuck Beuchard, ss	37	8	.216
Jack Mitchell, cf	43	9	.216
Don Jones, 3b	49	10	.204
Harry Waters, lf	15	2	.133
Paul Ritch, 1b	16	2	.125
Norm Wolf, rf	9	1	.111

Pitching records:

Name	W	L	B.	AVG.
John Taylor	1	0	0	.000
Warren Goodnight	2	3	2	.277
George Theodore	1	2	3	.308
Ruben Chavez	1	4	3	.533
Chuck Roper	0	0	0	.000

Tigers Trek to Greeley For Two R.M.C. Tilts

The CC Tigers pastimers will meet the Colorado State Bears in a crucial two game series to be played at Greeley today at 3:15 and tomorrow at 2:15. The Greeley Bears are undefeated thus far in R.M.C. competition, so Coach Bill Goodnight's diamonders must win both games this weekend if they have any hopes of garnering the conference crown this season. In the event the Bengals should take both encounters it will be necessary to play the rained out game of April 24. Colorado State only needs one victory over the Tigers to claim possession of the R.M.C. title.

CC has a record of 4 wins and 3 losses in conference play and they have four more conference games remaining on their schedule.

Veteran Bengal Hurler, Warren Goodnight, will probably get the nod for the mound assignment in today's contest while either Ruben Chavez, George Theodore or Chuck Roper will be Coach Goodnight's mound choice in the Saturday encounter. Fritz Minuth will handle the backstop duties for both games.

The hard hitting Greeley Bears split with Colorado A & M last weekend they lost the opening tilt 10-5, and came back to tally a 23-11 verdict in the second game.

Greeley Coach L. C. Butler will probably start righthanded Cliff Olin who defeated the Tigers 13-11 in the first meeting of the two teams on Stewart Field. Either Ben Dreith or Frank Sajevic will do the chucking against the Black and Gold in the second game of the two game series.

Frosh Nine Drop Two; Camp Carson, C. S. H. S.

The Frosh nine were subdued 11-10 by a stubborn Camp Carson ball club last Friday in a game held on the soldiers home field. Dick Grater started as hurler for the Cubs with Harry Whitworth taking over when Grater hit rough ground. Bill Harley was the catcher for the event.

The Tiger Cubs finished the season last Saturday with a defeat handed them by the Colorado Springs High School Terrors 12-5. The Terrors put 10 runs across the plate by the end of the sixth inning.

Regis Dumps Tiger Diamonders Twice

The hot and cold CC diamonders suffered two more setbacks last weekend both at the hands of the Regis College Rangers at Denver.

The slumping Tigers dropped a 6 to 3 decision in the Friday encounter, and the Regis nine went on a run-happy scoring spree in the second game to wallop the hard-luck Tigers 12 to 0.

CC hurler, Warren Goodnight, allowed the Rangers only eight hits in the opening tilt, but two of these long pokes accounted for all of the Regis runs. Pitcher, Ed Hall smashed out a circuit blow in the second frame with the bases loaded and short stop Bob Burns, clouted a triple with two mates aboard in the fourth.

The Tigers garnered only four raps to score twice in the seventh and once in the ninth.

Batteries: Colorado College, W Goodnight and Minuth; Regis College: Hall Gartrell (8) and Hallinan.

By innings: R. CC 0 0 0 0 0 0 201-3
Regis 0 0 0 0 0 0 00x-6

In Saturday's contest CC collected 10 bingles off Regis moundsman, Ed Gartrell and the fighting Rangers gathered 11 hits off the combination hurling of Ruben Chavez and George Theodore.

In spite of pounding out ten base whacks the Tigers were still unable to push home any runs. The plate-happy Rangers tallied four runs in the sixth and for good measure added seven more in the bottom of eighth to coast on to a 12-0 shut-out.

The winners played errorless ball while CC committed four miscues during the one-sided contest.

Chuck Bouchard, Don Jones, Wilfred Perkins and Ruben Chavez collected two hits apiece for the Tigers, while Kilpatrick topped the winners at the plate with three for five.

Batteries: Colorado College, Chavez, Theodore (8), and Minuth; Regis College, Gartrell and Hallinan.

By innings: CC 0 0 0 0 0 0 000-0
Regis 1 0 0 0 4 7x-12

THE Couples Column

The big spring picnic at Austin Bluffs is this Sunday! All college couples are most welcome to come. So pack up your food, babies (if any), and picnic regalia, and meet us in front of Cutler at 2:00 p. m. If you have a car, bring that too, but if you don't, there will be transportation for you to the picnic grounds. Drinks will be provided, and here's where the only cost comes in. Tickets are 50c per couple, and may be obtained from Lois Platt, 801 N. Nevada, or from Shirley Windward or Marge Daly in Tigertown.

Start gathering up the clothes you and your family have outgrown, because the auction is the 26th. Any other assorted items such as old tennis racquets, high chairs, or '47 Buicks you have hanging around the house and can't use will be gladly accepted.

CC's Michael Angelo

Davies Resigns

THURSTON J. DAVIES

Poor Health Makes President's Withdrawal from CC Necessary

CC Prexy Thurston J. Davies has resigned as president of the college for reasons of good health effective September 1, in a telegram to the Board of Trustees yesterday. Prexy has been a favorite with students as well as with faculty and administration while serving Colorado College. Maj. Gen. William H. Gill will continue as acting president until the effective date of Davies' resignation.

"Advice of my physicians indicates that I should not resume active duty at the present time," Davies said. "In view of my deep affection for the college and my interest in its proper continuance of growth and prosperity I must ask the trustees to accept my resignation."

In accepting the resignation, the trustees said: "You have done a great deal for the college and put new life into the institution. Many of your ideas, backed by your energy and winning personality, have gained a very considerable momentum in our college and in the Fine Arts Center."

Davies was granted a leave of absence due to ill health and General Gill was named acting president December 13. He had returned to the college after two years in the Marine Corps and had embarked on a reconversion program for the college and an endowment campaign to raise \$1,500,000.

In his fourteen years at CC he was instrumental in making it known throughout the nation as an outstanding liberal arts college. During his administration, 14 buildings and several acres of land have been added, the endowment funds increased to approximately \$3,000,000, the faculty increased and salaries raised and one of the largest student bodies in history is now enrolled.

ing and original writing, 1900 Fisher for work in radio, acting and practical theater; Carol Gaebel for acting, practical theater and publications; Pete Gilleran for acting and radio; John Reeds for acting, radio and practical theater and Annette Welcox for her children's radio program and for acting last year.

This is the official announcement, now you must catch Chief Tyree in order to get your awards.

may 15 and an organ vesper recital on May 16. Dorcas Reed, Barbara Dyer, James Erb and Richard Henson sang at the Saturday concert; Evelyn Sullivan, Marilyn Yost and Doralee Swisher performed at the keyboard. CC organists on Sunday were Jacqueline van Valin, Marjorie Gilliland and Ward Gongoll.

Conference Vote Taken Through Organizations to Determine Sentiment on Proposed Membership of C.C.

Acting on Student Council Recommendation, the social groups on campus voted on the proposed entrance of CC in the National Student Association last Monday night. Unofficial reports show eight of the fraternities, sororities and independent organizations favor affiliation, two opposed and one not voting.

Summer Paper Has Official College O. K.

Approval to publish a summer weekly newspaper was given by the Committee of Undergraduate Life to Bill Murray at the Committee's meeting last Wednesday.

Subscriptions may now be placed at \$1.00 each with Murray. The subscription rate includes ten issues of the paper and mailing or delivery costs.

The publication will be known as the "Tejon Tech Heliotripe" and will carry news of undergrads on vacation all over the country as well as in the Springs.

The "Heliotripe" will carry the summer works of your favorite authors, R.J.C. and D. A. Stroup.

Contributions from students at home and here in college will be welcome for publication. Anyone wanting to work on the paper should contact Murray.

First edition will be published on Summer School registration day.

concert to Climax Music Week

fore an enthusiastic audience. John White played an all Bach program last night at his Master recital, and was very successful.

It is strongly urged that as many students as possible at-

tend the final two concerts of Music Festival Week. The recital tomorrow evening at 8:30 in the FAC music room is especially interesting in featuring works by CC student composers.

Main reason for opposition seems to be lack of information and the desire to wait and see what NSA develops into. The idea is to wait with CC money to make sure the organization is worth Colorado support.

Support has been given on the basis of the argument that you only get what you put into an organization. Another basis for affiliation is the fact that only by nationwide membership can NSA grow. Small school participation, with close check on representatives can upset any moves by Communists or any other group to gain control of NSA. (See editorial, p. 2.)

Regional as well as national membership in the student movement will probably be discussed at the meeting of the Council Monday.

Constitution Vote in Sept.

The constitution is now in the process of being mimeographed for its presentation to the Committee on Undergraduate Life. It is impossible to submit it to the student body for voting before next September. But it is the hope of the council to get it on its way as far as possible before this term is over.

Red Lantern Plans Activities for Fall

Chuck Roper and Bob Pringle were elected vice president and treasurer, respectively, at the last Red Lantern meeting.

The organization didn't waste any time in getting its plans set up for next year. Stan Rice, Pete Florsheim and Chuck Roper were appointed to take charge of a smoker to be given to the freshmen men next September.

It is the plan to make Assembly compulsory for all freshmen, plus the wearing of their prescribed uniform. Red Lantern will help with freshmen week and will waste no time in starting the freshmen off on the right foot.

"Little People" in Final Rehearsals

—Photo by Charlie Neill

Work and More Work Behind the Show at FAC on May 24 and 25

By Peggy Merle-Smith

For four weeks, Eldor Mainville has watched, pipe firmly in mouth, while his play, "Other Little People" has progressed from the first script reading, through halting speeches padded with much prompting, to the finished performances that will be presented this Monday and Tuesday, May 24 and 25 at 8:30 p. m. at the Fine Arts Center.

Now in its final week, life around Cogswell and the F.A.C. is in a turmoil. Armed with 12:00 permissions, the cast and the stage crew work all through the night with Chief Tyree tearing apart scenery and putting it back together again, designing sets and publicity window displays downtown, scheduling lighting, planning costumes and endlessly rehearsing lines.

This is the first original play by a CC student, and therefore the Pick and Pan Dramatic Club is especially anxious to have this a striking success. The play is sharp and straightforward. The plot centers around a returned veteran who finds himself caught in an entangling net involving his life and emotions, and the lives of Nancy and her illegitimate child of his best friend who was killed overseas.

Downtown, in the Peerless Furniture Store, north of Gid-

dings, is a display for "Other Little People," built by Ray Sylvester, Carol Gaebel, and Peggy Merle-Smith.

Ben Leaves Us

—Cut Courtesy Free Press

Popular head football coach and Director of Athletics, Ben Douglas, handed in his resignation last week. (Story on page 7.)

CC "Oscars" Given To Drama Students

Woodson Tyree, drama coach, has announced the winners of the Burros award for this year. Six members of Pick and Pan who have distinguished themselves by hard work and production will be presented these CC "Oscars" in the form of pins.

Wes Bradley will be honored for his work in radio, acting and original writing; Bob Fisher for work in radio, acting and practical theater; Carol Gaebel for acting, practical theater and publications; Pete Gilleran for acting and radio; John Reeds for acting, radio and practical theater and Annette Welcox for her children's radio program and for acting last year.

This is the official announcement, now you must catch Chief Tyree in order to get your awards.

Recital and Band Concert to Climax Music Week

Student Music Week, which began last Saturday night, will be continued tomorrow night, May 22, in a joint recital by Carol Welty, pianist, and Herb Beattie, bass, and the climax will be the band concert in Hamlin Gardens 4:00 p. m. Sunday, barring rain or hail in the French horns.

Other recitals given this week included one by undergraduate music students on May 15 and an organ vesper recital on May 16. Dorcas Reed, Barbara Dyer, James Erb and Richard Henson sang at the Saturday concert; Evelyn Sullivan, Marilyn Yost and Doralee Swisher performed at the keyboard. CC organists on Sunday were Jacqueline van Valin, Marjorie Gilliland and Ward Gongoll.

Gwendolyn Leitzinger, soprano, and George Boudinot, baritone, gave their senior recital on Monday evening be-

JACK SULLIVAN Business Manager
Telephone Main 5714 or Tiger Office

Front And Right of Center

Last week a local paper printed a letter which pretended to be a clarification of NSA (National Student Association), and was actually an expertly-contrived smear on that organization. **This is important to you, fellow student.** You may still be vague on some of the aims of NSA—it's fairly new, and so far has lacked facilities on this campus for wide publicity. The important thing at this moment is to understand that it is not, as the letter charged, a "front" organization.

It is important that you know that your Student Council, and Dr. Worner as its faculty advisor, worked long hours at the regional constitutional convention in Boulder recently, making sure that it would not become a front organization, nor a puppet in any sense.

There is a group of men hard at work in this area, who make it their business to discredit legitimate groups whose interests are contrary to their own. Since they will stop at nothing to gain their ends, it will pay you to realize that those ends are probably not yours—that they are in fact often directly and viciously harmful to you.

A favorite device of this hard-working group is that of putting the name "communist" on all dissenters to their way of thinking. This is aimed at lining up the sympathies of sincere but only half-interested people, against the broad group to which YOU probably belong. **THIS IS WHY IT IS IMPORTANT.**

You aren't a communist, and you aren't in sympathy with the communists—also, you aren't a fascist, nor in sympathy with the fascists. And that being the case, you're no friend of either. But that can mean that you're in the middle, in more ways than one—there are people in this very town who are terrified of the communists **BECAUSE, AND ONLY BECAUSE, IT IS A CONFLICTING FORM OF DICTATORSHIP WHICH CANNOT BE ALLOWED TO LIVE ALONGSIDE THEIR OWN FORM OF THE SAME EVIL.**

C.C. students and organizations have been accused of everything in the book—and only rarely have they been convicted without a trial. The group so distressed about NSA's progress is trying to do that NOW, and if they are allowed to succeed with the present smear campaign, there will be more, much more, to follow. If C.C. is to preserve its right to offer its students a liberal education, it must actively preserve that right in the near future.

I do not argue here that NSA is necessarily a part of that education—but I do argue that it must be considered ON ITS OWN MERITS AND AIMS, and not those attributed to it by any pressure group outside the college.

I also argue that NSA can become an excellent means of bettering the education offered by this college if it is supported and watched as carefully by its friends as by its enemies, whoever and wherever they may be.

Watch for more smears on NSA. See if they appeal to logic and reason, or if they reach for your emotions and try to instill fear. When you hear NSA called a front, ask yourself—why do so many ANTI-communist groups support it then? Catholic colleges and Newman Clubs everywhere, for example, are plugging for it with all their energies. Why? Precisely because the reds **WANT NSA, BUT HAVEN'T GOT IT.** If we fail to continue supporting it, they **WILL** get it, and make it a front. It is already an established, nationwide organization. That's worth thinking about.—J.D.

Sunday Morning, As It Must to All Men, Breakfast Came to Robert John Carson Cosgrove at the Hands of Our Genial and Urbane Dean of Women.

Foresaking Sunday morning sleep, an audience of chuckle-ridden undergraduates assembled at the Phi Delt house to witness the Dean of Women serve me-lord Cosgrove breakfast in bed.

Fashionably toggied in blue dressing gown with blankets to match (sans velvet pillows) the youthful dilettante ingratiatingly received his simple fare from the Dean's hands aided and abetted by several hand maidens from the Gamma Phi chapter, the organization which conjured up the scheme as a fund raising plan for the W.S.S.F. fund.

The menu requested included several minute steaks, hash brown potatoes, tomato juice, coffee, a single rose and a copy of the Wall Street Journal. It was noticed with chagrin that the rose, the Journal and Cosgrove's customary beer (approved by the Committee on Undergraduate Life) were not present.

Profs Back From Meet

Dr. Paul E. Boucher, head of the physics department, and W. W. Postlethwaite, director of the Museum at Colorado College, have returned from Las Vegas, N. M., where they attended the annual meetings of the American Association for the Advancement of Science, Southwest Division.

R. J. C. Sez:

For a good many thousands of years, the human race has been putting its shoulder to the wheel to construct an impressive edifice which is now identified with the glorious title of "Civilization." I don't believe that there is any doubt in anyone's mind as to the value of the idea, but from my personal experience, it seems that the whole structure has gotten out of hand.

In the early dawn of time, Og, son of Gug, bounded out of bed with a glad grunt, cleared the sabre-toothed tigers away from the front door, plucked his breakfast from a tree, wiped his mouth on his arm and trotted off to work. Despite the fact that, with the landscape all cluttered up with bears, tigers and mammoths, there was an excellent chance of Og being carried home from work or ending up as a mid-morning snack for one of the aforementioned livestock, his life was considerably simpler than ours and I imagine that he could face life with an equanimity that we cannot match. (Of course, with a brain capacity of around two cubic centimeters, equanimity comes easy.) Now, when a man bounds out of bed, civilization puts its mind to driving him frantic with frustration. All day long he is doomed to be hampered by a series of magnificently planned and beautifully executed gadgets that don't work. At breakfast, he drinks orange juice from a scientifically designed tin can that is capable of lacerating someone's hand about six stitches worth. After having

been assured by the doctor that no permanent harm will result, our friend (let's call him Smith, to avoid libel actions) hurries to the garage and leaps into his car which fails to start because he has failed to add water to his battery. On the bus, he is jolted into the status of a man who is going to be the proud possessor of a nice case of kidney trouble. Arriving at his office building, he leaps into an elevator and is jerked into the air sixty or seventy stories thereby convincing his digestive apparatus that the Law of Gravity has been set aside. Then into the office where for about four hours he is pestered by inter-office communication systems that chatter like harelipped parrots, typewriters that snarl their ribbons in a spirit of fun and patent reminders that arrange it so that he misses every appointment for the morning.

At noon comes his lunch hour so he tears out to eat in a little restaurant where his paper napkin is temptingly proffered by a gleaming silver and plastic dispenser which either flips a ream of paper napkins into his lunch or grips them so tightly that he is forced to wipe his mouth on the menu.

The afternoon and evening are repetitions of the mornings with the added inducement of the afternoon sun turning his office into an incinerator and the evening paper joyfully proclaiming that the entire world is just one step this side of Judgment Day. And so to bed.

Ed. Note: R.J.C. will appear infrequently in the summer paper.

Radar Equipment Here, Men Needed

The Air National Guard unit at CC has just received a large shipment of equipment from Buckley Field in Denver. Included in this shipment was an Air Force radar set which can be transported by six men, and which has a range of 80 miles.

The Guard Unit was set up at CC some time ago by authority of the State Adjutant General, and is growing steadily. Meetings are held at the

15th Air Force, 1500 E. Boulder, Building T3, Rooms 031, 032, 033 every Thursday night at 7:30 p.m. Pay starts at \$1.25 per hour, and there are openings still available in all ranks and job specialties.

New Chairmen Named

At the Student Council meeting Monday Jim Allured, TIGER copy chief, was appointed the chairman of the Assembly committee. Hank Klingman, noted straw-hat-and-cane man, was chosen to head next year's Enthusiasm Committee.

Harris Will Broadcast Over ABC From New York on June 5 and 12

Next week Roy and Johana Harris leave for New York to give two one-hour broadcasts with the ABC Symphony Orchestra. The broadcasts, scheduled for the first two Saturdays in June will be heard on June 5th and 12th. The programs promise to be of unusual interest, Johanna Harris performing the Mozart A Major Concerto under her husband's baton. The opening number on the June 5th program will be the "Prelude and Fugue" for string orchestra which Harris wrote for the Philadelphia Symphony in 1935 . . . then the Mozart Concerto . . . followed by "Melody" for full orchestra, a work written by Harris for the Columbia University Festival two years ago. The closing number on the program will be a "Prelude and Fugue" by Cecil Effinger. This work, originally written for the organ has been scored for orchestra by Mr. Effinger.

The June 12th broadcast will open with the Brandenburg Concerto No. 5, featuring Johana Harris . . . to be followed by the "Prayer, 1940" written by William Sehuman, now President of the Juilliard School of Music—after which will be heard the "Prelude and Fugue" written by Stanley Finn, a Colorado Springs boy. The work to follow will be a Suite of Aesop's Fables for reader and chorus, written by Vincent Persichetti, now Director of Theory and Composition at the Philadelphia Conservatory of Music.

"Fantasy" by James Nib-

lock will be the closing number on the program. All these American composers are pupils of Harris. Finn and Niblock both studied with Harris for the past three years at C.C., and both works scheduled for performance were written for master degree thesis.

Students Gripe On New Cut Policy

The Student Council representatives took a conference vote Monday as to whether the students thought the cut policy was working or not because of the number of rumors and gripes that have been brought up about this policy.

Since the majority felt it isn't working, Bill Pfeiffer brought it to the attention of the Committee on Undergraduate Life. The committee has pointed out that since the policy went into effect the general attendance in all classes has been better.

All professors have turned in reports whether they have any cuts or not. The rumor that some haven't should be verified with specific names of the offenders.

Any student who has over cut will be notified in the very near future and will have a chance to give the reasons for excess absences.

J's

Snoop with Stroup

By D. A. of the Same Name

We all have another year behind us, and it's a relief, only it's sort of sad, too. There are so many things we'll miss, and a few things we won't miss.

We won't miss:

Alarm clocks in the morning—cheerful people at breakfast—the way professors grin and say, "term papers are due next—", and the guilty feeling you have every time you go to bed at night—and after that, the little yellow envelopes with pieces of paper inside, and the great big numbers on them—the way seniors look in the spring—the way you have to come in at 10:30 every single night except Saturday no matter how beautiful it is outside—the dirty laundry piled in your closet—the empty way your piggy bank sounds every time you shake it hopefully—Horrible! Chastly! Unbearable!

And yet, no one will ever forget:

The hours you spent in Murray's and Lennox and J's, and the people you got to know there—the beer at Od-done's—and the beer in the Garden of the Gods and Austin Bluffs on nights when there was a moon—the special way that only CC-ites have of saying "party!"—the ski trip at Thanksgiving—the joint CC-San Carlos production of "Carmen"—the way you screamed at hockey games—the people you bummed cigarettes from—the way everyone looks at a formal dance, and the way they look on a picnic—and the lights in the quad at dusk—the lilacs—the feeling you get from a Colorado wind on your face—and the millions and millions more of little things that make CC what it is, that you won't ever be able to forget no matter how hard you try.

But nostalgia seems to have seized me, and it's time to remove my rose-colored glasses and say "farewell." It has been a good year.

"Big Wheels" in 48-49 Growler's Club

Bob's Campus Photo

Newly elected officers for the men's pep organization are: mailing secretary, Dick Conrad; recording secretary, C. T. Raines; vice president, Cal Flannigan; Prexy, Bob Henn; treasurer, Dick Pfeiffer. Ye Ancient Order of the Growlers is making big plans to keep sports in the foreground next year. The season will probably open with a "bang," but loud!

WSSF Reaches Goal, May Exceed '47 Mark

C.C. World Student Service Fund contributions now total \$1,000, it was announced Wednesday by Gerry Cooke, chairman of the drive.

\$1,000 was the amount sent in by CC last year to the national fund. It was believed that after the last contributions have been turned in to the treasury, the C. C. 1948 contributions may exceed the \$1,000 goal.

Honors Dinner Held at Bemis Last Wednesday

Almost one hundred and fifty were present at the formal Honors Dinner held at Bemis Hall on Wednesday evening, May 19. Honoring the newly elected members of Phi Beta Kappa and Delta Epsilon, Herbert S. Marehant, British Consul in Denver, spoke on "Education for Peace." Dr. Don B. Could, president of Phi Beta Kappa, presented the new members of the scholastic fraternity to the audience while Dr. Charles H. Sisam presented the new Delta Epsilon members to the audience.

Newmanites Choose Heads

The Colorado College Newman club elected officers for the coming school year Sunday, May 16. Harold McGovern was chosen president, John Egger, first vice president, Shirley Temple, second vice president, and Jo Nell Temple, recording secretary. Lois Peterson was elected corresponding secretary, and Frank Downing, treasurer.

A Corporate Communion and breakfast is to be held Sunday, May 30 at Saint Mary's church, to close this year's activities.

Six Men Initiated to Debate Fraternity

Six men will be initiated into Tau Kappa Alpha, national honorary debating fraternity, today. Professors G. S. McCue and H. L. Carter have been the only existing members of the CC chapter since the war. The new members to fill out their ranks are Irving P. Andrews, William Barton, William S. Davis, William Grote, William Shaffer, and Robert H. York.

The emblem of TKA, whose national headquarters are at Denison University, Cranville, Ohio, is a key in the form of a scroll. Any secret scripts around campus may be attributed to this.

Dr. Carter will act as local faculty sponsor of TKA for the coming year.

DREX BROOME MEDLEY MUSIC

Newly Initiated Fraternity Men

That long, long Hell week is finally past and five fraternities have held their formal initiations. The Kappa Sigs held theirs last Saturday morning. The new Beta initiates are: Warren Moore, Wheaton, Ill.; Joe Creager, Colorado Springs; Bernie Hart, Denver; Jerry Flanigan, Colorado Springs; Hank Jones, Wallace, Ida.; Rod McKenzie, Evanston, Ill.; Walt Sweet, Denver; Tommy Fritz, Haverford, Pa.; John Ogden, Montainville, N. Y.; Ward Gongoll, Evanston, Ill.; Dick Friedman, Des Moines, Ia.; Dick Yates, Chicago, Ill.; Ernie Peyt n, Ft. Collins, Herb Gollis, Newport, R. I.; and Fred Killen, Narberth, Pa.

The Kappa Sigs initiated the following men:

Roger Blasius, Evanston, Ill.; Jack Burow, Humboldt, Neb.; Albert Butcher, Colorado Springs; Tenny Carter, Lexington, Mass.; Chuck Cribari, Denver; Don Duke, San Marino, Calif.; Jim Cander, Wilton, Conn.; Jim Glasgow, Loveland; Freeman Hover, Plymouth, Mich.; Noel Hover, Plymouth, Mich.; Paul Kipp, Colorado Springs; Robin Kranz, Buffalo, N. Y.; Kent Mills, Chicago, Ill.; Mike Ohl, Dedham, Mass.; Jim Parker, Dallas, Texas; Jim Peterson, Galva, Ill.; Marvin Powell, Colorado Springs; Ritchard Rutledge, Denver; Russ Sauer, New York, N. Y.; Bill Shoof, Plymouth, Mich.; Bob Stauffer, Santa Ana, Calif.; Bainbridge Steele, Evanston, Ill.; Jim Terwilliger, Englewood, N. J.; Don Thurston, Chapqua, N. Y.

The Phi Deltas initiated:

Jack Pfeiffer, Durango; Stanley Brenton, Rocky Ford; William Carle, Camden, N. Y.; Robert Kerns, Chicago, Ill.; Al Hickerson, Denver; Thomas Dickson, Los Angeles, Calif.; Ralph Bachus, Birmingham, Mich.; Horton Johnson, Colorado Springs; Charlie Plumb, Pasadena, Calif.; Max Bartlett, Colorado Springs; Jim Caywood, Tulsa, Okla.

New members of Phi Gamma Delta are:

Harry Whitworth, Toronto, Ontario; Joseph Slattery, Sutterland, Saskatchewan; Ralph Cotten, Denver; Edmund Dworak, Longmont; Richard Hahn, Mt. Vernon, N. Y.; Duval Harvey, Denver; Charles Hover, Denver; Patrick Killen, Minneapolis, Minn.; Henry Otto, Scarsdale, N. Y.; Jack McBride, Birmingham, Mich.; Joseph Weissmiller, Evanston, Ill.; Philip McKenna, Highland Park, Ill.; James Swett, Oak Park, Ill.; David Oatman, Dundee, Ill.; Jack Wellmerling, Bloomington, Ill.; Robert Melentin, Pasadena, Calif.; Robert Mulcahy, Utica, N. Y.

New members of the Sigma Chi chapter are:

Dave Schultz, Urhans, Ohio; Dwight Brothers, Colo. Springs; Bob Jones, Evanston, Ill.; Tom Hall, Colo. Springs; Chuck Betton, Colorado Springs; Bob Brugger, Colorado Springs; Wes Bradley, Oklahoma City, Okla.; Steve Bolyard, Tulsa, Okla.; John Cecil, Knoxville, Ill.; Byron Crane, Highland Park, Ill.; Jack Gray, Colorado Springs; John Hay, Coshen, Ind.; Joe Holmes, Seattle, Wash.; Steve Hord, Lake Forest, Ill.; Bob Kenyon, Pasadena, Calif.; John Koopsen, Kalamazoo, Mich.; Lars Larson, Plattsmouth, Neb.; Garry

Lewis, Seattle, Wash.; Vic Lewis, Seattle, Wash.; Carl Lindquist, Summit, N. J.; Bob McManus, Lake Forest, Ill.; Chip Moeser, Queenstown, Md.; Ralph Parkman, Cynwyd, Pa.; George Sharpe, Pasadena, Calif.; Hollis Spindle, Colorado Springs; Duncan Shaw, Beverly Hills, Calif.; Don Teason, Colorado Springs; Ed Waite, St. Louis, Mo.; Jim Wischmeyer, East Cleveland, Ohio; Blair Wrye, Auburndale, Mass.

Bongo Bongo Didn't Leave The Congo at Beta Dance

—Bob's Campus Photos

The South Sea Island dance, held last Saturday night at the Iron Springs Chateau, was quite a success, judging by previous standards. A number of cute and very interesting costumes were worn by the girls—their only worry being the danger that their grass skirts would be burned up by the careless (?) use of cigarettes. The boys were seen dressed

as everything from plantation owners, to ship-wrecked sailors, to brown-skinned natives.

It seems that Jack Oliver's band was well-liked if the number of hasty punch glasses handed them during intermissions was any indication.

The band responded by playing "Happy Birthday" for "Bongo" Hale.

Quite a number of couples turned native and actually left by the windows, considering it too conventional to leave by the stairs.

Chief's Turkey Rules At Drama Club Party

Chief Tyree entertained a multitude of "Pick and Panners" on Sunday afternoon between the hours of 4 and 7 such a multitude, in fact, that one of the local boys in blue was called in to direct traffic. The faculty and their families were well represented.

An elaborate dinner, consisting of 100 pounds of Chief's famous smoked, barbecued turkey was consumed, with side dishes of potato salad, baked beans, etc.

Cheyenne Lodge is Scene Of Phi Delt Dinner Dance

—Photo by Charlie Plumb

Driving up the winding, tortuous Cheyenne Mountain road, the Phi Deltas and their dates were well rewarded. After a sumptuous steak dinner at the rustic Cheyenne Mountain lodge, they danced to the music of Bob Washington's orchestra last Saturday at their spring formal. The favors of the evening were blue and white Phi Delta Theta dolls, presented to each girl. All in all, it was an eventful evening for Marge Kaufman and John Haggert were pinned and two engagements announced; Marion Crowder to Charley Plumb, and Betty Owens, from Pueblo, to Bill Sajdel.

New Ties Celebrated At Kappa Sig Dance

Mountain scenery, gay formals, luscious food, and scintillating music made up the scene for the Kappa Sig formal at Bruin Inn last Saturday night from 9:00 to 12:00.

After dancing to the rhythms of Frank Wadell's and Billy Westerfield's orchestra, everyone enjoyed a midnight snack of sandwiches and cokes. For favors, Kappa Sigs gave their dates miniature loving cups with the Creek letters of the fraternity on them.

The climax of the evening came with the serenading of the many new couples. George Hoffmeister and Marge Clark were engaged, and Herb Casebeer gave a beautiful ring to Joanne Richards. But, evidently the Kappa Sig chapter wasn't satisfied with two engagements, for Tenny Carter hung his pin on Janie Anderson, Joe Craighead and Miss Gray were pinned, and Jean Prescott took Roger Halero's pin.

Chaperones at the formal were Mr. and Mrs. Juan Reid, Dr. and Mrs. James Stone, Major Jackson, and Mother Haugh.

Pat Grier Elected Sigma Chi Sweetheart

After a steak dinner in the lower room of Iron Springs Chateau, where each girl received a beautiful set of light-blue, crested cigarette case and lighter, the Sigma Chi Sweetheart Dance was in full-swing, 'neath a setting of lilacs, moonlight, and 1:30 specials.

Bob Hiltbrand's orchestra furnished smooth music for dancing (and singing) with a newly discovered vocalist from Colorado Springs High School adding much to the atmosphere.

H-hour arrived and the five candidates assembled on a staged backed by the Sigma Chi crest. Bill Barton made the grand presentation of the cup and bouquet of white roses to Sweetheart Pat Grier. She was serenaded in true Sigma Chi fashion with the Sweetheart Song.

The "room on the left" inspired many amateur vocalists to make their debut. A specialty, "Mary," was sung for Hal Beile, with all fraternity members and their dates joining in. The lilac heart forming an entrance to the dance floor proved hazardous to many as they tripped over it in long skirted gowns.

Swiss Chalet Dinner Preludes Fiji Dance

The Phi Gams began their Spring formal with a delicious roast beef dinner at the Swiss Chalet last Saturday at 6:30.

After dinner, everyone went out to the Broadmoor's Hawaiian Village and danced from 9:00 'til 12:00 to the smooth music of Bill Graves and his orchestra.

The Phi Gams had lovely jewelry boxes with the crest and their date's name on them as favors.

Taking advantage of the warm weather, many couples found dancing under the stars on the patio much more enjoyable than indoors.

Chaperoning for the Phi Gams were Fritz Minuth and Bob Bartlett.

Tiger-Growler Clubs Take to the Hills

Last Sunday the Tigers and Growlers held the first of what they hope to be an annual affair, with representatives of both organizations showing in full boon-docking regalia. Threatening exams cut deeply into the ranks of the attending members, but not into the refreshment supply.

The picnic began with a Tiger-Growler softball game, with the losers serving the food. After the Growlers finished serving, the group gathered at the fire for their bottle of beer and a rather versatile songfest.

C.C.'s Candidate for Lakeside Queen Chosen

The nominations for this summer's Lakeside Queen from CC are Nancy Bryson, Theta; Ruth Lindeman, Gamma Phi; Nancy Roberts, Kappa Kappa Gamma; and Georgiana Marlowe, Delta Gamma. Ruthie Nunn and Putter Harvey represented CC at a meeting in Denver last Sunday of all of the colleges in Colorado. July 23 was set as CC night and all CC students will be admitted free that night upon presentation of their college identification cards.

From the finalists, one from each college in the state, the queen will be selected and presented at the Lakeside Ballroom the night of August 25.

Some of the bands which are booked into Lakeside for its summer season are Les Brown, Claude Thornhill, Jimmy Dorsey, Charlie Spivak, Joe Reichman, Dick Jergens and Tex Beneke.

C. C. Relay Team Sets New A. A. U. Time

Tiger Sprinters Clocked at 3:27

Colorado College's mile relay team cracked the A. A. U. record for that event at last Saturday's A. A. U. meet in Denver. The record-breaking time was 3 minutes, 27 seconds, which knocks three seconds from the old time made by the University of Colorado in 1945. Handling the baton for the Tigers were Gene Albo, Dick and Bill Pfeiffer, and John McCawley.

Four other records were broken during Saturday's meet. Herb McKenley, who will lead a six man team from Jamaica to the Olympics, easily set a new record for the 440, timing 46.9 seconds. The old record was held by Dave Bolen of Colorado with 48.7 seconds. Bolen, a candidate for the American Olympic Team, was scheduled to run against McKenley, but he had to withdraw because of a sore leg muscle.

Jerome Biffle, a long-legged Denver negro, broke the record for 100 yard dash by slicing one-tenth of a second from the old record. His time was 9.8 seconds. The old record was held by Don Campbell who set the time 9.9 seconds in 1946. Biffle also took the broad jump, leaping 23 feet, 6½ inches. He placed in the high jump and finished fourth in the 220 yard dash.

Tiger Sprinter John McCawley, unofficially broke the all time record for C. C. in the 440 yard dash. There was only one watch timing him, as he placed third in the race. —D. T.

Little Five Tennis Playoffs at Greeley

Colorado College Tennis team will travel to Greeley this weekend to defend their championship in the RMC tournament. Coach Pete Alexander will be taking four men to the meet. They will be: No. 1, Rizar Lomo, No. 2, Jack Daly, No. 3, Lars Larson, No. 4, Harold Kuhns. This will be for the singles drawing. Combined for the doubles competition will be No. 1, Rizar Lomo and Lars Larson, No. 2, Jack Daly and Harold Kuhns.

Colorado State, Western State, Colorado Mines, Montana State and Colorado College will begin play at 3 o'clock today while the finals will be run off tomorrow afternoon.

To date the CC record for tennis is three wins against five losses and one tie.—J.P.

C.C. Thinclads in RMC Meet at Greeley Today

All five R.M.C. teams will be competing in the annual Rocky Mountain Conference Meet to be held at Greeley today and tomorrow. These teams include Colorado College, Colorado State, Montana State, Western State and Colorado Mines. The preliminaries will take place today and the finals will be run tomorrow.

Possible point getters for C.C. in the running events will be Chuck Stoddard for the short sprints, John McCawley and Lee Baxter for the 440, Bill Pfeiffer and Gene Albo for the 880, Dick Pfeiffer for the mile and Chuck Ormsby for the 2-mile, for the hurdles will be Beau Siebert and Emil Enstrom, and running the 120-high hurdles will be Bob Storey, who is returning to the track team after suffering from a sprained ankle.

In the field events, shot putters include Bill Burns and George Kinnick. These two weight throwers will also compete in the discus. Hal French will handle the javelin for the Tigers while Marvin Powell and newcomers Bill Storey and Harvey Morrow will pole vault. Mike Biega, Bob Storey and Harvey Morrow will tackle the broad jump. Biega will also compete in the high jump along with Emil Enstrom.

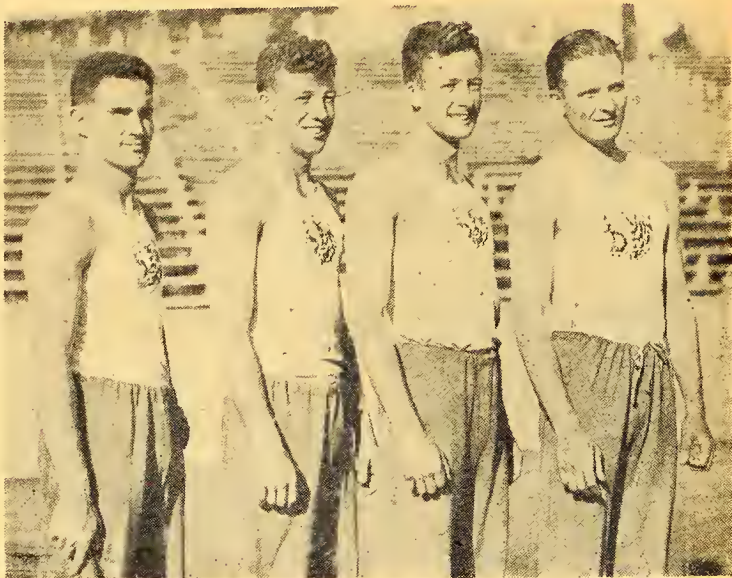

In last year's Conference meet the Bengals placed third, yielding to the Greeley Bears who copped first and Colorado Mines who placed second. C.C. will be defending the mile relay record which it established at last year's Conference meet with a time of 3.19. Handling the baton for the Black and Gold in tomorrow's relay will be Gene Albo, Dick and Bill Pfeiffer and John McCawley.

C.C. Netters Split in D.U., P.J.C. Matches

The Tiger netters batted 500 for last week's play by winning from Pueblo Junior College and dropping one to the University of Denver. The Bengals traveled to Denver and received a setback last Friday by a 7-3 margin. Lomo and Larson took their singles matches. Last Saturday at the Broadmoor the CC team fared better against P.J.C. The Tigers copped honors 6-3. The hosts grabbed all but one singles match and two doubles to assure victory.—J.P.

Undefeated CC Relay Team

The Tiger relay team that will be defending their RMC championship at Greeley tomorrow. Left to right: John McCawley, Bill Pfeiffer, Dick Pfeiffer and Gene Albo.

Bears Take Tigers Twice For Conference Title

Poor pitching, weak hitting and several errors proved fatal, as the CC Tigers dropped two crucial games and the R.M.C. title to the high geared Colorado State Bears at Greeley last weekend.

The Bears collected 9 hits off the combination hurling of Warren Goodnight and Ruben Chavez in the opening encounter, to coast on to a 10-2 victory. Rangy Ben Drieth went the distance for Greeley and limited the slumping Bengal sluggers to six singles and two runs.

Behind the four hit twirling of Cliff Olin, the Greeley pastimers let loose with a 12-hit attack to hand the Tigers a 16-0 trouncing in the second game of the two game series.

Kearns and Lucas Will Head WAA Next Fall

Results of the recent Woman's Athletic Association election are as follows: president, Jeanne Kearns, vice president, Dottie Lucas, secretary, Cynthia Wahle, and treasurer, Pat Martin. Jean Thayer is the retiring president.

Three C.C. Players Make All-R.M.C. Team

Three Colorado College diamonders were named on the All-Rocky Mountain Conference team that was selected by the conference coaches this week. They are Captain Leo Hill, first base, Wilfred Perkins, second base, and Jack Mitchell, center field. Each player will receive individual awards which are given by the R. M. C. Board.

Douglas Resigns As Athletic Head

C.C. In Quest for New Football Coach

Ben Douglas, head football coach and director of athletics, submitted his resignation effective September 1, to the C.C. athletic board who accepted the resignation, according to the announcement made by General Gill Thursday.

Douglas stated that he was leaving the coaching field altogether and by no means was he leaving to take another coaching position.

At a meeting of the football squad called by General Gill, Douglas stated that he was not leaving because of any feelings toward the players, or because the future looks dark. On the contrary, he thinks the prospects look very good for next year and even better for the year after next.

Gill said that about 12 men have applied for the position and he expects more as soon as the word gets around.

Allison Binns, coach of Pueblo central's football team, state champions last year, said he would be interested in the job at Colorado College. A few years ago, Binns was assistant coach to Hal White at CC.

Johnny Mason, former coach of Colorado Mines, was also mentioned as one who expressed an interest in the position.

C.C. Golfers Capture R.M.C. Championship

Last Friday among a four team entry Colorado College golfers pulled an upset by taking first place honors in the R. M. C. meet with 23½ points. Clarence Freeman of Colorado Mines toured the Broadmoor course with a sparkling 77. Coach Lou Worner's No. 3 and 4, linkmen turned in terrific match play which netted them eight points each. Milton Richert swung his way to an 82 while Ace Gardner ended with an 89. Bob Crabb, a bit out of form, finished with an 83 which gained 4½ points for him in the No. 1 position. Bruce Stewart in the No. 2 spot came in with an 85. Coach Worner has guided the Tiger linksters through a season of ups and downs but this season proved to be very successful when the R. M. C. title was earned by Colorado College. This is the first title the Tigers of CC have won in any conference sport this year.

Mines finished a close second and Western State found itself in third spot with Montana Sattre bringing up the rear.—J.P.

Final Home Games With Regis Cancelled

Coach Goodnight announced last Wednesday that the two remaining home games with Regis College will probably be cancelled. The Regis games were scheduled for May 25, 26 but many of the CC players will be preparing for final exams and graduation and therefore the Tigers do not wish to playoff these games.

I-M Bulletin

The All-Intramural softball team as selected by intramural managers is as follows:

First Team
Pitchers—Faucett, Phi Gam; Ritchie, Independent.
Catcher—Randolph, Phi Gam.
1st base—Long, Kappa Sig.
2nd base—Weden, Phi Gam.
3rd base—Ray, Independent.
Shortstop—Meier, Independent.
Right field—Provenza, Kappa Sig.
Left field—Stemon, Phi Gam.
Center field—Miller, Kappa Sig.

Second Team
Pitchers—Brenton, Phi Delt; Lomo, Independent.
Catcher—Carstens, Independent.
1st base—Yalich, Independent.
2nd base—Rice, Kappa Sig.
3rd base—Alexander, Beta.
Shortstop—Vanderberg, Phi Delt.
Right field—Hart, Phi Gam.
Left field—Lewis, Sigma Chi.
Center field—Robertson, Kappa Sig.

The I-M championship Independent softball team will meet the I-M All-Stars on Stewart Field this afternoon at 2:30. This game is sponsored by the C-Club and it will be a nine inning contest. Speedballer Al Ritchie is slated to hurl for the Independents while Glen Faucett will toe the mound for the All-Stars.

Line-ups:

Independents
Ritchie, pitcher.
Carstens, catcher.
Yalich, 1st base.
Newson, 2nd base.
Meier, shortstop.
Ray, 3rd base.
Ikola, left field.
Williams, center field.
Lomo, right field.

All-Stars
Faucett, Pitches; Brenton, Phi Delt—pitchers.
Randolph, Phi Gam—Catcher.
Long, Kappa Sig—1st base.
Weden, Phi Gam; Rice, Kappa Sig—2nd base.
Vanderberg, Phi Delt—Shortstop.
Alexander, Beta—3rd base.
Lewis, Sigma Chi; Stemon, Phi—left field.
Provenza, Kappa Sig; Hart, Phi—right field.
Robertson, Kappa Sig; Miller, Kappa Sig—center field.

Bengals Seek Dual Wins Against Western State

The CC baseball team will climax its season schedule this weekend when it travels to Gunnison to face the Western State Mountaineers in two R.M.C. tilts. Today's game is slated for 2:30 and tomorrow's "play ball" time is scheduled for 2:00 p. m.

Coach Goodnight's Tigers are now resting in second place in the R.M.C. with a record of 4 wins and 5 losses and the Black and Gold will attempt to climax their season with a pair of wins against the Mountaineers.

CC and Western State split in a two game series played earlier in the season on Stewart Field. The Tigers must win both games this weekend if they wish to gain a second place in the conference for the Mountaineers have won 3 and lost 5 in conference play.

Either Ruben Chavez or Chuck Roper will get the mound assignment in today's game while Warren Goodnight or George Theodore will hurl tomorrow's encounter. Captain Leo Hill will be behind the plate and the infield will lineup with Paul Ritch on first, Wilfred Perkins at second, Chuck Stoddard handling short stop and Don Jones on the hot corner. The starting outfielders will be Bob Panter in left, Jack Mitchell in center and John Litt at right.

"Tell me, Hugh,
does she go for Dentyne Chewing Gum?"

"Sure she goes for Dentyne Chewing Gum,
George—that's basic—that swell, long-
lasting Dentyne flavor sends her as much as
it does you or me. She likes the way Dentyne
helps keep teeth white, too."

Dentyne Gum—Made Only by Adams

Cops Needed by City

The city of Colorado Springs needs six courteous patrolmen on the Pikes Peak highway during the summer months. Applicants must be mature and experienced drivers.

This position pays well. Call at the Dean of Men's office if you are interested.

Sociologists To Elect

There will be a very important meeting of the Sociology club on Saturday morning, May 22 at 10:00. It will be held at the Kappa Kappa Gamma Lodge. Since officers for next fall are to be elected, it is essential that all juniors and sophomores interested in the club attend this meeting.

200 Seniors—

(Continued from Page One)

The senior-parent dinner is scheduled for Friday evening, June 4, in Cossitt hall. A large crowd is expected. Members of the graduating class are guests of the National Alumni Association of the college at this dinner. Francis DeMarco and a five-piece orchestra will play dinner music and during the program, the Choral Repertory group of the music department will sing several selections.

Class officers, Dick Fryer, Cora Woodson and Harold LaPorte are acting as a steering committee for the senior-parent dinner, and Mary Ellen Cosgrove will head a committee on decorations.

A tradition that will be revived (we hope) is the softball game between seniors and faculty scheduled for Sunday at 9:00 a. m.

After the commencement exercises at 3 o'clock on the afternoon of June 5 in the Chapel, President and Mrs. Cill will give a reception on the lawn of Hayes house for recipients of degrees, their relatives and guests, alumni, members of the board of trustees, faculty and friends of the college.

THE

Couples Column

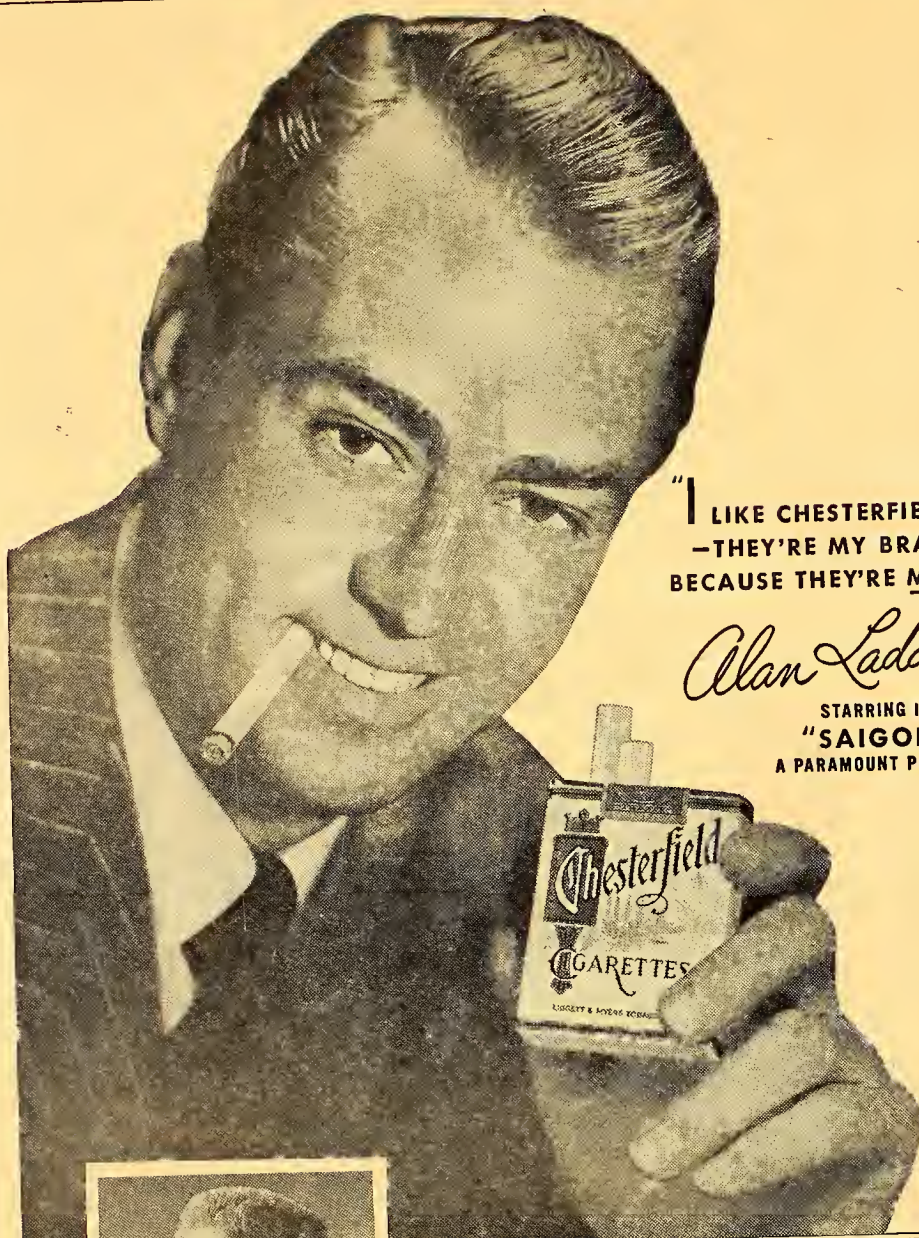

We couldn't have asked for a more perfect day for our picnic than last Sunday. Everything turned out fine; we were just sorry that more of you couldn't be there to enjoy the food and the baseball and the sociability.

The auction will be held, as announced, on next Wednesday the 26th, at 7:30 in Lennox. Shirley Windward will be the auctioneer. Please bring tags for all your articles, with a minimum price and your name on them.

CC Wives will continue throughout the summer, with a more varied, informal program. We shall meet every other Wednesday, so watch the paper for announcements.

WHY... I smoke Chesterfield

(FROM A SERIES OF STATEMENTS BY PROMINENT TOBACCO FARMERS)

"I think Chesterfield is a good-smoking cigarette and I like them. They have a good, ripe-tobacco taste and they're mild."

"Nobody pays a higher price to get good-smoking tobacco than Chesterfield. They buy sweet, ripe tobacco. Looks like a gold dollar in the barn."

Leavitt Roberts
